CHAIRPERSON'S MESSAGE

Dear Shareholders,

It is my privilege to share with you the 12th Annual Report of your Company for FY 2019-20 and share the key highlights and the financials and the roadmap going forward. As a Company, we have always strived to better our performance by continually quality production and strengthening capabilities and expanding our products with making it unique one. Since the inception, our vision is always based on hard work, open communication and a strong focus on team work and a high level of responsibility and accountability. We believe that Sustainable development is the key to success and we have aligned ourselves to this mission. Your Company Texmo Pipes and Products Limited is one of the most trusted Company, engaged in defining and offering higher levels of customer satisfaction and faster adoption of latest available technology.

In the FY 2019-20, we have made significant progress and your Company has performed well in terms of revenue and profitability and achieved to our targets. Your Company is continuously increasing our operations year by year and is being committed towards the same growth in order to achieve a milestone. Your Company is focused on to increase the value of stakeholders and to maintain a wide market as a leader. We are always focused on growth and innovations so as to maintain a diversified and strong portfolio and maintain our strength in the market.

As all are very well aware that, the wide spread and outbreak of COVID-19 pandemic in the fourth quarter of FY 2020 forced the entire world into a lockdown and has inflicted a global economic recession. Societies, business and economies have all suffered as to prevent and stop the chain of spread of the virus. The crisis has dimmed the growth outlook for the global economy for the coming year, including for India. Accordingly, a series of stimulus packages have been enforced by major economies and financial institutions to limit the economic fallout from the global pandemic.

We have also made significant progress with the implementation of our strategic priorities and expanded our mid- to long-term financial ambitions for our company. Your Company is working hard enough to accelerate our growth and bring innovation and development in our portfolio and reach a wider scenario.

As a token of appreciation, I would like to extend my gratitude and sincere thanks to our management team, staff, bankers and business associates for their commitment and contribution towards your Company Texmo Pipes and Products Limited. Further, I would like to show my appreciation for my fellow Directors for providing guidance amidst the tough operating environment. Last but not least, I would like to extend my sincerest gratitude to our employees, customers, partners, business associates and all our esteemed stakeholders for their undying faith and support. Each one has been a part of our exciting and enriching journey. We continue to seek value creation for our stakeholders and persevere in building a sustainable business. Always hoping for a brighter and stronger future together for coming years.

With Best Wishes,

Rashmi Devi Agrawal
Chairperson & Whole Time Director

22. Internal Financial Controls

The Company believes that internal control is necessary principle of prudent business governance that freedom of management should be exercised within a framework of appropriate checks and balances. The Company remains committed to ensuring an effective internal control environment that inter alia provides assurance on orderly and efficient conduct of operations, security of assets, prevention and detection of frauds/errors, accuracy and completeness of accounting records and the timely preparation of reliable financial information.

The Company's independent and Internal Audit processes, both at the Business and Corporate levels, provide assurance on the adequacy and effectiveness of internal controls, compliance with operating systems, internal policies and regulatory requirements.

The Financial Statements of the Company are prepared on the basis of the Significant Accounting Policies that are carefully selected by management and approved by the Board. These, in turn are supported by a set of divisional Delegation Manual & Standard Operating Procedures (SOPs) that have been established for individual units/ areas of operations.

The Company uses SAP Systems as a business enabler and also to maintain its Books of Account. The SOPs in tandem with transactional controls built into the SAP Systems ensure appropriate segregation of duties, tiered approval mechanisms and maintenance of supporting records. The systems, SOPs and controls are reviewed by Senior management and audited by Internal Auditor whose findings and recommendations are reviewed by the Audit Committee of Board of Directors and tracked through to implementation.

The Company has in place adequate internal financial controls with reference to the Financial Statements. Such controls have been tested during the year and no reportable material weakness in the design or operation was observed. Nonetheless the Company recognizes that any internal financial control framework, no matter how well designed, has inherent limitations and accordingly, regular audit and review processes ensure that such systems are reinforced on an ongoing basis.

Members are expected to possess the required qualifications, integrity, expertise and experience for the position. They should also possess the deep expertise and insights in sectors / areas relevant to the Company and ability to contribute to the Company's growth.

31. Risk Management Policy

The Company, like any other enterprise, is exposed to business risk which can be an internal risks as well as external risks. One of the key risks faced by the Company in today's scenario is the wide and frequent fluctuations in the prices of its raw material. Any further increase in prices of raw materials could create a strain on the operating margins of the Company. Inflationary tendencies in the economy and deterioration of macroeconomic indicators can impact the spending power of the consumer because of which down trading from branded products to non-branded can occur which can affect the operating performance of the Company.

Any unexpected changes in regulatory framework pertaining to fiscal benefits and other related issue can affect our operations and profitability.

However the Company is well aware of the above risks and as part of business strategy has put in mechanism to ensure that they are mitigated with timely action. The Company has a robust Business Risk Management (BRM) framework to identify, evaluate business risks and opportunities. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhance the Company's competitive advantage.

In the opinion of the Board of Directors, none of the aforementioned risks affect and/or threaten the existence of the Company.

32. Transfer to Investor Education and Protection Fund

During the year under review the Company has no liability to transfer to Investor Education and Protection Fund.

THE CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO, IN THE MANNER AS PRESCRIBED IN RULE 8(3) OF THE COMPANIES (ACCOUNTS) RULES, 2014[CHAPTER IX]

A. CONSERVATION OF ENERGY

i) a) *Steps taken for conservation of energy*

- Replace the 65/18 machine screw barrels with 65/22 screw barrels so that the output of the machines increases at the same setup & almost same power consumptions.
- Covered the heating zones of offline socket machine heaters chamber with insulated material
- Transparent sheets have been put on which amounts to power saving during day shift.
- Replace few machines Vaccum tank with the new SS tanks & fix 2 vaccum pump of 3 & 2 HP in place of one 7 HP
- Usage of SSR (Solid State Relay) in place of contactor.
- Replacement of Induction Motor to Servo Motor.
- Make the jacket of Barrel at CPVC Pipe extruder so it results that we stop the energy loss through the heaters.
- Make the mixers for HDPE & Master Batch mixings its results we save the manpower & homogenous mixing of the machine so reduces the load variations

b) *Impact of Conservation of Energy*

- Maintain the internal heating of heater chamber & the less work to heater so less power consume.
- Less chance of heater shot, Life of the panel increases, now the sudden ampere shoot become less so less power consume.
- Optimum utilization of production capacity by energy saving and consequently reduction in the cost of production.

Steps taken by the Company fertilization of alternate source of energy:-

The Company has launch renewable energy by way of installing solar plant in its factory premises to generate solar power. By installation of solar power plant the Company has reduced its dependency on traditional source of energy because solar power provides energy independence, energy security and energy reliability. This will also helps in diminution of expulsion of CO2 and other green house gas emissions and has been proved to be an eco friendly.

iii) ***Capital investment on energy conservation equipment:*** - Rs. 5 lakhs approx.

TECHNOLOGY ABSORPTION:

(i) *The efforts made towards technology absorption:*

- Laser printing on LLDPE Pipes.
- Install Pad Printing machines for the PVC Column Coupler & fabricated coupler marking, replacing the same with manual basis, so it decreases operation cost
- Usage of chiller water for cooling the pipe in HDPE Extruder its help us to achieve us the max capacity of the plant with less quality defects.
- Replace few machines Vaccum tank with the new SS tanks & fix 2 vaccum pump of 3 & 2 HP in place of one 7 HP.

- Works on the drip machine at their insertion & perforation part & it results the output of the machine at the same power consumptions.
- Make the mixers for HDPE & Master Batch mixings its results in saving the manpower & homogenous mixing of the machine to reduces the load variations
- Replacement of hand sealing machine by automatic conveying sealing machine.
- EOT Crain has been installed in PVC Pipe Plant for unloading of raw material jumbo bags.
- Replacement of single head by double head fusing machine so that two operations of jointing on sprinkler pipes could be done simultaneously.

(ii) ***The benefits derived like product improvement, cost reduction, product development or imports substitutions:***

By introducing the above mechanism the process has become simplified which resulting in improvement in the quality of products and cost efficient also.

(iii) ***In case of imported technology (imported during the last three years reckoned from the beginning of the financial year) – All technologies used are indigenous.***

(iv) ***The expenditure incurred on Research and Development:*** Approx. Rs. 10 lakhs

C).FOREIGN EXCHANGE EARNINGS AND OUT GO:-

 - i. Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
- vi. As per information provided by the management, there is no law applicable specifically to the Company vis-à-vis the industry to which the Company belongs.

I have also examined compliance with the applicable clauses/Regulations of the following:

- a) Secretarial Standards with regard to Meeting of Board of Director (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India.
 - b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- vii. During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observation:

- a) Pursuant to section 149, 152, 177 & 178 of Companies Act, 2013 and Regulation 25 (2) & 36 (3) of SEBI LODR, the tenure for one term (5years) of Mr. Sunil Kumar Maheshwari expire/ends in Annual General Meeting dated 24.09.2019, where he has to be re-appointed for second term. But no effect has been given neither in Annual General Meeting nor was any disclosure of such appointment made in the Board's report. Also reconstitution of various committees was not made appropriately in compliance with various applicable provisions of Companies Act, 2013 after retirement of Mr. Sunil Kumar Maheshwari w.e.f 24.09.2019.

However, he was re-appointed in Extra-Ordinary General Meeting dated 19.12.2019 w.e.f 12.11.2019. As and when the consent has been received from Mr. Sunil Kumar Maheshwari, the company has taken necessary action and re-appointed him in Extra-Ordinary General Meeting.

