

Annual Report 2017-18

Forward Looking Statement

In this Annual Report, we have disclosed forward-looking information to enable investors to understand our prospects and take investment decisions. This report and other statements - written and oral - that we periodically make contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes' and words of similar substance in connection with discussion of future performance.

We cannot guarantee that these forward-looking statements will be realized, although we believe we have been prudent in making the assumptions. The achievements of results are subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialize or should underlying assumption prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should keep this in mind. We undertake no obligation to publicly update and forward-looking statements, whether as a result of new information, future events or otherwise.

Commercial Engineers & Body Builders Co. Ltd.

MESSAGE FROM BOARD OF DIRECTORS

Dear Shareholders,

We wish to place before you, the performance of your Company in the year gone by and share thoughts on Company's growth journey in the future.

During the year, the Company recorded sales (Net of Excise Duty/GST) of Rs. 9,717 Lakhs as compared to Rs. 10,534 lakhs for FY 2016-17, which is 7.8% lower. The loss for the year was Rs 3,691 lakhs as compared to loss of Rs 3,560 lakhs during the previous financial year.

Our fortunes mainly depend on Medium and Heavy Duty Commercial vehicle (M & HCV) industry. On account of change in emission norms and partly due to change in indirect tax regime, demand from M & HCV OEMs during the first two quarters of fiscal 2018 did not grow. Post this period and in the recent past, the demand has been robust.

However, the Company continues to be severally constrained on the working capital front and hence we were unable to take benefit of market expansion.

We could get the funding support from our major OEM customers. Post introduction of GST, demand for tippers from OEM dealers and other market players has started getting diverted to organized players. We could get sizable orders from this segment, during the last two quarters of fiscal 2018. Despite this, our performance continues to be suboptimal.

Over the past few years, the Company is unable to generate free cash on for its business needs and finally resulted defaults in servicing of debts.

The lenders had initiated Strategic Debt Restructuring ("SDR") on 11 January 2017. However, the SDR could not be completed within the timeframe prescribed by RBI and the loans given by the lenders to the Company have been classified Non-Performing Assets in the books of lenders.

Currently, the lenders are in the process of identifying revival measures, including debt restructuring and other structural changes.

In the meanwhile, the management continues to focus on improvement in volumes and cost optimisation. The Company continues to work closely with key OEMs to gain

Commercial Engineers & Body Builders Co. Ltd.

higher volumes and funding support, and is targeting volumes from other customers. This has resulted in improvement in operations during the recently concluded quarter. During the quarter ended June 30, 2018, the Company recorded net sales of Rs 4,584 Lakhs, representing growth in sales of 24% over immediately preceding quarter.

However, considering the current debt level, there is need for strategic restructuring, working capital support and other revival measures.

The management is confident about positive outcome of the restructuring process.

We thank our lenders, customers and suppliers for their continued support and most importantly we appreciate the efforts taken by employees in this critical phase.

Finally, we thank you for your continued trust, confidence and support.

Thank you,

Yours sincerely,

On behalf of Board of Directors

P Y Gurav
Director

Commercial Engineers & Body Builders Co. Ltd.

Key Facts

With a broad range of product offerings in the commercial vehicle, railways and heavy fabrication (for power plants) categories, CEBSCO's business is intertwined with the infrastructure development of the country.

CEBSCO is one of the leading manufacturers in India of vehicle bodies for commercial vehicles with an extensive portfolio of product offerings. Further, the Company has a facility for making freight wagons and had been engaged in carrying out refurbishment of freight wagons and manufacturing of components for wagons and locomotives.

Commercial Vehicle / Fully Built Vehicle (FBV)

One among large players manufacturing various load body applications on the commercial vehicle (CV) chassis with a major share of business with major CV manufacturers - Tata Motors, Volvo Eicher Commercial Vehicles Limited, MAN Trucks India and Vehicle Factory, Jabalpur (Ministry of Defense). The Company also manufactures certain type of load bodies for dealers of the major commercial vehicle OEMs.

Railways

The Company had in the past, undertaken the business of refurbishment of old wagons and supply of assemblies for Indian Railways and its manufacturing plants. The company however has not been focusing on the Railway wagon business due to financial challenges faced during the recent years. Now, the Company is pursuing for renewal of its RDSO (G-105) registration so that the opportunity in this high demand segment could be targeted.

HEAVY FABRICATION

The Company fabricates steel structures and support columns for power plants and electrostatic precipitators (ESPs), structure for power plant boilers and ducts, and general fabrication components for power plants. The company did not aggressively pursue this business, considering comparatively higher working capital requirement for this business and funding constraints. The Company just executed an order for Clyde of around 200 MT. While, the erection of thermal power plants has slowed down, due to strict pollution norms demand of electrostatic (ESP) has gone up and expected that this trend will continue in FY 2018-19.

Strengths

- Economies of scale in its FBV business due to strong track record and long standing relationships with all major OEMs.
- Wide range of product offerings in commercial vehicles for applications across diversified industries.
- Manufacturing facilities located close to some of key customers for commercial vehicle bodies, giving competitive advantage over other manufacturers of commercial vehicle bodies.
- Industrial relations climate quite conducive in Central India which also makes available cost-competitive work force.
- Design support capability.

Manufacturing Plants

The company has six manufacturing facilities strategically located in Central India at Jabalpur (4 facilities), Indore and Jamshedpur. The strategic location provides an advantage to the company in terms of:

- Proximity to customers as Jabalpur is a central location to all major OEMs.
- Indore and Jamshedpur units are near their key customers namely VE Commercial Vehicles, MAN Trucks and Tata Motors respectively.
- Manufacturing units located close to steel suppliers manufacturing locations or their key distribution hubs.

2. Structures for Electrostatic precipitator
3. Ducts and General Fabrication components for Power plants

Management Discussion and Analysis

1) LONG TERM GROWTH STORY OF INDIA IS INTACT.

a) MARKET TREND / ECONOMIC SCENARIO

India has emerged as the fastest growing economy in the world as per the Central Statistics Organization (CSO) and International Monetary Fund (IMF) and it is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships. India's GDP is estimated to have increased 6.6 per cent in 2017-18 and is expected to grow 7.3 per cent in 2018-19.

b) RECENT DEVELOPMENTS

Some of the important recent developments are as follows:

- ❖ India's Index of Industrial Production (IIP) rose 7.5 per cent year-on-year in January 2018 while retail inflation reached a four month low of 4.4 per cent in February 2018.
- ❖ Moody's upgraded India's sovereign rating after 14 years to Baa2 with a stable economic outlook.
- ❖ The bank re-capitalization plan by Government of India is expected to push credit growth in the country to 15 per cent.
- ❖ India is expected to have 100,000 startups by 2025, which will create employment for 3.25 million people and US\$ 500 billion in value.
- ❖ The World Bank has stated that private investments in India is expected to grow by 8.8 per cent in FY 2018-19 to overtake private consumption growth of 7.4 per cent, and thereby drive the growth in India's gross domestic product (GDP) in FY 2018-19.

c) GOVERNMENT INITIATIVES

- ❖ The Government has committed to focus on uplifting the rural economy and strengthening of the agriculture sector, healthcare for the economically less privileged, infrastructure creation and improvement in the quality of education of the country.
- ❖ As per the budget, the government is committed towards doubling the farmers' income by 2022.
- ❖ Budgetary allocation for infrastructure is set at Rs 5.97 lakh crore (US\$ 93.85 billion) for 2018-19. All-time high allocations have been made to the rail and road sectors.
- ❖ The Government has recently enhanced minimum support prices for Kharip crops. This will result in enhanced purchasing power and investment by the Rural Sector

The above factors indicate long term growth potential for most of the segments of economy.

Commercial Engineers & Body Builders Co. Ltd.

2) VOLUME ANALYSIS OF THE COMPANY

A. COMMERCIAL VEHICLE INDUSTRY IN INDIA

The fortunes of our industry is closely linked to Commercial Vehicle Industry; mainly Medium and Heavy duty segment. We supply to OEMs, OEM dealers and other customers, load bodies of various types.

Consequent to change in emission norms with effect from April 1, 2017, the demand for M&HCV segment was impacted during the first quarter. The second quarter of the year witnessed the transition to GST regime of the entire economy.

However, the underlying demand for commercial vehicles had been very strong, mainly driven by investment in construction of roads/metro and other infrastructure, and growth in GDP.

- a) The aggregate sale of commercial vehicles increased to 8,87,316 units in FY 2017-18 as compared to 7,29,360 units in FY 2016-17, representing an increase of 21.7%
- b) The sale of M&HCV commercial vehicles increased to 2,47,659 units in FY 2017-18 as compared to 2,11,198 units in FY 2016-17, representing an increase of 17.3%

However, on account of severe working capital constraints faced by the Company, one major OEM customer did not give any sizeable order in Quarter 1 and 2. The Company was mainly dependent on Indore facility, where the OEM customer extended funding support.

During Quarter 3, the management pursued vigorously with the major OEM and could obtain funding support to fulfill the orders. Similarly, it focused on demand from dealers of OEMs and direct customers where the payment terms facilitate the funding need to procure material.

Thus while Quarter 1 and Quarter 2 has been quite gloomy in terms of production and sale, there is considerable improvement from quarter 3.

The total shipments of tippers, trailers and other load bodies were 5413 units in FY 2017-18 as compared to 6131 units in FY 2016-17.

Going forward, considering, the improving economic scenario in the long term and Government's ambitious plans to enhance the infrastructure, the commercial vehicle industry is likely to record double digit growth.

B. RAILWAYS

The Company has manufacturing facility for undertaking railway business comprising, manufacturing of new wagons, refurbishment of old wagons and supply of assemblies. The company however has not been focusing on this line of business due to financial challenges and certain strategic reasons.

Commercial Engineers & Body Builders Co. Ltd.

Considering the estimated increase of planned offtake in wagon procurement of Indian Railways, there exists an opportunity in the sector. The Company is hopeful of positive outcome of revival measures currently explored by the lenders, so that it could target this segment.

C. HEAVY FABRICATION

The Company fabricates steel structures and support columns for Power Plants and Electrostatic Precipitators (ESPs) structure for power plant boilers and Ducts and General Fabrication components for power plants.

Considering the acute shortage of working capital faced by the Company and higher requirement of working capital funding in this segment, the Company did not pursue for new orders.

The shipment was 236.880 MT and sale value Rs. 121.82 lakhs in FY 2017-18 as compared to shipment of 243.706 MT and sale value of Rs. 122.01 lakhs in FY 2016-17

3) FINANCIAL OVERVIEW

The following table explains the financial performance for the current fiscal as compared to FY 2016-17

Financial Highlights

₹ in Lakhs

Particulars	YE March 31, 2018	% to net sales	YE March 31, 2018	% to net sales
Revenue From Operations	9,936.96	-	15,051.79	-
Less - Excise Duty	247.46	-	4,518.09	-

Depreciation and Amortisation	1,035.23	10.7%	1,035.80	9.8%
Finance Cost	2,777.96	28.6%	2,730.34	25.6%
Profit /(Loss) for the Year	(3,691.27)	-38.0%	(3,560.28)	-33.8%

Commercial Engineers & Body Builders Co. Ltd.

The Company continued to operate under severe liquidity pressure during the year. As explained in paragraph 2(A) above, the management could improve the shipments only in quarter 3 and onwards.

The Company could attain savings in manpower cost by rationalizing the head count. The operating expenses have gone up mainly due to provision of doubtful debts and advances (increase Rs 185 lakhs) and taxes.

