Management Comment

Commenting on the Company's performance for FY18, Mr. Tarak Patel, Managing Director said *"We had a healthy performance in this quarter with revenue growth of 11% and EBITDA growth of 34% over the same period in the previous year. The performance was supported by strong order execution and robust inflow of orders. Overall, we saw strong performance in FY18 owing to robust order inflow, strong execution, focus on cost optimization and favourable product mix."*

He further added "We are confident of continuing the positive performance going forward and have a well-defined strategy in place to propel the company into next leg of growth".
