Members of the Company can transact all the items of business with the facility of voting through electronic means.
 17. The remote e-voting shall commence at 9:00 a.m. on Wednesday, September 26, 2018 and will end at 5:00 p.m. on Friday, September 28, 2018. The facility for remote e-voting shall forthwith be blocked at the end of the period of remote e-voting.
 18. Voting rights shall be reckoned on the paid up value of shares registered in the name of the member / beneficial owner (in case of electronic shareholding) as on the cut-off date i.e. September 22, 2018.
 19. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date, only shall be entitled to avail the facility of remote e-voting as well as voting in the general meeting.
 20. Any person who becomes a member of the Company after dispatch of the notice of the meeting and holding shares as on the cut-off date may obtain the user ID and password by sending request at evoting@karvy.com.
 21. The members who have cast their vote by remote e-voting may also attend the Meeting but shall not be entitled to cast their vote again.
 22. The facility for voting through ballot paper shall be made available at the meeting and members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting.
 23. The Company has engaged Karvy Computershare Private Limited ("Karvy") as the Agency to provide e-voting facility.
 24. The Company has appointed M/s. Roshan Raikar & Associates, Practicing Company Secretary as the Scrutinizer to scrutinize the voting and remote e-voting process (including the ballot forms received from the members who do not have access to e-voting) in a fair and transparent manner. He has communicated his willingness to be appointed as such.
 25. The result on the resolutions shall be declared within three days of the conclusion of the Annual General Meeting and the resolutions will be deemed to be passed on the date of the Annual General Meeting subject to receipt of requisite number of votes.
 26. The results of voting along with scrutinizer's report thereon would be available on the website of the Company at www.ravindraenergy.com and service providers' website at www.evoting.karvy.com immediately after the declaration of the results and would also be communicated to BSE Limited.
 27. The procedure and instructions relating to e-voting facility provided by the Company is given herein below. The user ID and password is being sent to the members separately along with this Annual Report.
- ### Remote E-Voting:
- (A) In case a Member receives an email from Karvy [for Members whose email IDs are registered with the Company/Depository Participants(s)], the Member needs to follow the following steps:
 - i. Launch internet browser by typing the URL: <https://evoting.karvy.com>.
 - ii. Enter the login credentials (i.e. User ID and Password). In case of physical folio, User ID will be the EVEN (E-Voting Event Number) followed by folio number. In case of Demat account, User ID will be DP ID and Client ID of the Member.

The password will be mentioned in the email received by you from Karvy. However, if you are already registered with Karvy for e-voting, you need to use your existing User ID and password for casting your vote.
 - iii. After entering these details appropriately, click on "LOGIN".
 - iv. You will now reach Password Change Menu wherein you are required to mandatorily change your password. The new password shall comprise of minimum 8 characters with at least one upper case (A-Z), one lower case (a-z), one numeric value (0-9) and a special character (@, #, \$, etc.,). The system will prompt you to change your password and update your contact details like mobile number, email ID, etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. **It is strongly recommended that not to share your password with any other person and that you take utmost care to keep your password confidential.**
 - v. You need to login again with the new credentials.
 - vi. On successful login, the system will prompt you to select the "EVENT" i.e., "Name of the Company".
 - vii. On the voting page, enter the number of shares (which represents the number of votes) as on the Cut-off Date under "FOR/AGAINST" or alternatively, you may partially enter any number in "FOR" and partially "AGAINST" but the total number in "FOR/AGAINST" taken together shall not exceed your total shareholding as mentioned herein above. You may also choose the option ABSTAIN. If the Member does not indicate either "FOR" or "AGAINST" it will be treated as "ABSTAIN" and the shares held will not be counted under either head.
 - viii. Members holding multiple folios/demat accounts shall choose the voting process separately for each folio/demat accounts.

- ix. Voting has to be done for each item of the Notice separately. In case you do not desire to cast your vote on any specific item, it will be treated as abstained.
- x. You may then cast your vote by selecting an appropriate option and click on "Submit".
- xi. A confirmation box will be displayed. Click "OK" to confirm else "CANCEL" to modify. Once you have voted on the resolution(s), you will not be allowed to modify your vote. During the voting period, Members can login any number of times till they have voted on the Resolution(s).
- xii. Corporate/Institutional Members (i.e. other than Individuals, HUF, NRI etc.) are also required to send scanned certified true copy (PDF Format) of the Board Resolution/Authority Letter etc., together with attested specimen signature(s) of the duly authorised representative(s), to the Scrutinizer at the email address csroshanraikar@gmail.com with a copy marked to evoting@karvy.com. The scanned image of the above mentioned documents should be in the naming format "CorporateName_Event No."
- (B) In case of Members receiving physical copy of Notice [for Members whose email IDs are not registered with the Company/Depository Participants (s)]:
- E-Voting Event Number (EVEN), User ID and Password are provided separately along with this Annual Report.
 - Please follow all steps from Sl. No. (i) to (xii) above to cast your vote by electronic means.
- (C) Other Instructions:
- In case of any query and/or grievance, in respect of voting by electronic means, Members may refer to the Help & Frequently Asked Questions (FAQs) and E-voting user manual available at the download section of <https://evoting.karvy.com> (Karvy Website) or contact Mr. Anadan K - Manager (Unit: Ravindra Energy Limited) of Karvy Computershare Private Limited, Karvy Selenium Tower B, Plot 31-32, Gachibowli, Financial District, Nanakramguda, Hyderabad - 500 032 or at evoting@karvy.com or phone No. 040-6716 1500 or call Karvy's toll free No. 1800-34-54-001 for any further clarifications.
 - You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending future communication(s).
 - The remote e-voting period commences on September 26, 2018 at 9:00 A.M. (IST) and ends on September 28, 2018 at 5:00 P.M. (IST). During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. September 22, 2018, may cast their votes electronically. A person who is not a Member as on the cut-off date should treat this Notice for information purposes only. The remote evoting module shall be disabled for voting thereafter. Once the vote on a resolution(s) is cast by the Member, the Member shall not be allowed to change it subsequently.
 - The voting rights of Members shall be in proportion to their share of the paid up equity share capital of the Company as on the cut-off date.
 - In case a person has become a Member of the Company after dispatch of AGM Notice but on or before the cut-off date for E-voting he/she may obtain the User ID and Password by sending request at evoting@karvy.com.

Mr. Narendra Murkumbi and Mrs. Vidya Murkumbi (being his relative) are interested in the resolution set out respectively at Item No. 4 of the Notice.

This statement may also be regarded as an appropriate disclosure under the provisions of the Listing Regulations.

The relatives of Mr. Narendra Murkumbi may be deemed to be interested in the resolution set out at Item No. 4 of the Notice, to the extent of their shareholding interest, if any, in the Company.

