ITEM NO. 7

Mr. S.K. Khurana is a B.E. (Mechanical), F.I.E., Chartered Engineer and has been working with the Company since December 01, 1972 in different capacities. Initially, he had been appointed as Managing Director of the Company effective from October 01, 2006. In the year 2012, he was re-designated as Chairman & Managing Director of the Company. He had been given an extension of 2 years from October 01, 2013 to September 30, 2015.

In previous Annual General Meeting, the Members had approved his re-appointment for a further period of 2 years from October 01, 2015 to September 30, 2017, first year as Chairman and Managing Director and second being the Executive Chairman.

The Board had, in its meeting held on October 28, 2015, approved the annual increment in the salary of Mr. S.K. Khurana, the details of which are given below. Specific approval of the Members is now sought to the above revision in the remuneration of Mr. S. K. Khurana.

Terms of Appointment

(A) Salary:

₹ 2,47,500 (Rupees two lacs forty seven thousand five hundred only) per month.

(B) Special Allowance:

₹ 72,450 (Rupees seventy two thousand four hundred fifty only) per month.

(C) Commission:

In addition to salary, commission payable shall be an amount subject to the upper limit of 1% of the net profits of the Company in a particular financial year as may be determined by the Board of Directors every year.

(D) Perquisites:

- i. In addition to the salary and commission, Mr. Khurana shall be entitled to perquisites such as accommodation or house rent allowance in lieu thereof; furniture, furnishings, medical expenses for self and family including surgical and hospitalisation expenses, medical/accident insurance, leave travel concession etc. in accordance with the rules of the Company, if any, or as may be agreed to by the Directors and Mr. Khurana; the monetary value of such perquisites will be restricted to the maximum amount of annual salary. For the purpose of calculating the above ceiling, perquisites shall be evaluated as per Income-tax Rules, wherever applicable and in the absence of any such rules, the same shall be evaluated at actual cost.
- ii. Use of Company's car and telephone at residence.
- iii. The Chairman & Managing Director shall also be eligible for the following perquisites which shall not be included in computation of the ceiling on perquisites specified hereinabove.
 - a. Contribution to provident fund, superannuation fund or annuity fund to the extent these either singly or put together are not taxable under the Income-tax Act, 1961.
 - b. Gratuity payable at a rate not exceeding half a month's salary for each completed year of service with effect from July 01, 1996 when new terms were agreed to between him and the Company on this issue.
 - c. One month's leave on full pay and allowances for every eleven months of service. However, no encashment of leave shall be permitted at the end of the tenure.
 - d. Reimbursement of entertainment, hotel and other expenses actually and properly incurred for the legitimate business of the Company.

EXPLANATION: "Family" means the spouse, dependent children and dependent parents of the managerial person.

(E) Minimum Remuneration:

Notwithstanding anything to the contrary herein contained, where in any financial year during the currency of the tenure of Mr. Khurana, the Company has no profits or its profits are inadequate, the Company will pay remuneration by way of salary and perquisites as specified above, subject to the restrictions set forth in schedule V of the Companies Act, 2013.

Panasonic Energy India Co. Ltd.

(F) Notice for termination of the Agreement:

Either party has option to terminate this appointment by giving a Notice in writing to the other party of his intention to resign at least 3 months in advance.

(G) Compensation for loss of office:

The Chairman & Managing Director shall be entitled to compensation for loss of office or for early retirement from the office (except where he himself terminates the agreement on his own accord) in accordance with the provisions of section 191 of the Companies Act, 2013.

(H) Sitting fees:

The Chairman & Managing Director shall not be paid any sitting fees for attending the meeting of the Board of Directors or Committee thereof from the date of his appointment.

