ANNUAL PERFORMANCE TRENDS

CHAIRMAN'S SPEECH FOR FINANCIAL YEAR 2016-17

Dear Shareholders,

I welcome you to the 24th Annual General Meeting of IFCI Ltd. I thank you for your esteemed presence, continued trust and unwavering support extended to IFCI all these years.

Before coming to IFCI's performance, I would like to dwell on the developments in the Indian economy and the finance sector during the financial year 2016-17.

MACRO-ECONOMIC SCENARIO & DEVELOPMENTS

The year 2016-17 witnessed some major surprises globally which included Brexit, results of the US elections and Demonetization in the largest democracy of the world. Though the Indian economy showed signs of improved industrial climatic conditions in the coming years on the back of some major reform initiatives like Goods & Services Tax (GST), the growth in India's GAP declined to 7.1% year-on-year in FY 2017 from 8.0% in the previous year. The global economic growth also slowed down to 3.1% during calendar year 2016, with both the advanced and emerging economics contributing to the decline.

The fiscal year 2017 also saw some major policy initiatives apart from GST and Demonetization. These included enactment of the Insolvency and Bankruptcy Code, 2016 for speedier resolution or liquidation of stressed assets, merger of Railway Budget with the Union Budget, removal of expenditure categorization into plan and non-plan, constitution of six member Monetary Policy Committee with responsibility of monetary policy decision making and liberalization of foreign investment policies.

BANKING SECTOR

Scheduled Commercial Banks' (SCBs') credit growth declined on year-on-year basis, whereas, deposit growth increased between September 2016 and March 2017.

SCBs' annual profit after tax (PAT) expanded by 48.0% in 2016-17 as against a decline of 61.6% in 2015-16, mainly due to higher increase in Other Operating Income (OOI) and lower risk provisions. However, public sector banks (PSBs) once again recorded negative returns on their assets.

Though India's financial system remained relatively stable during the FY 2016-17, the business growth of SCBs remained subdued with PSBs continuing to lag behind their private sector peers. The stress on banking sector, particularly the PSBs remained significant. The Banking Stability Indicator (BSI) shows that the risks to the banking sector remained elevated due to continuous deterioration in asset quality, low profitability and liquidity. The gross non-performing advances (GNPA) ratio of SCBs increased to 9.2% from 7.8% during the period between March and September 2016, pushing the overall stressed advances ratio to 12.3% from 11.5% in the same period.

NBFC SECTOR

As per the Financial Stability Report by The Reserve Bank of India, as of March 2017, there were 11,517 non-banking financial companies

(NBFCs) registered with the Reserve Bank of India, of which 179 were deposit accepting (NBFCs-D). There were 220 Systemically Important Non-Deposit accepting NBFCs (NBFCs-ND-SI). All NBFCs-D and NBFCs-ND-SI are subjected to prudential regulations such as capital adequacy requirements and provisioning norms along with reporting requirements.

The aggregate balance sheet size of the NBFC sector expanded by 14.5% during 2016-17 as compared to 15.5% during 2015-16. Loans and advances increased by 16.4% and investments increased by 11.9% in March 2017. In terms of borrowings, commercial paper outstanding rose by 70.3% and debentures outstanding increased by 28.3% as on March 31, 2017, while, bank borrowings declined by 3.7%. Net profit was down by 2.9% during 2016-17. Net profit as a percentage of total income also came down from 18.3% in 2015-16 to 14.0% in 2016-17. Return on Assets and Return on Equity also declined during the same period.

The NBFCs catering only to corporate sector were badly affected due to increase in NPAs and slowdown in credit offtake, whereas NBFCs financing only retail loans or mix of corporate and retail loans showed growth in their performance.

OPERATIONAL AND FINANCIAL PERFORMANCE of IFCI

After a period of ten years of consistency in profit generation, your Company suffered a loss of ₹ 458 crore during FY 2017, which was the compounding result of decline in operational income by 28.25% to ₹ 2,740 crore from ₹ 3,819 crore for the previous year and increase in provisions against loans & investments to ₹ 1,192 crore from ₹ 895 crore in FY 2016.

The major reason for fall in operational income was increase in fresh NPAs leading to reversal/non-recognition of interest income and low disbursement coupled with prepayments. The increase in provisions was primarily due to above reasons and reduction of default days from 150 to 120 days for classification as NPAs. Failure of sum of the SDR and S4A cases, for implementation in terms of RBI Guidelines, also added to the NPAs, reversal of income and provisioning.

The finance cost also reduced from ₹ 2,517 crore to ₹ 2,289 crore through reduced borrowings at lower cost and prepayments of certain high cost borrowings. Still the impact of large decline in interest income resulted in lower Net Interest Income of ₹ 211 crore as against ₹ 927 crore in previous year. Consequently, the NIM also declined from 3.24% in FY 2016 to 0.80% in FY 2017.

Due to the impact of low credit offtake and prepayments of loans, the balance sheet shrunk from ₹ 36,900 crore to ₹ 31,674 crore during the fiscal 2017. The Networth of your Company also declined to ₹ 5,683 crore from ₹ 6,129 crore a year back.

However, the Capital Adequacy Ratio was maintained at 16.7% on March 31, 2017, against regulatory requirement of minimum 15%, with the Tier I capital being 11.2% as against regulatory norm of 10% to be achieved by March 31, 2018. The debt to equity ratio was 4.03,

improved from 4.54 at the beginning of the year and the leverage ratio was 5.31, below the regulatory cap of 7 times.

The cost of borrowings also reduced from 9.4% for FY 2016 to 9.3% for FY 2017. The proportion of employee cost, however, increased from 2.5% in the previous year to 3.3% in FY 2017, despite decline in absolute amount, due to larger decline in income.

In view of the loss and in order to preserve capital and cash for future growth, your Company skipped declaration of any dividend on equity shares after consistent dividend payment for 8 years.

Your Company reduced its lending benchmark rate, IFCI Benchmark Rate (IBR) from 11.70% at the beginning of the year to 10.75% by March 2017. The Short Term IBR introduced in April 30, 2016 at 9.40% was also reduced to 8.35% by the end of FY 2017.

RECENT DEVELOPMENTS, NEW BUSINESS INITIATIVE AND PROSPECTS

Your Company took some major initiatives during FY 2016-17 with primary objective of growth in business, cost cutting and employee empowerment and satisfaction. Organizational restructuring was one such major initiative. With a view to optimizing the cost and maximum utilization of existing resource pool, your Company decided to merge the Guwahati office with Kolkata Regional Office and to close seven small offices at Patna, Bhubaneswar, Lucknow, Kochi, Vijayawada, Raipur and Bhopal. Though some of these offices were newly opened in the past two to three years, they could not achieve the business growth potential as envisaged at the time of opening, due to various factors.

Also, the functions of Credit Departments were restructured with focus on improvement in appraisal standard with separate groups for infrastructure and non-infrastructure appraisal. Some lateral recruitments were made by bringing professionals with requisite experience to strengthen operational processes especially in appraisal, monitoring, risk management and internal audit.

Apart from the above, the employees' grievances were quickly addressed in order to boost their morale and improve productivity.

Further, Information & Technology being the backbone of financial process and data infrastructure, major upgradations in business applications were carried out and various new applications were implemented during the year.

Your Company has been a great supporter of digitization drive. It ensured that the entire receipt and payment transactions were undertaken through digital modes like RTGS/NEFT/NECS. Your Company also discourages and avoids cash transactions.

With the steps taken by the Government in major reforms like GST, relaxation in FDI and prediction of good monsoon in the current year, there is hope for capex and credit offtake picking up in the second half of the year which would provide the required boost to the financial sector including your Company. The introduction of Insolvency and Bankruptcy Code has generated optimism in quick resolution/redressal of stressed assets. Your Company has set up a strong recovery mechanism for fast recovery from the NPAs through a dedicated team with expertise.

Apart from emphasis from recovery from NPAs, your Company has also taken other major steps like reduction in single borrower and group exposure to below RBI prescribed levels to avoid concentration risks, reduction in its lending benchmark rate to improve portfolio quality.

ADHERENCE TO THE CORPORATE GOVERNANCE

The Report on Corporate Governance for the Financial Year 2016-17 forms separate part of the Annual Report. During the year under report, your Company has made all out efforts for compliance of the conditions of Corporate Governance as stipulated in the Guidelines on Corporate Governance for Central Public Sector Enterprises 2010, SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 and Non-Banking Financial Companies – Corporate Governance (Reserve Bank) Directions, 2015.

CONCLUDING REMARKS & ACKNOWLEDGEMENT

With all the efforts being made by your Company to further strengthen its operational, financial and human resources performance, I hope that it will overcome the challenges & emerge triumphant once again in the very near future.

I take this opportunity to thank the Government of India, especially The Ministry of Finance, The Ministry of Corporate Affairs, The Reserve Bank of India, The Securities & Exchange Board of India and all stakeholders including Banks and Financial Institutions, for the continued support and guidance provided to your Company. Your Company expresses its gratitude for the professional advice and vision of the Board of Directors. I place on record my sincere thanks to all our esteemed shareholders, clients and investors for their unstinted support to the Company. I also wish to place on record my deep appreciation of the dedicated service of all the employees at all levels of your Company.

Thank you.

Also the Annual Report has been uploaded on the website of the Company.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 5

As per Section 42 of the Companies Act, 2013 read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 and Rule 18 of the Companies (Share capital and Debentures) Rules, 2014 and the other applicable rules made thereunder, a company offering or making an invitation to subscribe to Non-Convertible Debentures ("NCDs") on a private placement basis, is required to obtain the prior approval of the Shareholders by way of a Special Resolution. Such an approval by way of special resolution can be obtained once a year for all the offers and invitations made for such NCDs during the year. At the last Annual General Meeting held on September 28, 2016, shareholders of the Company had given their consent for issue of securities by private placement for an amount not exceeding ₹ 5,000 crore in the year commencing from September 28, 2016 i.e. the date of approval by shareholders. However, the above approval of the shareholders is valid only upto September 27, 2017. In order to facilitate the raising of funds thereafter and in line with the aforesaid statutory provisions, it is necessary to pass a Special Resolution at this Annual General Meeting for raising of funds through private placement of secured/ unsecured non convertible bonds/ debentures during a period of one year from the date of passing of this resolution.

Therefore, the approval of the Members is being sought by way of a Special Resolution under Sections 42 and 71 of the Act read with the Rules made there under, to enable the Company to offer or invite subscriptions for securities, including but not limited to bonds and non-convertible debentures upto ₹ 5,000 crore on a private placement basis, in one or more tranches, during the period of one year from the date of passing of the Resolution at Item No.5, within the overall borrowing limits of the Company, as approved by the Members from time to time.

All documents referred to in the accompanying Notice and the Explanatory Statement as well as the other documents as required under the provisions of the Companies Act, 2013 are open for inspection at the Registered Office of the Company on all working days except Saturdays, Sundays and Holidays between 11:00 a.m. to 1:00 p.m. up to the date of this Annual General Meeting. The Registers required to be maintained u/s 170 of the Companies Act, 2013, will be available for Inspection at Annual General Meeting.

None of the Directors or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution.

Your Directors recommend the Special Resolution for approval of the members.

Item No. 6

Securities and Exchange Board of India (SEBI) vide circular no. CIR/IMD/DF-1/ 67 /2017 dated June 30, 2017 on "Specifications related to International Securities Identification Number (ISINs) for debt securities issued under the SEBI (Issue and Listing of Debt Securities) Regulations, 2008" had specified the maximum number of ISINs that will be allowed, maturing in any financial year. In the circular SEBI has also directed that in order to comply with the provisions of Clause (a) of Regulation 20A of the SEBI (Issue and Listing of Debt Securities) Regulations, 2008, the issuer shall have a time period of 6 months from the date of this circular, to make an enabling provision in its Articles of Association (AOA) to carry out consolidation and re-issuance of debt securities. Accordingly, it is proposed to alter the AOA, as IFCI has various privately placed bonds and in future too may raise its resources through privately placed bonds.

The alteration of AOA requires the approval of the Shareholders by means of a Special Resolution pursuant to Section 14 of the Companies Act, 2013 and accordingly the approval of the Shareholders is being sought.

The Board of Directors in its Meeting held on August 10, 2017 has accorded its approval for insertion of new Article 79A in the AOA.

All documents referred to in the accompanying Notice and its Explanatory Statement as well as the other documents as required under the provision of the Companies Act, 2013 are open for inspection at the Registered Office of the Company on all working days except Saturdays, Sundays and Holidays between 11:00 a.m. to 1.00 p.m. upto the date of this Annual General Meeting.

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the resolution set out at Item No. 6 of the Notice.

Your Directors recommend the same for approval of the Shareholders to be passed as Special Resolution.

*0.26 crore.

The financial statements of your Company have been prepared in accordance with the applicable Accounting Standards, RBI Guidelines, Schedule III of the Companies Act, 2013 and other applicable laws/regulations.

Reduction in operational income was the result of decline in loan assets due to low credit offtake coupled with prepayment of certain loans, reversal of unrealised interest pertaining to previous year in respect of new NPAs, increase in proportion of non-recognition of interest income on accrual basis, due to increase in NPAs, failure in implementation of certain SDR and S4A cases under consortium lending, stricter RBI norms with regard to slippage of standard assets to NPAs and further downgradation within NPAs, as compared to norms in the previous year.

The borrowing cost was lower compared to the previous year on account of reduction in interest rates of existing borrowing, fresh raising of funds at lower cost and prepayment of certain high cost borrowing.

The operation wise segregation of operational income is depicted in the chart below:

DIVIDEND

Your Company paid dividend of ₹ 0.26 crore on preference shares. However, in view of the loss incurred during the year and with a view to preserving capital and cash for future growth, no dividend has been recommended on equity shares. Also, as per the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has formulated a Dividend Distribution Policy which is enclosed at **Annexure-I**. The Dividend Distribution Policy is also available on the website of the Company at www.ifcilttd.com

DISCLOSURE ON RELATED PARTY TRANSACTIONS

Disclosure on Related Party Transactions during FY 2016-17 in the prescribed Form AOC-2 is provided in **Annexure II**.

POLICY ON DEALING WITH RELATED PARTY TRANSACTIONS**I. Approval by Audit Committee**

1. All Related Party Transactions (RPTs) (including any subsequent modifications thereof) shall require prior approval of the Audit Committee of Directors.
2. The Audit Committee of Directors may grant **omnibus approval** for the RPTs proposed to be entered into by the Company.

The Conditions for granting Omnibus approval are as under:

All related party transactions shall require approval of the Audit Committee and the Audit Committee may make omnibus approval for related party transactions proposed to be entered into by the Company subject to the following conditions, namely:-

1. The Audit Committee shall, after obtaining approval of the Board of Directors, specify the criteria for making the omnibus approval which shall include the following, namely:-
 - (a) maximum value of the transactions, in aggregate, which can be allowed under the omnibus route in a year;

- (b) the maximum value per transaction which can be allowed;
- (c) extent and manner of disclosures to be made to the Audit Committee at the time of seeking omnibus approval;
- (d) review, on quarterly basis or at such intervals as the Audit Committee may deem fit, related party transaction entered into by the Company pursuant to each of the omnibus approval made;
- (e) transactions which cannot be subjected to the omnibus approval by the Audit Committee.

2. The Audit Committee shall consider the following factors while specifying the criteria for making omnibus approval, namely: -

- (a) repetitiveness of the transactions (in past or in future);
- (b) justification for the need of omnibus approval.

3. The Audit Committee shall satisfy itself on the need for omnibus approval for transactions of repetitive nature and that such approval is in the interest of the Company.