Save and except the above, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

Item No. 5 - Change of status of Mr. Shailesh Rojekar from 'Promoter and Promoter Group' category to 'Public' category.

The Company has been submitting its shareholding pattern to the Stock Exchange pursuant to Regulation 31(1) of the SEBI (LODR) Regulations, 2015. In the shareholding pattern the Company has

included the name of Mr. Shailesh Rojekar, holding 250,000 equity shares of Rs. 10/- each, in the Promoter Group, wrongly treating him as the immediate relative of the Promoter.

Out of the four promoters of the Company two are body corporates and two are individual promoters. The individual promoters are Mrs. Vidya Murkumbi and Mr. Narendra Murkumbi. The relation of Mr. Shailesh Rojekar with the individual promoters is that, he is the son-in-law of the former and brother-in-law of the latter. He is therefore not an immediate relative of the individual promoters, as defined in Regulation 2(1)(zb) of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 and thus does not fall in the category of "Promoter and Promoter Group".

He therefore made an application to the Board of Directors to change his status from the category of "Promoter and Promoter Group" and include the same in the 'Public' category in the shareholding pattern of the Company.

The Board of Directors in its meeting held on August 3, 2018 considered and approved his application and decided to place the same before the shareholders as required under the provisions of SEBI (LODR) Regulations, 2015. Accordingly, the matter is placed before this meeting and the Board recommends shareholders approval by way of passing a special resolution.

Copy of the application is available for inspection at the registered office of the Company during business hours on any working day upto the date of the meeting.

The Company is in compliance with the minimum public shareholding requirements as specified in Rule 19(2) and Rule 19A of the Securities Contracts (Regulation) Rules, 1957.

No change in the control of the Company would occur, if the modification as prayed for is allowed.

As per the procedure of the BSE the Company is required to obtain approval of the shareholders for reclassification/modification.

The Board of Directors recommends passing of Special Resolution as set out at Item No. 5 of this Notice.

None of the Directors, Key Managerial Personnel and relatives thereof other than Mrs. Vidya Murkumbi and Mr. Narendra Murkumbi and their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution at Item No. 5 of this Notice.

Item No. 6 - Deletion of name of Murkumbi Investments Private Limited from 'Promoter and Promoter Group' category.

Murkumbi Investments Private Limited, one of the promoters of the Company holding 3,20,83,110 equity shares of Rs. 10 each in the Company i.e. 26.27% of the total share capital, transferred its

entire holding to one of the existing promoters of the Company, by way of inter-se transfer after complying with all the applicable provisions of the SEBI Regulations. Since, the holding of Murkumbi Investments Private Limited in the Company, post transfer, reduced to zero, has made an application to delete its name and to reclassify/modify the shareholding pattern disclosed to the Stock Exchange pursuant Regulation 31A(1) of the SEBI (LODR) Regulations, 2015.

The Board of Directors in its meeting held on August 25, 2018 considered and approved the application received from Murkumbi Investments Private Limited and decided to place the same before the shareholders as required under the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Accordingly, the matter is placed before this meeting and the Board recommends for shareholders approval by way of passing a special resolution.

Copy of the application is available for inspection at the registered office of the Company during business hours on any working day upto the date of meeting.

No change in the control of the Company would occur, if the modification as prayed for is allowed.

As per the procedure of the BSE the Company is required to obtain approval of the shareholders for reclassification/modification.

The Board of Directors recommends passing of Special Resolution as set out at Item No. 6 of this Notice.

None of the Directors, Key Managerial Personnel and relatives thereof other than Mrs. Vidya Murkumbi and Mr. Narendra Murkumbi and their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution at Item No. 6 of this Notice.

Item No. 7 - Appointment of Mrs. Vidya Murkumbi as Whole-Time Director, designated as Executive Chairperson.

Mrs. Vidya Murkumbi is occupying the position of Non-Executive Director and Chairperson of the Company.

Mrs. Vidya Murkumbi is a Bachelor of Science and has vast experience of over 35 years in trading and manufacturing business. TRANSFER TO RESERVES

In view of inadequate profits earned for the financial year ended March 31, 2018 no amount was transferred to General Reserves.

DIVIDEND

With a view to conserve the resources, the Board of Directors did not recommend any dividend for the financial year ended March 31, 2018.

AMALGAMATION

During the year under review, the Scheme of Amalgamation of Vantamuri Trading and Investments Limited and Nandur Sugars Limited was approved by the Members, Secured and Unsecured Creditors at their respective meetings held on October 12, 2017. Accordingly, the Ministry of Corporate Affairs, Office of the Regional Director, South East Region, Hyderabad, passed an Order on November 22, 2017 pursuant to Section 233 of the Companies Act, 2013 and Rule 25(5) of the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 confirming the Scheme of Amalgamation of Vantamuri Trading and Investments Limited and Nandur Sugars Limited into Ravindra Energy Limited.

Further, on registration of the Scheme by the Regional Director, Vantamuri Trading and Investments Limited and Nandur Sugars Limited (the Transferor Companies) Wholly-Owned Subsidiaries of the Company, are dissolved without the process of winding up.

RECLASSIFICATION/MODIFICATION OF PROMOTER AND PROMOTER GROUP

The Company has received applications pursuant to Regulation 31A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 from Mr. Shailesh Rojekar and Murkumbi Investments Private Limited, for reclassification/modification of their status in the shareholding pattern of the Company.

Mr. Shailesh Rojekar holding 250,000 equity shares of Rs. 10 each i.e. 0.20% of the total capital, whose name is included in the Promoter and Promoter Group has made application to the Company stating that he is not an immediate relative of the individual promoters, as defined in Regulation 2(1)(zb) of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 and thus does not fall in the category of "Promoter and Promoter Group". He has therefore made an application to the Company to reclassify/modify his status in the shareholding pattern by deleting his name from the category "Promoter and Promoter Group" and include the same in the 'Public' Category.

Further, Murkumbi Investments Private Limited, one of the promoters of the Company holding 3,20,83,110 equity shares of Rs. 10 each in the Company i.e. 26.27% of the total share capital, transferred its entire holding to one of the existing promoters of the Company, by way of inter-se transfer after complying with all the applicable provisions of the SEBI Regulations. Since, the holding of Murkumbi Investments Private Limited in the Company, post transfer, reduced to zero, has made an application to delete its name and to reclassify/modify the shareholding pattern disclosed to the stock exchange pursuant Regulation 31A(1) of the SEBI (LODR) Regulations, 2015.

The Board of the Directors of Company approved the application of Mr. Shailesh Rojekar and Murkumbi Investments Private Limited, subject to the approval of the shareholders of the Company in general meeting.

No change in the control of the Company would occur, if the reclassification/modification as prayed for by Mr. Shailesh Rojekar and Murkumbi Investments Private Limited, is approved.

