Dear Shareholders,

It gives me pleasure to present before you the highlights of the past fiscal year and the outlook for the year ahead.

In the financial year 2016-17, GMM Pfaudler Limited posted standalone revenues of ₹ 2,663 million, up 16% from the previous year's ₹ 2,296 million and consolidated revenues of ₹ 3,530 million, up 21% from the previous year's ₹ 2,921 million. Profit before tax increased by 46% to ₹ 405 million on standalone basis and increased by 57% to ₹ 469 million on consolidated basis. In spite of the sluggish economic environment, our Company managed to significantly grow revenue and profitability.

India has emerged as the fastest growing major economy in the world and the growth is expected to be maintained in 2017-18. With recent Government initiatives such as 'Make in India' and a favourable monsoon, the growth could be even higher. While the first two quarters of the year saw a recovery of the economy, demonetisation had a dampening effect on aggregate demand. However, looking ahead demonetisation is expected to have a positive impact on the economy. Even though GST may cause some short term disruptions, it will help stimulate the economy by bringing in greater transparency and simplicity in tax administration and compliance in the medium to long term.

The key demand industries for GMM Pfaudler Limited - Pharmaceuticals, Specialty Chemicals and Agrochemicals, are all expected to grow at a CAGR of 10-15% over the next 5 years. These industries will continue to invest in their plant and machinery to increase their capacity as well as to upgrade their facilities. Backed by this demand, our order book across all our business lines looks robust and we are confident of maintaining the growth momentum going forward.

GMM Pfaudler Limited has maintained its leadership in Glass Lined Equipment by leveraging our brand, technology, quality and after sales service. As we move forward we are looking to further strengthen our leadership position by increasing our manufacturing capacity and reducing our costs.

GMM Pfaudler Limited's Heavy Engineering business is also seeing some traction as a result of the investment we made in improving our infrastructure and enhancing our capabilities. We have managed to grow this business by creating a significant competitive advantage by leveraging our engineering capabilities, multiple code accreditations and proven track record of manufacturing complex equipment. This has also helped us to strengthen our product portfolio and reduce the cyclical nature of our main business.

GMM Pfaudler Limited's Proprietary Products business continues to grow at a steady pace by targeting critical applications in the domestic and export markets. To further exploit these opportunities, we have enhanced our process engineering capabilities so as to provide end to end solutions to our customers.

As we move into the second year of our Strategic plan – Mission 2020, we have changed our theme from 'Creating our Future' to 'Accelerating Growth'. We hope that many of our initiatives that we implemented will act as a stimulus for growth in the coming years.

I would like to place on record my gratitude to all our valued shareholders, who have placed their confidence and trust in us. As we continue on our journey, we look forward to your continued support.

CSR HIGHLIGHTS FOR THE YEAR 2016 - 17

GMM Pfaudler Limited's CSR policy is based on our commitment to make a positive contribution to the local community and environment. Our CSR initiatives for 2016-17 focus on the areas of healthcare, education and environment sustainability in and around our manufacturing facility in Karamsad, Gujarat.

GMM Pfaudler Limited is involved in the following CSR projects:

I. HEALTHCARE – PROJECT SPARSH; REACHING THE UNREACHED

- GMM Pfaudler Limited had partnered with Charutar Arogya Mandal ('CAM') and through their Project SPARSH (Shree Krishna Hospital Programme for Advancement of Rural and Social Health), we aim to provide healthcare services to the rural community.
- SPARSH (Shree Krishna Hospital Programme for Advancement of Rural and Social Health) aims at connecting the last person in villages to appropriate levels of healthcare; village health workers (VHWs) in their own villages, secondary healthcare centres in towns close by and a tertiary care centre for critical cases. The programme, currently being implemented in 90 villages of Anand and Kheda districts, covering a population of 2.6 lakhs, is managed by Charutar Arogya Mandal through its Extension Programmes Department. The CSR funds of GMM Pfaudler Limited are deployed to implement the programme in 60 of these villages.

- The VHWs, appointed for each village, are trained to assess and provide treatment for Non-Communicable Diseases (NCDs) such as Cancer, Hypertension and Diabetes. They are the foot soldiers of SPARSH, reaching out to each household, educating them about NCDs, checking their signs and symptoms, following up and monitoring those members who have been enrolled in the programme for treatment after having been diagnosed positive. They also hold community meetings and get involved in surveys that document the status of various components of health.
- VHWs are supported by Mobile Medical Teams (MMTs) comprising a medical officer and two para-medical staff, which visit each village once every month. They hold health camps in villages to diagnose those suffering from NCDs, follow up on cases already diagnosed and make home visits to those members of the programme who are unable to reach the camps. Field Supervisors, who also accompany the MMTs, monitor and guide the work of the VHWs.

VHW taking awareness session.

- The MMTs are based at the secondary care centres, located in smaller towns. These centres have full-time medical and para-medical staff available 24X7, and cater to primary and secondary level needs of the community. These centres also monitor the progress of the members enrolled in the villages under their charge using the reports sent by the VHWs and fill in their monthly prescriptions for home delivery by the VHWs.

- Cases that cannot be treated at the secondary care centres are referred to Shree Krishna Hospital, which has state-of-the-art facilities for treatment, with experienced specialists in all disciplines.
- The programme has been able to provide healthcare to even the most remote, vulnerable and underprivileged section of the rural areas and has helped in increasing treatment compliance and reducing cost of treatment at household levels to a considerable extent.

