Total Comprehensive Income	277.71	(439.73)
Earnings per share	0.12	(1.32)

OPERATIONS AND PERFORMANCE

During the year under review, your Company recorded a turnover of ₹ 3,128.89 Lakhs, representing a 67% decline compared to the previous year. Despite the reduced revenue, the Company reported a Net Profit After Tax of ₹ 41.49 Lakhs, a significant turnaround from the Net Loss of ₹ 439.73 Lakhs in the previous year.

This improvement in profitability is attributed to the implementation of robust systems, regular review mechanisms, and enhanced planning and execution strategies. The Company's order book remains at a healthy level, providing a solid foundation for future growth.

There has also been notable progress in the timely collection of receivables from ongoing projects, contributing to improved cash flow. Additionally, prudent financial management helped keep finance costs under control.

CHANGE IN NATURE OF BUSINESS

There has been no change in the nature of business during the financial year under review, and the Company continues to operate in the field of construction activities.

In line with the company's long-term growth strategy and after receiving approval via postal ballot, we are pleased to announce the expansion of our business into additional sector. This diversification aims to enhance our overall business activities, drive greater revenue potential, and reduce exposure to sector-specific risks.

While we are entering new sectors, it is important to emphasize that our core business—Engineering, Procurement, and Construction will remain the foundation of our operations. The diversification will serve to complement and strengthen our existing business, rather than divert focus or resources from it. We remain fully committed to

maintaining our leadership and excellence within the construction industry, while the new ventures will contribute to the broader strategic vision of the company.

We believe this step will provide a balanced approach to growth, positioning us for sustainable success in the coming year

In terms of the Listing Regulations, the Auditors have confirmed that they hold a valid certificate issued by the Peer Review Board of the ICAI.

The Independent Auditors' Report(s) to the Members of the Company in respect of the Financial Statements for the Financial Year ended 31st March 2025 form part of this Annual Report and contains no qualification or adverse remarks or disclaimer with regard to the financial statements for the year ended 31st March 2025.

STATUTORY AUDITORS' - EMPHASIS OF MATTER:

The Statutory Auditors of the Company have included an Emphasis of Matter in their report for the financial year ended 31st March 2025. The said Emphasis of Matter does not constitute a qualification or modification of their opinion but has been included to draw attention to certain matters disclosed in the financial statements:

1. *We draw attention to the outstanding statutory due to Government authorities. Delays were observed in payment of Goods and Service Tax amounting to Rs.1,08,93,788 including interest thereon and in payment of Tax Deducted at Source amounting to Rs. 54,64,310, both of*

which were subsequently paid.

2. *The amount of Rs. 3,70,277 towards Employees' Provident Fund contributions including interest remains unremitted by the company. Our opinion is not modified in this regard.*
3. *MSME dues including interest amounting to Rs. 7,26,40,633 remain unpaid beyond the due dates. Our opinion is not modified in this regard.*
4. *We draw attention to the outstanding long-term loan from IDFC First Bank. During FY 2024-25, the loan repayments were not made as per the scheduled due dates and amounts specified in the repayment schedule and paid subsequently. Our opinion is not modified in this regard.*
5. *We draw attention to the revaluation of Plant & Machinery carried out during the quarter ended 31.03.2025, resulting in an increase of Rs. 3, 17,09,228 in the carrying value of assets and corresponding impact on Other Equity. Our opinion is not modified in this regard.*
6. *Due to the voluminous nature of transactions undertaken by the entity, we have not conducted comprehensive verification of the Goods and Services Tax (GST) and Input Tax Credit (ITC) claims. However, based on our review of the internal audit report and related records, we noted instances of mismatched credit, including cases where ITC pertaining to the State of Tamil Nadu was claimed under the GST registration of the State of Odisha. Our opinion is not modified in this regard.*

Management's response to the above emphasis of matters mentioned in the Auditors Report:

1. The Board notes the observation regarding delays in payment of Goods and Services Tax amounting to ₹ 1,08,93,788 (including interest) and Tax Deducted at Source amounting to ₹ 54,64,310. The delays occurred due to a change in management. Both amounts have since been paid in full and have no continuing impact on the Company's operations or financial position.

2. With reference to the unremitted difference in Provident Fund contributions during FY 2024–25, it was noted that the EPF portal does not provide an option to directly remit the differential amount. As per the guidance received from the EPFO, the difference is required to be remitted under the relevant heads for the respective month, followed by submission of the challan in the usual manner. The Company is in the process of completing this remittance, and the differential amount will be paid within the current month to regularize the same.
3. With reference to the observation regarding dues to Micro, Small and Medium Enterprises (MSMEs) amounting to ₹ 7,26,40,633 (including interest), the delay in payments has primarily been due to temporary cash flow constraints, operational delays and differences in invoice reconciliation. However, the Company has duly recognized the outstanding amounts to MSME in its books of accounts, in accordance with the requirements of the MSMED Act, 2006. We are actively coordinating with the MSME vendors to resolve outstanding issues and are committed to clearing the dues in a phased manner. The Company remains fully committed to compliance with all statutory obligations and is strengthening internal controls to ensure timely payments to MSMEs in the future.
4. We confirm that all outstanding dues, including the accumulated interest, were subsequently cleared towards the end of the period. The delay in servicing the scheduled instalments has since been addressed, and the Company is taking necessary steps to ensure timely compliance with repayment obligations going forward.
5. The Board notes the revaluation of Plant & Machinery carried out during the quarter ended 31st March 2025 to ensure that the assets are reflected at their fair value in the financial statements. The valuation, based on an inspection of construction equipment including concrete mixers, generators, and bar bending machines located at the warehouse

and stockyard, resulted in an increase of ₹ 3,17,09,228 in the carrying value of assets with a corresponding impact on Other Equity. This disclosure is for information purposes only and does not affect the Company's operational or financial position.

