PC Jeweller

PC Jeweller Limited
ANNUAL REPORT
2013-2014

MD MESSAGE

Dear Members,

I, on behalf of the Board of Directors and the management team of PC Jeweller Limited feel privileged to present the Company's Annual Report for the financial year 2013-14.

The Company was successful in facing the multitude of challenges and demands raised during the year. It has managed to continue on its expansion plans by opening 11 large format showrooms during the year. With this expansion, as on March 31, 2014, your Company had total 41 showrooms. After the closure of year under review your Company has opened 4 more new showrooms. Hence, as on date the Company is operating 45 showrooms under the 'PC Jeweller' brand located in 36 cities across 15 States and 1 Union Territory throughout the India.

The year under review also brought new supply side challenges in the form of stoppage of metal loan facility for domestic operations and supply restrictions under the 20:80 rule. However, I am glad to report that your Company could adapt to the changing environment and new regulatory policies effectively and continued to get supplies as per its requirements.

The Company continues to focus on its domestic business and its export operations are expected to remain less than 25% of its turnover. Within its domestic operations the Company would continue to expand its time tested large format stores with focus on wedding jewellery. We feel that the Indian consumers are maturing and would continue to shift their business from family run unorganized jewellers towards branded players, where they are not only assured of purity and quality but also wide variety and range of jewellery. Hence, your Company would continue to expand its presence to become accessible to more and more consumers all over the Country.

The Company would continue to concentrate on the jewellery business and at the same time try to explore alternate delivery platforms like online, franchisee as well to reach to the consumers across all geographies and age groups.

Your Company has strong designing and manufacturing capabilities. It continues to augment these capabilities as it feels that with the increasing spread of branded players in the jewellery segment, these two capabilities will enable it to face the competition effectively. We also feel that improvement in overall economy with a strong government in place is expected to boost the sentiments and lead to increased consumer appetite.

I am thankful to all employees who have continued to perform in an exemplary manner and face all the increasing demands and work pressure. I also place on record my sincere appreciation to our stakeholders and bankers for supporting us and being with us at all times.

With best wishes to each one of you and your family members.

Yours sincerely,

Sd/-

GREEN INITIATIVE IN CORPORATE GOVERNANCE

The Ministry of Corporate Affairs has taken a 'Green Initiative in Corporate Governance' by issuing circulars (vide circular nos. 17/2011 and 18/2011 dated 21st April, 2011 and 29th April, 2011 respectively), and allowing paperless compliances by Companies through electronic mode. Recent amendment to the Listing Agreement with the Stock Exchanges permits companies to send soft copies of the Annual Report to all those shareholders who have registered their e-mail ID's for the said purpose. Therefore, the Company is sending the Annual report through e-mail to those Members who have registered e-mail ID's. To further support this initiative Members, whose e-mail ID's have not been registered so far, are requested to register their e-mail ID's with their respective Depository Participants, in respect of holdings in demat form and with the Company's RTA, Karvy Computershare Private Limited, in respect of shares held in physical form.

MANAGEMENT DISCUSSION AND ANALYSIS

(I) INDUSTRY STRUCTURE AND DEVELOPMENTS

The gems & jewellery sector is one of the most important sectors of the Indian economy and has also been one of the fastest growing sectors in the past few years. This sector is highly export oriented, labour intensive and a major contributor to employment, GDP & foreign exchange earnings.

The gems & jewellery industry can be segmented into domestic and exports. CRISIL Research estimates the total industry size at ₹4687 billion for 2013-14, with the domestic market having the dominant share of approx ₹2524 billion.

The demand in India can be divided into consumption demand and investment demand. The consumption demand is driven mainly by weddings and wedding related occasions as well as gifting and daily wear. The investment demand is also very high and is mainly driven by a lack of alternative financial instruments for a large section of the society.

The Gems & jewellery industry sector is a significant contributor to India's foreign exchange earnings. Exports of gems & jewellery comprise of cut & polished diamonds, jewellery coins & medallions as well as precious and semi precious stones.

As a part of its objective of controlling Current Account Deficit, the Government has undertaken several regulatory steps during the past two years to restrict the gold imports in the country. This included hiking the custom duty from 1% to 10% as well as withdrawing the existing gold import schemes and introducing 20:80 scheme in their place. The government also withdrew the gold lease scheme for gold procurement for domestic operations. These regulatory actions not only caused a gold scarcity in the country and hence artificially increased the premiums but also increased the differential between domestic prices and the international prices.

However, the situation has started improving now with the government permitting more entities to import gold under the 20:80 scheme. The curb on the gold lease scheme has also been removed.

