Health, Safety and Environment

Your Company is committed to adhere to the highest standards of Health, Safety and sustainability of the Environment (HSE). It strives to continuously improve the capabilities of its people and processes through adoption of international best practices.

In pursuance of above, your company has taken new initiatives and leads in the area of HSE in the year 2017, which was in additions to the continued engagement of our employees through various events and programs like National Safety Week, World Environment Week, Fire Safety Week etc.

Work Environment Week - June 5-11, 2017

National Safety Week - Mar-4-10, 2017

This year DIC India opened its first 'Safety DOJO Centre' at its Noida facility with six stations. It was inaugurated by Mr. Haruki Iwamatshu and Mr. Jun Takeuchi from DIC Corporation. Safety DOJO stations are designed to provide real time experience of safety hazards and its consequences to all participants. Followed by inauguration, training session for DIC India team was successfully completed by Mr. Jun Takeuchi, an HSE expert from DIC Corporation.

DOJO Station Inauguration & Training

DIC India in line with its mission of being customer focused has taken the lead in the flexible packaging industry to support its customers in their business sustainability as well.

DIC India has started to provide services of Technical Safety Audit to its existing & new customers as 'Value Added Services', which helps customers in identifying their key fire, safety risks & advising on remedial actions. Timely adopting these actions, leads to mitigating a lot of operational risks & business interruption. In the laminate converting industry which is prone to such safety hazards, this has become a great value addition. New customers setting up their new plants with less knowledge of the safety risks in such operations have shown great interest in using these services from us. This helps them in identifying safety risks in their new operations and control measures to address them. Some of the customers who have availed this service are really excited and have appreciated our effort put in engaging and supporting customers. We are committed to extend all possible support to our customers.

Corporate Social Responsibility

“Touching & Enriching Lives” - Strides towards Education of children

“**Enriching lives**” is the soul of DIC India Vision. DIC India with its two CSR partners namely “Child Rights & You” (CRY) and “SMILE Foundation“ has embarked on a journey to bring changes in the quality of child education to the children of marginalized section of our society.

Child education is the key focus of DIC India's CSR activity and is an attempt at not only “**touching lives**” of children, but also addressing other social issues like girl child marriage, child labour etc. through advocacy at relevant local stakeholders & authorities.

As a part of our CSR project, a model school of Vikramshila Education Research Society was adopted by DIC India in 2015 & has been running successfully for last 2 years to reinforce the quality of education impacting approx. 5,800 children in Burdhwan district of West Bengal. In the spirit of same initiative, another school “Sanskar Kendra” at Gadhi Chokhandi in Gautam Buddha Nagar (U.P.) was adopted in June 2017 with a commitment to augment quality of education impacting approx. 200 children of this school.

Notes :

1. **A member entitled to attend and vote is entitled to appoint a proxy to attend and vote on a poll instead of himself and such proxy need not be a member of the Company. Proxies, in order to be effective, must be received at the Registered Office of the Company, not less than forty-eight hours before the commencement of the Annual General Meeting. As per Secretarial Standard 2, the proxy should carry a valid photo-id card to the venue to tender vote.**
2. Corporate members are requested to send to the Company's Share Department, a duly certified copy of the Board Resolution authorizing their representative to attend and vote at the Annual General Meeting.
3. The relative Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013, in respect of the Special Business to be transacted at the Annual General Meeting is annexed hereto.
4. Shareholders holding shares in identical order of names in more than one folio, are requested to write to the Company or to the office of the Registrar & Share Transfer Agent, M/s C B Management Services (P) Limited, P-22 Bondal Road, Kolkata - 700019 enclosing their share certificate(s) to enable the Company to consolidate their holdings in one single folio.
5. Members holding shares in physical form are requested to notify immediately any change in their address/mandate/bank details to the Company or to the office of the Registrar & Share Transfer Agent, M/s C B Management Services (P) Limited, quoting their folio number. The Members Updation Form forms a part of the Annual Report.
6. Securities and Exchange Board of India (SEBI) vide its Circular No. CIR/MRD/DP/10/2013 dated March 21, 2013, has mandated usage of electronic mode for making cash payments such as dividend, etc to the investors of Companies whose securities are listed on the Stock Exchanges. Payment of dividend through electronic mode is beneficial to the Members since the risks associated with receiving payment through dividend warrants such as

loss in transit/ misplacement /revalidation etc. can be easily mitigated. Therefore, Shareholders are requested to provide particulars of their bank account details for availing 'National Electronic Clearing Service' (NECS) facility. Further, ECS facility is also available to the beneficial owners of shares in demat form. Those desirous of availing the facility may provide their mandate for physical holding to the Company or to the Registrar & Share Transfer Agent, M/s C B Management Services (P) Limited and for demat holding to their DP in writing.