4. The omnibus approval shall contain or include the following:-

- (a) name of the related parties;
- (b) nature and duration of the transactions;
- (c) maximum amount of transaction that can be entered into;
- (d) the indicative base price or current contracted price and the formula for variation in the price, if any; and
- (e) any other information relevant or important for the Audit Committee to take a decision on the proposed transaction:

Provided that where the need for related party transaction cannot be foreseen and the aforesaid details are not available, audit committee may make omnibus approval for such transactions subject to their value not exceeding ₹ 1 crore per transaction.

5. Omnibus approval shall be valid for a period not exceeding one financial year and shall require fresh approval after the expiry of such financial year.
6. Omnibus approval shall not be made for transactions in respect of selling or disposing of the undertaking of the Company.
7. Any other conditions as the Audit Committee may deem fit.

II. Approval by Board of Directors

Except with the consent of the Board of Directors given **by a resolution at a meeting of the Board**, IFCI shall not enter into any contract or arrangement with a related party with respect to:

- (a) Sale, purchase or supply of any goods or materials;
- (b) Selling or otherwise disposing of, or buying, property of any kind;
- (c) Leasing of property of any kind;
- (d) Availing or rendering of any services;
- (e) Appointment of any agent for purchase or sale of goods, materials, services or property;
- (f) Such related party's appointment to any office or place of profit in the company, its subsidiary company or associate company; and
- (g) Underwriting the subscription of any securities or derivatives thereof, of the company;

Provided that nothing of the above shall apply to any transactions entered into by IFCI in its ordinary course of business other than transactions which are not on an arm's length basis.

Explanation:

The expression “**office or place of profit**” means any office or place: Where such office or place is held by a director, if the director holding it receives from IFCI anything by way of remuneration over and above the remuneration to which he is entitled as director, by way of salary, fee, commission, perquisites, any rent-free accommodation, or otherwise;

Where such office or place is held by an individual other than a director or by any firm, private company or other body corporate, if the individual, firm, private company or body corporate holding it receives from IFCI anything by way of remuneration, salary, fee, commission, perquisites, any rent-free accommodation, or otherwise;

The expression “**arm's length transaction**” means a transaction between two related parties that is conducted as if they were unrelated, so that there is no conflict of interest.

III. Approval by Shareholders

1. Except with the prior approval of the company by a special/ordinary resolution, as may be specified under the Companies Act, 2013 or the Regulations, IFCI shall not enter into a transaction(s), where the transaction(s) to be entered into:

- (a) as contracts or arrangements with respect to clauses (a) to (e) of sub-section (1) of Section 188 of the Companies Act 2013, with criteria as mentioned below:
 - (i) Sale, purchase or supply of any goods or materials, directly or through appointment of agent, amounting to 10% or more of the turnover of the company or ₹ 100 crores, whichever is lower, as mentioned in clause (a) and clause (e) respectively of sub-section (1) of Section 188;
 - (ii) Selling or otherwise disposing of or buying property of any kind, directly or through appointment of agent, amounting to 10% or more of net worth of the company or ₹ 100 crores, whichever is lower, as mentioned in clause (b) and clause (e) respectively of sub-section (1) of Section 188;
 - (iii) leasing of property of any kind amounting to 10% or more of the net worth of the company or 10% or more of turnover of the company or ₹ 100 crores, whichever is lower, as mentioned in clause (c) of sub-section (1) of Section 188;
 - (iv) availing or rendering of any services, directly or through appointment of agent, amounting to 10% or more of the turnover of the company or ₹ 50 crores, whichever is lower, as mentioned in clause (d) and clause (e) respectively of sub-section (1) of Section 188.

Explanation: It is hereby clarified that the limits specified in sub-clauses (i) to (iv), as above, shall apply for transaction or transactions to be entered into either individually or taken together with the previous transactions during a financial year.

- (b) Is for appointment to any office or place of profit in the Company, its subsidiary company or associate company at a monthly remuneration exceeding ₹ 2.5 lakh as mentioned in clause (f) of sub-section (1) of Section 188; or

- (c) Is for remuneration for underwriting the subscription of any securities or derivatives thereof of the company exceeding 1% of the net worth as mentioned in clause (g) of sub-section (1) of Section 188.

Explanation:

- (1) The Turnover or Net Worth referred in the above sub-rules shall be computed on the basis of the Audited Financial Statement of the preceding financial year.
- (2) In case of a wholly owned subsidiary, the special resolution passed by the IFCI shall be sufficient for the purpose of entering into the transactions between the wholly owned subsidiary and IFCI.
- 2. All the related parties shall abstain from voting on such resolutions.
- 3. No Member of IFCI shall vote on such Special/ Ordinary Resolution (as the case may be), to approve any contract or arrangement which may be entered into by the Company, if such member is a related party.

Proviso:

The above clauses II and III, with respect to the Approval of Board and Shareholder's, respectively will not be applicable in the following cases:

- 1. Transactions entered into between 2 Government Companies.
- 2. Transactions entered into between a holding company and its wholly owned subsidiary whose accounts are consolidated with such holding company and placed before the shareholders at the general meeting for approval.

AUDITORS

M/s ASA & Associates, LLP (DE1187) (Firm Reg. No. 009571N) and M/s KPMR & Associates (DE0637) (Firm Reg. No. 02504N) were appointed by the Comptroller & Auditor General of India (C&AG) as Joint Statutory Auditors of your Company for FY 2016-17. C&AG shall appoint Statutory Auditors for the Financial Year 2017-18.

DEPARTMENTS AT IFCI

(A) Credit Departments

During the year under report, the Credit Department functioned under two divisions, Credit – I and Credit – II, based on the geographical distribution and the NPA Resolution & Litigation Group managed the NPAs. This has been later reorganised by setting up Appraisal Department and Monitoring Department in order to strengthen the appraisal and post sanction monitoring

respectively. In view of the emphasis on infrastructure development in the country and the contribution of your Company in this direction, there is a specialised Infrastructure Division in the Appraisal Department while the non-infra sectors are considered by another division. These departments are actively engaged in formulation of Policy, refinement of processes and improvement in practices of credit appraisal and are effectively and efficiently monitoring the standard assets of IFCI.

(B) Management of Non-Performing Assets (NPA Management)

The FY 2016-17 witnessed large increase in NPAs in the financial sector, especially in infrastructure and metal sectors. This along with unsuccessful attempts for implementation of SDR & S4A schemes of RBI in certain companies resulted in substantial rise in NPAs in your Company. The Gross NPAs and Net NPAs increased to ₹ 7,553 crore and ₹ 5,882 crore respectively by March 31, 2017 from ₹ 3,545 crore and ₹ 2,466 crore respectively at the beginning of the year. In the percentage terms, the GNPA and NNPA stood at 31.86% and 27.03% respectively at the end of the year. This has necessitated focussed, expeditious recovery from NPAs.

Your Company amplified its endeavours for recovery of overdues by leaps and bounds and overturned every stone to ensure early detection and resolution of non-performing cases. In this sequel, your Company vigorously exploited all the available recovery modes including, One Time Settlement / Negotiated Settlement, restructuring, sale of assets under SARFAESI, assignment of dues, sale of listed / unlisted pledged shares, sale of investment in unlisted equity, redemption of Security Receipts, filing winding up applications against defaulting borrowers, filing of recovery applications before DRTs, action u/s 138 of Negotiable Instruments Act, declaration of defaulting borrowers as wilful defaulters, non-cooperative borrower etc.

The concentrated efforts made during FY 2016-17 resulted in highest ever recovery of ₹ 1,016.38 crore done by IFCI in last 10 years as tabulated below:-

(₹ crore)		
Sl. No.	Resolution Strategy	Amount
1.	Assignment of debt	417.88
2.	OTS / Legal route / sale of pledged shares/ general recovery	394.63
3.	Sale of unquoted equity / redemption of SRs	203.87
	Total	1,016.38

The Insolvency and Bankruptcy Code, introduced in December, 2016, has provided for a comprehensive framework of timely restructuring of liabilities of companies or liquidation. Your Company is fully committed to make an effective and efficient use of this code for augmenting its recoveries in the ensuing year. Your Company, apart from continuing to recover through the existing means, like SARFAESI, OTS, Legal route etc., shall take advantage of this code and strive to achieve the objects of the code by resolution of its impaired assets under the provision of the code.

(C) Sugar Development Fund

Your Company has been acting as the "Nodal Agency" of the Government of India since inception of the Sugar Development Fund (SDF) for the purpose of disbursement, follow up and recovery of SDF loans sanctioned for modernisation / expansion of sugar factories, setting up of bagasse based cogeneration power projects, anhydrous alcohol or ethanol projects, zero-liquid discharge (ZLD) distillery projects and cane development scheme. Cumulative sanctions and disbursements under SDF up to March 31, 2017 stood at ₹ 6,436 crore and ₹ 5,028 crore respectively. The Agency Commission booked in

FY 2016-17 is ₹ 13.95 crore (excluding Service Tax). In addition, your Company carries out financial appraisal of projects for availing SDF loans by sugar mills. Your Company has developed a SDF Portal for being utilised by SDF, Government of India and the beneficiary companies and is in the process of making the portal fully functional which will make SDF operations efficient and transparent.

(D) Credit Enhancement Guarantee Scheme for Scheduled Castes

The Department of Social Justice & Empowerment under the aegis of Ministry of Social Justice & Empowerment, Government of India, has sponsored the “Credit Enhancement Guarantee Scheme for Scheduled Castes” under its social sector initiatives.

The objective of the Scheme is to promote entrepreneurship amongst the Scheduled Castes, by providing Credit Enhancement Guarantee to Member Lending Institutions (MLIs), who shall be providing financial assistance to these entrepreneurs. The Government of India has initially allocated a corpus of ₹ 200 crore for the Scheme, out of which the guarantee cover shall be extended to the Member Lending Institutions. IFCI Ltd has been designated as the Nodal Agency under the Scheme, to issue the guarantee cover in favour of Member Lending Institutions, who shall be encouraged to finance Scheduled Caste entrepreneurs to boost entrepreneurship amongst the marginal strata of the Society.

The Scheme has since taken off from the FY 2015-16 with registration of 31 MLIs under it. In the FY 2016-17, loans aggregating to ₹ 21.27 crore have been sanctioned by some of the MLIs against which the total guarantee cover of ₹ 14.40 crore has been provided by IFCI. Your Company is making all out efforts to promote this Scheme through wide publicity by conducting seminars, conferences and awareness programmes in co-ordination with various Chapters of Dalit Indian Chambers of Commerce and Industry (DICCI) and attending State Level Bankers Committee (SLBC) meetings. During the FY 2016-17, the Corpus of the fund has increased to ₹ 232 crore.

IFCI has launched a web portal of the above mentioned scheme (www.ifcicegssc.in) on 14th February, 2017 and the link is also available on our website i.e. www.ifcilt.com. Further, promotion of the CEGSSC scheme is being made through social media like Facebook, Twitter etc.

(E) Human Resources

Your Company has continued to lay focus on enhancement in productivity of employees and their skill upgradation. Training was imparted to employees through 250 nominations, by way of in-house training workshops and external nominations, thereby covering 140 employees and 4 employees were sent on foreign trainings. The manpower has been strengthened by conducting recruitment at various levels viz. General Manager, Deputy General Manager, Assistant General Manager, Manager and Assistant Manager. The scheme of Special Hardship Leave was introduced for female employees. The level of satisfaction among employees has improved which resulted into lower attrition rate as compared to previous year.

(F) Information Technology

Information Technology (IT) enables sophisticated product development, better market infrastructure, implementation of reliable techniques for control of risks and helps the intermediaries to reach geographical distant and diversified markets. In that direction, your Company has achieved many noteworthy developments related to IT sector during FY 2016-17. IT has emerged as an important medium for delivery of financial products and services.

While Enterprise portals promise to deliver a more coherent information management platform, and a more seamless user experience, various online portals namely - Online Grievance, Recruitment and IT Applications were launched by your

Company. These portals provide dynamic environment that makes them well-suited to delivering more interactive capabilities.

Further your Company also launched, Credit Enhancement Guarantee Scheme for Scheduled Castes, an initiative of Ministry of Social Justice and Empowerment. MPLS-VPN connectivity was also established across all Regional Offices, which was followed by implementation of Bio-Metric Attendance System. At present your Company is in the process of implementing Integrated Treasury product as well development of another Online Portal for Sugar Development Fund for transparent flow of operations and information.

(G) Legal

On the legal front, your Company has a full-fledged qualified and experienced legal team who carry out the legal functions for facilitation of sanctions and disbursements and has ensured compliance with statutory requirements during the year. Further, your Company initiated prompt legal measures for recovery against the borrowers and was able to defend successfully before various judicial forums in India in the suits filed against it, during the year 2016-17.

(H) Right to Information

Your Company has implemented the Right to Information Act, 2005 from 2013 onwards following the applicability of the RTI Act to IFCI and it has been providing information to the applicants as per the provisions of the RTI Act. The relevant information as per the RTI Act has been posted on IFCI's website (www.ifcilt.com).

IFCI has appointed Central Public Information Officer (CPIO) & First Appellate Authority at its Head Office at New Delhi and Central Assistant Public Information Officers (CAPIO) at its Regional Offices in other parts of the country for providing information to the applicants under the RTI Act.

During the year, your Company received 142 applications and 16 appeals seeking information under RTI Act, which were replied to as per the provisions of the RTI Act within the stipulated time.

(I) Promotion of Rajbhasha

During the year, your Company continued its efforts to promote the use of Hindi in its official work. With a view to motivate and encourage the officers to use Hindi in official work, Hindi workshops and competitions were organized at Head Office as well as at other offices across the country. IFCI's officers bagged prizes in various Hindi Competitions organized by Town Official Language Implementation Committee.

The Official Language Committee at Corporate Office monitored the use of Hindi in all offices and provided necessary guidance. All the computers available have been upgraded with Unicode facility and the website of your Company has also been made bilingual for the benefit of the shareholders and other stakeholders.

(J) Nominee Directors

Your Company appoints Nominee Directors on the Boards of some of the assisted concerns or stipulates condition for appointment of Nominee Director under certain conditions as per the Board approved Policy wherever it is considered necessary to do so, which is in line with the established practice of Institutions and Banks to monitor the performance of the companies where they have provided financial assistance. The underlying objective of making such appointment is to help build professional management and facilitate effective functioning of the Board as well as formulation of proper corporate policies and strategies to improve productive efficiency and promote long term growth of the assisted companies, keeping in view the overall interest of the shareholders and financial institutions. The feedback received from Nominee Directors act as a tool for credit monitoring.

MANAGEMENT DISCUSSION AND ANALYSIS

1. Business Environment and Economic Scenario

1.1 Macro Economic Scenario & Developments

The year 2016-17 witnessed some major surprises globally which included Brexit, results of the US elections and Demonetization in the largest democracy of the world. Though the Indian economy showed signs of improved industrial climatic conditions in the coming years on the back of some major reform initiatives like Goods & Services Tax (GST), the growth in India's GAP declined to 7.1% year-on-year in FY 2017 from 8.0% in the previous year. The global economic growth also slowed down to 3.1% during calendar year 2016, with both the advanced and emerging economies contributing to the decline.

The fiscal year 2017 also saw some major policy initiatives apart from GST and Demonetization. These included enactment of the Insolvency and Bankruptcy Code, 2016 for speedier resolution or liquidation of stressed assets, merger of Railway Budget with the Union Budget, removal of expenditure categorisation into plan and non-plan, constitution of six member Monetary Policy Committee with responsibility of monetary policy decision making and liberalisation of foreign investment policies.

During the year, the consumer price inflation (CPI) reached a three year low of 3.8% in March 2017 as against 4.8% in March 2016, but the core consumer inflation remained sticky. During the same period, the Wholesale Price Index (WPI) under the revised base year 2011-12, increased from 4.7% in March 2016 to 4.9% in March 2017.