(II) PRODUCT WISE PERFORMANCE

The Company is engaged in jewellery business. However, the jewellery has three subsets consisting of gold, diamond & others. Though gold jewellery continues to be the dominant component, the Company has been focussing on diamond jewellery, as the consumer demand for diamond jewellery is increasing every year and diamond jewellery is a high value addition item vis a vis gold jewellery.

The Company has been able to increase the share of diamond jewellery in its domestic sales from 17.9% during financial year 2009-10 to 30.8% during financial year 2012-13. However, due to sharp correction in gold prices during the first quarter of the year under review, consumers were attracted more towards purchase of gold jewellery as compared to diamond jewellery, resulting into fall in the share of diamond jewellery of the Company to 26.4%. Also the Company opened three new showrooms in the Southern part of the country where the demand for gold jewellery is traditionally high vis a vis diamond jewellery.

The Company however, continues its focus on diamond jewellery by bringing out new ranges and varieties at regular intervals. It is also setting up an e-commerce vertical with complete focus on diamond jewellery and competitive prices to attract customers even where its showrooms are not present.

(III) OPPORTUNITY AND THREATS

The retail jewellery industry in the country is still dominated by unorganized sector. This provides organized branded players huge potential to expand. However, the industry continues to face several challenges, some of which are:

- (a) Limited availability of high end real estate.
- (b) Adapting to changing consumer preferences including regional preferences.
- (c) Availability of trained retail staff.
- (d) Regulatory issues.

As against these challenges the industry can take advantages of the following opportunities:

- (a) Favourable demographics driving consumption- increasing young and mid/high-income population.
- (b) Growth opportunity in Tier II & III cities due to higher disposable incomes and low set up costs.
- (c) Increasing demand for diamond jewellery, which is a high margin product.
- (d) Growing consciousness of Brand amongst consumers and willingness to pay a premium for quality and variety.

(IV) OUTLOOK

The Indian gems & jewellery industry remains highly fragmented with consumers typically purchasing from their family jewellers only. However, the consumer buying patterns and trends are changing fast with an increasing preference for branded players due to their quality certification and wide variety and range.

While there are multiple types of retailers, they differ from each other in terms of their value proposition to the consumer. The key purchase criteria for a jewellery consumer are trust, range, price, design, quality, brand image, location, and services.

The organized sector has already penetrated metros to a very large extent and we believe that it is the Tier-I and Tier-II towns which will drive growth for the branded gold jewellery retailers over the medium term. The demand for gold jewellery in these centres is strong and growing, buoyed by increasing affluence and preference for branded jewellery. Your Company is also expanding fast in these locations.

(V) RISK AND CONCERNS

Your Company has put into place a detailed Risk Management Policy as well as Forex Risk Management Policy. It has tried to identify the various types of risks and integrate risk management activities at all levels in the Company. This includes monitoring all areas of operations including financial transactions continuously.

The Company is dealing with high value items and hence has put in place strong systems & procedures to prevent pilferage & theft. It also ensures that its entire inventory, including goods under transit is fully insured at all times.

The Company has a strong system of internal audit which not only inspects & audits all its showrooms at regular intervals but also reviews the processes, operational procedures as well as financial disclosures & statements.

(VI) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Internal control systems play a crucial role in the health of a company in every industry. An effective system of internal control is a backbone, necessary for building, maintaining and improving shareholders confidence and value as well as helps to enhance the overall quality of the business and enterprise.

Your Company has an adequate system of internal control relating to purchase of raw materials as well as other goods. The Company also has internal control system for speedy compilation of accounts and Management information Reports and to comply with applicable laws and regulations.

The Company has an effective Budgetary Control System. The Management reviews the actual performance with reference to budgets periodically.

The Company has an Audit Committee which has met six times during the year. Audit Committee among others reviews the adequacy and effectiveness of the internal control, monitors implementation of internal audit recommendations and overseeing quarterly/annual financial results.

(VII) FINANCIAL PERFORMANCE

The Generally Accepted Accounting Principles (GAAP) are followed by the company. The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting and in accordance with the Companies Act, 1956 and comply with the Accounting Standards issued by the Institute of Chartered Accountants of India, to the extent applicable.