DIRECTORS AND KEY MANAGERIAL PERSONNEL

In accordance with the provisions of the Companies Act, 2013 Mrs. Vidya Murkumbi Director (Chairperson) of the Company is liable to retire by rotation at the ensuing Annual General Meeting and being eligible offers herself for re-appointment as Director of the Company.

The Board of Directors in its meeting held on August 25, 2018 appointed Mrs. Vidya Murkumbi as Whole-Time Director designated as Executive Chairperson of the Company for a term of three years with effect from September 1, 2018. Mrs. Vidya Murkumbi has attained the age of seventy years and hence, pursuant to proviso to Clause (c) of Part I of Schedule V of the Companies Act, 2013 your Board of Directors recommend her appointment by passing a special resolution at the ensuing annual general meeting.

The Board of Directors at its meeting held on August 3, 2018 appointed Mr. Narendra Murkumbi as an Additional Director & Vice Chairman on the Board of Directors of the Company to hold office up to the date of the next annual general meeting. The Company has received notice in writing under section 160 of the Companies Act, 2013 proposing his candidature for the office of Director.

Mr. Narendra Murkumbi trained as an Electronics Engineer and then did his MBA from the Indian Institute of Management, Ahmedabad in 1994. He co-founded Shree Renuka Sugars Limited and in the last 18 years built the Company into one of the largest manufacturers and refiners of sugar in the world with operations in India and Brazil. He was on the Board of ICICI Bank Limited, ICICI Investment Management Company Limited and ICICI Securities Limited.

Considering his high qualification, rich knowledge and varied experience, the Board recommends his appointment as Director which would be of immense benefit to the Company. Mr. Narendra Murkumbi shall hold the office as a Non-Executive Director liable to retire by rotation.

Mr. Ramnath Sadekar - Company Secretary & Compliance Officer of the Company vacated his office on account of attaining the age of superannuation with effect from the close of business hours on June 30, 2018. Further, Mr. Vadiraj Mutalik an Associate Member of the Institute of Company Secretaries of India having ACS No. 50738, was appointed as the Company Secretary & Compliance Officer of the Company with effect from July 1, 2018, in compliance with the provisions of Section 203 of the Companies Act, 2013 and Regulation 6 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Mr. Satish Mehta, Mr. Vishwanath Mathur and Mr. Robert Taylor are Independent Directors on the Board. They have given declaration

that each of them meet the criteria of independence as provided in Section 149(6) of the Act and Regulation 16(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"). There has been no change in the circumstances affecting their status as an Independent Director during the year.

BOARD EVALUATION

Pursuant to Section 178(2) of the Companies Act, 2013, Nomination and Remuneration Committee of the Board carried out an annual evaluation of every director's performance. Pursuant to the provisions of Schedule IV to the Companies Act, 2013 and Regulation 17(10) of the Listing Regulations the Board evaluated performance of Independent Directors. The Independent Directors in a separate meeting reviewed the performance of Non-Independent Directors, performance of the Board as a whole and performance of the Chairperson.

FOR THE FINANCIAL YEAR ENDED 31st March 2018

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
RAVINDRA ENERGY LIMITED

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by RAVINDRA ENERGY LIMITED (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of RAVINDRA ENERGY LIMITED books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder;

Management Discussion and Analysis

(A) INDUSTRY STRUCTURE AND DEVELOPMENT

Ravindra Energy Limited and its subsidiaries were engaged in the business of trading of coal, installation and commissioning of rooftop, ground mount and photovoltaic solar systems, sale of solar system for water pumping, generation and sale of electricity, etc. Solar power in India is a fast developing industry. The country's solar installed capacity reached 23 GW as of June 30, 2018. India expanded its solar-generation capacity 8 times from 2,650 MW on May 26, 2014 to over 20 GW as on January 31, 2018. The 20 GW capacity was initially targeted for 2022 but the government achieved the target four years ahead of schedule. The country added 3 GW of solar capacity in 2015-2016, 5 GW in 2016-2017 and over 10 GW in 2017-2018, with the average current price of solar electricity dropping to 18% below the average price of its coal-fired counterpart.

Karnataka is the top solar state in India exceeding 5,000 MW installed capacity by the end of financial year 2017-18. The installed capacity of Pavagada Solar Park is 600 MW and its ultimate 2,000 MW installed capacity is expected by the end of year 2020.

Power is one of the most critical components of infrastructure crucial for the economic growth and welfare of nation. The existence and development of adequate infrastructure is essential for sustained growth of the economy. Sources of power generation range from conventional sources to viable non-conventional sources such as wind, solar, agricultural and domestic waste. Electricity demand in the country has increased rapidly and is expected to rise further in the years to come. In order to meet the increasing demand for electricity in the country massive addition to the installed generating capacity is required.

INDIAN SCENARIO

Electricity generation

Grid-connected solar electricity generation has reached nearly 2% of total utility electricity generation. Solar generation meets the daytime peak load in non-monsoon months when electricity spot prices exceed the daily average price.

Year	Solar power generation (TWh)
2013-14	3.35
2014-15	4.60
2015-16	7.45
2016-17	12.09
2017-18	25.87

Monthly solar power generation in India, April 2017 - March 2018

Month	Total (GWh)
April - 2017	1,752.74
May - 2017	1,931.30
June - 2017	1,803.35
July - 2017	1,661.29
August - 2017	1,660.26
September - 2017	2,002.51
October - 2017	2,186.00
November - 2017	2,094.59
December - 2017	2,242.64
January - 2018	2,547.77
February - 2018	2,677.10
March - 2018	3,311.53
Total (GWh)	25,871.08

Solar photovoltaic growth forecasts

In August 2016, the forecast for solar photovoltaic installations was about 4.8 GW for the calendar year. About 2.8 GW was installed in the first eight months of 2016, more than all 2015 solar installations. India's solar projects stood at about 21 GW, with about 14 GW under construction and about 7 GW to be auctioned. The country's solar capacity reached 19.7 GW by the end of 2017, making it the third-largest global solar market.

In mid-2018 the Indian power ministry flagged a tender for a 100GW solar plant at an event in Delhi, while discussing a 10GW tender due to be issued in July that year. The ministry also increased the government target for installed solar by 2022 to 227 GW.

(B) OPPORTUNITIES AND THREATS

The opportunities in solar power sector are manifold owing to its multi level value chain. India under its green initiatives has rolled out multiple policies in support of solar mission. As a consequence the Indian solar energy market with multiple opportunities along its value chain has opened its doors to many players.

