MESSAGE FROM MD's DESK

With the help of our Enkei Group Company Motto 2015 "SUUJI WO MITE TSUKAU: "Numbers do not lie", we aspire to see the future by setting up clear goal in terms of the NUMBERS.

Dear Shareholders,

It gives me a great pleasure to share with you an update on the overall performance of your Company. I would like to begin by expressing my gratitude to each of you for extending your continuous support towards Enkei Wheels (India) Limited.

Performance

In the financial year, 2015-16, orders for 4W segment were sufficient and all the 4W production lines (MAP lines) were occupied throughout year. However due to unfavorable circumstances, we witnessed downward sales trend in Q4 for 2W segment.

Despite of such challenging external environment your company succeeded in delivering 2.13 million pieces of wheels and achieved net revenue of INR 3,858 million during the year as compared to 2.17 Million pieces of wheels & revenue of INR 3,839 Million in last year.

As a result, we could post positive profit at operational level. However, the company landed in negative net profit as it incurred extraordinary loss from surrender of leasehold land which was the matter of concern over the years. But it is a proactive step in the years to come.

External Scenario

Considering the external perspective, due to poor monsoon, motorcycle segment in 2W suffered which resulted into order crisis. Then as a measure towards environmental problems Hon'ble Supreme Court of India ruled out vehicle registrations above 2000 CC for diesel variant cars in Delhi which too, to some extent affected our orders. However the Indian automobile industry continued to post positive 7.2% growth (domestic sale) for passenger cars (incl. UV & Van) in 2015-16 against the previous fiscal year and 3.0% positive growth for 2W segment. Your company has received sufficient orders from customers for their new models.

Internal Controllers

Internally, we continue to adopt & inculcate Enkei DNA, Enkei Ownership & 7 Efforts and try to Level & Label up of employees with the help of fundamentals like 5S activities & improve the loyalty of employees towards the company.

We have been continuously practicing the BEP (Break Even Point) Management and Daily Income Statement (DIS), that is:

1. Increase Value Added Ratio (Implementation of 3B)
2. Reduce Fixed Cost (FCR Activity: Fixed Cost Reduction activity)
3. Increase Sales Amount (Adoption of Product Mix strategy)

We also make use of CFT Activity (Cross Functional Team activity) for better problem solving, Enhancement of communication and motivational activities & Compliance of world standards (Certification of ISO/TS16949, ISO14001 & OHSAS18001) for environmental compliance.

Parent Support & Policy

It is our accomplishment that we have strengthened 65 years of vast experience of Enkei Group in the field of research & development and manufacturing of aluminum alloy wheels. The technical assistance & cultural exchange from Japan and other ASEAN group companies of Enkei, help us to successfully uphold the No.1 position for OEM supplier in the hybrid industry producing 2W & 4W aluminum alloy wheels of India and we remain committed to continue the same growth.

Looking Forward

In the current financial year 2016-17, consistently, like the previous year we will ride on this favorable wind and aim to obtain further new orders and ensure stable production. Along with this, due to positive sentiment of monsoon as well as focus on enhancing the operational efficiency we have strong intention to put our best foot forward towards making more profit than the previous financial year.

We believe in the EKIN 2016 slogan "CHIMUWAKU DE MOKUHYOU WO TASSEI SURU: To Achieve the Goal with Teamwork" and with the help of our Enkei Group Company Motto 2016 "SUUJI DE KEKKA WO DASU: "Numbers show results", we aspire to achieve the future goals in terms of NUMBERS.

Challenges

Currently Indian Government is focused towards many issues like environmental problems, introduction of GST and further compliances.

To adhere to the same, we will practice environmental management system, comply with health & safety standards, follow upcoming GST laws & new Companies Act, 2013.

We will ensure our reason for existence in the society – Make Profit, Make Contributions to the Community, Preserve Company's longevity.

At the end of this communication, I would like to thank to all our stakeholders, shareholders, customers, suppliers, vendors, employees, union, our group companies, the Governments and regulatory agencies around the world for taking keen interest in the company and extending continuous support to us and we hope to receive the same in future as well.

INDEPENDENT AUDITORS' REPORT

To,

The Members of,

Enkei Wheels (India) Limited.

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Enkei Wheels (India) Limited** ('the Company') which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements.

2. The Company's Board of Directors and its Management are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014 ("the Rules").

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other regularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also

includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors and its Management as well as evaluating the overall presentation of the financial statements.

5. We believe that the audit evidence we have obtained is sufficient and appropriate, to provide a basis for our audit opinion on the financial statements.

Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

ANNEXURE- B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in Paragraph 8 (f) of our report of even date on the financial statements of **Enkei Wheels (India) Limited** ('the Company') for the year ended March 31, 2016)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Enkei Wheels (India) Limited ('the Company') as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its Management are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('the Guidance Note').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act and the Guidance Note to the extent applicable to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that,

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

According to the information and explanations given to us and based on our audit, the following deficiencies & weaknesses have been identified in internal financial controls over financial reporting as at March 31, 2016.

