BlueStone's design-led offerings and customer-centric approach set it apart from conventional Indian jewellers, driving higher gross margins and repeat purchases

- 25 to 45 years of age
- Women, men and couples
- Value unique designs and modern styles
- Lay greater importance on design over metal value

Tendency to discover brands through social media or online

Business Overview

Our Strengths

1 Successful Omnichannel Strategy for a Cohesive Customer Experience

1 Omnichannel as a Catalyst for Sales Growth

Offline stores boost omni-channel sales

Brand trust drives shift to online purchases

Offline stores bridge the need for tactile experience

Share of online-influenced offline market¹ has grown

2019

2024

A Case Study - Impact of omni-channel model on revenue growth in Ranchi, Jharkhand

Blending digital sales with offline experience centres drives stronger overall growth

 **BLUESTONE**

Contemporary designs
and reimagined
traditional jewellery

Affordable designs
starting at ₹5,000,
make BlueStone a go-
to choice for modern
consumers

Lightweight designs
are ideal for 'non-
wedding' wear and
easy to carry or store

Website/app lets
customers browse
anytime and purchase at
their convenience

vs. Traditional Jewellery

Traditional jewellers offer limited
designs for new-age buyers at
affordable price points

Conventionally, in India, jewellery
was purchased mainly for the locker

Jewellery largely bought for
weddings; heavy pieces stored away

Retail ecosystem is over the counter
based - restricts variety and
browsing options

Youth-focused, modern designs aligned with fashion trends; driving repeat purchases and higher lifetime value

Pioneering Tech-Driven Jewellery Shopping Experience

BlueStone leverages cutting-edge digital tools to make online jewellery shopping as engaging as in-store

Immersive visuals that bring the in-store experience online

3D Rendering

True-to-life product images

360 Video

Every angle covered in detail

Size Visualization

Accurate scale display

Virtual Trials

Video consults

Seamless transaction experience

Unified customer view for cross-channel shopping

Higher customer satisfaction

Automated inventory management

Bring relevant designs to consumers

Inventory integration with website

Seamless customer experience

Billing and order management for stores

Secure and quick checkout

Integrates design, manufacturing, merchandising, and retail with advanced front-end technology – delivering an in-store experience anytime, anywhere.

In-house technology bringing efficiency and agility

Building a digitally-native company

DESIGNING

Complete autonomy with designers; not merchandizer led

identify customer preferences regarding designs

MANUFACTURING

Dedicated prototype facility

capture design trends, quick turnaround, and personalization

MERCHANDIZING

Algorithm-driven, data-led approach

Right merchandizing decisions and marketing strategies

RETAILING

Omnichannel retailing

Seamless transaction experience

Data-driven insights led to introduction of studded jewellery designs resulting in higher gross margins

Integrated tech stack enabling agile operations

Production Management System

Streamlines production and inventory

Order Management System

Manages orders securely end-to-end

Customer Relationship Management

Centralizes customer data management

Integrated tech stack drives growth at every stage - boosting accuracy, increasing order value, enhancing retention, and accelerating innovation

4 In-House Tech & Infrastructure Powering Agile Design-to-Store

Operational manufacturing facilities

5 Offline Stores Boost Omnichannel Sales

Located in high-visibility areas with standardised look and feel

Offer touch-and-feel benefit for “online influenced” sales

Offer touch-and-feel benefit for “online influenced” sales

Curate consistent customer experience across all stores

Control over choice of inventory and visual merchandise

Integrated tech to allow real-time inventory checks across PIN codes

Robust Pan-India Footprint Driving Scalable Growth

Integrating omnichannel with offline experience centres increases brand visibility, builds trust, drives customer engagement and enhances in-store and after-sales service

Leveraging the internet to become a one-of-a-kind digital jewellery brand

Designs become heroes

Traditional Playbook

Celebrity brand ambassadors, heavy ATL (TV, Print) spends

vs. Bluestone Approach

100% digital-first, design-led, customer experience

How We Win Online?

Design Differentiation

- **7,400+ unique** designs
- **50%+ repeat revenue** driven purely by designs & trust, not celebrity pull

Digital-First Marketing

- Engage on Instagram, Google, Meta platforms targeting 25-45 age group
- Two way communication – Interaction with category

Among the most recognised digital-first jewellery brands in India

Top 2 Digital-first omni-channel jewellery brands in India (FY24)¹

Strong brand recall → authenticity & relatability

Top 4 Leading Jewellery Retailers in terms of least marketing spends¹

High engagement on digital platforms and strong D2C funnel

Top 3 jewellery retailers in India by Instagram followers (May 2025)¹

A digital-first jewellery brand where our designs are our true ambassadors, driving trust, authenticity, and customer loyalty

Notes: ¹ FY24; Source: RedSeer Report; Leading Jewellery Retailers are defined as omnichannel and multichannel retailers in India, including BlueStone and listed retailers with revenue of more than ₹5,000 million in Fiscal 2024 and who have more than 50 physical stores.

Brand Building With Marketing Edge

BlueStone's Strong Gross Margins are Enabling it to Redefine Marketing in the Digital Era

Building the BlueStone Brand

Brand Trust

- **Communicating BlueStone's values** increases brand awareness
- **Diverse product range** reinforces brand presence
- **Interaction with product** increases credibility
- **Trusted certifications, transparent pricing** promises quality

Digital Marketing

- **1-0-1 customer outreach** drives engagement
- **Data-driven, digital sales promotion** increases reach
- **Targeted, occasion-specific campaigns** boosts conversion

Incentive / Loyalty Schemes

- **Gold Mine 10+1 Plan** enables budgeting for big purchases or gifting
- India's only Leading Jewellery Retailer¹ to offer a carat upgrade on old gold exchange with **Big Gold Upgrade** scheme