- b) As per Regulation 17 (1) (a) & (b) & Regulation 25 (6) of SEBI LODR, the company should have at least 3 Independent Directors, but no Independent Director has been appointed since resignation of existing Independent Director w.e.f. 14.02.2020.
However, after the closure of financial year, the company has appointed New Independent director in immediate next Board Meeting held on 24.07.2020.
- c) As per Regulation 27 of SEBI LODR, incorrect information was wrongly provided by company regarding Mr. Sunil Kumar Maheshwari in report for Quarter ended September 2019.
- d) As per Regulation 34 (1) of SEBI LODR, the company has made delay in submission of Annual Report for the Financial Year 2018-19 to both the stock exchanges. Mail received from BSE dated 15.10.2019 for levying penalty for delay submission of Annual Report. (Delay of 15 Days). Notice received from NSE dated 15.10.2019 for non-compliance of Reg. 34 & levying penalty for delay submission of Annual Report. (Delay of 16 Days).
The company has given reply letter dated 12.11.2019 to both stock exchanges and done payment of amount of penalty charged. However, Penalty Charged was withdrawn by both Stock Exchange(s) vide NSE email dated 02.01.2020 and BSE Email dated 07.01.2020.
- e) The company has not created charge with Registrar of companies, Gwalior Ministry of Corporate Affairs/MCA Portal for Vehicle loan of Rs. 10,00,000/- & Rs. 4,24,551/- respectively taken from HDFC Bank Limited.

Due to COVID-19 pandemic, Securities and Exchange Board of India has given relaxation by extending time-limit for filing of compliance under various regulations for quarter/half year ended on 31.03.2020.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors except observations as mentioned above from point viii a to d. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

‘ANNEXURE-F’**REPORT ON CORPORATE GOVERNANCE****1. COMPANY’S PHILOSOPHY ON CODE OF GOVERNANCE**

Corporate Governance in simple words means the way a corporation is governed. Corporate governance refers to mechanisms, processes and relations by which corporations are controlled and directed. Corporate Governance is a systematic process driven by the ethical conduct of the business and affairs of an organization aimed at promoting sustainable business and enhancing shareholders value in long term. The essence of Corporate Governance lies in promoting and maintaining integrity, transparency and accountability across all business practices. Corporate governance essentially involves balancing the interests of a Company’s stakeholders, such as shareholders, management, customers, suppliers, financiers, government and the community. We believe that Corporate Governance is a continuous journey for sustainable value creation for all the stakeholders driven by our values of Integrity, Commitment, Passion, Seamlessness and Speed.

Your Company has complied with the requirements of Corporate Governance as laid down under Regulation 27 and other applicable Regulations of SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015.

2. COMPOSITION OF BOARD

At Texmo Pipes and Products Limited (TPPL), it is our belief that an enlightened Board deliberately creates a culture of leadership to provide a long-term vision and policy approach to improve the quality of governance. As on March 31, 2020, the Board consists of 3 Executive Directors and 2 Non-Executive Independent Directors. The Company has an Executive Chairperson. Mr. Sunil Kumar Maheshwari (DIN 03304103) Independent Director of the Company’s first tenure has been completed on 24.09.2019. However, Mr. Sunil Kumar Maheshwari was re-appointed as Independent Director in EGM held on 19.12.2019 w.e.f. 12.11.2019 and later he resigns from the Board citing personal reasons due to pre-occupation and personal commitment elsewhere due to paucity of time with effect from 14th February, 2020. Accordingly, the Company is having 2 Independent Directors as on March 31, 2020. As per Regulation 17 of the SEBI (LODR) Regulations, 2015, the Company must have one-half of the total strength of Board of Directors of the Company as Independent Directors. However, after the financial year and as required, the Company has appointed Dr. Smita Hajari as Independent Director w.e.f. 24.07.2020 which meets the requirement relating to the composition of the Board. In compliance of provisions of Section 149 of Companies Act, 2013 read with Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 17 of SEBI (LODR) Regulation, 2015, the Company is having one Woman Director in form of Executive Chairperson as on March 31, 2020.

No Director of the Company is related to any other Director of the Company, except that Mr. Sanjay Kumar Agrawal and Mrs. Rashmi Devi Agrawal are spouse.

The Company is having an appropriate size of the Board for real strategic discussion and avails the benefits of diverse experience and viewpoints.

3. BOARD INDEPENDENCE

We at Texmo Pipes and Products Limited adhere to the definition of independence of Directors is derived from section 149 (6) of Companies Act, 2013. All Directors are individuals of integrity and courage, with relevant skills and experience to bring independent judgement on the business of the Company.

4. MECHANISM FOR EVALUATING BOARD MEMBERS

One of the key functions of the Board is to monitor and review the Board evaluation framework. The Board works with Nomination and Remuneration Committee to lay down the evaluation criteria for the performance of executive/non-executive/ independent Directors through a peer-evaluation excluding the Director being evaluated through a Board effectiveness survey. The Questionnaire of the survey is a key part of the process of reviewing the functioning and effectiveness of the Board and for identifying possible paths or improvement. Each Board Member is requested to evaluate the effectiveness of the Board dynamics and relationship, information flow, decision-making of the Directors, relationship to stakeholders, Company performance, Company strategy, and the effectiveness of the whole Board and its various committees on a scale of one to five. Feedback on each director is encouraged to be provided as a part of the survey.

Independent directors have three key roles- governance, control and guidance. Some of the performance indicators based on which the independent directors are evaluated include:-

- Ability to contribute to and monitor our corporate governance practices
- Ability to contribute by introducing international best practices to address top-management issues
- Active participation in long-term strategic planning
- Commitment to the fulfillment of a Director's obligations and fiduciary responsibilities; these include participation in board and committee meetings.

5. DIRECTOR INDUCTION, FAMILIARIZATION AND TRAINING

As per Regulation 25 of SEBI (LODR) Regulation, 2015 the Company has entered into a Listing agreement with Stock Exchange. The Company provides suitable training to independent director to familiarize them with the Company, their role, nature of the industry in which the Company operates, business model of the Company etc. the details of such training are also required to be disclosed in the Annual Report.

The Company acknowledged the importance of continuous education and training of the Directors to enable the effective discharge of their responsibility. The Company has been organizing visit of the Director to its PVC Plant with a view to enable them familiarize with the nature of industry, operations, process and interact with management personnel and staff.

Directors are regularly briefed about the industry specific to enable them to understand the business environment in which the Company operates. To enhance their skills and knowledge the directors are regularly updated on the change in the policy, laws and regulation, development in the business environment etc.

Efforts are also made to familiarize the Directors about their roles, responsibility in the Company, its business model and the environment in which the Company operates. Same is available on the Company's website at <https://texmopipe.com>

6. REMUNERATION TO EXECUTIVE DIRECTORS

The remuneration of the Managing Director & the Whole Time Director is recommended by the Nomination and Remuneration Committee to the Board of Directors based on criteria such as industry Benchmarks, the Company's performance vis-a-vis the industry, performance track record of the Managing Director & Whole-Time Director.

Mr. Sanjay Kumar Agrawal is the Managing Director of the Company. The Salary and allowance paid to Mr. Sanjay Kumar Agrawal during the year 2019-20 were Rs. 72.00 Lakhs, Mrs. Rashmi Devi Agrawal is the Whole time director cum Chairperson of the Company and the Salary and allowance paid to Mrs. Rashmi Devi Agrawal during the year 2019-20 were Rs. 30.00 Lakhs and Mr. Vijay Prasad Pappu is the Whole time director cum Chief Financial Officer of the Company and the Salary and allowance paid to Mr. Vijay Prasad Pappu during the year 2019-20 were Rs.11.60 Lakhs.

8. BOARD MEETINGS

i) Scheduling and Selection of agenda items for Board Meetings.

The Board meets at regular intervals to discuss and decides on Company / business policy and strategy apart from other Board business. The Board / Committee Meetings are pre-scheduled and a tentative annual calendar of the Board and Committee Meetings is circulated to the Directors well in advance to facilitate them to plan their schedule and to ensure meaningful participation in the meetings. However, in case of a special and urgent business need, the Board’s approval is taken by passing resolutions by circulation, as permitted by law, which is noted and confirmed in the subsequent Board meeting.

The notice of Board meeting is given well in advance to all the Directors. Usually, meetings of the Board are held at registered office in Burhanpur. The Agenda of the Board / Committee meetings is set by the Company Secretary in consultation with the Chairperson of the Company. The Agenda is circulated a week prior to the date of the meeting. The Agenda for the Board and Committee meetings includes detailed notes on the items to be discussed at the meeting to enable the Directors to take an informed decision.

During the year 2019-20, five meetings of the Board of Directors were held on 21st May, 2019, 13th August 2019, 12th November 2019, 28th December 2019 and 14th February 2020. The maximum time gap between any two consecutive meetings did not exceed one hundred and twenty days. The necessary quorum was present for all meetings. The draft minutes of each Board / Committee meetings are circulated to all Directors for their comments within 15 days of the meeting. The Company Secretary, after incorporating comments, received if any, from the Directors, records the minutes of each Board / Committee meeting within 30 days from conclusion of the meeting. The important decisions taken at the Board / Committee meetings are communicated to the concerned departments promptly.

None of the Directors on the Board are Members in more than ten Committees or Chairman in more than five Committees across all the companies in which they are Directors. Necessary disclosures regarding Committee positions in other public companies as on 31st March, 2020 have been made by the Directors.

CORPORATE GOVERNANCE CERTIFICATE

To
The Members,
Texmo Pipes and Products Limited,
98, Bahadarpur Road,
Burhanpur (M.P.) 450331

I have examined the Compliance of Corporate Governance by **Texmo Pipes and Products Limited (CIN: L25200MP2008PLC020852)** (“the Company”) for the year ended on 31st March, 2019, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46 (2) and paragraphs C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the year ended on March 31, 2020.