- a) The existing rules, policies, and some of its key business processes (including sub-processes) have remained to be documented, updated and strengthened to cover all components and facets of internal control. We have been advised that the Company's management has initiated steps in this regard.
- b) The Company does not have risk assessment framework & mitigation plan at present, to address the risks - both current and potential. The Company, inter alia, has been incurring foreign exchange losses which are quite substantial and which have eroded sizable part of the Company's net worth. We have been advised that the Company's management has already initiated steps in this regard which will ensure its sustainability, business continuity and overall financial health of the Company in the near future.
- c) The Company does have the system of performing reconciliations of its significant accounts like trade receivables, but the same is not operating effectively. The accounts are not being reconciled with the parties' ledgers in timely or accurate manner. Pending this, few accounts have remained to be reconciled and agreed with the customers as at our report date. We are informed that most of its customers are original equipment manufacturers and there are no bad and doubtful debts as such.
- d) The Company does not a comprehensive & documented policy in respect of purchase (sale) of fixed assets and related expenditure so as to ensure proper accounting, classification and the safeguarding of its assets from loss, damage, misappropriation etc, There is no in-built procedure of periodical reconciliation of physical assets with its book records, as some of the assets physically verified have remained to be reconciled with the book records. We are advised that the Company has taken appropriate steps in this regard.

Opinion

In our opinion and to the best of our information and according to the explanation given to us, the Company has, except for the matters the stated above, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

**SIGNIFICANT ACCOUNTING POLICIES FORMING PART OF THE FINANCIAL STATEMENTS****1 Corporate information**

Enkei Wheels (India) Limited ("the Company") is a public limited company domiciled in India and is listed on the Bombay Stock Exchange. The Company is the manufacturer of aluminium alloy casting wheels ("products") mainly used in automotive segment of the industry in India.

2 Significant accounting policies**2.1 Basis of accounting and preparation of financial statements**

- a) These financial statements have been prepared under historical cost convention and are presented in Indian Rupees.
- b) The financial statements have been prepared from the books of account maintained on an accrual basis and comply in all material respects with the accounting principles generally accepted in India ('Indian GAAP'), the Accounting Standards, to the extent applicable, issued by the Institute of Chartered Accountants of India and specified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014.
- c) All assets and liabilities have been classified as current or non current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.
- d) The accounting policies adopted in the preparation of financial statements by the Company are consistent with those of the earlier years except to the extent stated otherwise hereinafter.

2.2 Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) in India requires that the Company's management to make judgments, estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the reported period. Examples of such estimates include the useful lives of depreciable assets & asset impairment, employee benefits, provision for doubtful receivables, provision for income taxes. Future results could differ as a result of changes in the estimates. Difference between the actual results and estimates are recognized in the period in which the results are known / materialise.

2.3 Inventories**a. Raw Materials and Traded goods**

Inventory of Raw materials is valued at cost. Cost represents purchase price, net of recoverable taxes and is determined on weighted average basis.

b. Work-In-Progress/Semi-Finished goods

Inventory of Work-In-Progress/Semi-Finished goods is valued at lower of cost and net realisable value. Cost comprises of material cost and conversion cost. Conversion cost includes cost of consumables, direct labour, variable overheads and fixed cost in respect of production facilities.

c. Consumables, Stores and Spares

Consumables, Stores and Spares are valued at cost. Cost represents purchase price, net of recoverable taxes, and is determined on First In First Out basis.

2.4 Depreciation and amortisation

- a) Depreciation on Tangible Fixed Assets has been provided on Straight Line Method in the manner provided under of Schedule II to the Companies Act, 2013 on the basis of the useful lives of the assets prescribed under Part C of Schedule II to the Companies Act, 2013.
- b) Depreciation on additions during the year has been provided on pro-rata basis from the date of acquisition or from the date(s) on which commercial production is obtained, particularly in case of plant and machineries, with fair degree of regularity and not only on the basis of the assets are ready to put to use, as the case may be.

**SIGNIFICANT ACCOUNTING POLICIES FORMING PART OF THE FINANCIAL STATEMENTS (Contd).**

- c. Individual asset costing less than ₹ 5,000/- each is fully depreciated in the year of its purchase.
- d. The Company has not determined useful lives of its assets and their significant parts if any, based on technical evaluation or otherwise. Pending this, the Company has followed the useful lives of the assets prescribed under Part C of Schedule II to the Companies Act, 2013, for whole of the assets(s). The Company is in the process of identification and determination of useful lives of significant components separately.
- e. Intangible assets are amortised over a period of five years.
- f. The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and if there is a significant change in the expected pattern of economic benefits from the asset, the amortisation method is revised to reflect the changed/ actual pattern.

2.5 Revenue recognition

- a. Revenue is recognised only when it can be reliably measured and it is reasonable to expect ultimate collection based upon negotiations with the customers for price escalations and price settlements.

- b. Sale of goods

Revenue from sale of goods are recognised on despatch of goods by the Company from its factory premises and are accounted in the books net of returns and trade discounts.

- c. Other operating revenue

Other operating revenue represents income earned from the Company's principal activities and is recognised when the right to receive the income is established as per the terms of the contract.

2.6 Other income

Interest income is recognised on time proportion basis taking into account the amount of term deposits held and applicable rate of interest.

2.7 Expenditure

Purchases and Expenses, net of taxes recoverable, are accounted on accrual basis and once liability is determined for goods, services & value received.

2.8 Tangible Fixed Assets

- a. "Fixed assets, except Land are carried at cost less accumulated depreciation and impairment losses, if any. The cost represents purchase price (net of recoverable of taxes) and all other direct expenses including financing cost in respect of acquisition or construction of fixed assets for the period up to the date of bringing the asset to its working condition for its intended use or for the period till commencement of commercial production respectively. Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

2.9 Intangible assets

- a. Intangible Assets are recognized only if it is probable that the future economic benefits that are attributable to the assets will flow to the enterprises and the cost of the assets can be measured reliably.
- b. Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price (net of recoverable of taxes) and expenses directly attributable for bringing the asset to its working condition for its intended use.

**SIGNIFICANT ACCOUNTING POLICIES FORMING PART OF THE FINANCIAL STATEMENTS (Contd).****2.10 Foreign currency transactions and translations**

- a. Transactions denominated in foreign currencies are recorded in the books at the exchange rate prevailing on the date transactions or that approximates the actual rate at the date of transaction.
- b. Monetary items denominated in foreign currencies at the year end are restated at exchange rates prevailing as at end of the year.
- c. As per the option available under paragraph 46 of the Accounting Standard (AS-11)–'The Effects of changes in Foreign Exchange Rates' and exercised by the Company, the exchange differences on account of depreciable fixed assets are capitalised as part of the asset to which differences relate and depreciated over the remaining useful life of such assets. In other cases, exchange differences are accumulated in a 'Foreign Currency Monetary Item Translation Difference Account' amortisable equally over the period of 8 years starting with the year in which the option is first exercised.
- d. Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Statement of Profit and Loss.
- e. In case of monetary items, which are covered by forward exchange contracts, the premium or discount arising at the inception of such a forward exchange contract is amortised as an expense or income, as the case may be over the life of the contract.

2.11 Investments

All Long-term investments, which are unquoted, are stated at cost. Current investments are stated at lower of cost and fair value.

2.12 Employee benefits

Employee benefits include provident fund, pension fund, gratuity fund, compensated absences and medical benefits.

Defined contribution plans

The Company's contribution to provident fund and pension fund are considered as defined contribution plans and are charged to the statement of profit and loss as and when those are incurred.

Defined benefit plans

For defined benefit plans, such as gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss of the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested or otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employees render the service. These benefits include compensated absences such as paid annual leave, bonus, and performance incentives.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability determined by actuarial valuation, at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled.

2.13 Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. All other borrowing costs incurred and which are not identified to the particular qualifying assets is

**SIGNIFICANT ACCOUNTING POLICIES FORMING PART OF THE FINANCIAL STATEMENTS (Contd).**

charged to the revenue. Qualifying assets are those that necessarily take a substantial period of time to get ready for their intended use. A longer period than period of twelve months has been considered as a substantial period of time in exceptional and unforeseen circumstances.

2.14 Leases

- a. Operating Leases : Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognised as operating leases. Lease payments under operating leases are recognised as an expense and are charged to the Statement of Profit and Loss on a straight line basis over the lease term.
- b. Finance Leases : Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Such assets acquired are capitalised at fair value of the asset or present value of the minimum lease payments at the inception of the lease whichever is lower. The principal component in the lease rental is adjusted against the lease liability and the interest component is charged to the Statement of Profit and Loss.

2.15 Taxes on income

- a. Tax expense comprises of current income tax and deferred tax.
- b. Current tax is the amount of tax due & payable on the taxable income as determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will utilise the credit in near future. Accordingly, MAT is recognised as an asset in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with it will flow to the Company.
- c. Deferred tax expense (or credit) is recognised subject to the consideration of prudence, on timing differences between accounting income and taxable income that originate in one period and is likely to reverse in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantially enacted by the balance sheet date.
- d. Deferred tax assets in respect of unabsorbed depreciation, carry forward of losses etc. are recognised, but only to the extent of Deferred tax liabilities, if it has legally enforceable right and those relate to taxes on income levied by the same governing taxation laws.
- e. During the year, the Company has also provided Deferred tax liability (net) in respect of Foreign Currency Monetary Item Translation Difference (FCMITD) for the year. This is a change in accounting policy, as till the last financial year, the Company has not provided deferred tax, either expense or credit on account of FCMITD. Had the Company not provided deferred tax expense on account of FCMITD, its loss after tax would have been lower by ₹ 3,05,12,120/-

2.16 Impairment of assets

- a. The management of the Company periodically assesses using external and internal sources, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying amount of the asset exceeds its recoverable value. An impairment loss, if any is charged to the statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.
- b. Assets/facilities retired from active use and held for re-work/disposal are classified separately as 'Assets held for Disposal'. In such situations, impairment loss is charged to the statement of Profit and Loss, in the year in which the loss is crystallised and quantified with ease.

2.17 Provisions, contingencies and commitments

- a. Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.
- b. Contingent Liabilities are not recognised but are disclosed in the financial statements. Contingent Assets are neither recognised nor disclosed in the financial statements.
