## **Rossell Techsys Announces Robust Q4 Results: Projects Steep Growth in FY 2025–26**

**Bengaluru, May 28, 2025** – *Rossell Techsys Ltd.* (ROSSTECH), a leading provider of engineering and manufacturing services to global aerospace and defense OEMs, announced robust financial results for the fourth quarter ended March 31, 2025. The company reported total revenue of INR 8,914 lakh, marking a 55% year-on-year (YoY) growth and a 17% increase over the previous quarter.

### **Key Financial Highlights – Q4 FY 2024–25**

- **Total Income:** INR 8,914 lakh (↑ 55% YoY, ↑ 17% QoQ)
- **Gross Profit:** INR 4,051.8 lakh (↑ 47% YoY, ↑ 11% QoQ)
- **EBITDA:** INR 1,659 lakh (↑ 119.3% YoY, ↑ 10.9% QoQ)
- **Profit After Tax (PAT):** INR 686 lakh (↑ 351% YoY, ↑ 38.2% QoQ)

Detailed results are shared in Annexure [here](#).

These results reflect strong operational performance, increased customer demand, and effective cost and process optimization across business units.

Rossell Techsys has named Mr. Krishnappayya Desai as its new Company Secretary. A seasoned governance professional, he brings expertise in corporate law, fund raising, and regulatory compliance, and will play a key role in strengthening the company's governance framework as it scales.

### **Growth Momentum and Strategic Expansion**

Q4 performance was driven by higher order volumes from key aerospace and defense clients, as well as growing traction in adjacent sectors such as space, semiconductors, energy, and transportation. The company continues to expand its footprint across international markets, including the United States, Israel, and Eurasia.

Operationally, Rossell Techsys has advanced its digital transformation through investments in automation, smart productivity tools, and infrastructure optimization—enhancing efficiency, accelerating turnaround times, and enabling scalable delivery. The company's 100% customer retention rate reflects its unwavering focus on quality, reliability, and long-term client partnerships.

*“Our strong Q4 results demonstrate the success of our customer-first strategy and operational discipline,” said **Rishab Gupta**, Managing Director, Rossell Techsys Ltd. “With robust demand, expanded capabilities, and continued innovation, we are well-positioned for sustained growth in FY 2025–26 and beyond.”*

### **Strategic Outlook**

Rossell Techsys is aligned with India’s *Aatmanirbhar Bharat* and *Make in India* initiatives through its advanced capabilities in high-reliability interconnect systems and embedded technologies. The company continues to support both indigenous defense programs and global platforms.

Looking ahead, the company plans to scale operations, enter higher-value domains, and deepen global engagement. R&D efforts will focus on automation, innovation, and operational scalability to meet growing customer expectations.

Rossell Techsys currently serves over 30 global clients, including Boeing, Lockheed Martin, Honeywell, IAI, BAE Systems, and the Indian Air Force.