1. The compliance of conditions of Corporate Governance is the responsibility of the management. My examination was limited to a review of the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of Corporate Governance as stipulated in the said clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.
2. In my opinion and to the best of my information and according to my examination of the relevant records and the explanations given to me and the representations made by the Directors and the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulation 17 to 27 and clauses (b) to (i) of regulation 46(2) and paragraphs C, D and E of Schedule V of the SEBI Listing Regulations for the respective period of applicability as specified under paragraph 1 above, during the year ended March 31, 2020 except following:
 - i. **Regulation 17 (1) (a) of SEBI LODR:** The composition of board of directors of the listed entity. The company has 3 executive Director. Thus, the company should have at least 3 Independent Directors. But the company has 2 independent directors instead of 3 from 14.02.2020. After the closure of Financial year, the company has appointed New Independent director in immediate next Board Meeting held on 24.07.2020.
 - ii. **Regulation 17 (1) (b) of SEBI LODR:** The Chairman of the company is Executive Director. There are 3 Executive Directors in the company. Thus, the company should have at least 3 Independent Directors. But the company has 2 independent directors instead of 3 from 14.02.2020. After the closure of Financial year, the company has appointed New Independent director in immediate next Board Meeting held on 24.07.2020.
 - iii. **Regulation 25 (2) of SEBI LODR:** The tenure of Mr. Sunil Kumar Maheshwari ends in AGM 2019, where he has to be re-appointed for second term. But no effect has been given neither in AGM nor mentioned in Annual Report. However, he was re-appointed in EGM dated 19.12.2019 w.e.f 12.11.2019.
As intimated by the Company in this regard, consent from Mr. Sunil Kumar Maheshwari was received after AGM and reappointment for a second term has been done in EGM held on 19.12.2019.
 - iv. **Regulation 25 (6) of SEBI LODR:** No Independent Director has been appointed since resignation of existing Independent Director w.e.f. 14.02.2020. The company has appointed New Independent director in immediate next Board Meeting held on 24.07.2020 in compliance of Regulation 25 (6) of SEBI (LODR).
 - v. **Regulation 27 Corporate Governance of SEBI LODR:** Incorrect Information provided for Sunil Kumar Maheshwari in report for Quarter ended September 2019. The company has wrongly mentioned incorrect information.
3. I further state that such compliance is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the management has conducted the affairs of the company.

MANAGEMENT DISCUSSION AND ANALYSIS

INDIAN ECONOMY

The Indian economy displayed positive growth trend over the past few years on the back of various Government initiatives and reforms. The growth outlook was optimistic prior to the unexpected Corona virus (COVID-19) outbreak. However, owing to the massive impact of COVID-19, almost all the major economies of the world have gone through some form of lockdown or social distancing. The lockdown in India disrupted the economic activities in the fourth quarter of the financial year. Indian economy grew by 4.2% in the FY 2019-20 as compared to 6.8% in FY 2018-19.

However, to combat the impact of lockdown, the Government implemented various measures. These measures included reduction in repo rate and reverse repo rate, moratorium on repayment of term loans among others. The Government also provided wage support, in-kind and cash transfers to lower-income households and deferral of tax payments. The Government along with the RBI released a stimulus package of Rs. 20 trillion (mid-May 2020) which is approximately 10% of GDP. The package aims to boost private investments, increase liquidity support and infrastructure.

OUTLOOK

Significant monetary and liquidity measures taken by the RBI and fiscal measures taken by the Government are expected to mitigate the adverse impact of COVID-19 and help reinvigorate the economic activities. The stimulus package is expected to foster long-term employment and opportunities that will strengthen the economy further. On a positive side, the agriculture and allied sector functioned smoothly despite the health crisis, displaying a growth rate of 3.7% during the 2019-20 fiscal. And several initiatives taken by Government to boost rural income and infrastructure are now fructifying to boost business in several segments which are catered by the Company. There are a number of factors like low per capita consumption, manufacturing focus, end use industry growth, increasing urbanization, changing lifestyle, promoting growth of plastic industry in India. The Company, therefore, envisaged a faster growth in business from upcoming years.

INDIAN PIPING INDUSTRY OVERVIEW

Over the past five years, domestic plastic pipe industry has clocked a 10% CAGR and now its market size stands at 30,000 crores. Wherein, the 60-65% market share accounts to organised players and remaining to the unorganised ones. The major driver behind the growth is Government infrastructural spending, increasing constructions, industrial production, irrigation sector, replacement of aging pipelines, among others. Besides, its superior properties and economical cost makes plastic pipes favorable over metal pipes. Amongst all plastic pipes, the 65% of the industry demand is for Unplasticised Polyvinyl Chloride (UPVC), 15% for Chlorinated Polyvinyl Chloride (CPVC) and remaining constitute to others. There has been growing adoption in PVC/CPVC pipes owing to its corrosion resistant, flame resistant, easy to install & handle, environmentally sound and durability features. Along with this, increased focus by the Government in the end user application will be the major contributor in the growth. Consequently, it is also creating upsurge in the demand for solvent cement used in the fitting and attaching of pipe.

OPPORTUNITIES AND GROWTH DRIVERS

Consolidation in the industry

Post GST era, the unorganised players in the plastic pipes industry were already finding it difficult to gain advantage on the price. Now with COVID-19 scenario, the companies with high debt and weak cash flow are

bound to head towards consolidation. This will allow organised players with opportunities to acquire regional players at lower valuation.

CHALLENGES

Cost of raw material

The higher raw material prices can increase the production cost of the players operating in the industry. However, the increase in raw material prices does not impact pipe manufacturing players as the higher cost is passed down to the downstream industry users.

Risk Management

The Company has an effective risk management framework in place to primarily control business and operational risks. The major risk areas are periodically and systematically reviewed by the senior management. Comprehensive policies and procedures help identify, mitigate and monitor risks at various levels. By taking such proactive measures, the Company ensures that strategic business objectives are achieved seamlessly. During the financial year under review, the Company was reaffirmed ‘BWR BBB’ rating for fund based facilities. Higher finance cost is still a concern to the Company and Company is still striving hard to get more improved ratings for more reducing the finance cost. Further, your Company has an intricate Risk Management procedure which depicts business risk and operational risks that are supported by policy framework.

Human Resource

The Human Resource division of the company plays a vital role in hiring, training, managing and retaining employees to build a group of talented workforces. So that they can reach their full potential and work diligently towards the growth of the organization. The Company has created a level playing field space, whereon equal opportunities to all employees is provided. With this belief, it has enhanced employee morale, boosted productivity and reduced people absenteeism. As of March 31, 2020, the Company’s total work force is 541 employees.

Product Wise Performance

Company’s major products are PVC, HDPE, Fittings and Trading. Performance of various products at a glance is as under:-

Particulars	(Rs. In lakhs)	
	2019-20	2018-19

Note – The Previous year figures have been regrouped/ reclassified wherever necessary to make them comparable with current periods figure..

Internal Control System and their adequacy

The Company considers that internal control is one of the key supports of governance which provide freedom to the management within a outline of appropriate checks and balances. Texmo Pipes and Products Limited have a strong internal control framework, which was instituted considering the size, nature and risk in the business. The Company’s internal control environment provide assurance on efficient conduct of operations, security of Assets, prevention and detection of frauds/errors, accuracy and completeness of accounting records, timely preparation of authentic financial information and compliance with applicable laws and regulation. The Company uses SAP - Enterprise Resources Planning software as its core IT system. The Internal Auditor is a Chartered Accountant has been entrusted the job to conduct regular internal Audits at all the units/Branches and report to the management the lapses, if any and submitted Report on quarterly basis to the Board of Directors for their review and comments. To ensure efficient Internal control system, the Company has a well constituted Audit committee who at its periodical meeting, review the competence of internal control system and Procedures thereby Suggesting improvement in the system and process as per the changes of Business dynamics. The system and process are continuously improved by adopting best in class processes, automation and implementing latest IT tools.

INDEPENDENT AUDITORS' REPORT

To the Members of

TEXMO PIPES AND PRODUCTS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone Financial Statements of **Texmo Pipes And Products Limited** (“the Company”), which comprises the Standalone Balance Sheet as at March 31st, 2020, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the ‘standalone financial statements’).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2020, and its Profit and Other Comprehensive Income, Changes in Equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the *Auditor’s Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Description of Key Audit Matters		
S.No.	Key Audit Matters	How was the matter addressed in our audit
1	Uncertain tax positions - Direct and Indirect Taxes	
	<p>The Company has uncertain tax matters pending litigations under direct tax and various indirect tax laws. The litigation involves significant judgement to determine the possible outcome based on which accounting treatment is given to the disputed amount.</p> <p>Given the magnitude of potential outflow of economic resources and uncertainty of potential outcome, uncertain tax positions are considered to be key audit matters.</p> <p>[Refer Note 37 to the standalone financial statements.]</p>	<p>Our audit procedures included, among others, the following:</p> <ul style="list-style-type: none"> • Obtained details of uncertain tax position and gained understanding thereof; • Obtained details of tax assessments and also demands raised; • Along with our internal tax experts, read and analysed relevant communication with the authorities; • Evaluated advice obtained by the management from legal consultants on possible outcome of the litigation; • Discussed with senior management and evaluated management’s assumptions regarding provisions made or reflected as contingent liabilities; • Assessed whether the disclosures for uncertain tax positions are in accordance with the requirements of Ind AS 37 on “Provisions, Contingent Liabilities and Contingent Assets”.