The salient parameters of the financial performance of the Company during the year under review are as under:

(₹ In Crores)

Particulars	2013-14	2012-13
Revenue from Operations	5324.83	4018.42
Total Revenue	5394.73	4613.07
Total Expenses	4925.35	4248.54
Profit before Tax	469.38	364.53
Tax Expense	113.07	73.87
Net Profit after Tax	356.31	290.66

(VIII) HUMAN RESOURCES & INDUSTRIAL RELATIONS

The Company's Human Resources philosophy is to establish and build a strong performance and competency driven culture with greater sense of accountability and responsibility. The Company acknowledges that our major asset is its employees. The expertise of the management team, the professional training provided to the staff, their personal commitment and their spirit of teamwork together enhance the Company's net worth. The Company has taken various steps for strengthening organizational competency through involvement and development of employees as well as installing effective systems for improving their productivity and accountability at functional levels. INDEPENDENT AUDITORS' REPORT

To the Members of PC Jeweller Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of PC Jeweller Limited, (the 'Company'), which comprise the Balance Sheet as at 31 March 2014, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. Management is responsible for the preparation of these financial statements, that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards notified under the Companies Act, 1956 (the 'Act') read with the General Circular 15/2013 dated 13 September 2013 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - i) in the case of the Balance Sheet, of the state of affairs of the Company as at 31 March 2014;
 - ii) in the case of Statement of Profit and Loss, of the profit for the year ended on that date; and
 - iii) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

7. As required by the Companies (Auditor's Report) Order, 2003 (the 'Order') issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.

8. As required by Section 227(3) of the Act, we report that:
- a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. the financial statements dealt with by this report are in agreement with the books of account;
 - d. in our opinion, the financial statements comply with the Accounting Standards notified under the Companies Act, 1956 read with the General Circular 15/2013 dated 13 September 2013 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013 ; and
 - e. on the basis of written representations received from the directors, as on 31 March 2014 and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2014 from being appointed as a director in terms of clause (g) of sub-section (1) of Section 274 of the Act.

Annexure to the Independent Auditors' Report of even date to the members of PC Jeweller Limited on the financial statements for the year ended 31 March 2014

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the fixed assets is reasonable having regard to the size of the Company and the nature of its assets.
- (c) In our opinion, a substantial part of fixed assets has not been disposed off during the year.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for stocks lying with third parties. For stocks lying with third parties at the year-end, written confirmations have been obtained by the management.
- (b) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company is maintaining proper records of inventory and no material discrepancies between physical inventory and book records were noticed on physical verification.
- (iii) (a) The Company has not granted any loan, secured or unsecured to companies, firms or other parties covered in the register maintained under Section 301 of the Act. Accordingly, the provisions of clauses 4(iii)(b) to 4(iii) (d) of the Order are not applicable.
- (b) The Company has not taken any loans, secured or unsecured from companies, firms or other parties covered in the register maintained under Section 301 of the Act. Accordingly, the provisions of clauses 4(iii)(f) and 4(iii)(g) of the Order are not applicable.
- (iv) Owing to the nature of its business, the Company does not sell any services. Accordingly, clause 4(iv) of the Order with respect to sale of services is not applicable. In our opinion, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of inventory and fixed assets and for the sale of goods. During the course of our audit, no major weakness has been noticed in the internal control system in respect of these areas.
- (v) (a) In our opinion, the particulars of all contracts or arrangements that need to be entered into the register maintained under Section 301 of the Act have been so entered.
- (b) In our opinion, the transactions made in pursuance of such contracts or arrangements and exceeding the value of ₹ five lakhs in respect of any party during the year have been made at prices which are reasonable having regard to the prevailing market prices at the relevant time.
- (vi) The Company has not accepted any deposits from the public within the meaning of Sections 58A and 58AA of the Act and the Companies (Acceptance of Deposits) Rules, 1975. Accordingly, the provisions of clause 4(vi) of the Order are not applicable.
- (vii) In our opinion, the Company has an internal audit system commensurate with its size and the nature of its business.
- (viii) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under clause (d) of sub-section (1) of Section 209 of the Act in respect of Company's products and are of the opinion that, *prima facie*,

the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

- (ix) (a) Undisputed statutory dues including provident fund, investor education and protection fund, employees' state insurance, income-tax, sales tax, wealth tax, service tax, custom duty, excise duty, cess and other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) The dues outstanding in respect of income-tax, sales tax, wealth tax, service tax, custom duty, excise duty, cess on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount (₹)	Amount Paid Under Protest (₹)	Period to which the amount relates	Forum where dispute is pending
Income tax Act 1961	Income- tax	3,817,460	-	Previous year 2010-2011	Commissioner of Income Tax (Appeals)