(I) Chairman & Managing Director not liable to retire by rotation:

Subject to the provisions of the Act, Chairman & Managing Director shall not while he continues to hold office of the Chairman & Managing Director be subject to retirement by rotation of Directors and he shall not be reckoned as a Director for the purpose of determining the rotation or retirement of Director or in fixing the number of Directors to retire, but he shall ipso facto and immediately cease to be the Chairman & Managing Director if he ceases to hold office of Director for any cause.

Any Member desirous of having inspection of the Agreement referred to in the resolution may do so on any working day during office hours upto the date of the ensuing Annual General Meeting of the Company.

The Board of Directors accordingly recommends the passing of the resolution at item No. 7 of the accompanying notice.

None of the Directors/KMP/their relatives except Mr. Khurana is any way, concerned or interested in the said resolution.

ITEM NO. 8

The Members may recall that in furtherance of the succession planning of Mr. S. K. Khurana, Chairman & Managing Director of the Company, Mr. Mikio Morikawa had been inducted on the Board w.e.f. July 01, 2015 as Joint Managing Director for a term of 15 months and consequent elevation as Managing Director w.e.f. October 01, 2016 to September 30, 2017.

The Members had also approved his appointment as Joint Managing Director in 43rd AGM held on July 24, 2015. Thereafter, the Company had approached the Central Govt. for granting its approval to the appointment of Mr. Morikawa (being a foreign national). Unfortunately, Central Govt. had rejected the application of Mr. Morikawa on the ground of non-submission of employment visa which he could not applied for due to his busy schedule on some other assignment. Consequently, the Board had to re-designate him as Non-executive Director w.e.f. January 28, 2016.

Now, to give effect to the earlier succession planning, the Board, on the recommendation of the Nomination and Remuneration Committee, had appointed him as Managing Director effective from October 01, 2016 for a period of 3 years.

Mr. Morikawa is an Industrial Engineer from Waseda University, Tokyo, Japan. He has been associated with Panasonic since 1986 and has worked in different capacities including heading their battery operations in USA. His last assignment in Japan was General Manager, Procurement Dept. of Energy Device Business Division.

3. Operational Review

Your Company has delivered another year of steady performance inspite of sluggish performance of organized battery industry. Organized sector recorded sales of slightly over 2.1 billion pieces which is around 99% as compared to last year.

Despite of such adverse industry scenario, your Company has improved its sales amount by 3% and achieved sales of ₹ 27,794 lacs as against ₹ 26,903 lacs in previous year.

The profit before tax (PBT) from ordinary activities during the year stood at ₹ 2,491 lacs which is slightly less as against ₹ 2,591 lacs registered in last financial year. In the current year, the Company could not maintain or improve the same owing to severe competition, adverse exchange rates, increase in the cost of key raw materials and sluggish market condition prevailing in battery industry.

Batteries and Flashlights

The overall battery industry in the organized sector is witnessing de-growth, which is mainly due to heavy inflow of inferior quality imported products dumped mainly from China at very low rates.

Flashlight market has also under performed during the year 2015-16 and is at around 90% to previous year. This is mainly due to its dependence on monsoon which was sluggish during the year. In stiff conditions also your Company has established growth of around 102% over previous year.

Prospects

The organized battery industry is facing challenges owing to cheap imported batteries. Company is pleased to inform that steps are being taken to overcome this situation within a reasonable time frame which will present the battery industry in much brighter prospects for the years to come.

4. Dividend

Keeping in view the current profitability of the Company, your Directors are pleased to recommend payment of a dividend of ₹ 7/- per equity share (@ 70% at par value of ₹ 10/- each) (previous year ₹ 7/- per equity share), subject to the approval of shareholders at the forthcoming Annual General Meeting. The dividend, when approved, will entail payment to shareholders of ₹ 525 lacs. It will be tax free income in the hands of recipients. However, the Company's outflow towards dividend distribution tax would be to the tune of ₹ 106.88 lacs.

5. Management Discussion and Analysis

A. Business Overview

Zinc carbon batteries

Zinc carbon sales of organized manufacturers have reported sales at around 99% as compared to previous year. However, the dry battery consumption in India is much more due to continuous import of Chinese batteries at dumped price. In this context there is a scope for organized sector to grow.

