Mr. Vijay Dewan

Managing Director

MANAGEMENT COMMENT

Commenting on the Q2 & H1 FY26 performance Mr. Vijay Dewan, Managing Director said:

“This has been our best-ever second quarter — a period of accelerated momentum and sustained growth. We have achieved strong high teen revenue expansion and mid-teen EBITDA growth, reaffirming the strength of our strategy and brand. The result is amplified by attaining India's leading occupancy of 93%, 13% growth in ARR and 12% growth in RevPAR.

Our expansion plans are progressing steadily, with the acquisition of Zillion Hotel at Juhu, Mumbai and the new Kolkata project breaking ground in January 2026. These milestones mark significant steps in our journey of building iconic hotels across India.

Recognition for Ran Baas The Palace, Patiala and The Lotus Palace, Chettinad on the global stage further reinforces our position as a design-led, experience-driven hospitality group.

As we move ahead, our focus remains on further improving growth, deepening guest engagement, and creating enduring value for all stakeholders.”