On account of significant debt level, incremental discounting charges on receivables to support the working capital and penal interest cost on delayed statutory payments, the finance cost continues to be at higher levels.

There continues to be delay in payment to creditors.

Steps Initiated by the Company

In order to come out of the crisis, the company has taken the following steps:

- ❖ Rationalization of manpower and operations.
- ❖ Sale of surplus assets and inventory
- ❖ Assistance from OEMs for material procurement.
- ❖ Cost reduction drive.

4) TECHNOLOGY - IT Process and Systems

Over the past 3 years, the company has not been able to make adequate investments to upgrade the software or the hardware to keep pace with development and to harness more efficiency in operations. During the next 2 to 3 years, the focus will be on upgrading the IT infrastructure.

5) CORPORATE GOVERNANCE

The Company believes that corporate accountability and corporate governance enable wealth creation and that the shareowners' participation adds value and often the power of ideas that investors bring outweighs the money they have invested in the Company. The corporate governance practices, as envisaged by the law of the country and regulators, in letter and spirit are the pillars of the business practices at CEBBCO.

The driving forces of corporate governance at CEBBCO are its core values - excellence and customer satisfaction, maximizing long-term value for stakeholders, good corporate conduct and environment-friendly behavior.

Commercial Engineers & Body Builders Co. Ltd.

6) RISK MANAGEMENT

The Company has a risk management system. The management and members of the Board review the business periodically to identify ongoing factors that affect the business and also changes in external environment, which are likely to impact the Company. The management has foreseen certain risks and took effective steps to mitigate the risks. The following are the key risks and the mitigation approach.

Cyclicality of the commercial vehicle industry - The demand for CEBBCO's products is closely linked to overall industrial growth and is vulnerable to cyclicality in the commercial vehicle industry. In addition to rationalizing the production capacities (as already mentioned), the company is focusing on increasing the revenue from other businesses such as heavy fabrication, water tankers and defense.

Liquidity constraint and finance cost - The Company had incurred significant borrowings for setting up of railway wagon manufacturing facility. Since, the railway wagon business did not materialize, the existing business had to service the borrowings. The ballooning interest cost burden and downturn in automotive demand in the past, has resulted in significant fund constraints resulting into loss of customer orders and additional cost of procurement. In order to increase long term financial resources and also to enhance the net worth of the Company improve the net worth, the Company issued non-convertible redeemable preference shares of Rs 20 crore to the promoters, in FY 2014-15.

However, this constraint has not been fully resolved and the Company could not service the debts on dues dates

The need for restructuring and revival measures is critical to address the funding needs. The Board of Directors is confident about the positive outcome pursuant to the restructuring exercise currently undertaken by the lenders.

Raw material costs - Steel accounts for major portion of the raw material costs. Due to cash flow issues, the Company, at times, is required to buy steel from traders at a price higher than manufacturer. The Company follows a zero-based costing model with steel being a pass through with a lag of a quarter. The company has centralized the steel procurement function with the objective of leveraging the volumes to get better prices and is focusing on other cost control measures.

Competition - The Company depends on load body business from certain OEM customers. These OEMs have developed more than one supplier to minimize their risk. There is risk of change in OEM policy of with reference to suppliers, more particularly in view of working capital issues faced by the Company.

Commercial Engineers & Body Builders Co. Ltd.

Irregular order flows from heavy fabrication business - The Company will get affected in case there are irregular order flows from capital goods industries requiring heavy fabrication. However, the Company's plant is fungible and can be used for the manufacture of other products.

Increase in interest rate/cost - Given the high interest burden, any increase in interest rate will adversely affect the company. Also funding constraints compel the Company to discount its receivables at exorbitant cost. This is a fixed cost and any measure taken to mitigate this risk will essentially show results over the medium and long term. Also funding constraints compel the Company to discount its receivables at exorbitant cost. The company is exploring ways and means to strengthen its capital structure and replacing high cost debt with cheaper ones.

Currency fluctuations - The borrowing in external currency can fluctuate in line with the currency movement of the Indian rupee vis-à-vis the US Dollar and any depreciation in the value of the rupee can adversely affect the company's profitability. The Company's ECB of US\$ 4.80 millions is now fully un-hedged and will get exposed to rupee depreciation against US\$.

Delays in execution of orders (particularly orders obtained through competitive tenders) can have a negative impact on profitability.

7) **INTERNAL CONTROL SYSTEM**

The Company has an established and comprehensive internal control mechanism and management structure in place across all locations and business functions that ensure the Company's assets are safeguarded against all and any loss from unauthorized use or disposal.

The documentation of Internal Control over Financial Reporting is in place and the management has undertaken effectiveness test of the system.

Internal Control systems are implemented :

- a) To safeguard the Company's assets from loss or damage.
- b) To keep constant check on cost structure and process loss.
- c) To provide adequate financial and accounting controls for preparation and reporting of financial performance and state of affairs, in accordance with Accounting Standards.
- d) To maintain proper accounting record and statutory compliances.

The systematic implementation of Internal Control Systems and policies has resulted in the use of funds in the most efficient and appropriate manner.

Commercial Engineers & Body Builders Co. Ltd.

Internal Audit :

The Company has assigned the internal audit to a leading auditing firm. The internal audits are reviewed by the Audit Committee including implementation status of changes suggested by Internal Auditors

The management and Audit Committee of the Board review the findings and the recommendations of the internal auditors as well as statutory auditors, who are also are empowered by the Board to take up and investigate any matter flagged by the internal audit team.

Cautionary Statement

Statements made in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, and expectations may be "Forward-looking statements" within the meaning of applicable securities laws and regulations. However, actual results could differ from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand-supply and price conditions in the domestic and overseas markets in which the Company operates, changes in Government regulations, tax laws and other statutes and other incidental factors.

Commercial Engineers & Body Builders Co. Ltd.

Date: 28th August 2018

Dear Member, Directors & Auditors

You are cordially invited to attend the 38th Annual General Meeting (the 'AGM') of the members of Commercial Engineers & Body Builders Co Limited (the 'Company') to be held on Friday 28th Day of September 2018 at 3.00 PM. at Stock Exchange Auditorium, U P Stock Exchange Building, Padam Towers, Civil Lines, Kanpur - 208 003 (U.P.).

The Notice of the meeting, containing the business to be transacted, is enclosed.

Thanking You,

For and on behalf of the Board

Commercial Engineers & Body Builders Co. Ltd.

2. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE ANNUAL GENERAL MEETING (THE "MEETING") IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON A POLL INSTEAD OF HIMSELF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. THE INSTRUMENT APPOINTING THE PROXY SHOULD, HOWEVER, BE DEPOSITED AT THE REGISTERED OFFICE OF THE COMPANY NOT LESS THAN FORTY-EIGHT HOURS BEFORE THE COMMENCEMENT OF THE MEETING.**

A Person can act as a proxy on behalf of Members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.

3. The business set out in the Notice will be transacted through electronic voting system and the Company is providing facility for voting by electronic means. Instructions and other information relating to e-voting are given in this Notice under Note No. 16 and Annexure-A. The Company will also send communication relating to remote e-voting which inter alia would contain details about e-voting event no., User ID and password along with a copy of this Notice to the Members, separately.
4. The Notice of AGM is being sent to those members/ beneficial owners whose name will appear in the registers of member/list of beneficiaries received from the depositories as on 10th Day of August 2018.
5. Full version of Annual Reports will also be available under the section 'For Investors' on the website of the company www.cebbco.com.
6. Corporate Members intending to send their Authorized Representatives to attend the Meeting are requested to send to the Company a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the Meeting.
7. Members are requested to bring their attendance slip along with their copy of Annual Report to the Meeting.
8. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
9. Relevant documents referred to in the accompanying Notice and the Statement are open for inspection by the members at the Registered Office of the Company on all working days, except Sundays, during the business hours up to the date of the Meeting.
10. The Company has notified closure of Register of Members and Share Transfer Books from 25th September 2018 to 28th September 2018 (both days inclusive).
11. Members holding shares in electronic form are requested to intimate immediately any change in their address or bank mandates to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to advise any change in their address or bank mandates immediately to the

Commercial Engineers & Body Builders Co. Ltd.

Company or its Registrar and Transfer Agents, Karvy Computershare Private Limited ("Karvy").

12. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in Securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company / Karvy.
13. Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the Share Certificates to Karvy, for consolidation into a single folio.
14. Non-Resident Indian Members are requested to inform Karvy, immediately of:
 - (a) Change in their residential status on return to India for permanent settlement.
 - (b) Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.
15. Members who have not registered their e-mail addresses so far, are requested to register their e-mail address for receiving all communication including Annual Report, Notices, Circulars etc. from the Company electronically.
16. Information and other instructions relating to e-voting are as under:
 - (i) Pursuant to the provisions of Section 108 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide to its Members facility to exercise their right to vote on resolutions proposed to be passed in the Meeting by electronic means. The Members may cast their votes using an electronic voting system from a place other than the venue of the Meeting ('remote e-voting').
 - (ii) The poll shall be conducted at the meeting and members attending the Meeting who have not cast their vote by remote e-voting shall be eligible to vote at the Meeting.
 - (iii) The Members who have cast their vote by remote e-voting may also attend the Meeting but shall not be entitled to cast their vote again.
 - (iv) The Company has engaged the Services of Karvy Computershare Private Limited ("Karvy") as the Agency to provide e-voting facility.
 - (v) Voting rights shall be reckoned on the Paid-up value of Shares registered in the name of the Member / Beneficial owner (in case of electronic shareholding) as on the cut-off date i.e. 21st of September, 2018.
 - (vi) A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date, i.e. 21st of September, 2018 only shall be entitled to avail the facility of remote e-voting.

Commercial Engineers & Body Builders Co. Ltd.

Commercial Engineers & Body Builders Co. Ltd.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

As required under Section 102 of the Companies Act, 2013, the following Explanatory Statement sets out material facts relating to the special business set out at Item Nos. 3 to 5 of the accompanying Notice dated 28/08/2018.

Item No. 3 and 4

As required under section 160 of the Companies Act, 2013, the Company has received a Notice along with requisite deposit from a member proposing the candidature of Mr. Abhishek Jaiswal for his appointment as Director of the Company.

Mr. Abhishek Jaiswal fulfills all the conditions given under section 196(3) and Schedule -V to the Companies Act, 2013 for being eligible for his appointment. He is not disqualified in terms of section 164 of the Companies Act, 2013 from being appointed as Director and has given his consent to act as Director.

This explanatory statement and the Resolution set out at Item No. 4 of this Notice may also be read and treated as disclosure in compliance with the requirements of Section 190 of the Companies Act, 2013.

Profile and other particulars of Mr. Abhishek Jaiswal, as required under the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meeting issued by the Institute of Company Secretaries of India, are provided under heading "PROFILE OF DIRECTORS" forming part of this Notice.

The members' approval is being sought for appointment of Mr. Abhishek Jaiswal as a Whole-time Director of the Company for a period of Five years effective from October 14, 2017 to October 13, 2022, in terms of applicable provisions of the Companies Act, 2013 and rules made thereunder.

Further the Members may note that, Mr. Abhishek Jaiswal has been re-designated as the Executive Director & Chief Executive Officer of Commercial Engineers and Body Builders Co. Limited for a period of five years and will be drawing such remuneration as recommended by Nomination and Remuneration committee and approved by the Board of Directors of Commercial Engineers and Body Builders Co. Limited.

The Board recommends the Resolutions set out at item no. 3 and 4 of the Notice for approval of the Members as an Ordinary Resolutions.

