# Aster Hospital opens 100-bed multi-specialty facility in Sharjah

*The state-of-the-art facility with cutting-edge technology and 20+ core specialties will cater to the healthcare needs of the residents in the northern emirates*

**Sharjah (20 October 2022):** Aster Hospital, the hospital arm of Aster DM Healthcare, has opened a 100-bed multi-specialty hospital in the emirate of Sharjah. The medical facility spread across 200,000 square feet was inaugurated by His Highness Sheikh Sultan bin Ahmed Al Qasimi, Deputy Ruler of the Emirate of Sharjah and Deputy Chairman of the Sharjah Executive Council.

His Highness Sheikh Sultan bin Ahmed Al Qasimi toured the facility and was impressed at the technology and the features being incorporated to deliver world-class medical care to the residents of Sharjah and the Northern Emirates.

The hospital has a team of experienced doctors with proven clinical excellence and support staff to offer exceptional patient care and medical outcomes.

The newest facility has all the core specialties like Obstetrics and Gynaecology, Orthopaedics, Neurology, Cardiology, Paediatrics, General Surgery, and Urology.

The launch of Aster Hospital in Sharjah is in line with the mission of Aster DM Healthcare to deliver seamless care to everyone by making healthcare accessible and affordable.

Aster DM Healthcare has developed a highly integrated and sophisticated care-delivery ecosystem that promotes accessibility and inclusivity in healthcare. The latest endeavour underlines this greater mission.

Commenting on the inauguration of the new hospital, Dr. Azad Moopen, Founder Chairman and Managing Director of Aster DM Healthcare said, "We are proud to dedicate our fifth Aster Hospital in UAE and 30<sup>th</sup> across the region, to the people of Sharjah. The 100-bed facility equipped with modern healthcare infrastructure brings highly skilled professionals who will provide the full spectrum of secondary and tertiary care services to our patients. We express our sincere thanks to the Visionary Rulers, Officials and People of Sharjah who made this project a reality."

Ms. Alisha Moopen, Deputy Managing Director of Aster DM Healthcare said, “Our vision for Aster Hospitals in UAE has been to offer quality care closer to the homes of people. The hospital in Sharjah will ensure that the residents do not have to travel all way to Dubai to experience our quality care. The new hospital is yet another milestone in our journey, which will deliver upon our brand promise - We'll Treat You Well, as we continue to expand our offering in secondary and quaternary care.”

With the launch of the multi-specialty hospital in Sharjah, Aster has five multi-specialty hospitals in Dubai and the Northern Emirates, over a hundred clinics, and retail and pharmacy businesses.

**(ENDS)**

### **About Aster DM Healthcare**

Aster DM Healthcare Limited is one of the largest private healthcare service providers operating in GCC and India. With an inherent emphasis on clinical excellence, we are one of the few entities in the world with a strong presence across primary, secondary, tertiary, and quaternary healthcare through 29 hospitals, 121 clinics, 421\* pharmacies, 17 laboratories, and 109 patient experience centres in seven countries, including India. We have over 27,200 plus dedicated staff including 3,441 doctors and 7,901 nurses across our group, delivering a simple yet strong promise to our different stakeholders: "We'll treat you well." We reach out to all economic segments in the GCC states through our differentiated healthcare services across the "Aster", "Medcare" and "Access" brands.

\*Including 176 Pharmacies in India operated by Alfaone Retail Pharmacies Private Limited under brand license from Aster.