7. Pursuant to the provisions of the Companies Act, 2013, dividend for the year ended December 31, 2010 and thereafter, which remains unpaid or unclaimed for a period of seven years will be transferred to the Investor Education and Protection Fund (IEPF) of the Central Government. Accordingly, members who have not encashed their dividend warrant(s) so far for the year ended December 31, 2010 or subsequent years, are requested to make their claim to the Company or to the office of the Registrar & Share Transfer Agent, M/s C B Management Services (P) Limited.
8. Pursuant to the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016('The Rules'), all shares in respect of which dividend has not been paid or claimed by the shareholders for seven consecutive years or more would be transferred to the Investor Education and Protection Fund (IEPF) Suspense Account. The Company has also uploaded full details of such shareholders whose dividend remained unclaimed on its website www.dicindia ltd.co. Shareholders are requested to refer to verify the details of the same. Shareholders may note that both the unclaimed dividend and corresponding shares transferred to the IEPF Authority/Suspense Account including all benefits accruing on such shares, if any, can be claimed back from the IEPF Authority after following the procedure prescribed in the Rules. In case the Company does not receive any communication from the concerned shareholders by due date or such other date as may be extended, the Company shall, with a view to complying with the requirements set out in the Rules, transfer the shares to the IEPF Suspense Account by the due date as per procedure stipulated in the Rules. In case the shareholders have any queries on the subject matter and the Rules, they may contact the Company's Share Transfer Agent, C B Management Services (P) Limited.
9. Members desirous of making a nomination in respect of their shareholding in physical form, as permitted under Section 72 of the Companies Act, 2013, are requested to submit the prescribed Form SH13 and SH14, accordingly to the Share Department of the Company or to the office of the Registrar & Share Transfer Agent, M/s C B Management Services (P) Limited. The form for such registration can be obtained by mailing such request to our Registrar & Share Transfer Agent, M/s CB Management Services (P) Limited at rta@cbmsl.com.

Report of the Directors & Management Discussion and Analysis Report

Your Directors have pleasure in presenting the Annual Report for the year ended December 31, 2017.

ECONOMIC ENVIRONMENT

The year started in the backdrop of the demonetization declared by the Government on November 8, 2016. Although the long term objective was good, it affected the economy in the short-term with lower demand pushing the industrial production lower and impacting the capital investment cycle. India's growth slumped to a 2 year low during the quarter ended March 31, 2017. As the economy was recovering from the impact of demonetization, the Government introduced the Goods & Service Tax Act, 2017(GST) from July 1, 2017. Again, conceptually GST is good for the economy but it had teething troubles. It caused some uncertainty within the Industry in terms of the operation of GST specially on the Transition Rules. This affected the manufacturing activity and the manufacturing sector contracted to a 8 year low in July 2017. However, India's GDP is expected to have bottomed out and with the impact of demonetization and uncertainty in GST rollout behind us, the early signs of revival is evident in the quarter ended December 31, 2017. This indicates that the GDP growth can rebound to a healthy level in 2018.

The Global GDP for 2018 is projected to grow 4% which is higher than the growth of 3.7% of 2017. The strength in global growth is broad-based across advanced and emerging economies.

As per the Central Statistical Organization (CSO) as well as the International Monetary Fund (IMF), India turned out to be a fast growing economy. Various initiatives taken by the Government under the 'Make in India' and 'Digital India' schemes saw India improve its ranking in the latest edition of the World Bank's Ease of Doing Business Report by 30 spots over its 2017 ranking and is now at 100 among 190 countries. The recent push by the Government to recapitalise the Banks is expected to facilitate the credit demand from the Industry as growth picks up.