None of the Directors, Key Managerial Personnel or their relatives, except Mr. Abhishek Jaiswal to whom the resolutions relate, are in anyway concerned or interested in the above.

Commercial Engineers & Body Builders Co. Ltd.

Item No. 5

Based on the recommendation, the Board of Directors of the Company have appointed Ms. Vineeta Shriwani as an Additional Director (Independent) of the Company to hold office for a period of five consecutive years, not liable to retire by rotation, subject to consent by the Members of the Company at the ensuing Annual General Meeting ("AGM"). As an Additional Director, Ms. Shriwani holds office till the date of the AGM and is eligible for being appointed as an Independent Director.

The Company has received a notice pursuant to Section 160 of the Companies Act, 2013 (the "Act") together with the requisite amount of deposit from a Member signifying his intention to propose the appointment of Ms. Vineeta Shriwani as a Director of the Company. The Company has also received a declaration from Ms. Shriwani confirming that she meets the criteria of independence as prescribed under the Act and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). Ms. Shriwani is also not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director of the Company. In the opinion of the Board, Ms. Shriwani fulfills the conditions for her appointment as an Independent Director as specified in the Act and the Listing Regulations and she is independent of the management.

Other Comprehensive Income / (Loss)	5.32	(0.18)
Total Comprehensive Income / (Loss) for the year	(3,685.95)	(3,560.46)

Performance at glance

The Company continued under severe liquidity pressure during this year, severely affecting the orders from the major OEM customer of the Company.

The Company's fortunes mainly depend on Medium and Heavy Duty Commercial vehicle (M & HCV) industry. Consequent to change in emission norms with effect from April 1, 2017, the demand for M & HCV segment was impacted during the first quarter. The second quarter of the year witnessed the transition to GST regime of the entire economy. The new tax system created some challenges on the overall business and economic front. On accounts of these factors, during the first two quarters of the fiscal 2018, the major commercial vehicle OEMs witnessed marginal change in demand in the M & HCV segment. This factor and the working capital constraints faced by the company, significantly affected the sale of tippers and load bodies.

Commercial Engineers & Body Builders Co. Ltd.

The underlying demand for commercial vehicles had been very strong, mainly driven by investment in construction of roads / metro and other infrastructure, and growth in GDP. Thus M & HCV segment has been recording robust growth since beginning of quarter 3 of fiscal 2018.

Further, there has been shift of business from unorganized sector to the organized sector, post GST. This has resulted in sizeable demand for load bodies (mainly tippers and trailers) from the dealers of commercial vehicle OEMs.

While the liquidity and cash flow situation of the Company continues to be grim, the management pursued vigorously with major OEM and could obtain funding support to fulfill the orders from these OEMs. Similarly, it focused on demand from dealers of OEMs and direct customers where the payment terms facilitate the funding need to procure material.

It is heartening to note that the efforts of the management as explained above have yielded positive results. The Company has clocked the revenue from operations of Rs. 2,958 lakhs and Rs. 3,699 lakhs in quarter 3 and quarter 4, respectively of fiscal 2018. The revenue for quarter ended June 30, 2018 was Rs 4,584 lakhs.

However, as explained in the later part of our report, there is need for systematic funding support mechanism and other steps to address the working capital needs, so that the Company could take advantage of growing demand.

The management continued to focus on cost optimization on all fronts.

Despite the positive development on operational front, the Company reported a net loss of Rs 3,586 lakhs, mainly attributable to lower operating margin, significant finance cost and depreciation.

Cash flow situation, debt restructuring and revival of operations

The Company continued to operate under severe liquidity pressure during the year. As reported last year, one of the lending bank, curtailed the working capital facility from September 2017, impacting the rotation of funds required for purchase of material for fulfilment of customer orders. Since then, working capital funding needs have not been met by the lenders.

The Joint Lenders Forum invoked Strategic Debt Restructuring ("SDR") on 11 January 2017 in compliance with the guidelines effective on that date, by the Reserve Bank of India ("RBI"). On 12 October 2017, the lead bank communicated that SDR could not be completed within the timeframe prescribed by RBI and loan given by the lenders to the Company has been classified Non-Performing Assets in the books of lenders.

Since then, the lead bank has been in the process of identifying revival measures, including debt restructuring and other structural changes.

As explained above, the Company has been able to get and execute the customer orders mainly on account of funding support/advances from customers. In the absence of assured long term working capital support, the Company is unable to target higher volumes which in turn affects the generation of free cash flow. Thus the Company is caught in viscous circle.

Commercial Engineers & Body Builders Co. Ltd.

Future Outlook

The Company is working with certain customers who give assistance for fulfillment of their orders.

However, current state of cash flow and working capital, significantly limits the ability of the Company to target higher sales and to plan entry into railway or similar new opportunities, for long term profitable growth.

The need for restructuring and revival measures is critical for long term profitable growth. The Board of Directors is confident about the positive outcome pursuant to the restructuring exercise currently undertaken by the lenders.

Details of Subsidiary, Joint Venture or Associates

The Company does not have any subsidiary company, associates company or joint venture. Accordingly, a statement of the subsidiary Companies/ Associate Companies/Joint Ventures as per Form AOC-1 is not required to be filed with MCA/ROC.

Extract of the Annual Return

The extract of Annual Return, in Form MGT -9 for the Financial Year 2017-18 has been enclosed with this report as Annexure III.

Meetings of the Board of Directors

The Board of Directors met five times during the year 2017-18 i.e. on 29th May 2017, 22nd August 2017, 14th September 2017, 14th December 2017 and 2nd February 2018. For further details, please refer Report on Corporate Governance of this Annual Report.

During the year under the review, the Company had Foreign Exchange Earnings Nil and Foreign Exchange Outgo of Rs. 272.86 lakhs.

Risk Management

Pursuant to section 134 (3) (n) of the Companies Act, 2013 & Regulation 21 of the listing of Debt Regulation, a Risk Management committee is mandatory for the company having net worth of Rs. 500 Cr. or more or turnover of Rs. 1000 Cr. or more, or net profit of Rs. 5 Cr. or more during any financial year, hence the company has not constituted risk management committee. (Section 135 of the Companies Act, 2013)

The Company is facing severe issues on liquidity and working capital front. The Company continue to monitor the cash flows and working capital situation and suitable actions are initiated. A reference may be made to discussion on strategic debt restructuring in this report.

Corporate Social Responsibility (CSR)

A Corporate Social Responsibility Policy (CSR Policy) demonstrating the activities to be undertaken by the Company has been formulated by the Corporate Social Responsibility Committee (CSR Committee) and recommended to the Board, which has been approved by the Board.

Commercial Engineers & Body Builders Co. Ltd.

The CSR Policy may be accessed on the Company's website at the link: http://www.cebbco.com/docs/profile_for_investors.html.

The Annual Report on CSR activities has been annexed herewith as **ANNEXURE - I**

Internal Financial Controls

The Company has adequate internal financial controls with reference to financial statements. During the year, such controls were tested and no reportable material weaknesses were observed.

Directors and KMP

The Board of Directors comprises

Sr. No.	Particulars	Designation
1.	Dr. Kailash Gupta	Non-Executive Promoter Director(till 27.09.2017)
2.	Mr. Prakash Y Gurav	Independent Director
3.	Mr. Prabhakar Dalal	Independent Director(till 01.09.2017)
4.	Mr. M Venkat Rajarao	Independent Director
5.	Mr. Abhishek Jaiswal	Executive Director (w.e.f. 14.09.2017)
6.	Ms. Vineeta Shriwani	Independent Director (w.e.f. 26.03.2018)

During the year following changes have been in board of directors due to resignation / cessation:

Mr. Prabhakar Dalal, Independent Director resigned w.e.f. 1st September, 2017. The Board takes on record its appreciation of the services rendered by Mr. Prabhakar Dalal in various capacities during his association with the Company.

Mrs.Nandini Malpani, Non-Executive Director resigned from Directorship with effect from 20th May 2016.The Company initiated steps to induct 'woman director'. However, on account of deteriorating performance of the Company, it has been difficult to attract suitable candidate.

Ms. Vineeta Shriwani was inducted on the Board as Non-Executive Independent Director w.e.f 26th Day of March 2018. She is a Company Secretary and an advocate by profession and is presently working with Maharashtra State Electricity Transmission Company Limited, Mumbai (A Govt. of Maharashtra Undertaking).

In accordance with the provisions of the Act and the Articles of Association of the Company, Mr. Kailash Chand Gupta, Promoter Director of the Company, retired by rotation at the 37th Annual General Meeting. Mr. Gupta did not offer himself for re-appointment and consequently,

Commercial Engineers & Body Builders Co. Ltd.

the board vide in its meeting on August 22, 2017 did not to propose to re-appoint him as director in the 37th Annual General Meeting.

Mr. Abhishek Jaiswal was re-designated as Executive Director (Additional) and Chief Executive Officer w.e.f. 14th Day of October 2017, on same terms and conditions as recommended at the time of his elevation as Chief Executive Officer by the Nomination and Remuneration Committee in its meeting held on 13th Day of February 2017

We confirm that the Company has received declarations from all the Independent Directors confirming that they meet the criteria of independence as prescribed under Section 149(6) of the Companies Act, 2013 as well as SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR"). The Company has devised a Policy for performance evaluation of Independent Directors, Board, Committees and other individual Directors which include criteria for performance evaluation of the Non-Executive Directors and Executive Directors.

On the basis of recommendations of the Policy for performance evaluation of Independent Directors, Board, Committees and other individual Directors, an evaluation process was followed by the Board for its own performance and that of its Committees and individual Directors. During the year, a meeting of independent directors was held on February 2nd, 2018 to undertake performance evaluation of independent directors, Board of director as a whole and Committees of Board.

The details of Programmes for familiarization of Independent Directors with the Company, their roles, rights, responsibilities in the Company, nature of the industry in which the Company operates, business model of the Company and related matters are put up on the website of the Company at the [link: http://www.cebbco.com/docs/profile_for_investors.html](http://www.cebbco.com/docs/profile_for_investors.html)

SECRETARIAL AUDIT REPORT

For the Financial Year ended on 31st March, 2018

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Commercial Engineers & Body Builders Co Limited,
84/105-A, G.T. Road,
KANPUR- 208003 (U.P.)

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by COMMERCIAL ENGINEERS & BODY BUILDERS CO LIMITED (hereinafter called the 'Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, We hereby report that in our opinion, the Company has during the Financial year ended on 31st March, 2018 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter :

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of:

Commercial Engineers & Body Builders Co. Ltd.

- (i) The Companies Act, 2013 (the 'Act') and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (Not applicable to the Company as the Company has not entered into any transaction involving Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings during the Audit Period);
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (Not applicable as the Company has not issued any further Capital under the Regulations during the Audit Period);
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (Not applicable as the Company has not framed any such Scheme during the Audit Period);
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not applicable as the Company has not issued and listed any debt securities during the Audit Period);
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with Client (Not applicable as the Company is not registered as Registrar to issue and Share Transfer Agent during the Audit period);
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable as the Company has not delisted / proposed to delist its Equity Shares from any Stock Exchange during the Audit period); and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (Not applicable to the Company as the Company has not bought back / proposed to buy-back any of its securities during the Audit Period).

Commercial Engineers & Body Builders Co. Ltd.

