Members may cast their votes remotely, using an electronic voting system on the dates mentioned herein below ("remote e-voting").

- i. The voting period begins on Friday, September 26, 2025 at 09:00 A.M. and ends on Monday, September 29, 2025 at 5.00 P.M., during this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Tuesday, September 23, 2025 may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the Member, he shall not be allowed to change it subsequently. The voting rights of Members (for voting through remote e-voting before the AGM and e-voting during the AGM) shall be in proportion to their shares held in the paid-up equity share capital of the Company as on cut-off date i.e. Tuesday, September 23, 2025.
- ii. Shareholders who have already voted prior to the meeting date, would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Listing

Regulations, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholder's/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

# 28. THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

The way to vote electronically on NSDL e-voting system consists of "Two Steps" which are mentioned below:

**Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

In terms of SEBI cIrcular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

Detailed information on operational and financial performance of the Company for the financial year is given in the Management Discussion and Analysis Report which is set out separately with the Directors' Report.

#### **BUSINESS OVERVIEW & KEY DEVELOPMENTS**

Your Company's FMCG business remains a highly attractive growth opportunity. As India advances towards a USD 10 trillion economy, demand for FMCG products is poised to grow across rural and urban markets.

We are actively expanding our reach through modern trade, online channels, and traditional sales networks, while simultaneously diversifying our FMCG product portfolio to capture emerging consumer trends.

Your Directors are pleased to inform that the Company

has renewed its contract with renowned Bollywood actor and celebrity, Ms. Raveena Tandon, as the brand ambassador for select FMCG products. Ms. Tandon enjoys a strong pan-India fan following over several decades and is widely recognized for her credibility and reputation. Her continued association as a brand ambassador is expected to further strengthen consumer connect, attract new customers, and enhance the acceptance and appeal of the Company's products across diverse market segments. With the foregoing efforts we expect a substantial jump in your company's revenue for FY'25-26.

With regard to the Mahad Agro Processing Project, your Company continues to be in active discussions with financial institutions to achieve a suitable breakthrough in its fund-raising initiatives so as to progress the project towards the execution stage. In this regard, the Company is appropriately leveraging the 'Mega Project' status conferred on the Mahad project by the Government of Maharashtra.

The Mahad Agro Processing Project is expected to be a significant consumer of cash crops, thereby creating meaningful benefits for the farming community across India. The project also aligns with Government policy initiatives encouraging farmers to cultivate crops that

#### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

positively impact the country's water table and contribute to a reduction in subsidy outflows.

The output from the Mahad project is envisaged to have increasing applications in the food and pharmaceutical sectors, while also offering promising opportunities for use in the electronics and construction industries in the future.

Parallelly, in light of the ongoing digital transformation, the Company's proposed Data Centre initiative at Dombivli continues to remain active. Fund-raising efforts are underway to advance this project, which has become increasingly attractive given the surge in demand for digital infrastructure.

Your Company's greenfield expansion projects encompass products and services with multifaceted applications, reinforcing the long-term potential of these initiatives.

Despite global headwinds and geopolitical uncertainties, India continues to be an oasis of growth and stability, standing as the fastest-growing major economy in the world. With its focused expansion strategies, your Company is well-positioned to capitalize on India's growth momentum in the coming years.

#### CONSOLIDATED ACCOUNTS

The Consolidated Financial Statements of the Company are prepared in accordance with Section 129 of the Companies Act, 2013 ("Act") read with relevant Accounting Standards issued by the Institute of Chartered Accountants of India and forms part of this Annual Report. Pursuant to Section 136 of the Act, the standalone and consolidated financial statements of the Company along with the relevant documents form part of this Annual Report and separate audited accounts in respect of the subsidiary are available on the website of the Company.

#### **DIVIDEND**

With a view to conserving the resources, your Directors have decided not to recommend Dividend for the year.

Your Company has approved a policy for Dividend distribution and the same is uploaded on the Company's website which can be accessed using the link https://www.poloqueen.com/pdf/dividend-distribution-policy.pdf.

### RESERVES

The Board opted not to propose any transfer to reserve at this time, choosing instead to allocate resources toward

opportunities that may foster growth and resilience in the future. The decision reflects a careful consideration of our current needs and a strategic approach.

