- o Fully implemented PML and KYC verifications including negative profile filtering

ALM trategy

- o Combination of short term and long term borrowings to match yield and maturities
- Good mix of floating and fixed rate loans to manage basis risks
- o Pricing matrix in place to price loans, with periodic review to capture interest rate movement

Robust Corporate Governance

Corporate Governance

Corporate Governance viewed as an ongoing process at LTFH

o Over and above regulatory requirements, corporate governance has a fundamental link with the organization's business, corporate responsibility and shareholder wealth maximization

Board of Directors

Board of Directors is broad based at LTFH level and at the material subsidiary level

- o LTFH board has 6 independent directors, more than that mandated by law
- o Presence of independent directors on the boards of all material subsidiary companies much before regulation made it mandatory
- o Directors on the boards come with rich experience in their respective fields

Committees

The boards at LTFH level and at the material subsidiary level have constituted the following committees to oversee specific areas:

- o Audit Committee, Shareholders' Grievance Committee, Nomination & Remuneration Committee, IPO Committee, Committee of Directors, Asset Liability Committee and Risk Management Committee
- o Most of these committees are headed by independent directors
