Investor Presentation

This presentation and the accompanying slides (The Presentation), which have been prepared by **Shanmuga Hospital Limited** (The Company) solely for informational purposes, do not constitute any offer, recommendation, or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied upon in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data that the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on the truth, accuracy, completeness, fairness, or reasonableness of the contents of this Presentation. This Presentation may not be all-inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

Certain matters discussed in this Presentation may contain statements regarding the Company's market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties, and assumptions that are difficult to predict.

These risks and uncertainties include, but are not limited to, the performance of the Indian economy and the economies of various international markets, the performance of the industry in India and worldwide, competition, the company's ability to successfully implement its strategy, the Company's future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income, or cash flows, the Company's market preferences, and its exposure to market risks, as well as other risks.

The Company's actual results, levels of activity, performance, or achievements could differ materially and adversely from the results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company, and the Company is not responsible for such third-party statements and projections.

COMPANY OVERVIEW

SHANMUGA HOSPITALS

Shanmuga Hospital

1

Shanmuga Hospital Limited, established in 1981 by Dr. Panneerselvam Palaniappan Shanmugam, is a Multi Specialty Hospital based in Salem, Tamil Nadu.

2

The hospital provides advanced medical and surgical care through specialized units such as the Intensive Care Unit (ICU), Neonatal Intensive Care Unit (NICU), Oncology, Cardiac, and Emergency departments, supported by modern diagnostics including Magnetic Resonance Imaging (MRI), Computed Tomography (CT) Scan, Ultrasound, and X-Ray.

3

It is empanelled with government bodies such as Employees State Insurance Corporation (ESIC), Railways, Ex-Servicemen Contributory Health Scheme (ECHS), AAI, and FCI, as well as major insurance and TPA providers, ensuring accessible, high-quality healthcare at competitive costs.

Mission

We provide timely care, efficient treatment and preventive health services to ensure patient satisfaction so as to stay leaders in the field of healthcare.

Vision

We are the pioneer, listed and best hospital in Salem region in the field of oncology, robotic surgery, preventive healthcare and health insurance.

Journey: From Inception to Public Listing

1981

Established as Shanmuga Hospital, a sole proprietorship in Salem by Dr. Panneerselvam Palaniappan Shanmugam.

1992

Hospital relocated and restructured as a partnership firm to meet growing demand.

1996

Established Salem Cancer Institute, the first cancer care center in the region. Formed Shanmuga Medical Research Foundation Trust (SMRFT) for medical services and education.

2020

Incorporated as Shanmuga Hospital Private Limited under the Companies Act, 2013.

2022

Obtained NABH Accreditation for the Hospital.

2023

Obtained NABL Accreditation for Shanmuga Diagnostics.

Acquired the business undertaking of the partnership firm via Business Transfer Agreement dated December 15, 2023.

2024

Converted to a Public Limited Company as Shanmuga Hospital Limited.

2025

Successfully listed on the BSE SME, marking a key milestone in the company's growth journey.

BUSINESS OVERVIEW

Integrated Healthcare Infrastructure Across Units

Shanmuga Hospital
Salem, Tamil Nadu

The centrally located flagship facility in Salem spans two blocks and three floors, offering comprehensive IPD and OPD services, managed by a skilled medical team and specialist consultants.

Shanmuga Clinic
Ayothiyapattinam, Salem,
Tamil Nadu

Shanmuga clinics operates as a dedicated peripheral OPD unit serving the salem region. It offers specialized consultations and primary care near residential areas. Patients needing advanced treatment are seamlessly referred to the main hospital.

Shanmuga Diagnostics
Salem, Tamil Nadu

Serving as a specialized pathology laboratory, catering to both OPD and IPD patients. Equipped with state-of-the-art technology and skilled professionals, it ensures reliable diagnostic services and plays a vital role in accurate medical evaluation and treatment planning within the hospital.