Information Other than the Standalone Financial Statements and Auditors’ Report Thereon

The Company’s management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company’s annual report, but does not include the Standalone Financial Statements and our Auditors’ Report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31st, 2020 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;

- (e) On the basis of the written representations received from the directors as on March 31st , 2020, taken on record by the Board of Directors, none of the directors is disqualified as on March 31st, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure-B”;
- (g) In our opinion, the managerial remuneration for the year ended March 31, 2020 has been paid/provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (h) With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note - 37 to the standalone financial statements.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE-A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in Paragraph 1, under '*Report on Other Legal and Regulatory Requirements*' section of the Independent Auditors' Report of even date to the members of **Texmo Pipes And Products Limited** on the standalone financial statements as of and for the year ended March 31st, 2020, we report that:

- (i)(a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Fixed Assets.
 - (b) The Company has a regular programme for physical verification in a phased periodic manner, which, in our opinion, is reasonable having regards to the size of the Company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such physical verification.
 - (c) According to the information and explanations given to us by the management and on the basis of our examination of the records of the Company, the title deeds of immovable properties recorded in the books of accounts of the Company are held in the name of the Company. In respect of Immovable Property taken on lease and recognized as Right-of-use Assets in the financial statements, the lease agreements are in the name of the company.
- (ii) The inventory has been physically verified by the Management during the year. In our opinion, the frequency of such verification is reasonable and adequate in relation to the size of the Company and the nature of its business. The discrepancies noticed on physical verification of inventory as compared to books and records were not material and have been appropriately dealt with in the books of accounts.
 - (iii) In respect of the granting of loans by the Company:
 - (a) The Company has granted unsecured loan to only one company, i.e. a company in which the relatives of Directors are Directors, covered in the register maintained under section 189 of the Companies Act, 2013. In our opinion, the terms and conditions of such loan are not prejudicial to the Company's interest.
 - (b) The loan has been granted without stipulating any schedule of repayment of principal and interest. As the loan is repayable on Demand along with interest, the question as to regularity of the repayment or interest receipts does not arise.
 - (c) There being no stipulated schedule of repayment and the Company having not demanded the repayment of loan, the loan so granted has not become overdue.

- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73 to 76 of the Act and the relevant rules framed there under.
- (vi) Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act, in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to us and on the basis of examination of the records of the Company, in our opinion, the Company is generally regular in depositing the undisputed statutory dues including provident fund, employees' state insurance, income tax, duty of customs, goods and services taxes, cess and other material statutory dues applicable to it, with the appropriate authorities.

ANNEXURE-B TO THE INDEPENDENT AUDITORS' REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

Referred to in Paragraph 2(f), under '*Report on Other Legal and Regulatory Requirements*' section of the Independent Auditors' Report of even date to the members of **Texmo Pipes and Products Limited** on the standalone financial statements as of and for the year ended March 31st, 2020, we report that:

We have audited the internal financial controls over financial reporting of TEXMO PIPES AND PRODUCTS LIMITED ("the Company") as of 31st March, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

[₹ in lakhs unless specified otherwise]

NOTE - 1A - CORPORATE INFORMATION

Texmo Pipes and Products Limited ("the Company") was formed as a Partnership Firm by the name M/s Shree Mohit Industries on 13th May 1999 and was subsequently converted into Public Limited Company under Part IX of the Companies Act, 1956 under the name of Texmo Pipes and Products Limited having Certificate of Incorporation dated 3rd July 2008. Its shares are listed with the National Stock Exchange [NSE] and Bombay Stock Exchange [BSE]. The Registered Office of the Company is situated at 98, Bahadarpur Road, Burhanpur (M.P.) 450331. The Company is principally engaged in manufacturing and trading of PVC, HDPE, SWR, Sprinkler, Drip, CPVC Pipes and Fittings.

NOTE - 1B - SIGNIFICANT ACCOUNTING POLICIES

1B.1 Basis of Preparation

The standalone financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The standalone financial statements of the Company for the year ended March 31, 2020 were authorized for issue in accordance with a resolution of the Board of Directors on July 24th, 2020.

1B.2 Basis of Measurement

The standalone financial statements have been prepared on a going concern basis using historical cost convention and on accrual method of accounting, except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities (including derivative instruments);
- Defined benefit plans - plan assets; and
- Assets Held for Sale

1B.3 Functional and Presentation Currency

These standalone financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All amounts have been rounded off to the nearest lakh, unless otherwise indicated.

1B.4 Summary of Significant Accounting Policies

1B.4.1 Property, Plant and Equipment (PPE)

- (a) Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any other cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- (b) Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. In the carrying amount of an item of PPE, the cost of replacing the part of such an item is recognized when that cost is incurred if the recognition criterias are met. The carrying amount of those parts that are replaced is derecognized in accordance with the derecognition principles.
- (c) Expenses incurred in relation to a project, net of income earned during the project development stage prior to its intended use, are considered as Pre - Operative Expenses and are disclosed under 'Capital Work - in - Progress'.
- (d) Depreciation on Property, Plant and Equipment is provided using straight line method, except on Freehold Land, on which no depreciation is provided. Depreciation provided is based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 . If, significant parts of an item of Property, Plant and Equipment have different useful lives, then they are accounted and depreciated for as separate items (major components) of Property, Plant and Equipment. In respect of the Dies and Moulds, the useful life is estimated at 12 years, which is different from the prescribed life of 8 years under Schedule II to the Companies Act 2013
- (e) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- (f) Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

- (g) Spare parts procured along with the Plant & Machinery or subsequently which meet the recognition criteria are capitalized and added in the carrying amount of such item. The carrying amount of those spare parts that are replaced is derecognized when no future economic benefits are expected from their use or upon disposal. Other machinery spares are treated as "stores & spares" forming part of the inventory.
- (h) The addition in Property, Plant and Equipment for the year under review, includes a sum of Rs. 25.35 Lakhs (previous year Rs. Nil) which has been recognized as reusable after incidence of the natural calamities in the year 2018-19.

1B.4.2 Leases

The Company as a lessee

- (a) The Company's lease asset classes primarily consist of leases for land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether :
 - (i) the contract involves the use of an identified asset;
 - (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and
 - (iii) the Company has the right to direct the use of the asset.
- (b) Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the existing lease contracts.
- (c) At the date of commencement of the lease, the Company recognizes a Right-of-Use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short term leases and low value leases. For these short term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.
- (d) The lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.
- (e) The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.
- (f) ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.
- (g) The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.
- (h) Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company as a lessor

- (a) The Company has not entered into any lease contract during the year in the capacity of "Lessor".

Adoption of Ind AS 116

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases, which replaces the existing lease standard, Ind AS 17 Leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Company has entered into six lease agreements, in earlier years, all expiring in the financial year 2021-22. Looking to the short-term unexpired period of the lease agreements as on the date of applicability of Ind AS 116 Leases, the company has classified such leases as 'Short Term Leases' and correspondingly, has claimed the exemption benefit under paragraph 5(a) of Ind AS 116 Leases. Accordingly, the company has recognised the lease payments associated with those leases as an operating expense.

1B.4.3 Capital Work-in-Progress

- (a) Expenditure incurred on assets under construction (including a project) is carried at cost under 'Capital Work-in-Progress'. Such costs comprises purchase price of asset including import duties and non-refundable taxes and costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management and after deducting trade discounts and rebates.
- (b) Cost directly attributable to projects under construction include costs of employee benefits, expenditure in relation to survey and investigation activities of the projects, cost of site preparation, initial delivery and handling charges, installation and assembly costs, professional fees, expenditure on maintenance and up-gradation etc. of common public facilities, depreciation on assets used in construction of project, interest during construction and other costs if attributable to construction of projects. Such costs are accumulated under 'Capital Work-in-Progress' and subsequently allocated on systematic basis over major assets, other than land and infrastructure facilities, on commissioning of projects.
- (c) Capital Expenditure incurred for creation of facilities, over which the Company does not have control but the creation of which is essential principally for construction of the project is capitalized and carried under 'Capital Work-in-Progress' and subsequently allocated on systematic basis over major assets, other than land and infrastructure facilities, on commissioning of projects, keeping in view the "attributability" and the "Unit of Measure" concepts in Ind AS 16- "Property, Plant & Equipment". Expenditure of such nature incurred after completion of the project, is charged to Statement of Profit and Loss.

1B.4.4 Intangible assets

- (a) Intangible Assets purchased are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization /depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.
- (b) Amortisation is provided on straight-line basis over estimated useful lives of the intangible assets, which is taken at 5 years for Computer Software. The amortisation period for intangible assets with finite useful lives are reviewed at least at each year end. Changes in useful lives are treated as changes in accounting estimates.
- (c) Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.
- (d) Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.
- (e) The Company has no internally generated Intangible Assets.

1B.4.5 Impairment of Non-Financial Assets - Property, Plant and Equipment and Intangible Assets

- (a) The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.
- (b) An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.
- (c) The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1B.4.6 Borrowing Costs

- (a) Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

- (b) Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.
- (c) All other borrowing costs are expensed in the period in which they occur.

1B.4.7 Inventories

- (a) Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of by-products which are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.
- (b) Cost of raw materials, work-in-progress, finished goods, stock-in-trade, stores and spares and packing materials are determined at Cost, with moving average price on First in First Out [FIFO] basis.

1B.4.8 Assets Held For Sale

The assets are classified as held for sale if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of held for sale is met when the asset is available for immediate sale and the same is highly probable of being completed within one year from the date of classification under held for sale. The Company, is holding a Land at Shukhpuri Village, as 'Assets held for Sale', under the head of Other Current Assets, as the management anticipates completion of the sale by March 2021.

