Commenting on the performance, Mr. S. Venkatachalam, MD - OGPL, said: *“We have had a relatively stable quarter, with revenue growth of 28%, on the back of better availability of Wind. Further, the buoyancy in REC trading coupled with lower finance cost helped us in delivering better operational profitability.*

REC trading continued to remain strong on the back of steady demand, leading to a cash flow generation of Rs. 7.35 crore for the quarter. We liquidated our entire REC inventory for the eighth consecutive quarter at remunerative rates. December trading session witnessed certificates getting traded at Rs. 2000 levels. A further, positive development during the quarter ended 2019 is that, based on the AP High Court directive, the AP Discom has paid part of the long outstanding dues and, we expect balance amount over the next few months.

We remain constructive on the business amidst stable fundamentals. The case for Renewable Energy is getting stronger each day and, as one of the more experienced players and the only listed pure play Company in India, we are well positioned to benefit from the improving industry landscape.”

Limited Review Report

**The Board of Directors of
Orient Green Power Company Limited**

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of Orient Green Power Company Limited ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), for the quarter and nine months ended December 31, 2019 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes consolidation of results pertaining to the entities listed in Annexure.
5. Based on our review conducted as above read with our comments in paragraph 7 below and based on the consideration of the review reports of the other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We did not review the financial results of certain subsidiaries included in the consolidated unaudited financial results, whose interim financial results reflect total revenues of Rs. 559.16 lakhs and Rs. 3,473.13 lakhs, total profit/(loss) of Rs. (494.22) lakhs and Rs. 441.29 lakhs, and total

comprehensive income / (loss) of Rs. (494.05) lakhs and Rs. 441.80 lakhs respectively, for the quarter and nine months ended December 31, 2019. These interim financial results have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of the subsidiaries is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

7. We draw attention to the following matters as stated in the Notes to the Financial Results:-

- (i) Considering the stay granted by the Supreme Court of India on the order issued by Central Electricity Regulatory Commission ('CERC') on reduction of floor price, and based on the legal opinion obtained, the company is confident of favourable decision on the appeal with Hon'ble Supreme Court against the APTEL (Appellate Tribunal for Electricity at New Delhi) order and realization of difference of Rs.500 per REC aggregating to Rs.2,071.49 Lakhs in respect of the receivables as on 31st March 2017.
- (ii) Considering the uncertainty involved in realizing the interest income on loan of Rs. 8,085.67 lakhs granted to M/s. Janati Bio Power Private Limited (rate of interest 10.5% p.a.), the group has discontinued recognizing interest income on the said loan with effect from October 01, 2018. Further, as per the contention of the management, no provision for credit loss on this loan is required in view of the comfort letter given by SVL Limited assuring the repayment.

Our conclusion is not modified in respect of these matters.
