# xFH Stack: LTI's Remote Model Addressing the New Normal

Enable growth activities, both for personal growth and organizational growth, to be able to scale appropriately.

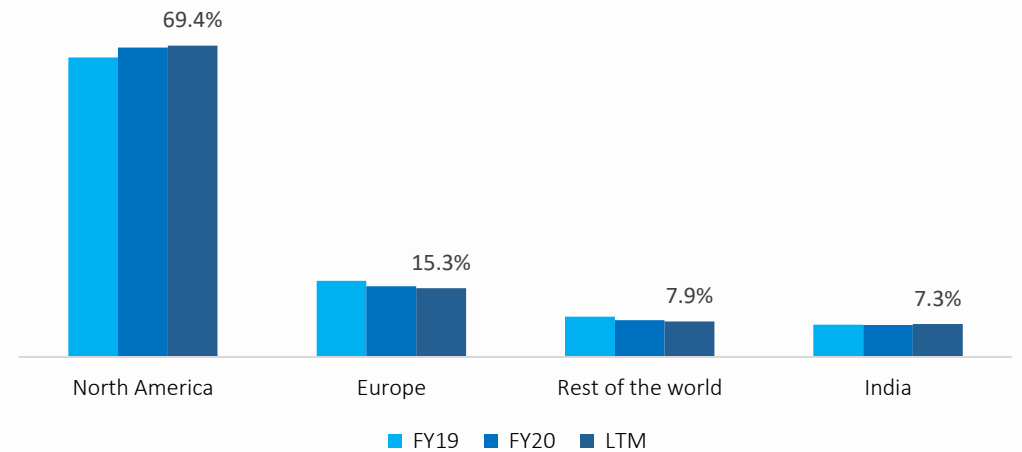

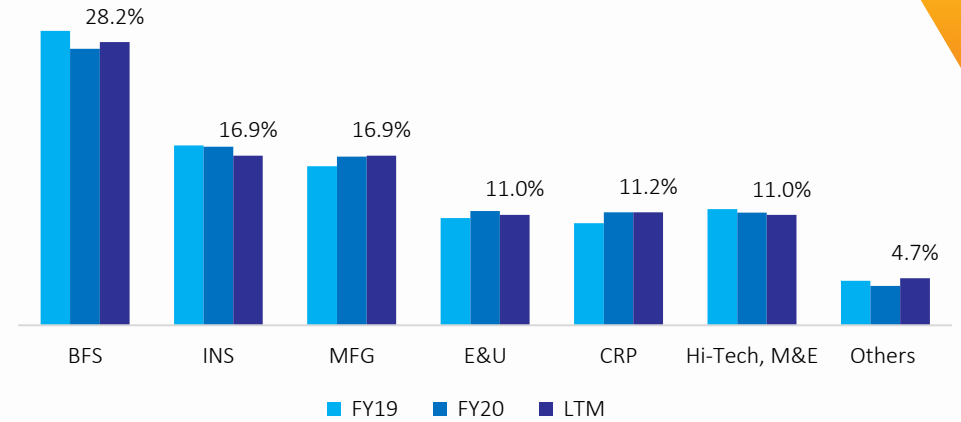

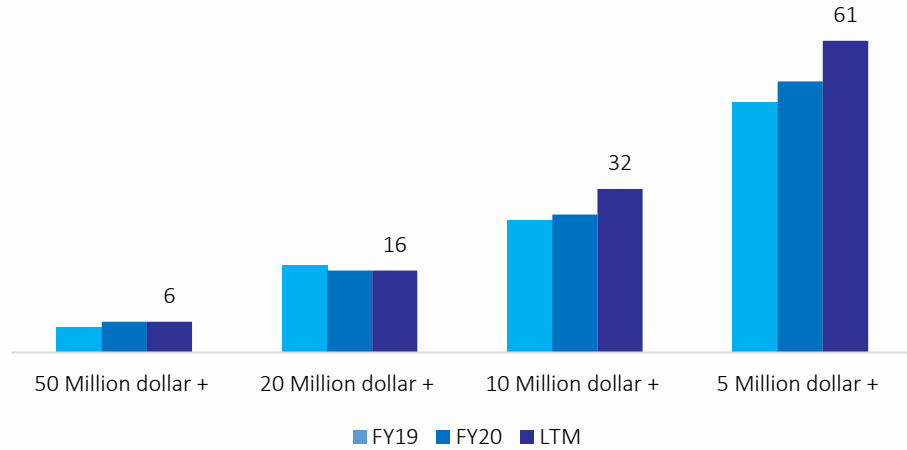

Evolving processes, tools and methodologies to ensure similar or higher productivity levels.

Design active engagement of a remote workforce to replace the otherwise usual connects that existed in a familiar work environment

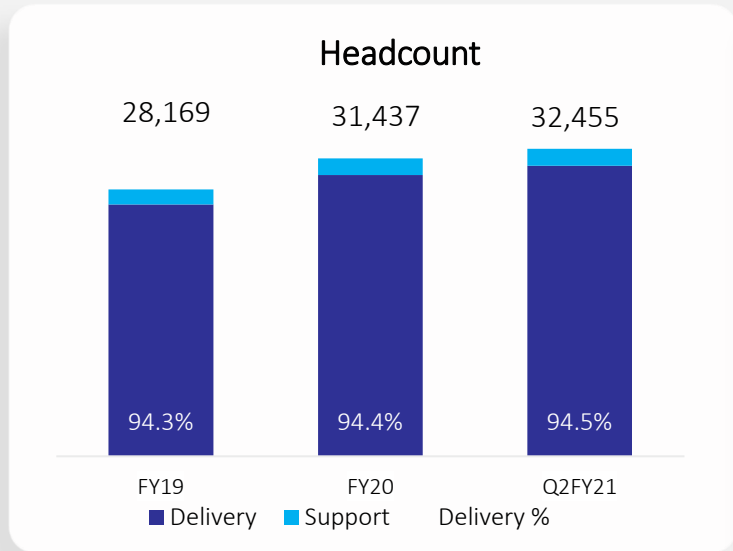

Provide reliable and secure connectivity options in order to have access to required resources

Quickly, efficiently and securely enable distributed employees to be operational from home