We have also examined compliance with the applicable Clauses of the following:

- (i) Secretarial Standards with regard to Meetings of Board of Directors (SS-1) and the General Meetings (SS-2) issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with BSE Limited (BSE) and National Stock Exchange of India Limited (NSE) and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above except as under:

- (a) The Company has defaulted in repayment of External Commercial Borrowings amounting to US \$ 48,00,000 and interest due thereon.
- (b) There has been a delay in filing of Annual Return of Foreign Liabilities and Assets as on 31st March, 2017 with the Reserve Bank of India which was actually filed on 14th March, 2018.

We have relied upon the representation made by the Company and its Officers for compliances under the laws and regulations as applicable to the Company and are of the opinion that there are no Sectoral laws applicable specifically to the Company.

We further report that except for the appointment of Woman Director in the casual vacancy caused on 20th May, 2016 which was filled on 26th March, 2018, the Board of Directors of the Company is duly constituted which comprised of Executive, Non-Executive and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. Adequate notice is given to all Directors to schedule the Board Meetings, Agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the Meeting and for meaningful participation at the Meeting. All decisions at Board Meetings and Committee Meetings are carried out with requisite majority as recorded in the Minutes of the Meetings of the Board of Directors or Committees of the Board, as the case may be.

We further report that based on the information provided by the Company, its officers and authorised representatives during the conduct of Audit and review of Internal Auditor's Report and the periodical compliance reports submitted by respective Departmental Heads and taken on record by the Audit Committee / Board of Directors of the Company, in our opinion there are systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable Laws, Rules, Regulations and Guidelines. However, due to financial constraints, there have been delays in depositing

Commercial Engineers & Body Builders Co. Ltd.

statutory dues including Provident Fund, Employees' State Insurance, Income-Tax, Sales-Tax, VAT, Service Tax, Goods and Services Tax, Customs Duty, Excise Duty, Cess etc. with the appropriate Authorities.

We further report that during the Audit Period:

- (a) The Company has committed defaults in repayment of principal and interest amounting to Rs. 18,862.07 Lacs as on 31st March, 2018 in respect of inter-corporate loans and long term loans and working capital facilities taken from Banks.
- (b) 3,02,62,528 Equity Shares constituting 99.81% of the Promoter's Shareholding continued to be encumbered / pledged against various facilities availed by the Company as at the close of the financial year i.e. 31st March, 2018.
- (c) As the account of the Company has been classified as Non Performing Assets (NPA), the Bankers of the Company have recalled their outstanding financial dues extended to the Company.

REPORT ON CORPORATE GOVERNANCE

1. A brief statement on Company's philosophy on code of Corporate Governance

The Company's policy on Corporate Governance is based on the principles of full disclosure, fairness, equity, transparency and accountability in the various aspects of its functioning, leading to the protection of the stakeholders' interest and an enduring relationship with stakeholders. The management's commitment to these principles is reinforced through the adherence of all Corporate Governance practices embodied in the regulations of SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015. The Company has also adopted the Code of Conduct for the Directors and senior management personnel. The Company also has a Code for Prevention of Insider Trading for the Directors and the designated employees of the Company.

2. Board of Directors

a) The composition of the Board of Directors is as follows:

In line with the Regulation 17(1) of the SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015 on Composition of Board of Directors, the Board has an optimum mix of Executive, Non-Executive and Independent Directors.

The Board met 05 times during the year 2017-18 i.e. on 29th May 2017, 22nd August 2017, 14th September 2017, 14th December 2017, and 02nd February 2018.

The composition of the Board and category of each director, and details of attendance of each Director at the Board Meetings and the last Annual General Meeting held on September 27, 2017, are given below:

Sr. No.	Name of Director	Category of Director	No of Board Meetings attended	Last AGM Attendance	Remark
1.	Dr. Kailash Chand Gupta	Promoter Non-Executive	2	Absent	Note 1
2.	Mr. Prabhakar Dalal Non-executive	Independent	2	Absent	Note 2
3.	Mr. Prakash Yashwant Gurav	Independent Non-executive	5	Absent	
4.	Mr. Manchi Venkat Rajarao	Independent Non-executive	5	Absent	
5.	Mr. Abhishek Jaiswal	Additional Director (executive)	3	Present	Note 3
6.	Ms. Vineeta Shriwani	Independent, Non-executive and woman director	-	NA	Note 4

Note -

1. As per the provision contained in Section 152 of the Companies Act 2013, Mr. Kailash Gupta was liable to retire by rotation as on the date of AGM and was supposed to present himself for re-appointment. As Mr. Gupta in the meeting of Board of Directors Dated 22nd Day of August 2017 for approval of Notice of AGM and Director's Report didn't offered himself for re-appointment on the Board, hence from 27th Day of September 2017 his office of Director Stands vacated.
2. Mr. Prabhakar Dalal resigned from the Board w.e.f. 01st Day of September 2017, due to personal reasons and other professional commitments.
3. Mr. Abhishek Jaiswal was re-designated as Additional Director, Executive and CEO by the Board of Directors in the Meeting held on 14th Day of September 2017, he is also acting as a member of Audit Committee. Mr. Abhishek Jaiswal was re-designated as Whole Time Director with effect from 14th day of October 2017.
4. Mrs. Nandini Malpani had resigned from the Board with effect from May 20, 2016. She was 'woman director. The Company had immediately initiated steps to induct a suitable 'person to fill the caused by her resignation. Ms. Vineeta Shriwani was inducted / appointed as an Independent Non-Executive Director w.e.f. 26th Day of March 2018. Ms. Shriwani is acting as Member of Audit Committee and Nomination and Remuneration Committee.

As per the provision contained in section 178 (5) of the Companies' act 2013, Stake holder Relationship Committee must have Non -Executive Independent Director as Chairman and such other member as decided by the Board. Mr. Prabhakar Dalal and Mr. Kailash Gupta were members of the Stakeholder Relationship Committee. Due to resignation of Mr. Prabhakar Dalal w.e.f. 1st Day of September 2017 and vacation of office of Mr. Kailash Gupta w.e.f. 27th Day of September 2017, there was only one independent Director who was acting as Chairman of Stakeholder Relationship Committee. Mr. P Y Gurav and Mr. Abhishek Jaiswal were appointed as Member of Stake holder Relationship Committee w.e.f 17th May 2018;

After the said resignation and vacation from board only one member was left during the period hence no meeting was called / conducted in the Financial Year 2017-18. The complaints and queries of the shareholders were dealt by the Board of Directors during the period.

c) Details of requests received and redressed during the year 2017-18:

S.No.	Particulars	Received	Attended	Pending

5	Clarification regarding shares	-	-	-
6	Non Receipt of Annual report	4	4	0
7	Non Receipt of Dividend Warrants	-	-	-
	Total	-	-	-

7. Corporate Social Responsibility (CSR) Committee

a. The Corporate Social Responsibility Committee is constituted on the following terms of reference:

The Corporate Social Responsibility Committee shall-

- ❖ Formulate and recommend to the board, a CSR POLICY
- ❖ Recommend the amount to be spent on these activities
- ❖ Monitor the company's CSR policy regularly
- ❖ Institution of transparent monitoring mechanism for the implementation of CSR projects

b. The committee consists of following directors:

- i) Mr. Manchi Venkat Rajarao (Chairman)
- ii) Mr. P. Y Gurav (Inducted as member w.e.f. 17th Day of May 2018)
- iii) Mr. Abhishek Jaiswal (Inducted as member w.e.f. 17th Day of May 2018)

In view of inadequacy of profits, the Company had not undertaken any CSR activity during the year.

8. Independent Directors Meeting:

During the year under review, the Independent Directors met on 02nd of February 2018 inter alia, to discuss:

- i) Evaluation of the performance of Non Independent Directors and the Board of Directors as a Whole;
- ii) Evaluation of the performance of the Chairman of the Company, taking into account the views of the Executive and Non-Executive Directors.
- iii) Evaluation of the quality, content and time lines of flow of information between the management and the Board that is necessary for the Board to effectively and reasonably perform its duties. All the independent Directors were present at the meeting.

Kanpur - 208003**

We have examined the compliance of the conditions of the Corporate Governance by Commercial Engineers & Body Builders Co. Limited ("the Company") for the Financial Year ended 31st March, 2018. as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and pars C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 [hereinafter referred to as "Listing Regulations").

The compliance of the conditions of the Corporate Governance is the responsibility of the Management of the Company. Our examination was limited to review of the procedures and implementation thereof adopted by the Company for ensuring compliance with the conditions of Corporate Governance as stipulated in the said Regulations. It is neither audit nor an expression of the opinion on the Financial Statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned "Listing Regulations" except for the appointment of Woman Director in the casual vacancy caused on 20th May, 2016 which was filled by the Board of Directors of the Company on 26th March, 2018 [Regulation 17(1)(a) of the Listing Regulations], the Composition of Nomination & Remuneration Committee [Regulation 19 of the Listing Regulations] and Stakeholders'

Commercial Engineers & Body Builders Co. Ltd.

Relationship Committee [Regulation 20 of the Listing Regulations] of the Board of Directors of the Company which remained inadequate during later part of the year due to vacancy caused in the office of constituent Directors.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Dear Sirs,

- a. This is to confirm that, We have reviewed financial statements and the cash flow statement for the year 2017-18 and that to the best of our knowledge and belief:
 - i. These statements do not contain any materially untrue statement or omit any material fact or omit any material fact or contain statements that might be misleading;
 - ii. These statements together present a true and fair view of the company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- b. There are, to the best of our knowledge and belief, no transactions entered into by the company during the year which are fraudulent, illegal or which violative of the company's code of conduct.
- c. We accept responsibility for establishing and maintaining internal controls for financial reporting and have evaluated the effectiveness of internal control systems of the company pertaining to financial reporting and have disclosed to the auditors and the Audit Committee the deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have been taken or propose to take to rectify these deficiencies.
- d. We have indicated to the auditors and the Audit committee
 - i. That there are no significant changes in internal control over financial reporting during the year;
 - ii. That there are no significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
 - iii. That there are no instances of significant fraud of which we are aware and the involvement therein, if any, of the management or an employee having a significant role in the company's internal control system over financial reporting.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Commercial Engineers and Body Builders Co Limited

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of Commercial Engineers and Body Builders Co Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss, the Statement of Changes in Equity and the statement of Cash Flows for the year then ended, and summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the state of affairs, loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

Commercial Engineers & Body Builders Co. Ltd.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March 2018, its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Material Uncertainty Related to Going Concern

We draw attention to Note 49 in the Ind AS financial statements, which indicates that the Company incurred a net loss of INR 3,691.27 lakhs during the year ended 31 March 2018 and, as of that date, the company's liabilities exceeded its total assets by INR 6,717.72 lakhs. Further, the Company has been incurring cash losses affecting its ability to service its borrowings/creditors/ other liabilities and similar obligations. As stated in Note 49, these events or conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. The Management is confident about the

Commercial Engineers & Body Builders Co. Ltd.

positive outcome of the restructuring and continued support of its customers resulting in revival of the operations of the Company. Accordingly, the Ind AS financial statements have been prepared by the Company on a going concern basis.

Our opinion is not modified in respect of this matter.

Other Matter

The comparative financial information of the Company for the year ended 31 March 2017 and the transition date opening balance sheet as at 1 April 2016 included in these Ind AS financial statements, are based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended 31 March 2017 and 31 March 2016 dated 29 May 2017 and 30 May 2016 respectively expressed an unmodified opinion on those financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have been audited by us.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act;
 - (e) The going concern matter described under the 'Material Uncertainty Related to Going Concern' paragraph above, in our opinion, may have an adverse effect on the functioning of the Company;
 - (f) On the basis of written representations received from the directors as on March 31, 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2018, from being appointed as a director in terms of Section 164 (2) of the Act;

Commercial Engineers & Body Builders Co. Ltd.