Another significant factor which is affecting the sales turnover is due to the shift in consumer preference from high value D size batteries towards low priced AA / AAA size batteries.

The statistics given below explains the current battery consumption scenario in India.

Battery size wise contribution in % (Estimated)

	<u>2013-14</u>	<u>2014-15</u>	<u>2015-16</u>
D Size	14.5	13.0	10.7
C Size	0.3	0.3	0.2
AA Size	74.3	73.5	73.4
AAA Size	10.9	13.2	15.7

The above trend is in line with the global trend and envisaging the change in trend towards miniaturization, your Company has invested in enhancing the production capacity of AAA category. The growth in AAA category is expected to continue in the years to come and your Company is well placed to take advantage of this growing segment.

Alkaline batteries

At present battery industry in India is dominated by zinc carbon batteries and alkaline contributes only 4% of the total battery demand in the country. Contrary to this, in developed countries the alkaline segment dominates the total battery demand.

Alkaline is a category for future growth. Realizing this, your Company is aggressively concentrating its activities towards improvement of sales in this category. The Company is pleased to report having doubled its share in this category during the year 2015-16 v/s previous year.

Flashlights

Flashlight market is shared equally by organized and unorganized sectors. Unorganized sector continuously launch look alike low price models. This coupled with weak monsoon has resulted into flashlight segment showing de-growth for the year 2015-16 at around 90% in the organized sector.

Your Company is pleased to report achieving growth rate of 102% during the year. The Company foresees large opportunity in flashlight market owing to ever increasing demand of alternative solutions required by consumers to cope with power cuts.

Rechargeable batteries

Rechargeable battery market is stagnant and contributes around 1% to total battery demand. This segment is dominated by imported cheap rechargeable batteries.

Your Company has successfully marked its presence in marketing and sales of “eneloop” brand of rechargeable batteries and chargers. Company intends to aggressively face the challenges from cheap imported products.

Dealers and consumers appreciate the quality & superiority of our rechargeable batteries but are attracted by huge margins and low offer rates of imported rechargeable batteries.

B. Industry Structure and Development

Organized battery industry has marginally gone down in the financial year 2015-16. It also indicates changes in the buying preferences of the consumer. “D Size” continues to de-grow. De-growth in “AA” Economy segment and double digit growth in “AAA” segment has opened up challenges to be faced in the year 2016-17.

As a result of consumer shift towards miniaturization, “AAA” segment has played a very positive role in maintaining sales of the industry and is expected to grow further.

Company is pleased to announce that having enhanced its production capabilities with successful commissioning of new “AAA” production line, it is well placed to take advantage in this growing segment.

Marketing and Distribution

Your Company has been continuously making efforts not only to strengthen its distribution network but simultaneously also concentrating on improving the productivity of each and every members of its sales team through training and educative programs.

To support productivity enhancement the Company has also undertaken various brand building activities in rural as well as urban markets such as wall paintings, sun sheds, dealer boards and advertisement in bus panels etc. The Company also continued its basic activity i.e. "DISHA" which helped in improving the visibility of Panasonic batteries at shop fronts.

C. Opportunities and threats

Opportunities

Presently, per capita consumption of batteries in India is quite low as compared to other developed countries. It indicates potential for higher future growth. Battery is the cheapest source of portable power and its consumption is always expected to grow as it also is an item of recurring use. Changing usage patterns, arrival of new appliances, shift towards miniaturization of appliances, growing income levels and changing life style promises growth especially in AA/AAA batteries.

Threats

Import of huge quantity of low performance cheap Chinese batteries poses a big threat to the organized sector of the Industry. It not only poses more pressure on the pricing of economy range of batteries but also augments price competition giving lower operating margins which leaves less scope for research and development.