6. In October 2023, ITC of ₹ 27,97,434/- pertaining to the Tamil Nadu GST registration was claimed under the Odisha GST registration, resulting in duplication. The error was due to a lapse in state- wise ITC reconciliation with GSTR-2B. Corrective adjustments are being made in subsequent GST returns, and preventive measures include appointing a dedicated GST consultant and implementing GSTIN- specific monthly reconciliations.

DETAILS OF FRAUD

The Statutory Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Companies Act, 2013.

MATERIAL CHANGES AND COMMITMENTS AFFECTING FINANCIAL POSITION BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THE REPORT

Subsequent to the end of the financial year, the Company has undertaken certain material actions that will create impact in its capital structure and financial position:

The Company proposed the issue of 66,72,722 equity shares of face value ₹ 10/- each at a price of ₹ 40.05/- per share (including a premium of ₹ 30.05/-), on a preferential basis to certain identified allottees from both Promoter and Non-Promoter groups. The proposal was approved by the shareholders through postal ballot on March 27, 2025. In-principle approval for the same was received from BSE Limited on April 23, 2025. Pursuant to the said approvals, the Company allotted 16,49,840 equity shares aggregating to

₹ 6,60,76,092.00 to the respective allottees, and the listing approval for the same from BSE Limited was received on July 16, 2025.

During the above-mentioned period, the Company also approved the sub-division of every 1 (one) preference share of face value Rs 100/- each into 10 (ten) preference shares of face value ₹ 10/- each, in order to facilitate better capital structure flexibility.

Further, the Company reclassified its authorised share capital from ₹ 72,00,00,000/- (Rupees Seventy-Two Crores only), divided into 4,00,00,000 equity shares of ₹ 10/- each and 3,20,00,000 preference shares of ₹ 10/- each, to ₹ 72,00,00,000/- divided into 5,20,00,000 equity shares of ₹ 10/- each and 2,00,00,000 preference shares of ₹ 10/- each. Consequently, Clause V of the Memorandum of Association of the Company was amended accordingly.

PAYMENT OF FINE TO STOCK EXCHANGE

During the year under review, the Company inadvertently missed filing the outcome of the Board Meeting held on May 24, 2024, along with the Statement of Impact of Audit Qualification, as required under the SEBI (LODR) Regulations. Consequently, the Bombay Stock Exchange (BSE) raised a query and levied a penalty of ₹ 1,05,000/- (excluding GST) for the said non-disclosure.

In line with the principles of good corporate governance and to uphold regulatory compliance standards, the Company has made the payment of the imposed penalty to the BSE. Simultaneously, the Company has also filed a waiver application with the Stock Exchange, which is currently under consideration.

The Company remains committed to ensuring strict compliance with all applicable regulatory requirements and is taking necessary steps to strengthen its internal compliance mechanisms to avoid such instances in the future.

SIGNIFICANT & MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS

The Company has not received any significant material orders passed by the regulators or courts or tribunals impacting on the going concern status and company's operations in future.

ACKNOWLEDGEMENT

Your directors take this opportunity to thank the Customers, Banks, the Government of India, the Government of Tamil Nadu, Stock Exchange and all the Stakeholders and employees of for their continued co-operation, support and assistance extended to the Company.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR 2024-25

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

The Members,

Coromandel Engineering Company Limited

CIN: L74910TN1947PLC000343

Bascon Futura, New No. 10/2, Old No. 56L,

Venkatanarayana Road, T. Nagar,

Chennai – 600 017

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Coromandel Engineering Company Limited** (CIN: L74910TN1947PLC000343) hereinafter called the “Company”). Secretarial Audit was conducted in a manner that provided me with a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2025 according to the provisions of:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Indian Construction Sector – Overview and Way Forward

India's construction sector, valued at approximately USD 1.4 trillion, is set to maintain strong momentum, fuelled by steady economic growth and sustained infrastructure investments. With real GDP projected to grow at 6.3% in FY 2025-26 and 6.4% in FY 2026-27, the sector will benefit from rising real incomes, moderate inflation, and an improving labour market, all of which support robust demand for housing, commercial spaces, and infrastructure.

Fiscal consolidation, with the budget deficit expected to narrow to 4.4% of GDP in FY 2025-26, combined with improved tax administration and streamlined regulatory processes, will strengthen investor confidence in the domestic market.

The sector's way forward lies in leveraging opportunities in urban and semi-urban housing, expansion of logistics and the adoption of green and sustainable building practices. Policy reforms in land management, faster project approvals, and enhanced execution capabilities will be critical to unlocking its next phase of growth within the Indian market.