Emergency Department

The Emergency Department at Shanmuga Hospital Limited operates 24/7 as a critical care hub, managing life-threatening conditions and urgent medical needs with speed and precision. Staffed by trained emergency physicians, trauma specialists, nurses, and paramedics, the ED ensures immediate triage, stabilization, and treatment of patients suffering from trauma, cardiac events, strokes, infections, and other emergencies.

Robotic Surgery

Shanmuga Hospital introduces a Single Console Robotic Surgery System to perform minimally invasive procedures with enhanced precision. This advanced technology, including the DaVinci Xi System, improves outcomes in specialties such as urology, gynaecology, and general surgery by reducing trauma and accelerating recovery.

DaVinci Xi System

Robotic Surgery Da Vinci Xi System

Shanmuga Hospital uses the Da Vinci Xi System for robotic surgeries in specialties such as urology, gynecology, oncology, gastrointestinal, and thoracic procedures. This system enables highly precise and minimally invasive surgeries, which help reduce recovery time, lower the risk of complications, and allow for the treatment of complex cases with enhanced control.

2 LINAC Machines (Radiotherapy)

The hospital is equipped with two Linear Accelerator (LINAC) machines used in radiotherapy to treat solid tumors in areas including the brain, breast, prostate, and head and neck. These machines deliver accurate, high-energy radiation and ensure uninterrupted cancer care, making them a reliable and effective component of cancer treatment protocols.

Cath Lab with IVUS (Intra Vascular Ultrasound)

The hospital's catheterization laboratory is equipped with Intra Vascular Ultrasound (IVUS) technology, which is used for diagnosing and treating heart blockages. It provides real-time imaging of the coronary arteries, improving the precision of procedures like angioplasty and stent placement while minimizing risks and enhancing patient outcomes.

Technology that Heals. Infrastructure that Performs.

Plasma Sterilizer (Infection Control)

Shanmuga Hospital employs plasma sterilization technology to sterilize heat-sensitive surgical instruments and medical devices. This advanced low-temperature method plays a crucial role in maintaining infection-free zones in surgical and intensive care units, thereby ensuring the highest standards of patient safety.

Fully Automated Biochemistry Lab (2 Units)

The hospital operates two fully automated biochemistry labs that conduct a wide range of diagnostic tests including blood glucose levels, renal and liver function, electrolytes, and cardiac markers. These labs support rapid diagnostics with high accuracy, enabling quicker clinical decisions and improving operational efficiency across the hospital.

Technology that Heals. Infrastructure that Performs.

DNB Specialties: Direct Impact on Patient Care & Hospital Value

DNB (Diplomate of National Board) is a postgraduate medical program in India that trains doctors in specialties through hospital-based learning, helping hospitals improve clinical capacity and address specialist staffing needs.

DNB Emergency Medicine

This program ensures 24/7 critical care coverage and faster emergency response, leading to better patient survival outcomes. It also strengthens the hospital's reputation in trauma and acute care, reinforcing its position as a dependable emergency care provider.

DNB General Surgery

By increasing surgical case volumes and improving post-operative outcomes, the program ensures smoother operations with fewer complications. It also leads to more efficient OT usage, positively impacting the hospital's financial performance.

DNB Radiotherapy

Focused on personalized cancer care, this program enables tailored treatment planning, ensures consistent support throughout the oncology journey, and fosters long-term trust with patients and their families.

DNB programs help bridge staffing gaps, expand service availability, and enhance clinical outcomes while also reinforcing the hospital's long-term positioning and credibility in tertiary care.

Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old. Richard McClintock, a Latin professor at Hampden-Sydney College in Virginia, looked up one of the more obscure Latin words, consectetur, from a Lorem Ipsum passage, and going through the cites of the word in classical literature, discovered the undoubtable source. Lorem Ipsum comes from the classical Latin literature, the first line of which is 'Consectetur adipisicing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex ea commodo consequat. Duis aute irure dolor in reprehenderit in voluptate velit esse cillum dolore eu fugiat nulla pariatur. Excepteur sint occaecat cupidatat non proident, sunt in culpa qui officia deserunt mollit anim id est laborum.'