1B.4.9 Provisions, Contingent Liabilities and Contingent Assets

- (a) Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management's estimate of the amount required to settle the obligation at the balance sheet date. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain.
- (b) If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.
- (c) Contingent liabilities are disclosed on the basis of judgment of the management. These are reviewed at each balance sheet date and are adjusted to reflect the current management's estimate.
- (d) Contingent assets are not recognized but are disclosed in the financial statements when inflow of economic benefits is probable.

1B.4.10 Income Taxes

- (a) Income-Tax expense comprises of current and deferred income tax, net of Health and Education Cess which has been shown under the head 'Other Expenses'. Income tax expense is recognised in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.
- (b) Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.
- (c) Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.
- (d) Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

1B.4.11 Foreign Currency Transactions and Translations

- (a) Transactions in foreign currencies are initially recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.
- (b) Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.
- (c) Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

1B.4.12 Employee Benefits Expense

(a) Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

(b) Post-Employment Benefits

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

(c) Defined Benefits Plans

(i) The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(ii) The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the provisions of the Payment of Gratuity Act, 1972.

(iii) The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by the governing Income-Tax authorities.

(iv) The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

(v) Re-measurements of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

(d) Employee Separation Costs

Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Company is payable in the year of exercise of option by the employee. The Company recognises the employee separation cost when the scheme is announced and the Company is demonstrably committed to it.

1B.4.13 Revenue from Operations

(a) Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

(b) Revenue from rendering of services is recognised when the performance obligation to render the services are completed as per contractually agreed terms. The revenue derived by the company from rendering of Logistics services has been netted off against its 'Freight, Cartage Outward & Other Selling Expenses'.

(c) Revenue from sale of goods & rendering of services is measured at the fair value of the consideration received or receivable after taking into account contractually defined terms of payment and excluding trade discounts, volume rebates and taxes or duties collected on behalf of the Government such as Goods and Services Tax [GST].

1B.4.14 Other Income

(a) Interest Income

For all Debt Instruments measured either at Amortized Cost or at Fair Value through Other Comprehensive Income, interest income is recorded using the Effective Interest Rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability.

(b) Dividend Income

Dividend income is recognised only when the right to receive the same is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of dividend can be measured reliably.

1B.4.15 Goods & Services Tax [GST]

The Goods & Services Tax balances, as appearing in the Balance Sheet of the Company, are subject to the GST Audit which is to be carried out under s. 35(5) of the Central Goods & Services Tax Act, 2017 for the financial year 2019-20.

1B.4.16 Insurance Claims

- (a) Insurance claims are accounted for on the basis of claims admitted/ expected to be admitted to the extent that there is no uncertainty in receiving the claims.
- (b) During the financial year ended 31st March, 2019, due to accidents & natural calamities viz. (i) Inundation of Water in factory and business premises, (ii) Wind Storm & Fire in the factory and business Premises and (iii) Vehicle Accidental Damages, the Company had lodged Re-instatement claims towards the lost or damaged assets. As, under the Re-instatement policy, the insurer is contractually obliged to pay the Re-instatement cost of the damaged asset, the company had recognised a 'Net Gain on Insurance Claim' aggregating to Rs. 60.58 Lakhs. However, during the financial year 2019-20, the company has received a sum of Rs. 16.96 Lakhs only against its claim and correspondingly, a sum of Rs. 93.64 Lakhs (towards Revenue Items Rs. 13.71 Lakhs, towards Capital Items Rs. 4.56 Lakhs & towards Re-instatement claim of Rs. 75.36 Lakhs) has been shown as Net Loss on Insurance Claim under the head 'Exceptional Items', in the Statement of Profit and Loss.
- (c) The Company is expecting the settlement of insurance claims lodged by it, within next twelve months and therefore, the Company has classified such Insurance Claims Receivables under the head 'Other Current Assets' in the Balance Sheet.

1B.4.17 Financial Instruments

(a) Financial Assets

(i) Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

(ii) Subsequent measurement

Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL.

(iii) Investment in subsidiaries, Associates and Joint Ventures

The Company has elected to measure investment in its wholly owned subsidiary M/s. Tapti Pipes and Products Ltd. FZE, UAE at its Fair Value.

(iv) Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

(v) Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(b) Financial Liabilities

(i) Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

(ii) Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) Derivative financial instruments and Hedge Accounting

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

Hedges that meet the criteria for hedge accounting are accounted for as follows:

Cash flow hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

Fair Value Hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used is amortised to Statement of Profit and Loss over the period of maturity.

(iv) Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

1B.4.18 Operating Cycle

- (a) The Company presents its assets and liabilities in the balance sheet based on current/non-current classification which is based upon the Company's operating cycle. The Company has identified twelve months as its operating cycle.
- (b) An asset is treated as current when it is:
 - (i) Expected to be realized or intended to be sold or consumed in normal operating cycle;
 - (ii) Held primarily for the purpose of trading;
 - (iii) Expected to be realized within twelve months after the reporting period; or
 - (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- (c) A liability is treated as current when :
 - (i) It is expected to be settled in normal operating cycle;
 - (ii) It is held primarily for the purpose of trading;
 - (iii) It is due to be settled within twelve months after the reporting period, or
 - (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period
- (d) Deferred tax assets and liabilities are classified as non-current assets and liabilities.

1B.4.19 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of shares issued during the year including bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

1B.4.20 Dividend Distribution

Dividends paid (including Income-Tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by the shareholders.

1B.4.21 Statement of Cash Flows

(a) Cash and Cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

- (b) Statement of Cash Flows is prepared in accordance with the Indirect Method prescribed in the relevant Ind AS.

NOTE - 1C - CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the standalone financial statements in conformity with the Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

1C.1 Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, Plant and Equipment / Intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

1C.2 Recoverability of Trade Receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

1C.3 Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

1C.4 Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

1C.5 Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

1C.6 Estimation of uncertainties relating to the global health pandemic from COVID-19

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these standalone financial statements has used internal and external sources of information including credit reports and related information, economic forecasts. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's standalone financial statements may differ from that estimated as at the date of approval of these financial statements.

NOTE - 1D - AMENDMENTS TO EXISTING STANDARDS

1D.1 Appendix C to Ind AS 12 - Uncertainty over income tax treatments

Appendix C to Ind AS 12 clarifies the accounting for uncertainties in income taxes. The interpretation is to be applied to the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. The adoption of Appendix C to Ind AS 12 did not have any material impact on the financial statements of the Company.

1D.2 Amendment to Ind AS 12 – Income Taxes

The Ministry of Corporate Affairs issued amendments to Ind AS 12 – Income Taxes. The amendments clarify that an entity shall recognize the income tax consequences of dividends on financial instruments classified as equity according to where the entity originally recognized those past transactions or events that generated distributable profits were recognized. The adoption of amendment to Ind AS 12 did not have any material impact on the standalone financial statements of the Company.

1D.3 Amendment to Ind AS 19 - Plan Amendment, Curtailment or Settlement

The Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements requiring an entity to determine the current service costs and the net interest for the period after the remeasurement using the assumptions used for the remeasurement; and determine the net interest for the remaining period based on the remeasured net defined benefit liability or asset. The adoption of amendment to Ind AS 19 did not have any material impact on the standalone financial statements of the Company.

NOTE - 1E - NEW ACCOUNTING STANDARDS NOT YET ADOPTED BY THE COMPANY

1E.1 Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1st, 2020.

2. The expected contribution for Defined Benefit Plan for the next financial year will be in line with F.Y. 2019-20.

3. The company makes provident fund (PF) contributions to defined contribution benefit plans for eligible employees. Under the scheme the company is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions specified under the law are paid to the government authorities (PF commissioner).

4. Amount towards Defined Contribution Plan have been recognized under "Contribution to Provident and Other funds" in Note 32.

5. Defined Benefit Plan:

The Company has defined benefit plans for gratuity to eligible employees, contributions for which are made to Life Insurance Corporation of India, who invests the funds as per IRDA guidelines. The details of these defined benefit plans recognized in the financial statements are as under:

General Description of the Plan:

The Company operates a defined benefit plan (the Gratuity Plan) covering eligible employees, which provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employees salary and the tenure of employment.

The defined benefit plans typically expose the company to various risk such as :

(a) **Investment risk:**

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create plan deficit.

(b) **Interest risk:**

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the plan assets.

(c) **Longevity risk:**

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

(d) **Salary risk:**

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

NOTE - 41 - OTHER NOTES
[1] Preferential Allotment

During the financial year 2018-19, the Company has, on a preferential basis, issued 13,00,000 (Thirteen Lakhs) equity shares of face value of Rs. 10 each, fully paid up at a price of Rs. 23.20 per share, aggregating to Rs. 301.60 Lakhs to Shree Padmavati Irrigation LLP, a promoter group entity on March 27, 2019, in accordance with the provisions of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009.

[2] Disclosure on Financial Instruments

(a) All the financial instruments are initially recognized and subsequently re-measured at fair value as described below:

(i) The fair value of Forward Foreign Exchange contracts is determined using forward exchange rates at the balance sheet date.

(ii) All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date. Fair Value measurement hierarchy:

(iii)	Other Financial Liabilities	218.13	218.13	280.00	280.00

(b) Foreign Currency Risk:

The Company undertakes transactions denominated in foreign currency (mainly US Dollar) which is subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency, including the Company's net investments in foreign operations (with a functional currency other than Indian Rupee), are also subject to reinstatement risks.

The carrying amount of foreign currency denominated financial assets and liabilities including derivative contracts, are as follows:

Particulars	As at 31st March, 2020 [USD]	As at 31st March, 2019 [USD]
Loan Receivables	12,52,051	12,52,051
Net Exposure	12,52,051	12,52,051

The company has exercised the option of carrying the Investments in its subsidiaries at its fair value on the date of transition i.e. 1st April, 2016.