PERFORMANCE REVIEW

The impact of Demonetization followed by introduction of GST resulted in lower offtake particularly in the first half of 2017. In addition, the quarter ended March 31, 2017 witnessed the prices of some critical raw materials dramatically rising due to global shortage followed by rising crude prices during quarter ended September 30, 2017. All these negatively impacted the business in the first 9 months of operation resulting in loss. However, the revival of sales and limited adjustment of selling price helped the Company to get back to profitability in the quarter ended December 31, 2017.

Your Company recorded a turnover of Rs.7371.38 million as against Rs. 7041.51 million in the previous year registering an increase of 5% in terms of value and 4% in terms of volume. The Company operates in two segments printing inks and lamination adhesives. The Company registered an increase of 4% in the turnover of printing inks at Rs. 6794.47 million (previous year Rs 6538.65 million) and an increase of 15% in the turnover of lamination adhesives which stood at Rs 576.91 million as against turnover of Rs. 502.86 million in the previous year. The operational profit from the Ink segment was Rs 116.44 million (previous year profit of Rs 414.95 million), the lamination adhesives business had an operational loss of Rs 160.45 million (previous year operational profit of Rs 7.83 million) respectively. On overall basis for the year ended December 31, 2017, the Company registered a Loss before tax (before exceptional item) of Rs. 46.20 million against Profit before Tax of Rs.308.15 million in the previous year. After considering the exceptional item of Rs. 120.59 million, the Company registered a Loss after Tax of Rs. 123.69 million as against a Profit after Tax of Rs. 228.42 million in the previous year.

In view of the negative results during the year and changed market situation in adhesive division, the management did an impairment testing of fixed assets in accordance with Accounting Standard 28 and decided to take an impairment of Rs. 116.16 Million (2016 - Rs. Nil) and capital work-in-progress to the extent of Rs.4.43 Million (2016 - Rs. Nil) which has been disclosed as 'Exceptional Item' in the Statement of Profit and Loss.

Due to the market situation, the Company found it difficult to pass on the increase in the costs through sale price adjustments. The necessary corrective actions have been implemented during the quarter ended December 31, 2017. Your management is confident that various other steps taken to control cost, introduce new products, to improve operational efficiencies will ensure that the Company regain its profitability in the future years.

OPPORTUNITIES, THREATS, RISKS AND CONCERNS

Your company actively seeks out new opportunities in the market and works on converting the opportunities into viable business proposition. Direct customer interaction, provision of value added services are some of the ways exploited by the Company. The primary threat the Company faces are common to all industries in the form of higher input costs, macro-economic factors and competition. A combination of capacity addition, product innovations, improved quality and continuous enhancement of efficiency of distribution pipeline will help the Company stay ahead of competition. The Management monitors the risks and acts pro-actively to minimize them.

MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY WHICH HAVE OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR OF THE COMPANY TO WHICH THE FINANCIAL STATEMENTS RELATE AND THE DATE OF THE REPORT

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

CHANGES IN THE NATURE OF BUSINESS

There has been no fundamental change in the nature of business of the Company during the financial year ended December 31, 2017.

OUTLOOK

The Indian printing ink market is estimated to be around INR 50 billion which is split between flexo, gravure and packaging sheet fed inks and digital inks. Amongst these, packaging inks is the main driver and has a significant share of the Indian ink market. Flexible packaging continues to grow, primarily in the food & beverage and personal care segments. The growth in the economy fuels the growth of the printing ink industry.

Though a drop in demand has been noticed in Publication and Commercial printing segment, the New Education Policy of the HRD Ministry, Government of India, which is expected to be submitted shortly may benefit the Company. The weakness in the publication and commercial printing sector has been offset by the growth in the packaging segment. As per various surveys, India accounts for 18% of the world population whereas its packaging

industry forms just 4% of the global packaging industry. Various factors like increase in middle class population, growth of workforce, rising affluence are expected to lead to industry growth, which your company is in a position to exploit. Volatility of crude prices and uncertainty over availability of certain raw materials remain a key concern.