#### **BUSINESS RISK MANAGEMENT**

The Company manages and monitors principal risks and uncertainties that can impact the ability of the Company to achieve its targets/objectives. Timely reports are placed before the board for considering various risks involved in the Company's business/operations. The Board evaluates these reports and necessary/corrective action is then taken.

A brief report on risk evaluation and management is provided under Management's Discussion and Analysis Report forming part of this Annual Report.

Your Company has approved a policy for Risk Management and the same is uploaded on the Company's website which can be accessed using the https://www.poloqueen.com/pdf/risk-management-policy.pdf.

# INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has a sound internal control system commensurate with its size and nature of business which provides a reasonable assurance in respect of financial and operational information, safeguarding its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records and timely preparation of reliable financial disclosures.

The Internal Auditors monitors and evaluate the efficiency and adequacy of internal financial control system in the Company, its compliance with operating systems, accounting procedures, application of the instructions and policies fixed by the senior management of the Company. The Audit Committee reviews the report on Internal Control submitted by the Internal Auditors on a quarterly basis.

Based on the assessment carried out by the Audit Committee, the internal financial controls were adequate and effective and no material weakness or significant deficiencies in the design or operation of internal financial controls were observed during the financial year ended March 31, 2025.

#### DIRECTORS

(Delisting of Equity Shares) Regulations, 2021; -Not applicable to the Company during the audit period

- h. The Securities and Exchange Board of India (Buyback of securities) Regulations, 2018-Not Applicable to company during the audit period
- VI. Other specific business/industry related laws are not applicable to the Company. Further the Company has complied with other applicable general business laws, rules, regulations and guidelines.

# I have also examined compliance with the applicable clauses of the following:

- Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii) The Listing Agreements entered into by the Company with the Stock Exchange(s) if applicable:

During the financial year under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

# Further, we would like to bring into light the following details:

1. On January 27, 2025, the BSE Limited addressed a communication to the Company, seeking clarification in relation to certain videos circulating on social media platforms, including YouTube. The unverified claims made in the said videos.

In response, the Company unequivocally refuted all the unverified claims, stating that the information being circulated is entirely baseless, factually incorrect, and appears to be a deliberate attempt to mislead stakeholders.

Further, in line with its commitment to transparency and regulatory compliance, the Company published a formal clarification on the BSE Limited website on January 29, 2025, under Regulation 30(11) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, categorizing the matter as a market rumour and providing appropriate verification.

2. On March 23, 2025, the Company published an official intimation on the BSE Limited website in accordance with Regulation 30 of the SEBI (Listing

Obligations and Disclosure Requirements) Regulations, 2015. The disclosure pertained to a search operation conducted under Section 11C (8) of the Securities and Exchange Board of India Act, 1992, read with Section 96 of the Bhartiya Nagarik Suraksha Sanhita, 2023, at the premises of the promoter(s) to investigate a matter related to stock price manipulation by certain entities using social media.

3. During the period under review, no prosecutions were initiated against the Company, nor were any show cause notices received in connection with alleged offences under the applicable laws. Furthermore, no fines penalties, or other punitive actions were imposed on the Company, except as stated below:

The Metropolitan Stock Exchange of India Limited imposed a penalty of ?5,000 on the Company for delay in submission of the Statement of Investor Grievances, constituting non-compliance with Regulation 13(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for the quarter ended March 2025.

The Company had duly informed both the matters to the Stock Exchanges in a timely manner. However, SEBI has noted that the information provided concerning market rumours was inadequate and has directed the Company to furnish comprehensive details in accordance with Regulation 30(11) of the SEBI LODR Regulations.

#### I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent director. The changes in the composition of the Board of Directors that took place during the financial year under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board Meeting were taken unanimously.

**I further report that** there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure

41<sup>st</sup> ANNUAL REPORT

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

## POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

#### **Global Overview**

During FY 2024-25, the global economy recorded moderate but uneven growth, shaped by inflationary pressures, geopolitical uncertainties, and divergent monetary policy stances across regions. Advanced economies showed signs of cautious recovery supported by resilient consumer demand, while emerging markets, particularly in Asia and Africa, continued to lead global growth on the back of strong domestic consumption and investment flows. Accelerated adoption of digital technologies, artificial intelligence, and sustainability-led business practices became integral to corporate strategies, with supply chain diversification, ESG compliance, and climate-related risks influencing long-term decision-making.

