Independent Auditor's Review Report on the Quarterly Unaudited Financial Results of the Mold-Tek Packaging Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Review Report to the Board of Directors Mold-Tek Packaging Limited

We have reviewed the accompanying Statement of Unaudited Financial Results of Mold-Tek Packaging Limited (the "Company") for the Quarter ended 30th June, 2025 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "LODR Regulations").

This statement is the responsibility of the company's Management and has been approved by the Board of Directors and has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" (Ind As 34), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company's personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Pharma Packaging – Product Development, Capacity & Business Update: Mold-Tek Packaging is witnessing exceptional momentum in Pharma packaging division, driven by product development and consistency. Having supplied for over 3-4 months to select companies, our feedback on quality and performance on high-speed lines is impeccable – This is a very positive sign.

PRESS RELEASE

The Pharma Packaging division has already achieved more than 50-55% utilisation of its installed capacity, reflecting improving demand and accelerated order flow. Notably, the Pharma packaging division reached its break-even level in Q4 of previous financial year itself, laying a strong foundation for profitable growth. In Nutraceuticals, we are now working with all of the top 5 effervescent tablet manufactures and fillers. We doubled our 120mm tube capacity and added 2 new sizes – 42mm and 99mm – which are seeing great traction. In bottles and caps, 2 new customers which are among the biggest 10 pharma giants in India have even placed the 1st commercial order after trial orders. Their consistent requirement itself needs us to enhance our capacity drastically. For canisters, 3 Indian companies are in the last stages of trials and export orders are going strong.

Newly launched Single-piece CRC squeeze caps have been successfully approved by some major Pharma customers and commercial supplies also started. In addition, several new products like 28 CRC with tamper evidence & Molded Vial-trays are in the final stages of approval with reputed Pharma clients. Mold-Tek remains fully committed to becoming a leading solutions provider in the regulated Pharma packaging space, offering high-quality, compliant, and innovative packaging solutions to the healthcare industry.

FOOD AND FMCG

Printing Capacity enhancement: Mold-Tek Packaging has significantly enhanced its in-house printing capabilities with the installation of advanced flexographic and offset printing machines and die cutting machines equipped with the latest technology.

This upgrade has effectively eliminated earlier bottlenecks in the printing capacity, enabling the Company to run at better capacity utilisation and deliver high-quality, high-volume printed labels efficiently in Food & FMCG segments resulting in better volume growth.

As a direct result of this enhancement, the Company is now able to supply printed labels on a Just-in-Time (JIT) basis, ensuring faster turnaround and greater responsiveness to customer needs. This shift has allowed Mold-Tek to eliminate unnecessary inventory build-up and significantly reduce inventory carrying costs, contributing to improved operational efficiency and working capital optimization.

The printing operations have been successfully shifted under one roof to improve cost economics and reduce wastages.

“In spite of short summer this year we could achieve 13.57% volume growth in Food & FMCG packaging segment”.

PRESS RELEASE

Paint Segment: To cater to the rising demand across multiple customer segments, Mold-Tek Packaging has undertaken significant capacity enhancements in last 2 to 3 years at Cheyyar, Panipat, and other manufacturing units.

These expansions are strategically aligned with IML Robotic decoration to meet the growing requirements from Paints, Lubricants, Food & FMCG segments delivering timely, high-quality and better capacity utilisation.

With these enhanced capacities, Mold-Tek is now better positioned to serve existing clients more efficiently, add new product lines of clients, and continue its growth momentum across all business verticals.

Mold-Tek Packaging Limited – New Customer Wins in Q1 FY26

During the quarter ended June 30, 2025, Mold-Tek Packaging Limited continued to expand its customer base by securing orders from several esteemed and fast-growing companies across key sectors. These additions reflect the Company's strong market presence, product quality, and growing reputation as a trusted packaging partner.

Food Industry: Marico, Hocco Industries and many others

Lubricants Industry: Veedol Corporation, Variyant Lubricant

Pharma Industry: Inventia Healthcare Ltd, AMN Life Science Pvt Ltd, Laurus Labs Limited, Pulse Pharmaceuticals Pvt Ltd and several others.

The addition of these prestigious clients across diverse sectors is a strong testament to Mold-Tek's innovative packaging solutions, reliable service, and continued leadership in the rigid plastic packaging space.

Dividend: The Board of Directors ("the Board") of the Company has declared and paid an Interim Equity Dividend for the Financial Year 2024–25 at 40%, i.e., ₹2.00 per equity share of face value ₹5.00 each. Additionally, the Board has declared a Final Dividend of ₹2.00 per equity share, bringing the total dividend for the financial year to ₹4.00 per equity share