- (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements - Refer Note 38 to the Ind AS financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company; and
 - iv. The disclosures in the financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made since they do not pertain to the financial year ended 31 March 2018. However, amounts as appearing in the audited Ind AS financial statements for the period ended 31 March 2017 have been disclosed.

Annexure A referred to the Independent Auditor's Report to the Members of Commercial Engineers and Body Builders Co Limited on Ind AS financial statements for the year ended 31 March 2018.

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of its fixed assets.
 - (b) According to the information and explanations given to us, the Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified every year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. As informed to us, the discrepancies noticed on such verification were not material and have been properly adjusted in the books of account.
 - (c) According to the information and explanations given to us and on the basis of our examination of the books of account, the title deeds of immovable property are held in the name of the Company.
- (ii) The inventory, except stocks lying with third parties, has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable having regard to the size of the Company and nature of its business. For stocks lying with third parties at the year-end, written confirmations have been obtained. As informed to us, the discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly adjusted in the books of account.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act. As informed to us, there are no firms covered in the register maintained under section 189 of the Act. Accordingly, paragraph 3(iii) of the Order is not applicable.
- (iv) According to the information and explanations given to us, in respect of loans and investments made by the Company, the provisions of section 185 and 186 of the Act have been complied with. As informed to us, the Company has not provided any guarantee or security as specified under Section 185 and 186 of the Act.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits from the public. Accordingly, paragraph 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of

Commercial Engineers & Body Builders Co. Ltd.

the Act for any of the goods sold by the Company. Accordingly, para 3(vi) of the Order is not applicable.

- (vii)(a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess, Goods and Services Tax ('GST') and other material statutory dues have generally been regularly deposited with the appropriate authorities though there have been serious delays in deposit of Provident Fund, Employees' State Insurance, Value Added Tax and Income Tax.

According to the information and explanations given to us, no amounts payable in respect of undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess, Goods and Service Tax and other material statutory dues were in arrears as at 31 March 2018 for a period of more than six months from the date they became payable except as mentioned below:

(INR In Lakhs)

Name of Statute	Nature of Dues	Amount	Period to which the Amount Relates	Due Date	Date of Subsequent Payment
MP VAT Act, 2002	Value Added Tax	9.67	April 2010 - March 2011	07 Feb, 2017	Not Yet Paid
MP VAT Act, 2002	Value Added Tax	3.71	April 2015 - March 2016	30 April, 2016	Not Yet Paid
Income Tax Act, 1961	Tax Deducted at Source	2.56	July 2017	7 Aug, 2017	Not Yet Paid
Income Tax Act, 1961	Tax Deducted at Source	2.56	August 2017	7 Sep, 2017	Not Yet Paid

- (b) According to the information and explanations given to us, there are no dues of Income tax, Sales tax, Service Tax, Duty of Excise, Value Added Tax and Goods and Service Tax which have not been deposited with the appropriate authorities on account of any dispute except as mentioned below:

(INR In Lakhs)

Name of Statute	Nature of Dues	Forum where dispute is pending	Period to which the amount relates	Amount Involved*	Amount Paid under Protest
Central Excise Act, 1944	Excise Duty	AC, Jabalpur	April 2009- June 2009	14.37	-

Commercial Engineers & Body Builders Co. Ltd.

Annexure B to the Independent Auditor's Report of even date on the Ind AS Financial Statements of Commercial Engineers and Body Builders Co Limited

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Commercial Engineers and Body Builders Co Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial

Commercial Engineers & Body Builders Co. Ltd.

statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Ind AS Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial statements and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that ;

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of un-authorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference

Commercial Engineers & Body Builders Co. Ltd.

to financial statements were operating effectively as at 31 March 2018, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Commercial Engineers and Body Builders Co Ltd. (the "Company") is a Company domiciled in India, with its registered office stated at 84/105A, G T Road, Kanpur Mahanagar, Uttar Pradesh (CIN: L24231UP1979PLC004837). The Company has been incorporated under the provisions of Indian Companies Act and its equity shares are listed on the Bombay Stock Exchange (BSE) and National Stock Exchange (NSE). The Company is primarily involved in manufacturing of tippers, local bodies, wagons and components with manufacturing facilities at Jabalpur, Indore and Jamshedpur.

1.2 Basis of preparation

a) Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015, as amended notified under section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The Company's financial statements up to and for the year ended 31 March, 2017 were prepared in accordance with the Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act.

As these are the Company's first financial statements prepared in accordance with Indian Accounting Standards (Ind AS), Ind AS 101, First-time Adoption of Indian Accounting Standards has been applied. An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 46.

The financial statements were authorised for issue by the Company's Board of Directors on 25 May 2018.

Details of the Company's accounting policies are included in Note 2.

b) Functional and presentation currency

The management has determined the currency of the primary economic environment in which the Company operates i.e., functional currency, to be Indian Rupees (INR). The financial statements are presented in INR which is Company's functional and presentational currency.

c) Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items:

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations

d) Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

- Note 2(m) - leases: whether an arrangement contains a lease
- Note 2(m) - lease classification
- Note 2(p) (i) - classification of financial assets: assessment of business model within which the assets are held and assessment of whether the contractual terms of the financial asset are solely payments of principal and interest on the principal amount outstanding.

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 31 March, 2018 is included in the following notes:

- Note 2 (g)(iii) and 40- measurement of defined benefit obligations: key actuarial assumptions
- Note 2 (b) - measurement of useful lives and residual values to property, plant and equipment
- Note 2 (c) - measurement of useful lives of intangible assets
- Note 1.2 (e) and 2(p) - fair value measurement of financial instruments & impairment thereon.
- Note 2 (k) and 38 - recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of outflow of resources

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

- Note 2 (f) - recognition of deferred tax assets: availability of future taxable profit against which tax losses carried forward can be used
- Note 2 (j) - Impairment of non financial assets.

e) Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. This includes the management team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values, and reports directly to the board of directors.

The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the valuation team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Significant valuation issues are reported to the Company's audit committee.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Notes to the financial statements for the year ended 31 March 2018

2. Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements and in preparing the opening Ind AS Balance Sheet as at 1 April 2016 for the purposes of the transition to Ind AS.

a) Current and non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- ❖ it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- ❖ it is held primarily for the purpose of being traded;
- ❖ it is expected to be realised within 12 months after the reporting date; or
- ❖ it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date."

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- ❖ it is expected to be settled in the Company's normal operating cycle;
- ❖ it is held primarily for the purpose of being traded;
- ❖ it is due to be settled within 12 months after the reporting date; or
- ❖ the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include the current portion of financial liabilities some part of which may be non-current. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle

Based on the nature of products/ activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

b) Property, plant and equipment

Recognition and measurement

All items of property, plant and equipment are measured at cost less accumulated depreciation/ amortization and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

When parts of an item of property, plant and equipment having significant cost have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Gains or losses on disposal of an item of property plant and equipment are recognised in the statement of profit and loss.

All spare parts which are expected to be used for more than one accounting period are capitalised as property, plant and equipment.

Capital work-in-progress is stated at cost, net of impairment loss, if any.

Transition to Ind AS

The Company has elected to avail the option under Ind AS 101 by not applying the provisions of Ind AS 16 retrospectively and continue to use the Previous GAAP carrying amount as the deemed cost under Ind AS on the date of transition to Ind AS. Therefore, the Previous GAAP carrying amounts of items of property, plant and equipment as at April 1, 2016 (the Company's date of transition to Ind AS) have been considered as the carrying amounts under Ind AS on April 1, 2016. (Also refer note 46).

Subsequent expenditure

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of property, plant and equipment are recognized in the Statement of profit and loss as incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is provided on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives.

Depreciation is provided using written down value method for the assets acquired prior to 1 January 2011 and using straight line method for the assets acquired after 1 January 2011.

- (i) The depreciation charged on all property, plant and equipment is on the basis of useful life specified in Part "C" of Schedule II to the Companies Act, 2013 which represents useful lives of the assets.
- (ii) On assets sold, discarded, etc., during the year, depreciation is provided up to the date of sale/discard.
- (iii) Depreciation has been calculated on a pro-rata basis in respect of acquisition/installation during the year.
- (iv) Leasehold land is amortised over the primary lease period or the useful life, whichever is shorter.
- (v) Freehold land is not depreciated

Depreciation methods, useful lives and residual values are reviewed at each financial year, and changes, if any, are accounted for prospectively.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed of).

c) Intangible assets

Recognition and initial measurement

Intangible assets comprise computer software. Intangible assets that are acquired by the Company are measured at cost less accumulated amortization and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the statement of profit and loss when the asset is derecognised.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

Transition to IndAS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at 1 April 2016 measured as per the Previous GAAP and use that carrying value as the deemed cost of intangible assets.

Subsequent expenditure

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognized in statement of profit and loss as incurred.

Amortisation

Intangible assets, being computer software is amortised in the statement of profit and loss over the estimated useful life of 3 years using the straight line method.

An intangible asset is derecognized on disposal or when no future economic benefits are expected from its use and disposal. Losses arising from retirement and gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss.

The amortisation method and the useful lives of intangible assets are reviewed annually and adjusted as necessary.

d) Inventories

Inventories are measured at lower of cost and net realizable value. The methods of determining costs of various categories of inventories are as follows:

Raw materials	First-in First-out method
Work-in-progress and finished goods (manufactured)	Weighted average method including an appropriate share of variable and fixed production overheads.
Finished Goods	Weighted average method including an appropriate share of variable and fixed production overheads.
Stores and spares	First-in First-out method

Costs includes expenditure incurred in acquiring the inventories, production or conversion costs incurred in bringing them to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and selling expenses.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

e) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. This inter alia involves discounting of the consideration due to the present value if payment extends beyond normal credit terms. Revenue is recognized when the products are dispatched and significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably.

Revenue is recognised inclusive of excise duty and net of value added tax/sales tax/goods and service tax (GST).

Revenue from sale of services is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Revenue from sale of scrap is accounted for as and when sold.

Other Income

For instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

f) Income tax

Income tax expense comprises current and deferred tax. Current tax expense is recognized in statement of profit or loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in other comprehensive income or equity.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority.

Deferred tax is recognized in the statement of profit or loss except to the extent that it relates to items recognised directly in other comprehensive income or equity, in which case it is recognised in other comprehensive income or equity.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. The Company recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is other convincing evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used. Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

g) Employee benefits

i) Short-term benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Leave encashment is provided for on the basis of actual costs the Company expects to pay for the compensated absences.

ii) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into separate entity and will have no legal or constructive obligation to pay further amounts.

Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in statement of profit and loss in the periods during which the related services are rendered by the employees.

The Company makes specific contributions to provident fund.

iii) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company has following defined benefit plans:

Gratuity

The Company provides for gratuity, a defined benefit plan (the Gratuity Plan) covering all directly recruited eligible employees. In accordance with the payment of Gratuity Act, 1972, the Gratuity plan provides a lump sum payment to vested employees on retirement, death, incapacitation or termination of employment. These are funded by the Company and are managed by the Life Insurance Corporation of India (LIC).

The calculation of defined benefit obligation is performed by a qualified actuary separately for each plan using the projected unit credit method, which recognises each year of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

The obligation is measured at the present value of estimated future cash flows. The discount rates used for determining the present value of obligation under defined benefit plans, is based on the market yields on Government securities as at the balance sheet date, having maturity periods approximating to the terms of related obligations.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to the statement of profit or loss in subsequent periods.