## **Indian Economy**

The Indian economy remained one of the fastest-growing major economies globally, driven by strong domestic consumption, robust infrastructure spending, and steady inflows of foreign investment. Government reforms, a focus on manufacturing under the "Make in India" initiative, and rapid digitisation continued to strengthen economic fundamentals. Resilient rural demand, expanding middle-class consumption, and demographic advantages further supported the country's growth momentum, making India an attractive destination for global investors.

## **Indian FMCG Sector**

The FMCG sector in India sustained healthy growth during FY 2024-25, supported by recovery in rural demand, premiumisation of product categories, and rising urban consumption. The sector benefitted from structural tailwinds including favourable demographics, rising disposable incomes, and increasing penetration of organised retail and e-commerce channels. Growing consumer preference for health, wellness, and sustainable products mirrors global trends, while companies continue to leverage wide distribution networks, innovation, and digital-first strategies to expand their reach. Overall, the FMCG industry in India remains poised for steady growth, supported by evolving consumer behaviour, technological adoption, and a strong macroeconomic backdrop.

#### **Outlook**

Looking ahead, the global economic environment is expected to remain cautiously optimistic, with moderating inflation, gradual recovery in global trade, and increased investments in technology and sustainability initiatives. However, risks arising from geopolitical tensions, commodity price volatility, and climate-related disruptions may continue to influence market dynamics. The Indian economy is well-

positioned to sustain its growth trajectory, supported by resilient domestic demand, government- led infrastructure development, and a strong push towards digitisation and manufacturing. Within this framework, the FMCG sector is poised to benefit from favourable demographics, rising disposable incomes, expanding e-commerce penetration. Companies that focus on innovation, premiumisation, operational efficiency, and sustainability are expected to gain a competitive edge. Your Company remains committed to leveraging these opportunities, strengthening its market position, and creating long-term value for all stakeholders through a balanced strategy of growth, efficiency, and resilience.

## **Company Overview**

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

#### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

#### Financial Performance Overview (FY 2024-25):

During FY 2024-25, The Company delivered strong topline expansion, with consolidated revenue reaching Rs.81.58 crore-a robust growth of 15.5% year-on-year, and outperforming its three-year CAGR of 12.8%. Despite rising cost pressures (expenses growing by ~16.4%), the Company maintained profitability, reporting a consolidated net profit in the range of Rs.2.6 crore to Rs.2.36 crore (Smart-Investing), reflecting a healthy PAT margin of approximately 4-4.2%. Employee and interest costs remained largely under control, accounting for ~5.7% and ~2% of revenues respectively

## **Our Opportunities and Threats**

Risk management is a core component of our strategy and crucial to achieving our long-term objectives. Our organizational success hinges on our ability to identify and capitalize on opportunities within our markets. We integrate risk management into our operations by making risk and opportunity assessment a central part of the Board's agenda.

Our approach to risk management includes:

- **Urgency of Action:** Addressing critical issues like plastic pollution and climate change proactively, without being hindered by the uncertainties of their potential impacts.
- Adherence to Principles: Ensuring that our actions align with our Code of Business

Principles and Code Policies.

 Operational Efficiency: Continuously striving to enhance our operational efficiency and effectiveness.

We aim to provide reasonable assurance that our assets are protected, risks are assessed and mitigated, and necessary disclosures are reported to senior management, the Board, and relevant committees, including the Chief Financial Officer, Audit Committee, and Risk Management Committee.

Our risk management framework includes detailed internal controls and assigns responsibility for managing both overall risks and specific controls. We evaluate risks from multiple perspectives-short-term and long-term, internal and external, including financial, operational, sectoral, sustainability (particularly Environmental, Social, and Governance), information, cybersecurity, legal, and compliance risks. The Risk Management Committee and the Board review emerging risks and changing risk landscapes regularly, with formal reviews occurring at least twice a year.