About Charutar Arogya Mandal, Karamsad, Anand, Gujarat:

- Charutar Arogya Mandal (CAM), a charitable trust set up by the late Dr. H. M Patel, has been working for providing modern and professional healthcare to the rural community in Anand and Kheda districts of Gujarat for over 3 decades. Shree Krishna Hospital, managed by CAM receives and treats thousands of patients every day. Initially, starting with a modest 136-bed facility, Shree Krishna Hospital has today emerged as one of the largest, modern and professionally run institution in the state. Its treatment facilities include technologically robust ICUs, Operation Theatres, Trauma Centre, Laboratories, CT-Scan, Cancer Centre, Cardiac Centre and a host of other state-of-the-art facilities. The hospital itself, through many of its special programmes, attempts to provide its services to the economically challenged persons in a subsidized manner. It conducts extension activities in a number of villages surrounding the hospital and its satellite centres and is recognized by the Department of Science and Technology, Government of India as a Scientific Industrial Research Organization to carry out research activities.

II. EDUCATION AND SKILL DEVELOPMENT – THE J V PATEL ITI PROJECT

- GMM Pfaudler Limited has partnered with J V Patel, Industrial Training Institute ("J V Patel ITI") to promote education and skill development in the local community.
- To improve the quality of education imparted to the students, and thus enhance their employment prospects, J V Patel ITI has decided to modernize their facilities. As part of the first phase of the project, J V Patel ITI has upgraded its 'Welding' infrastructure, by completely renovating the welding workshop and theory class room. J V Patel ITI have also added new ARC and MIG welding machines, new workstations with exhausts and a new virtual welding simulator. The upgraded infrastructure along with the latest technology will help students gain better knowledge and experience.

About J V Patel Industrial Training Institute:

- J V Patel, Industrial Training Institute located at Karamsad, Gujarat was established in the year 1979 under Bombay Public Trust Act, 1950 and Societies Registration Act 1860 with the objective of enhancing the livelihood of local communities by promoting education through vocational skill development.

Theory Class Inner View - Upgraded

- JVP ITI has 8 Courses certified by the National Council for Vocational Training (NCVT), New Delhi and 2 Trades certified by the Technical Education Board (TEB), Gandhi Nagar. The courses offered include Draughtsman, Mechanical, Fitter, Electrician, Wireman, Electronics Mechanic, Welder, Sheet Metal Worker, Computer Operator Programming Assistant (COPA), Turner and Electrical Installation Wiring & Jointing. The centre trains 314 students approved for NCVT courses and 75 approved for TEB courses. J V Patel ITI has been making efforts for placement of successful trainees in GIDC units, government and semi government bodies by conducting campus interviews. Currently, it creates employment for about 400 students coming from the local community every year.

III. ENSURING ENVIRONMENTAL SUSTAINABILITY

- GMM Pfaudler Limited has partnered with Sardar Patel Charitable Trust to promote Environmental Sustainability in our local area by maintaining the public facilities at the Sardar Vallabhbhai Patel Memorial and Veer Vithalbai Patel Memorial at Karamsad, Gujarat ("The Memorial").
- The Sardar Patel Charitable Trust plays an active role in the beautification of local area by maintaining the gardens and cleanliness of the Memorial.

About Sardar Patel Charitable Trust:

- Sardar Patel Charitable Trust was established in the year 1975 and is registered under Bombay Public Trust Act, 1950 and Societies Registration Act 1860. The main objective of the Trust is to promote and perpetuate the memory of Shri Sardar Patel, The Iron Man of India and his brother Shri Veer Vithalbai who both played an important role in India's freedom struggle. The Memorial was established in the year 2000 and is managed by the Sardar Patel Charitable Trust.

- The Memorial is visited by a large number of students from schools and colleges, likewise, visitors from Gujarat; other states and abroad.
- The Memorial hosts various student activities like study camps, research works, youth camps, group discussions, elocution competitions in with co-ordination with neighboring schools, colleges and socio-culture organizations. The Trust organizes lectures and seminars by eminent scholars, writers, leaders in public life and administrators from Government and Non-Government Organization, emphasis being on good governance and leadership.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

Item No.4

The Members of the Company have appointed M/s. Deloitte, Haskins & Sells LLP, Chartered Accountants as the Statutory Auditors of the Company to hold office from the conclusion of the 53rd Annual General Meeting up to the conclusion of 57th Annual General Meeting, subject to ratification by Members at every Annual General Meeting of the Company.

In accordance with Section 139 of the Companies Act, 2013 and the Companies (Audit & Auditors) Rules, 2014 made there under, M/s. Deloitte, Haskins & Sells LLP have certified that they are eligible to be appointed as Statutory Auditors of the Company and they satisfy the criteria as provided in Section 141 of the Act. The certificate is available for inspection of the shareholders at the Registered Office of the Company during business hours on any working day except Saturday.

As per Article 160 of the Articles of Association of the Company, Members will be required to appoint the Auditors by a Special Resolution at the Annual General Meeting.

None of the Directors and/ or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 4.

The Board recommends the resolution set forth in Item No. 4 for the approval of Members as a Special Resolution.

Item No.5

The existing Articles of Association (“AoA”) are based on the Companies Act, 1956 and several regulations therein contain references to specific sections of the Companies Act, 1956. Some of the regulations in the AoA are not in conformity with the Companies Act, 2013 (“the Act”). It is therefore considered expedient to wholly replace the existing AoA by a new set of Articles. The new AoA to be substituted in place of the existing AoA is based on Table ‘F’ of Schedule I to the Act, which sets out the model Articles of Association for a Company Limited by Shares. The new set of AoA, after they are adopted by the members, will be filed with the Registrar of Companies.