Strong Oncology Presence

Shanmuga Hospital offers comprehensive cancer care provider in the region, supported by a dedicated team of oncologists and advanced treatment infrastructure. Its comprehensive oncology services attract patients from across the region.

Affordable, Quality Healthcare

The hospital is committed to delivering high quality medical services at affordable prices, ensuring accessibility for the regional population through transparent pricing and patient friendly financial policies.

Strategic Insurance & Government Tie ups

The hospital has established partnerships with government health schemes and private insurers, facilitating seamless, cashless treatment access and broadening patient reach across socioeconomic groups.

Promoters with 40+ Years of Experience

The promoters bring over four decades of healthcare experience, integrating a legacy of patient centric care and operational excellence, further strengthened by the acquisition of a longstanding partnership firm in 2023.

Advanced Medical Technology

Equipped with specialized infrastructure such as LINAC, CATHLAB, MRI, and Modular OTs, Shanmuga Hospital offers cutting edge diagnostics and treatments, elevating the standard of care across specialties.

Legacy of Patient Trust

With over four decades of consistent care, the hospital has nurtured long-standing relationships with families across generations built on trust, compassion, and clinical excellence.

Ultra-Modern Medical Practices

Shanmuga Hospital Limited is committed to providing high quality healthcare by adopting modern medical practices and leveraging advanced infrastructure for both medical and surgical care.

Strategic Location Advantage

Situated on Saradha College Road, a prime area in Salem, the hospital enjoys strong road connectivity and accessibility, ensuring steady patient inflow from across the region.

Experienced Medical Team

The hospital is staffed by a qualified team of full-time doctors, visiting consultants, and trained healthcare professionals, capable of managing diverse clinical needs and emergencies.

Clinical Excellence at Affordable Costs

Since its incorporation in 2020, the company has prioritized delivering quality care across multiple specialties including oncology, cardiology, and neurology at accessible and affordable prices.

Operational Efficiency Initiatives

The hospital aims to improve profitability by enhancing operational efficiency through waste reduction, better resource management, and supply chain optimization.

Strategic Healthcare Initiatives For Business Scaling

Renal & Liver Transplant

The process of obtaining licensure to launch renal transplant services aimed at delivering comprehensive kidney care including evaluation, donor matching, surgery, and post-operative follow-up managed by a dedicated multidisciplinary team to ensure quality outcomes.

Increase in Inpatient Capacity

The company plans to expand its infrastructure by adding 50 additional inpatient beds, improving its ability to accommodate & treat more patients efficiently.

Launch of Nephro Care Center

A dedicated center for kidney care will be established to provide focused, high quality nephrology services and strengthen the hospital's specialty offerings.

Digital Health Integration

Shanmuga Hospital will soon launch the "Shanmuga Health App," which will allow patients to easily access healthcare services, view medical records, and schedule appointments through a user-friendly digital platform.

Upgraded Outpatient Facility

The Outpatient Department (OPD) will be relocated to a newly developed premises, aimed at enhancing operational efficiency, reducing patient wait times, and improving the overall care experience.

Investment Rationale

- Legacy**
Over 40 years of trusted healthcare delivery in Salem with multi-generational patient relationships.
- Specialty Focus**
Strong presence in oncology and other critical specialties, including plans for renal transplant and robotic surgery
- Strategic Accreditations**
NABH & NABL certified, ensuring quality standards in clinical and diagnostic services.
- Institutional Tie-Ups**
Empanelled with ESIC, ECHS, Railways, AAI, FCI, and major insurance/TPA providers.
- Strong Financial Performance**
Recorded FY25 Revenue of ₹4,785.33 Lakhs, EBITDA of ₹817.09 Lakhs, and PAT of ₹420.67 Lakhs.
- Advanced Infrastructure**
150+ bed multispecialty setup equipped with LINAC, MRI, and modular OTs.
- Experienced Management**
Led by promoters with 40+ years of healthcare experience and supported by 70+ doctors and 245+ staff.