The land is scarce in India, and per-capita land availability is low. Dedication of land for the installation of solar arrays must compete with other needs. The amount of land required for utility-scale solar power plants is about 1 km² (250 acres) for every 40-60 MW generated. One alternative is to use the water-surface area on canals, lakes, reservoirs, farm ponds and the sea for large solar-power plants. These

water bodies can also provide water to clean the solar panels. Highways and railways may also avoid the cost of land nearer to load centres, minimising transmission-line costs by having solar plants about 10 meters above the roads or rail tracks. Solar power generated by road areas may also be used for in-motion charging of electric vehicles, reducing fuel costs. Highways would avoid damage from rain and summer heat, increasing comfort for commuters.

The architecture best suited to most of India would be a set of rooftop power-generation systems connected via a local grid. Such an infrastructure, which does not have the economy of scale of mass, utility-scale solar-panel deployment, needs a lower deployment price to attract individuals and family-sized households. Photovoltaics are projected to continue their cost reductions, becoming able to compete with fossil fuels.

Greenpeace, a non-governmental environmental organization, recommends that India adopt a policy of developing solar power as a dominant component of its renewable-energy mix, since its identity as a densely-populated country in the tropical belt of the subcontinent has an ideal combination of high insolation and a large potential consumer base. In one scenario India could make renewable resources the backbone of its economy by 2030, curtailing carbon emissions without compromising its economic-growth potential. A study suggested that 100 GW of solar power could be generated through a mix of utility-scale and rooftop solar, with the realizable potential for rooftop solar between 57 and 76 GW by 2024.

It is considered prudent to encourage solar-plant installations up to a threshold (such as 7,000 MW) by offering incentives. Otherwise, substandard equipment with overrated nameplate capacity may tarnish the industry. The purchaser, transmission agency and financial institution should require capacity utilisation and long-term performance guarantees for the equipment backed by insurance coverage in the event that the original equipment manufacturer ceases to exist. Alarmed by the low quality of equipment, India issued draft quality guide lines in May 2017 to be followed by the solar plant equipment suppliers conforming to Indian standards.

The solar sector is also facing the challenges such as cost of financing makes the energy projects with thin margins and less attractive, projects require longer tenure of loan, inherent seasonality of power generation adversely impacts cash flows especially if it gets commissioned during non productive season, capital expenditure is significantly higher as compared to conventional sources, complexity of subsidy structure, delays in acquiring land and statutory clearances, distribution companies sign PPA only after companies have secured land, considerable delay in providing grid connectivity and non availability of skilled manpower.

Government support

The Government has allowed foreign investment in Renewal Energy Sector and this has led to increased cut-throat competition. The Central Government has withdrawn subsidies on Solar Power Pumping Systems through NABARD. The State Government has also received instructions from MNRE to complete the on-going project on or before September 30, 2018, as MNRE shall withdraw the advanced subsidy thereafter. Thus, a negative trend in the government policies has and shall continue to affect the sector to a greater extent. The government has also reduced the tariff rates drastically.

Solar PV Tariff

The current prices of solar PV electricity is around 18% lower than the average price for electricity generated by coal-fired plants. Competitive reverse auctions, falling panel and component prices, the introduction of solar parks, lower borrowing costs and large power companies have contributed to the fall in prices. The cost of solar PV power in India, China, Brazil and 55 other emerging markets fell to about one-third of its 2010 price, making solar the cheapest form of renewable energy and cheaper than power generated from fossil fuels such as coal and gas.

The Indian government has reduced the solar PV power purchase price from the maximum allowed Rs. 4.43 per KWh to Rs. 4.00 per KWh, reflecting the steep fall in cost of solar power-generation equipment.

Solar PV generation cost fell to Rs. 2.97 per kWh for the 750 MW. Solar panel prices are lower than those of mirrors by unit area.

The lowest solar tariff in May 2018 is Rs 2.71 / kWh (without incentives). In early July 2018 bids, the lowest solar PV tariff has touched Rs. 2.44 per kWh (without incentive). The tariff for rooftop installations are also falling with the recent offer of Rs. 3.64 with 100% locally made components.

(C) SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The details of project implementation and business development is given in the Directors' Report under the head Projects. The segment-wise performance is as under -

Standalone		(Rs. in Million)	
Revenue from Operations		2017-18	2016-17
Traded Coal		155.38	255.07
Solar System for Water Pumping		109.16	119.27
Solar Sales - Others		0.03	0.00
Sale of Electricity		6.50	5.53
Contract Revenue		198.13	160.00
Total		469.20	539.87

Consolidated (Rs. in Million)

Revenue from Operations	2017-18	2016-17
Traded Coal	155.38	1,411.03
Traded Sugar	3,536.96	4,510.71
Solar Systems	307.31	279.27
Sales of Electricity	174.85	5.53
Total	4,174.50	6,206.54

(D) OUTLOOK

India which falls in a tropical region has tremendous potential for solar energy power generation so it looks to position itself as one of the world's major solar power producers in the coming years. The country's installed capacity for solar power generation has increased tremendously during the past couple of years. Rising economic and infrastructural development in the country has widened electricity demand supply gap, induced high irradiation levels, pushed favourable government policies and enabled huge investments, thus supporting growth for its solar industry. As such the cumulative installed solar power generating capacity is anticipated to reach 100 GW by 2022.

(E) RISKS AND CONCERNS

The Company has constituted Risks Management Committee, to monitor and review risk. Risk Management Policy has been framed and the Company is committed to managing the risk in accordance with the process set out in this policy to benefit the Company.

Dust, high temperatures and the dearth of water are contributing to a significant increase in the cost of operating solar power plants. Some of these factors, such as the level of dust particles and the type of dust, vary from region to region within the country, while other factors such as the hardness of the water and the shortage of a skilled labour force are more general problems faced by plants across the country.

Further, in the rush to build market share in this exciting sector, some players have become very aggressive in the competitive auction process and are bidding very low tariffs with fairly low returns. There is a fear that some of these projects could become unviable because developers will find it difficult to raise funds at attractive interest rates and contain high project costs.

Low tariffs can also negatively impact the government's target of achieving 100GW by 2022. We need to attract more players and many more investors into this nascent sector. This will come only if the returns are attractive for investors. Hence, it is important that every project remains viable from both aspects-tariff and profitability.

Viability of solar power projects in India has become a serious cause for concern. The recent decision of the Supreme Court not to allow a revision of the tariff charged by

Tata Power Co. Ltd and Adani Power Ltd for their 4,000 MW (megawatt) and 4,620 MW Mundra ultra-mega power projects based on Indonesian coal has added to the woes.

(F) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The compliance certification from CEO and CFO provided in Annual Report confirms the adequacy of our internal control system and procedure. The Audit Committee in every meeting evaluates internal financial controls and risk management systems.

(G) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP) and comply with the accounting standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.