The principal new features of the draft AoA are as follows:

1. Existing articles have been streamlined and aligned with the Act;
2. The statutory provisions of the Act which permit a company to do some acts “if so authorized by its articles” or provisions which required a company to do acts in a prescribed manner “unless the articles otherwise provide” have been specifically included; and
3. Provisions of the existing AoA which are already part of statute in the Act have not been reproduced in the new draft of AoA as they would only lead to duplication – their non-inclusion makes the new AoA crisp, concise and clear and aids ease of reading and understanding.

The proposed draft new set of AoA is being uploaded on the Company's website for perusal by the members. These are also open for inspection of the shareholders at the Registered Office of the Company during business hours on any working day except Saturday.

None of the Directors and/ or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 5.

The Board recommends the resolution set forth in Item No. 5 for the approval of Members as a Special Resolution.

Item No.6

The Board, based on the recommendation of the Audit Committee, approved the appointment of M/s. Dalwadi & Associates, Cost Accountants (Firm Registration No. 000338) as Cost Auditors for conducting the Cost Audit of the Company for the financial year 2017-18 at a remuneration of ₹ 125,000 plus service tax as applicable and reimbursement of out-of-pocket expenses.

Pursuant to the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, remuneration payable to M/s. Dalwadi & Associates, Cost Auditors, as stated above requires ratification by the Members.

None of the Directors and/ or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 6.

The Board recommends the resolution set forth in Item No. 6 for the approval of Members as an Ordinary Resolution.

'ANNEXURE C' TO DIRECTORS' REPORT

NOMINATION, REMUNERATION AND EVALUATION POLICY

This Nomination, Remuneration and Evaluation Policy ("the Policy") applies to the Board of Directors ("the Board") and the Key Managerial Personnel ("the KMP") of GMM Pfaudler Limited ("the Company").

This Policy is in compliance with provisions of Section 178 of the Companies Act, 2013 read with the applicable Rules thereto and applicable provisions of the Listing Agreement/ SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

1. Purpose

The primary objective of the Policy is to provide a framework and set standards for the nomination, remuneration and evaluation of the Directors and Key Managerial Personnel. The Company aims to achieve a balance of merit, experience and skills amongst its Directors and Key Managerial Personnel.

2. Accountabilities

- 2.1 The Board is ultimately responsible for the appointment of Directors and Key Managerial Personnel.
- 2.2 The Board has delegated responsibility for assessing and selecting the candidates for the role of Directors and Key Managerial Personnel of the Company to the Nomination and Remuneration Committee which makes recommendations & nominations to the Board.

3. Appointment of Directors & KMPs

3.1 Enhancing the competencies of the Board and attracting as well as retaining talented employees for role of KMP are the basis for the Nomination and Remuneration Committee to select a candidate for appointment to the Board. When recommending a candidate for appointment, the Nomination and Remuneration Committee considers the following:

- assessing the appointee against a range of criteria which includes but not be limited to qualifications, skills, regional and industry experience, background and other qualities required to operate successfully in the position, with due regard for the benefits from diversifying the Board;
- the extent to which the appointee is likely to contribute to the overall effectiveness of the Board, work constructively with the existing directors and enhance the efficiencies of the Company;
- the skills and experience that the appointee brings to the role of KMP;
- the nature of existing positions held by the appointee including Directorships or other relationships and the impact they may have on the appointee's ability to exercise independent judgment;

3.2 Personal specifications

- At least a Degree holder in one or more relevant disciplines;
- Experience of management in a diverse organization;
- Excellent interpersonal, communication and representational skills;
- Demonstrable leadership skills;
- Commitment to high standards of ethics, personal integrity and probity;
- Commitment to the promotion of equal opportunities, community cohesion and health and safety in the workplace;
- Having continuous professional development to refresh knowledge and skills.

3.3 Letters of Appointment

Each Director / KMP is required to sign a letter of appointment, as acceptance of the offer, with the Company containing the terms of appointment and the role assigned in the Company.

4. Remuneration of Directors and Key Managerial Personnel

The guiding principle is that the level and composition of remuneration shall be reasonable and sufficient to attract, retain and motivate Directors and Key Management Personnel.

The Directors remuneration and Key Management Personnel's salary shall be based & determined on the individual person's responsibilities and performance and in accordance with the limits as prescribed statutorily, if any.

The Nominations & Remuneration Committee ("NRC") determines individual remuneration packages for Directors and KMPs of the Company taking into account factors it deems relevant, including but not limited to market, business performance and practices in comparable companies, having due regard to financial and commercial health of the Company as well as prevailing laws and government/other guidelines. The Committee consults with the Chairman of the Board as it deems appropriate.

4.1 Remuneration of the Managing Director and Executive Director is recommended by the Committee to the Board of the Company.

(i) Remuneration:

a) Base Compensation (fixed salaries):

Must be competitive and reflective of the individual's role, responsibility and experience in relation to performance of day-to-day activities, usually reviewed on an annual basis; (includes salary, allowances and other statutory/non-statutory benefits which are normal part of remuneration package in line with market practices).

b) Variable salary:

The NRC may in its discretion structure any portion of remuneration to link rewards to corporate and individual performance, fulfilment of specified improvement targets or the attainment of certain financial or other objectives set by the Board. The amount payable is determined by the Committee, based on performance against pre-determined financial and non-financial metrics and statutory limits, if any.