1.2 Banking Sector

Scheduled Commercial Banks' (SCBs') credit growth declined on y-o-y basis, whereas, deposit growth increased between September 2016 and March 2017. SCBs' capital to risk-weighted assets ratio (CRAR) improved from 13.4% to 13.6% between September 2016 and March 2017. However, the Tier-I leverage ratio at the system level declined marginally during the same period.

SCBs' annual profit after tax (PAT) expanded by 48.0% in 2016-17 as against a decline of 61.6% in 2015-16, mainly due to higher increase in other operating income (OOI) and lower risk provisions. The share of OOI in total operating income increased sharply from 30.7% in 2015-16 to 36.2% in 2016-17, mostly contributed by profit on securities trading. However, public sector banks (PSBs) once again recorded negative returns on their assets. Continuing deceleration in the growth of assets of SCBs along with deterioration in their asset quality resulted in a secular decline in the share of net interest income (NII) in total operating income.

Though India's financial system remained relatively stable during the FY 2016-17, the business growth of SCBs remained subdued with PSBs continuing to lag behind their private sector peers. The stress on banking sector, particularly the PSBs remained significant. The banking stability indicator (BSI) shows that the risks to the banking sector remained elevated due to continuous deterioration in asset quality, low profitability and liquidity. The gross non-performing advances (GNPA) ratio of SCBs increased to 9.2% from 7.8% during the period between March and September 2016, pushing the overall stressed advances ratio to 12.3% from 11.5% in the same period. Large lenders registered significant deterioration in their asset quality.

In the second half of the year, GNPA ratio of SCBs further rose to 9.6% in March 2017. The net non-performing advances (NNPA) ratio of SCBs increased marginally from

5.4% in September 2016 to 5.5% in March 2017. The stressed advances ratio declined from 12.3% to 12.0%. While there was a fall in stressed advances ratio in agriculture, services and retail sectors, the stressed advances ratio in industry sector, however, rose from 22.3% to 23.0% mainly on account of subsectors such as cement, vehicle, mining & quarrying and basic metals. Accretion of new NPAs from restructured standard advances declined in 2016-17.

1.3 NBFC Sector

As per the Financial Stability Report by The Reserve Bank of India, as of March 2017, there were 11,517 non-banking financial companies (NBFCs) registered with the Reserve Bank of India, of which 179 were deposit accepting (NBFCs-D). There were 220 Systemically Important Non-Deposit accepting NBFCs (NBFCs-ND-SI). All NBFC-D and NBFCs-ND-SI are subjected to prudential regulations such as capital adequacy requirements and provisioning norms along with reporting requirements.

The aggregate balance sheet size of the NBFC sector expanded by 14.5% during 2016-17 as compared to 15.5% during 2015-16. Loans and advances increased by 16.4% and investments increased by 11.9% in March 2017. In terms of borrowings, commercial paper outstanding rose by 70.3% and debentures outstanding increased by 28.3% as on March 31, 2017, while, bank borrowings declined by 3.7%. Net profit was down by 2.9% during 2016-17. Net profit as a percentage of total income also came down from 18.3% in 2015-16 to 14.0% in 2016-17. RoA and RoE also declined during the same period.

Gross NPAs of the NBFC sector as a percentage of total advances declined from 4.9% to 4.4% between September 2016 and March 2017. Net NPAs also declined from 2.7% to 2.3%.

While the NBFCs catering only to corporate sector were badly affected due to increase in NPAs and slowdown in credit offtake, NBFCs financing only retail loans or mix of corporate and retail loans showed growth in their performance.

1.4 Initiatives and Developments at IFCI

Your Company took some major initiatives during the year under report with primary objective of growth in business, cost cutting and employee empowerment and satisfaction. Organisational restructuring was one such major initiative. With a view to optimising the cost and maximum utilisation of existing resource pool, your Company decided to merge the Guwahati office with Kolkata Regional office and to close seven small offices at Patna, Bhubaneswar, Lucknow, Kochi, Vijayawada, Raipur and Bhopal. Though some of these offices were newly opened in the past two to three years, they could not achieve the business growth potential as envisaged at the time of opening, due to various factors.

For focussed attention, the geographical spread of your Company was segregated into four Zones – West, East, North & South having Zonal Offices at Mumbai, Kolkata, Delhi and Hyderabad respectively. The remaining six regional offices would function under the administrative and operational guidance of the respective zonal offices.

The functions of Credit Departments were restructured with focus on improvement in appraisal standard with separate groups for infrastructure and non-infrastructure appraisal. Some lateral recruitments were made by bringing professionals with requisite experience to strengthen operational processes especially in appraisal, monitoring, risk management and internal audit. The employees' grievances were quickly addressed in order to boost their morale and improve productivity.

Information & Technology being the backbone of financial process and data infrastructure, major upgradations in business applications were carried out and various new applications like “Customer Relationship Management”, “Transfer Pricing”, “Whistle Blower Mechanism”, “Payment Requests”, “CSR Accounting Package”, “Employee Clearance Slip”, “Employee Asset & Liability under Lokpal”, “SEBI Insider Trading Regulation Submitted by Employee” were implemented during the year.

Apart from internal IT upgradation and automation, your Company also launched the following online portals during the year:

- Grievance Redressal Portal for stakeholders
- Recruitment Portal
- Credit Enhancement Guarantee Scheme for Scheduled Castes Portal
- IT Application Portal to streamline accessibility of various applications

Your Company has been a great supporter of digitisation drive. It ensured that the entire receipt and payment transactions were undertaken through digital modes like RTGS/NEFT/NECS. There were only few exceptions where payments were received through cheques like in the cases of Post Dated Cheques of borrower entities/guarantors/promoters and where payments were made by cheques/DDs the recipients not having provided required information for digital transfer. Your Company discourages and avoids cash transactions.

2. Strengths, Weakness, Opportunities & Challenges

With existence for seven decades, passing through various challenges on the way, your Company is a historical institution, with major contributions to the industrialisation in the country and in the course, your Company has developed core competence in financing infrastructure and core sector industries. Being the only sector-agnostic NBFC in the corporate lending arena, with geographical presence across the country through relatively small staff strength of about 260, mostly professionals, your Company has the potential to rise above the occasion through concerted and planned effort. Its weakness, however, lies in its large proportion of non-performing assets, resulted primarily due to problems in power and iron & steel sectors and in certain other large value borrower companies.

The major challenge, your Company faces, is in the form of borrowing cost, which though reasonable, is higher compared to banks and its peer NBFCs. The consequent down-gradation of credit rating due to stressed portfolio has aggravated the situation. Amongst these concerns, the introduction of Insolvency and Bankruptcy Code has generated optimism in quick resolution/redressal of stressed assets. Your Company has set up a strong recovery mechanism for fast recovery from the NPAs through a dedicated team with expertise. With the steps taken by the government in major reforms like GST, relaxation in FDI and prediction of good monsoon in the current year, there is hope for capex and credit offtake picking up in the second half of the year which would provide the required boost to the financial sector including your Company.

Apart from emphasis from recovery from NPAs, your Company has also taken other major steps like reduction in single borrower and group exposure to below RBI prescribed levels to avoid concentration risks, reduction in its lending benchmark rate to improve portfolio quality.

3. Segment-wise or Product-wise Performance

During the FY 2016-17, your Company strived to perform, despite facing challenging macro-economic and industrial atmosphere. Your Company sanctioned project finance, general corporate

loans of various maturities to meet financing requirements of its clients with good track records and credit worthiness, refinancing of high cost debt and capital expenditure for ongoing projects against adequate tangible security. During the year, your Company also launched a new product of Short Term Loans and sanctioned and disbursed short term loans of approximately ₹ 605 crore and ₹ 330 crore, respectively, which constituted 7.64% and 10.81% of the aggregate sanctions and disbursements of ₹ 7,923 crore and ₹ 3,053 crore respectively.

4. Outlook

4.1 Global Developments and Outlook

After years of lacklustre growth, the global economy seems headed for a turnaround as can be seen in the improvements in industrial production and the purchasing managers' index (PMI), and financial conditions of advanced economies (AE) approaching a neutral condition. Notwithstanding concerns over rising protectionism, populism and emerging geopolitical conflicts, the world economic outlook for the Year 2017 looks brighter as compared to the Year 2016. Several factors seem to be contributing to this positive outlook; the end of a big decline in resource sector investment spending, moderation of fiscal austerity in Europe with the Eurozone achieving faster growth than the US in 2016 and inflation just under the European Central Banks' target of 2%, stimulus in China, moderating US dollar strength, prospects of an inflation uptick in Japan, partial reversal of commodity prices and market expectations of a somewhat moderated monetary accommodation withdrawal path in the US.

While there are uncertainties, the underlying feeling of a stable transition from a global accommodative monetary policy regime to a normal rate cycle is evident in equity and fixed income markets. However, unlike past business cycles wherein credit growth acceleration preceded an uptick in GDP growth, growth in private credit to non-financial corporations is muted. While global trade has picked up, US dollar has recently weakened vis-à-vis other global currencies. The divergence in 'rate outlook' between the Fed and the other advanced economies (AEs), and soft commodity prices may impact AE currencies. Geopolitical risks are elevated and a real concern is the perceived weakening of international institutional mechanisms to deal with them. At the same time, one has to await the on-going churning in political processes across the world to assess how much of the rhetoric on protectionism and populism will ultimately materialise.

4.2 Domestic Development and Outlook

During the FY 2016-17, Indian economy though emerged as the fastest growing economy in the world with 7.1% growth surpassing China's growth of 6.9% for the year 2016, however, this growth was lower than last year's growth of 8.0% (revised due to change in base year from 2004-05 to 2011-12 for calculation of Index of Industrial Production) on account of dip registered in the growth of Q4 of FY 2016-17, as the economy grew by 6.1% as compared to growth registered in previous 3 quarters at 7.9%, 7.5% and 7.0% respectively. The growth was dragged to the minimum in last quarter of FY 2016-17 partially, on account of demonetisation. As per RBI, GVA growth for 2016-17 is pegged at 6.7%, which is about 30 bps lower than what was estimated earlier.

During the year, the demonetisation drive was started with the aim to wipe out a measure of corruption and tax evasion mainly in India's real estate market. Though, it has impacted the growth in cash-intensive sectors such as real estate, construction and FMCG for a short term as consumers

deferred purchases, over the medium term, there would be benefits through higher government spending and greater tax compliance. Also, it has converted the household savings from physical to financial instruments, which has provided enough liquidity to the banks for lowering the lending rates, much needed for the growth.

As per the latest figures released by CSO, the growth rate of the industrial sector showed a declining trend over the last 5 years since adoption of base year 2011-12, with the Index of Industrial Production reaching low of 2.70% in March 2017 from 6.50% in April 2016 after touching high of 8.90% in June 2016.

The eight core infrastructure supportive industries, viz. coal, crude oil, natural gas, refinery products, fertilizers, steel, cement and electricity registered a cumulative growth of 4.5% during FY 2016-17 as compared to 4.0% during the previous year. The production of steel and refinery products grew substantially during the FY 2016-17, while the production of crude oil, cement and natural gas fell. Production of electricity, coal and fertilizers registered decelerated growth during the same period.

The macro-economic parameters like inflation, fiscal deficit and current account deficit exhibited distinct signs of improvement and stayed within the target. The monetary conditions remained consistent with achieving the target of retail inflation under 5%. The depreciation in rupee against US dollar like most other currencies in the world had a lesser impact on the growth of the country.

As per the recent World Economic Outlook brought out by IMF, the growth projections for Indian Economy have been trimmed down to 7.2% in CY 2017 from 7.6% primarily because of the temporary negative consumption shock induced by cash shortages and payment disruptions from the recent demonetisation drive. Medium-term growth prospects are favourable, with growth forecast to rise to about 8% over the medium-term due to the implementation of key reforms like GST, loosening of supply-side bottlenecks and appropriate fiscal and monetary policies.

As per the Economic Survey of 2016-17, keeping in view the prevalent overall macroeconomic scenario, and as per normal rainfall predictions in 2017-18 by IMD, India's economic growth for the FY 2017-18 has been pegged in the range of 6.75% - 7.5% in 2017-18. As per projections of ADB, the Indian Economy is expected to grow at a quicker pace by 7.4% in 2017-18 as compared to 7.1% in FY 2016-17 and maintain the fastest growing economy tag on the back of various reforms initiated by the Government especially in the banking sector.

5. Risks and Concerns

Risk is an inherent part of business of any financial institution, including IFCI, which makes it susceptible to credit risks that arise when a borrower is expecting future cash flows to pay a current debt. Effective management of credit risk is a critical component of comprehensive risk management and necessary for long term success of a financial institution and hence, it is essential that credit risk management system should be sensitive enough and responsive to credit risks emanating from its business operations, so as to maintain a sound and well-diversified credit portfolio. The goal of credit risk management is to maximize a FI's risk-adjusted rate of return by maintaining credit risk exposure within acceptable parameters.

To address these risks, your Company has put in place a comprehensive credit risk management framework which is integrated with its business model. In pursuance of RBI guidelines, necessary role centres have been created in the organisational structure to facilitate discharge of risk

management functions, which include the Board of Directors, the Risk Management Committee of Directors (RMCD), the Risk Management Committee of Executives (RMCE) and the Risk Management Department.

Risk Management Department carries out risk assessment of all new credit proposals, finalizing internal credit rating, annual rating migration analysis highlighting the portfolio quality and compliance with pre-disbursement terms and conditions of sanction pertaining to disbursements of loans. Market and Liquidity risks are monitored by Asset Liability Committee of Executives (ALCO), through analysis of dynamic liquidity position, structural liquidity gaps and interest rate sensitivity positions. Besides mechanism for stress testing of the credit portfolio is also being put in place.

The General Lending policy, Credit Risk Management Policy, Market Risk Management Policy and Operational Risk Management Policy of your Company are reviewed periodically, keeping in view the changing economic and business environment. To manage the operational risks, there are adequate internal controls and systems in place, aided and assisted by internal audit, remote back-up of data, disaster management policy and appropriate insurance of insurable assets of your Company, as well as of the assets mortgaged to your Company.

In line with the industry best practices and to ensure proper credit evaluations and monitoring standards, your Company carries out credit audit of standard exposures at regular interval. The main objectives of the audit exercise includes, detection of weaknesses in outstanding exposures, initiation of timely corrective action, compliance with internal sanction and disbursement norms and follow-up and monitoring of cases, which serves as a tool for senior management to assess portfolio quality with constant endeavour for asset quality improvement.

In future, risk management is expected to play a more prominent role because of ongoing liberalisation, deregulation and global integration of financial markets, which would add newer dimensions to risks faced by the Banks and NBFCs. Inter-relationships and associations amongst various risk categories and mushrooming of newer risks, will require more proactive and efficient management of risks which will determine the strength and resilience of financial institutions.

Your Company would continue to work on various initiatives aimed at strengthening credit risk standards, post sanction monitoring of the portfolio to migrate any adverse impact on the loan portfolio of your Company. Your Company would also strive to develop a strong culture for risk management and awareness within the organisation.

6. Internal Control Systems and their adequacy

Your Company has Internal Control Systems commensurate with the size, scale and complexity of its business and allied operations. The verification of effectiveness of these controls are made by the Internal Auditors through the process of "Risk based Internal Audit". The internal audits are carried out by the Internal Audit Department through external practicing Chartered Accountant Firms and also directly through snap audits. The periodicity of such audits varied from quarterly to yearly depending upon the substance and materiality of transactions after the scope was approved by the Audit Committee of Directors. Based on the observations of Internal Auditors, the process owners undertake corrective actions in their respective areas and thereby strengthen the control systems.

