# Corporate Presentation Updated for 3Q 2018 results

Oct 2018

## Disclaimer / Safe Harbor

*This presentation has been prepared solely as a concise update of Company's quarterly results. By reading the presentation slides, you agree to be bound by the following limitations: (a) CRISIL Ltd. ("CRISIL" or "Company") cannot give assurance to the correctness of forward looking statements. These forward-looking information and statements can generally be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements sometimes use terminology such as "targets", "believes", "expects", "aims", "assumes", "intends", "plans", "seeks", "will", "may", "anticipates", "would", "could", "continues", "estimate", "milestone" or other words of similar meaning and similar expressions or the negatives thereof; (b) By their nature, forward-looking information and statements involve known and unknown risks, uncertainties and other important factors that could cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements that may be expressed or implied by the forward-looking information and statements in this presentation. Should one or more of these risks or uncertainties materialize, or should any underlying assumptions prove to be incorrect, the Company's actual financial condition or results of operations could differ materially from that or those described herein as anticipated, believed, estimated or expected; c) Given the aforementioned uncertainties, prospective or present investors are cautioned not to place undue reliance on any of these forward-looking statements; d) No part of this presentation, nor the fact of its distribution, should form the basis of, or be relied on in connection with, any contract or commitment or investments decision whatsoever. Investor/prospective advisors must be sought on specific situation from well-informed legal, investment, tax, financial, and management professionals; e) This presentation and its contents are confidential and must not be distributed, published or reproduced. This presentation does not constitute a recommendation regarding the securities of the Company.`*

# Agenda

---

- **Executive summary**

- Operating and business environment

- Financial highlights

- Segment performance

- Thought leadership

---

# Executive summary

- CRISIL's consolidated income from operations rose 4% to ₹425 cr for the quarter ended September 30, 2018; PAT grew by 30% to ₹90 cr during the same period
  - Ratings revenue was driven by healthy growth in bank loan ratings, partially offset by a decline in corporate bond issuances following a rise in yields
  - Research continued to focus on building advanced analytics and solutions, contributing to client additions and renewals
  - Advisory segment growth was led by deepening of client engagements and winning new mandates in Pragmatix\*
- Sharp focus on operational excellence, cost controls and forex have helped improve margins
- CRISIL continued to provide thought leadership on topical matters and hosted events on topics such credit risk, anti-money laundering, machine learning and early warning system
- CRISIL also published the third volume of CriSidex, India's first sentiment index for MSMEs
- CRISIL Foundation, as a part of its financial inclusion effort launched Gram Shakti Certification, a certification course to develop expertise to sustain and drive financial inclusion among the community cadre of 'Sakhis'

\*Pragmatix: Pragmatix Services Pvt. Ltd.

  - Advisory
- Thought leadership

# Global: Continued demand for differentiated investment research in the global markets

## Bottoming out of CIB revenue pools

\$ Billion

## Higher growth in passive and alternative assets under management

\$ Trillion

Source: Coalition, Bloomberg, Industry sources, CRISIL GR&A Analysis

CIB: Corporate and Investment Banking IBD: Investment Banking Division

# Global: Regulatory landscape stabilizing, global recovery getting less synchronized

## Key regulations

**Enterprise Risk:** CCAR, DFAST, EBA/PRA Stress Testing

**Global Regulatory Prescription:** Basel III, IV

**Accounting regulations:** US GAAP, IFRS

- Global growth momentum continues although less synchronized with increased downside risks
- Focus on regulatory adherence continues, but most major regulations have matured

## Key regulation

**MiFID-II**  
(Markets in Financial Instruments Directive)

- Impacts buy-side and sell-side
- Analytics expected to play an increasingly larger role

*CCAR: Comprehensive Capital Analysis and Review  
DFAST: Dodd-Frank Act Stress Tests  
EBA: European Banking Authority*

*PRA: Prudential Regulation Authority  
IFRS: International Financial Reporting Standards*

# India: Key emerging trends and expectations

Strong demand for primary data, analytics and benchmarking solutions from clients

Need for research & data support across credit lifecycle from lenders

Growing demand from the BFSI sector including credit and fixed income research

Shift in household savings towards financial assets driving need for high quality investment research and portfolio tracking services

Strong need for customized credit training and certification solutions from financial institutions

# Research – 3Q 2018 highlights

## Enhance the core

- Maturing regulations in US resulted in moderate demand for regulatory and risk services; however, CRISIL Coalition delivered strong growth backed by renewals and improved price realisation
- Increased client additions in India Research during the quarter due to higher demand for analytics and research solutions

## New products and initiatives

- On boarded new clients to 'Quantix' and 'Cutting Edge' platforms
- Broaden our solutions and analytics suite for Global research business

## Thought leadership

- Coalition released three reports, including two index reports and one league table for the global financial markets
- Hosted a conference on 'Monitoring credit risk and research portfolios as the credit cycle changes' in New York

## Operating Revenue (₹ cr)

## Segment profit (₹ cr)

Note: Numbers rounded off