Industry Overview

The construction industry is a cornerstone of India's development agenda, providing the physical framework for economic activity and social progress. It spans a wide spectrum of activities, from large-scale infrastructure such as highways, ports, and industrial corridors to residential, commercial, and institutional buildings. With urbanisation accelerating and cities expanding, the demand for housing, public utilities, and transport connectivity continues to grow steadily.

The industry also benefits from the increasing participation of private developers in industrial and warehousing facilities, educational and healthcare infrastructure, and renewable energy projects. At the same time, competition remains high, especially in the institutional and government contracting

space, where pricing pressures can be significant. The sector faces operational challenges such as raw material cost swings, skilled manpower gaps, and

the need for faster adoption of mechanisation to meet tight deadlines.

Despite these challenges, the medium- to long-term outlook is favourable, with infrastructure development remaining a policy priority and urban expansion ensuring a steady flow of opportunities for capable and well-managed construction companies.

Company Overview – Legacy of 78 Years

Founded in 1947, Coromandel Engineering Company Limited (CECL) is one of India's oldest and most respected construction companies, with a track record that spans more than seven decades. From its early beginnings in post-independence India to its current role in delivering complex, large-scale projects, CECL has consistently demonstrated engineering excellence, timely execution, and an unwavering commitment to quality.

Over the years, the Company has successfully executed a diverse project portfolio covering residential developments, commercial complexes, industrial plants, institutional buildings, and specialised infrastructure works. Many of these projects have become recognisable landmarks, reflecting CECL's ability to adapt designs and construction methods to client needs while maintaining the highest standards of safety and durability.

CECL's operations are strongly supported by:

- **Strong project management capabilities**, ensuring efficient coordination across design, procurement, and site execution.
- **An experienced leadership team** supported by a skilled and safety-conscious workforce.
- **Integration of modern construction technologies** such as mechanised equipment, prefabrication methods, and sustainable building practices.
- **Long-standing client relationships**, with a significant share of business coming from repeat customers in both public and private sectors.

The Company's reputation is built not only on its technical capabilities but also on its ability to

foster trust — delivering projects on schedule and within budget, even in challenging operating environments. With a blend of legacy strengths and a forward-looking approach, CECL is well-positioned to capitalise on emerging opportunities in India's rapidly evolving construction landscape.

CECL's Core Services & Offerings

CECL operates across a wide spectrum of construction and infrastructure domains, including:

Residential Flats & Joint Venture Projects

We design and develop high-quality residential flats, blending modern amenities with optimal space utilisation. Our joint venture projects bring together strategic partnerships to create premium housing solutions that align with evolving lifestyle needs.

Rural Housing Solutions

CECL provides durable and cost-effective housing tailored to rural communities, focusing on accessibility, climate resilience, and cultural relevance. Our designs aim to uplift living standards while maintaining affordability.

Urban Infrastructure Projects

From roads and drainage systems to public utilities, we deliver critical urban infrastructure that improves mobility, safety, and sustainability. These projects address the growing needs of expanding cities and contribute to long-term urban planning.

Industrial Infrastructure & Factory Spaces

We construct robust industrial units and factory spaces equipped for large-scale production and logistics. These facilities are built to comply with industry standards, ensuring operational efficiency and worker safety.

Commercial Building Structures

Our commercial projects include office complexes, retail outlets, and mixed-use developments designed for functionality and aesthetic appeal. We focus on energy efficiency and modern architectural trends to attract and retain businesses.

In addition to its core construction services, CECL also undertakes initiatives that contribute to the community. Recently, the Company constructed a shade structure and provided paving tiles for the student walkway at Avvai School in Tambaram,

thereby supporting a safe and comfortable environment for students

Market & Industry Drivers

Government Initiatives

The initiatives undertaken by CECL (Coromandel Engineering Company Limited) are closely aligned with several key government programs that are shaping India's infrastructure and urban development landscape.

- **Pradhan Mantri Awas Yojana (PMAY)** – expanding affordable housing
- **Bharatmala & Sagarmala Projects** – accelerating road and port connectivity
- **Smart Cities Mission** – enabling next-generation urban development

Opportunities

Several factors are acting as strong growth catalysts for CECL's operations. The ongoing trend of rapid urbanization is significantly increasing the demand for both residential and commercial spaces, providing a robust pipeline of opportunities for the construction sector. The adoption of modern technologies such as Building Information Modelling (BIM) and prefabrication techniques is also enhancing project speed, accuracy, and cost efficiency. Moreover, there is a growing emphasis on green buildings and sustainable construction practices, which aligns with CECL's commitment to environmentally responsible development. These combined factors position CECL as a forward-thinking player in India's infrastructure and real estate growth story.

Risks and Threats

- **Raw Material Price Volatility** – Fluctuations in the prices of cement, steel, and other construction materials can significantly affect project costs and profitability.
- **Labour Availability and Productivity** – Shortages of skilled and semi-skilled manpower, particularly during peak demand, may cause execution delays.
- **Regulatory and Approval Delays** – Delays in obtaining statutory clearances can disrupt timelines and increase project costs.
- **Execution Delays and Cost Overruns** – Site-specific challenges, design modifications, or

unforeseen conditions may result in extended schedules and budget overruns.

- **Market Demand Fluctuations** – Economic slowdowns or shifts in real estate demand patterns can affect the pipeline of new projects.
- **Environmental, Health and Safety (EHS) Risks** – Construction activities carry inherent safety hazards and environmental impact risks.
- **Competition and Pricing Pressure** – Intense competition, especially in tender-based projects, can lead to margin compression.