B. Research & Development

1. Specific areas in which R&D efforts have been put in by the Company

- Development of Volatile Organic Content free semi-finished colour range for Sheetfed application
- Development of Sheetfed process colours set for non-woven substrate
- Development of high-gloss Web Offset UV varnish
- Development of Water based primer and online UV varnish for twin coater application
- Development of Gravure UV varnish for paper

2. Benefits derived as a result of R&D

The Company has successfully developed the previously mentioned technology(ies) and products listed in B1 above and the process thereof. These have resulted in:

- Opportunities to expand business in new areas
- Cost and quality advantage in highly competitive inks market.
- Develop indigenous production process
- Inks range expanded to cater high-end customers and will act as an import substitute
- Environment friendly products

3. Future Plan of Action

The Company's R&D is working continuously, in collaboration with its parent company, DIC Corporation, Japan for the development of new products, processes and improved formulations to give high quality superior performance inks for different applications to its customers.

4. Expenditure on R&D

The Company has modern R&D Centres at Kolkata, Bengaluru and Noida unit which are recognized by Dept. of Scientific and Industrial Research, Ministry of Science & Technology, Government of India. During the year, the Company has incurred the following expenditures on R&D Facilities:

- (a) Capital Expenditure of Rs. 19.66 million
- (b) Recurring Expenditure of Rs. 28.58 million,
- (c) Total Expenditure Rs. 48.24 million and
- (d) Total R&D Expenditure as a percentage to total Revenue from Operations was 0.65%.

C. Technology Absorption, Adoption and Innovation

1. The efforts made towards Technology Absorption, Adoption and Innovation

The Company has been successfully developing the technologies and products listed in B1 above.

2. Benefits derived as a Result of above Efforts

As a result of the aforesaid efforts, the Company has been able to expand its business reach apart from becoming more competitive. Some of the inks will provide import substitution.

3. Information in case of Imported Technology (Imported during the last Five years, reckoned from the beginning of the Financial Year).

The Company has executed an Agreement with its Parent Company, DIC Corporation (formerly Dainippon Ink & Chemicals Inc.) Japan on 1st April 2007 (with effect from 1st January 2007 till 31st December 2016) to import technology and technical information for manufacturing poly-ester poly-urethane poly-urea resin solely for captive consumption. Poly-ester poly-urethane poly-urea resin is used to manufacture gravure inks, a finished product of the company and comes under the segment of liquid ink. Poly-ester poly urethane poly-urea resins are presently being imported and such manufacture in India through DIC technology will reduce the company's dependence on imported items. Further, it will reduce the cost of the company to a great extent.

The Company had also executed a Technical Collaboration Agreement with DIC Corporation, Japan with effect from 1st July 2011. This Technical Collaboration Agreement does not relate to a specific project or product but transfer of technology 'on an ongoing basis' for all the existing and future range of printing inks and lamination adhesives. The scope of Agreement covers upgradation of existing products, manufacturing techniques, quality assurance, raw materials testing, training to Indian technicians and also use of DIC's trade names, brand names, marks and symbols.

D. Foreign Exchange Earnings and Outgo

Exports during the year stood at Rs. 580.10 million (from Rs. 502.44 million in 2016), registering a marginal increase of 15.45%. Independent Auditors' Report

To the Members of DIC India Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of **DIC India Limited** ("the Company"), which comprise the Balance Sheet as at December 31, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at December 31, 2017, and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by 'the Companies (Auditor's Report) Order, 2016', issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143 (3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except that the back up of the books of accounts and other books and papers maintained in electronic mode has not been maintained on servers physically located in India.
 - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on December 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on December 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our comment in Paragraph 10 (b) above that the back up of the books of accounts and other books and papers maintained in electronic mode has not been maintained on servers physically located in India.
 - (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure A.
 - (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
 - i. The Company has disclosed the impact, if any, of pending litigations as at December 31, 2017 on its financial position in its financial statements - Refer Note 26(b) to the financial statements;
 - ii. The Company has long-term contracts and derivative contracts as at December 31, 2017 for which there were no material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended December 31, 2017.

