

**WABAG report Q2 & H1 FY 16 Results;
Order intake of over Rs. 3,000 Crores in H1;
Consolidated Sales & EBITDA up by 19% & 34% respectively in Q2.**

Nov 7, 2015: VA TECH WABAG LIMITED, a leading Multinational Company specialized in Water and Waste Water management today announced its financial results for the quarter and half year ended 30th September, 2015.

Key Highlights:

- Order Intake of more than Rs. 3,000 Crores in H1 FY 16
- Standalone Sales & EBTIDA up by 39% and 60% respectively in Q2 FY16
- Consolidated Sales & EBITDA up by 19% & 34% respectively in Q2 FY 16
- Order Book of over Rs. 8,600 Crores including Framework contracts of about Rs. 1,500 crores

During the Quarter WABAG won its biggest ever order along with its JV partner from PETRONAS for an Effluent Treatment Plant (ETP) for a value of over INR 1500 Crores. The ETP will form part of the RAPID complex at Pengerang, Johor, in southern Malaysia. The purpose of the Integrated ETP is to reduce the pollution in the aqueous effluents of the RAPID Complex to below the regulatory discharge limits. The contract was awarded by PRPC Utilities and Facilities Sdn. Bhd., a subsidiary under the PETRONAS Group of companies.

During the quarter the Company also won new orders in the O&M space and an advanced technology order in Switzerland for a modern biological membrane.

Commenting on the results, Mr. Rajiv Mittal, Managing Director, VA TECH WABAG LIMITED said "Our strategy to grow in diversified geographies has enabled us to deliver

consistent order intake notwithstanding the muted progress in the Indian market. Thanks to our healthy order backlog and good balance sheet we were able to fast track our execution in India amidst tight liquidity situation in the market by supporting our sub-contractors and suppliers.”
