MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

(A) DOMESTIC SCENARIO OF STEEL INDUSTRY

- Rapid rise in production has resulted in India becoming the 4th largest producer of crude steel.
- Steel industry was delicensed and decontrolled in 1991 & 1992 respectively
- As per the report of the Working Group on Steel for the 12th Plan, there exist many factors which carry the
 potential of raising the per capita steel consumption in the country, currently estimated at 55 kg (provisional).
 These include among others, an estimated infrastructure investment of nearly a trillion dollars, a projected
 growth of manufacturing from current 8% to 11-12%, increase in urban population to 600 million by 2030
 from the current level of 400 million, emergence of the rural market for steel currently consuming around 10
 kg per annum.
- The National Steel Policy 2005 at the time of its release had envisaged steel production to reach 110 million tonnes by 2019-20. The Working Group on Steel for the 12th Plan has projected that the crude steel steel capacity in the county is likely to be 140 mt by 2016-17 and has the potential to reach 149 mt if all requirements are adequately met.
- The National Steel Policy 2005 is currently being reviewed keeping in mind the rapid developments in the
 domestic steel industry (both on the supply and demand sides) as well as the stable growth of the Indian
 economy since the release of the Policy in 2005.
- Domestic steel prices are influenced by trends in raw material prices, demand supply conditions in the market, international price trends among others.
- The Government also took various fiscal and other measures for stabilizing steel prices like significant reduction in import duties on steel, major raw materials, including mineral products and ores and concentrates in last few years. Also, excise duty for steel is increased from 10% at currently 12%.

(B) OPPORTUNITIES FOR GROWTH OF IRON AND STEEL IN PRIVATE SECTOR

The New Industrial policy opened up the Indian iron and steel industry for private investment by (a) removing it from the list of industries reserved for public sector and (b) exempting it from compulsory licensing. Imports of foreign technology as well as foreign direct investment are now freely permitted up to certain limits under an automatic route. Ministry of Steel plays the role of a facilitator, providing broad directions and assistance to new and existing steel plants, in the liberalized scenario.

The liberalization of industrial policy and other initiatives taken by the Government have given a definite impetus for entry, participation and growth of the private sector in the steel industry. While the existing units are being modernized/expanded, a large number of new steel plants have also come up in different parts of the country based on modern, cost effective, state of-the-art technologies. In the last few years, the rapid and stable growth of the demand side has also prompted domestic entrepreneurs to set up fresh green field projects in different states of the country. Crude steel capacity was 89 mt in 2011-12 (prov) and It has to its credit, the capability to produce a variety of grades of international quality standards. The country is expected to become the 2nd largest producer of crude steel in the world by 2015-16, provided all requirements for creation of fresh capacity are adequately met. (Source: http://steel.gov.in/overview)

(C) CONCERNS:

There are many positive factors benefiting the industry's performance however it is also constrained by a number of factors such as lack of availability of suitable raw materials, high cost of raw material, basic inputs and services, infrastructural inadequacy, high cost of capital, other structural impediments like High dependence on low technology, low labour productivity, lack of research and development and high level of taxation etc. are other systemic deficiency. Increasing inflation and consequent monetary tightening also affects the steel demand. However enormous increase in steel demand in all the sectors, unexplored rural markets and increase in global demand keeps the Indian Steel Industry buoyant.

(D) OVERVIEW OF THE COMPANY AND ITS BUSINESS:

Gyscoal Alloys Limited was incorporated as Shreenath Mineral Metal Private Limited on September 29, 1999 under the companies act, 1956. AUDITORS' REPORT

TO, THE MEMBERS, GYSCOAL ALLOYS LTD.

- 1. We have audited the attached Balance Sheet of GYSCOAL ALLOYS LTD., as at 31st March, 2012 and also the Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date both annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
- 2. We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
- 3. As required by the Companies (Auditor's Report) Order, 2003 issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Companies Act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order to the extent applicable.
- 4. Further to our comments in the Annexure referred to in paragraph 3 above, we report that:
 - (a) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of the books;
 - (c) The Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the Balance Sheet, the Profit and Loss Account and Cash Flow Statement dealt with by this report comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956;
 - (e) On the basis of written representations received from the directors, as on 31st March, 2012 and taken on record by the Board of Directors, we report that none of the directors is disqualified as on March 31, 2012 from being appointed as a director in terms of clause (g) of sub-section (1) of Section 274 of the Companies Act, 1956;
 - (f) In our opinion, and to the best of our information and according to the explanations given to us, the said accounts give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - (i) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2012;
 - (ii) in the case of the Statement of Profit and Loss, of the profit of the Company for the year ended on that date; and
 - (iii) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

ANNEXURE TO THE AUDITORS' REPORT (Referred to in paragraph (3) of our report of even date)

(i) In respect of its fixed assets:

- (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) As explained to us, all the fixed assets have been physically verified by the Management in accordance with a programme of verification which in our opinion provides for physical verification of all the fixed assets at reasonable intervals having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us no material discrepancies were noticed on such verification.
- (c) In our opinion, the Company has not disposed off a substantial part of its fixed assets during the year and the going concern status of the Company is not affected.