(c) Foreign Currency Sensitivity

For every percentage point change in the underlying exchange rate of the outstanding foreign currency denominated assets and liabilities, including derivative contracts, holding all other variables constant, the profit before tax for the year ended 31st March, 2020 would change by 12520.51 USD [Previous Year - 12520.51 USD]. However, the management of the Company does not expect its foreign currency denominated financial assets to mature within a period of five years from the end of the year under review.

(d) Interest Rate Risk

Interest rate risk is the risk that the future cash flow with respect to interest payments on borrowing will fluctuate because of change in market interest rates. The company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligation with floating interest rates.

(e) Interest Rate Sensitivity

Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rates. Any movement in the reference rates could have an impact on the Company's cash flows as well as costs.

The Company is subject to variable interest rates on some of its interest bearing liabilities. The Company's interest rate exposure is mainly related to debt obligations. The Company also uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like short term loans.

As at March 31, 2020, financial liability of Rs. 4089.69 lakhs was subject to variable interest rates. Increase/decrease of 100 basis points in interest rates at the balance sheet date would result in decrease/increase in profit/(loss) before tax of Rs. 4.81 Lakhs for the year ended March 31, 2020.

The model assumes that interest rate changes are instantaneous parallel shifts in the yield curve. Although some assets and liabilities may have similar maturities or periods to re-pricing, these may not react correspondingly to changes in market interest rates. Also, the interest rates on some types of assets and liabilities may fluctuate with changes in market interest rates, while interest rates on other types of assets may change with a lag.

The risk estimates provided assume a parallel shift of 100 basis points interest rate across all yield curves. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

(Note: The impact is indicated on the profit/(loss) before tax basis).

(f) Commodity Price Risk

Commodity price risk arises due to fluctuation in prices of raw material. The company has a risk management frame work aimed at prudently managing the risk arising from the volatility in raw material prices and freight costs. The company's commodity risk is managed centrally through well-established trading operations and control processes. In accordance with the risk management policy, the Company carefully calibrates the timing and the quantity of purchase

(g) Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the company. Credit risk arises mainly from the outstanding receivables from customers. The company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. The credit ratings/market standing of the customers are evaluated on a regular basis.

(h) Liquidity Risk

Liquidity risk arises from the Company's inability to meet its cash flow commitments on time. Prudent liquidity risk management implies maintaining sufficient stock of cash and marketable securities . The Company maintains adequate cash and cash equivalents alongwith the need based credit limits to meet the liquidity needs.

(i) Hedge Accounting

The Company has established risk management policies to hedge the volatility arising from exchange rate fluctuations in respect of firm commitments and highly probable forecast transactions, through foreign exchange forward and options contracts. The proportion of forecast transactions that are to be hedged is decided based on the size of the forecast transaction and market conditions. As the counterparty for such transactions are highly rated banks, the risk of their non-performance is considered to be insignificant.

The Company uses derivatives to hedge its exposure to changes in movement in foreign currency. Where such derivatives are not designated under hedge accounting, changes in the fair value of such hedges are recognised in the Statement of Profit and Loss.

The Company may also designate certain hedges, usually for large transactions, as a cash flow hedge under hedge accounting, with the objective of shielding the exposure from variability in cash flows. The currency, amount and tenure of such hedges are generally matched to the underlying transaction(s). Changes in the fair value of the effective portion of cash flow hedges are recognised as cash flow hedging reserve in Other Comprehensive Income. While the probability of such hedges becoming ineffective is very low, the ineffective portion, if any, is immediately recognised in the Statement of Profit and Loss.

The management of the Company does not expect its foreign currency denominated financial assets to mature within a period of five years from the end of the year under review and therefore, it has not entered into any hedging contracts for the same.

INDEPENDENT AUDITORS' REPORT

To the Members of

TEXMO PIPES AND PRODUCTS LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated Financial Statements of **Texmo Pipes And Products Limited** (“the Company”) and its subsidiary (the Company and its subsidiary together referred to as “the Group”) which comprises the Consolidated Balance Sheet as at March 31st, 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the ‘Consolidated financial statements’).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as at March 31st, 2020, and its consolidated Profit and Other Comprehensive Income, consolidated Changes in Equity and its consolidated Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the *Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Description of Key Audit Matters		
S.No.	Key Audit Matters	How was the matter addressed in our audit
1	Uncertain tax positions - Direct and Indirect Taxes	
	<p>The Group has uncertain tax matters pending litigations under direct tax and various indirect tax laws. The litigation involves significant judgement to determine the possible outcome based on which accounting treatment is given to the disputed amount.</p> <p>Given the magnitude of potential outflow of economic resources and uncertainty of potential outcome, uncertain tax positions are considered to be key audit matters.</p> <p>[Refer Note 37 to the Consolidated financial statements.]</p>	<p>Our audit procedures included, among others, the following:</p> <ul style="list-style-type: none"> • Obtained details of uncertain tax position and gained understanding thereof; • Obtained details of tax assessments and also demands raised; • Along with our internal tax experts, read and analysed relevant communication with the authorities; • Evaluated advice obtained by the management from legal consultants on possible outcome of the litigation; • Discussed with senior management and evaluated management’s assumptions regarding provisions made or reflected as contingent liabilities; • Assessed whether the disclosures for uncertain tax positions are in accordance with the requirements of Ind AS 37 on “Provisions, Contingent Liabilities and Contingent Assets”.

Information Other than the Consolidated Financial Statements and Auditors’ Report Thereon

The Company’s management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company’s annual report, but does not include the Consolidated Financial Statements and our Auditors’ Report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the financial reporting process of the Group.

Auditors' Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31st, 2020 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not carry out the audit of the financial statements of one subsidiary company, whose financial statements reflect total assets of Rs.7524.94 Lakhs as at March 31, 2020, total revenues of Rs. Nil, total net loss after tax of Rs. 9.18 Lakhs, total comprehensive income of Rs. Nil and net cash outflows of Rs. 2.68 Lakhs for the year ended March 31, 2020. These financial statements have been audited by other auditor whose report has been furnished to us by the management, and in our opinion on the consolidated financial statements, insofar as it relates to the amounts and disclosures included in respect of the subsidiary is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- (b) In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books and the report of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of accounts;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors as on March 31st, 2020, taken on record by the Board of Directors and the report of the statutory auditors of the subsidiary, none of the directors is disqualified as on March 31st, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure-A”;
- (g) In our opinion, the managerial remuneration for the year ended March 31st, 2020 has been paid/provided by the Companies included in the Group to their directors in accordance with the provisions of section 197 read with Schedule V to the Act; and
- (h) With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the considerations of the report of the other auditors on standalone financial statements of the subsidiary, as noted in the ‘Other Matter’ paragraph:
 - (i) The Group has disclosed the impact of pending litigations on its financial position in its consolidated financial statements – Refer Note - 37 to the consolidated financial statements.
 - (ii) The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group.

ANNEXURE-A TO THE INDEPENDENT AUDITORS' REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

Referred to in Paragraph 1(f), under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditors' Report of even date to the members of **Texmo Pipes and Products Limited** on the consolidated financial statements as of and for the year ended March 31st, 2020, we report that:

We have audited the internal financial controls over financial reporting of TEXMO PIPES AND PRODUCTS LIMITED ("the Company") as of 31st March, 2020 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls of the Company over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

TEXMO PIPES AND PRODUCTS LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2020

[₹ in lakhs unless specified otherwise]

NOTE - 1A - GROUP OVERVIEW

- 1A.1 Texmo Pipes and Products Limited ("the Parent Company") was formed as a Partnership Firm by the name M/s. Shree Mohit Industries on 13th May 1999 and was subsequently converted into Public Limited Company under Part IX of the Companies Act, 1956 under the name of Texmo Pipes and Products Limited having Certificate of Incorporation dated 3rd July 2008. The Parent Company's shares are listed with the National Stock Exchange [NSE] and Bombay Stock Exchange [BSE]. The Registered Office of the Parent Company is situated at 98, Bahadarpur Road, Burhanpur (M.P.) - 450331. The Parent Company is principally engaged in manufacturing and trading of PVC, HDPE, SWR, Sprinkler, Drip, CPVC Pipes and Fittings.
- 1A.2 Tapti Pipes & Products Limited FZE is a limited liability establishment, registered in Hamriyah Free Zone as a free zone establishment with status (FZE) under Commercial License No. 7599 incorporated on March 13, 2011, issued by Hamriyah Free Zone Authority, Sharjah, U.A.E. The registered office of the establishment is ELOB Office No. E2-113F-43, P.O. Box 49509, Hamriyah Free Zone, Sharjah, United Arab Emirates. The establishment is engaged in the business of General Trading.
- 1A.3 Tapti Pipes & Products Limited FZE is the Parent Company's wholly owned foreign subsidiary.
- 1A.4 The Parent Company and its wholly owned foreign subsidiary are collectively referred to as "Group".

NOTE - 1B - SIGNIFICANT ACCOUNTING POLICIES

1B.1 Basis of Preparation

The consolidated financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The consolidated financial statements of the Group for the year ended March 31, 2020 were authorized for issue in accordance with a resolution of the Board of Directors on July 24th, 2020.

1B.2 Basis Of Consolidation

The financial statements of the Parent Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.

Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.

In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Foreign Currency Translation Reserve.

Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of subsidiary.

The difference between the proceeds from disposal of investment in subsidiary and the carrying amount of its assets less liabilities as on the date of disposal is recognised in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.

Non Controlling Interest's share of net assets of consolidated subsidiary is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Parent Company's shareholders.

The Parent Company accounts for its share of post acquisition changes in net assets of associates and joint ventures, after eliminating unrealised profits and losses resulting from transactions between the Parent Company and its associates to the extent of its share, through its Consolidated Statement of Profit and Loss, to the extent such change is attributable to the associates' Statement of Profit and Loss and through its reserves for the balance based on available information.