- (x) In our opinion, the Company has no accumulated losses at the end of the financial year and it has not incurred cash losses in the current and the immediately preceding financial year.
- (xi) In our opinion, the Company has not defaulted in repayment of dues to any bank during the year. The Company has no dues payable to a financial institution or debenture-holders during the year. Accordingly, the provisions of clause 4(xi) of the Order are not applicable with respect to financial institution or debenture-holders.
- (xii) The Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities. Accordingly, the provisions of clause 4(xii) of the Order are not applicable.
- (xiii) In our opinion, the Company is not a chit fund or a nidhi/ mutual benefit fund/ society. Accordingly, provisions of clause 4(xiii) of the Order are not applicable.
- (xiv) In our opinion, the Company is not dealing or trading in shares, securities, debentures and other investments. Accordingly, the provisions of clause 4(xiv) of the Order are not applicable.
- (xv) The Company has not given any guarantees for loans taken by others from banks or financial institutions. Accordingly, the provisions of clause 4(xv) of the Order are not applicable.
- (xvi) In our opinion, the Company has applied the term loans for the purpose for which these loans were obtained.
- (xvii) In our opinion, no funds raised on short-term basis have been used for long-term investment by the Company.
- (xviii) During the year, the Company has not made any preferential allotment of shares to (parties /and companies) covered in the register maintained under Section 301 of the Act. Accordingly, the provisions of clause 4(xviii) of the Order are not applicable.
- (xix) The Company has neither issued nor had any outstanding debentures during the year. Accordingly, the provisions of clause 4(xix) of the Order are not applicable.

(xx) The Company has not raised any money by public issues during the year. The management of the Company has disclosed the end use of monies raised by public issue in the previous year, in the current year financial statements and the same has been verified by us.

(xxi) No fraud on or by the Company has been noticed or reported during the period covered by our audit.

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2014**1. COMPANY OVERVIEW**

PC Jeweller Limited (the 'Company') was incorporated on 13 April 2005. The Company is engaged in the business of manufacturing, sale and trading of gold jewellery, diamond studded jewellery and silver items. The registered office of the Company is located in New Delhi.

2. BASIS OF ACCOUNTING

The financial statements have been prepared to comply with the Accounting Standards referred to in the Companies (Accounting Standards) Rules, 2006 issued by the Central Government in exercise of the power conferred under sub-section (1) (a) of section 642 and relevant provisions of the Companies Act, 1956 (the 'Act') read with the General Circular 15/ 2013 dated 12 September 2013 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013 and the guiding principles of the Accounting Standard 30, Financial Instruments- Recognition and Measurement issued by the Institute of Chartered Accountants of India in respect of certain derivative instruments. The financial statements have been prepared on a going concern basis under the historical cost convention on accrual basis. The accounting policies have been consistently applied by the Company.

2.1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**a) USE OF ESTIMATES**

The preparation of financial statements in conformity with the principles generally accepted in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognised in the current and future periods.

b) FIXED ASSETS

Fixed assets are stated at cost (gross block) less accumulated depreciation and amortisation. The cost of fixed assets comprises its purchase price and any cost attributable to bringing the assets to its working condition and intended use. Capital expenditure incurred on rented properties is classified as 'Leasehold improvements' under fixed assets.

c) DEPRECIATION AND AMORTISATION

Depreciation on fixed assets is provided at rates as mentioned below, based on estimated economic useful life of the assets on written down method, equal to the rates specified in Schedule XIV of the Act from the date in which the asset is put to use:

Description	Rates of depreciation
Building	10%
Plant and machinery	13.91%
Office equipment	13.91%
Computers	40%
Furniture and fixtures	18.10%
Vehicles	25.89%

Leasehold improvements have been amortised over the estimated useful life of the assets or the period of lease, whichever is lower.

d) REVENUE RECOGNITION

Revenue from sale of goods is recognised on transfer of risk and rewards of ownership of goods to the buyer and when no significant uncertainty exists regarding the amount of consideration that will be derived. Sales are stated exclusive of sales tax. Excise duty is not applicable to the Company.

In respect of sale of goods at prices that are yet to be fixed at the year end, adjustments to the provisional amount

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2014

billed to the customers are recognised based on the year end closing gold rate.

Interest income is recognised on a time proportion basis taking into account the outstanding amount and the applicable rate.

e) INVESTMENTS

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments.

Current investments are carried at lower of cost or fair value determined on an individual investment basis.

Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline, other than temporary in the value of the long term investments.

f) VALUATION OF INVENTORIES

Inventories are valued as follows:

Raw material:

Lower of cost or net realizable value. Cost is determined on first in first out ('FIFO') basis.

Work-in-progress:

At cost determined on FIFO basis upto estimated stage of completion.

Finished goods:

Lower of cost or net realizable value. Cost is determined on FIFO basis, includes direct material and labour expenses and appropriate proportion of manufacturing overheads based on the normal capacity for manufactured goods.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion to make the sale.