(ii) Statutory Requirements:

- Section 197(5) of the Companies Act, 2013 provides for remuneration by way of a sitting fee to a director for attending meetings of the Board of Directors and Committee meetings or for any other purpose as may be decided by the Board.
- Section 197(1) of the Companies Act, 2013 provides for the total managerial remuneration payable by the Company to its Directors, including Managing Director and Whole Time Director, and its Manager in respect of any financial year to not exceed eleven percent of the net profits of the Company computed in the manner laid down in Section 198 in the manner as prescribed under the Act.
- The Company with the approval of the Shareholders and Central Government may authorise the payment of remuneration exceeding eleven percent of the net profits of the Company, subject to the provisions of Schedule V.
- The Company may with the approval of the Shareholders authorise the payment of remuneration upto five percent of the net profits of the Company to any one Managing Director/Whole Time Director/Manager and ten percent in case of more than one such official.
- The Company may pay remuneration to its directors, other than Managing Director and Whole Time Director upto one percent of the net profits of the Company, if there is a Managing Director or Whole Time Director or Manager and three percent of the net profits in any other case.
- The net profits for the purpose of the above remuneration shall be computed in the manner referred to in Section 198 of the Companies Act, 2013.

MANAGEMENT DISCUSSION AND ANALYSIS

a) INDUSTRY OUTLOOK:

India has emerged as the fastest growing major economy in the world as per the International Monetary Fund. According to The World Bank, the Indian economy grew at 7% in 2016-17 and is expected to further accelerate to 7.6% in 2017-18. With recent Government initiatives such as 'Make in India' and a favorable monsoon, the growth could be even higher. Demonetisation is expected to have a positive impact on the Indian economy.

The steps taken by the government in recent times are showing positive results and economic growth is projected to remain strong. The key demand industries for GMM Pfaudler Limited - Pharmaceuticals, Specialty Chemicals and Agrochemicals, are all expected to grow at a CAGR of 10-15% over the next 5 years. These industries will continue to invest to increase their manufacturing capacity as well as to upgrade their manufacturing facilities.

Key growth drivers include:

Pharmaceuticals

- By 2020, India is likely to be among the top three pharmaceutical markets by incremental growth and sixth largest market globally in absolute size.
- India's cost of production is significantly lower than that of the US and almost half of that of Europe. It gives a competitive edge to India over others.
- The Indian pharmaceutical market size is expected to grow to US\$ 100 billion by 2025, driven by increasing consumer spending, rapid urbanisation and lifestyle diseases.

Chemicals

- In terms of value and production volume, Indian chemical industry is the 3rd largest producer in Asia and 6th by output in the world.
- In 2016, the Indian Chemical Industry had a market size of US\$ 139 billion and could grow at 11% to reach a size of US\$ 224 billion by 2017.
- By 2025 the Indian Chemical Industry is projected to reach US\$ 403 billion.
- 100% FDI Permitted: 100% FDI is permitted in the Chemical industry. This is expected to trigger new investments.

b) COMPANY OVERVIEW:

Established in the year 1962, GMM Pfaudler Limited ("the Company") is a leading supplier of engineered equipment and systems for critical applications in the chemical and pharmaceutical industries. It has a state-of-the-art manufacturing facility spread over 17 acres in Karamsad, Gujarat.

With over five decades of manufacturing experience, GMM Pfaudler Limited is a well-established Company with a strong brand and customer goodwill. The Company is currently the market leader in glass-lined equipment. Over the years, the Company has diversified its product portfolio to include Heavy Engineering, Mixing Systems, Engineered Systems and Filtration & Drying Equipment to grow revenue and reduce the cyclicity of the business.

GMM Pfaudler Limited currently employs 375 people and has regional sales and service offices in Ahmedabad, Ankleshwar, Chennai, Hyderabad, Mumbai, New Delhi, Vadodara and Vishakhapatnam.

Mavag AG is a wholly owned subsidiary of the Company, located in Neunkirch, Switzerland and has 35 employees. Mavag is a supplier of highly engineered Filtration & Drying Equipment and Mixing Systems to the pharmaceuticals, biotech and fine chemicals industries. Mavag's product range includes the state-of-art Spherical Dryers, Filter Dryers, Funda Filters and Magnetic Drive Agitators. Mavag specializes in sterile and high containment applications.

c) FINANCIAL PERFORMANCE:

In the financial year 2016-17, GMM Pfaudler Limited posted standalone revenues of ₹ 2,663 million, up 16% from the previous year's ₹ 2,296 million and consolidated revenues of ₹ 3,530 million, up 21% from the previous year's ₹ 2,921 million. Profit before tax increased by 46% to ₹ 405 million on standalone basis and increased by 57% to ₹ 469 million on consolidated basis.

The Company's cost reduction and efficiency improvement programs helped improve revenue and profitability. Both programs are ongoing with new goals being set every year.

d) BUSINESS LINES:

The Company has 3 business segments:

i) Glass Lined Equipment (GL):

The GL business accounted for 67% of the Company's total revenue. GMM Pfaudler Limited is the market leader in this segment and maintained its leadership position in the domestic market during the year. The production increased from 1196 vessels to 1435 vessels during the year. Also costs were reduced by improving procurement and manufacturing processes.