1B.3 Basis of Measurement

The consolidated financial statements have been prepared on a going concern basis using historical cost convention and on accrual method of accounting, except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities (including derivative instruments);
- Defined benefit plans - plan assets; and
- Assets Held for Sale

1B.4 Functional and Presentation Currency

These consolidated financial statements are presented in Indian Rupees (INR), which is the Parent Company's functional currency. All amounts have been rounded off to the nearest lakh, unless otherwise indicated.

1B.5 Summary of Significant Accounting Policies

1B.5.1 Property, Plant and Equipment (PPE)

- (a) Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any other cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- (b) Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. In the carrying amount of an item of PPE, the cost of replacing the part of such an item is recognized when that cost is incurred if the recognition criterias are met. The carrying amount of those parts that are replaced is derecognized in accordance with the derecognition principles.
- (c) Expenses incurred in relation to a project, net of income earned during the project development stage prior to its intended use, are considered as Pre - Operative Expenses and are disclosed under 'Capital Work - in - Progress'.
- (d) Depreciation on Property, Plant and Equipment is provided using straight line method, except on Freehold Land, on which no depreciation is provided. Depreciation provided is based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 . If, significant parts of an item of Property, Plant and Equipment have different useful lives, then they are accounted and depreciated for as separate items (major components) of Property, Plant and Equipment. In respect of the Dies and Moulds, the useful life is estimated at 12 years, which is different from the prescribed life of 8 years under Schedule II to the Companies Act. 2013
- (e) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- (f) Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Consolidated Statement of Profit and Loss when the asset is derecognized.
- (g) Spare parts procured along with the Plant & Machinery or subsequently which meet the recognition criteria are capitalized and added in the carrying amount of such item. The carrying amount of those spare parts that are replaced is derecognized when no future economic benefits are expected from their use or upon disposal. Other machinery spares are treated as "stores & spares" forming part of the inventory.
- (h) The addition in Property, Plant and Equipment for the year under review, includes a sum of Rs. 25.35 Lakhs (previous year Rs. Nil) which has been recognized as reusable after incidence of the natural calamities in the year 2018-19.

1B.5.2 Leases

The Group as a lessee

- (a) The Group's lease asset classes primarily consist of leases for land. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether :
 - (i) the contract involves the use of an identified asset;
 - (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease; and
 - (iii) the Group has the right to direct the use of the asset.
- (b) Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Group's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Group has concluded that no changes are required to lease period relating to the existing lease contracts.
- (c) At the date of commencement of the lease, the Group recognizes a Right-of-Use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short term leases and low value leases. For these short term and low-value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

- (d) The lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.
- (e) The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.
- (f) ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.
- (g) The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Group changes its assessment of whether it will exercise an extension or a termination option.
- (h) Lease liability and ROU assets have been separately presented in the Consolidated Balance Sheet and lease payments have been classified as financing cash flows.

The Group as a lessor

- (a) The Group has not entered into any lease contract during the year in the capacity of "Lessor".

Adoption of Ind AS 116

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases, which replaces the existing lease standard, Ind AS 17 Leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Group has entered into six lease agreements, in earlier years, all expiring in the financial year 2021-22. Looking to the short-term unexpired period of the lease agreements as on the date of applicability of Ind AS 116 Leases, the Group has classified such leases as 'Short Term Leases' and correspondingly, has claimed the exemption benefit under paragraph 5(a) of Ind AS 116 Leases. Accordingly, the Group has recognised the lease payments associated with those leases as an operating expense.

1B.5.3 Capital Work-in-Progress

- (a) Expenditure incurred on assets under construction (including a project) is carried at cost under 'Capital Work-in-Progress'. Such costs comprises purchase price of asset including import duties and non-refundable taxes and costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management and after deducting trade discounts and rebates.
- (b) Cost directly attributable to projects under construction include costs of employee benefits, expenditure in relation to survey and investigation activities of the projects, cost of site preparation, initial delivery and handling charges, installation and assembly costs, professional fees, expenditure on maintenance and up-gradation etc. of common public facilities, depreciation on assets used in construction of project, interest during construction and other costs if attributable to construction of projects. Such costs are accumulated under 'Capital Work-in-Progress' and subsequently allocated on systematic basis over major assets, other than land and infrastructure facilities, on commissioning of projects.
- (c) Capital Expenditure incurred for creation of facilities, over which the Group does not have control but the creation of which is essential principally for construction of the project is capitalized and carried under 'Capital Work-in-Progress' and subsequently allocated on systematic basis over major assets, other than land and infrastructure facilities, on commissioning of projects, keeping in view the "attributability" and the "Unit of Measure" concepts in Ind AS 16- "Property, Plant & Equipment". Expenditure of such nature incurred after completion of the project, is charged to Consolidated Statement of Profit and Loss.

1B.5.4 Intangible assets

- (a) Intangible Assets purchased are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization /depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.
- (b) Amortisation is provided on straight-line basis over estimated useful lives of the intangible assets, which is taken at 5 years for Computer Software. The amortisation period for intangible assets with finite useful lives are reviewed at least at each year end. Changes in useful lives are treated as changes in accounting estimates.

- (c) Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Consolidated Statement of Profit and Loss when the asset is derecognised.
- (d) Revenue expenditure pertaining to research is charged to the Consolidated Statement of Profit and Loss. Development costs of products are charged to the Consolidated Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.
- (e) The Group has no internally generated Intangible Assets.

1B.5.5 Impairment of Non-Financial Assets - Property, Plant and Equipment and Intangible Assets

- (a) The Group assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the CGU to which the asset belongs.
- (b) An impairment loss is recognised in the Consolidated Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.
- (c) The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1B.5.6 Borrowing Costs

- (a) Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.
- (b) Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.
- (c) All other borrowing costs are expensed in the period in which they occur.

1B.5.7 Inventories

- (a) Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of by-products which are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.
- (b) Cost of raw materials, work-in-progress, finished goods, stock-in-trade, stores and spares and packing materials are determined at Cost, with moving average price on First in First Out [FIFO] basis.

1B.5.8 Assets Held For Sale

The assets are classified as held for sale if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of held for sale is met when the asset is available for immediate sale and the same is highly probable of being completed within one year from the date of classification under held for sale. The Parent Company, is holding a Land at Shukhpuri Village, as 'Assets held for Sale', under the head of Other Current Assets, as the management anticipates completion of the sale by March 2021.

1B.5.9 Provisions, Contingent Liabilities and Contingent Assets

- (a) Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management's estimate of the amount required to settle the obligation at the balance sheet date. When the Group expects some or all of a provision to be reimbursed, the reimbursement is recognised as a consolidated asset only when the reimbursement is virtually certain.
- (b) If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.
- (c) Contingent liabilities are disclosed on the basis of judgment of the management. These are reviewed at each balance sheet date and are adjusted to reflect the current management's estimate.
- (d) Contingent assets are not recognized but are disclosed in the consolidated financial statements when inflow of economic benefits is probable.

1B.5.10 Income Taxes

- (a) Income-Tax expense comprises of current and deferred income tax, net of Health and Education Cess which has been shown under the head 'Other Expenses'. Income tax expense is recognized in net profit in the Consolidated Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.
- (b) Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.
- (c) Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit.
- (d) Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

1B.5.11 Foreign Currency Transactions and Translations

- (a) Transactions in foreign currencies are initially recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.
- (b) Exchange differences arising on settlement or translation of monetary items are recognized in Consolidated Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.
- (c) Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in OCI or Consolidated Statement of Profit and Loss are also recognized in OCI or Consolidated Statement of Profit and Loss, respectively).

1B.5.12 Employee Benefits Expense

(a) Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

(b) Post-Employment Benefits

A defined contribution plan is a post-employment benefit plan under which the Group pays specified contributions to a separate entity. The Group makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Group's contribution is recognised as an expense in the Consolidated Statement of Profit and Loss during the period in which the employee renders the related service.

(c) Defined Benefits Plans

- (i) The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.
- (ii) The Group pays gratuity to the employees whoever has completed five years of service with the Group at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the provisions of the Payment of Gratuity Act, 1972.
- (iii) The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by the governing Income-Tax authorities.
- (iv) The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.
- (v) Re-measurements of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

(d) Employee Separation Costs

Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Group is payable in the year of exercise of option by the employee. The Group recognises the employee separation cost when the scheme is announced and the Group is demonstrably committed to it.

1B.5.13 Revenue from Operations

- (a) Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.
- (b) Revenue from rendering of services is recognised when the performance obligation to render the services are completed as per contractually agreed terms. The revenue derived by the Group from rendering of Logistics services has been netted off against its 'Freight, Cartage Outward & Other Selling Expenses'.
- (c) Revenue from sale of goods & rendering of services is measured at the fair value of the consideration received or receivable after taking into account contractually defined terms of payment and excluding trade discounts, volume rebates and taxes or duties collected on behalf of the Government such as Goods and Services Tax [GST].

1B.5.14 Other Income

(a) Interest Income

For all Debt Instruments measured either at Amortized Cost or at Fair Value through Other Comprehensive Income, interest income is recorded using the Effective Interest Rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability.

(b) Dividend Income

Dividend income is recognised only when the right to receive the same is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of dividend can be measured reliably.

1B.5.15 Goods & Services Tax [GST]

The Goods & Services Tax balances, as appearing in the Consolidated Balance Sheet of the Group, are subject to the GST Audit which is to be carried out under s. 35(5) of the Central Goods & Services Tax Act, 2017 for the financial year 2019-20.