In respect of purchase of goods at prices that are yet to be fixed at the year end, adjustments to the provisional amounts invoiced by the vendor are recognised based on the year end closing gold rate.

Alloys and consumables are charged to the Statement of Profit and Loss.

g) FOREIGN EXCHANGE TRANSACTIONS

Foreign currency transactions are recorded at the exchange rate prevailing on the date of the transaction. Differences arising out of foreign currency transactions settled during the year are recognised in the Statement of Profit and Loss.

Monetary items outstanding at the balance sheet date and denominated in foreign currencies are recorded at the exchange rate prevailing at the end of the year. Differences arising there from are recognised in the Statement of Profit and Loss.

Forward contracts are entered into to hedge the foreign currency risk of the underlying outstanding assets at the balance sheet date. The premium or discount on such contracts is amortised as income or expense over the life of the contract. Any profit or loss arising on the cancellation or renewal of forward contracts is recognized as an income or expense for the year.

h) DERIVATIVE INSTRUMENTS

The Company uses foreign exchange forward contracts to hedge its exposure towards highly probable forecast transactions. These foreign exchange forward contracts are not used for trading or speculation purposes.

The Company does mark to market valuation on outstanding forward contracts on highly probable forecast transactions and recognizes the unrealized gains and losses per the available guiding principles of the Accounting Standard 30, Financial Instruments- Recognition and Measurement issued by the Institute of Chartered Accountants of India.

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2014

i) EMPLOYEES BENEFIT

Wages, salaries, bonuses and paid leave are accrued in the year in which the associated services are rendered by employees of the Company.

The Company has two post employment plans in operation viz. Gratuity and Provident fund.

Provident fund benefit is a defined contribution plan under which the Company pays fixed contributions into funds established under Employees Provident Fund and Miscellaneous Provisions Act, 1952. The Company has no legal or constructive obligations to pay further contributions after payment of the fixed contribution. The contributions recognised in respect of defined contribution plans are expensed as and when they accrue. Liabilities and assets may be recognised if underpayment or prepayment has occurred and are included in current liabilities or current assets, respectively, as they are normally of a short term nature.

The Company provides for gratuity, a defined benefit plan, which defines an amount of benefit that an employee will receive on separation from the Company, usually dependent on one or more factors such as age, years of service and remuneration. The liability recognised in the balance sheet for defined benefit plans is the present value of the defined benefit obligation ('DBO') at the balance sheet date together with adjustments for unrecognised actuarial gains or losses and past service costs. The present value of DBO is calculated annually by an independent actuary using the projected unit credit method.

j) TAXATION

Tax expense comprises of current tax and deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the year. The provision for current income-tax is recorded based on assessable income and the tax rate applicable to the relevant assessment year.

Deferred income-tax reflects the impact of current period timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax asset to the extent it pertains to unabsorbed business loss/ depreciation is recognized only to the extent that there is virtual certainty of realization based on convincing evidence, as evaluated on a case to case basis.

The Company has two units which are located in Special Economic Zone, viz, Unit I and Unit II. Unit II is exempted from current tax till 31 March 2015 and both the aforementioned units are partly exempted till 31 March 2022 and 31 March 2025 respectively under the provisions of Section 10AA of the Income Tax Act, 1961. Deferred tax pertaining to the above units are recognised on timing differences, being the difference between taxable income and accounting income, that originate in one period and are capable of reversal in one or more subsequent periods beyond the periods during which the respective units are exempt from current tax, as aforesaid.

The Company's one manufacturing unit located in the notified places as prescribed under section 80IC of the Income-tax Act, 1961 is eligible for the deduction of 100% of the profits and gains of the unit for the first 5 consecutive years and 30% for the next 5 consecutive years. The Company is eligible for the 100% deduction till 31 March 2014 for the unit and further the 30% deduction till 31 March 2019 for the unit. Deferred tax pertaining to the above unit is recognised on timing differences, being the difference between taxable income and accounting income, that originate in one period and are capable of reversal in one or more subsequent periods beyond the periods during which the respective units are exempt from current tax, as aforesaid.

Minimum alternate tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the period in which MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and write down the carrying amount of MAT credit entitlement to the extent there is

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2014

no longer convincing evidence to the effect that the Company will pay normal income-tax during the specified period.

k) LEASES

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease rentals are expensed with reference to lease terms.

l) IMPAIRMENT OF ASSETS

The Company on an annual basis makes an assessment of any indicator that may lead to impairment of assets. If any such indication exists, the Company estimates the recoverable amount of the assets. If such recoverable amount is less than the carrying amount, then the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is charged to the Statement of Profit and Loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

m) EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average numbers of equity shares outstanding during the year are adjusted for events of bonus issue and share split.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

n) PROVISIONS AND CONTINGENCIES

The Company makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of the obligation can be made.