Mitigation Measures

The mitigation measures outlined correspond to the specific risks identified, addressing their potential impact effectively.

1. **Strategic Procurement** – Entering into long-term supply contracts, maintaining a diversified supplier base, and applying value engineering to optimise material usage.
2. **Workforce Development** – Retaining a trained in-house team, partnering with multiple labour contractors, and investing in skill enhancement programs.
3. **Proactive Compliance Management** – Maintaining strong relationships with regulatory bodies, ensuring timely submissions, and incorporating realistic approval timelines in project plans.
4. **Robust Project Management** – Using detailed scheduling, technology-enabled monitoring, and contingency planning to control delays and cost overruns.
5. **Portfolio Diversification** – Balancing exposure across residential, commercial, and industrial segments and targeting both private and public sector projects.
6. **Environmental, Health and Safety Protocols** – Enforcing strict safety and environmental standards, conducting regular training, and complying with statutory norms.
7. **Value-Based Differentiation** – Focusing on quality execution, adherence to deadlines, and relationship-driven client engagement to secure repeat orders.

Internal Control & Governance

CECL maintains a robust internal control system

supported by a dedicated Audit Committee that ensures:

- Compliance with statutory obligations
- Periodic review of audit reports and control mechanisms
- Timely updates on regulatory changes

Additionally, the Audit Committee ensures that the organization stays well-informed and responsive to changes in the regulatory landscape, enabling swift adaptation to new legal and compliance requirements. CECL's governance structure is built on the core principles of transparency, financial prudence, and operational efficiency. These values are deeply embedded in the company's decision-making processes and day-to-day operations, fostering a culture of integrity and trust.

Outlook – CECL's Strategic Direction

With India's construction market projected to reach an estimated \$1.4 trillion by 2025, CECL is strategically positioned to harness this unprecedented growth potential. The company has laid out a clear and ambitious roadmap to expand its capabilities and market presence. Expansion into **EPC services** with integrated Architecture, Structural, HVAC, Electrical & Sanitary Solutions

Summary of Financial Results:

- Investment in BIM and Prefab technologies to improve turnaround and efficiency
- Targeting a turnover of ₹50 Crores by March 2026

Looking ahead, CECL envisions transforming itself into a comprehensive one-stop construction solutions provider, catering to diverse client needs across the residential, commercial, and industrial sectors. By strengthening its footprint both within India and in select international markets, CECL is committed to delivering innovation, quality, and excellence at every stage of the construction lifecycle.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COROMANDEL ENGINEERING COMPANY LIMITED

Report on the audit of Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of COROMANDEL ENGINEERING COMPANY LIMITED ("the Company"), which comprises the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence

we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the outstanding statutory dues to Government authorities. Delays were observed in payment of Goods and Service Tax amounting to ₹1,08,93,788 including interest thereon and in payment of Tax Deducted at Source amounting to ₹54,64,310, both of which were subsequently paid. The amount of ₹ 3,70,277 towards Employees' Provident Fund contributions including interest remains unremitted by the company. Our opinion is not modified in this regard.

MSME dues including interest amounting to ₹ 7,26,40,633 remain unpaid beyond the due dates. Our opinion is not modified in this regard.

We draw attention to the outstanding long-term loan from IDFC First Bank. During FY 2024-25, the loan repayments were not made as per the scheduled due dates and amounts specified in the repayment schedule and paid subsequently. Our opinion is not modified in this regard.

We draw attention to the revaluation of Plant & Machinery carried out during the quarter ended 31.03.2025, resulting in an increase of ₹3,17,09,228 in the carrying value of assets and corresponding impact on Other Equity. Our opinion is not modified in this regard.

Due to the voluminous nature of transactions undertaken by the entity, we have not conducted comprehensive verification of the Goods and Services Tax (GST) and Input Tax Credit (ITC) claims. However, based on our review of the internal audit report and related records, we noted instances of mismatched credit, including cases where ITC pertaining to the State of Tamil Nadu was claimed under the GST registration of the State of Odisha. Our opinion is not modified in this regard.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were

addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

<p>A) Existence and impairment of Trade Receivables</p> <p>Trade Receivables are significant to the Company's financial statements. The Collectability of trade receivables is a key element of the company's working capital management, which is managed on an ongoing basis by its management. Due to the nature of the Business and the requirements of customers, various contract terms are in place which impacts the timing of revenue recognition. There is a significant element of judgement. Given the magnitude and judgement involved in the impairment assessment of trade receivables, we have identified this as a key audit matter.</p>	<p>We performed audit procedures on existence of trade receivables, which included substantive testing of revenue transactions, obtaining trade receivable external confirmations and testing the subsequent payments received. Assessing the impact of trade receivables requires judgement and we evaluated management's assumptions in determining the provision for impairment of trade receivables, by analyzing the ageing of receivables, assessing significant overdue individual trade receivables and specific local risks, combined with the legal documentations, where applicable.</p> <p>In calculating the Expected Credit Loss as per Ind AS 109 – "Financial Instruments", the company has also considered the estimation of probable future customer default and has taken into account an estimation of its possible effect.</p> <p>We tested the timing of revenue and trade receivables recognition based on the terms agreed with the customers. We also reviewed, on a sample basis, terms of the contract with the customers, invoices raised, etc., as a part of our audit procedures.</p> <p>Furthermore, we assessed the appropriateness of the disclosures made in note 10 to the financial statements.</p>
<p>B) Revenue recognition (IND AS 115)</p> <p>The application of the standard on recognition of revenue involves significant judgement and estimates made by the management which includes identification of performance obligations contained in contracts, determination of the most appropriate method for recognition of revenue relating to the identified performance obligations, assessment of transaction price and allocation of the assessed price to the individual performance obligations. In case of Fixed Price Contracts Revenue is recognized using the Percentage of Completion computed as per Input method. There exists an inherent risk and presumed fraud risk around the accuracy and existence of revenues. These contracts may involve onerous obligations which requires critical assessment of foreseeable losses to be made by the Group.</p>	<p>Audit procedure involved review of the company's IND AS 115 implementation process and key judgements made by management, evaluation of customer contracts in light of IND AS 115 on sample basis and comparison of the same with management's evaluation and assessment of design and operating effectiveness of internal controls relating to revenue recognition.</p> <p>Based on the procedures performed, it is concluded that management's judgements with respect to recognition and measurement of revenue in light of IND AS 115 is appropriate.</p> <p>Furthermore, the appropriateness of the disclosures made in note 23 to the financial statements was assessed</p>

<p>C) Recognition and measurement of deferred taxes</p> <p>The recognition and measurement of deferred tax items requires determination of differences between the recognition and the measurement of assets, liabilities, income and expenses in accordance with the Income Tax Act and other applicable tax laws including application of ICDS and financial reporting in accordance with IND AS.</p> <p>This involves significant calculations requiring detailed knowledge of applicable tax laws.</p>	<p>The key matter was addressed by performing audit procedures which involved assessment of underlying process and evaluation of internal financial controls with respect to measurement of deferred tax and re-performance of calculations and assessment of the items leading to recognition of deferred tax in light of prevailing tax laws and applicable financial reporting standards on sample basis.</p> <p>Based on the representation provided by the management, the deferred tax assets are being recognized by the company and accounted for.</p> <p>Furthermore, disclosures are made in note 7 to the financial statements.</p>
<p>D) Contingent Liability</p> <p>Assessment of Provisions for taxation, litigations and claims: As at 31st March 2025 Coromandel Engineering Company Limited had disputed dues to the tune of ₹ 407.49 lakhs.</p>	<p>The Audit addressed this Key Audit Matter by reviewing correspondence with tax Authorities.</p> <p>Discussing significant litigations and claims with the Company's Internal Legal Team.</p> <p>Reviewing previous judgements made by relevant tax Authorities and opinions given by Company's advisors.</p> <p>Assessing the reliability of the past estimates of the management.</p> <p>Based on the procedures performed, it is concluded that the management's assessment of the outcome of pending litigations and claims is appropriate.</p> <p>Furthermore, the appropriateness of the disclosures made in note 30 to the financial statements was assessed.</p>
<p>E) Accuracy of Unbilled Revenues in Civil Contracts:</p> <p>Unbilled Revenue in Civil Contracts operations is a critical estimate to determine the revenues. This estimate has a high risk of uncertainty as it requires consideration of progress of the work done, efforts till date and efforts to complete the remaining contract performance obligations.</p>	<p>Audit Procedure involved evaluating the design of the Internal Controls relating to recording of efforts incurred and estimation of efforts incurred to complete the performance obligations.</p> <p>Performed analytical Procedure and test of details for reasonableness of incurred and estimated efforts.</p> <p>The audit procedures performed did not lead to identification of any material misstatement with respect to recognition and measurement of unbilled revenue.</p>

<p>F) Inventory WIP:</p> <p>Management judgement is required to establish the carrying value of inventory particularly in relation to determining the appropriate level of provisions in relation to obsolete and Surplus items.</p> <p>The judgement reflects that inventory is held to support company's operations which results in the company holding inventory for extended periods before utilization. In cases of disputes with land owners we have relied on Management Representation.</p>	<p>Physical Verification of Inventory was conducted as on 31st March 2025. With respect to the Net Realizable Value, principles of IndAS-2 (Inventories) has not been complied as the Net Realizable Value of Inventories could not be determined due to the nature of the industry and hence inventories in books are recoded at weighted average cost basis. However, this policy of accounting inventory at weight average cost basis has been consistently followed by the entity. With respect to the Net Realizable value of Inventory the company has provided Management Representations that there is no significant impact as all contracts are based on fixed prices.</p> <p>Future salability of inventory was assessed based on past track records.</p> <p>Based on the audit procedure performed, no material discrepancies were identified.</p>

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report but does not include the financial statements and our report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total

comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis

of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public

disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (here in after referred to as the "Order") and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of the Independent Auditor’s Report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **COROMANDEL ENGINEERING COMPANY LIMITED** (“the Company”) as of 31st March 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the

Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability

of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting,

including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

CORPORATE INFORMATION

Coromandel Engineering Company Limited (CEC) was incorporated as a Public Limited Company in the year 1947 and the Equity Shares of the Company are listed in BSE Ltd. CEC is in the business of Construction and Property Development.

APPLICATION OF NEW AND REVISED IND AS

The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules 2015.

