Unique and Robust Distribution Network Through NBFC Partners

Efficient last mile delivery of credit across its product range namely MEL, SME, 2 Wheeler and Commercial Vehicle Loans

Value chain approach has proven to be the most potent one to solve informality because of proximity to the end borrowers

AIM & Our Understanding

Better quality of intermediation with advantage of adequate capital base along with better understanding of the operations and demography

Revenue sharing model ensures scalability of the relationships where the operational cost and credit cost is to be borne by the partner NBFCs is considered. The partnership is with no recourse on MAS

Unique and Robust Distribution Network Through NBFC Partners

Operational Dynamics

Key Criteria for starting relationship:

Promoters Evaluation

Product Alignment

Capital Base

Financial Performance

Operational Excellence

Growth Strategy

Credit Assessment

Pre-Engagement Due Diligence

- Promoters' Domain Expertise
- Strategic alignment
- Range of Products
- On site system and Operational Setup

Transaction Level Due Diligence

- Alignment of Credit screen for various products
- Creation of portfolio
- On site audit of the portfolio Hypothecated

Periodical Deep Diving

Continuous
 engagement in order to
 improve their Systems
 & Operations to ensure
 the quality of portfolio
 and compliance

Unique and Robust Distribution Network Through NBFC Partners

MAS

- Widen its network while maintaining a relatively lower risk profile
- Establishes knowledge partnerships and increase its local market knowledge

NBFCs

- Value addition in improving their systems and operations which helps in scalability and Sustainability of business.
- Gets vital liability support due to our understanding of the retail products

Impact

Borrowers

 Creates an all-round enabling situation of extending credit where it is due by extending credit with deep penetration and understanding

Eco - System

Catalyst in Efficient last mile delivery of credit.

Unique and Robust Distribution Network Through NBFC Partners

TRACK RECORD

- Started with 1 NBFC in 2008, currently having relationship with more than 100 such NBFCs having virtual presence Pan India.
- Have grown at a CAGR of around 40% in last five years across our product range with immaculate track record.

Going Forward

 Huge potential to grow along with these NBFCs partners across our product range for efficient last mile delivery of credit. 360° view for the scalability and sustainability in the relationship in the form of:

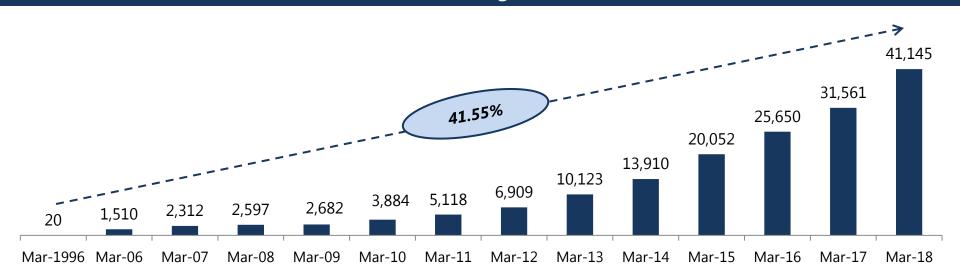

- a) Providing Liability
- b) Product Development
- c) Capital Advisory

Going Forward.....

Asset Creation

- To anchor to our belief that, growth with quality will enhance the shareholders value.
- Anticipated growth for the next five years to be in the range of 20% 30% and maintain healthy ROA and ROCE, which will be among the best in the industry.
- We will continue serving the informal LIG and MIG class of customers spread over rural, semi urban and urban areas leveraging on our more than two decades of experience and striving to add value to our clients.
- SME and Housing finance offers huge potential and company will maintain adequate focus as it is anticipated as one of the key growth drivers.
- The distribution network of the current states in operation will be strengthened and endeavors will be to provide one of the most efficient financial services which we term as the Power of Distribution. The company will also explore the potentiality of entering in to new geographies.
- Strengthening and expanding the association with various channel partners will be one of the key focus areas.

Liability Management

- Ideal debt resource mix, ensuring continuous flow of funds while maintaining optimum utilization of capital.
- The assets created by the company is expected to generate good securitization/assignment demand thereby enabling the company to de risk and maintain the off book portfolio.
