Commenting on the results, Mr. Rajiv Mittal, Managing Director, VA TECH WABAG LIMITED said, "I am very happy that the Company has delivered a profitable growth during the period and I am optimistic that we will continue our good performance in the forthcoming quarters true to the trust and support reposed on us by all our stakeholders."

The major orders won during the period are

- WABAG Philippines recently won a contract for a value of US\$ 60 Mn along with a JV partner for a 900 MLD water treatment plant retrofit. The portion of the contract value for WABAG would be around US\$ 25 Mn.

- Continuing our success in Vietnam, WABAG India has now bagged an order for a 150 MLD Water Treatment Plant for a value of USD 13 Mn. This significant project aims to meet clean water need for about 3 million people in 8 districts of Hanoi, as well as Bac Ninh and Hung Yen provinces. This is another high profile investment of Vietnam – Oman Investment (VOI) in its distinguished water portfolio in Vietnam.
- WABAG Austria has converted part of the Al Saad BWRO, Saudi Arabia framework contract into an order intake during the quarter. This order intake of EUR 10 Mn is towards Phase 3 of the project towards design and supply of a new drinking water treatment plant employing RO technology. The Company is already executing Phase 1 & 2 of this project, towards pre-treatment plant for a capacity of 400,000 m3/d.