A disclosure is made for a contingent liability when there is a:

- possible obligation, the existence of which will be confirmed by the occurrence/non-occurrence of one or more uncertain events, not fully within the control of the Company; or
- present obligation, where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- present obligation, where a reliable estimate cannot be made.

o) CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise cash at bank and in hand and short term bank deposits with an original maturity of three months or less.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of PC Jeweller Limited

1. We have audited the accompanying consolidated financial statements of PC Jeweller Limited, (the 'Company') and its subsidiary, (hereinafter collectively referred to as the 'Group'), which comprise the consolidated Balance Sheet as at 31 March 2014, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

2. Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

6. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditor on the financial statements of the subsidiary, as noted below, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:
 - i) in the case of the consolidated Balance Sheet, of the state of affairs of the Group as at 31 March 2014;
 - ii) in the case of the consolidated Statement of Profit and Loss, of the profit for the year ended on that date; and
 - iii) in the case of the consolidated Cash Flow Statement, of the cash flows for the year ended on that date.

Other Matter

7. We did not audit the financial statements of one subsidiary included in the consolidated financial statements, whose financial statements reflect total assets (after eliminating intra-group transactions) of ₹ 309,652 as at 31 March 2014 (date of Balance sheet); and net cash flows aggregating to ₹ 208,575 for the year then ended. These financial statements have been audited by Sharad Jain Associates ('SJA') whose audit report has been furnished to us by the management, and our audit opinion on the consolidated financial statements of the Group for the year then ended to the extent they relate to the financial statements not audited by us as stated in this paragraph is based solely on the audit report of the SJA. Our opinion is not qualified in respect of this matter.

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2014

1. Company overview

PC Jeweller Limited ('the Company' or the 'Parent Company') was incorporated on 13 April 2005. The Company is engaged in the business of manufacturing, sale and trading of gold jewellery, diamond studded jewellery and silver items.

On 28 February 2013, the Parent Company incorporated PC Universal Private Limited ('PCUPL'), a wholly owned subsidiary

2. Principles of consolidation

The consolidated financial statements include the financial statements of the Parent Company and its subsidiary (hereinafter referred as 'the Group').

The consolidated financial Statements have been prepared in accordance with the notified Accounting Standard (AS-21) on 'consolidated financial statement' notified pursuant to the Companies (Accounting Standards) Rules, 2006 issued by the Central Government in exercise of the power conferred undersub-section (1) (a) of section 642 and relevant provisions of the Companies Act, 1956 (the 'Act') read with the General Circular 15/ 2013 dated 12 September 2013 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013. The consolidated financial statements are prepared on the following basis:

- i) Consolidated financial statement normally includes Consolidated Balance Sheet, Consolidated Statement of Profit and Loss, Consolidated Cash Flow Statement and Summary of significant accounting policies and other explanatory information that form an integral part thereof. The consolidated financial statements are presented, to the extent possible, in the same format as adapted by the Parent Company for its standalone financial statements.
- ii) The consolidated financial Statements include the financial statements of the Parent Company and its subsidiary which is more than 50 percent owned or controlled as at 31 March 2014.
- iii) The consolidated financial statements have been combined on a line by line basis by adding the book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances/transactions and resulting unrealised profits in full. The amounts shown in respect of reserves comprise the amount of the relevant reserves as per the balance sheet of the Parent Company and its share in the post-acquisition profit increase in the relevant reserves of the entity to be consolidated.
- iv) Summary of significant accounting policies and other explanatory information, represents notes involving items which are considered material and are accordingly duly disclosed. Materiality for the purpose is assessed in relation to the information contained in the consolidated financial statements. Further, additional statutory information disclosed in separate financial statements of the subsidiary and/or a parent having no bearing on the true and fair view of the consolidated financial statements has not been disclosed in the consolidated financial statements.

3. Basis of preparation

The consolidated financial statements have been prepared to comply with the Accounting Standards referred to in the Companies (Accounting Standards) Rules, 2006 issued by the Central Government in exercise of the power conferred under sub-section (1) (a) of section 642 and the relevant provisions of the Companies Act, 1956 (the 'Act'), the Companies Act, 2013 (to the extent applicable) and the guiding principles of the Accounting Standard 30, Financial Instruments- Recognition and Measurement issued by the Institute of Chartered Accountants of India in respect of certain derivative instruments. The consolidated financial statements have been prepared on a going concern basis under the historical cost convention on accrual basis. The accounting policies have been consistently applied by the Group.