In association with an external consultant of repute, the framework of Internal Financial Control was designed and implemented. The operative effectiveness of the controls were tested by the Internal Auditors and Statutory Auditors during the year and found to be satisfactory. The areas of controls with gaps were identified and bridged or decided for closure within finite period. The Board believes, based on the above, adequate internal financial controls exist.

7. Discussion on Financial and Operational Performance

7.1 Financial Performance

After a period of ten years of consistency in profit generation, your Company suffered a loss of ₹ 458 crore during the year under report, which was the compounding result of decline in operational income by 28.25% to ₹ 2,740 crore from ₹ 3,819 crore for the previous year and increase in provisions against loans & investments to ₹ 1,192 crore from ₹ 895 crore in FY 2016.

The major reason for fall in operational income was increase in fresh NPAs leading to reversal/non-recognition of interest income and low disbursement coupled with prepayments. The increase in provisions was primarily due to above reasons and reduction of default days from 150 to 120 days for classification as NPAs. Failure of sum of the SDR and S4A cases, for implementation in terms of RBI Guidelines, also added to the NPAs, reversal of income and provisioning.

The finance cost also reduced from ₹ 2,517 crore to ₹ 2,289 crore through reduced borrowings at lower cost and prepayments of certain high cost borrowing. Still the impact of large decline in interest income resulted in lower Net Interest Income of ₹ 211 crore as against ₹ 927 crore in previous year. Consequently, the NIM also declined from 3.24% in FY 2016 to 0.80% in FY 2016-17.

The operating expenses, excluding depreciation remained almost stagnant at ₹ 138 crore backed by reduction in employee benefit expenses from ₹ 100 crore in previous year to ₹ 95 crore in FY 2016-17.

The provisions of ₹ 1,192 crore was primarily because of high provisions of ₹ 922 crore against loans, the remaining ₹ 270 crore being against the investments. In respect of investments, your Company has been making required provisions in terms of RBI guidelines and relevant Accounting Standards. In addition, your Company has also been prudently making provisions on quarterly basis in respect of diminutions in investments showing signs of stress, though not other than temporary diminutions.

The income tax expense was negative due to deferred tax impact arisen primarily on account of high provisions.

Due to the impact of low credit offtake and prepayments of loans, the balance sheet shrunk from ₹ 36,900 crore to ₹ 31,674 crore during the fiscal 2017. The Networth of your Company also declined to ₹ 5,683 crore from ₹ 6,129 crore a year back.

However, the Capital Adequacy Ratio was maintained at 16.7% on March 31, 2017, against regulatory requirement of minimum 15%, with the Tier I capital being 11.2% as against regulatory norm of 10%. The debt to equity ratio was 4.03, improved from 4.54 at the beginning of the year and the leverage ratio was 5.31, below the regulatory cap of 7 times.

The cost of borrowings reduced from 9.4% for FY 2016 to 9.3% for FY 2017. The proportion of employee cost, however, increased from 2.5% in the previous year to 3.3% in FY 2017, despite decline in absolute amount, due to larger decline in income.

In view of the loss and in order to preserve capital and cash for future growth, your Company skipped declaration of any dividend on equity shares after consistent dividend payment for 8 years.

Your Company reduced its lending benchmark rate, IFCI Benchmark Rate (IBR) from 11.70% at the beginning of

the year to 10.75% by March 2017. The Short Term IBR introduced in April 30, 2016 at 9.40% was also reduced to 8.35% by the end of FY 2017.

7.2 Sanction and Disbursements

During the year under consideration, your Company made sanctions and disbursements for various proposals aggregating to ₹ 7,923 crore and ₹ 3,053 crore, lower than ₹ 10,895 crore and ₹ 7,488 crore respectively in the previous year, on account of subdued credit demand and uneven economic growth and dip in manufacturing activity.

7.3 Treasury, Investment and Forex Operations

In FY 2016-17, global landscape witnessed key developments like Brexit and presidential elections in United States resulting in volatile markets. International financial markets have been impacted by policy announcements in major advanced economies, geo-political events and country-specific factors. On domestic front too, major policy initiatives were seen like introduction of Insolvency and Bankruptcy Code, demonetization which has boosted digital payments and led to sharp increase in financial savings, NPA ordinance and enactment of GST legislation. In India, both domestic factors and global spill-overs have conditioned movements in financial markets, though increasingly domestic factors appear to have played a more prominent role. Domestic equity markets had a mixed performance, reflecting domestic factors amidst a cautious return of investor appetite and capital flows.

In RBI's first bi-annual monetary policy, the policy rate was kept unchanged with a neutral stance considering the fact that inflation could undershoot RBI's target of 5% for FY 2016-17. Excess liquidity resulting post demonetization was drained by RBI through the large quantum of variable rate reverse repos which softened the short term money market rates to an extent. In the above backdrop, your Company has been cautious in investing the surplus funds with focus on safety while making every effort for efficient management of liquidity and return.

In rupee operation, the objective was to manage the surplus fund effectively with minimum risk and deploying it to get optimum return with availability of funds for business requirement. The underlying investment principle is safety, liquidity and risk containment and your Company invested in Treasury Bills, Government Securities, Certificate of Deposit, Commercial Papers, Inter-Corporate Deposit/ Short Term Deposit (STD) and Mutual Fund Schemes. Average Deployment during the year was ₹ 1,393.31 crore against ₹ 940.86 crore in FY 2015-16 and annualised return on fund deployed was 7.82%. Your Company had consistently generated return higher than the average 91 day T-bill yield during FY 2016-17 from Treasury operations. During the year under report, your Company registered an income of ₹ 112 crore from Fixed Income Money Market operations as against ₹ 135 crore during the previous year. The lower income was on account of planned reduction of average surplus funds available with Treasury vis-à-vis last year to minimize negative carrying cost as well as lower yields on money market instruments post demonetization led by RBI action to drain excess liquidity from Banks.

During the year, your Company continued with the strategy of selective disinvestment of slow moving/illiquid stocks and strengthening the portfolio through investment in blue chip stocks. Net investment portfolio of your Company as on March 31, 2017 stood at ₹ 6,394 crore as against ₹ 8,188 crore as on March 31, 2016.

The foreign currency operations were confined to servicing of FC liabilities and containing the exchange risk arising due to mismatch in the outstanding amount of FC assets and liabilities. The mismatches were covered through forward contracts, currency future and principal only swap. The net mismatch position was restricted to much below the limit of USD 3 million approved by RBI by maintaining almost square position.

7.4 Resource Mobilization

Keeping in line with the sanctions and disbursements during the year under report, an amount of ₹ 5,397 crore was mobilized comprising of Term loans of ₹ 2,750 crore, NCD issue through Private Placement ₹ 575 crore and Commercial Papers of ₹ 2,072 crore at the competitive rates. The focus of your Company has been to arrange funds at the lowest possible cost. Consistent efforts are being made by your Company to explore new avenues of fund raising. The total borrowings of your Company were ₹ 22,899 crore as on March 31, 2017 comprising of Rupee borrowing of ₹ 22,470 crore and foreign currency loan of ₹ 429 crore. The broad instrument wise break-up of rupee borrowing outstanding as at March 31, 2017 is as indicated below.

Investor service has been the top priority for your Company with responsive handling and timely processing of investor grievances, received in physical or electronic form, continued to be of extreme importance.

8. Material Development in Human Resources, Industrial Relations Front, including number of people employed

Your Company has continued to lay focus on enhancement in productivity of employees and their skill upgradation. Training was imparted to employees through 250 nominations, by way of in-house training workshops and external nominations, thereby covering 140 employees and 4 employees were sent on foreign trainings. Various allowances have been linked with the RBI. The manpower has been strengthened by conducting recruitment at various levels viz. General Manager, Deputy General Manager, Assistant General Manager, Manager and Assistant Manager. The scheme of Special Hardship Leave was introduced for female employees. The level of satisfaction among employees has improved which resulted into lower attrition rate as compared to previous year. As on March 31, 2017, the number of people employed was 262.

9. Environmental Protection and Conservation, Technological Conservation, Renewable Energy Developments, Foreign Exchange Conservation

During the year under report, your Company made constant endeavour for technological absorption. With regard to the same, the Data Centre and Disaster Recovery site have been upgraded as well as a near site has been established. Your Company has also adopted industry standard Network security policies and

standards. IFCI has also made sincere efforts for conservation of foreign exchange. During the year under report, the amount of foreign exchange outgo was only to the tune of ₹ 3.90 crore on account of interest payment and incurring other expenses. Your Company had also put in sincere efforts to protect and conserve the environment. Through its CSR initiatives, IFCI made contribution to Patiala Foundation for construction of sewer treatment plant for irrigation and development of horticulture etc. Besides, IFCI has financial products like term loan, Corporate Loan, Short term Loan etc. for financing of renewable energy projects which are sustainable and environmentally benign.

10. Corporate Social Responsibility

The Corporate Social Responsibility Committee of Directors formulates the CSR Policy and recommends to the Board of Directors on activities to be undertaken by the Company as specified in Schedule VII of Companies Act, 2013 and Companies (CSR Policy) Rules, 2014. The CSR Committee recommended the amount to be incurred on the activities and earmarked funds for the envisaged priority areas, as per vision of the Company for a particular financial year. To associate with the CSR Activities of IFCI and its Subsidiaries and Associates, a Trust, by the name of "IFCI Social Foundation" has also been established. The investment in CSR activities is project based and for every project, time frame and periodic milestones are set at the outset. Some of the CSR Activities undertaken includes contribution to expression children homes organization for acquisition of mobile classroom van; contribution to Institute of Leadership Development for conducting employment oriented skill training programme for 400 unemployed youth of Rajasthan; contribution to Arogya Sandhan Charitable Trust for construction of residential home for mentally challenged person etc.

IFCI LIMITED - EQUITY DIVIDEND DISTRIBUTION POLICY

1. Introduction:

- 1.1 Dividend represents the profit of the Company, which is distributed to shareholders in proportion to the amount paid-up on shares they hold. Dividend includes Interim Dividend.
- 1.2 As per Regulation 43A of Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 (Listing Regulations) the top 500 listed entities based on market capitalization (calculated as on March 31 of every financial year) shall formulate a dividend distribution policy which shall be disclosed in their annual reports and on their website.
- 1.3 The Policy is not an alternative to the right of the Board for recommending dividend, which is made after considering all the relevant circumstances and other factors as may be considered relevant by the Board. This Policy shall serve as guiding Principles while the Board considers declaration / recommendation of dividend.
- 1.4 The objective of Dividend Policy is to specify in broad terms the external and internal factors including financial parameters that will be considered while declaring dividend and the circumstances under which the shareholders of the company may or may not expect dividend, etc.
- 1.5 This Dividend Policy is in line with the provisions of the Listing Regulations, Companies Act and other guidelines, to the extent applicable to the company.

2. Effective Date:

This Policy is effective from the date of its approval by the Board of Directors of the Company i.e. 11.02.2017.

3. Manner and Timelines for Dividend Payout:

3.1 Interim dividend(s)

- 3.1.1. Interim dividend(s), if any, shall be declared by the Board.
- 3.1.2. The payment of dividend shall be made within 30 days from the date of declaration to the shareholders entitled to receive the dividend on the record date as per the applicable laws.
- 3.1.3. In case no final dividend is declared, interim dividend paid during the year, if any, will be confirmed in the Annual General Meeting.

3.2 Final dividend

- 3.2.1. Recommendation, if any, shall be done by the Board, usually in the Board meeting that considers and approves the annual financial statements, subject to approval of the shareholders of the Company, in Annual General Meeting.
- 3.2.2. The payment of dividend shall be made within 30 days from the date of declaration, to the shareholders entitled to receive the dividend on the record date/book closure period as per the applicable law.

4. Factors Considered while declaring dividend:

While considering the declaration or recommendation of dividend, following factors shall be considered:

4.1 External Factors

4.1.1 Economic Environment

In case of uncertain economic and business scenario / condition, the Company will endeavour to retain larger part of profits to build up reserves to sustain future growth.

4.1.2 Statutory and Regulatory Norms

Changes in regulatory norms with respect to payment of dividend may affect the dividend pay-out by the Company. Also changes in the provisioning norms may affect the available profits for distribution of dividend.

4.1.3 Capital Markets

In the times of favourable markets, dividend pay-out can be liberal. However, in case of unfavourable market conditions where the availability of credit is restricted, the Company may resort to conservative dividend pay-out in order to conserve cash flows.

4.2 Internal Factors

4.2.1 Profit earned during the year

Pursuant to the provisions of Section 123 of the Companies Act, 2013, dividend shall not be declared or paid by a Company for any Financial Year except out of profits of the Company for that Financial Year or out of profits of the Company for any previous financial year /years arrived after providing for depreciation in accordance of the Companies Act, 2013.

4.2.2 Capital to Risk-weighted Ratio (CRAR)

IFCI being a Non-Banking Financial Company (NBFC), it is required to maintain a minimum CRAR of 15% (with a minimum Tier I Capital of 10%). Hence, the tentative CRAR shall also factor while declaring or recommending dividend so that the minimum of CRAR is maintained throughout.

4.2.3 Investment need in Subsidiaries / Joint Ventures

IFCI at present has both Subsidiaries and Step-Down Subsidiaries. Hence, the future need of infusion of funds in the subsidiaries is also an internal factor which may have a bearing on the dividend pay-out by the Company, directly, due to cash flow and indirectly, due to impact on CRAR.

4.2.4 Liquidity Position and Future Cash Flow Requirements

Payment of dividend has direct impact on the Cash Flows of the Company. Accordingly, payment of dividend will largely depend upon the availability of cash balance. Further, pay-out of dividend will also be ascertained by the liability to service debt of the Company.

5. Circumstances under which the Shareholders may or may not expect dividend:

- 5.1 The dividend declaration decision of the company will be based on a balanced approach to declare dividend with the objective of rewarding the shareholders appropriately and at the same time retaining the profits for its business growth.

- 5.2 The Company has always endeavoured to reward the shareholders by paying dividends regularly. However, due to unfavourable business condition and / or inadequacy of sufficient profits for any financial year or owing to any of the above mentioned internal and external factors, the Board of the Company in the best interest of the Company, may decide to retain the profits of the Company instead of distributing the same among the shareholders.
6. **Retained Earnings Utilization:**
The retained earnings will be deployed in line with the objects of the company as detailed in the Memorandum of the company. The profits being retained in the business shall be continued to be deployed in promoting the objectives of the Company viz. financing and other related activities. The retained earnings may also be utilized for further expansion of the business of the company. Also, the decision of utilization of the retained earnings of the Company shall be based on the factors like Strategic and long term plans of the company etc.
7. **Financial Parameters / Regulatory and Other Guidelines that shall be considered while declaring dividend:**
Following are the parameters that shall be considered while declaring dividends:
(i) Earnings per share of the Company
(ii) Need for debt reduction for having optimum debt: equity ratio
(iii) Liquidity position of the Company and expected cash flow in next six months
(iv) Dividend pay-out history
(v) Future expansion plans and the capital expenditure requirement including acquisition or diversification to be made by the Company from time to time
(vi) Need for ploughing back of profits into Business
(vii) Other reasons, which in the view of the Board of Directors of the Company or as per applicable regulations may be required to be considered from time to time before declaration of dividend
(viii) Companies Act, 2013 & applicable Rules thereof
(ix) SEBI Regulations / Guidelines
8. **Parameters with regard to various classes of shares:**
All Equity shares shall rank pari-passu for the purpose of Dividend as IFCI has only one class of equity shares. Other classes of shares shall be eligible for dividend as per the terms of issue of such shares from time to time.
9. **Amendments:**
The Board of Directors of the Company reserves the rights to amend, modify or review this policy in whole or in part, at any point of time, as may be deemed necessary.
10. **Disclosure:**
This policy shall be disclosed in the Annual Report and hosted on the website of the Company at www.ifcilt.com.

