- Expansion of retail presence continue to be the primary drivers of revenue growth, 15 outlets under Work-in-Progress targeting to open before Mar'17 and 30 in FY 18
- Maintaining leadership in Departmental Stores; adding 2 new partners to add 50 doors by Mar'17
- Expanded distribution presence with New Partners in key Markets will help penetrate deeper and enhance business opportunities

- Boyswear and the new launch Footwear will witness aggressive reach across markets and formats
- Brand will continue to invest in the new initiatives

- The overall market outlook remains positive and the brand will continue to capitalise the same through optimised distribution systems and enhanced supply chain network
- However the recent demonetisation scheme is expected to impact business in short term more in particular on the Wholesale business and to a limited extent to Modern Retailing

# Thank You