ANNEXURE A TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 10(g) of the Independent Auditors' Report of even date to the members of DIC India Limited on the financial statements for the year ended December 31, 2017

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of DIC India Limited ("the Company") as of December 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at December 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 9 of the Independent Auditors' Report of even date to the members of DIC India Limited on the financial statements as of and for the year ended December 31, 2017

- i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
- (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) According to the information and explanations given by the management and the records of the Company produced to us, the title deeds of immovable properties, as disclosed in Note 8 on tangible assets to the financial Statements, are held in the name of the Company except for the cases below:

No. of Cases	Asset Category	Gross Block as at December 31, 2017 (Rs. in Million)	Net Block as at December 31, 2017 (Rs. in Million)	Remarks
2	Freehold Land	0.41	0.41	The title deeds are in the name of 'Coates of India Limited' (the erstwhile name of the Company) and the mutation of the name is pending.
4	Leasehold Land	12.88	9.32	
3	Building	2.41	0.73	

- ii. The physical verification of inventory have been conducted at reasonable intervals by the Management during the year. The discrepancies noticed on physical verification of inventory as compared to book records were not materials.
- iii. The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.
- iv. The Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under Section 185 and 186 of the Act. Therefore, the provisions of Clause 3(iv) of the said Order are not applicable to the Company.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products.

We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of duty of excise, service tax, goods and service tax, income tax, provident fund, duty of customs, professional tax and works contract tax, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including employees' state insurance, sales tax, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities.

- (b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of dues of income tax, sales tax, service tax, duty of customs, duty of excise and value added tax as at December 31, 2017 which have not been deposited on account of a dispute, are as follows:

The estimate of future salary increases considered in the actuarial valuation takes into account inflation, seniority, promotion and other relevant factors, such as demand and supply in the employment market.

The expected return on plan assets is determined after taking into consideration composition of the plan assets held, assessed risks of asset management, historical results of the return on plan assets, the Company's policy for plan asset management and other relevant factors.

- (b) In terms of Guidance on implementing Accounting Standard 15 (Revised 2005) on Employee Benefits issued by the Accounting Standard Board of the Institute of Chartered Accountants of India (ICAI), a provident fund set up by the Company is treated as a defined benefit plan in view of the Company's obligation to meet shortfall, if any, on account of interest.

The Actuary has carried out actuarial valuation of plan's liabilities and interest rate guarantee obligations as at the balance sheet date using Projected Unit Credit Method and Deterministic Approach as outlined in the Guidance Note 29 issued by the Institute of Actuaries of India. Based on such valuation, there is no future anticipated shortfall with regard to interest rate obligation of the Company as at the Balance Sheet date. Further during the year, the Company's contribution of Rs.20.66 Million (2016 - Rs.16.45 Million) to the Provident Fund Trust has been expensed under the 'Contribution to Provident and Other Funds' in Note 22. Disclosures given hereunder are restricted to the information available as per the Actuary's Report -

	2017	2016
Discount rates	7.59%	6.93%
Expected yield on plan assets	9.51%	9.50%
Guaranteed Interest Rate	8.65%	8.65%

- (c) During the year the Company has recognised an amount of Rs. 20.24 Million (2016 - Rs.20.42 Million) as expenditure towards defined contribution plans of the Company.

- 45** In view of loss incurred during the year in Adhesive division, after evaluation of the expected future performance of the division and the Company's business strategy, the management has performed an impairment testing of fixed assets and impaired the value of its tangible fixed assets (Refer Note 8 for asset class-wise breakup) to the extent of Rs. 116.17 Million (2016 – Rs. Nil) and capital work-in-progress to the extent of Rs.4.42 Million (2016 – Rs. Nil) relating to its Adhesives Division and disclose the same under "Exceptional Item" in the Statement of Profit and Loss. While recognising the impairment loss, the Company has considered its adhesive business division as a cash generating unit, in keeping with the accounting policy on Impairment set out in Note 48, and the value in use as the recoverable amount. The Company has used a discount rate of 12% for discounting future cash flows while estimating the value in use.
- 46** Post applicability of Goods and Service Tax (GST) w.e.f. July 1, 2017, revenue from sale of products is disclosed net of GST. However, revenue for the period up to June 30, 2017 is inclusive of excise duty. Accordingly, revenue from sale of products and excise duty for the current year are not comparable with the previous year.
- 47.** Previous year's figures have been re-grouped / re-arranged, wherever necessary to conform to current year's classification.

NOTES TO THE FINANCIAL STATEMENTS

Note 48

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PREPARATION

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. Pursuant to Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, till the Standards of Accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply, in all material aspects, with the accounting standards notified under Section 211(3C) of the Companies Act, 1956 [Companies (Accounting Standards) Rules, 2006, as amended] and other relevant provisions of the Companies Act, 2013 (the 'Act').