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA
UNDER SECTION 143(6)(B) OF THE COMPANIES ACT, 2013 ON
THE FINANCIAL STATEMENTS OF IFCI LIMITED FOR THE YEAR ENDED 31 MARCH, 2017**

The preparation of financial statements of IFCI Limited for the year ended 31 March 2017 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditors appointed by the Comptroller and Auditor General of India under section 139(5) of the Act are responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 19 May, 2017.

I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under section 143(6) (a) of the Act of the financial statements of IFCI Limited for the year ended 31 March 2017. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records. Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report:

A. Comments on Profitability

A.1 Assets

Long term Loans & Advances

Loans (Note No. 13) ₹ 18,149.81 crore

Allowance for bad and doubtful assets – ₹ 1,937.31 crore

Allowance for bad and doubtful assets is understated by ₹ 123.66 crore due to –

- (i) Incorrect classification of subscription of ₹ 56.74 crore in Non-Convertible Debentures of VBC Industries Limited as standard asset instead of doubtful assets in terms of Para 13 (1) (ii) of RBI guidelines dated 1 September 2016 (in view of inadequate security and inability expressed by the borrower to pay its dues) led to short provision of ₹ 51.03 crore (₹ 56.74 crore less ₹ 5.71 crore being value of security available).
- (ii) Inadequate provision being made towards loan of ₹ 50 crore given to Kohinoor Power Private Limited in November 2011 and restructured in December 2014 which should have been treated as sub-standard asset as per RBI Guidelines dated 9 March 2017. The loan should have been provided for at the rate of 10 percent as the actual reasons stated for delay in commissioning of project were within the control of the promoters and the benefit of treating the restructured loan as standard asset and provision at the rate of 5 percent were not available. This has resulted in short provision of ₹ 2.68 crore.
- (iii) Non creation of provision of ₹ 69.95 crore as per RBI's S4A¹ scheme (which inter-alia stipulates creation by the lenders of upfront provisions of atleast 40 per cent of unsustainable debt or 20 per cent of the aggregate outstanding debt whichever is higher) in respect of term loans of ₹ 368.97 crore extended (July 2013 and July 2015) to Coastal Energen Privavte Limited. This resulted in non provision of ₹ 69.95 crore. Consequently, this has also resulted in overstatement of long terms loans and advances and understatement of loss by ₹ 123.66 crore.

2 Assets

Non-Current Investments (Note-11) Unquoted

Assistance under financing ₹ 1,896.90 crore

Provision for Diminution in value ₹ 903.63 crore

A reference is invited to C&AG's comment no. A.3(i) for the years 2014-15 and 2015-16 wherein it was pointed out that Company's policy for provision against diminution in value of equity shares is not as per Accounting Standard 13–Accounting for Investments.

Despite violation of Accounting Standard 13–Accounting for Investments being pointed out, the Company has not made any provision/ made inadequate provision for diminution in value of long term investments of ₹ 155.46 crore in respect of three² companies despite erosion of net worth, continuous cash losses, negative earnings per share, accumulated losses and defaults in buy back commitments by investee companies.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(B) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF IFCI LIMITED FOR THE YEAR ENDED 31 MARCH, 2017

The preparation of consolidated financial statements of IFCI Limited for the year ended 31 March, 2017 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) read with Section 129(4) of the Act are responsible for expressing opinion on the financial statements under Section 143 read with Section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 19 May, 2017.

I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under Section 143(6)(a) read with Section 129(4) of the Act of the consolidated financial statements of IFCI Limited for the year ended 31 March 2017. We conducted a supplementary audit of the financial statements of companies mentioned in Annexure-A, but did not conduct supplementary audit of the financial statements of companies mentioned in Annexure-B for the year ended on that date. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) read with Section 129(4) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the consolidated financial statements and the related audit report:

A. Comments on Consolidated Profitability

A.1 Assets

Long term Loans & Advances

Loans -Non Current (Note No. 13) ₹ 18,581.13 crore

Allowance for bad and doubtful assets – ₹ 1,937.31 crore

Allowance for bad and doubtful assets is understated by ₹ 123.66 crore due to –

A.3 Balance Sheet

Current Liabilities

Other Current Liabilities (Note No. 8): ₹ 5,708.74 crore

Above does not include ₹ 1.20 crore being the liability for leave encashment on accumulated leave standing to the credit of employees of MPCON Limited as assessed by Life Insurance Corporation of India (LIC). The same is not in accordance with mandatory requirements of Accounting Standard-15 and has resulted in understatement of liability for leave encashment as well as loss by ₹ 1.20 crore.

A.4 Statement of Profit & Loss

Expenses - ₹ 3,030.72 crore

Other expenses (Note 23) - ₹ 300.01 crore

- The above does not include ₹ 81.73 lakh being the amount refunded (₹ 40.90 lakh) and amount due to be paid (₹ 40.83 lakh) to an allottee of a flat in the project at Ramprastha, Ghaziabad on account of cancellation of the sale of said flat. The cancellation took place as IIDL could not get compounding of said flat making registry of the flat invalid. Instead of booking the amount refunded as expenditure, the company booked ₹ 40.90 lakh as other advances under other current assets. Further no provision has been created for the balance amount of ₹ 40.83 lakh payable to the allottee. This has resulted in understatement of expenses by ₹ 40.90 lakh, provisions by ₹ 40.83 lakh and overstatement of other current assets by ₹ 40.90 lakh. This has also resulted in understatement of loss by ₹ 81.73 lakh.
- The above does not include ₹ 32.44 lakh being penalty payable for delay in delivering the possession of flats in 'Aerie' in Kochi as per the terms of agreement with allottees by IIDL. Non provision of liability has resulted in understatement of provisions for penalty and loss by ₹ 32.44 lakh.

In terms of record of default, the first date of default being 31st December, 2016, as on 31st March, 2017 i.e. less than 120 days, the account was standard as per the extant RBI guidelines.</p>
<p>A.2 Assets</p> <p>Non-Current Investments (Note-11)</p> <p>Unquoted Assistance under financing : ₹ 1,901.30 crore Provision for Diminution in value ₹ 905.63 crore</p> <p>A reference is invited to C&AG's comment no. A.3(i) for the years 2014-15 and 2015-16 wherein it was pointed out that Company's policy for provision against diminution in value of equity shares is not as per Accounting Standard 13 –Accounting for Investments.</p> <p>Despite violation of Accounting Standard 13 – Accounting for Investments being pointed out, the Company has not made any provision/ made inadequate provision for diminution in value of long term investments of ₹ 155.46 crore in respect of three companies despite erosion of net worth, continuous cash losses, negative earnings per share, accumulated losses and defaults in buy back commitments by investee companies.</p>	<p>As per AS-13, in respect of long term investments, provisioning is required to be made for diminution in value of investment which is 'other than temporary'. However, the AS does not provide any objective guidance to the parameters of the diminution and quantification thereof to make provision. Therefore, an internal policy with objective criteria was formulated and approved by the Board of Directors of IFCI to assess the diminution, if any and to determine the requisite provision based on the book value of shares or valuation by external expert or availability of buy-back provision and other relevant information.</p> <p>The comments, specific to three reported investments are as under :</p> <ul style="list-style-type: none"> - Against investment of ₹ 63.92 crore in Vadraj Cements Ltd., an external expert has valued the holding of 6,39,16,797 equity shares at ₹ 58.55 crore. But, considering the lower book value, provision of ₹ 30.88 crore was made in line with the Provision Policy of the company, based on the book value.

C&AG Observations	Management Comments
	<ul style="list-style-type: none"> - In case of ABG Energy Ltd., the diminution being ₹ 9.98 crore (28%) on investment of ₹ 35.44 crore, i.e. less than 50% decided as threshold for making provisions as per the approved Provision Policy and considering the ongoing negotiation on an offer received for buying the entire holding of IFCI in Vadraj Cements as well as in ABG Energy, at price above the investment amount, no provision was deemed necessary to be made in this case. - The investment of ₹ 56.10 crore in Gayatri Hitech Hotels had a book value of ₹ 18.97 crore resulting in diminution of ₹ 37.13 crore. However, there is an agreement with the promoters for buying back the entire holding in tranches and for ensuring payment of interim returns regularly for which they had pledged listed shares of Gayatri Projects Ltd., a group company, having market value more than double the investment amount, liable for enforcement on default on contract. There was no default on March 31, 2017, in terms of the agreement and also considering the security and an offer by promoters to buy-back the entire holding in the current financial year at price above the investment amount, no provision was deemed necessary to be made in this case.
<p>A.3 Balance Sheet Current Liabilities Other Current Liabilities (Note No. 8): ₹ 5,708.74 crore Above does not include ₹ 1.20 crore being the liability for leave encashment on accumulated leave standing to the credit of employees of MPCON Limited as assessed by Life Insurance Corporation of India (LIC). The same is not in accordance with mandatory requirements of Accounting Standard-15 and has resulted in understatement of liability for leave encashment as well as loss by ₹ 1.20 crore. (Observations on Financial Statements of MPCON Ltd., a subsidiary of IFCI Limited).</p>	<p>MPCON is following the practice of accounting the Leave Encashment on payment basis since inception. However, the Board, at its meeting held on 21st April 2017, decided to open a fund with LIC in the current financial year and hence, leave encashment liability shall be provided in accordance with AS-15 from the current financial year.</p>
<p>A.4 Statement of profit & Loss Expenses- ₹ 3,030.72 crore Other expenses (Note 23) - ₹ 300.01 crore 1. The above does not include ₹ 81.73 lakh being the amount refunded (₹ 40.90 lakh) and amount due to be paid (₹ 40.83 lakh) to an allottee of a flat in the project at Ramprastha, Ghaziabad on account of cancellation of the sale of said flat. The cancellation took place as IIDL could not get compounding of said flat making registry of the flat invalid. Instead of booking the amount refunded as expenditure, the company booked ₹ 40.90 lakh as other advances under other current assets. Further no provision has been created for the balance amount of ₹ 40.83 lakh payable to the allottee. This has resulted in understatement of expenses by ₹ 40.90 lakh, provisions by ₹ 40.83 lakh and overstatement of other current assets by ₹ 40.90 lakh. This has also resulted in understatement of loss by ₹ 81.73 lakh. (Observations on Financial Statements of IFCI Infrastructure Development Limited (IIDL), a subsidiary of IFCI Limited). 2. The above does not include ₹ 32.44 lakh being penalty payable for delay in delivering the possession of flats in 'Aerie' in Kochi as per the terms of agreement with allottees by IIDL. Non provision of liability has resulted in understatement of provisions for penalty and loss by ₹ 32.44 lakh. (Observations on Financial Statements of IFCI Infrastructure Development Ltd. (IIDL), a subsidiary of IFCI Ltd.).</p>	<p>1. IIDL had reported profit after tax of ₹ 25.32 crore and ₹ 27.56 crore on standalone and consolidated basis, respectively, as per Indian GAAP. The observations on understatement of loss may be read as overstatement of profit. The amount was kept as advance as the transactions would require execution of conveyance deed for transfer of title of the property in favour of IIDL. On conclusion of transactions, necessary accounting shall be done in FY 2017-18. 2. The payment of penalty shall arise only at the time of possession of flats, which is yet to take place. Necessary provisions shall be made in the books in FY 2017-18.</p>

4.	It is planned to be done within next 6 months									
5.	It is planned to be done within the next 1 year									
6.	Any other reason (please specify)					✓(#)		✓(#)		

IFCI being an NBFC, this principle is not applicable or has limited applicability. However, IFCI being a Government Company, it has the responsibility to follow all the directions/guidelines provided by Government of India in these regard.

3. Governance related to BR

- Indicate the frequency with which the Board of Directors, Committee of the Board or CEO assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year?

This being the first year of implementation of Business Responsibility Report in the specified format, the frequency of assessing the business responsibility performance of the company is yet to be finalized. The Committee of the Board might meet between 3-6 months and the Board shall evaluate on an annual basis at a minimum.

- Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?

This is the first time IFCI will publish Business Responsibility Report and the same shall form part of Annual Report for FY 2016-17 and shall be available on company's website: www.ifcilt.com.

Section E: Principle-wise performance

Principle 1

1. Does the policy relating to ethics, bribery and corruption cover only the Company? Yes/No. Does it extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

Yes, it extends to the Company only. The Company has in place a Code of Business Conduct and Ethics for IFCI's Board of Directors and Employees. The purpose of this Code is to enhance ethical and transparent process in managing the affairs of the Company, and thus to sustain the trust and confidence reposed in the Board and the Employees by the Shareholders of the Company. The Board and Employees are expected to understand, adhere to, comply with and uphold the provisions of this Code and the standards laid down hereunder in their day-to-day functioning.

IFCI also has in place a vigilance manual for internal circulation and a Vigil Mechanism. The Vigil Mechanism aims to establish a mechanism to receive complaints relating to disclosure on any allegation of corruption or wilful misuse of power or wilful misuse of discretion by virtue of which demonstrable loss is caused to IFCI or demonstrable wrongful gain accrues to the public servant or to any third party, against any employee/ public servant and to inquire or cause an inquiry into such disclosure and to provide adequate safeguard against victimization of the person making such complaint subject to the disclosure or complaint being made in good faith and in reasonable time.

IFCI has developed the Fair Practices Code (FPC) for its lending operations based on the RBI guidelines, which intends to provide assurance to all the borrowers of the Company's commitment to fair dealing and transparency in its business transactions.

Though the Policy relating to ethics, bribery and corruption do not specifically extend to Group/Joint Venture/Suppliers/Contractors/NGOs/Others, however an undertaking is obtained from successful bidders before awarding of contract that they have not indulged in any corruption. Hence applicability of this Principle may be taken as extended to this limit.

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management?

The company had received a total of 5,087 complaints from the stakeholders of the Company during the FY 2016-17. Out of which 5,079 complaints (99.84%) were resolved by March 31, 2017.

Principle 2

1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

IFCI has financial products like Term Loan, Corporate Loan, Short Term Loan etc. for financing of renewable energy projects which are sustainable and environmentally benign. While sanctioning loans, IFCI stipulates conditions including environmental clearances viz., restricting Borrower producing or consuming ozone depleting substances.

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

Considering the nature of business of the Company and the products/initiatives referred to above, the questions below are:

- (i) Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain?
Not Applicable.
- (ii) Reduction during usage by consumers (energy, water) has been achieved since the previous year?
Not Applicable.

3. Does the company have procedures in place for sustainable sourcing (including transportation)?

Not Applicable.

4. Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

Not applicable to the Company's main product. However, for ancillary business or day to day smooth running of business we source from local and small vendors.

MSMEs are extended the benefits as stipulated by GoI in the form of nil earnest deposit and others, while seeking bids for procurement of goods/services. IFCI has also recommended names for "Independent External Monitors" to office of CVC.

5. Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%).

No.

Principle 3

1. Please indicate the total number of employees.

As on March 31, 2017 there were 262 employees in the Company.

2. Please indicate the total number of employees hired on temporary/contractual/casual basis.

No temporary/ contractual/ casual employees were hired during the year, however, there were 3 employees on contract as on March 31, 2017.

3. Please indicate the number of permanent women employees.

As on March 31, 2017, there were 80 permanent women employees.

4. Please indicate the number of permanent employees with disabilities.

As on March 31, 2017, there were 2 differently abled employees.

5. Do you have an employee association that is recognized by management?

Yes.

6. What percentage of your permanent employees are members of this recognized employee association?

79% of the permanent employees are members of the recognized employee association.