MATERIAL ACCOUNTING POLICIES

3.1 Basis of preparation and presentation of Financial Statements

The financial statements have been prepared and presented in accordance with the Indian Accounting Standards (Ind AS) as prescribed by the Companies (Indian Accounting Standards) Rules, 2015 and Schedule III of the Companies Act, 2013 ("the Act"). The financial statements are presented in Indian Rupees (INR), which is also the functional currency. The financial statements have been prepared under the historical cost convention, except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such

a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use as in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- b) Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly;
- c) Level 3 inputs are unobservable inputs for the asset or liability;

3.2 Use of estimates and judgements

The preparation of the financial statements requires the management to make estimates, assumptions and judgements that affect the reported amount of assets and liabilities, income and expenses. Actual amounts could differ from these estimates.

Estimates and underlying assumptions are reviewed on an on going basis.

Revisions to accounting estimates are recognized prospectively.

Judgements are made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements.

3.3 Property, Plant and Equipment

Property, Plant and Equipment are valued at historical cost less accumulated depreciation. Cost includes related taxes, duties, freight, insurance

etc. attributable to acquisition and installation of assets and borrowing costs incurred up to the date of commencing operations. Impairment loss is recognised, where applicable; when the carrying value of fixed assets exceeds its market value or the value in use, whichever is higher.

3.4 Leases: Right-of-use asset and Lease liabilities

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the company. Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the fixed payments (including in-substance fixed payments), less any lease incentives receivable.

The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, the lessee's incremental borrowing rate is used. Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease tenure.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs, and
- restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

Payments associated with short-term leases of property, plant and office equipment and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less.

3.5 Depreciation

Depreciation on tangible assets is provided as per revised useful life contained in Schedule II of the Companies Act, 2013.

3.6 Intangible Assets and amortization

Intangible assets (computer software) acquired separately are carried at cost less accumulated amortization. Amortization is recognized on a straight-line basis over their estimated useful life as determined under Schedule II of the Companies Act, 2013.

3.7 Investments in equity instruments at FVTOCI

On initial recognition, the Company had made an irrevocable election on instrument by instrument basis, pertaining to investment in equity instruments, to present the subsequent changes in fair value in other comprehensive income .

Dividend on these investments is recognized when the Company's right to receive the dividend is established and recognized in profit and loss in "other income" head..

3.8 Inventories

Materials at site are valued at cost on Weighted Average Method. Work-in-Progress in respect of contracts till attaining a reasonable progress level and in property development, till significant risks and rewards of ownership are

transferred, is valued at cost plus proportionate overheads. Unsold land is valued at cost.

3.9 Revenue Recognition

Revenue is recognized to the extent that is probable that the economic benefits will flow to the Company and the revenue can be measured, irrespective of when the payment is being made. Revenue is measured at the fair value of the billing whether received or to be received, net of taxes collected on behalf of the Government.

- i. Revenue in respect of Construction Contracts, is recognised on percentage of completion method.

- ii. In case of Property development, Percentage of completion is arrived at as the proportion of costs incurred (including directly attributable borrowing costs) up to the Balance Sheet date to the estimated total project costs.
- iii. In case of indivisible works contracts, revenues are recognized on percentage completion method, synchronised to the billing schedules agreed by the customers.
- iv. Revenue in respect of billed and unbilled contracts/property development in progress includes recognised profits based on percentage of completion and retention on bills. Provision for expected losses is made irrespective of percentage of completion.
- v. Revenue from Property Development activity is recognised when significant risks and rewards of ownership in the land and/ or building are transferred to the customers.
- vi. Bill raised for value of work done in respect of completed and ongoing contracts including retention on bill is disclosed as proceeds on contracts.
- vii. Sale of goods is recognized when the goods are delivered and titles have passed.
- viii. Sales are recorded net of trade discounts/ rebates exclusive of taxes collected on behalf of Government.

3.10 Other Income

- i. Dividend Income from investments is recognized when the right to receive payment has been established.
- ii. Interest Income from a financial asset is recognized and accrued on time proportion basis.
- iii. Insurance claims are accounted on the basis of claims admitted and to the extent amount recoverable can be measured reliably.

3.11 Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of assets that necessarily takes substantial period of time to get ready for intended use are treated as part of the cost of such assets. Borrowing costs attributable to unsold properties that are under development are inventorised and charged to revenue as and when they are sold. All other borrowing costs are recognized in profit and loss in the period they are incurred.

3.12 Employee Benefits

Short term

Short term employee benefits, including accumulated compensated absences, are recognized as an expense as per the Company's scheme, based on expected obligations on undiscounted basis.

Long term

- i. Leave encashment

This is recognized at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by the employees upto the reporting date.

- ii. Provident Fund

Contributions are made to the Company's Employees Provident Fund Trust in accordance with the fund rules. The interest rate payable by the trust to the beneficiaries every year is notified by the Government. The company has an obligation to make good the shortfall, if any, between the return from the investments of the trust and the notified interest rate.

