BUSINESS PERFORMANCE:

In the year 2014-15 the company reached an important milestone in its journey by crossing ₹ 2000 cr. in AUM. During its journey from a humble beginning of asset size of ₹ 2 cr. in 1995 to reaching ₹ 2000 cr. in the year 2015, every time we reach a milestone, we believe that we have just begun.

The gross income realized by the company is ₹ 225.90 Crore (Previous year ₹ 177.40 Crore) comprising of income from operations and other income. Net Profit after tax is ₹ 38.99 Crore (Previous year ₹ 31.06 Crore). Asset under Management is ₹ 2000.01 Crore (Previous year ₹ 1383.27 Crore). This year's performance in spite of the challenging macro-economic factors set the stage for the further growth in AUM accompanied by increased geographical presence.

PROSPECTS AND DEVELOPMENTS:

The company continues to pursue the policy of catering to the lower and the middle income segment, which is reckoned to be the key driver of our economy. Various products ranging from MSME (Micro, Small and Medium Enterprises) Home Loans (through its subsidiary MRHMFL) caters to the various needs of the vast section of the society.

This is a very huge market to be served, which needs an efficient last mile delivery of credit thus creating enormous opportunity for all the financial institutions and NBFCs in special.

We firmly believe, that financial inclusion in a country like India is a function of efficient last mile delivery of credit, for which a very robust value chain has to be nurtured and developed. NBFCs in special play a pivotal role in this value chain and deserve its due understanding and recognition thus creating an enabling situation to perform to its full potential. It is worth mentioning here that, the regulators have taken a fresh look at the sector. The introduction of SARFAESI for NBFC (SI) is the step in the right direction, while we await few other measures to be taken by the regulator to further strengthen the sector, I trust that, they will be able to create an enabling situation for this sector to develop.

SMALL AND MEDIUM ENTERPRISE LOAN:

Introduction of machinery loans to the SME this year has shown lot of promise. We are in the process of understanding the segment and are keen to add value to all such small and medium enterprises by extending the most efficient financial services.

In consonance to our policy of building up quality assets, we are confident of creating inroads in this market too. We are planning to expand geographically, starting from Maharashtra.

PARTNERING WITH REGIONAL NBFCs AND NBFC-MFIs:

Partnering with regional NBFCs and NBFC-MFIs for distribution of various products and providing them the line of credit also remains one of the major business plans. We firmly believe that the players having proximity to the region are the most potential organization in the last mile delivery of credit. We not only fund them but also share with them the domain expertise, which the company possesses through its

A handwritten signature in black ink, consisting of a stylized 'A' followed by a long horizontal stroke.

vintage of more than two decades. We continue to get encouraging response from all our partner NBFCs and are keen to leverage the relationships for mutual benefits.

DISTRIBUTION NETWORK:

The company is in the process of consolidating its operations in the region of Rajasthan, Maharashtra, besides Gujarat. The company has expanded its operations in Madhya Pradesh beyond Indore to Bhopal, Gwalior and Jabalpur. In Tamilnadu it operates through its Chennai branch and Karnataka through its Bengaluru (Bangalore) branch, taking the tally of the branches to 64 and the total centers covered to approx. 3200.

MRHMFL (MRS Rural Housing & Mortgage Finance Ltd.):

MRHMFL (MRS Rural Housing & Mortgage Finance Ltd. – subsidiary of MFSL) aims at serving the middle income and the lower income sector of the economy, especially in the semi urban and rural areas, which are reckoned to be the key drivers of the sector in the coming decades. Full-fledged efforts are on to execute efficiently, as per the detail planning. Being aware of the challenges involved in serving this class of the society, a very cautious approach is adopted in building up volumes. Nevertheless, company is quite confident of building substantial volumes in the near future. The company's rural initiative will also start yielding results shortly.

We will continue to pursue our efforts relentlessly and are confident of creating a quality portfolio and add value to the ecosystem we work in.

RESOURCES:

The company continues to enjoy the confidence of its current investors FMO, DEG and LOK Capital and acknowledges their constructive support. We firmly believe that, this will go a long way in realizing company's vision.

The company is in process of identifying the potential investors. The internal accruals of the company and the business model pursued will successfully enable us to grow at a commendable pace of close to 30% per annum. Number of institutional investors has shown keen interest.

The company has raised Tier – II Capital of ₹ 20 cr. in form of a sub debt from Ratnakar Bank Ltd.