7. Please indicate the number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

S. No.	Category	No. of complaints filed during the financial year 2016-17	No. of complaints pending as on March 31, 2017
1	Child labour/forced labour/involuntary labour	Nil	
2	Sexual harassment		
3	Discriminatory employment		

8. What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year?

- Permanent Employees 53.64%
- Permanent Women Employees 40.74%
- Casual/Temporary/Contractual Employees 55.56%
- Employees with Disabilities NIL

Principle 4

1. **Has the company mapped its internal and external stakeholders?**
Yes.

2. **Out of the above, has the Company identified the disadvantaged, vulnerable & marginalised stakeholders?**

All SC/ST/OBC/PWD employees are identified as disadvantaged, vulnerable & marginalised stakeholders.

3. **Are there any special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalised stakeholders?**

All Government of India directives are followed for engagement at various levels of career progression for all such employees. Further, IFCI has also been conducting special training programmes for such candidates at the time of direct recruitment and promotions. Besides, special care is being taken to ensure due representation of such employees while deciding upon nominations for various training programmes. The interest of reserved category employees are also given due care and in this respect IFCI management has been engaging with SC/ST employees association on continuous basis, through quarterly structured meetings.

Under Corporate Social Responsibility (CSR) initiatives, the Company laid emphasis on providing job-oriented skill development training to youth and livelihood enhancement projects, women empowerment, setting up old age homes and hostels for women, health care, sanitation and providing safe drinking water, rural development projects etc.

Further, IFCI is also the nodal agency for Credit Enhancement Guarantee Scheme for SCs and has been entrusted with the responsibility of implementation of the scheme, aimed at promoting entrepreneurship among Scheduled Caste beneficiaries.

Principle 5

1. **Does the policy of the Company on human rights cover only the Company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?**

IFCI does not have any specific policy on human rights. However, IFCI being a Government Company, it has the responsibility to follow all the directions/ guidelines provided by Government of India in this regard.

2. **How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?**

The Company had received a total of 5,087 complaints from the stakeholders of the Company during the FY 2016-17. Out of which 5,079 complaints (99.84%) were resolved by March 31, 2017.

Principle 6

1. **Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others?**

Yes, the policy is embedded in Company's various policies and practices under CSR and covers the Company as a whole.

2. **Does the company have strategies/initiatives to address global environmental issues such as climate change, global warming, etc.? Y/N. If yes, please give hyperlink for webpage etc.**

IFCI has promoted Renewable Energy by way of financing such projects across the Country with a view to address global environmental issues such as climate change, global warming etc. The Company extends financial assistance to Renewable projects including Solar, Wind, Hydro etc.

3. **Does the company identify and assess potential environmental risks?**

The above question is not applicable to the Company as it is not a manufacturing company. However, IFCI makes an effort to identify and assess potential environmental and social risks in the infrastructure projects which are financed by IFCI.

4. **Does the company have any project related to Clean Development Mechanism? If so, provide details thereof?**

No.

5. **Has the company undertaken any other initiatives on - clean technology, energy efficiency, renewable energy, etc. Y/N? If yes, please give hyperlink for web page etc.**

IFCI has recently conducted Energy Audit. The Report on the same is awaited. IFCI has also made Appointment of Consultant for adoption of solar mode of energy. Further, some energy saving efforts in the form of CFL lights etc., have been made.

6. **Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?**

The above question has limited relevance to the Company as it is not a manufacturing Company. However, the Company complies with applicable environmental regulations in respect of its premises and operations.

7. **Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on March 31, 2017.**

NIL.

Principle 7

1. **Is your Company a member of any trade and chamber or association? If yes, name only those major ones that your business deals with.**

At present, IFCI is having membership of the following Business Chambers / Trade Association:

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF IFCI LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of IFCI Limited ("the Company"), which comprises the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, its loss and its cash flow for the year ended on that date.

Emphasis of Matter

We draw attention to note no 27 of the standalone financial statements related to litigation with the borrower. Pending adjudication of the matter by the Honourable Supreme Court, in the opinion of the management, no provision or adjustment is required in the books of accounts. Our report is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required under Section 143(5) of the Companies Act, 2013, we enclose herewith, as per Annexure II, our report for the Company on the directions and sub-directions (Part A and Part B, respectively) issued by the Comptroller & Auditor General of India.
3. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet and the Statement of Profit and Loss dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

Annexure III referred to in paragraph 3 of Report on Other Legal and Regulatory Requirements of our report of even date on standalone financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of IFCI Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

A. SIGNIFICANT ACCOUNTING POLICIES

1 Basis of Preparation of Financial Statements

The accompanying financial statements have been prepared as per formats prescribed under Schedule-III of the Companies Act, 2013, on accrual basis under historical cost convention, and conform in all material aspects to the Generally Accepted Accounting Principles in India which encompasses applicable accounting standards relevant provisions of the Companies Act, 2013, the applicable guidelines issued by the Reserve Bank of India (RBI) for Non-Banking Financial Companies, other statutory provisions and regulatory framework.

2 Use of Estimates

The preparation of financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

3 Revenue Recognition

- Interest and other dues are recognized on accrual basis except in the case of income on Non-Performing Assets (NPA) which is recognized, as and when received, as per the prudential norms prescribed by the RBI for Non-Banking Financial Companies.
- Amount received against loans and advances to borrowers are appropriated towards other debits, interest overdue across the due dates and principal overdue across the due dates in that order.
- Front-end fees, Premium on pre-payment of loans/ reduction in interest rates and LC Commission are accounted for on cash basis.
- Dividends declared by the respective Companies till the close of the accounting period are accounted for as income.
- Rental on leased assets is accounted for from the commencement date, as prescribed in the lease agreement entered with the lessees.
- The front-end fees/ underwriting commission/ commitment fee received in respect of devolvement of underwriting and direct subscription is reduced from the cost of related investments.
- Interim returns by promoter/ promoter group companies at a pre-agreed rate of return, as per buy-back agreements, on certain equity investments are taken to income on receipt basis.
- Surplus/ gains on sale of investments is net of losses thereon.
- The dividend unclaimed on account of shares sold and outstanding in the books are recognized as income after the end of three years.i.e. the limitation period.

4 Investments

- Investments are classified under two categories i.e. current and long term and are valued in accordance with the RBI Guidelines as applicable to Non-Banking Financial Companies (NBFCs).
 - 'Long term Investments' are carried at acquisition cost. The RBI Guidelines prescribe Accounting Standard 13 on 'Accounting for Investments' for valuation of long-term investments. Accordingly, provision is made for diminution other than temporary on an individual basis. However, long term investment in equity shares with firm buy-back commitment are assessed for diminution other than temporary only when there is a default in buy-back commitment by the promoter/ promoter group and provision is made accordingly on individual basis.
 - 'Current Investments' are carried at the lower of cost or fair value on an individual basis. However, appreciation if any, within the category, is available for set off.
- Security Receipts issued by an Asset Reconstruction Company (ARC)/ Securitization Company (SC) are valued in accordance with RBI guidelines. Accordingly, the net asset value (NAV is considered net of management fee & other expenses) obtained from the ARC is reckoned for valuation of such investments. Appreciation in the value, if any, is ignored and depreciation is provided for.
- Bonds in the nature of current investment are valued in accordance with the calculators provided on the FIMMDA platform for the purpose.

5 Derivatives

- Equity Index/Stock Futures and Currency Futures are marked to market on daily basis. Debit or Credit Balances disclosed under Current Assets or Current liabilities respectively represent the net amount paid or received on the basis of movement of prices in the Index/ Stock Futures and Currency Futures till the Balance Sheet date. Equity Index/ Stock Options are recognized in the books to the extent of premium paid.
- As at the Balance Sheet date, the profit or loss on open positions are accounted for as follows:
The unrealized profit determined Scrip wise/ Index wise, being anticipated profit, is ignored and no credit is taken in the statement of profit and loss.
The unrealized loss determined Scrip wise/Index wise, being anticipated loss, is recognized in the statement of profit and loss.
Equity Index/Stock Options are carried at cost where they are used as an instrument for hedging.
- On final settlement or squaring-up of contracts for Equity Index/ Stock Futures, the profit or loss is calculated as difference between settlement/ squaring-up price and contract price. Accordingly, debit or credit balance pertaining to the settled/ squared-up contract is recognized as profit or loss upon expiry/squaring-up of the contracts. When more than one contract in respect of the relevant series of Equity Index/ Stock Futures contract to which the squared-up contract pertains is outstanding at the time of the squaring-up of the contract, the contract price of the contract so squared-up is determined using weighted average method for calculating profit/ loss on squaring up.
- Initial and additional margin paid over and above initial margin, for entering into contracts for Equity Index/ Stock Futures, which are released on final settlement/ squaring-up of underlying contracts, are disclosed under Current Assets.

6 Foreign Exchange Transactions

- The expenses and income in foreign exchange transactions are accounted for at the rates prevailing on the date of transactions/ at the forward rate, if booked, for such transaction.
- Assets and liabilities held in foreign currencies and accrued income and expenditure in foreign currencies are translated into Indian Rupees at the rates advised by Foreign Exchange Dealers Association of India (FEDAI) prevailing towards the close of the accounting period. Gains/ losses, if any, on valuation of various assets and liabilities are taken to Statement of Profit & Loss.

7 Tangible Fixed Assets and Depreciation

- Fixed Assets are carried at cost (including capitalized interest) less accumulated depreciation and impairment loss, if any. Residual value in respect of Buildings and Vehicles is considered as 5% of the cost and in case of other assets ₹ 'Nil'.
- Depreciation is provided on the Straight Line Method (SLM) over the useful life of the assets as prescribed under Schedule II to the Companies Act, 2013.
- Depreciation on revalued amount of Leasehold Land & Buildings is provided on SLM basis over the remaining useful life of asset. An amount equivalent to the 'depreciation on revalued amount' provided during the period is withdrawn from the revaluation reserve and credited to the General reserve.
- Leasehold land is amortized over the lease period on SLM basis.
- Depreciation is calculated on pro-rata basis, including the month of addition and excluding the month of sale/disposal.
- Assets having individual value of less than ₹ 5,000/- are charged to statement of Profit and Loss in the year of purchase.

8 Intangible assets and amortization

- Intangible assets are recognized at cost of acquisition. Cost of acquisition includes all expenditure that can be directly attributed or allocated on a reasonable and consistent basis, to create, produce or making the asset ready for its intended use.
- Intangible assets include computer software having perpetual license and are amortized on Straight Line Method over the period of six years from the date of capitalization.

9 Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value and impairment loss is charged to the P&L statement in the year in which an asset is identified as impaired. The impairment loss recognised in earlier accounting period is reversed if there has been a change in the estimates of recoverable amount.

10 Provisions/ Write off against Loans and Other Credit Facilities

- All credit exposures are classified into performing and non-performing assets (NPAs) as per the RBI Guidelines as applicable to Non-Banking Financial Companies. Further, NPAs are classified into sub-standard, doubtful and loss assets based on the criteria stipulated by RBI. Provisions are made on standard, sub-standard and doubtful assets at rates prescribed by RBI. Loss assets and unsecured portion of doubtful assets are fully provided/ written off as per the extant RBI guidelines. Additional provisions are made against specific non-performing assets over and above what is stated above, if in the opinion of the management, increased provisions are necessary.
- For restructured/ rescheduled assets, provision is made in accordance with the amended guidelines issued by RBI.
- Recovery against debts written off/ provided for is credited to revenue. Income is recognized where amounts are either recovered and/ or adjusted against securities/ properties or advances there-against or are considered recoverable in terms of RBI Guidelines.
- Provision in respect of purchase and sale of NPAs is accounted as per guidelines prescribed by RBI.

11 Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

12 Leases

Lease arrangements where the risks and rewards incidental to the ownership of an asset vest substantially with the lessor are recognized as operating leases. Lease rent under operating leases are recognized in the Profit & Loss Statement with reference to the lease terms.

13 Miscellaneous Expenditure

Expenses on issue of Shares and Debentures/ Bonds are charged to Securities Premium Reserve in accordance with Section 52 of Companies Act, 2013.

14 Employee Benefits

- Monthly contributions to the Provident Fund being in the nature of defined contribution is charged against revenue. The Provident Fund is administered through duly constituted and approved administrators.
- Prior to 01/04/2008, the employees were governed by the provisions of the pension scheme in operation at the time of their retirement and are accordingly entitled to DA relief and family pension as and when due. The contribution made on account of same is charged to revenue as and when due. The Company switched to defined contribution scheme for employees existing on 01/04/2008 and opting for the same. The administration of Pension Fund in respect of the employees has been entrusted by Trustees to Life Insurance Corporation of India (LIC) by entering into a Group Superannuation Cash Accumulation Scheme.
- The Company has a defined benefit employee scheme in the form of Gratuity. The Trustees of the scheme have entrusted the administration of related fund to LIC. Expense for the year is determined on the basis of actuarial valuation of the Company's year-end obligation in this regard and the value of year end assets of the scheme. Contribution is deposited with LIC based on intimation received by the Company.
- Provision for leave encashment and Leave Fare Concession is being made on actuarial valuation basis.
- The Company has a post-retirement medical benefit scheme for employees and their dependants subject to certain limits for hospitalization and normal medical treatment. There is change in accounting policy during the financial year 2016-17 and accordingly provision is being made on actuarial valuation in line with Accounting Standard 15.

15 Employee Stock Option Plan

The Company had formulated Employee Stock Option Schemes (ESOS) in 2011-12 in accordance with the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999. The Schemes provided for grant of options to employees (including employees deputed in subsidiaries/ associates/ joint ventures) to acquire equity shares of the Company that vest in a graded manner and that are to be exercised within a specified period. In accordance with the SEBI Guidelines, the excess, if any, of the closing market price on the day prior to the grant of the options under ESOS over the exercise price was amortized on a straight-line basis over the vesting period.

16 Income Taxation

Tax Expense comprises of current & deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act. Deferred Tax is recognized, subject to consideration of prudence, on timing differences, being difference between taxable income and accounting income/ expenditure that originate in one period and are capable of reversal in one or more subsequent year(s). Deferred taxes are reviewed for their carrying values at each balance sheet date.

17 Provisions and Contingencies

Provisions are recognized when the Company has a legal and constructive obligation as a result of a past event, for which it is probable that cash outflow will be required and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed when the Company has a possible or present obligation where the probability of occurrence of outflow of resources cannot be ascertained to settle the same. Contingent assets are neither recognized nor disclosed.

18 Cash and Cash equivalent

Cash and cash equivalents include balance with banks in current accounts and term deposits, cash & cheques in hand and money lent on collateralised lending & borrowing obligations transactions.

Foot-notes to Note No. 2:

- Capital Reserve represents proceeds of forfeited shares.
- Capital Redemption Reserve represents amount transferred from surplus in statement of profit and loss towards redemption of preference shares without fresh issue of capital, as was required under section 80 of the Companies Act, 1956.
- Debenture Redemption Reserve has been created in terms of Rule 18(7) of the Companies (Share Capital and Debentures) Rules, 2014 for Non Convertible Debentures issued by IFCI Ltd. through public offer.
- Section 36(1)(viii) of the Income Tax Act allows financial institutions to transfer 20% of profit from eligible business i.e. net income from long-term industrial financing, to this Reserve and the same is allowed as a deduction while computing taxable income. The Income Tax Act, by an amendment in Finance Act, 1998, has put a condition on maintaining the Reserve created w.e.f. FY 1997-98. Any withdrawal would attract tax liability. Upto FY 1996-97, utilisation of the said Reserve created in the earlier year did not attract tax liability and accordingly Deferred Tax Liability (DTL) has been created on the reserve transferred after FY 1997-98.
- Pursuant to increase in shareholding of Government of India more than 50% of the paid-up Share Capital, the Company has become Government Company u/s 2(45) of the Companies Act, 2013 and therefore in view of the exemption available to Government Companies, no transfer has been made to the statutory reserve created u/s 451C of RBI Act, 1934.