The Company manufactured and supplied the first batch of vessels to its parent Pfaudler, Italy which will be sold in the European market.

ii) Heavy Engineering (HE):

The HE business accounted for 16% of the Company's total revenue. This business line has been a focus area for the Company. The Company managed to grow the business by creating a significant competitive advantage by leveraging its brand, strong engineering capabilities, multiple code accreditations and proven track record of manufacturing complex equipment. Further, resources have been added and capabilities have been improved to further grow this business in the coming years.

iii) Proprietary Products (PP)

The Proprietary Products business accounted to 16% of the Company's total revenue. This business line includes the following products: Mixing Systems (MS), Engineered Systems (ES) and Filtration & Drying Equipment (F&D).

a) Mixing Systems (MS):

Pharmaceutical, Agrochemical and Specialty Chemical Companies in India are looking at innovative mixing solutions to improve productivity. To exploit these opportunities, the Company has built engineering capabilities and cost effective & user friendly equipment. Its is planned to target new industry segments like Paints, Resins, Inks, Biotech, Food Processing, Petrochemicals and Pulp & Paper to grow this business.

b) Engineered Systems (ES):

The Company has extensive experience in designing and manufacturing complete Modular Skids. As the Company moves from being an equipment supplier to a solution provider, the Company is developing process engineering capabilities so as to provide process guarantees to its customers.

c) Filtration & Drying Equipment (F&D):

The Company targets critical applications, such as high potency and sterile applications, where it has a competitive advantage. This business line has seen significant growth over the last few years and will continue to target critical applications in the domestic and export markets to grow this business even further. F&D division also provides low cost components to it's subsidiary Mavag AG.

e) MAVAG AG's PERFORMANCE:

Mavag AG (the company's wholly owned subsidiary) continued to grow revenue and profitability by sourcing low cost components from GMM. Mavag is also working together with Pfaudler, USA to develop the US market and has already had some success. Mavag remains the preferred supplier of highly engineered filtration and drying equipment to the European Pharmaceutical industry.

f) OPPORTUNITIES & THREATS:

6.2% of the Company's revenue comes from international markets. There is a significant opportunity for the Company to improve revenue and margins by increasing exports. Over the last year the Company has created agent networks in the Middle East, African, South East Asia and Eastern European markets.

The global economic slowdown may have an impact on the Company's exports business. Uncertain monsoon, weak investment and volatile industrial output are ongoing concerns.

g) RISKS AND CONCERNS:

The Company has a well documented Risk Management Policy. The policy is reviewed periodically by Management and Risk Management Committee and appropriately modified, as and when necessary. Based on the operations of the Company, risks are identified and steps are taken to mitigate them.

GMM has market exposure to foreign exchange rates mainly on account of exports, imports and investments in foreign subsidiary Companies, and therefore, they are subjected to the exchange fluctuation risk.

The Company's primary raw material is steel; any fluctuation in pricing will impact profitability of the Company. Certain orders with long manufacturing cycle time may be exposed to the risk of material price volatility.

The Company is making its planning and review more stringent so as to bring greater granularity and predictability.

h) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The internal controls of the Company operate through standard operating procedures, policies and process guidelines. The Company has an adequate system of Internal Financial Control commensurate with its size and nature of business which helps in ensuring orderly and efficient conduct of its business.

Policies have been laid down for operation, approval and control of expenditure. Investment decisions involving capital expenditure are subject to formal detailed appraisal and review by appropriate levels of authority. Capital and Revenue expenditure are monitored and controlled with reference to pre-approved budgets and forecasts.

Significant internal audit observations are reported to the Audit Committee on a quarterly basis. The Audit Committee reviews the observations and assesses the adequacy of the actions proposed as well as monitors their implementation. Internal Auditors conduct a quarterly follow up for implementation/ remediation of all audit recommendations and the status report is presented to the Audit Committee regularly. The management takes appropriate actions and all these steps are reviewed periodically.

In accordance with the requirements of Section 143(3)(i) of the Companies Act, 2013, the Statutory auditors have confirmed the adequacy and operating effectiveness of the internal financial control systems over financial reporting.

i) HUMAN RESOURCES & INDUSTRIAL RELATIONS:

The Company firmly believes that its employees are the key to driving performance and developing competitive advantage. During the year under consideration, the Company has enhanced its focus on its Human Resource Practices and renewed its commitment to serving the needs of business.

During the year, the Company has introduced "GMM's DNA for Success", a Competency Framework to provide a structured guide enabling the identification, evaluation and development of the behaviour in individual employees. This framework has identified five success behaviours critical to deliver its business goals. These success behaviours have been detailed across the four role bands namely Strategic Leaders, Operational Leaders, Team Leaders and Individual Contributors and include the behaviours that the Company expects its people to demonstrate at each stage. It also provides broad guidelines for measuring the Success Behaviour across the four role bands.

As the Company continues to grow in line with our Mission 2020, its organization structure is being aligned to support the strategy implementation and strengthen the 'GMM Pfaudler's DNA for Success.' Leadership and Talent Management have been initiated to identify the developmental needs of the internal talent and groom the internal talent pipeline in alignment with the business strategy.

The Company nurtures a strong performance driven culture where employees are rewarded for performance. The Company's incentive systems are robust and transparent and are aimed to bring the best out of its employees.

The Company has invested significantly in building the Sales capability of its distributed field based work force. Training workshops and seminars are regularly conducted for managers, staff and workers of the Company with a view to improve their competencies as well as to attract and retain talent. The Company has maintained an amicable relationship with the Union.

The Company continued to ensure that its values are at the heart of everything it did. Importance of values was emphasized through leadership townhalls and focused group discussions.

On March 31, 2017 the Company's total permanent employee strength was 375, against 327 as on March 31, 2016.

j) CAUTIONARY NOTE:

Certain statements in the "Management Discussion and Analysis" section may be 'forward-looking'. Such 'forward-looking' statements are subject to risks and uncertainties and therefore actual results could be different from what the Directors envisage in terms of the future performance and outlook.