1B.5.16 Insurance Claims

- (a) Insurance claims are accounted for on the basis of claims admitted/ expected to be admitted to the extent that there is no uncertainty in receiving the claims.
- (b) During the financial year ended 31st March, 2019, due to accidents & natural calamities viz. (i) Inundation of Water in factory and business premises, (ii) Wind Storm & Fire in the factory and business Premises and (iii) Vehicle Accidental Damages, the Parent Company had lodged Re-instatement claims towards the lost or damaged assets. As, under the Re-instatement policy, the insurer is contractually obliged to pay the Re-instatement cost of the damaged asset, the company had recognised a 'Net Gain on Insurance Claim' aggregating to Rs. 60.58 Lakhs. However, during the financial year 2019-20, the Parent Company has received a sum of Rs. 16.96 Lakhs only against its claim and correspondingly, a sum of Rs. 93.64 Lakhs (towards Revenue Items Rs. 13.71 Lakhs, towards Capital Items Rs. 4.56 Lakhs & towards Re-instatement claim of Rs. 75.36 Lakhs) has been shown as Net Loss on Insurance Claim under the head 'Exceptional Items', in the Consolidated Statement of Profit and Loss.
- (c) The Parent Company is expecting the settlement of insurance claims lodged by it, within next twelve months and therefore, the Parent Company has classified such Insurance Claims Receivables under the head 'Other Current Assets' in the Consolidated Balance Sheet.

1B.5.17 Financial Instruments

(a) Financial Assets

(i) Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

(ii) Subsequent measurement

Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL.

(iii) Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Consolidated Statement of Profit and Loss, except for those equity investments for which the Group has elected to present the value changes in 'Other Comprehensive Income'.

(iv) Impairment of financial assets

In accordance with Ind AS 109, the Group uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Group applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Group uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Group uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(b) Financial Liabilities

(i) Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Consolidated Statement of Profit and Loss as finance cost.

(ii) Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) Derivative financial instruments and Hedge Accounting

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to Consolidated Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Consolidated Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

Hedges that meet the criteria for hedge accounting are accounted for as follows:

Cash flow hedge

The Group designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognized asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Consolidated Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Consolidated Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Consolidated Statement of Profit and Loss.

Fair Value Hedge

The Group designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Consolidated Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used is amortised to Consolidated Statement of Profit and Loss over the period of maturity.

(iv) Derecognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's Consolidated Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

1B.5.18 Operating Cycle

- (a) The Group presents its assets and liabilities in the consolidated balance sheet based on current/non-current classification which is based upon the Group's operating cycle. The Group has identified twelve months as its operating cycle.
- (b) An asset is treated as current when it is:
 - (i) Expected to be realized or intended to be sold or consumed in normal operating cycle;
 - (ii) Held primarily for the purpose of trading;
 - (iii) Expected to be realized within twelve months after the reporting period; or
 - (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- (c) A liability is treated as current when :
 - (i) It is expected to be settled in normal operating cycle;
 - (ii) It is held primarily for the purpose of trading;
 - (iii) It is due to be settled within twelve months after the reporting period, or
 - (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period
- (d) Deferred tax assets and liabilities are classified as non-current assets and liabilities.

1B.5.19 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of shares issued during the year including bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

1B.5.20 Dividend Distribution

Dividends paid (including Income-Tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by the shareholders.

1B.5.21 Consolidated Statement of Cash Flows

(a) Cash and Cash equivalents

For the purpose of presentation in the consolidated statement of cash flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

- (b) Consolidated Statement of Cash Flows is prepared in accordance with the Indirect Method prescribed in the relevant Ind AS.

NOTE - 1C - CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Consolidated Financial Statements in conformity with the Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the consolidated financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

1C.1 Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, Plant and Equipment / Intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

1C.2 Recoverability of Trade Receivable

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

1C.3 Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

1C.4 Impairment of non-financial assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

1C.5 Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Group uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

1C.6 Estimation of uncertainties relating to the global health pandemic from COVID-19

The Group has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group, as at the date of approval of these consolidated financial statements has used internal and external sources of information including credit reports and related information, economic forecasts. The Group has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Group's consolidated financial statements may differ from that estimated as at the date of approval of these consolidated financial statements.

NOTE - 1D - AMENDMENTS TO EXISTING STANDARDS

1D.1 Appendix C to Ind AS 12 - Uncertainty over income tax treatments

Appendix C to Ind AS 12 clarifies the accounting for uncertainties in income taxes. The interpretation is to be applied to the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. The adoption of Appendix C to Ind AS 12 did not have any material impact on the consolidated financial statements of the Group.

1D.2 Amendment to Ind AS 12 – Income Taxes

The Ministry of Corporate Affairs issued amendments to Ind AS 12 – Income Taxes. The amendments clarify that an entity shall recognize the income tax consequences of dividends on financial instruments classified as equity according to where the entity originally recognized those past transactions or events that generated distributable profits were recognized. The adoption of amendment to Ind AS 12 did not have any material impact on the consolidated financial statements of the Group.

1D.3 Amendment to Ind AS 19 - Plan Amendment, Curtailment or Settlement

The Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements requiring an entity to determine the current service costs and the net interest for the period after the remeasurement using the assumptions used for the remeasurement; and determine the net interest for the remaining period based on the remeasured net defined benefit liability or asset. The adoption of amendment to Ind AS 19 did not have any material impact on the consolidated financial statements of the Group.

NOTE - 1E - NEW ACCOUNTING STANDARDS NOT YET ADOPTED BY THE GROUP

1E.1 Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1st, 2020.

Notes:

1. The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflations, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

2. The expected contribution for Defined Benefit Plan for the next financial year will be in line with F.Y. 2019-20.

3. The Parent company makes provident fund (PF) contributions to defined contribution benefit plans for eligible employees. Under the scheme the Parent Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions specified under the law are paid to the government authorities (PF commissioner).

4. Amount towards Defined Contribution Plan have been recognized under "Contribution to Provident and Other funds" in Note 32.

5. Defined Benefit Plan:

The Parent Company has defined benefit plans for gratuity to eligible employees, contributions for which are made to Life Insurance Corporation of India, who invests the funds as per IRDA guidelines. The details of these defined benefit plans recognized in the financial statements are as under:

General Description of the Plan:

The Parent Company operates a defined benefit plan (the Gratuity Plan) covering eligible employees, which provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employees salary and the tenure of employment.

The defined benefit plans typically expose the Parent Company to various risk such as :

(a) Investment risk:

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create plan deficit.

(b) Interest risk:

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the plan assets.

(c) Longevity risk:

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

(d) Salary risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

(b) Interest Rate Risk

Interest rate risk is the risk that the future cash flow with respect to interest payments on borrowing will fluctuate because of change in market interest rates. The Parent Company's exposure to the risk of changes in market interest rates relates primarily to the long-term debt obligation of the Group with floating interest rates.

(c) Interest Rate Sensitivity

Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rates. Any movement in the reference rates could have an impact on the Group's cash flows as well as costs.

The Group is subject to variable interest rates on some of its interest bearing liabilities. The interest rate exposure of the Group is mainly related to debt obligations. The Group also uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like short term loans.

As at March 31, 2020, financial liability of Rs. 4089.69 lakhs was subject to variable interest rates. Increase/decrease of 100 basis points in interest rates at the balance sheet date would result in decrease/increase in profit/(loss) before tax of Rs. 4.81 Lakhs for the year ended March 31, 2020.

The model assumes that interest rate changes are instantaneous parallel shifts in the yield curve. Although some assets and liabilities may have similar maturities or periods to re-pricing, these may not react correspondingly to changes in market interest rates. Also, the interest rates on some types of assets and liabilities may fluctuate with changes in market interest rates, while interest rates on other types of assets may change with a lag.

The risk estimates provided assume a parallel shift of 100 basis points interest rate across all yield curves. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

(Note: The impact is indicated on the profit/(loss) before tax basis).

(d) Commodity Price Risk

Commodity price risk arises due to fluctuation in prices of raw material. The Group has a risk management frame work aimed at prudently managing the risk arising from the volatility in raw material prices and freight costs. The Group's commodity risk is managed centrally through well-established trading operations and control processes. In accordance with the risk management policy, the Company carefully calibrates the timing and the quantity of purchase

(e) Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the company. Credit risk arises mainly from the outstanding receivables from customers. The Group has a prudent and conservative process for managing its credit risk arising in the course of its business activities. The credit ratings/market standing of the customers are evaluated on a regular basis.

(f) Liquidity Risk

Liquidity risk arises from the Group's inability to meet its cash flow commitments on time. Prudent liquidity risk management implies maintaining sufficient stock of cash and marketable securities . The Group maintains adequate cash and cash equivalents along with the need based credit limits to meet the liquidity needs.

(g) Hedge Accounting

The Group has established risk management policies to hedge the volatility arising from exchange rate fluctuations in respect of firm commitments and highly probable forecast transactions, through foreign exchange forward and options contracts. The proportion of forecast transactions that are to be hedged is decided based on the size of the forecast transaction and market conditions. As the counterparty for such transactions are highly rated banks, the risk of their non-performance is considered to be insignificant.

The Group uses derivatives to hedge its exposure to changes in movement in foreign currency. Where such derivatives are not designated under hedge accounting, changes in the fair value of such hedges are recognised in the Statement of Profit and Loss.

The Group may also designate certain hedges, usually for large transactions, as a cash flow hedge under hedge accounting, with the objective of shielding the exposure from variability in cash flows. The currency, amount and tenure of such hedges are generally matched to the underlying transaction(s). Changes in the fair value of the effective portion of cash flow hedges are recognised as cash flow hedging reserve in Other Comprehensive Income. While the probability of such hedges becoming ineffective is very low, the ineffective portion, if any, is immediately recognised in the Statement of Profit and Loss.