The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in the statement of profit and loss.

h) Foreign currency transactions and translation

Monetary and non-monetary transactions in foreign currencies are initially recorded in the functional currency of the Company at the exchange rates at the dates of the transactions or at an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary foreign currency assets and liabilities remaining unsettled on reporting date are translated at the rates of exchange prevailing on reporting date. Gains/ (losses) arising on account of realisation/ settlement of foreign exchange transactions and on translation of monetary foreign currency assets and liabilities are recognised in the statement of profit and loss.

Non-monetary items are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

The Company uses derivative financial instruments such as forward exchange contracts to hedge its risk associated foreign currency fluctuations. Such derivatives are stated at fair value. Any gains or losses arising from changes in fair value are taken directly to statement of profit or loss.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

i) Finance expense

Finance expenses comprises of interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest cost) incurred in connection with the borrowings of funds. Borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset are recognized in the statement of profit and loss using the effective interest method.

j) Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, other than inventories, are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit", or "CGU").

An impairment loss is recognized if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognized in the statement of profit and loss. Impairment losses recognized in respect of CGUs are reduced from the carrying amounts of the assets of the CGU.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

k) Provisions and contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Notes to the financial statements for the year ended 31 March 2018

Provisions are measured at management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the entity. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.

l) Borrowings and borrowing cost

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Borrowing costs that are directly attributable to the acquisition, construction or erection of qualifying assets are capitalised as part of cost of such asset until such time that the assets are substantially ready for their intended use. Qualifying assets are assets which take a substantial period of time to get ready for their intended use or sale.

When the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs incurred are capitalized. When Company borrows funds generally and uses them for the purpose of obtaining a qualifying asset, the capitalization of the borrowing costs is computed based on the weighted average cost of general borrowing that are outstanding during the period and used for the acquisition of the qualifying asset.

Capitalisation of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying assets for their intended uses are complete. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs include exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

All other borrowing costs are recognised as an expense in the year in which they are incurred.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

m) Leases

The determination of whether an arrangement is, or contains, a lease is based on the substance of an arrangement at inception date: whether fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset, even if that right is not explicitly specified in an arrangement.

Where the Company is the lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to the statement of profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

Leases of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. Subsequent to initial recognition, the assets are accounted for in accordance with the accounting policy applicable to similar owned assets.

n) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

In accordance with Ind AS 108 - Operating Segments, the operating segments used to present segment information are identified on the basis of internal reports used by the Company's Management to allocate resources to the segments and assess their performance.

The Board of Directors is collectively the Company's 'Chief Operating Decision Maker' or 'CODM' within the meaning of Ind AS 108. Refer Note 36 for segment information.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

o) Government grant

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as other operating revenue on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset.

When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments.

p) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) Financial assets

Recognition and initial measurement

Trade receivables are initially recognized when they are originated. All other financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss ('FVTPL'), transaction costs that are directly attributable to its acquisition or issue.

Classification and subsequent measurement

On initial recognition, a financial asset is classified as measured at:

- Amortized cost;
- Fair Value through Other Comprehensive Income ('FVOCI') - debt instrument;
- FVOCI - equity investment; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables. Company has recognized financial assets viz. security deposit, trade receivables, employee advances at amortized cost.

A debt instrument is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On de-recognition of the asset, cumulative gain or loss previously recognized in OCI is re-classified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI - equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortized cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

financial asset that otherwise meets the requirements to be measured at amortized cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Company's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets : Assessment whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment 'Principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the assessment, the Company considers:

- contingents events that would change the amounts or timings of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets (e.g. non - recourse features)

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, as feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets : Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.
Financial assets at amortized cost	These assets are subsequently measured at amortized cost using the effective interest method. Interest income, foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss.
Debt investment at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognized in profit or loss. Other net gains and losses are recognized in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

Equity investment at FVOCI	These assets are subsequently measured at fair value. Dividends are recognized as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in OCI and are not reclassified to profit or loss.
----------------------------	--

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. Any gain or loss on derecognition is recognised in the statement of profit and loss.

Impairment

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition, in which case those financial assets are measured at lifetime ECL. The changes (incremental or reversal) in loss allowance computed using ECL model, is recognised as an impairment gain or loss in the statement of profit and loss.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the counterparty does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

Notes to the financial statements for the year ended 31 March 2018

ii) Financial liabilities

Recognition and initial measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss, transaction costs that are attributable to the liability.

Classification and subsequent measurement

Financial liabilities are classified as measured at amortised cost or FVTPL.

Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense are recognised in the statement of profit and loss. Any gain or loss on derecognition is also recognised in the statement of profit and loss. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings.

Derecognition

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the statement of profit and loss.

iii) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

q) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

r) Earnings per share

Basic earnings per equity share is computed by dividing the Net Profit / Loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year. Diluted earnings per equity share is computed by dividing the net profit/loss attributable to equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

s) Ind AS 115 'Revenue from Contracts with Customers'

On 28 March 2018, Ministry of Corporate Affairs (MCA) has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further, the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

- ❖ Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors
- ❖ Cumulative catch - up approach - Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application

The effective date for adoption of Ind AS 115 is financial periods beginning on or after 1 April 2018. The Company will adopt the standard on 1 April 2018 by using the cumulative catch-up transition method and accordingly comparatives for the year ending or ended 31 March 2018 will not be retrospectively adjusted. The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration:

On 28 March 2018, Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The amendment will come into force from 1 April 2018. The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

35. Income tax

A. Reconciliation of effective tax rate

Reconciliation of tax expense and the accounting profit/ (loss) multiplied by India's domestic tax rate for the year ended 31 March 2018 and 31 March 2017:

	For the year ended 31 March 2018		For the year ended 31 March 2017	
	Rate	Amount	Rate	Amount
Loss before tax		(3,691.27)		(3,560.29)
Tax using the Company's domestic tax rate	26.00%	(959.73)	30.90%	(1,100.13)
Tax effect of:				
Non-deductible expenses	-24.90%	919.19	-19.33%	688.34
Non-taxable income	0.52%	(19.05)	0.00%	-
Unrecognised tax losses	-1.61%	59.60	-11.57%	411.79
Effective tax rate	0.00%	-	0.00%	-

B. Deferred tax assets/ liabilities

As at 31 March, 2018, the Company has unabsorbed depreciation and business losses under the provisions of the Income-tax Act, 1961. Consequent to the provisions of Ind AS 12 - "Income Taxes", in the absence of reasonable certainty of taxable profits in future years, deferred tax assets have not been recognised. The Company reassesses the unrecognised deferred tax assets at each reporting period and recognise the deferred tax assets over its deferred tax liability when it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are attributable to the following:

Particulars	Deferred tax assets			(Deferred tax liabilities)			Net deferred tax assets/ (liabilities)		
	As at 31 March 2018	As at 31 March 2017	As at 1 April 2016	As at 31 March 2018	As at 31 March 2017	As at 1 April 2016	As at 31 March 2018	As at 31 March 2017	As at 1 April 2016

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018
(All amounts are in INR lakhs, unless otherwise stated)

36. Operating segments

A. Basis for segmentation

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Board of Directors collectively who have been identified as Chief Operating Decision Maker ('CODM') to make decisions about resources to be allocated to the segments and assess their performance.

The principal business of the Company is sheet metal fabrication and body building. All these activities of the Company revolve around its main business. Hence there is only one reportable segment.

B. Geographical information

The Company's revenue from operations i.e. sheet metal fabrication and body building is located in India only. Hence, no additional disclosure about geographical information has been given.

C. Major customers

Revenue from customers of the Company's single segment which is more than 10 percent of the Company's total revenue are as follows:

Name of the Customer	For the year ended 31 March 2018	For the year ended 31 March 2017
Tata Motors Limited	1,258.81	4,407.02
Volvo Eicher Commercial Vehicle Limited	3,689.10	3,435.37
Man Truck India Pvt. Limited	1,325.39	1,175.81
Total	6,273.30	9,018.20

37. Operating lease - As a lessee

The Company has entered into operating leases agreement for factory land for 30 years, which can be further renewed for an additional term of 10 years. Escalations in lease rentals will be by around one quarter of the rent after every 10 years. The lease rental expense recognised in the Statement of Profit and Loss for the year in respect of cancellable & non-cancellable leases is INR 7.21 lakhs (31 March 2017: INR 9.26 lakhs). The future minimum lease expense in respect of non-cancellable leases is as follows:

Particulars	As at 31 March 2018	As at 31 March 2017	As at 1 April 2016
Payable within one year	5.40	5.06	5.06
Payable between one and five years	21.60	20.23	20.23
Payable later than five years	75.60	80.92	85.98
	102.60	106.21	111.27

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

(All amounts are in INR lakhs, unless otherwise stated)

38. Contingent liabilities and commitments

A. Contingent liabilities

Particulars	As at	As at	As at
	31 March 2018	31 March 2017	1 April 2016
Income tax matters	610.58	620.25	21.62
Excise duty related to Rule 10A matter*	-	-	-
Other Excise duty and Service tax matters {INR 0.53 Lakhs (Previous Year INR 9.13 Lakhs) paid under protest}	2,074.95	2,576.70	2,576.59
Sales tax and Entry tax matters {INR 78.66 Lakhs (Previous Year INR 71.10 Lakhs) paid under protest}	1,893.23	1,822.21	1,822.55
Claims against the Company not acknowledged as debts (excluding claims by employees, where amount is not ascertainable)	47.95	65.43	65.43
Total	4,626.71	5,084.59	4,486.19

1. The above matters are subject to legal proceedings in the ordinary course of business. The legal proceedings, when ultimately concluded will not, in the opinion of the management, have a material effect on the results of the operations or financial position.

2. It is not practicable for the Company to estimate the timings of cash outflows, if any, in respect of the above pending resolution of the respective proceedings as it is determinable only on receipt of judgements / decisions pending with various forums/authorities."

*Pursuant to the Rule 10(A) of Central Excise Rules, 2002 which was inserted vide Notification no. 9/2007-CE(N.T) dated 1st March, 2007, the Company has started paying differential Excise Duty on behalf of customer on sales made to them since September'2010 under protest. The Excise department has issued demand notices in respect of this matter aggregating INR 2,819.55 Lakhs (31 March 2017 : INR 2,967.51 Lakhs, 1 April 2016 : INR 2,967.51 Lakhs). The aggregate of total payment made under protest up to the year-end is INR 2692.11 Lakhs (31 March 2017 : INR 2,646.47 Lakhs, 1 April 2016 : INR 1,713.48 Lakhs). Since, the liability, if any in this regard is recoverable from the customer, there will be no impact on Statement of Profit and Loss as consequence of the outcome of this case.

B. Commitments

a. **Capital commitments** : Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) amounts to INR 38.95 lakhs (31 March 2017: INR 39.48 lakhs, 1 April 2016: INR 116.10 lakhs).

b. **Other commitments** : The Company does not have any long term commitments / contracts including derivative contracts for which there will be any material foreseeable losses.

c. **Lease Commitments** : Refer note 37 in respect of commitment with regard to leases.

39. Loss per share

Basic and diluted loss per share

Basic and diluted loss per share is calculated by dividing the loss during the year attributable to equity shareholders of the Company by the weighted number of equity shares outstanding during the year.