REPORT ON CORPORATE GOVERNANCE

A report for the financial year ended March 31, 2017 on the compliance by the Company the Corporate Governance requirements under Regulation 34 of the Listing Regulations, is furnished below:

1. Company's Philosophy on the Code of Corporate Governance

Corporate Governance primarily involves transparency, full disclosure, independent monitoring of the state of affairs and being fair to all stakeholders. It is a combination of voluntary practices and compliance with laws and regulations.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GMM PFAUDLER LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of GMM PFAUDLER LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st taken on record by the Board of Directors, none of the directors' is disqualified as on 31st March 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company, and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements at note no. 30;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The Company has provided requisite disclosures in the standalone financial statements at note no. 48 as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from 8th November 2016 to 30th December 2016. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the books of account maintained by the Company and as produced to us by the Management.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of GMM Pfaudler Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a program of verification of fixed assets to cover all the items in a phased manner over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land and buildings that have been taken on lease and disclosed as fixed asset in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification. The physical verification of inventories lying with third parties or goods-in-transit is performed by performing alternate procedures such as obtaining confirmations.
- (iii) According to the information and explanations given to us, the Company has granted loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013, in respect of which:
 - (a) The terms and conditions of the grant of such loans are, in our opinion, prima facie, not prejudicial to the Company’s interest.
 - (b) The schedule of repayment of principal and payment of interest has been stipulated and repayments or receipts of principal amounts and interest have been regular as per stipulations.
 - (c) There is no overdue amount remaining outstanding as at the year-end.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits from the public to which the directives issued by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2014, as amended, would apply. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues applicable to it to the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2017 for a period of more than six months from the date they became payable.

- (c) Details of dues of Income-tax, Sales Tax, Service Tax, Excise Duty, and Value Added Tax which have not been deposited as on March 31, 2017 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount Involved ₹ in Million	Amount Unpaid ₹ in Million

According to the information and explanations given to us, there are no dues of Customs Duty that have not been deposited as on March 31, 2017 on account of disputes.

- (viii) The Company has not taken any loans or borrowings from financial institutions, banks and government or has not issued any debentures. Hence reporting under clause (viii) of the Order is not applicable to the Company.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no material fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion, according to the information and explanations given to us and as legally advised, the Company has paid / provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under section 45-I of the Reserve Bank of India Act, 1934.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1. CORPORATE INFORMATION

GMM Pfaudler Limited, formerly Gujarat Machinery Manufacturers Limited, (“the Company”) was incorporated in India on November 17, 1962. The Company’s manufacturing unit is located at Karamsad, Gujarat. The Company’s principal activity is to manufacture corrosion resistant glass-lined equipment used primarily in the chemical, pharmaceutical and allied industries. The Company also manufactures fluoro-polymer products and other chemical process equipment such as agitated nutsche filters, filter driers ,wiped film evaporators and mixing systems.

2. BASIS OF PREPARATION

The financial statements have been prepared in accordance with the generally accepted accounting principles in India. The Company has prepared these financial statements under the historical cost convention on an accrual basis to comply in all material respects with the Accounting Standards specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounting standards) Amendment Rules, 2016 and other accounting principles generally accepted in India and the relevant provisions of the Companies Act 2013. The accounting policies have been consistently applied by the Company.

3. SIGNIFICANT ACCOUNTING POLICIES

a. Use of Estimates:

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of the financial statements and reported amounts of income and expense during the period. Management believes that the estimates used in preparation of financial statements are prudent and reasonable. Actual results could differ from the estimates. Differences between the actual results and estimates are recognized in the period in which the results are known / materialized.

b. Fixed assets and depreciation:

Fixed Assets are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes all expenses related to the acquisition and installation of Fixed Asset which comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses.

Machinery spares which can be used only in connection with an item of Fixed Asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant class of assets. Subsequent expenditure on fixed assets after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital Work in Progress:

Projects under which tangible or Intangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest if any.

c. Depreciation and Amortisation:

Depreciation:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible fixed assets have been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in which case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

	Name of Assets	Useful life
A)	Burning scaffold and pilot plant (included under plant and machinery)	3 years
B)	Telephones (included under office equipment)	3 years
C)	Vehicles	6 years

Items costing less than Rs.5000/- are fully depreciated in the year of put to use/purchase. Leasehold land and leasehold improvements are amortized equally over the period of lease.

Amortisation:

Intangible assets are amortised over their estimated useful life on straight line method as follows :

	Name of Assets	Useful life
A)	Computer software	3 - 6 years
B)	Technical knowhow	3 years

d. Asset impairment:

The Company assesses at each reporting date using external and internal sources, whether there is an indication that an asset may be impaired. An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

e. Investments:

Investments that are readily available and intended to be held for not more than one year from the date of acquisition, are classified as current investments. All other investments are classified as non current investments.

Non current investments including strategic investments are carried at cost. Provision for diminution, if any, in the value of each non current investment is made to recognize a decline, other than of a temporary nature.

Current investments are stated at lower of cost or fair value and the resultant decline, if any, is charged to the Statement of Profit and Loss.

f. Inventories:

Inventories are stated at lower of cost and net realizable value. Cost is determined on the weighted average method and is net of CENVAT credits and after providing for obsolescence and other losses. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Cost of work-in-progress and finished goods include conversion cost and appropriate production overheads. Excise duty is provided on finished goods held in stock at the end of the year.

g. Foreign exchange transactions:

Transactions in foreign currency are recorded at rates prevailing on the date of the transaction. Monetary assets and liabilities denominated in foreign currency and remaining outstanding are translated at the period end exchange rates and the resultant exchange gains / losses are recognized in the Statement of Profit and Loss. Non monetary foreign currency items are carried at cost and translated in Indian currency at the rate of exchange prevailing at the time of transactions.

h. Revenue recognition:

Sales of products and services are recognized on dispatch/delivery of the goods or when services are rendered, except large contracts, exceeding the Rupee equivalent of USD 1 million at the time of order receipt and the contract term of at least six months from contract signing through product delivery, which are recognized on percentage of completion basis. Sales are recorded net of trade discounts, sales tax and excise duties. The excise duty shown in the revenue from operation is to comply with presentation requirement of schedule III to the Companies Act 2013.