Standalone results

The standalone revenue from operations for the year ended March 31, 2018 was Rs. 469.19 million and other income was Rs. 50.80 million, aggregating to Rs. 519.99 million, as against revenue from operations of Rs. 539.87 million and other income of Rs. 61.38 million, aggregating to Rs. 601.25 million for the previous year ended March 31, 2017. The Company earned profit after tax of Rs. 38.90 million for the year ended March 31, 2018 as compared to Rs. 63.25 million earned for the previous year ended March 31, 2017. Revenue from operations includes trading of coal, installation and commissioning, sale of solar system for water pumping, sale of electricity, etc.

Consolidated results

The consolidated revenue from operations for the year ended March 31, 2018 was Rs. 4,174.50 million and other income was Rs. 73.72 million, aggregating to Rs. 4,248.22 million, as against revenue from operations of Rs. 6,206.55 million and other income of Rs. 230.86 million, aggregating to Rs. 6,437.41 million for the previous year ended March 31, 2017. The Company incurred a consolidated loss of Rs. 1,397.69 million for the year ended March 31, 2018 as against consolidated loss Rs. 18.09 million incurred for the previous year ended March 31, 2017.

(H) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED.

The total work force of the Company is 52. Number will be increased with the growth of business of the Company. The Company is aware that satisfied highly motivated and loyal employees contribute to the growth of the Company. The employee relations remained cordial throughout the year.

Report on Corporate Governance

Pursuant to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), the Corporate Governance Report prepared by the Company contains the details of Corporate Governance systems and processes adopted by Ravindra Energy Limited, which are as under:

COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Corporate Governance is all about maintaining the right balance between economic, social, individual and community goals. Effective corporate governance practices constitute the strong foundation on which successful commercial enterprises are built to last. The Company's philosophy on corporate governance oversees business strategies and ensures fiscal accountability, ethical corporate behavior and fairness to all stakeholders comprising regulators, employees, customers, vendors, investors and the society at large. Your Company is committed to good governance practices that create long-term sustainable shareholder value. The Company has a strong legacy of fair, transparent and ethical governance practices. The Board has laid down Codes of Conduct for Non-Executive Directors which includes details as specified in Schedule IV to the Act. The Company continues to follow "Ravindra Energy Limited Code of Conduct" for all its employees including Managing Directors/Executive Directors. The codes of conduct are hosted on the Company's website. All Board Members and Senior Management personnel have affirmed compliance with their respective Codes of Conduct. Your Company is focused on enhancement of long-term value creation for all stakeholders without compromising on integrity, societal obligations, environment and regulatory compliances.

The Company is in compliance with the requirements stipulated under Regulations 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), as applicable, with regard to Corporate Governance.

BOARD OF DIRECTORS

- i) As on March 31, 2018 the Company has maintained an optimum combination of Executive and Non-Executive Directors. The Board comprised of five directors, including one woman director, out of whom four being Non-Executive Directors. Majority of them i.e. 3 out of 5 were Independent Directors. The Chairperson of the Board was a Non-Executive, Non-Independent Director and is one of the promoters of the Company. The Directors bring in a wide range of skills and experience to the Board. The composition of the Board is in

conformity with Regulation 17 of the SEBI Listing Regulations read with Section 149 of the Companies Act, 2013 (the Act). This optimum combination of the Board consciously creates a culture of leadership to provide a long-term vision and policy approach to improve the quality of governance.

- ii) None of the Directors on the Board hold directorships in more than ten public companies. Further, none of them is a member of more than ten committees or chairman of more than five committees across all the public companies in which he/she is a Director. Disclosures regarding Committee positions in other public companies as on March 31, 2018 have been made by the Directors. None of the Directors as on March 31, 2018 were related to each other.
 - iii) Independent Directors are non-executive directors as defined under Regulation 16(1)(b) of the SEBI Listing Regulations and Section 149(6) of the Act. The maximum tenure of independent directors is in compliance with the Act. All the Independent Directors have confirmed that they meet the criteria of independence as mentioned under Regulation 16(1)(b) of the SEBI Listing Regulations and Section 149(6) of the Act.
 - iv) During the year under review, five Board Meetings were held and the gap between two meetings did not exceed 120 days. The said meetings were held on May 26, 2017, August 12, 2017, August 23, 2017, December 11, 2017 and February 14, 2018. One separate meeting of Independent Directors was also held on February 14, 2018 which was attended by all the members of the Committee.
 - v) Mr. Narendra Murkumbi (DIN: 00009164) was appointed as an Additional Director of the Company to hold office with effect from August 3, 2018. He holds office up to the date of the ensuing Annual General Meeting of the Company.
- The Company has received notice in writing under section 160 of the Companies Act, 2013 proposing his candidature for the office of Director. Considering his high qualification, rich knowledge and varied experience, the Board recommends his appointment as Director.
- Mr. Narendra Murkumbi is related to Mrs. Vidya Murkumbi Chairperson of the Company.
- vi) Mrs. Vidya Murkumbi was a Non-Executive Director of the Company. With an intention to gain the benefits of her vast experience and rich knowledge, your Board of Directors at its meeting held on August 25, 2018 appointed Mrs. Vidya Murkumbi as Whole-Time Director designated as Executive Chairperson with effect from September 1, 2018, subject to the approval of Shareholders.

Mr. Narendra Murkumbi is the son of Mrs. Vidya Murkumbi. No other director is related.

The Board now consists of three Non-Executive, Independent Directors, two Whole-Time Directors and one Additional, Non-Executive Director.

The names and categories of the Directors on the Board, their attendance at Board Meetings held during the year and at the last Annual General Meeting (AGM) and the number of Directorships and Committee Chairmanships/Memberships held by them in other public limited companies as on March 31, 2018 are given

here in below. Other directorships do not include directorships of private limited companies, foreign companies and companies under Section 8 of the Act. For the purpose of determination of limit of the Board Committees, chairpersonship and membership of the Audit Committee and Stakeholders' Relationship Committee has been considered as per Regulation 26(1)(b) of SEBI Listing Regulations.

Sr. No.	Name of the Director	Category of Directorship	No. of other Directorships	No. of other Committee positions held		No. of Board meetings attended	Attendance at AGM held on September 29, 2017	Shares Held

6.	Mr. P. Uma Shankar [#]	Non-Executive, Independent Director	1	2	1	1	No	NIL

* Appointed as Whole-Time Director designated as Executive Chairperson w.e.f. August 25, 2018.

Resigned w.e.f. May 30, 2017.

Notes:

- As on March 31, 2018 none of the Directors were related to any Director or member of an extended family.
- None of the Independent Directors of the Company served as Independent Director in more than 7 listed companies.
- There are no convertible instruments held by the non-executive directors.
- Mr. Sidram Kaluti is an Executive Director and not an Independent Director of any other Listed Company.
- Familiarization programmes imparted to Independent Directors is disclosed on the Company's website (<http://www.ravindraenergy.com/investors>).
- Mr. Narendra Murkumbi was appointed as additional director w.e.f. August 3, 2018.