26. Company has made the provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts as on March 31, 2017.

27. IFCI had sanctioned a Corporate loan of ₹ 150 crore to Blue Coast Hotels Ltd. in year 2010, which was secured by way of charge on the movable fixed assets and immovable property. IFCI had also taken an equity exposure to the extent of ₹ 85 crore in Silver Resorts Hotel (I) Pvt. Ltd, a group company of Blue Coast Hotels Ltd. Blue Coast Hotel Ltd. had entered into Buy Back Agreement for buying back the equity shares and to secure the performance of the Buy-Back, a charge by way of mortgage was created on the aforesaid property. Consequent to the default committed by the Company, both in repayment of the loan as well as honoring the buy-back obligation, IFCI initiated legal proceedings against the company, by issuing a 13(2) notice under the SRFA&ESI Act, 2002 on the company on 26th March, 2013. Pursuant to the aforesaid notice, IFCI undertook recovery action by selling mortgaged assets through a public auction to ITC Ltd. at a price of ₹ 515.44 crore for recovery of IFCI dues and other secured creditors in the matter. Entire transaction was concluded in FY 2014-15. Blue Coast Hotels Ltd. had challenged the said sale and filed Writ Petitions before the Hon'ble HC of Bombay. The High Court in its final Order dated 23rd March, 2016, set aside the sale conducted by IFCI and disposed of the Writ Petitions in favour of Blue Coast Hotels Ltd. Immediately, on receipt of the above judgement, IFCI had filed a Special Leave Petition challenging the Judgement of the Bombay High Court on 12th April, 2016. The Hon'ble SC was pleased to admit the petition and directed the issuance of notice to Blue Coast Hotels Ltd. The Hon'ble Supreme Court also permitted IFCI to retain the sale proceeds. In view of the above, the share of IFCI in the total sale proceeds amounting to ₹ 311.78 crore is being shown as contingent liability. The next hearing is due on 25th July 2017.

We have audited the accompanying consolidated financial statements of IFCI Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and its associates, comprising of the Consolidated Balance Sheet as at March 31, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the companies and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence by the other auditors in terms of their reports referred to in sub-paragraph (a) the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at March 31, 2017, and their consolidated loss and their consolidated cash flow for the year ended on that date.

Emphasis of Matters

- (a) The holding company holds investment in seven companies to the extent of 20% or more of their respective total share capital and accordingly these companies are the associates of the holding company as per the Companies Act, 2013. For the reasons stated in the note no. 26.1 of the financial statement, these associates have not been consolidated in the preparation of the consolidated financial statements of the Group. Our report is not modified on the matter.
- (b) We draw attention to note no. 35 and 36 of the consolidated financial statements related to litigation with the borrowers of the holding company and subsidiary company, respectively. Pending adjudication of the matter by the Honourable Supreme Court, in the opinion of the management, no provision or adjustment is required in the books of accounts of the holding and subsidiary company. Our report is not modified in respect of this matter.

Other Matters

- (a) We did not audit the financial statements of six subsidiaries and six step down subsidiaries, whose financial statements reflect total assets of ₹ 3,963.08 crore as at March 31, 2017, total revenues of ₹ 875.92 crore and total profit after tax (net) of ₹ 165.22 crore for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of ₹ 0.21 crore for the year ended March 31, 2017 in respect of two associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, step down subsidiaries and associates, and our report in terms of sub-Sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, step down subsidiaries and associates, is based solely on the reports of the other auditors.
- (b) The consolidated financial statements include the Group's share of net accumulated profit of ₹ 16.25 crore for the year ended March 31, 2017 in respect of two associates company, whose financial statements have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this associate, and our report in terms of sub-Sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid associate, is based solely on such unaudited financial statements.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required under Section 143(5) of the Companies Act, 2013, we enclose herewith, as per Annexure I, our report for the Group on the directions and sub-directions (Part A and Part B, respectively) issued by the Comptroller & Auditor General of India.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought, and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of other auditors;
- (c) The Consolidated Balance Sheet and the Consolidated Statement of Profit and Loss, dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors of the Holding Company, taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, step down subsidiaries and associate companies incorporated in India, none of the directors of the Group companies and its associate companies incorporated in India is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure II, which is based on the auditors' reports of the Holding company and subsidiary companies; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associates-Refer note no. 27.1 to the consolidated financial statements;
- (ii) Provision has been made in the consolidated financial statements, as required under the applicable law and accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts-Refer note no. 28 to the consolidated financial statements;
- (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund.
- (iv) The Group and its associates has provided requisite disclosures in its financial statements as to holdings as well as dealings in Specified Bank Notes during the period from November 08, 2016 to December 30, 2016-Refer Note 34 to the financial statements. Based on audit procedures and the reports of the statutory auditors of its subsidiary companies, step down subsidiaries and associate companies incorporated in India, and relying on the management representation, we report that the disclosures are in accordance with books of account maintained by the Group and its associates and as produced to us by the Management.

Annexure II referred to in paragraph 2 of Report on Other Legal and Regulatory Requirements of our report of even date on consolidated financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of IFCI Limited (hereinafter referred to as “the Holding Company”) and its subsidiary companies and its associate companies which are companies incorporated in India, as of that date (the Holding Company together with its subsidiaries and associates referred to as “the Group”) as of March 31, 2017 in conjunction with our audit of the financial statements of the Group for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies and its associate companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company and its subsidiaries considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its subsidiaries, have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to six subsidiary companies, six step-down subsidiary companies and two associate companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

ACCOUNTING POLICIES AND NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

A. SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of Preparation of Consolidated Financial Statements

These consolidated financial statements have been prepared to comply with the generally accepted accounting principles in India (Indian GAAP), including the accounting standards notified under the relevant provisions of Companies Act, 2013. The applicable guidelines issued by the Reserve Bank of India (RBI) for Non-Banking Financial Companies, other statutory provisions and regulatory framework.

1.2 Principles of consolidation

The consolidated financial statements relate to IFCI Ltd ('the Company') and its subsidiary companies ("the Group") and associates. The consolidated financial statements have been prepared on the following basis:

- The financial statements of the Company and its subsidiary companies are combined on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra group balances and intra-group transactions in accordance with accounting standards (AS)-21 "Consolidated Financial Statements".
- The difference between the cost of investments in the subsidiaries over the net assets at the time of acquisition of shares in the subsidiaries is recognized in the financial statements as goodwill or capital reserve, as the case may be.
- Minority Interest's share of net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the company.
- Investment in associate companies has been accounted under the equity method as per accounting standard (AS) 23-Accounting for Investments in associates in consolidated financial statements".
- The company accounts for its share of post-acquisition changes in net assets of associates, after eliminating the unrealized profit and losses resulting from transactions between the company and its associates to the extent of its share, through its consolidated statement of profit and loss, to the extent such change is attributable to the associates profit and loss statements and through its reserve for the balance based on available information.
- The difference between cost of investment in the associates and share of net assets at the time of acquisition of share in the associates is identified in financial statements as goodwill or capital reserve as the case may be.
- The consolidated financial statements are prepared using uniform accounting policy for like transactions and other events in similar circumstances and are prepared in the same manner as the company's separate financial statements, except otherwise expressly stated in the notes to accounts.

2. Use of Estimates

The preparation of consolidated financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

3. Revenue Recognition

- Interest and other dues and income from factoring services are recognized on accrual basis except in the case of income on Non-Performing Assets (NPA) and commission income on IPO and FPO where income is accounted on realisation basis as per the prudential norms prescribed by the RBI.
- Amount received against loans and advances to borrowers are appropriated towards other debits, interest overdue across the due dates and principal overdue across the due dates in that order.
- Processing fee received in respect of loans is accounted for in the year in which the loan is disbursed.
- Front-end fees, Premium on pre-payment of loans/ reduction in interest rates, LC Commission and Insurance Commission from Agency business are accounted for on cash basis.
- Income from Merchant Banking/ Loan Syndication Fees, Depository Services, once the right to receive is established.
- Rental on leased assets is accounted for from the commencement date, as prescribed in the lease agreement entered with the lessees.
- Interest earned on fixed income bearing securities is accounted on a time proportion basis taking into account the amount outstanding and the rate applicable.
- Dividends are accounted for as income, once the right to receive is established.
- The front-end fees/ underwriting commission/ commitment fee received in respect of devolvement of underwriting and direct subscription is reduced from the cost of related investments.
- Interim returns by promoter/ promoter group companies at a pre-agreed rate of return, as per buy-back agreements, on certain equity investments are taken to income on receipt basis.
- Surplus/ gains on sale of investments is net of losses thereon.
- Broking Income is recognised on the trade date of the transaction upon confirmation of the transactions by the Exchanges.
- Custodial fees are accrued monthly on the basis of daily/weekly average holdings in custody or the net asset value of holdings/assets under management in the electronic segment.
- Service charges received are recognised as income on completion of post trading operations. A post trading operation is treated as complete on settlement under the electronic segment and on lodgement/ delivery of securities under the paper segment.
- Annual maintenance charges received from beneficiary account holders/clearing members for depository services are amortised on time proportion basis over the period of contract.
- Charges collected on cheques dishonoured/ bounced are recognised on actual basis.
Income from digitisation and software services is recognised on percentage completion method. Income from software products is recognised on either delivery or installation of product.
- Commission from selling of Mutual Funds, Fee income from Portfolio Management and advisory services and fees for project advisory and execution services is accounted for on accrual basis.

- (r) Revenue from real estate development of constructed properties is recognised based on the “percentage of completion method”. Sale consideration as per the legally enforceable Agreements to Sell entered into is recognised as revenue based on the percentage of actual project costs incurred to total estimated project cost, subject to following:
- Actual cost incurred is not less than 25 percent of the total estimated project cost.
 - No significant uncertainty exists regarding receipt of consideration from the customers.
 - In case of overdue, on actual realisation basis.
 - All significant risks and rewards are transferred to the customer.
- (s) Project cost includes cost of land, estimated cost of construction and development of such properties. The estimates of the saleable area and costs are reviewed periodically and effect of any changes in such estimates recognised in the period such changes are determined.
- Revenue from external project services is recognized based on the Cost plus method. A fixed markup percentage is added to the cost incurred towards construction and the total is recognized as revenue. The stage of completion is determined on the basis of work completion certificate obtained from the engineer/ architect.
 - Revenue from sale of property held as stock-in-trade is recognized upon transfer of possession or execution of sale deed, whichever is earlier.
- (t) Revenue from hospitality services is recognised on accrual basis.
- Selling price is determined on the basis of published rack rate less discount offered to customers.
 - Income in foreign exchange: The bills for services rendered are raised in Indian Rupees. The payment received in foreign currency against these bills, is credited and accounted for at the rate/ rates prevalent on the date of receipt of payment. The gains/ losses arising out of the fluctuation in the exchange rates are accounted for on realization.
- (u) Income & Expenses on Project Consultancy, Entrepreneurship Development Trainings etc. under the Grants-In Aid (G.I.A)/ similar other programmes awarded by the Central/ State Govt. Department/ Other Agencies are accounted for as per approved accounting policy of the company in accordance with AS-9 “Revenue Recognition” of ICAI.
- (v) Units generated from windmills are sold to the Tamil Nadu Electricity Board (TNEB) at agreed rates and the income is included in the value of power generated from windmills.
- (w) The dividend unclaimed on account of shares sold and outstanding in the books are recognized as income after the end of three years. i.e. the limitation period.
- 4. Stock-in-Trade**
- Inventory comprises of lands (with or without removable structure) incl. existing/ added boundary walls, Land and Building/ Residential Complex, Built-up floor space acquired/ purchased for development and/or sale, other removable/ disposable assets existing thereon. These are valued at lower of Cost or net realizable value. Costs are determined by adding all considerations/ costs which are attributable to purchase/ acquisition, and other expenses incurred specifically thereto.
 - Inventory of hospitality business comprises of closing balance of consumables purchased. FIFO method is followed for ascertaining the cost price considered for valuation. Closing inventories are valued at cost or replacement value, whichever is less, after providing for obsolescence and damage.
 - Securities held for trade and those devolved on SHCIL in the process of settlement are held as stock-in trade and are valued at lower of cost or net realisable value.
 - Securities on Deposit receipts received as collateral or directly deposited by clients with stock exchanges are not recorded in the accompanying financial statements.
- 5. Investments**
- Investments are classified under two categories i.e. current and long term and are valued in accordance with the RBI Guidelines applicable to Non-Banking Financial Companies (NBFCs) and as per Accounting Standard (AS)-13 ‘Accounting for Investments’ for non NBFC.
 - ‘Long term Investments’ are carried at acquisition cost. The RBI Guidelines prescribe Accounting Standard 13 on ‘Accounting for Investments’ for valuation of long-term investments. Accordingly, provision is made for diminution other than temporary on an individual basis. However, long term investment in equity shares with firm buy-back commitment are assessed for diminution other than temporary only when there is a default in buy-back commitment by the promoter/ promoter group and provision is made accordingly on individual basis.
 - ‘Current Investments’ are carried at the lower of cost or fair value on an individual basis. However, appreciation if any, within the category, is available for set off.
 - On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.
 - Security Receipts issued by an Asset Reconstruction Company (ARC)/ Securitization Company (SC) are valued in accordance with RBI guidelines. Accordingly, the net asset value (NAV is considered net of management fee & other expenses) obtained from the ARC is reckoned for valuation of such investments. Appreciation in the value, if any, is ignored and depreciation is provided for.
 - Bonds in the nature of current investment are valued in accordance with the calculators provided on the FIMMDA platform for the purpose.
- 6. Derivatives**
- Equity Index/ Stock Futures /Commodity/ Currency Futures are marked to market on daily basis. Debit or Credit Balances disclosed under Current Assets or Current liabilities respectively represent the net amount paid or received on the basis of movement of prices in the Index/ Stock Futures and Currency Futures till the Balance Sheet date. Equity Index/ Stock Options are recognized in the books to the extent of premium paid.

- (b) As at the Balance Sheet date, the profit or loss on open positions are accounted for as follows:
- The unrealized profit determined Scrip wise/ Index wise, being anticipated profit, is ignored and no credit is taken in the statement of profit and loss.
 - The unrealized loss determined Scrip wise/ Index wise, being anticipated loss, is recognized in the statement of profit and loss.
 - Equity Index/ Stock Options are carried at cost where they are used as an instrument for hedging.
- (c) On final settlement or squaring-up of contracts for Equity Index/ Stock Futures/ Commodity/ Currency Futures, the profit or loss is calculated as difference between settlement/ squaring-up price and contract price. Accordingly, debit or credit balance pertaining to the settled/ squared-up contract is recognized as profit or loss upon expiry/ squaring-up of the contracts. When more than one contract in respect of the relevant series of Equity Index/ Stock Futures/ Commodity/ Currency Futures contract to which the squared-up contract pertains is outstanding at the time of the squaring-up of the contract, the contract price of the contract so squared-up is determined using weighted average method for calculating profit/ loss on squaring up.
- (d) Initial and additional margin paid over and above initial margin, for entering into contracts for Equity Index/ Stock Futures, which are released on final settlement/ squaring-up of underlying contracts, are disclosed under Current Assets.