Excise duty shown as deduction from Sale represents the amount of excise duty collected on sales. The difference between excise duty elements in amounts of closing stock and opening stock, excise duty paid on samples and Inventory written off which is not recoverable from sale (if any) is shown under Other expenses.

Other income:

Dividend income is recognized when the right to receive the same is established. Interest income is recognized on accrual basis.

i. Warranty expenses:

Provision is made in the financial statements for the estimated liability on account of costs that may be incurred on products sold under warranty. The estimates for the costs to be incurred for providing free service or replacement under warranty are determined based on historical information, past experience, average cost of warranty claims that are provided for in the year of sale.

j. Employee benefits:

Employee benefits include provident fund, superannuation fund, family pension fund, gratuity fund and compensated absences.

Defined contribution plans:

The Company's contribution to provident fund, family pension fund and superannuation fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans:

For defined benefit plans in the form of gratuity fund and compensated absences, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

k. Operating expenses:

Operating Expenses are charged to Statement of Profit and Loss on accrual basis.

l. Leases:

Lease arrangements where the risks & rewards incident to ownership of an asset substantially vest with the lessor, are recognized as operating leases. Operating lease expenses are recognized in the Statement of Profit and Loss on straight line basis over the lease term.

m. Provisions and contingent liabilities:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability is/not recognized but its existence is disclosed in the financial statements. Contingent assets are not recognised in the financial statements.

n. Taxation:

Tax expense comprise of current and deferred tax. Current income tax comprises taxes on income from operations in India. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognized on timing differences being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

In the event of unabsorbed depreciation and carry forward of losses, deferred tax assets are recognized only to the extent that there is virtual certainty that sufficient future taxable income will be available to realise such assets. In other situations, deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available to realise these assets. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance taxes paid and income tax provisions arising in the same tax jurisdiction and the Company intends to settle the asset and liability on a net basis. The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

o. Segment reporting:

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the company. Segment assets include all operating assets used by the business segments and consist principally of fixed assets, debtors and inventories. Segment liabilities include the operating liabilities that result from operating activities of the business segment. Assets and Liabilities that cannot be allocated between the segments are shown as part of unallocated corporate assets and liabilities respectively. Income / Expenses relating to the enterprise as a whole and not allocable on a reasonable basis to business segments are reflected as unallocated corporate income / expenses.

p. Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes, if any) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in right issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

q. Cash & Cash equivalents (for purposes of Cash Flow Statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

r. Operating cycle:

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of product and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

s. Research and development expenses:

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Fixed Assets.

t. Cash flow statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GMM PFAUDLER LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of GMM PFAUDLER LIMITED (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on the separate financial statements of the subsidiaries referred to in Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at 31st March, 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the financial statements of four subsidiaries, whose financial statements reflect total assets of ₹ 809.40 million as at 31st March, 2017, total revenues of ₹ 924.60 million and net cash inflows amounting to ₹ 5.88 million for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and

our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of subsection (3) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of other auditors on separate financial statements of subsidiaries, referred to in the Other Matters paragraph above we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books, returns and the reports of the other auditors.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of GMM Pfaudler Limited (hereinafter referred to as “the Holding Company”) and its subsidiary companies which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding company and its subsidiary companies which are companies incorporated in India, based on our audit and based on consideration of reports of other auditors. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting of the aforesaid entities.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are

being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to two subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Mumbai, May 12, 2017

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1. Basis of consolidation:

The consolidated financial statements relate to GMM Pfau dler Ltd., the holding company and its wholly owned subsidiaries (collectively referred to as Group). The consolidation of the accounts of the holding company with the subsidiaries is prepared in accordance with Accounting Standard (AS) 21 – ‘Consolidated Financial Statements’. The financial statements of the parent company and its subsidiaries are combined on line-by-line basis by adding together like items of assets, liabilities, income and expenses. The intra-group balances and intra-group transactions and unrealized profits or losses are fully eliminated.

The company has considered its foreign subsidiaries as non-integral operations. In case of non-integral operations, revenue items are consolidated at the average rate prevailing during the year. All the assets and liabilities are converted at the rates prevailing at the end of the year. Exchange gain / losses arising on conversion are recognized under Foreign Currency Translation Reserve.

The subsidiary companies considered in the consolidated financial statements are:

Sr. No.	Name of Company	Country of Incorporation	% of Holding	
			Current Year	Previous Year
1	Karamsad Investments Ltd.	India	100%	100%
2	Karamsad Holdings Ltd.	India	100%	100%
3	GMM Mavag AG	Switzerland	100%	100%
4	Mavag AG (subsidiary of GMM Mavag AG)	Switzerland	100%	100%

The financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as of the Holding Company i.e. year ended March 31, 2017.

2. Basis of preparation:

The financial statements have been prepared in accordance with the generally accepted accounting principles in India. The Company has prepared these financial statements under the historical cost convention on an accrual basis to comply in all material respects with the Accounting Standards specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India and the relevant provisions of the Companies Act 2013. The accounting policies have been consistently applied by the Company. The Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.

The excess of cost to the Group of its investments in the subsidiary companies over its share of equity of the subsidiary companies, at the dates on which the investments in the subsidiary companies were made, is recognised as 'Goodwill' being an asset in the consolidated financial statements and is tested for impairment on annual basis. The Goodwill is determined separately for Investment made in each subsidiary company.