THE COMMITTEES OF THE BOARD

The Board has constituted a set of Committees with specific terms of reference/scope to focus effectively on the issues and ensure expedient resolution of diverse matters. The Committees operate as an empowered agent of the Board as per their terms of reference. The minutes of the meetings of all Committees of the Board are placed before the Board for discussion and noting.

STATUTORY COMMITTEES

The Statutory Committees under the Act and the Listing Regulations are:

- Audit Committee
- Nomination and Remuneration Committee
- Risk Management Committee
- Stakeholders Relationship Committee
- Corporate Social Responsibility Committee
- Internal Complaints Committee

AUDIT COMMITTEE

Composition of the Audit Committee-

Name of the Director	Category
Mr. Satish Mehta	Independent (Chairman)
Mr. Vishwanath Mathur	Independent
Mrs. Vidya Murkumbi	Non-Executive, Non-Independent

The Audit Committee met 4 times during the year under review on May 26, 2017, August 12, 2017, December 11, 2017 and February 14, 2018. The above members of the committee attended all the meetings held during the year under review.

Terms of Reference and Powers of the Committee:

- i) Oversee Company's financial reporting process and disclosure of its financial information to ensure that the financial statements are correct, sufficient and credible;
- ii) Recommend the appointment, remuneration and terms of appointment of auditors of the Company, and also approval for payment for any other service;
- iii) Review with management the quarterly, half yearly and annual financial statements before submission to the Board, with particular reference to -
 - a) Matters required to be included in the Directors Responsibility Statement to be included in the Board's Report in terms of Clause (c) of Sub Section 3 of Section 134 of the Companies Act, 2013;
 - b) Changes, if any, in accounting policies and practices and reasons for the same;
 - c) Major accounting entries involving estimates based on the exercise of judgment by management;
 - d) Significant adjustments made in the financial statements arising out of audit findings;
 - e) Compliance with accounting standards, listing and other legal requirements relating to financial statements;
 - f) Disclosure of any related party transactions;
 - g) Qualification in the draft Auditors Report.
- iv) Reviewing, with the management, the statement of uses /application of funds raised through an issue (public issue, rights issue, preferential issue etc.), the statement of funds utilized for purposes other than those stated in the offer document, prospectus, notice and the report submitted by the monitoring agency monitoring the utilization of proceeds of a public, or rights issue and making appropriate recommendations to the Board to take up steps in the matter.
- v) Review with the Management, Auditors independence and performance effectiveness of audit process;
- vi) Approval of any subsequent modification of transactions of the Company with related parties;
- vii) Scrutiny of inter corporate loans and investments;
- viii) Valuation of undertakings or assets of the Company wherever it is necessary;
- ix) Evaluation of internal financial controls and risk management systems;
- x) Reviewing with the management, performance of statutory and internal auditors, adequacy of the internal control systems;
- xi) Review the adequacy of internal audit function, if any, including the structure of the internal audit department, reporting structure coverage and frequency of internal audit;

- xii) Discussion with the Internal Auditors, of any significant findings and follow up thereon;
- xiii) Discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post audit discussion to ascertain any area of concern;
- xiv) To look in to the reasons for substantial defaults, in the payment to depositors, debenture holders, shareholders (in case of nonpayment of declared dividends) and creditors;
- xv) Approval of appointment of CFO (i.e. the whole time finance director of any other person heading the finance function of discharging that function) after assessing the qualification of the candidate;
- xvi) Carrying out any other function as is mentioned in the terms of reference of the Audit Committee.

Powers:

- a) Investigate any activity within its terms of reference as above or as may be referred to it by the Board from time to time;
- b) Seek information from any employee of the Company;
- c) Obtain outside legal or other professional advice, if necessary;
- d) Securing attendance of outsiders with relevant expertise, if it considers necessary.
- e) In terms of the Insider Trading Code adopted by the Company in FY 2015-16, the Committee considers the following matters:
 - i) To approve policies in relation to the implementation of the Insider Trading Code and to supervise implementation of the Insider Trading Code.
 - ii) To note and take on record the status reports detailing the dealings by Designated Persons in Securities of the Company, as submitted by the compliance Officer on a quarterly basis.
 - iii) To provide directions on any penal action to be initiated, in case of any violation of the Regulations by any person.

The previous Annual General Meeting of the Company was held on September 29, 2017 and was attended by Mrs. Vidya Murkumbi - Chairperson of the Board, and Mr. Satish Mehta - Chairman of the Audit Committee of the Board.

NOMINATION AND REMUNERATION COMMITTEE

Composition of the Nomination and Remuneration Committee of the Board of Directors and details of meetings attended by the Directors during the year under review:

Name of the Director	Category
Mr. Satish Mehta	Independent
Mrs. Vidya Murkumbi	Non-Executive, Non-Independent
Mr. Vishwanath Mathur	Independent
Mr. P Uma Shankar*	Independent

* Resigned w.e.f. May 30, 2017.

Two meetings of the Nomination and Remuneration Committee were held on May 26, 2018 and August 12, 2017 during the year under review.

Name of the Director	Attendance
Mr. Satish Mehta	2
Mrs. Vidya Murkumbi	2
Mr. Vishwanath Mathur#	-
Mr. P Uma Shankar*	1

Appointed w.e.f. August 23, 2017

* Resigned w.e.f. May 30, 2017.

Terms of Reference and Powers of the Committee

- i. The Nomination and Remuneration Committee of the Company is constituted in line with the provisions of Regulation 19 of SEBI Listing Regulations, read with Section 178 of the Act.
- ii. Formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy relating to the remuneration for the directors, key managerial personnel and other employees. While formulating the policy, it shall ensure that -
 - a. The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the Company successfully;
 - b. Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
 - c. Remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.
- iii. Identify persons who are qualified to become directors (including independent directors) and who may be appointed in senior management in accordance with the criteria laid down and recommend to the Board their appointment and removal;
- iv. Formulation of criteria for evaluation of Independent Directors and the Board;
 - v. Devising a policy on Board diversity;
- vi. To take in to account financial position of the Company, trend in the industry, appointees qualification, experience past performance, past remuneration etc. and bring about objectivity in determining the remuneration package while striking a balance between the interest of the Company and shareholders;
- vii. To undertake specific duties as may be prescribed by the Companies Act, 2013, Listing Agreement and/or as may be prescribed by the Board of Directors of the Company from time to time;
- viii. To obtain outside legal or other professional advice to assist in connection with its functions, if necessary;

- ix. To devise, monitor and administer the implementation of Employees Stock Option Schemes;
- x. Terms of reference for Employees Stock Option Plan (ESOP's):
 - a. To formulate Employees Stock Option Plan and from time to time to grant options to eligible employees;
 - b. To decide the quantum of options to be granted to any employee and in aggregate under any of the Employees Stock Option Plans that may be formulated by the Company;
 - c. To decide the conditions under which the options granted to employees may lapse;
 - d. To determine the exercise price of the options to be granted under Employees Stock Option Plans;
 - e. To determine and specify the vesting period and the exercise period in any of the Employees Stock Option Plans;
 - f. To dispose off at its sole discretion and in the interest of the Company the options not applied for by the employees offered under various Employees Stock Option Plans;
 - g. To decide the procedure for making fair and reasonable adjustments to the number of options and to the exercise price in case of right issue / bonus issue, other corporate actions or otherwise;
 - h. To determine the terms and conditions of Employees Stock Option Plans and to do any other related or incidental matter thereto.