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2014

3.1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Use of estimates

The preparation of consolidated financial statements in conformity with the principles generally accepted in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognised in the current and future periods.

b) Goodwill

The difference between the cost to the Group of investment in subsidiary and the proportionate share in the equity of the investee company as at the date of the acquisition is recognised as Goodwill or Capital Reserve, as the case maybe, in the consolidated financial statements.

c) Fixed assets

Fixed assets are stated at cost (gross block) less accumulated depreciation and amortisation. The cost of fixed assets comprises its purchase price and any cost attributable to bringing the assets to its working condition and intended use. Capital expenditure incurred on rented properties is classified as 'Leasehold improvements' under fixed assets.

d) Depreciation and amortisation

Depreciation on fixed assets is provided at rates as mentioned below, based on estimated economic useful life of the assets on written down method, equal to the rates specified in Schedule XIV of the Act from the date in which the asset is put to use:

Description	Rates of depreciation
Building	10%
Plant and machinery	13.91%
Office equipment	13.91%
Computers	40%
Furniture and fixtures	18.10%
Vehicles	25.89%

Leasehold improvements have been amortised over the estimated useful life of the assets or the period of lease, whichever is lower.

e) Revenue recognition

Revenue from sale of goods is recognised on transfer of risk and rewards of ownership of goods to the buyer and when no significant uncertainty exists regarding the amount of consideration that will be derived. Sales are stated exclusive of sales tax. Excise duty is not applicable to the Company.

In respect of sale of goods at prices that are yet to be fixed at the year end, adjustments to the provisional amount billed to the customers are recognised based on the year end closing gold rate.

Interest income is recognised on a time proportion basis taking into account the outstanding amount and the applicable rate.

f) Valuation of inventories

Inventories are valued as follows:

Raw material:

Lower of cost or net realizable value. Cost is determined on first in first out ('FIFO') basis.

Work-in-progress:

At cost determined on FIFO basis upto estimated stage of completion.

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2014**Finished goods:**

Lower of cost or net realizable value. Cost is determined on FIFO basis, includes direct material and labour expenses and appropriate proportion of manufacturing overheads based on the normal capacity for manufactured goods.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion to make the sale.

In respect of purchase of goods at prices that are yet to be fixed at the year end, adjustments to the provisional amounts invoiced by the vendor are recognised based on the year end closing gold rate.

Alloys and consumables are charged to the Consolidated Statement of Profit and Loss.

g) Foreign exchange transactions

Foreign currency transactions are recorded at the exchange rate prevailing on the date of the transaction. Differences arising out of foreign currency transactions settled during the year are recognised in the Consolidated Statement of Profit and Loss.

Monetary items outstanding at the balance sheet date and denominated in foreign currencies are recorded at the exchange rate prevailing at the end of the year. Differences arising there from are recognised in the Consolidated Statement of Profit and Loss.

Forward contracts are entered into to hedge the foreign currency risk of the underlying outstanding assets at the balance sheet date. The premium or discount on such contracts is amortised as income or expense over the life of the contract. Any profit or loss arising on the cancellation or renewal of forward contracts is recognized as an income or expense for the year.

h) Derivative instruments

The Parent Company uses foreign exchange forward contracts to hedge its exposure towards highly probable forecast transactions. These foreign exchange forward contracts are not used for trading or speculation purposes.

The Parent Company does mark to market valuation on outstanding forward contracts on highly probable forecast transactions and recognizes the unrealized gains and losses per the available guiding principles of the Accounting Standard 30, Financial Instruments- Recognition and Measurement issued by the Institute of Chartered Accountants of India.

i) Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments.

Current investments are carried at lower of cost or fair value determined on an individual investment basis.

Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline, other than temporary in the value of the long term investments.

j) Employee benefits

Wages, salaries, bonuses and paid leave are accrued in the year in which the associated services are rendered by employees of the Parent Company.

The Parent Company has two post employment plans in operation viz. Gratuity and Provident fund.

Provident fund benefit is a defined contribution plan under which the Parent Company pays fixed contributions into funds established under Employees Provident Fund and Miscellaneous Provisions Act, 1952. The Parent Company has no legal or constructive obligations to pay further contributions after payment of the fixed contribution. The contributions recognised in respect of defined contribution plans are expensed as and when they accrue. Liabilities and assets may be recognised if underpayment or prepayment has occurred and are included in current liabilities or current assets, respectively, as they are normally of a short term nature.