The company is in the process of surrendering all the trust accounts of PF to the Employees Provident Fund (EPF), thus employee contribution hereafter being directly remitted to EPF.

iii. Superannuation

This is defined contribution plan. Fixed contributions to the Superannuation Fund administered by trustees and managed by Life Insurance Corporation of India are charged to the Statement of Profit and Loss. The Company has no further obligations for future superannuation benefits other than its annual contributions and recognizes such contributions as an expense in the year incurred.

iv. Gratuity

The Company makes annual contributions to a Gratuity Fund administered by trustees and managed by Life Insurance Corporation of India (LIC). Liability for future gratuity benefits is accounted based on actuarial valuation, as at the Balance Sheet date, determined by independent Actuary.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to asset ceiling (if any) and the return on plan assets (excluding net interest), is recognized in Other Comprehensive income in the period in which they occur and this is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of plan amendment.

3.13 Taxation

Provision for current tax is made based on the liability computed in accordance with the relevant tax rates and tax laws. Current income tax assets and liabilities are measured at the amount expected to be received or payable to taxation authorities.

Deferred tax is recognized on temporary differences between the carrying amount of assets and liabilities in the financial statements and corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible tax differences to the extent that it is probable that taxable profit will be available against which those deductible temporary differences can be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

3.14 Provisions & Contingent Liabilities/ Assets:

Provisions are recognized for known liabilities that can be measured where the Company has a present obligation as a result of past event. It is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of obligation.

Contingent Liabilities are disclosed for possible obligation which will be confirmed only by future events not wholly within the control of the Company or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognized in the financial statements.

3.15 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expenses or income related to the dilutive potential equity shares by the weighted average number of equity shares considered for basic earnings per share and the weighted average number of equity shares including those which could have been issued on the conversion of all dilutive potential equity shares.

3.16 Cash flow statement

Cash flows are reported using the indirect method, whereby the profit/ (loss) and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The Cash flows from operating,

investing and financing activities of the Company are segregated based on available information.

For this purpose, cash comprises of cash on hand and demand deposits with banks. Cash equivalents are short term balances with original maturity of three months or less from the date of acquisition, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.17 Financial instruments

Financial assets and liabilities are recognized where the Company becomes a party to the contractual provisions of the instruments. They are initially measured at fair value.

All regular purchases or sale of financial assets are recognized or derecognized on a trade date basis.

All recognized financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Debt and equity instruments issued by a Company are classified as either financial liabilities or equity in accordance with the substance of the contractual arrangements and the definition of financial liabilities and equity instrument.

3.18 Operating cycle

Based on the nature of activities of the Company and the normal time between acquisition of assets and their realization into cash/cash equivalents, the operating cycle has been determined as 12 months for the purpose of classification of its assets and liabilities.

Employee Benefits

a) Defined Contribution plans :

The Company operates defined contribution retirement benefit plans for all qualifying employees. The assets of the plans are held separately from those of the Company under the control of trustees. When any employee leaves the plans before full vesting of contributions, the contributions payable by the Company are reduced by the amount of contributions forfeited by said employee.

Contribution to Provident fund and Other funds under defined contribution plans are as follows : (₹ in lakhs)

	2024-25	2023-24
Amount recognised in Profit and Loss for the year	52.00	52.14

b) Defined benefit plans :

The Company offers funded defined benefit plans for employees. Under the plans, the employees are entitled to post-retirement benefits amounting to 57.69% of last drawn monthly salary for each year of completed service until retirement age or resignation, subject to having specified years of service with the Company. The defined benefit plans are administered by separate funds, independent of the Company.

The above plans expose the Company to actuarial risks such as Investment, Interest rate, salary and longevity risk. These risks typically arise out of movement in market yields, interest rate movements, rate of increase in salary of participants and their tenure with the Company. Some of the risks are partially offset by counter gains of the fund.

No other Post-retirement benefits are provided to the employees.

The actuarial valuation of the plan assets and present value of defined benefit obligation were carried out as at 31st March, 2025 by a certified actuary of the Institute of Actuaries of India. The present value of defined benefit obligation and the related current service cost and past service cost, were measured using the projected unit credit method.

NOTES

1. The Explanatory Statement pursuant to Section 102 read with Section 110 of the Companies Act, 2013 ("the Act") setting out the material facts and reasons in respect of the resolution as set out above, is annexed hereto and forms part of this Notice.
2. General instructions for accessing and participating in the 77th AGM through VC Facility and voting through electronic means including remote e-Voting:

The 77th Annual General meeting (AGM) of the company will be held over Video Conferencing ("VC") in compliance with framework issued by the Ministry of Corporate Affairs through its Circular No. 20/2020 dated May 05, 2020 read with Circular No. 14/2020 dated April, 08, 2020, Circular no. 17/2020 dated April 13, 2020, Circular No. 02/2021 dated January 13, 2021, Circular No. 21/2021 dated December 14, 2021, Circular No. 02/2022 dated May 5, 2022, Circular No. 10/2022 dated 28th December, 2022, Circular No.9/2023 dated 25th September 2023, SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, Circular no. SEBI/HO/CFD/CMD21/CIR/P/2021/11 dated 15th January, 2021, Circular no. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 and Circular no. SEBI/HO/CFD/PoD- 2/P/CIR/2023/4 dated January 5, 2023 and SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 3, 2024 ("Circulars") in compliance with this Circulars issued by the Securities and Exchange Board of India in this regard. The deemed venue for the 77th AGM shall be the Registered Office of the Company from where the Company Secretary of the Company would be convening and attending the AGM.