(ii) In respect of its inventories:

- (a) As explained to us, the inventories of finished and semi-finished goods and raw materials at Factory were physically verified during the period by the Management. In our opinion, having regard to the nature and location of stocks, the frequency of verification is reasonable.
- (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of inventory. The discrepancies noticed on verification between the physical stocks and the book records were not material.

(iii) In respect of loans, secured or unsecured, granted or taken by the company to/from companies, firms or other parties covered in register maintained u/s. 301 of Companies Act, 1956:

- (a) The Company has not granted any loan to any party listed in the register maintained u/s. 301 of the Companies Act, 1956 under same management. The Company has taken interest free loans from 6 parties listed in the register maintained u/s. 301 of the Companies Act, 1956. The maximum amount involved during the year was ₹ 135511352/- and the year end balance of loans taken from such parties was ₹ 132541352/-
- (b) In our opinion and according to information and explanation given to us, we are of the opinion that the rate of interest and terms and conditions of the loans taken by the company are not prima facie prejudicial to the interest of the company.
- (c) There is no overdue amount of loan taken from or granted to companies, firm or other parties listed in the register maintained u/s. 301 of the Companies Act, 1956.
- (iv) In our opinion and according to the information and explanations given to us, there are adequate internal control procedures commensurate with the size of the Company and the nature of its business for the purchase of inventory and fixed assets and for the sale of goods and services and we have not observed any continuing failure to correct major weaknesses in such internal control system.
- (v) In respect of contracts or arrangements entered in the register maintained in pursuance of Section 301 of the Companies Act, 1956, to the best of our knowledge and belief and according to the information and explanations given to us:
 - (a) The particulars of contracts or arrangements referred to in Section 301 that need to be entered into the register maintained under the said section have been so entered.

- (b) In our opinion and having regard to our comments in paragraph (iv) above, the transactions exceeding the value of rupees five lakhs in respect of any party during the period have been made at prices which are prima facie, reasonable, having regard to prevailing market prices at the relevant time where such prices are available.
- (vi) As informed to us, the Company has not accepted any deposit from public.
- (vii) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.
- (viii) We have broadly reviewed the cost records maintained by the company pursuant to the Companies (Cost Accounting Records) Rules, 2011 prescribed by the Central Government under Section 209(1)(d) of the Companies Act, 1956 and we are of the opinion that prima facie the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determined whether they are accurate or complete.

(ix) In respect of Statutory Dues:

- (a) According to the information and explanations given to us, the Company has been generally regular in depositing undisputed statutory dues including provident fund, sales tax, service tax, customs duty, excise duty, cess and other material statutory dues applicable to it with the appropriate authorities during the period. We are informed that the E.S.I.C. Act is not applicable to the Company, as it falls in the revenue territory wherein the application is exempt.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of sales tax, customs duty, excise duty, cess and other material statutory dues applicable to it, were in arrears, as at 31st March, 2012 for a period of more than six months from the date they became payable except Income Tax payable for the AY: 2011-12 of ₹ 14943729/- which is in arrears, as at 31st March, 2012 for a period of more than six months from the date they became payable.
- (c) According to the information and explanations given to us, the disputed statutory dues aggregating ₹ 5665316/- that have not been deposited on account of disputed matter pending before appropriate authorities are as under:

Sr. No.	Name of the Statue	Nature of the Dues	Amount in ₹	Period to which the amount relates	Forum where dispute is pending

Significant Accounting Policies

1 Basis of Preparation of Financial Statement

(a) Basis of Accounting & preparation:

The financial statements are prepared on the accounting principles of a going concern. The Company follows accrual method of accounting and the financial statements have been prepared in accordance with the historical cost conventions which are in accordance with the Generally Accepted Accounting Principles and the provisions of the Companies Act, 1956. Accounting Policies not specifically referred to otherwise are consistent and in consonance with the applicable Accounting Standards prescribed by the Companies (Accounting Standards) Rules, 2006 to the extent applicable. All expenses and income to the extent ascertainable with reasonable certainty are accounted for on accrual basis.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained in point 2 below.

(b) Use of Estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities on the date of financial statements and reported amounts of revenue and expenses for that year.

Although these estimates are based upon management's best knowledge of current events and actions, accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to accounts to the financial statements.

2 Change in basis of presentation and disclosure of financial statements

During the year ended 31st March 2012, the revised Schedule VI notified under the Companies Act, 1956, has become mandatory to the Company for preparation and presentation of its financial statements. The adoption of Revised Schedule VI does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements. The Company has also re-grouped/re-classified the previous year figures in accordance with the requirements applicable in the current year.