PERFORMANCE EVALUATION CRITERIA FOR INDEPENDENT DIRECTORS

The Board consisted of three Independent Directors viz. Mr. P Uma Shankar, Mr. Vishwanath Mathur and Mr. Satish Mehta. The performance evaluation criteria for independent directors are determined by the Nomination and Remuneration Committee as per the requirements of the Act and the Listing Regulations. The factors for evaluation of performance include participation and contribution by a Director, commitment, effective deployment of knowledge and expertise, effective management of relationship with stakeholders, integrity and maintenance of confidentiality and independence of behavior and judgment.

REMUNERATION TO DIRECTORS

Non-Executive Directors -

None of the Non-Executive Directors had any pecuniary relationship or transactions with the Company other than rent for the office premises paid to Mrs. Vidya Murkumbi - Chairperson. Except Mr. P Uma Shankar, none of the Non-Executive Directors accepted the sitting fees for attending the meetings of the Board or Committees thereof.

Independent Auditors' Report

To the Members of

Ravindra Energy Limited

Report on the Financial Statements

We have audited the accompanying Ind AS financial statements of **RAVINDRA ENERGY LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2018 the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and

plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at March 31, 2018 and its profit including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

- d. In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rules thereunder;
- e. On the basis of the written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure B”; and
- g. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company have disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 30(2)(b) to the financial statements.

Annexure 'B' to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Ravindra Energy Limited** ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the

Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has in all material respects an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Accounts forming part of the Financial Statements

For the year ended 31st March, 2018

A. Corporate information

Ravindra Energy Limited ("the Company") is a public company incorporated and domiciled in India. The Company's shares are listed on the Bombay Stock Exchange Limited. The registered office of the company is located at BC 109, Davidson Road, Camp, Belagavi - 590001.

The Company is principally engaged in Selling Solar Pumps, Setting up of Solar Generation Power Plant (Ground Mount & Rooftop) & Generation and Sale of Power.

B. Significant accounting policies

i. Basis of Preparation:

The financial statements of Ravindra Energy Limited ("the Company") has been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

For all periods upto and including the year ended 31 March, 2018, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

The financial statements have been prepared on a going concern basis under the historical cost convention, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Land, buildings and plant and machinery classified as property, plant and equipment
- Defined Benefit Plans

The financial statements are prepared in Indian Rupees (₹), which is also the Company's functional currency.

ii. Use of estimates:

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which such changes are made.

iii. Foreign currency transactions:

Initial Recognition:

Transactions in foreign currencies are initially recorded by the Company at functional currency rates at the date the transaction.

Conversion:

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency rates of exchange at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e. translation differences on items whose fair value gain or loss is recognised in Other Comprehensive Income (OCI) or profit or loss are also recognised in OCI or profit or loss, respectively).

Exchange Differences:

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements are recognized as income or as expenses in the period in which they arise.

iv. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Sale of goods:

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Revenue from sale of power is recognised when the units generated are transmitted to the pooling station, in accordance with the terms and conditions of the power purchase agreement entered into by the Company with the purchasing parties.

Rendering of services:

Income from services is recognised as they are rendered (based on agreement/arrangement with the concerned customers).

Dividends:

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

v. Income Tax

Tax expenses comprise both current and deferred taxes.

The current tax is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss due to the effect of items of income or expense that are taxable or deductible in other years and items that are not taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. Current income tax relating to items recognised outside profit or loss is recognised either in other comprehensive income or in equity.

Deferred tax:

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilized. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

vi. Property, plant and equipment

Property, plant and equipment (Tangible and Intangible) are stated at cost less accumulated depreciation. Cost comprises the purchase price and any cost attributable to bringing the asset to the location and condition necessary for its intended use. The Company carried out fair valuation of Freehold land, buildings and plant and machinery (PPE). However, it was determined that fair value does not differ materially from the carrying value of assets. Accordingly, the Company has not revalued the property, plant and equipment as at March 31, 2018.

Capital work in progress, plant and equipment is stated at cost.

In case of revaluation, surplus is recorded in Others Comprehensive Income and credited to the asset revaluation reserve in equity. However, to the extent that it reverses a revaluation deficit of the same asset previously recognised in statement of profit or loss, the increase is recognised in statement of profit and loss. A revaluation deficit is recognised in the statement of profit and loss, except to the extent that it offsets an existing surplus on the same asset recognised in the asset revaluation reserve.

An annual transfer from the asset revaluation reserve to retained earnings is made for the difference between depreciation based on the revalued carrying amount of the asset and depreciation based on the asset's original cost. Additionally, accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset. Upon disposal, any revaluation reserve relating to the particular asset being sold is transferred directly to retained earnings.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Category	Useful life
Buildings	5-60 Years
Plant and Equipments	5-40 Years
Furniture and Fixtures	1-10 Years
Vehicles	7-8 Years
Office Equipments	1-10 Years

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

vii. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation(z) and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

viii. Depreciation & Amortization:

Depreciation on property, plant and equipment bought/sold during the year is charged on straight line method as per the useful life in Schedule II of Companies Act, 2013 depending upon the financial year in which the assets are installed/sold.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.

ix. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

x. Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- a. Finished goods and work in progress:** Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in first out basis.
- b. Traded goods:** Cost includes cost of purchase and other costs incurred in bringing the inventories to their present

location and condition. Cost is determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

xi. Provisions and Contingent liabilities:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

xii. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense in the statement of profit and loss.

Provisions for liabilities in respect of leave encashment benefits and gratuity are made based on actuarial valuation made by an independent actuary as on the balance sheet date. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through Others Comprehensive Income in the period in which they occur.