Particulars	Unit	For the year ended	For the year ended
		31 March 2018	31 March 2017
Profit/ (loss) after tax attributable to equity shareholders	(INR in lakhs)	(3,691.27)	(3,560.28)
Weighted average number of equity shares outstanding during the year	(in number)	54,942,964	54,942,964
Nominal value per share	INR	10.00	10.00
Basic and diluted loss per share	INR	(6.72)	(6.48)

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018
(All amounts are in INR lakhs, unless otherwise stated)

40. Employee benefits

During the year, the Company has recognized following amounts in the statement of profit and loss :

A. Defined Contribution plans

The Company has recognised the following amounts in the statement of profit and loss:

	For the year ended 31 March 2018	For the year ended 31 March 2017
Employer's contribution to provident fund	19.78	22.95
Employer's contribution to employee's state insurance	3.70	3.82

B. Defined benefit plans

Gratuity:

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service.

The employees' gratuity fund scheme administered by the Company employees gratuity fund trust through fund manager namely Life Insurance Corporation (LIC) of India, is a defined benefit plan. The present value of obligation is determined on actuarial valuation done by LIC using projected unit credit method to arrive the final obligation.

The following table set out the status of the defined benefit obligation

	31 March 2018	31 March 2017	1 April 2016
Net defined benefit liability- Gratuity	43.72	43.13	30.73
Total employee benefit liabilities			
Non current	33.72	33.13	20.73
Current	10.00	10.00	10.00

For details about the related employee benefit expenses, refer note 38.

(i) Reconciliation of the net defined benefit liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit liability and its components

Particulars	31 March 2018	31 March 2017
Balance at the beginning of the year	87.52	87.83
Benefits paid	(11.86)	(16.50)
Current service cost	9.63	10.87
Interest cost	6.20	6.78
Actuarial (gain) loss recognised in other comprehensive income		
- changes in financial assumptions	(3.84)	5.79
- experience adjustments	(2.61)	(7.25)
Balance at the end of the year	85.04	87.52

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018
(All amounts are in INR lakhs, unless otherwise stated)

(i) Reconciliation of the present value of plan assets

The following table shows a reconciliation from the opening balances to the closing balances for the plan assets

Particulars	31 March 2018	31 March 2017
Balance at the beginning of the year	44.40	57.10
Contributions paid into the plan	6.50	0.70
Benefits paid	(11.86)	(16.50)
Interest income	3.42	4.73
Actual return on plan assets recognised in other comprehensive income	(1.13)	(1.63)
Balance at the end of the year	41.33	44.40

ii) Expense recognized in profit or loss

Particulars	31 March 2018	31 March 2017
Current service cost	9.63	10.87
Interest cost	6.20	6.78
Interest income	(3.42)	(4.73)
	12.41	12.92

iii) Remeasurements recognized in other comprehensive income

Particulars	31 March 2018	31 March 2017
Actuarial (gain) loss on defined benefit obligation	(6.45)	(1.46)
Return on plan assets excluding interest income	1.13	1.63
	(5.32)	0.17

iv) Actuarial assumptions

Principal actuarial assumptions at the reporting date (expressed as weighted averages):

Particulars	31 March 2018	31 March 2017	1 April 2016
Financial assumptions (p.a.)			
Discount rate	7.75%	7.30%	7.95%
Future salary growth	7.00%	7.00%	7.00%
Expected return on Assets	7.50%	7.50%	7.50%
Demographic assumptions			
Retirement age	60 years	60 years	60 years

As at 31 March 2018, the weighted average duration of the defined benefit obligation was 9.70 years (31 March 2017 : 10.71 years)

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

(All amounts are in INR lakhs, unless otherwise stated)

v) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

	31 March 2018		31 March 2017	
	Increase	Decrease	Increase	Decrease
Discount rate (0.50%)	(2.04)	2.20	(2.22)	2.41
Future salary growth (0.50%)	2.21	(2.07)	2.40	(2.23)

Although the analysis does not take into account of the full distribution of cash flows expected under the plan, it does not provide an approximation of the sensitivity of the assumptions shown.

vi) Maturity profile

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan based on past service of the employees as at the valuation date:

Particulars	As at 31 March 2018	As at 31 March 2017	As at 1 April 2016
Year 1	5.92	5.21	5.08
Year 2	4.11	3.07	2.86
Year 3	7.22	4.22	3.38
Year 4	5.86	7.21	5.69
Year 5	7.99	5.11	10.87
Next 5 years	186.90	203.96	231.02

The Company expects to contribute INR 10 lakhs (Previous year : INR 10 lakhs) towards gratuity fund scheme in the next financial year.

C. Risk exposure

Valuations are based on certain assumptions, which are dynamic in nature & vary over time. As such company is exposed to various risk as follows :

a) Interest Risk

The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of reporting period on government bonds.

b) Longevity Risk

The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

c) Salary Risk

The present value of defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, increase in the salary of plan participants will increase the plan's liability.

The company makes annual contribution to Life Insurance Corporation (LIC). As LIC does not disclose the composition of its portfolio investments, break-down of plan investments by investment type not available to disclose.

Particulars	As at	As at	As at
	31 March 2018	31 March 2017	1 April 2016
(a) The amounts remaining unpaid to micro, small and medium enterprises as at the end of the period			
- Principal	78.12	27.77	19.97
- Interest	33.26	23.79	19.48
(b) The amount of interest paid by the buyer as per the Micro Small and Medium Enterprises Development Act, 2006	-	-	-
(c) The amounts of the payments made to micro and small suppliers beyond the appointed day during each accounting period.	-	-	-
(d) The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the period) but without adding the interest specified under Micro Small and Medium Enterprises Development Act, 2006.	9.47	4.31	2.21
(e) The amount of interest accrued and remaining unpaid at the end of each accounting period.	33.26	23.79	19.48
(f) The amount of further interest remaining due and payable even in the succeeding periods, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under the Micro Small and Medium Enterprises Development Act, 2006.	-	-	-

43. Disclosure on Specified Bank Notes (SBN)

Information pursuant to G.S.R. 308 (E) dated 30 March 2017 issued by Ministry of corporate affairs.

The specified bank notes as defined under the notification issued by the Ministry of Finance, Department of Economic dated 8 November, 2016 are no longer in existence. Hence, the Company has not provided the corresponding disclosures as prescribed in Schedule III to the Companies Act, 2013. Disclosure made in the previous year ended 31 March 2017 financial statements is as below:

Particulars	Specified Bank Notes*	Other denomination Notes	Total
Closing cash in hand as on 8 November 2016#	2.68	0.10	2.78
(+) Permitted receipts-	-	7.18	7.18
(+) Withdrawals from the bank	-	-	-
(-) Permitted payments	-	6.96	6.96
(-) Amount deposited in Banks	2.68	-	2.68
Closing cash in hand as on 30 December 2016	-	0.32	0.32

*For the purpose of this disclosure, the term 'Specified Bank Notes' shall have the same meaning provided in the notification of the Government of India, in the Ministry of Finance, Department of Economic Affairs number S.O. 3407(E), dated the 8th November, 2016."

It includes cash in hand held under imprest

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

(All amounts are in INR lakhs, unless otherwise stated)

44. Financial instruments – Fair values and risk management

a. Financial instruments – by category and fair values hierarchy

The following table shows the carrying amounts and fair value of financial assets and financial liabilities, including their levels in the fair value hierarchy.

i. As on 1 April 2016

Particulars	Carrying value				Fair value measurement using

(iii) Other financial liabilities*	-	-	15,617.32	15,617.32	-	-	15,617.32
Total	-	-	23,273.06	23,273.06			

The Company's borrowings have been contracted at floating rates of interest, which resets at short intervals. Accordingly, the carrying value of such borrowings (including interest accrued but not due) approximates fair value.

* The carrying amounts of trade receivables, trade payables, cash and cash equivalents, investments, bank balances other than cash and cash equivalents and other financial assets and liabilities, approximates the fair values, due to their short-term nature.

There have been no transfers between Level 1, Level 2 and Level 3 for the years ended 31 March 2017 and 31 March 2016.

b. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk - Foreign exchange
- Market risk - Interest rate

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors have authorised senior management to establish the processes, who ensures that executive management controls risks through the mechanism of properly defined framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risks limits and controls, to monitor risks and adherence to limits. Risk management policies are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018
(All amounts are in INR lakhs, unless otherwise stated)

b. Financial risk management (continued)

(i) Credit risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the Balance Sheet:

Particulars	As at 31 March 2018	As at 31 March 2017	As at 1 April 2016
Investments	0.10	0.10	0.10
Trade receivables	685.04	1,569.89	1,233.63
Cash and cash equivalents	333.84	42.77	5.23
Balances other than cash and cash equivalents	107.34	124.97	247.13
Loans	239.56	292.29	338.36
Other financial assets	222.87	6.67	13.56

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks with high credit ratings assigned by domestic credit rating agencies.

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Trade receivables are unsecured and are derived from revenue earned from customers primarily located in India. The Company does monitor the economic environment in which it operates. The Company manages its credit risk through credit approvals, establishing credit limits and continuously monitoring credit worthiness of customers to which the Company grants credit terms in the normal course of business.

The Company's exposure to credit risk for trade receivables is as follows:

Particulars	Gross carrying amount		
	As at 31 March 2018	As at 31 March 2017	As at 1 April 2016
1-90 days past due *	630.72	1,355.41	2,011.00
91 to 180 days past due	42.36	27.29	45.77
More than 180 days past due #	1,713.68	1,833.01	804.31
	2,386.76	3,215.71	2,861.08

* The Company believes that the amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour.

The Company based upon past trends determine an impairment allowance for loss on receivables outstanding for more than 180 days past due.

Movement in the loss allowance in respect of trade receivables:

Particulars	For the year ended 31 March 2018	For the year ended 31 March 2017
Balance at the beginning of the year	1,645.82	1,627.45
Impairment loss recognised / (reversed)	81.89	18.37
Amount written off out of above	(25.99)	-
Balance at the end of the year	1,701.72	1,645.82

Notes to the financial statements for the year ended 31 March 2018
(All amounts are in INR lakhs, unless otherwise stated)

b. Financial risk management (continued)

(ii) Liquidity risk

Liquidity risk refers to the probability of loss arising from a situation where there will not be enough cash and/or cash equivalents to meet the needs of depositors and borrowers, sale of illiquid assets will yield less than their fair value and illiquid assets will not be sold at the desired time due to lack of buyers. The primary objective of liquidity management is to provide for sufficient cash and cash equivalents at all times and any place in the world to enable us to meet our payment obligations. Currently the company is facing liquidity crises due to huge interest cost.

Maturities of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted:

As at 1 April 2016	Carrying amount	Contractual cash flows			Total
		Less than 1 Year	Between 1 to 5 Years	More than 5 years	
Non-current liabilities

* Pertains to debt component of compound financial instrument. The contractual cash flows are based on management's intent since the preference shares are redeemable only as fully paid up.

Carrying amount presented as net off unamortized transaction cost.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018
(All amounts are in INR lakhs, unless otherwise stated)

b. Financial risk management (continued)

(iii) Market risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency risk and interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Currency risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is exposed to the effects of fluctuation in the prevailing foreign currency exchange rates on its financial position and cash flows. Exposure arises primarily due to exchange rate fluctuations between the functional currency and other currencies from the Company's operating, investing and financing activities.