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division I) to the Act.

FIXED ASSETS (TANGIBLE / INTANGIBLE)

Fixed Assets are stated at cost of acquisition less accumulated depreciation/amortisation and accumulated impairment losses, if any.

Cost comprises cost of acquisition including non-refundable taxes/duties, freight and other incidental expenses related to acquisition and installation. Cost of software includes license fees and cost of implementation / system integration services, where applicable.

Subsequent expenditures related to an item of fixed asset (tangible or intangible) are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

DEPRECIATION AND AMORTISATION

Depreciation on tangible fixed assets is provided over the estimated useful lives of the assets in keeping with the requirements of Schedule II to the Act which is in line with the technical evaluation carried out by the Management's expert as under:

- (i) On Silos and Rollers included in Plant and Equipments on Straight Line Method @ 20%.
- (ii) On Research Equipment included in Plant and Equipments on Straight Line Method @ 25%.
- (iii) On Computers on Straight Line Method @ 33.33%.
- (iv) For assets set out in (i) to (iii) above, estimated useful lives are different from those specified in Schedule II to the Act. On Plant and Equipments other than (i) and (ii) above, depreciation is provided on Straight Line Method over the useful lives specified in Schedule II to the Act. On all other tangible assets, depreciation is provided on Written Down Value Method over the useful lives specified in Schedule II to the Act.
- (v) In respect of assets acquired, sold or discarded during the period, prorated depreciation, for the period during which each such asset was in use, after rounding off part of the month to the whole month.

Leasehold land is amortised on a straight-line basis over the lease period. Intangible assets (Computer Software) are amortised on a straight-line basis over their estimated useful life of four years.

The useful life, residual value and the depreciation method are reviewed at least at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

IMPAIRMENT

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made.

Notes to the Financial Statements

Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets or the asset's net selling price is higher than its carrying amount. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount.

Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset or CGU in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed to the extent that the asset's or CGU's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

After impairment, depreciation is provided on the revised carrying amount of the fixed asset over its remaining useful life.

INVESTMENTS

Investments that are readily realisable and are intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. Long-term investments are carried at cost less write down for any diminution, other than temporary, in carrying value.

INVENTORIES

Inventories are valued at lower of cost and net realisable value.

Cost is determined on first-in-first-out formula for all categories of inventories except stores and spare parts for which it is determined under weighted average formula.

Cost includes expenditure incurred in the normal course of business in bringing inventories to its present location, condition, direct labour and related production overheads, where applicable.

Inventories are written down for obsolete / slow-moving/ non-moving items, wherever necessary.

FOREIGN CURRENCY TRANSACTIONS AS APPLICABLE UNDER ACCOUNTING STANDARD 11 ON 'THE EFFECTS OF CHANGES IN FOREIGN EXCHANGE RATES'

Transactions in foreign currency are recorded at exchange rates prevailing on the date of the transaction. At the year-end, monetary assets and liabilities denominated in foreign currencies are restated at the year-end exchange rates. The resultant exchange differences arising from settlement of foreign currency transactions and from the year-end restatement are recognised in the Statement of Profit and Loss.

Premium or discount arising at the inception of a forward exchange contract entered into to hedge an existing asset / liability is amortised as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the Statement of Profit and Loss in the reporting period in which the exchange rates changed. Profit or loss arising on cancellation or renewal of forward contract is recognised as income or expense of the period.

DERIVATIVE CONTRACTS

The Company enters into certain derivative contracts to hedge risks which are not designated as hedges. Derivatives (other than those which are covered under Accounting Standard 11) are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period, with changes included in 'Other Income'/'Other Expenses'.

Refer Note on Foreign Currency Transactions above for foreign exchange forward contracts covered under Accounting Standard 11 on 'The Effects on Changes in Foreign Exchange Rates'.

REVENUE

Revenue from sale of goods are recognised when the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract. It includes excise duty but excludes value added tax/sales tax, goods and service tax, trade discounts, rebates, returns, as applicable.

Notes to the Financial Statements

BORROWING COSTS

Borrowing costs, if any, directly attributable to the acquisition and construction of qualifying assets (i.e., the assets that necessarily take a substantial period of time to get ready for their intended use) are added to the cost up to the date when such assets are substantially ready for their intended use. Other borrowing costs are recognised as expense in the period in which these are incurred.