D. Risks & Concerns

Continuous upward trend in raw material cost and devaluation of rupee are a matter of concern for the Indian economy including battery industry.

E. Outlook

The current trend of battery usage pattern in India is gradually moving in line with global trend. It is a positive sign and first step towards moving up with the global per capita consumption which at present is much higher than the per capita consumption in India.

F. Internal Financial Controls

The Company has an adequate system of internal control to ensure compliance with policies and procedures. The internal audit is done by an independent firm of Chartered Accountants. Internal audits are regularly carried out to review the internal control systems. The internal audit reports along with recommendations contained therein are reviewed by the Audit Committee of the Board.

G. Development in Human Resource and Industrial Relation

Your Directors wish to place on record their appreciation to all its employees for their sustained efforts and valuable contribution. Your Company works on the principle of "People before Product", which enables cordial relationship amongst the employees.

The total employee strength of the Company as on March 31, 2016 stood at 836.

H. Research & Development

The goal of our Company is to supply high quality products to our valued customers. Need of customers is changing frequently as per the usage pattern of gadgets. If additional features of environment friendly products with high quality & safety features are available, it would lead to higher level of customer satisfaction and consumer delight. Keeping the above objective in view, the research and development activities were focused towards manufacturing of best quality products with low manufacturing cost, incorporating additional features of safety of appliances and offering environment friendly products.

As a part of continual improvement, your Company, during the year, has taken lead in eliminating heavy metal i.e. "Lead" (Pb) from dry battery for which efforts during past several years have been made under the guidance of the Panasonic Corporation, Japan. The above is the joint effort made by your Company under the guidance of Panasonic Corporation to manufacture lead free batteries despite the lead levels being permissible as per the Indian regulation.

As a result of the above initiative, effective from August 2016 onwards, your Company will be the only Company in India manufacturing the lead free dry battery. You would be happy to know that at present, yours is the only Company in India to manufacture complete range of eco-friendly products.

Your Company is planning to create awareness amongst employees and business partners etc. by way of special training programs and conferences with the sales channels to take advantage of this exclusive initiative in the market place.

Your Company is also committed to be “No. 1 Green Innovative Company in India” by supplying eco-friendly products adopting global vision philosophy of Panasonic Corporation.

During the year, your Company has enhanced the manufacturing capacity of R03/ AAA battery by introduction of new manufacturing line, to meet the growing segment.

During the year, several activities were undertaken to improve product quality without increasing cost and process losses by use of statistical methods like QC seven tools, Q.C. Circle and Kaizen activities. This will lead to enhancement in the confidence level of the employees, suppliers, business associates and customers.

You will be glad to know that, during the year, your Company introduced the highest performance grade of product in R20 paste type “Panasonic Gold” in attractive packaging with the objective to provide “Value for Money” to our valued customers.

Further, during the year under review, your Company improved the recycle rate as per the guidelines of collaborator for the waste generated out of manufacturing process. Your Company also carried out various environmental activities like tree plantation, training and awareness to employees to conserve natural resources.

INDEPENDENT AUDITORS' REPORT

To the Members of Panasonic Energy India Co. Ltd.

Report on the Financial Statements

We have audited the accompanying financial statements of **Panasonic Energy India Co. Ltd.** ("the Company"), which comprise the Balance Sheet as at 31st March 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit and its cash flows for the year ended on that date.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

The annexure referred to in our Independent Auditor's Report to the members of **Panasonic Energy India Co. Ltd.** ("the Company") for the year ended 31st March, 2016, we report that:

- i. (a) In our opinion, the Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
(b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three year which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
(c) According to the information and explanation given to us, the title deeds of immovable properties of the Company are held in the name of the Company.
- ii. Inventories (excluding inventories lying with third parties) were physically verified by the management at the reasonable intervals during the year. In respect of inventories lying with third parties, these have substantially been confirmed by them. In our opinion, the frequency of verification is reasonable. In our opinion and according to the information and explanations given to us, the discrepancies noticed on verification between physical inventories and book records were not material and the same have been properly dealt with in the books of account.
- iii. In our opinion and according to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 and therefore, the provisions of clause (iii) of the Order are not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, no investment is made or loan or guarantee or security is given as per provision of section 185 and 186 of the Act and therefore, the provisions of clause (iv) of the Order are not applicable to the Company.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits during the year from the public within the meaning of provisions of section 73 to 76 of the Companies Act, 2013 and the rules framed thereunder and therefore, the provisions of clause (v) of the Order are not applicable to the Company.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the order of the Central Government for maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013 and are of the opinion that prima facie the prescribed records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete.
- vii. (a) In our opinion and according to the information and explanations given to us, the Company has been regular in depositing with appropriate authorities undisputed statutory dues, including provident fund, employee's state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to it. Further, no undisputed amounts payable in respect of provident fund, employee's state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues were in arrears, as at 31st March 2016 for a period of more than six months from the date they become payable.

Panasonic Energy India Co. Ltd.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Panasonic Energy India Co. Ltd.** ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the, "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Accompanying notes to the financial statements

1 Significant accounting policies

i) Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention in accordance with the generally accepted accounting principles in India. The applicable mandatory Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rule, 2014 of India have been followed in preparation of these financial statements.

ii) Use of estimates

The preparation of financial statements requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities as at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from estimates. Differences between the actual results and the estimates are recognised in the period in which the same are known/materialised.

iii) Revenue recognition

a. Sales

Revenue from sale of goods is recognized when the significant risks and rewards in respect of ownership of products are transferred to the buyer under the terms of contract. Sales are inclusive of excise duty but are net of sales returns, sales tax and rate difference adjustments if any.

b. Interest Income

Interest on investments is booked on a time proportion basis taking into account the amounts invested and the rate of interest.

c. Insurance Claims

Insurance and other claims are recognised only when it is reasonably certain that the ultimate collection will be made.

d. Export Incentives

Export incentives are accrued in the year when the right to receive credit is established in respect of exports made and are accounted to the extent there is no significant uncertainty about the measurability and ultimate realization/ utilization of such benefits/ duty credit.

e. Other Income

Other income is recognized on accrual basis except when realisation of such income is uncertain.

iv) Fixed Assets

Fixed Assets are stated at cost, net of tax/duty credit availed, if any, after reducing accumulated depreciation until the date of the Balance Sheet. Direct cost are capitalized until the asset are ready for use and include financial cost relating to any borrowing attributable to acquisition. Capital work in progress includes the cost of fixed assets that are not yet ready for the intended use.

v) Depreciation & Amortization

The Company has provided for depreciation using straight line method for fixed assets lying at Pithampur unit and written down value method for fixed assets lying at Vadodara Unit over the useful life of the fixed assets as prescribed under Part C of Schedule II to the Companies Act, 2013 except in the case of following assets which are depreciated based on useful life derived by technical evaluation:

Asset Description	Assets Useful life (in Years)
-------------------	-------------------------------

Plant and Machinery	20
---------------------	----

Leasehold land is amortised over the period of lease.

vi) Intangible Assets and amortisation

Intangible Assets are recognized only if it is probable that the future economic benefits that are attributable to the assets will flow to the enterprise and the cost of the assets can be measured reliably. The intangible assets are recorded at cost and are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Intangible assets are amortized over the estimated period of benefit, not exceeding ten years.

vii) Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction

Panasonic Energy India Co. Ltd.

is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

viii) Inventories

Inventories are valued at cost or net realizable value, whichever is lower. The basis of determining cost for various categories of inventories is as follows -

Inventories	Cost Formula
Raw materials	First-In-First-Out basis.
Material, traded goods & consumables in transit	At Invoice price.
Work-in-process	At raw material cost plus conversion cost, wherever applicable.
Finished goods	Cost represents material, labour and manufacturing expenses and other incidental costs to bring the inventory in present location and condition.
Consumable stores, spares and tools	First-In-First-Out basis.