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2014

The Parent Company provides for gratuity, a defined benefit plan, which defines an amount of benefit that an employee will receive on separation from the Parent Company, usually dependent on one or more factors such as age, years of service and remuneration. The liability recognised in the balance sheet for defined benefit plans is the present value of the defined benefit obligation ('DBO') at the balance sheet date together with adjustments for unrecognised actuarial gains or losses and past service costs. The present value of DBO is calculated annually by an independent actuary using the projected unit credit method.

k) Taxation

Tax expense comprises of current tax and deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the year. The provision for current income-tax is recorded based on assessable income and the tax rate applicable to the relevant assessment year.

Deferred income-tax reflects the impact of current period timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax asset to the extent it pertains to unabsorbed business loss/ depreciation is recognized only to the extent that there is virtual certainty of realization based on convincing evidence, as evaluated on a case to case basis.

The Parent Company has two units which are located in Special Economic Zone, viz, Unit I and Unit II. Unit II is exempted from income tax (current tax) till 31 March 2015 and both the aforementioned units are partly exempted till 31 March 2022 and 31 March 2025 respectively under the provisions of Section 10AA of the Income Tax Act, 1961. Deferred tax pertaining to the above units are recognised on timing differences, being the difference between taxable income and accounting income, that originate in one period and are capable of reversal in one or more subsequent periods beyond the periods during which the respective units are exempt from income-tax as aforesaid.

The Company's one manufacturing unit located in the notified places as prescribed under section 80IC of the Income-tax Act, 1961 is eligible for the deduction of 100% of the profits and gains of the unit for the first 5 consecutive years and 30% for the next 5 consecutive years. The Company is eligible for the 100% deduction till 31 March 2014 for the unit and further the 30% deduction till 31 March 2019 for the unit. Deferred tax pertaining to the above unit is recognised on timing differences, being the difference between taxable income and accounting income, that originate in one period and are capable of reversal in one or more subsequent periods beyond the periods during which the respective units are exempt from current tax, as aforesaid.

Minimum alternate tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Parent Company will pay normal income-tax during the specified period. In the period in which MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Consolidated Statement of Profit and Loss and shown as MAT credit entitlement. The Parent Company reviews the same at each balance sheet date and write down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Parent Company will pay normal income-tax during the specified period.

l) Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease rentals are expensed with reference to lease terms.

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2014**m) Impairment of assets****i) Goodwill**

Goodwill is tested for impairment on an annual basis. If on testing, any impairment exists, the carrying amount is reduced to the extent of any impairment loss and such loss is recognised in the Consolidated Statement of Profit and Loss.

ii) Other assets

The Group on an annual basis makes an assessment of any indicator that may lead to impairment of assets. If any such indication exists, the Group estimates the recoverable amount of the assets. If such recoverable amount is less than the carrying amount, then the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is charged to the Consolidated Statement of Profit and Loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

n) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average numbers of equity shares outstanding during the year are adjusted for events of bonus issue and share split.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

o) Provisions and contingencies

The Group makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of the obligation can be made.

A disclosure is made for a contingent liability when there is a:

- possible obligation, the existence of which will be confirmed by the occurrence/non-occurrence of one or more uncertain events, not fully within the control of the Group; or
- present obligation, where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- present obligation, where a reliable estimate cannot be made.

p) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short term bank deposits with an original maturity of three months or less.

BENGALURU

Bengaluru showroom was an addition to the ever growing success story of PCJ. What made it even special was a brigade of celebrities that attended the fashion show, followed by the launch of the showroom; where on one hand, Kangna Ranaut set the ramp on fire and on the other, Manish Malhotra dazzled with his awe-inspiring designs.

HYDERABAD

With a grand opening of its showroom at Hyderabad, PCJ increased the tally of total number of its showroom in India above 40. It was launched with several schemes for the customers and is located in Punjagutta area.

MANGALORE

Our Mangalore showroom launch was even more special, not just because of the super saving offers we initiated with, but also because of the ravishing beauty that launched this showroom. 'Shilpa Shetty' a renowned name in acting and modelling world graced the showroom on the launch.

RAJKOT

The 3 talented and exquisite finalists of 'Femina Miss India' were present at the launch of our Rajkot showroom. Gujarat has been on our list of important places and the warmth of the place did not disappoint us.

AHMEDABAD (SHIVRANJANI)

We launch of the second showroom in Ahmedabad was a grand affair. Bollywood beauty, Jacqueline Fernandez joined the celebrations as Chief Guest and the brand announced Mercedes Benz in Bumper prize with exclusive, Inaugural schemes and other surprises for the customers.