RESEARCH & DEVELOPMENT EXPENDITURE

Research costs are expensed as incurred. Expenditure on Development is expensed / capitalised in compliance with the provisions of the Accounting Standard 26 on 'Intangible Assets'.

EMPLOYEE BENEFITS

(a) Short-term Employee Benefits

Short term Employee Benefits (i.e. benefits falling due within one year after the end of the period in which employees render the related service) are recognised as expense in the period in which employee services are rendered as per the Company's scheme based on expected obligations on undiscounted basis.

(b) Post-employment Benefit Plans

Post-employment benefits comprise Provident Fund, Superannuation Fund, Gratuity, Pension and Retirement Benefits which are accounted for as follows:

- i. **Provident Fund** - Certain employees of the Company receive provident fund benefits, which are administered by the Provident Fund Trust set up by the Company. Aggregate contributions along with interest thereon are paid at retirement, death, incapacitation or termination of employment. Both the employees and the Company make monthly contributions at specified percentage of the employees' salary to such Provident Fund Trust. The Company has an obligation to fund any shortfall in return on plan assets over the interest rates prescribed by the authorities from time to time. In view of the Company's obligation to meet the shortfall, this is a defined benefit plan. Actuarial valuation of the Company's liability under such scheme is carried out under the Projected Unit Credit (PUC) Method at the year end and the charge, if any, is recognised in the Statement of Profit and Loss. Actuarial gains/ losses are recognised immediately in the Statement of Profit and Loss as income/expense.
- ii. **Superannuation Fund** - This is a defined contribution plan. The Company contributes a certain percentage of the eligible salary for employees covered under the scheme towards superannuation fund administered by the Trustees. The Company has no further obligations for future superannuation benefits other than its contributions and recognises such contributions as expense in the period in which the related employee services are rendered.
- iii. **Gratuity** - This is a defined benefit plan covering eligible employees. As per the scheme, the Gratuity Fund Trust administered by Trustees, makes payment to vested employees at retirement, death, incapacitation, or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Vesting occurs upon completion of five years of service. The liability is determined based on year-end actuarial valuation using PUC Method. Actuarial gains/losses are recognised immediately in the Statement of Profit and Loss as income/expense.
- iv. **Pension** - The Company has discontinued the Defined Pension Benefit scheme with effect from 1st May 2009 and all the employees who were members of the erstwhile Defined Pension Benefit scheme has been brought under the Defined Contribution scheme for benefit provisions under the Pension plan. The present value of benefit obligation is actuarially determined at the end of each year by discounting the present value of crystallised pension as at 30th April 2009. Actuarial gains/ losses are recognised immediately in the Statement of Profit and Loss as income/expense.
- v. **Retirement Benefit** - Liability accrued during the year in respect of retirement benefit payable to certain employees governed by agreement with the Union representing them are treated as a defined benefit plan. As per the scheme, a lumpsum benefit is paid to the eligible employees on cessation of service with the Company. The Company's liability is actuarially determined using the PUC method at the end of each year. Actuarial gains/ losses are recognised immediately in the Statement of Profit and Loss as income/expense.

Notes to the Financial Statements

(c) Other Long-term Employee Benefits (unfunded)

The cost of providing other long-term employee benefits (Leave Encashment) is determined using Projected Unit Credit Method, with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses and past service cost are recognised immediately in the Statement of Profit and Loss for the period in which they occur. Other long-term employee benefit obligation recognised in the Balance Sheet represents the present value of related obligation.

(d) Termination benefits in the nature of voluntary retirement benefits are recognised as expense as and when incurred.

PROVISIONS AND CONTINGENT LIABILITIES

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation as at the Balance Sheet date and are not discounted to its present value.

A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

CURRENT AND DEFERRED TAX

Current tax is provided as the amount of tax expected to be paid in respect of taxable income for the year, measured using the applicable tax rates and tax laws.

Deferred tax is provided on timing differences between taxable income and accounting income measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets are recognised only if there is a virtual / reasonable certainty, as applicable, in keeping with Accounting Standard 22 on 'Accounting for Taxes on Income' that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are reviewed for the appropriateness of their respective carrying amount at each Balance Sheet date.

Also refer Note 29.

LEASES

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of lease.