Since the AGM is being held over video conferencing where physical attendance of members in any case has been dispensed, a member entitled to attend and vote at the meeting will not be eligible to appoint proxies to attend the meeting instead of him/her.

Accordingly, the proxy form and attendance slip are not attached to this notice and the resultant requirement for submission of proxy forms does not arise.

3. The Register of Members and the Share Transfer Books of the Company shall remain closed from **Thursday, 11th September 2025 to Thursday, 18th September 2025 (both days inclusive)**, for the purpose of Annual General Meeting.
4. Corporate members intending to attend the Meeting are requested to send to the Company a certified scanned copy of the Board Resolution authorizing their representatives to attend the AGM through VC and vote on its behalf. The said resolution/ authorization shall be sent to the following e-mail address vidhyacsoffice@gmail.com with a copy marked to evoting@kfintech.com.
5. Members may note that the VC Facility provided by KFin Technologies Limited (Formerly known as KFin Technologies Private Limited) allows participation of up to 1,000 Members on a first-come-first-served basis. The large shareholders (i.e. shareholders holding 2% or more shareholding), promoters, institutional investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, etc. can attend the 77th AGM without any restriction on account of first-come first- served basis, in accordance with the circulars issued by MCA in this regard.
6. The Member's log-in to the Video Conferencing platform using the remote e-voting credentials shall be considered for record of attendance at the AGM and members attending the AGM through VC shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
7. Since the AGM will be held through VC, the Route Map is not annexed in this Notice.

8. The register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the register of contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the notice will be available for inspection in electronic mode. ANNEXURE TO THE NOTICE

STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 3

Pursuant to recent amendments to Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), a listed entity is required to appoint a Secretarial Audit firm for up to two terms of five consecutive years, subject to the approval of its Members at their Annual General Meeting.

In this regard, based on the recommendation of the Audit Committee, the Board of Directors, at its meeting held on August 13, 2025, approved the appointment of M/s. Nithya Gokul & Associates, Practicing Company Secretaries (FCS No.9221, CP No. 10804), as the Secretarial Auditor for five years commencing from financial year 2025-2026 to financial year 2029-2030, subject to Members' approval, after taking into account the eligibility of the firm's qualification, experience, independent assessment, competency and Company's previous experience based on the evaluation of the quality of audit work done by them in the past.

The Company has received a consent letter, confirming their willingness to undertake the Secretarial Audit and issue the Secretarial Audit Report in accordance with Section 204 of the Act along with other applicable provisions, if any, under the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended M/s. Nithya Gokul & Associates, hereby affirms its compliance with Regulation 24A(1B) of the Listing Regulations in providing services to the Company.

Further, M/s. Nithya Gokul & Associates confirms that they hold a valid peer review certificate issued by ICSI and it fulfills all eligibility criteria and has not incurred any disqualifications for appointments, as outlined in the SEBI circular dated December 31, 2024.

The Board of Directors has approved remuneration of ₹ 1,00,000/- plus applicable taxes and out of pocket expenses for financial year 2025-2026 and for subsequent 4 years of term, such fee be payable as may be determined by the Board, based on recommendation of Audit Committee in

consultation with M/s. Nithya Gokul & Associates.

Besides the audit services, the Company would also obtain permitted services which are to be mandatorily received from the Secretarial Auditor under various statutory regulations from time to time, for which M/s. Nithya Gokul & Associates will be remunerated separately on mutually agreed terms.

The Board of Directors may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Secretarial Auditor.

None of the Directors, Key Managerial Personnel (KMP) and their relatives are, in any way, concerned or interested in the resolution at Item No. 3 of the accompanying Notice. The Board recommends the Ordinary Resolution at Item No. 3 of the accompanying Notice for approval by the Members of the Company.

Item No: 4

As per the provisions of Section 188 of the Companies Act, 2013 ("Act"), transactions with related parties which are on an arm's length basis and in the ordinary course of business, are exempted from the obligation of obtaining prior approval of shareholders. However, Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('SEBI Listing Regulations'), as amended, any transactions with a related party shall be considered material, if the transaction(s) entered into/to be entered into individually or taken together with the previous transactions during a financial year exceeds 1,000 Crores or 10% of annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower, and shall require prior approval of shareholders by means of an ordinary resolution. The said limits are applicable, even if the transactions are in the ordinary course of business of the company concerned and at an arm's length basis.

Additionally, SEBI vide its circular dated 08th April, 2022 also clarified that “In order to facilitate listed entities to align their processes to conduct AGMs and obtain omnibus shareholders’ approval for material RPTs it has been decided to specify that the members approval of omnibus RPTs approved in an AGM shall be valid upto the date of the next AGM for a period not exceeding fifteen months and in case of omnibus approvals for material RPTs, obtained from members in General Meetings other than AGMs, the validity of such omnibus approvals shall not exceed one year”.

Given the nature of the industry, the Company works closely with its related parties to achieve its business objectives and enters into various operational transactions with its related parties, from time to time, in the ordinary course of business and on arm’s length basis.

It is in the above context that, Resolution No(s). 6 is placed for the approval of the Members of the Company. Your Company seeks approval of the Members of the Company in terms of Regulation 23 of the Listing Regulations, by way of passing of an Ordinary Resolution to the aforesaid Material Related Party Transactions to be entered from 77th Annual General Meeting [18th September 2025] till the date of 78th Annual General Meeting.