The Board, guided by the Risk Management Committee, consistently reviews significant risks and decisions that could materially impact the Company. These reviews evaluate the Company's risk tolerance in alignment with its business strategy and assess the effectiveness of management controls in mitigating risk exposure.

| Consumer<br>Preference | Our success hinges on the value and relevance of our brands and products to consumers, as well as our ability to innovate and stay competitive. Rapid changes in consumer tastes, preferences, and behaviors, coupled with increased competition from new market entrants, further intensify these dynamics. Consumers are increasingly drawn to brands that fulfill both their functional needs and demonstrate a clear social or environmental purpose.  A lack of product diversification in key market segments could result in a loss of market share and a long-term competitive disadvantage. Therefore, it is crucial for us to continuously develop innovative products that address consumer needs and to effectively communicate through the right messaging content and channels. This approach is essential to maintaining the strength and relevance of our brands. | Company has appointed celebrity Ms. Ravina Tondon as a brand ambassador. Her endorsement is expected to enhance brand visibility and appeal, leveraging her widespread recognition and influence. This strategic move aims to strengthen brand affinity, attract a broader audience, and solidify consumer trust. #### **Terms of Reference**

The Nomination and Remuneration Committee acts in accordance with the prescribed provisions of Section 178 of the Act and Regulation 19 of the Listing Regulations. The terms of reference of the Nomination and Remuneration Committee as approved by the Board of Directors are briefly set out below:

- a) To identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and provide recommendations to the Board for their appointment and removal;
- b) To formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel and other employees;
- c) To formulate criteria for evaluation of Independent Directors and the Board and to carry out evaluation of every director's performance; and
- d) To devise a policy on Board diversity.
- e) For every appointment of an independent director, the Nomination and Remuneration Committee shall evaluate the balance of skills, knowledge and experience on the Board and on the basis of such evaluation, prepare a description of the role and capabilities required of an independent director. The person recommended to the Board for appointment as an independent director shall have the capabilities identified in such description. For the purpose of identifying suitable candidates, the Committee may:
  - i. use the services of an external agencies, if required;
  - ii. consider candidates from a wide range of backgrounds, having due regard to diversity; and
  - iii. consider the time commitments of the candidates.
- f) Whether to extend or continue the term of appointment of the Independent Director, on the basis of the report of performance evaluation of independent directors;
- g) To recommend to the Board, all remuneration, in whatever form, payable to senior management.

The amount of remuneration payable to the Non-Executive Director (Non-Independent) is determined broadly on the following basis:

- Fixed Lumpsum for contribution as Member of the Board;
- Number of meetings of the Board and Audit Committee attended;
- · Role and responsibility.

## **Executive Directors:**

The remuneration package for the Executive Directors is recommended by the NRC and approved by the Board, within the ceiling fixed by the Members. Annual increments, usually effective April 01 each year, as recommended by the Committee were placed before the Board for approval. The Committee recommends the remuneration package taking into consideration the remuneration practices of companies of similar size and stature and the industry standards. The Executive Directors' compensation is based on an appraisal system wherein their individual goals are linked to that of the organization. The present remuneration structure of Executive Directors comprises salary, perquisites, allowances, variable pay, special pay, contributions to provident fund and gratuity.

## Key Managerial Personnel and other Employees of the Company

Remuneration of employees largely consists of basic salary, perquisites, allowances and performance incentives. The components of the total remuneration vary for different grades and are governed by industry patterns, qualifications and experience of the employees, responsibilities handled by them, their annual performance, etc.

The Independent Directors are paid only sitting fees for attending Board/Committee Meetings. The details of sitting fees paid to the Directors during the year under review are as under:

# Polo Queen Industrial and Fintech Limited

# Report on the audit of Standalone Ind AS Financial Statements

#### **Opinion**

We have audited the accompanying Ind AS financial statements of Polo Queen Industrial & Fintech Limited ("the Company"), which comprise the balance sheet as at 31 March 2025, and the statement of Profit and Loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further ("the Act") described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

We have determined that there are no key audit matters

to communicate in our report.

#### Other information

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# Responsibilities of Management and those charged with governance for the standalone Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using

#### 41<sup>st</sup> ANNUAL REPORT

### INDEPENDENT AUDITOR'S REPORT

#### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

# Auditors' Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs. We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the

Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern

 Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on other Legal and Regulatory Requirements:

- 1. As required by the Companies (Auditor's Report) Order, 2020, ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanation given to us, we give in "Annexure 1", a statement on the matters specified in paragraphs 3 & 4 of the Order, to the extent applicable.
- 2. As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
  - c) The Balance Sheet, the Statement of Profit and