Exposure to currency risk

The summary of quantitative data about the Company's exposure to currency risk, as expressed in Indian Rupees, as at 31 March 2018, 31 March 2017 and 1 April 2016 are as below:

Particulars	As at 31 March 2018 INR	As at 31 March 2017 INR	As at 1 April 2016 INR
Financial liabilities			
Borrowings	3,122.12	3,113.23	397.71
	3,122.12	3,113.23	397.71

Sensitivity analysis

The following table demonstrate the sensitivity to a reasonably possible change in exchange rates of various currencies with INR, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities including non-designated foreign currency derivatives.

Particulars	Effect on Profit before tax	
	Strengthening	Weakening
1% depreciation/ appreciation in Indian Rupees against following foreign currencies:	+1%	-1%
For the year ended 31 March 2018		
USD	31.13	(31.13)
	31.13	(31.13)
For the year ended 31 March 2017		
USD	31.22	(31.22)
	31.22	(31.22)

USD: United States Dollar

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

(All amounts are in INR lakhs, unless otherwise stated)

b. Financial risk management (continued)
(iii) Market risk

Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk.

Exposure to interest rate risk

The Company's interest rate risk arises majorly from the term loans from banks/Non banking financial companies (NBFC) carrying floating rate of interest. These obligations exposes the Company to cash flow interest rate risk. The exposure of the Company's borrowing to interest rate changes as reported to the management at the end of the reporting period are as follows:

Variable-rate instruments	As at 31 March 2018	As at 31 March 2017	As at 1 April 2016
Term loans from banks and NBFC (Non current)	-	3,827.05	5,936.34
Term loans from banks and NBFC (Current)	4,058.09	3,460.08	3,473.83
Current maturities of borrowings	11,981.72	7,964.66	4,624.31
Total	16,039.81	15,251.79	14,034.48

Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 100 basis points (bps) in interest rates at the reporting date would have increased (decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

Particulars	Profit or loss	
	100 bps increase	100 bps decrease
Interest on term loans from banks		
For the year ended 31 March 2018	160.40	(160.40)
For the year ended 31 March 2017	152.52	(152.52)

45. Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. No changes were made in the objectives, policies or processes for managing capital during the years ended 31st March 2018 and 31st March 2017.

Particulars	As at 31 March 2018	As at 31 March 2017	As at 1 April 2016
Borrowings	17,073.20	16,269.27	14,963.10
Less : Cash and cash equivalent	(333.84)	(42.77)	(5.23)
Adjusted net debt (A)	16,739.35	16,226.50	14,957.88
Total equity (B)	(6,717.72)	(3,031.77)	528.69
Adjusted net debt to adjusted equity ratio (A/B)	-	-	2829.25%

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

(All amounts are in INR lakhs, unless otherwise stated)

46. Explanation of transition to Ind AS

As mentioned in note 2.1 (i), these financial statements for the year ended 31 March 2018, are the first financial statements of the Company prepared in accordance with the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended. For periods up to and including the year ended 31 March 2017, the Company prepared its financial statements in accordance with "previous GAAP", including accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended).

Accordingly, the Company has prepared financial statements which comply with Ind-AS applicable for periods ended on or after 31 March 2018, together with the comparative period data as at and for the year ended 31 March 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1 April 2016, the Company's date of transition to Ind-AS. This note explains the principal adjustments made by the Company in restating its previous GAAP financial statements, including the balance sheet as at 1 April 2016 and the financial statements as at and for the year ended 31 March 2017.

According to Ind AS 101, the first Ind AS financial statements must use recognition and measurement principles that are based on standards and interpretations that are effective for the financial year ended 31 March 2018. These accounting principles and measurement principles must be applied retrospectively to the date of transition to Ind AS and for all periods presented within the first Ind AS financial statements. Any resulting differences between carrying amounts of assets and liabilities according to Ind AS 101 as of 1 April 2016 compared with those presented in the previous GAAP Balance Sheet as of 31 March 2016, were recognised in equity within the Ind AS Balance Sheet.

A. Exemptions and exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

Transition elections

Explanation of the Ind AS 101 exceptions and exemptions to the full retrospective application of Ind AS applied by the Company.

In the Ind AS opening Balance Sheet as at 1 April, 2016, the carrying amounts of assets and liabilities from the previous GAAP as at 31 March 2016 are generally recognized and measured according to Ind AS in effect for the financial year ended as on 31 March 2018. For certain individual cases, however, Ind AS 101 provides for optional exemptions to the general principles of retrospective application of Ind AS. The Company has made use of the following exemptions in preparing its Ind AS opening Balance Sheet.

a) Ind AS optional exemptions:

(i) Property, plant and equipment and intangible assets

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment, intangible assets and capital work in progress as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their Previous GAAP carrying value.

(ii) Determining whether an arrangement contains a lease

Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. However, Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected not to be material. The Company has elected to apply this exemption for such contracts/arrangements.

b) Ind AS mandatory exceptions:

(i) Estimates

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at 1 April 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company has made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP: a) Determination of the discounted value for financial instruments carried at amortised cost b) Impairment of financial assets based on expected credit loss model.

(ii) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Further, the standard permits measurement of financial assets accounted at amortised cost based on facts and circumstances existing at the date of transition if retrospective application is impracticable. Accordingly, the Company has determined the classification of financial assets based on facts and circumstances that exist on the date of transition. Measurement of financial assets accounted at amortised cost has been done retrospectively except where the same is impracticable

B. Reconciliations between previous GAAP and Ind AS:

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

(All amounts are in INR lakhs, unless otherwise stated)

Loss after tax as per previous GAAP		-
Reclassification of actuarial (gain)/loss arising in respect of defined benefit plan to other comprehensive income	c,d	(0.18)
Others		-
Total adjustments		(0.18)
Profit after tax as per Ind AS		(0.18)
Other comprehensive income		-
Total comprehensive income as per Ind AS		(0.18)

(vi) **Impact of Ind AS adoption on the statements of cash flows for the year ended 31 March 2017**

There were no material differences between the statement of cash flows presented under Ind AS and the Previous GAAP except due to various re-classification adjustments recorded under Ind AS and difference in the definition of cash and cash equivalents under these two GAAPs.

C. Notes to the reconciliations:

a. Borrowings and Property, plant and equipment - transaction cost adjustment

As per the requirement of Ind AS, loan processing fee should be amortised over the period of repayment of loan as per Effective Interest Rate (EIR) method. In previous GAAP (IGAAP), processing fee were capitalised (depreciated over the life of specific fixed assets) / charged to Profit & Loss on straight line basis. The same has been reversed and now amortised over the period of loan according to Effective Interest Rate (EIR) method.

The impact of the transition is detailed below:

Balance Sheet	As at 31 March 2017	As at 1 April 2016
Property, plant and equipment	(300.60)	(311.22)
Borrowings - Non Current	(137.23)	(238.05)
Other non current assets	(12.71)	(60.70)
Other current assets	(67.84)	(51.18)
Statement of profit and loss		
		Year ended 31 March 2017
Depreciation		(10.63)
Finance cost		69.57

The same has resulted in decrease in retained earnings by INR 185.05 lakhs as at 1 April 2016 and loss for the FY 2016-17 has increased by INR 69.57 lakhs.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

(All amounts are in INR lakhs, unless otherwise stated)

b. Measurement of financial liability at amortised cost

The Company has issued 2,000,000, 0.0001% Non Convertible, Cumulative, Redeemable Preference Shares of INR 100 per share. As per the requirements of Ind-AS 109, initial measurement of such preference shares needs to be done at fair value. The difference between transaction price and fair value needs to be accounted for as borrowings in the financial statements of the Company. The same has been adopted under Ind AS as on transition date. Accordingly the Preference share capital has been divided into two components viz. Debt and Equity as at transition date.

The impact of the transition is detailed below:

Balance Sheet	As at 31 March 2017	As at 1 April 2016
Borrowings - Non Current	506.92	449.55
Statement of profit and loss		Year ended 31 March 2017
Finance cost		57.37

The same has resulted in decrease in retained earnings by INR 48.90 lakhs as at 1 April 2016 and loss for the FY 2016-17 has increased by INR 57.37 lakhs.

c. Employee benefits: Remeasurement of post employment benefit plans

Under Ind AS, remeasurements i.e. actuarial gains and losses on the net defined benefit liability are recognised in other comprehensive income instead of statement of profit and loss. Under previous GAAP these were forming part of the statement of profit and loss for the year. As a result, loss for the year ended 31 March 2017 is decreased by INR 0.18 lakhs and is reclassified to other comprehensive income. There is no impact on the total equity as at 31 March 2017.

d. Other comprehensive income

Under previous GAAP, there was no requirement to disclose any item of statement of profit and loss in other comprehensive income. However as per requirement of Ind AS certain items of profit or loss are to be reclassified to other comprehensive income. Consequent to this, the Company has reclassified remeasurement of defined benefit plans from the statement of profit and loss to other comprehensive income.

e. Prior period Errors (Penalty for delay interest)

Under previous GAAP, the Company has not recognised the penal interest for non payment of interest and principal on loans. The same has been recognised in the opening and previous year comparative balance sheet of the Company prepared under Ind AS. Penal interest amounting to INR 23.13 lakhs has been provided for in the opening balance sheet and INR 139.05 lakhs has been provided for in the FY 2016-17.

The impact of the transition is detailed below:

Balance Sheet	As at 31 March 2017	As at 1 April 2016
Other financial liabilities	162.23	23.13
Statement of profit and loss		Year ended 31 March 2017
Finance cost		139.05

The same has resulted in decrease in retained earnings by INR 23.13 lakhs as at 1 April 2016 and loss for the FY 2016-17 has increased by INR 139.05 lakhs.

f. Classification of Revenue net of committed costs

Under previous GAAP, the Company has recognised the gross amount of revenue and has recognised Late Delivery charges under Other Expenses. The same has been netted off from Revenue in the comparative previous year Statement of Profit and Loss. Accordingly the revenue for the FY 2016-17 has reduced by INR 63.73 lakhs with corresponding decrease in other expenses. There is no impact on loss due to above adjustment.

47. "Other Current Financial Assets" include Inter corporate deposits (ICD) of INR 1,000.00 Lakhs given to two Companies in an earlier year and which are outstanding as on 31st March 2017. These amounts have been fully provided for, as doubtful of recovery, in an earlier year. The Company has, during the earlier year filed a legal suit for recovery of the same (along with accumulated interest thereon). This case is lying before the Second Additional District Judge, Jabalpur.

Commercial Engineers & Body Builders Co. Ltd.

Notes to the financial statements for the year ended 31 March 2018

(All amounts are in INR lakhs, unless otherwise stated)

48. The Company during the earlier year has availed the benefit of refund of sales tax (VAT) under MP Industrial Investment Promotion Assistance Policy under, a scheme by MP Trade and Investment Facilitation Corp Limited. The refund is receivable from the department and is pending for clearance.
49. Over the past few years, the Company has been incurring cash losses affecting its ability to service the borrowings / creditors/ other liabilities and similar obligations. Consequently, the Joint Lenders Forum invoked Strategic Debt Restructuring ("SDR") on 11 January 2017, in compliance of the guidelines issued by the Reserve Bank of India ("RBI"). On 12 October 2017, the lead bank communicated that SDR could not be completed within the timeframe prescribed by RBI and loan given by the lenders to the Company has been classified Non-Performing Assets in the books of lenders. These conditions indicate the existence of material uncertainty about the Company's ability to continue as a going concern. The lenders are in the process of identifying revival measures, including debt restructuring and other structural changes. The Company continues to receive orders from customers which are being serviced on the basis of support from its key customers. The management is confident about positive outcome of the restructuring and continued support of its customers resulting in revival of the operations of the Company. Accordingly, the financial statements have been prepared by the Company on a going concern basis.