The company by virtue of its performance over the years enjoys very good relationships with many leading banks and financial institutions. The company could raise the required resources from various banks and financial institutions comfortably. We anticipate the same response from all our lending partners for the coming year too. The company anticipates credit lines from few more banks and financial institutions besides the existing ones.

Your Company continues to command the respect and the confidence of Bankers as their extended channel in their task of providing efficient delivery of credit. The company acknowledges the constructive support of the Investors and consortium member banks.

HUMAN RESOURCE MANAGEMENT AT M&S:

Human Resource Management plays a very important role in realizing the company's objective. The company is managed by the active involvement of the promoters along with strategic inputs from a well-diversified and competent board.

The articulation and implementation of the strategies is carried on by the core team along with Team M&S. Core team at M&S is a group of dedicated and competent team of personnel, associated with the company almost since its inception and have always extended unstinting support besides, having identified and aligned their career objective with the company.

I trust with all the above qualities accompanied by the determination to excel, this team forms a formidable second line of management at M&S.

Your company will always strive to strengthen this most important resource in its quest to have enabling human capital.

RISK MANAGEMENT

Financing activity is the business of management of risks, which in turn is the function of the appropriate credit models and the robust systems and operations. Your company continues to focus on the above two maxims, and is always eager to improve upon the same.

Your Company continues to give prime importance to the function of receivables management, as it considers this the ultimate reflection of the correctness of marketing strategy as well as appraisal techniques. The company achieved almost 98.59% recovery, with overdue of 1.41% only. It may be noted that the above-mentioned 1.41% debtors are under strictest surveillance of follow up. The Net NPA of the company is 0.85% of Asset under Management.

CAPITAL

The Net worth of the company as on 31st March 2015 is ₹ 190.84 Cr. inclusive of ₹ 16 Cr. Equity Share Capital.

PUBLIC DEPOSITS

The Company has not accepted deposit from public during the year and there was no deposit outstanding on 31st March, 2015.

DIVIDEND

The Board propose final dividend at the rate of 47.50 % for Equity Shareholders and recommended dividend on 0.01% and 13.31% Cumulative Compulsory Convertible Preference Shares respectively for the year ended on 31st March, 2015.

The main objective of the CSR Policy is to lay down guidelines for the Company to create necessary impact through various sustainable programs.

This Policy covers current as well as proposed CSR activities to be undertaken by the Company and examining their alignment with Schedule VII of the Act as amended from time to time. It includes strategy that defines plans for future CSR activities.

The company is in the process of devising such effective program under the chairmanship of Dr. Jagdish Joshipura one of the independent directors of the company.

LEGISLATIVE AND REGULATORY ISSUES

It has always been very challenging for the NBFC sector since long to get an enabling situation for growth. However, the sector has always emerged stronger, despite of various discriminations. This confirms the basic reality on the ground that, the last mile credit delivery provided by NBFCs is of paramount importance, to say the least. However, we trust and believe; that, all the stakeholders and regulators in particular will accord due importance to the sector and create an enabling situation for the NBFCs to grow, which in turn will promote inclusive growth.

including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MAS FINANCIAL SERVICES LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **MAS FINANCIAL SERVICES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment,

MAS FINANCIAL SERVICES LIMITED

Note-1 CORPORATE INFORMATION

MAS Financial Services Limited is a public company domiciled in India and incorporated under the provisions of Companies Act, 1956. It is registered as a Non-Banking Finance Company with Reserve Bank of India. The Company is engaged in retail asset finance by way of providing Micro Enterprise Loans, SME Loans, Two Wheeler Loans, Commercial Vehicle Loans and loans to MFIs and NBFCs.

Note-2 SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS:

1. SIGNIFICANT ACCOUNTING POLICIES :

A. BASIS OF ACCOUNTING :

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. Further, the Company follows the prudential norms for income recognition and provisioning for Non-performing Assets as prescribed by the Reserve Bank of India for Non-Banking Financial Companies. The Company assesses all receivables for their recovery and accordingly provisions for non-performing assets are enhanced as considered necessary. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

B. USE OF ESTIMATES :

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialize.

During the year pursuant to the Companies Act, 2013 ("the Act") becoming applicable, the Company has revised its estimate of the useful lives of its existing fixed assets to align them with the useful lives as mentioned in Schedule II of the Act, w.e.f. 1st April, 2014. Refer note 12(b) for effect of the change in the estimate.

C. FIXED ASSETS

Fixed assets are carried at cost, less accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses. Subsequent expenditure on fixed assets after its purchase is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

D. DEPRECIATION/ AMORTISATION

Depreciable amount for assets is the cost of an asset less its estimated residual value. Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013. In respect of fixed assets purchased or put to use during the period, depreciation is provided on a pro-rata basis from the date on which such asset is purchased or put to use.