Loss including other comprehensive income, the Cash Flow Statement and the statement of changes in equity dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid Ind AS Financial Statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules issued thereunder.
- e) On the basis of the written representations received from the directors as on 31st March, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, we give our separate Report in "Annexure 2".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would materially impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding,

whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (a) and (b) contain any material misstatement.
- v. During the year the company has not declared or paid any dividend during the year.
- vi. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from April 1, 2023. Based on our examination which included test checks and as informed by the management of the company, the Company has used accounting software for maintaining its books of account, which has a feature of recording audit trail (edit log) facility and the same has been operative throughout the year for all relevant transactions recorded in the respective software. Further, the audit trail feature has not been tampered with and the audit trail has been preserved by the Company as per statutory requirements.

41st ANNUAL REPORT

#### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

#### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Polo Queen Industrial & Fintech Limited ("the Company") as of 31st March, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

# **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act,

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements

and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls** over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Note No.1: MATERIAL ACCOUNTING POLICIES

#### (i) Basis of Preparation of financial statements:

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. The Company segregates assets and liabilities into current and non-current categories for presentation in the balance sheet after considering its normal operating cycle and other criteria set out in Ind AS 1, "Presentation of Financial Statements". For this purpose, current assets and liabilities include the current portion of non-current assets and liabilities respectively. Deferred tax assets and liabilities are always classified as non-current. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified period up to twelve months as its operating cycle.

The standalone financial statements are presented in Rupees in thousands and all values are rounded to the nearest two decimals, except when otherwise indicated.

#### (ii) Basis of Measurement

These financial statements are prepared under the historical cost convention unless otherwise indicated

#### (iii) Key estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are as follows:

- Determination of the estimated useful lives of tangible assets and the assessment as to which component of the cost may be capitalized Note 1(v).
- Impairment of Property, Plant and Equipment's -
- Recognition and measurement of defined benefit obligations – Note 1(xv)
- Recognition of deferred tax assets Note 1(xvii)
- Fair value of financial instruments Note 1(iv)
- Provisions and Contingent Liabilities Note 40

#### (iv) Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for financial instruments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

## NOTES TO FINANCIAL STATEMENTS

For the Year Ended March 31, 2025

#### 41st ANNUAL REPORT

#### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is Unobservable

#### (v) Property plant and equipment (PPE).

Property, Plant and Equipment are initially recognized at cost except the assets of the transferor company acquired in the amalgamation which was recognized at book value by the company. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is provided on a pro-rata basis on Written Down value method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013 with the exception of the following:

Assets costing Rs. 5,000 or less are fully depreciated in the year of purchase.

Estimated useful lives by major class of assets are as follows:

Plant and Equipment – 5 years Motor Vehicles – 8 years Computers – 3 years Office Equipment – 5 years Furniture & Fixtures – 10 years Freehold land is not depreciated

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognized in profit or loss. Fully depreciated assets still in use are retained in financial statements.

## NOTES TO FINANCIAL STATEMENTS

For the Year Ended March 31, 2025

#### 41st ANNUAL REPORT

#### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

The company had acquired land and building on lease basis, on which company paid the nominal amount of lease rent and the title asset belongs to the company so as a result Ind AS 116 'Leases' is not applied.

#### (vi) Intangible Assets-

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. The useful lives of intangible assets are assessed as either finite or indefinite. Finite-life intangible assets are amortised on a straight-line basis over the period of their estimated useful lives. Estimated useful lives by major class of finite-life intangible assets are as follows:

Computer Software – 5 years

Trademarks – 10 years

#### (vii) Non – derivative Financial instruments

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

#### (viii) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage

## (ix) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in Other Comprehensive Income

## (x) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in profit or loss.

#### Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

#### **Equity instruments**

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognized by the Company are measured at the proceeds received net off direct issue cost.

#### Off setting of financial instruments

Financial assets and financial liabilities are off set and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

#### (xi) Investments in Subsidiaries

A subsidiary is an entity that is controlled by the Company.

The Company accounts for each category of

For the Year Ended March 31, 2025

#### 41st ANNUAL REPORT

#### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

investments in subsidiaries at cost in accordance with Ind AS 27- Separate Financial Statements.

