Sandeep Kalra, Chief Executive Officer and Executive Director, Persistent Systems:

The 9.2% sequential growth and 27.3% year-on-year growth that we delivered this quarter was amongst the highest ever. I'm especially proud of our team for this achievement during these challenging times.

We won several large digital engineering and enterprise modernization deals. These deals reinforce the differentiated value we deliver to both technology companies and enterprise clients. Our commitment to client success remains central. Our focus on deepening client relationships, disciplined execution, and operational excellence are foundational to achieving consistent, profitable growth. During this quarter, we also acquired Sureline Systems, to bolster our cloud capabilities.

First Quarter FY22 Client Wins and Outcomes