3 Valuation of Inventory

Inventories are valued at the lower of cost and net realizable value. Costs of inventories comprise all cost of purchase, cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Cost of inventories is generally ascertained on the 'weighted average' basis.

All items of inventories as certified by the Management are valued on the basis mentioned above.

4 Cash Flow Statement

The Cash Flow Statement has been prepared under the 'Indirect Method" as set out in Accounting Standard 3 on Cash Flow Statement issued by the Institute of Chartered Accountants of India whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flow. The cash flows from operating, investing and financing activities of the Company are segregated.

Figures in bracket represent outflow in cash.

5 Prior Period Items

Prior period items means which arise in the current period as a result of 'errors' or 'omissions' in the financial statements prepared in earlier years, effects of changes in estimates of which are not treated as omission or error.

6 Tangible Assets

Fixed assets are stated at their original cost of acquisition less accumulated depreciation and impairment losses. Cost comprises of all costs incurred to bring the assets to their location and working condition and includes all expenses incurred up to the date of commercial utilisation.

Subsequent expenditure related to an item of fixed assets is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of Profit and Loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of fixed assets are measured as the difference between net disposal proceeds and the carrying amount of the asset and are recognised in the statement of Profit and Loss when the asset is derecognised.

Intangible assets includes software which has been written off over the period of license.

7 Depreciation

Depreciation in respect of all fixed assets has been calculated on written down value method under section 205 (2) (b) of the Companies Act, 1956 at the rates given in schedule XIV of the Companies Act, 1956 for the period and depreciation on addition of assets during the period has been provided on prorate basis.

8 Revenue Recognition

Sales and operating income includes sale of products, by-products and waste, and export incentives. Revenue from sale of goods is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer. Revenue from export sales are recognised on shipment basis. Sales are stated net of returns, excise duty and Sales Tax/VAT. Export incentives are accounted on accrual basis at the time of export of goods, if the entitlement can be estimated with reasonable accuracy and conditions precedent to claim are fulfilled.

Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable. Interest income is included under the head "other income" in the Statement of Profit and Loss.

Revenue from job work services is recognised based on the services rendered in accordance with the terms of contracts.

Dividend Income is recognised in the year in which it is declared / received.

9 Foreign Currency Transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities are translated into Rupees at the exchange rate prevailing at the Balance Sheet Date. All exchange differences are dealt with in Profit and Loss Account.

10 Investments

Investments are classified as long term or current based on intention of the management at the time of purchase.

Initially investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges.

Dividend re-invested in case of mutual funds is added to the value of investment in mutual funds while corresponding credit is recorded in the Profit and Loss Statement.

Current investments are carried in the financial statements at lower of cost and fair value. Long-term investments are stated at cost. A provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit & Loss.

11 Employee Benefit

Short-term employee benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the period in which the related service is rendered.

Post employment and other long term employee benefits are recognized as an expense in the profit and loss account for the period in which the employee has rendered services. The expense is recognized as per Accounting Standard 15 (Revised 2005) at the present value of the amount payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the profit and loss account.

Provident Fund of the Regional Provident Fund Commissioner is a defined contribution scheme, and contribution made to Regional Provident Fund Commissioner is charged to Profit & Loss Account.

Gratuity liability is defined benefit obligation and is provided for on the basis of actuarial valuation.

Liability of Leave encashment is accounted for on actual payment basis.

12 Borrowing Cost

Borrowing costs include interest, fees and other charges incurred in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition/construction of qualifying assets are capitalised as part of the cost of such asset up to the date when the asset is ready for its intended use. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Profit and Loss Account.

13 Earning Per Share

The Company reports basic and diluted Earning Per Share (EPS) in accordance with Accounting Standard (AS) – 20 on "Earning Per Share". The basic EPS is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period. Diluted EPS is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

14 Taxes on Income

Current Tax is determined as the amount of tax payable in respect of taxable income for the period. Deferred Tax Assets or Deferred Tax Liability is recognized on timing difference being the difference between taxable income and accounting income. Deferred Tax Assets or Differed Tax Liability is measured using the tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. Deferred Tax Assets arising from timing differences are recognized to the extent there is a reasonable certainty that the assets can be realized in future.

15 Impairment of Assets

An assets is considered as impaired in accordance with Accounting Standard (AS) – 28 "Impairment of Assets" when at balance sheet date there are indications of impairment and the carrying amount of the assets, or wherever applicable, the cash generating unit to which the asset belongs, exceeds it recoverable amount (i.e. the higher of the assets net selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as impairment loss in the Profit & Loss Account.

16 Provisions and Contingent Liabilities

A provision is recognised if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