#### (xii) Impairments of Non-financial assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

When there is indication that an impairment loss recognized for an asset in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

#### (xiii) Inventories:

Inventories are valued at lower of cost (on weighted average basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

#### (xiv) Revenue recognition

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflect the consideration which the company expects to receive in exchange for those products or services.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discount, price concessions and incentives, if any as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Revenue from subsidiaries is recognized based on transaction price which is at arm's length.

Dividend income is recognized when the right to receive the same is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of dividend can be measured reliably.

Interest income from financial assets is recognized when it is probable that economic benefits will flow to the Company and the amount of income can be measured reliably.

#### (xv) Employee benefits

#### **Short-Term Employee Benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, performance incentives, etc., are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service.

#### **Defined benefit plans**

The Company also provides for retirement benefits in the form of gratuity, compensated absences and medical benefits including to the employees of subsidiary and group companies.

#### **Post Employment Benefits**

Payments made to a defined contribution plan such as Provident Fund and Family Pension maintained with Regional Provident Fund Office are charged as an expense in the Statement of Profit and Loss as they fall due.

#### **Terminal Benefits**

All terminal benefits are recognized as an expense in the period in which they are incurred.

#### (xvi) Borrowing costs

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs that are

#### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

directly attributable to the acquisition of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of that asset till the date it is put to use. Other borrowing costs are recognized as an expense in the period in which they are incurred.

#### (xvii) Taxes on Income

Income tax expense comprises current and deferred tax and is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in OCI.

#### **Current tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date

#### **Deferred Tax**

Deferred income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognized only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been

enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

## (xviii) Accounting for provisions, contingent liabilities and contingent assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

#### (xix) Earnings per share

Basic Earnings per share is calculated by dividing the net profit / (loss) for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. The Company did not have any potentially dilutive securities in any of the year presented. Following are the changes in the carrying value of property, plant and equipment for the year ended March 31, 2025:

## NOTES TO FINANCIAL STATEMENTS

For the Year Ended March 31, 2025

#### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

#### Note 35: Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent (after adjusting profit impact of dilutive potential equity shares, if any) by the aggregate of weighted average number of Equity shares outstanding during the year and the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

# CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

#### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

#### To The Members Of

#### Polo Queen Industrial And Fintech Limited

## Report on the audit of Consolidated Ind AS Financial Statements

#### **Opinion**

We have audited the accompanying consolidated Ind AS financial statements of POLO QUEEN INDUSTRIAL AND FINTECH LIMITED ("the Holding Company"), and its subsidiaries listed in Annexure I which comprise the consolidated balance sheet as at 31 March 2025, and the consolidated statement of Profit and Loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and consolidated profit, total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

We have determined that there are no key audit matters to communicate in our report.

#### **Other Information**

The Holding Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Holding Company's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and those charged with governance for the consolidated Ind AS financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility

#### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditors' Responsibility for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs. We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

 Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

# CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

#### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

• Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

"Annexure A" to the Independent Auditors' Report

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of POLO QUEEN INDUSTRIAL AND FINTECH LIMITED ("the Company") as of 31 March, 2025 in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

## **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies

and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error

or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI. Our opinion is not modified in respect of this matter.

#### **Note no.1: SIGNIFICANT ACCOUNTING POLICIES**

#### (i) Basis of Preparation of financial statements:

These Consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. The Company segregates assets and liabilities into current and non-current categories for presentation in the balance sheet after considering its normal operating cycle and other criteria set out in Ind AS 1, "Presentation of Financial Statements". For this purpose, current assets and liabilities include the current portion of noncurrent assets and liabilities respectively. Deferred tax assets and liabilities are always classified as noncurrent. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified period up to twelve months as its operating

The standalone financial statements are presented in Rupees in thousands and all values are rounded to the nearest two decimals, except when otherwise indicated.

#### (ii) Basis of consolidation

The company consolidates all entities which are controlled by it.

The company establishes control when it has power over the entity or has rights, to variable returns from its involvement with the entity and has the ability to affect the entity's return by using its power over relevant activities of the entity

Entities controlled by the company are consolidated from the date control commences until the date control ceases

All inter-company transactions, balances, income and expenses are eliminated in full on consolidation.

#### (iii) Basis of Measurement

These Consolidated financial statements are prepared under the historical cost convention unless otherwise indicated.