3. Significant accounting policies:

a) Use of estimates:

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of the financial statements and reported amounts of income and expense during the period. Management believes that the estimates used in preparation of financial statements are prudent and reasonable. Actual results could differ from the estimates. Differences between the actual results and estimates are recognized in the period in which the results are known / materialized.

b) Fixed assets:

Fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes all expenses related to the acquisition and installation of fixed assets which comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses.

Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant class of assets. Subsequent expenditure on fixed assets after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital work in progress :

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest if any.

c) Goodwill Accounting

The company has considered its foreign subsidiaries as non-integral operations. In case of non-integral operations, revenue items are consolidated at the average rate prevailing during the year. All the assets and liabilities are converted at the rates prevailing at the end of the year. Exchange gain / losses arising on conversion are recognized under Foreign Currency Translation Reserve.

Goodwill arising on consolidation is not amortised but tested for impairment.

d) Depreciation and amortisation:

Depreciation:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Name of assets	Useful life
A) Burning Scaffold and Pilot Plant (included under Plant & Machinery)	3 years
B) Telephones (included under Office Equipment)	3 years
C) Vehicles	6 years

Items costing less than ₹ 5000/- are fully depreciated in the year of put to use / purchase.

Leasehold land and leasehold improvements are amortized equally over the period of lease.

Amortisation:

Intangible assets are amortised over their estimated useful life on straight line method as follows :

Name of assets	Useful life
A) Computer software	3-6 years
B) Technical knowhow	3 years

e) Asset impairment:

The Company assesses at each reporting date using external and internal sources, whether there is an indication that an asset may be impaired. An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above.

Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

f) Investments:

Investments that are readily available and intended to be held for not more than one year from the date of acquisition, are classified as current investments. All other investments are classified as long term investments.

Non current investments including strategic investments are carried at cost. Provision for diminution, if any, in the value of each long- term investment is made to recognize a decline, other than of a temporary nature.

Current investments are stated at lower of cost or fair value and the resultant decline, if any, is charged to the Statement of Profit and Loss.

g) Inventories:

Inventories are stated at lower of cost and net realizable value. Cost is determined on the weighted average method and is net of CENVAT credits and after providing for obsolescence and other losses. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Cost of work-in-progress and finished goods include conversion cost and appropriate production overheads. Excise duty is provided on finished goods held in stock at the end of the year.

h) Foreign exchange transactions:

Transactions in foreign currency are recorded at rates prevailing on the date of the transaction. Monetary assets and liabilities denominated in foreign currency and remaining outstanding are translated at the period end exchange rates and the resultant exchange gains / losses are recognized in the Statement of Profit and Loss. Non monetary foreign currency items are carried at cost and translated in Indian currency at the rate of exchange prevailing at the time of transactions.

i) Revenue recognition:

Sales of products and services are recognized on dispatch/delivery of the goods or when services are rendered, except large contracts, exceeding the Rupee equivalent of USD 1 million at the time of order receipt and the contract term of at least six months from contract signing through product delivery, which are recognized on percentage of completion basis. Sales are recorded net of trade discounts, sales tax and excise duties. The excise duty shown in the revenue from operation is to comply with presentation requirement of schedule III to the Companies Act 2013.

Excise duty shown as deduction from Sale represents the amount of excise duty collected on sales. The difference between excise duty elements in amounts of closing stock and opening stock, excise duty paid on samples and Inventory written off which is not recoverable from sale (if any) is shown under Other expenses.

Other income:

Dividend income is recognized when the right to receive the same is established.

Interest income is recognized on the time proportion method.

j) Warranty expenses:

Provision is made in the financial statements for the estimated liability on account of costs that may be incurred on products sold under warranty. The costs to be incurred for providing free service under warranty are determined based on past experience and are provided for in the year of sale.

k) Employee benefits:

Employee benefits include provident fund, superannuation fund, family pension fund, gratuity fund and compensated absences.

Defined contribution plans:

The Company's contribution to provident fund, family pension fund and superannuation fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans:

For defined benefit plans in the form of gratuity fund, compensated absences and pension obligation, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

l) Operating expenses:

Operating Expenses are charged to Statement of Profit and Loss on accrual basis.

m) Leases:

Lease arrangements where the risks and rewards incident to ownership of an asset substantially vest with the lessor, are recognized as operating leases. Operating lease expenses are recognized in the statement of Profit and Loss on straight line basis over the lease term.

n) Provisions and contingent liabilities:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability is/not recognized but its existence is disclosed in the financial statements. Contingent assets are not recognised in the financial statements.

o) Taxation:

Tax expense comprise of current and deferred tax. Current income tax comprises taxes on income from operations in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in jurisdictions where such operations are domiciled.

Deferred tax is recognized on timing differences being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

In the event of unabsorbed depreciation and carry forward of losses, deferred tax assets are recognized only to the extent that there is virtual certainty that sufficient future taxable income will be available to realise such assets. In other situations, deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available to realise these assets. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance taxes paid and income tax provisions arising in the same tax jurisdiction and the Company intends to settle the asset and liability on a net basis. The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

p) Segment reporting:

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the company. Segment assets include all operating assets used by the business segments and consist principally of fixed assets, debtors and inventories. Segment liabilities include the operating liabilities that result from operating activities of the business segment. Assets and Liabilities that cannot be allocated between the segments are shown as part of unallocated corporate assets and liabilities respectively. Income / Expenses relating to the enterprise as a whole and not allocable on a reasonable basis to business segments are reflected as unallocated corporate income / expenses.

q) Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in right issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

r) Cash & cash equivalents (for purposes of cashflow statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

s) Operating cycle:

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of product and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

t) Research and development expenses:

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Fixed Assets.

u) Cash flow statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.