7. Foreign Exchange Transactions

- (a) The expenses and income in foreign exchange transactions are accounted for at the rates prevailing on the date of transactions/ at the forward rate, if booked, for such transaction. Gains/ losses arising out of fluctuation in exchange rates on settlement other than those relating to fixed assets are recognised in the Statement of Profit & Loss.
- (b) Assets and liabilities held in foreign currencies and accrued income and expenditure in foreign currencies are translated into Indian Rupees at the rates advised by Foreign Exchange Dealers Association of India (FEDAI) prevailing towards the close of the accounting period. Gains/ losses, if any, on valuation of various assets and liabilities are taken to Statement of Profit & Loss. Premium/ discount on hedging transactions is spread over the period to which it relates.
- (c) Foreign currency balances pertaining to Hospitality Business have been converted at the closing TT buying rate at the year end.

8. Tangible Fixed Assets and Depreciation

- (a) Fixed Assets are carried at cost (including capitalized interest) less accumulated depreciation and impairment loss, if any. Residual value in respect of Buildings and Vehicles is considered as 5% of the cost and in case of other assets ₹ 'Nil'.
- (b) Cost includes purchase price and all other directly attributable costs of bringing the assets to the working condition for intended use. Costs of self-constructed fixed assets (including work-in-progress) comprise those costs that relate directly to the specific asset and those, which are attributable to the construction activity in general and can be allocated to the specific asset. Subsequent expenditure related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. Losses arising from retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost are recognized in the statement of profit and loss.
- (c) Depreciation is provided on the Straight Line Method (SLM) over the useful life of the assets as prescribed under Schedule II to the Companies Act, 2013.

Considering the nature of business and operations of the company, SHCIL and step down subsidiary of SHCIL considered shorter life for certain assets as detailed below:

Nature of Asset	Useful life adopted	Useful life as per Companies Act
Computer Servers and Networks	4 years	6 Years
Mobiles	2 Years	5 Years
Vehicles	3 Years	8 Years
Building	58 Years	60 Years

- (d) Depreciation on revalued amount of Leasehold Land & Buildings is provided on SLM basis over the remaining useful life of asset. An amount equivalent to the 'depreciation on revalued amount' provided during the period is withdrawn from the revaluation reserve and credited to the General reserve.
- (e) Leasehold Improvements are amortized over the remaining lease period. Except in case of one step down subsidiary of SHCIL where it is amortized over three years.
- (f) Depreciation is calculated on a pro-rata basis, including the month of addition and excluding the month of sale/ disposal. Assets having individual value of less than ₹5,000/- are charged to statement of Profit and Loss in the year of purchase.

9. Intangible assets and amortization

- (a) Intangible assets are recorded at the consideration paid for acquisition. Consideration includes all expenditure that can be directly attributed or allocated on a reasonable and consistent basis, to create, produce or making the asset ready for its intended use.
- (b) Intangible assets include computer software having perpetual license and are amortized on Straight Line Method over the period of six year from the date of capitalization except in case of IFIN the computer software is identified as Intangible asset and has been amortized at the rate of 40% following WDV method.
- (c) Intangible assets consisting of Computer software with indefinite period utility / user rights and having a useful life lasting with that of the equipment have been capitalized with the cost of computer. Software carrying an identifiable utility of at least five years is amortized on a straight line basis over a period of five years from the date put into use. Software with limited edition /period utility i.e. requiring annual revision is charged to Profit and Loss Account in the year of purchase.
- (d) The consideration paid as non-compete fees is identified as an Intangible Asset and has been amortized as per terms of the agreement on straight line basis.

10. Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value and impairment loss is charged to the P&L statement in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been a change in the estimates of recoverable amount.

11. Provisions/ Write off against Loans and Other Credit Facilities

- (a) All credit exposures are classified into performing and non-performing assets (NPAs) as per the RBI Guidelines as applicable to Non-Banking Financial Companies. Further, NPAs are classified into sub-standard, doubtful and loss assets based on the criteria stipulated by RBI. Provisions are made on standard, sub-standard and doubtful assets at rates prescribed by RBI. Loss assets and unsecured portion of doubtful assets are provided/ written off as per the extant RBI guidelines. Additional provisions are made against specific non-performing assets over and above what is stated above, if in the opinion of the management, increased provisions are necessary. IFCI factors is making provisions for standard assets @ 0.50%.
- (b) For restructured/ rescheduled assets, provision is made in accordance with the amended guidelines issued by RBI.
- (c) Recovery against debts written off/ provided for is credited to revenue. Income is recognized where amounts are either recovered and/ or adjusted against securities/ properties or advances there-against or are considered recoverable in terms of RBI Guidelines.
- (d) Provision in respect of purchase and sale of NPAs is accounted as per guidelines prescribed by RBI.
Additional provision is made against specific assets over and above what is stated above, if in the opinion of the management, increased provision is necessary.

12. Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

13. Leases

Lease arrangements where the risks and rewards incidental to the ownership of an asset vest substantially with the lessor are recognized as operating leases. Lease rent under operating leases are recognized in the Profit & Loss Statement with reference to the lease terms. In case of SHCIL and IFCI Factors, payments made under operating leases are charged to Statement of Profit & Loss on a straight line basis over the period of lease.

14. Miscellaneous Expenditure

- (a) Expenses on issue of Shares and Debentures/ Bonds are charged to Securities Premium Reserve in accordance with Section 52 of Companies Act, 2013.
- (b) In the case of IFCI Infrastructure Development Ltd, pre-operative/ preliminary expenditure incurred by the company is written off over a period of 5 years.

15. Employee Benefits

- (a) Monthly contributions to the Provident Fund being in the nature of defined contribution is charged against revenue. The Provident Fund is administered through duly constituted and approved administrators.
- (b) Prior to 01/04/2008, the employees were governed by the provisions of the pension scheme in operation at the time of their retirement and are accordingly entitled to DA relief and family pension as and when due. The contribution made on account of same is charged to revenue as and when due. The Company switched to defined contribution scheme for employees existing on 01/04/2008 and opting for the same. The administration of Pension Fund in respect of the employees has been entrusted by Trustees to Life Insurance Corporation of India (LIC) by entering into a Group Superannuation Cash Accumulation Scheme.
- (c) IFCI, IVCF and IFIN group have a defined benefit employees scheme in the form of Gratuity. The Trustees of the scheme have entrusted the administration of related fund to LIC. Expense for the year is determined on the basis of actuarial valuation of the Company's year-end obligation in this regard and the value of year end assets of the scheme. Contribution is deposited with LIC based on intimation received by the Company.

In case of IFIN Group, the liability towards Gratuity is determined using the Projected Unit Credit Method which recognises each period of service as giving rise to additional unit of Employee benefit entitlement. The gratuity Scheme is operated through Group Gratuity Scheme of LIC. Gratuity liabilities are provided based on Actuarial Valuation certified by LIC. Actuarial gains and losses are charged to Statement of Profit & Loss.

- (d) Provision for leave encashment/ long term compensated absences and Leave Fare Concession is being made on actuarial valuation basis. However, short term compensated absences are provided based on estimates.
In case of IFIN Group employees are entitled to 24 days of earned leave per year and maximum of 15 days leave standing to the credit of the employee at the end of the calendar year will be paid as leave salary calculated on the basic pay along with December/January month salary of immediate next calendar year. The expenses on account thus arising are recognized in the Statement of Profit & Loss.
- (e) IFCI has a post-retirement medical benefit scheme for employees and their dependants subject to certain limits for hospitalization and normal medical treatment. There is change in accounting policy during the financial year 2016-17 and accordingly provision is being made on actuarial valuation in line with Accounting Standard 15.
- (f) In case of IFIN, all short term employee benefits are accounted on undiscounted basis during the accounting period based on services rendered by employees.

16. Employee Stock Option Plan

IFCI and IFCI Factors Ltd have formulated Employee Stock Option Schemes (ESOS) in accordance with the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999. The Schemes provide for grant of options to employees (including employees deputed in subsidiaries/ associates/ joint ventures) to acquire equity shares of the Company that vest in a graded manner and that are to be exercised within a specified period. In accordance with the SEBI Guidelines, the excess, if any, of the closing market price on the day prior to the grant of the options under ESOS over the exercise price is amortised on a straight-line basis over the vesting period.

17. Taxation

Tax Expense comprises of current & deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act. Deferred Tax is recognized, subject to consideration of prudence, on timing differences, being difference between taxable income and accounting income/ expenditure that originate in one period and are capable of reversal in one or more subsequent year(s). Deferred taxes are reviewed for their carrying values at each balance sheet date.

18. Provisions and Contingencies

Provisions are recognized when the Company has a legal and constructive obligation as a result of a past event, for which it is probable that cash outflow will be required and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed when the Company has a possible or present obligation where it is not probable that an outflow of resources will be required to settle it. Contingent assets are neither recognized nor disclosed.

19. Cash and Cash equivalent

Cash and cash equivalents include balance with banks in current accounts and term deposits, cash & cheques in hand and money lent on collateralised lending & borrowing obligations transactions.

₹ represents ₹ 1.61 crore in respect of HARDICON Ltd upon reduction in shareholding below 20% and ₹ 29.84 crore in respect of Tourism Finance Corporation of India Ltd upon partial disposal of investment. (In FY ₹ 0.08 crore in respect of RAJCON Ltd upon reduction in shareholding below 20%.)

Foot-notes to Note No. 2:

- Capital Reserve represents proceeds of forfeited shares.
- Capital Redemption Reserve represents amount transferred from surplus in statement of profit and loss towards redemption of preference shares without fresh issue of capital, as was required under Section 80 of the Companies Act, 1956.
- Debenture Redemption Reserve has been created in terms of Rule 18(7) of the Companies (Share Capital and Debentures) Rules, 2014 for Non Convertible Debentures issued by IFCI Ltd through public offer.
- Section 36(1)(viii) of the Income Tax Act allows financial institutions to transfer 20% of profit from eligible business i.e. net income from long-term industrial financing, to this Reserve and the same is allowed as a deduction while computing taxable income. The Income Tax Act, by an amendment in Finance Act, 1998, has put a condition on maintaining the Reserve created w.e.f. FY 1997-98. Any withdrawal would attract tax liability. Upto FY 1996-97, utilisation of the said Reserve created in the earlier year did not attract tax liability and accordingly Deferred Tax Liability (DTL) has been created on the reserve transferred after FY 1997-98.
- Pursuant to increase in shareholding of Govt. of India more than 50% of the paid-up Share Capital, the Company has become Government Company u/s 2(45) of the Companies Act, 2013 and therefore in view of the exemption available to Government Companies, no transfer has been made to the statutory reserve created u/s 451C of RBI Act, 1934.

35. IFCI had sanctioned a Corporate loan of ₹ 150 crore to Blue Coast Hotels Ltd in year 2010, which was secured by way of charge on the movable fixed assets and immovable property. IFCI had also taken an equity exposure to the extent of ₹ 85 crore in Silver Resorts Hotel (I) Pvt. Ltd, a group company of Blue Coast Hotels Ltd Blue Coast Hotel Ltd had entered into Buy Back Agreement for buying back the equity shares and to secure the performance of the Buy-Back, a charge by way of mortgage was created on the aforesaid property. Consequent to the default committed by the Company, both in repayment of the loan as well as honoring the buy-back obligation, IFCI initiated legal proceedings against the company, by issuing a 13(2) notice under the SRF&ESI Act, 2002 on the company on 26th March, 2013. Pursuant to the aforesaid notice, IFCI undertook recovery action by selling mortgaged assets through a public auction to ITC Ltd at a price of ₹ 515.44 crore for recovery of IFCI dues and other secured creditors in the matter. Entire transaction was concluded in FY 2014-15. Blue Coast Hotels Ltd had challenged the said sale and filed Writ Petitions before the Hon'ble HC of Bombay. The High Court in its final Order dated 23rd March, 2016, set aside the sale conducted by IFCI and disposed of the Writ Petitions in favour of Blue Coast Hotels Ltd Immediately, on receipt of the above judgement, IFCI had filed a Special Leave Petition challenging the Judgement of the Bombay High Court on 12th April, 2016. The Hon'ble SC was pleased to admit the petition and directed the issuance of notice to Blue Coast Hotels Ltd The Hon'ble Supreme Court also permitted IFCI to retain the sale proceeds. In view of the above, the share of IFCI in the total sale proceeds amounting to ₹ 311.78 crore is being shown as contingent liability. The next hearing is due on 25th July 2017.

36. SHCIL had during the year 2000-01 undertaken a transaction of ₹ 24.45 crore with a client through the Calcutta Stock Exchange (CSE) under the 'Cash on Payout' scheme for the sale of 7,20,000 equity shares of DSQ Industries Limited. The said transaction was confirmed by CSE based on which post-dated cheques were issued. The cheques were stopped for payment before their due date by the Company as the underlying trade transaction was contended to be non-bonafide and disallowed by CSE. A Bank, which had granted financial assistance against the said cheques, issued a notice of demand against the Company under Section 138 of the Negotiable Instrument Act, 1881. The Bank also filed an application in the Debt Recovery Tribunal (DRT) for recovery of the amount alongwith compound interest from the Company and the client. The Company disputed the claim of the Bank. The Bank's application to the DRT was dismissed and only the client was held liable. The Bank and the client had filed an appeal in the Debt Recovery Appellate Tribunal (DRAT) against the order of DRT. The appeals were allowed vide the DRAT order dated September 23, 2011, which stated that the amount would carry compound interest from 1st August 2001 @ 19% p.a. with quarterly rests till realisation and the Bank was entitled to realize the sum from both the client and the Company. The Company filed a Revision Application in High Court, Calcutta on November 30, 2011 which was admitted but no interim relief was granted. Hence, the Company filed a Special Leave Petition (SLP) in the Supreme Court for stay of the High Court Order for not granting interim relief of staying the DRAT order, the Order of the DRAT and the recovery certificate and notice of demand issued by Presiding Officer and recovery officer of DRT respectively. The Supreme Court vide its order dated April 23, 2012 granted stay on the recovery proceedings and requested the Calcutta High Court to dispose off the Revision Application within a period of four months and the Company to deposit ₹ 3,000 lakh with the Calcutta High Court Registry within a period of 4 weeks from the date of order by way of a short term deposit in a nationalised bank. Accordingly, the Company had deposited the money with the Calcutta High Court, Registry. The Revision application was dismissed. The Company filed Special Leave Petition (SLP) in the Supreme Court in May 2015. The Supreme Court vide its order dated May 14, 2015 stayed the operation of the execution proceedings and the Company to deposit with the Registrar, Supreme Court of India, a fixed deposit receipt in the name of the Company and endorsed in favour of the Registrar an amount of not less than ₹ 30.00 crore. Accordingly, the Company made the deposit. The amount of ₹ 60.00 crore, deposited by the Company in the High Court (₹ 30.00 crore) and Supreme Court (₹ 30.00 crore) is shown under the heading

“Long Term Loans and Advances” under the sub heading “Security and other deposits” in the Statement of Balance Sheet as on March 31, 2017. The bank was granted liberty to withdraw ₹ 30.00 crore along with interest that had been lying as deposit before the High Court of Kolkata which is subject to final decision in the SLP. Accordingly, an amount of ₹ 38.04 crore was released to the Bank. Further by an order dated October 12, 2015, the Supreme Court directed the bank to withdraw an additional amount of ₹ 15.00 crore along with accrued interest from the money deposited with the Supreme Court. Accordingly, an amount of ₹ 15.45 crore was released to the Bank. The case has been converted from Special Leave petition to a Civil Appeal by the Hon'ble Supreme Court. The amounts released to the Bank is subject to the final decision in the matter. In view of the nature of dispute, the amount of contingent liability has not been ascertained. Pending final adjudication of the matter by the Honourable Supreme Court and also in view of the legal opinion obtained by SHCIL, in the opinion of the SHCIL, no provision is required to be made in the statement of Profit and Loss for financial year 2016-17.