#### (iv) Key estimates and assumptions

The preparation of consolidated financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are as follows:

- Determination of the estimated useful lives of tangible assets and the assessment as to which component of the cost may be capitalized – Note 1(V).
- Impairment of Property, Plant and Equipment's— Note 2
- Recognition and measurement of defined benefit obligations – Note 1(xiii)
- Recognition of deferred tax assets Note 1(xv)
- Fair value of financial instruments Note 1(v)
- Provisions and Contingent Liabilities Note 43

#### (v) Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for financial instruments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is Unobservable

#### (vi) Property plant and equipment (PPE).

PPE are initially recognized at cost except the assets of the transferor company acquired in the amalgamation which was recognized at book value by the company. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is provided on a pro-rata basis on Written Down value method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013 with the exception of the following:

- Assets costing Rs. 5,000 or less are fully depreciated in the year of purchase.

Estimated useful lives by major class of assets are as follows:

Plant and Equipment – 5 years Motor Vehicles – 8 years Computers – 3 years Office Equipment – 5 years Furniture & Fixtures – 10 years Freehold land is not depreciated

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

# 41st ANNUAL REPORT

### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

### (ix) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

# Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in Other Comprehensive Income.

# Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in profit or loss.

#### **Financial liabilities**

Financial liabilities are measured at amortised cost using the effective interest method.

#### **Equity instruments**

An equity instrument is a contract that evidences residual interest in the assets of the Company after

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognized in profit or loss. Fully depreciated assets still in use are retained in financial statements.

The company had acquired land and building on lease basis, on which company paid the nominal amount of lease rent and the title asset belongs to the company so as a result Ind AS 116 'Leases' is not applied.

#### (vii) Intangible Assets-

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. The useful lives of intangible assets are assessed as either finite or indefinite. Finite-life intangible assets are amortised on a straight-line basis over the period of their estimated useful lives. Estimated useful lives by major class of finite-life intangible assets are as follows:

Computer Software - 5 years

Trademarks – 10 years

### (viii) Non – derivative Financial instruments

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value.

For the Year Ended March 31, 2025

## 41st ANNUAL REPORT

### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

deducting all of its liabilities. Equity instruments recognized by the Company are measured at the proceeds received net off direct issue cost.

### Offsetting of financial instruments

Financial assets and financial liabilities are off set and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

# (x) Impairments of Non-financial assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset

When there is indication that an impairment loss recognized for an asset in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

### (xi) Inventories:

Inventories are valued at lower of cost (on weighted average basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

### (xii) Revenue recognition

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflect the consideration which the company expects to receive in exchange for those products or services

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discount, price concessions and incentives, if any as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Dividend income is recognized when the right to receive the same is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of dividend can be measured reliably.

Interest income from financial assets is recognized when it is probable that economic benefits will flow to the Company and the amount of income can be measured reliably.

#### (xiii) Employee benefits

### **Short-Term Employee Benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, performance incentives, etc., are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service.

### **Defined benefit plans**

The Company also provides for retirement benefits in the form of gratuity, compensated absences and medical benefits including to the employees of group companies.

### **Post Employment Benefits**

Payments made to a defined contribution plan such as Provident Fund and Family Pension maintained with Regional Provident Fund Office are charged as an expense in the Statement of Profit and Loss as they fall due.

#### **Terminal Benefits**

All terminal benefits are recognized as an expense in the period in which they are incurred.

### (xiv) Borrowing costs

Borrowing costs are interest and other costs that

## 41st ANNUAL REPORT

### POLO QUEEN INDUSTRIAL AND FINTECH LIMITED

the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs that are directly attributable to the acquisition of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of that asset till the date it is put to use. Other borrowing costs are recognized as an expense in the period in which they are incurred.

### (xv) Taxes on Income

Income tax expense comprises current and deferred tax and is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in OCI.

#### **Current tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

## **Deferred Tax**

Deferred income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognized only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable proft will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realized or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

# (xvi) Accounting for provisions, contingent liabilities and contingent assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

### (xvii) Earnings per share

Basic Earnings per share is calculated by dividing the net profit / (loss) for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. The Company did not have any potentially dilutive securities in any of the year presented. Following are the changes in the carrying value of property, plant and equipment for the year ended March 31, 2025:

#### Note 35: Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent (after adjusting profit impact of dilutive potential equity shares, if any) by the aggregate of weighted average number of Equity shares outstanding during the year and the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes, if require an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

#### iii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents
