DIRECTORS REPORT

Dear Members,

The directors have pleasure in presenting the 6th Annual Report together with the audited accounts of your Company for the year ending 31st March 2015.

Industry and Business Performance

The outlook for India is for economic strengthening through higher infrastructure spending, increased fiscal devolution to states and continued reforms to financial and monetary policy. The government underscored its intention to move steadily to tackle politically difficult structural issues that have stalled investment and limited economic performance in recent years. Growth picked up in 2014, inflation markedly declined and the external position was comfortable, helped by positive policies and lower global oil prices.

The opportunities for growth in India continue to be immense across all consumer categories. This fact is also reflected in high levels of competitive intensity in the marketplace. India's consumer confidence continues to remain robust.

The total apparel retail market is worth USD 54.08 bn (Rs.324500 crs)

and is growing at 20-21%. It is expected to be worth USD 94.13 bn (Rs.564972 crs) by 2017.

Modern retail is estimated at 43.1% of this total market and is expected to grow by much higher growth rate. There has been no slowing down in modern retail and the industry estimates that it will be growing at 30-40%.

The growth was primarily driven by the surge in demand for readymade apparel in semi-urban areas, rising income levels, youth population, rising influence of the social media and increasing preference for branded apparel.

Your Brand being positioned as a premium, smart casuals brand today has a presence in 200+ towns and cities. The growing popularity of the Brand with a strong customer connect enabled the Company to achieve the revenues of over Rs.290 crs, a growth of 25.14% from previous year.

Profit before Interest, Depreciation and Tax was up by 40.19 % and stood at Rs.34.29 crs as against Rs.24.46 crs previous year. The Net Profit After Tax stood at Rs.17.97 crores vis-a-vis Rs.9.88 crores representing whopping 81.90% increase for 31st March 2015.

Rs. in Crores

	FY 2014-15	FY 2013-14

Raise of Capital through Qualified Institutional Placement

The year under review was remarkable and marked a great momentum in paving the way for the future direction of the Company. Your Company raised Rs.75 crs as equity to provide the necessary capital to fuel the future growth through Qualified Institutional Placement during January 2015.

Your Company issued 14.12 lakh shares at Rs.531/- each aggregating to Rs.75 crs to domestic and international funds.

Consequent to the same, your Company's Paid-Up Share Capital increased by Rs.1.41 crs and the Securities Premium account increased by Rs.71.41 crs (after deduction of share issue expenses). The additional shares of 14.12 lakhs were admitted for listing in the National Stock Exchange of India Limited and Bombay Stock Exchange Limited on February 03 2015.

Dividend

With a view to conserve the resources, the Board of Directors have not recommended any Dividend for the current financial year.

Finance and Accounts

Your Company has a portion of Accumulated losses and unabsorbed depreciation transferred pursuant to Demerger and hence the Company is not liable to Current Tax. However, the Company has charged the Minimum Alternate Tax (MAT) of Rs.4.77 crores to Profit and Loss Account and has not considered MAT credit Entitlement as an asset as a matter of prudence.

During the year under review, your company realigned its Depreciation Policy in accordance with Schedule II, Companies Act, 2013. Consequently with effect from 1st April 2014, the carrying value of assets is now depreciated over its revised remaining useful life. Where the remaining useful life of the assets is NIL as on 1st April 2014, carrying value of assets amounting to Rs.67.46 lakhs has been adjusted against opening reserves.

Your Company has settled the dues of HDFC Bank in full during the year under review. Also your Company has prepaid the term loans of State Bank of India. The Company presently avails only working capital facilities from State Bank of India.

The company has not accepted any deposits within the meaning of Section 73 of the Companies Act 2013.

Cash flow Statement

In conformity with the provisions of Clause 32 of the Listing Agreement with Stock Exchanges, the Cash Flow Statement for the year ended 31st March 2015 is annexed hereto.

Related Party Transactions

All the transactions with the Related Parties are in the Ordinary Course of Business and on Arm's length basis. The details on Related Party Transactions have been disclosed in the notes to accounts. Your Company has framed a policy on Related Party Transaction and the same has been displayed on the Company's website www.indianterrain.com

REPORT ON CORPORATE GOVERNANCE

Company's Philosophy on Code of Corporate Governance

Indian Terrain Fashions Limited focuses Corporate Governance as a key driver of sustainable corporate growth and a powerful medium to achieve the company's goal of maximizing value for all its stakeholders. A sound corporate governance strengthens investors' trust and enables the company to fulfill its commitment towards the customers, employees and the society in general. Indian Terrain Fashions Limited believes that the primary objective is to create and adhere to a corporate culture of conscience and consciousness, empowerment, accountability and independent monitoring.

The company philosophy is based on the key elements in corporate governance viz., transparency, disclosure, supervision and internal controls, risk management, internal and external communications, high standard of safety, health, accounting fidelity, product and service quality. The company has a strong legacy of fair and ethical governance practices.

BOARD OF DIRECTORS

The Board of Directors of the Company possess highest personal and professional ethics, integrity and values, and provides leadership, strategic guidance and objective judgement on the affairs of the company. The Board is fully aware of its fiduciary responsibilities and is committed to represent the long-term interest of the Stakeholders. The Board adopted the principles of corporate governance and remains informed, participative, and independent to implement its broad policies and guidelines and has set up adequate review procedures.

The Key to good corporate governance is the optimum combination of the executive and non-executive directors on the board and the extent of their independence. The Board consists of six members with knowledge and experience in diverse fields and professionally acclaimed to understand their role in addressing the issues raised by the management. The day-to-day affairs of the company are managed by the Managing Director and Executive Director under the supervision of the Board.

MANAGEMENT DISCUSSION AND ANALYSIS – 31ST MARCH 2015

This Management Discussion and Analysis Report is prepared in adherence to the spirit enunciated in the Code of Corporate Governance, approved by the Securities and Exchange Board of India and in compliance with the provisions of the Listing Agreement.

Overview

The Indian retail industry has presently emerged as one of the most dynamic and fast paced industries as several players have started to enter the market. It accounts for over 10 per cent of the country's gross domestic product (GDP) and around eight per cent of the employment in India. The country is today the fifth largest global destination in the world for retail.

India's retail market is expected to double to US\$ 1 trillion by 2020 from US\$ 600 billion in 2015 driven by income growth, urbanization and attitudinal shifts. While the overall retail market will grow at 12 per cent per annum, modern trade is expected to grow twice as fast at 20 per cent per annum and traditional trade is estimated to grow at 10 per cent. Three prime factors which would drive this growth will be greater brand recognition, new entrants / market players and assurance of increasing ease of doing business in the country.

Added to the above the share of e-Commerce is also expected to grow steadily. The value propositions of assortment, discounts and convenience have attracted a larger customer base to this vertical. Besides strong logistics infrastructure and the payment modalities have also aided the growth in e-commerce. E-tailers are betting on more Indians switching to shopping online, with a projection of 200 million new consumers by 2017.

As the market grows wider and wider and as the industry evolves there comes the need of a basic transformation in the retailers' approach. In this rapidly changing retail environment, brick and mortar retailers will be competing with an increasingly wider set of peers for the same wallet. The retailers will now be forced to modify their offerings across the pathway.

The year 2014-15 was a remarkable one for the brand marking major milestones. In a highly competitive scenario, where new brands and offerings are entering the market almost every quarter, your Company delivered competitive growth, driven by innovation and sharper in-market execution. Our focused efforts as a Company on delivering contemporary and quality products, judicious pricing, waste minimization and cutting superfluous expenses without compromising on the competitiveness of brand investments bore the fruit. The business mantra for the year has been retail expansion and directing the energies in getting the right model, size and throughputs and thereby improving the economics.

Your Company built its dominance by opening 29 exclusive outlets during the year in select markets. While the supply side continues to pose challenges in terms of increase in real estate costs and high input costs to an extent, the brand has well conceived fact of addressing the throughput problems which will make the margins to follow the right path.

Further the raising of funds through QIP has well capitalized the Company to fuel its growth engines. The focus now lies on sharply identifying emerging opportunities across geographies and customer segments and allow for experimentation. Added to it, with e-commerce in India expected to quadruple in the next 5 years, the brand is also focusing on designing a seamless and connected customer journey for shoppers.

Internal Control Systems and their Adequacy

The Company has developed adequate internal control system commensurate to its size and business to ensure that all assets are safeguarded and protected against any loss from unauthorized use or disposition and that all transactions are authorized, recorded and reported correctly. The internal audit reports are periodically reviewed by the Management together with the Audit Committee of the Board. The Company has a strong Management Information System as a part of Control Mechanism.

Risk Management

The Company is exposed to Interest Rate Risk. The Interest rates have softened during the course of the year and with the repayment of Term loans, the Company's debt is only confined to working capital facilities.

Financial Performance

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013, and Generally Accepted Accounting Principles (GAAP) in India.

The management accepts responsibility for the integrity and objectivity of these financial statements, as well as for various estimates and judgments used therein. The estimates and judgment relating to the financial statements have been made on a prudent and reasonable basis, in order that the financial statements reflect in a true and fair manner the form and substance of transactions, and reasonably present our state of affairs and profits for the year.

INDEPENDENT AUDITOR'S REPORT

To the Members of Indian Terrain Fashions Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Indian Terrain Fashions Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2015, Statement of Profit and Loss, the Cash Flow Statement for the year the ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Companies Act, 2013 we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. on the basis of the written representations received from the directors as on March 31, 2015, and taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act; and
 - f. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

ANNEXURE TO THE AUDITORS' REPORT

The Annexure referred to in our Independent Auditor's Report to the members of **Indian Terrain Fashions Limited** ("the Company") on the financial statements for the year ended March 31, 2015, we report that:

1. In respect of its Fixed Assets:

- a. The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets on the basis of available information.
- b. As explained to us, the fixed assets of the Company have been physically verified by the Management during the year in a phased periodical manner, which in our opinion is reasonable, having regard to the size of the Company and nature of its assets. In accordance with the phased programme of verification, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification.

2. In respect of its inventories :

- a. As explained to us the inventories of the Company, except in the case of stock of raw material of the value ₹ 2.98 crores lying in transit for which confirmation has been obtained, have been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable.
- b. In our opinion and according to the information and explanations given to us, the physical verification of inventories followed by the management is reasonable and adequate in relation to the size of the Company and the nature of its business.
- c. According to the information and explanations given to us, the Company has maintained proper records of inventories. As explained to us, there were no material discrepancies noticed on physical verification of inventories as compared to book records.
- 3. The Company has not granted any loans, secured or unsecured, to companies, firms or other parties listed in the register maintained under Section 189 of the Companies Act, 2013. Hence, the question of reporting whether the receipt of principal and interest are regular and whether reasonable steps for recovery of over dues of such loans taken do not arise.
- 4. In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to the purchase of fixed assets, inventory and for the sale of goods and services. Further, on the basis of our examination of the books and records of the Company, and according to the information and explanations given to us, we have neither observed nor have we been informed of any continuing failure to correct major weaknesses in the internal control system.
- 5. According to the information and explanations given to us, the Company has not accepted any deposits from the public. Therefore in our opinion the provisions of Clause (v) of paragraph 3 of the Order (as amended) are not applicable to the Company.
- 6. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Accounting Records) Rules 2011 prescribed by the Central Government under section 148(1) of the Companies Act, 2013 and are of the opinion that *prima facie* the prescribed cost records have been maintained. However we are not required to and have not carried out any detailed examination of such accounts and records.

7. In respect of statutory dues:

- a. According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of

undisputed statutory dues including provident fund, income tax, wealth tax, service tax, duty of customs, value added tax, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of duty of excise.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, wealth tax, service tax, duty of customs, value added tax, cess and other material statutory dues were in arrears as at 31 March 2015 for a period of more than six months from the date they became payable.

- b. According to the information and explanations given to us, the disputed statutory dues aggregating to ₹ 177.88 lakhs that has not been deposited on account of matters pending before the appropriate authorities are as under:-

Name of the Statute	Nature of Dues	Forum Where the dispute is pending	Period to which the amount relates	Amount (₹. in Lakhs)
Central Excise Act, 1944	CENVAT	Appellate Tribunal, Central Excise & Service Tax, Chennai	February 2012 to April 2012	47.43
Central Excise Act, 1944	CENVAT	Appellate Tribunal, Central Excise & Service Tax, Chennai	May 2012 to September 2012	32.18
Central Excise Act, 1944	CENVAT	Commissioner Appeals, Central Excise, Chennai	October 2012 to January 2013	46.45
Central Excise Act, 1944	CENVAT	Commissioner, Central Excise, Chennai	February 2013	51.82
Total				177.88

- c. According to the information and explanations given to us, there were no amounts which were required to be transferred to the Investor Education and Protection Fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and Rules there under.
- 8. The Company does not have any accumulated losses at the end of the financial year and has not incurred cash losses in the financial year and in the immediately preceding financial year.
- 9. Based on our audit procedures and according to the information and explanations given to us, we are of the opinion that the Company has not defaulted in repayment of dues to financial institutions and banks. The Company did not have any Debentures outstanding during the year.
- 10. According to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions. Hence in our opinion clause (x) of paragraph 3 of the Companies (Auditors Report) Order, 2015 is not applicable to the Company.
- 11. According to the information and explanations given to us, and based on the records and documents produced before us, in our opinion the term loans have been applied for the purposes for which they were obtained.
- 12. According to the information and explanations given to us no material fraud on or by the Company has been noticed or reported during the course of our audit.

Notes to the Accounts as at 31st March 2015

1 Significant Accounting Policies

Sl. No.	Particulars
---------	-------------

1.1 Basis of Preparation of Financial Statements

These financial statements are prepared in accordance with Generally Accepted Accounting Principles (GAAP) in India under the historical cost convention on accrual basis. GAAP comprises of mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

1.2 Use of Estimates

The preparation of the financial statements in conformity of the GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of financial statements and reported amounts of income and expenses during the period. Although these estimates are based upon the management best knowledge of current events and actions, actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material their effects are disclosed in the notes to the financial statements.

1.3 Revenue Recognition

Revenue is recognized only when risks and rewards incidental to ownership are transferred to the customer, it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operations includes Sales (net of trade discounts and rebates) which are recorded when the significant risks and rewards of ownership are transferred. Consignment Sales are accounted on the basis of Sales Memo received from Consignees. Export Sales are accounted on the basis of the dates of Bill of Lading and other delivery documents as per the contract. Domestic Sales excludes Sales Tax and Value Added Tax. Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

Interest Income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend income is recognized when the Company's right to receive dividend is established.

1.4 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where no reliable estimate can be made, a disclosure is made as a contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognized nor disclosed in the financial statements.

1.5 Fixed Assets

Tangible Assets

Tangible assets are stated at cost of acquisition, less accumulated depreciation and impairment losses if any, net of grants received, where applicable and subsequent improvements thereto including taxes, duties, freight, and other incidental expenses related to acquisition. Any trade discounts and rebates are deducted in arriving at the purchase price. Direct costs are capitalized until such assets are ready for use.

Subsequent expenditures related to an item of tangible asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Intangible Assets

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization / depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs and any cost directly attributable in bringing the asset to its working condition for the intended use.

1.6 Depreciation and Amortization

Depreciation on tangible assets is provided on the straight-line method over the useful lives of assets estimated by the Management. Depreciation for assets purchased / sold during a period is proportionately charged.

Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Company for its use.

Additional depreciation is being provided to the extent required during the year of sale of assets. Assets, for which the estimated useful life is completed, have been removed from gross block and accumulated depreciation.

Notes to the Accounts as at 31st March 2015

Sl. No. Particulars

The Management estimates the useful lives for fixed assets (tangible and intangible) as follows:

Category of Assets	Useful life under Companies Act, 2013	Useful life estimated by the Management
Plant & Machinery	15	15
Electrical Installation	10	10
Office Equipments	5	5
Computers	3	3
Vehicles	8	8
Furniture & Fixtures	10	10
Computer Software (Intangible)	3	3

1.7 Impairment

The Company assesses at each Balance Sheet date whether there is any indication due to internal or external factors that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognized in the profit and loss account. If at any subsequent balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at recoverable amount subject to maximum of depreciated historical cost and is accordingly reversed in the profit and loss account.

1.8 Borrowing Costs

Borrowing costs attributable to acquisition and construction of qualifying assets are capitalized as part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

1.9 Foreign Currency Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that which approximates the actual rate at the date of the transaction.

Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent on the date of transaction. Monetary items denominated in foreign currencies at the year end are restated at year end rates. Any income or expense on account of exchange differences either on settlement or on translation is recognized in the Statement of Profit and Loss.

1.10 Investments

Trade investments are the investments made to enhance the Company's business interests. Investments are either classified as current or non-current (long term) based on Management's intention at the time of purchase. Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments.

Long term investments are carried at cost less provisions recorded to recognize any decline, other than temporary, in the carrying value of each investment. Current investments are carried at the lower of cost and fair value of each investment individually.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

1.11 Inventories

Raw Materials and Components are valued at lower of Cost or Net Realizable Value. Cost of the said is computed by applying Specific Identification Method. Work in Progress and Finished Goods are valued at lower of Cost or Net Realizable Value. Cost of these inventories includes Costs of Conversion and Other costs incurred in bringing them to the present location and condition.

1.12 Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Short term employee benefits in the nature of salary, wages, bonus, leave encashment and the expected cost of ex-gratia are recognized and accounted for on accrual basis in the period in which the employee renders the related service.

A) Defined Contribution Plans

Provident Fund and Employees State Insurance Scheme is a defined contribution plan, each eligible employee and the Company makes equal contributions at a percentage on the basic salary specified under the Employees' Provident Funds and Miscellaneous Provision Act, 1952 and Employees State Insurance Act, 1948 respectively. The Company's contributions are charged to the statement of profit and loss in the year when the contributions to the respective funds are due. The Company has no further obligations under the plan beyond its periodic contributions.

Notes to the Accounts as at 31st March 2015

Sl. No.	Particulars
---------	-------------

B) Defined Benefit Plan

The Company provides for gratuity, a defined benefit retirement plan ("the Gratuity Plan") covering the eligible employees. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and tenure of the employee's employment with the Company.

The Employees Gratuity Scheme which is a defined benefit plan, is managed by trust maintained with SBI General Insurance Company Ltd. The liability with respect to gratuity plan is determined by an independent actuarial valuation on projected unit credit method on the balance sheet date, base upon which the Company contributes to the Group Gratuity Scheme. Obligation is measured at the present value of the estimated future cash flows using a discount rate that is determined with reference to market yields at the Balance Sheet date on Government Bonds, where the currency and terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.

1.13 Taxation

Tax expense comprises of current and deferred tax. Provision for current tax is made on the basis of estimated taxable income for the current accounting year in accordance with the Income-tax Act, 1961. Consequent to Demerger, with effect from August 16, 2010 the Company has a portion of accumulated losses and unabsorbed depreciation transferred from Celebrity Fashions Limited and hence the Company does not have any income liable to be taxed under the normal provisions of the Income Tax Act. However the Company is subject to Minimum Alternate Tax (MAT). Minimum Alternate Tax gives rise to future economic benefits in the form of tax credit against future income tax liability. MAT credit is recognised as an asset if there is convincing evidence that the Company will pay normal tax after setting off the carried forward losses and the resultant asset can be measured reliably. During the year the Company has not recognised the eligible MAT credit as an asset, as a matter of prudence. Deferred income tax reflects the impact of current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier periods. Deferred tax assets and liabilities are measured, based on tax rates and laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets arising from timing differences are recognised to the extent there is reasonable certainty that these would be realised in future. In case of unabsorbed losses and unabsorbed depreciation, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profit. Unrecognized deferred tax assets of earlier periods are re-assessed and recognized to the extent that it has become reasonably certain or virtually certain as the case may be, that future taxable income will be available against which such deferred tax assets can be realized.

1.14 Accounting of Government Grants:

Grants and subsidies from the government are recognized when there is reasonable assurance that the grant / subsidy will be received and all attaching conditions will be complied with. When the grant or subsidy relates to an expense item, it is netted off with the relevant expense. Where the grant or subsidy relates to an asset, its value is deducted in arriving at the carrying amount of the related asset.

1.15 Segment reporting:

The Company has considered business segment as the primary segment for disclosure. The Company is primarily engaged in a single segment business of dealing in garments and is managed as one entity and is governed by a similar set of risks and return.

1.16 Earnings per Share

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including changes effected prior to the approval of the financial statements by the Board of Directors.

1.17 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

1.18 Cash and Cash Equivalents

Cash and cash equivalents comprise cash on deposit with Banks. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

1.19 Leases

Lease under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Such assets acquired are capitalized at fair value of the asset or present value of the maximum lease payment at the inception of the lease, whichever is lower. Lease payments under operating leases are recognized as an expense on a straight line basis in the statement of profit and loss over the lease term.