Intangible Assets are stated at cost and are amortized equally over a period of five years from the year of purchase.

E. IMPAIRMENT OF ASSETS

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and if the carrying amount of these assets exceeds their recoverable amount, impairment loss is recognised in the Statement of Profit and Loss as an expense, for such excess amount. The recoverable amount is the greater of the net selling price and value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss.

F. INVESTMENTS

Long term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investment includes acquisition charges such as brokerage fees and duties.

G. GOVERNMENT GRANTS

Subsidies related to depreciable fixed assets are treated as deferred income which is recognised in the Statement of Profit and Loss over the periods and in the proportion in which depreciation on those assets is charged. The deferred income balance is separately disclosed in the financial statements as "Deferred Subsidy".

H. REVENUE RECOGNITION :

The Company follows accrual basis of accounting for its income and expenditure except income on assets classified as non-performing assets, which in accordance with the guidelines issued by the Reserve Bank of India for Non-Banking Finance Companies, is recognised on receipt basis.

Income from Loans:

Interest income on loan transactions is accounted for over the period of the contract by applying the interest rate implicit in such contracts.

Service charges and stamp and documentation charges are booked at the commencement of the contract

Income from Assignment of receivables

In case of assignment of receivables, the assets are de-recognised since all the rights, title and future receivables principal are assigned to the purchaser. The interest spread arising on assignment is accounted over the residual tenor of the underlying assets.

I. OTHER INCOME :

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

J. REPOSSESSED ASSETS :

The value of repossessed assets is arrived at by deducting the estimated loss on realisation. The estimation of loss on realisation is done based on past track record of loss on sale of such assets.

K. EMPLOYEE BENEFITS

Defined contribution plans

The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

For defined benefit plan in the form of gratuity the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuation being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already

vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the schemes.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

(a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences, and

(b) in case of non-accumulating compensated absences, when the absences occur.

L. EARNINGS PER SHARE

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares, if determinable. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

M. TAXES ON INCOME

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

N. CASH AND CASH EQUIVALENTS (FOR PURPOSES OF CASH FLOW STATEMENT)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

O. CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information

P. LEASES

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

Q. PROVISIONS AND CONTINGENCIES

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

3.2 Rights, preferences and restrictions attaching to each class of shares and terms of preference shares convertible into equity along with the earliest date of conversion

(a) Equity Shares

The Company has one class of equity shares having a par value of Rs. 10 per share. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation of the Company, the equity shareholders will be entitled to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding. The Board of Directors, in their meeting held on 27th May, 2015, proposed a dividend of Rs. 4.75 per equity share. The total equity dividend appropriation for the year ended March 31, 2015 amounts to Rs. 91,474,315 including dividend distribution tax of Rs. 15,473,721. During the year ended March 31, 2014, the amount of per share dividend recognized as distribution to equity shareholders was Rs. 3.50. The total dividend appropriation for the year ended March 31, 2014 amounted to Rs. 65,517,713 including dividend distribution tax of Rs. 9,517,275.

(b) Compulsorily Convertible Cumulative Preference Shares

(i) In FY 2008-09, the Company had allotted 43,471,090 CCCPS of the face value of Rs. 10 each at par. These CCCPS carried a right to be paid fixed cumulative preferential dividend at the rate of 7% per annum free of income-tax. During FY 2013-14, pursuant to the agreement between the Company, its promoters and the investors, ("the Agreement") the terms attached to the aforesaid CCCPS were revised and the same are described under paras (ii) and (iii) below. The total dividend appropriation on the aforesaid 7% CCCPS for the year ended March 31, 2015 is Rs. Nil. The total dividend appropriation for the year ended March 31, 2014 amounted to Rs. 28,989,631 including dividend distribution tax of Rs. 4,211,110.

(ii) 21,735,545 CCCPS of the face value of Rs. 10 each carry a right from 17th February, 2014 to be paid a fixed cumulative preferential dividend at the rate of 0.01% per annum. These CCCPS are automatically and fully convertible into equity shares, at a conversion price to be determined as per the terms of the Agreement, upon the expiry of a period of 13 years from the date of final issuance of these CCCPS i.e. from 13th October, 2008. However in the event of the Company deciding or contemplating an IPO of its equity shares prior to the mandatory conversion date, the CCCPS are convertible into equity shares at a conversion price to be determined as provided for in the agreement, based on the time of conversion.