ix) Foreign Currency Transactions

Foreign currency transactions are recorded at the rate of exchange prevailing on the date of the transactions. At the year end, all the monetary assets and liabilities denominated in foreign currency are restated at the closing exchange rates. Exchange differences resulting from the translation of such monetary assets and liabilities and also the exchange differences on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss.

x) Research & Development

Expenditure on the design and production of prototypes relating to research & development has been charged to the Statement of Profit & loss. Capital expenditure relating to research & development is treated as fixed assets.

xi) Leases

Assets acquired on leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the Statement of Profit and Loss on accrual basis.

xii) Taxes on Income

a. Current Tax

Provision for Income Tax is ascertained on the basis of assessable profit computed in accordance with the provisions of Income Tax Act, 1961.

b. Deferred Tax

Deferred tax assets and liabilities are recognised for future tax consequence attributable to timing differences between taxable income and accounting income that are measured at relevant enacted tax rates. However, deferred tax assets on the timing differences when unabsorbed depreciation and losses carried forward exist, are recognised only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. At each balance sheet date the company reassesses unrecognised deferred tax assets, to the extent they become reasonably certain or virtually certain of realisation, as the case may be.

xiii) Employee Benefits

a. Post-employment benefits

i Defined Contribution plan

Company's contribution paid/payable for the year to defined contribution retirement benefit schemes are charged to Statement of Profit and Loss.

ii Defined Benefit plan

Company's liabilities towards defined benefit schemes are determined using the Projected Unit Credit Method. Actuarial valuations under the Projected Unit Credit Method are carried out at the balance sheet date. Actuarial gains and losses are recognized in the Statement of Profit and Loss in the period of occurrence of such gains and losses. Past service cost is recognized immediately to the extent that the benefits are already vested and otherwise it is amortized on straight-line basis over the remaining average period until the benefits become vested.

The retirement benefit obligation recognized in the balance sheet represents the present value of the defined benefit obligation as reduced by the fair value of plan assets.

b. Short-term employee benefits.

Short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized undiscounted during the period employee renders services. These benefits include special allowance.

c. Long term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as an actuarially determined liability at present value of the defined benefit obligation at the balance sheet date.

xiv) Government Grants

State subsidy received from Madhya Pradesh State Industrial Development Corporation for setting up unit in the specified backward area has been credited to Capital State Subsidy Reserves Account.

xv) Provisions, Contingent liabilities and Contingent assets

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are neither recognised, nor disclosed.

30 Employee Benefits

a. Post employment benefits consists of the following:

i Defined contribution plans:

The company makes contributions towards provident fund and superannuation fund to defined contribution retirement benefit plan for qualifying employees. The superannuation fund is administered by the trust owned and managed by the company. Under the plan, the company is required to contribute a specified percentage of payroll cost to the retirement benefit plan to fund the benefits.

The provident fund plan is operated by the "Panasonic Energy India Co. Ltd. Employees Provident Fund Trust" (the "Trust"). Eligible employees receive benefits from the said provident fund trust which is a defined contribution plan. Both the employees and the company make monthly contributions to the Provident Fund Plan equal to a specified percentage of the covered employee's salary. The minimum interest rate payable by the Trust to the beneficiaries every year is being notified by the Government. The Company has an obligation to make good the short fall, if any, between the return from the investments of the trust and the notified interest rate.

The company recognized ₹ 128.82 Lacs (previous year ₹ 131.35 Lacs) for provident fund contributions and ₹ 4.16 Lacs (previous year ₹ 3.60 Lacs) for superannuation contribution in the statement of profit and loss.

ii Defined benefit plan:

The company makes annual contributions to the employees' gratuity fund scheme and leave encashment scheme of the Life Insurance Corporation of India, a funded defined benefit plan for qualifying employees. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.