Re-measurements are not reclassified to profit or loss in subsequent periods.

xiii. Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xiv. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- a. Expected to be realised or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading, or
- c. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading, or
- c. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

xv. Significant accounting judgments estimates and assumptions

Revaluation of property, plant and equipment

The Company measures land, buildings, plant and machinery classified as property, plant and equipment at revalued amounts with changes in fair value being recognised in Others Comprehensive Income. The Company engaged an independent valuation specialist to assess fair value for the valuation of land. Fair value of land was determined by using

the market comparable method and plant & equipment was determined by using resale value method adjusted for specific market factors such as nature, location and condition of the property. The Company has also determined that fair value does not differ materially from the carrying value of assets. Accordingly, the Company has not revalued the property, plant and equipment as at March 31, 2018.

Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

xvi. Standards issued but not yet effective

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Group's financial statements are disclosed below. The Group intends to adopt these standards, if applicable, when they become effective.

The Ministry of Corporate Affairs (MCA) has issued the Companies (Indian Accounting Standards) Amendment Rules, 2017 and Companies (Indian Accounting Standards) Amendment Rules, 2018 amending the following standard:

Ind AS 115 Revenue from Contracts with Customers

Ind AS 115 was notified on 28 March, 2018 and establishes a five-step model to account for revenue arising from contracts with customers. Under Ind AS 115, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

The new revenue standard will supersede all current revenue recognition requirements under Ind AS. Either a full retrospective application or a modified retrospective application is required for annual periods beginning on or after April 1, 2018. The Company will adopt the new standard on the required effective date using the modified retrospective method. The Company has established an implementation team to implement Ind AS 115 related to the recognition of revenue from contracts with customers and it continues to evaluate the changes to accounting system and processes, and additional disclosure requirements that may be necessary. A reliable estimate of the quantitative impact of Ind AS 115 on the financial statements will only be possible once the implementation project has been completed.

Independent Auditors' Report

To the Members of
RAVINDRA ENERGY LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated Ind AS financial statements of Ravindra Energy Limited ("the Holding Company"), its subsidiaries and associates (collectively referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2018 the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information for the year then ended (hereinafter referred to as 'Consolidated Ind AS financial statements').

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with relevant rules thereunder. This respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing

standards and matters which are required to be included in the audit report under the provisions of the Act and the rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Directors, as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph of the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2018, and their consolidated loss and their consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the financial statements of one subsidiary and fifteen LLPs included in the Consolidated Ind AS financial statements, whose Ind AS financial statements reflect total assets of Rs. 5,972.29 Mn as at March 31, 2018, total revenues of Rs. 3,712.31 Mn and net cash flows of Rs. 4.75 Mn for the year ended on that date, as considered in the Consolidated Ind AS financial statements. These Ind AS financial statements and other financial information have been audited by other auditors whose reports

have been furnished to us and our opinion on such Ind AS financial statements is based solely on the report of such other auditors. Further audit of two step down subsidiaries were not conducted and the financial information of these subsidiaries is purely based on the report of the management, reflect total assets of Rs. 267.78 Mn as at March 31, 2018 total revenue of Rs. Nil and net cash flows amount to Rs. (50.13) Mn as considered in the consolidated Ind AS financial statements. Our report is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of Ravindra Energy Limited ("the Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

3. The Standalone accounts of Pt. Renuka Jambi (Indonesia), Unaudited accounts for the year from April 1, 2017 to March 31, 2018.

c. Use of Estimates

In preparing the company's financial statement in conformity with accounting principles generally accepted in India, the

company's management is required to make estimates and assumption that effect the reported amount of assets and liabilities and the disclosure of contingent assets and liabilities at the date of financial statements and reported amount of revenues and expenses during the reporting period; actual result could differ from those estimates.

d. Fixed assets

Fixed assets are stated at cost less accumulated depreciation. Cost comprises the purchase price and any cost attributable to bringing the asset to its working condition for its intended use.

e. Depreciation

Depreciation is provided in the manner prescribed in Schedule II of the Indian Companies Act, 2013. The carrying value of Fixed assets are depreciated over the revised remaining useful lives. Fixed assets having nil useful life has been charged to the opening balance of retained earning as per the transitional provision prescribed in note 7 (b) of Schedule II of the Companies Act 2013. In the case of Pt. Jambi Prima Coal, depreciation on exploration asset is amortised on the unit of production basis over the total estimated remaining commercial reserves

f. Inventory

Inventories are stated at the lower of cost and net realisable value. Costs of inventories are determined on a weighted average basis. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

g. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at lower of cost or fair value / market value determined on an individual investment basis. Non-current investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. Profit/loss on sale of investments is computed with reference to their average cost.

h. Foreign currency transactions

Initial Recognition:

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion:

Foreign currency monetary items are reported using the closing

rate at the date of the Balance Sheet. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and investments in foreign companies are recorded at the exchange rates prevailing on the date of making the investments.

Exchange Differences:

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements, are recognized as income or as expenses in the period in which they arise.

Translation of financial statements of foreign subsidiaries

The consolidated financial statements are presented in Indian Rupees, which is the functional currency of the parent company, being the currency of the primary economic environment in which it operates.

In the consolidated financial statements, the separate financial statements of the subsidiary, originally presented in a currency different from the Group's presentation currency, have been converted into Indian Rupees. Assets and liabilities have been translated into Indian Rupees at the closing rate at the balance sheet date. Income and expenses have been converted into the Group's presentation currency at the average rates over the reporting period. The resulting translation adjustments are recorded under the foreign currency translation reserve in Reserves & Surplus under Shareholders funds.

The functional currency of subsidiaries Renuka Energy Resource Holdings FZE is UAE Dirham ('AED'); Renuka Resource Singapore Pte Ltd & PT Renuka Coal Indo TBK is USD and PT Renuka Jambi is Indonesian Rupaiah (IDR).

i. Retirement benefits

Contributions in respect of provident fund are made to the appropriate authority/trust set up by the Company for the purpose and charged to Statement of Profit and Loss. Provisions for liabilities in respect of leave encashment benefits and gratuity are made based on actuarial valuation made by an independent actuary as at the Balance Sheet date.

j. Income tax

Tax expenses comprise both current and deferred taxes.

Deferred income tax reflects the impact of current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

k. Provisions, Contingent Liability and Contingent Assets

Provision are recognized for liabilities that can be measured only by using substantial degree of estimation, if

- The company has a present obligation as result of past event.
- A probable outflow of resources is expected to settle the obligation and
- The amount of obligation can be easily estimated.

Contingent liability is disclosed in the case of

- A present obligation arising from past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- A possible obligation, unless the probability of outflow of resources is remote.

Depending on facts of each case and after due evaluation of relevant legal aspects, claims against the company not acknowledged as debts are disclosed as contingent liabilities. In respect of statutory matters, contingent liabilities are disclosed only for those demand(s) that are contested by the company.

Contingent Assets are neither recognized, nor disclosed.

l. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m. Impairment of assets

As at each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine the provision for impairment loss, if any, required or the reversal, if any, required of impairment loss recognized in previous periods. Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.
