MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. GLOBAL ECONOMIC OVERVIEW

The global economic recovery continued to be weighed down in FY2016 by weak aggregate demand, falling commodity prices (in particular crude oil), sharper than expected slowdown in the Chinese economy and increasing financial market volatility in some of the major economies. These developments, coupled with sluggishness in many of the emerging and developing markets, which constitute more than 70% of the global economy, offset the slight recovery in the developed economies. World GDP growth slowed to 2.4% in CY2015. Emerging Market and Developing Economies grew at 3.4%, while the US and the Euro Area grew at 2.4% and 1.6%, respectively. Japan grew at 0.6%.

According to the World Bank, Emerging Market and Developing Economies (EMDEs) are facing stronger headwinds, including weaker growth among advanced economies and low commodity prices. Significant divergences persist between commodity exporters struggling to adjust to depressed prices and commodity importers showing continued resilience. In addition, UK’s impending exit from the European Union, as a consequence of the Brexit referendum, has also presented a cause of concern for the global economy. The World Bank revised its world GDP growth forecast for 2016 down to 2.4%, 0.5 percentage points below the January 2016 forecast. The 2017 GDP forecast stands at 2.8%.

Global growth is projected to pick up to 3% by 2018, as stabilizing commodity prices provide support to commodity exporting EMDEs. Downside risks have become more pronounced. These include deteriorating conditions among key commodity exporters, softer-than-expected activity in advanced economies, rising private sector debt in some large emerging markets, and heightened policy and geopolitical uncertainties.

2. INDIAN ECONOMIC OVERVIEW

Amidst a challenging global growth scenario and after a prolonged slowdown, the Indian economy recovered slightly and grew 7.6% in FY2016, compared to 7.2% in FY2015. This was led by strong domestic demand and supported by several policy initiatives of the Government of India, a low current account deficit, low inflation levels and adherence to fiscal prudence. Furthermore, the current account deficit declined and foreign exchange reserves rose to US\$351.5 billion in early February 2016, and are well above standard norms for reserve adequacy. FDI to India has surged 37% since the launch of the ‘Make in India’ campaign in October 2014 to February 2016.

However, the economy is still suffering from sluggishness in rural demand, caused by deficient monsoons for two years. Moreover, despite five interest rate cuts since 2015, credit growth to the corporate sector remains subdued because of stressed asset quality in the banking sector. Weak exports also weigh on growth: February marked the 15th consecutive month of decline. World Bank has forecasted the GDP growth of India at 7.6% for 2016 and 7.7% for 2017.

According to one of India’s leading research and credit rating firms, the medium-term outlook will be shaped by progress on initiatives such as reforms in banking and successful implementation of the Goods and Services Tax (GST). Other key factors crucial to sustaining growth include physical infrastructure issues such as seamless availability of electricity, creation of road network and social aspects such as health and education.

3. INDIAN INFRASTRUCTURE SECTOR

India's 2016-2017 Union Budget provides a significant outlay for the infrastructure sector. This spending is seen as a key element of the government's plans to boost India's growth levels to projections ranging between 7-9%. The allocation of US\$32.41-32.70 billion (Rs 2.19-2.21 lakh crores) and a newly liberalized foreign direct investment (FDI) policy further underscore the government's commitment in this regard.

The infrastructure sector is wide-ranging and includes electricity, roads, airports, railways, water systems, public utilities, and telecommunications, the development of which raises the country's economic productivity. Highways, ports, airports, roads, and rail are all necessary conduits for commerce, making their construction, improvement, and expansion all the more vital. (Source: India briefing dated 26th May, 2016)

The road and rail sector in the infrastructure industry are the key areas for the company. The road sector has remained slow in the last few years, as projects were awarded 7-9 years back to companies on BOT basis. Companies had bid aggressively based on the then economic and operating assumptions. This model did not take off as intended because a slowdown in economic activity led to lower toll collections, delays due to land acquisition and environmental clearances and limited financial capability of the companies to sustain the heavy investment under BOT. In the last couple of years, the government has revisited policy in the sector, leading to a shift to the cash contract and EPC model. The government has also cleared many bottlenecks towards the environmental clearance. More recently, fresh contracts have been awarded by NHAI and state governments under the new policy, resulting in a surge in demand from the infrastructure sector.

Rail infrastructure is also expanding. In addition, the slow moving DFC (Dedicated Freight Corridor) projects have now been accelerated with fresh deadlines for 2019. Twelve additional cities have been announced to be covered by Metro rail networks.

The infrastructure industry, as a whole, may have started to recover but the two segments currently relevant for AIML are showing a visible upturn.

4. INDIA POWER SECTOR

The power sector is a significant customer segment for the Company. Sustained economic growth has continued to drive electricity demand in India over the last few years. The Indian Government's focus on attaining 'Power for all' has accelerated capacity additions in the sector. At the same time, the competitive intensity is increasing at both the market and supply sides (fuel, logistics, finances, and manpower).

Total capacity of renewable energy plants in India stood at 42,850 megawatts (MW) as on 30th April, 2016, surpassing the 42,783 MW capacity of large hydroelectricity projects in the country.

Cumulative solar installations in India crossed the 7.5 gigawatt (GW) mark in May 2016, about 2.2 GW more than all of the solar installations in 2015.

The power sector has remained sluggish in the last few years, due to disturbance in the coal mining sector. Previously allotted coal mines were cancelled across the board and therefore, fuel supply agreements for power plants were not in place; in addition, general economic slowdown has affected the sale of power. Coal mines have been re-allotted and are now starting to be functional. Fuel supply being in place, the government has fixed has an ambitious target of adding 261 gigawatt (GW) fresh capacity by 2022.

5. INDIA STEEL FABRICATION INDUSTRY

Fabrication applies to the building of machines, structures and other equipment, by cutting, shaping and assembling components made from raw materials by using various mechanical processes such as welding, soldering, forging, brazing, forming, pressing, bending and stress removal. The steel fabrication industry has traditionally been fragmented, labour intensive, and low on quality. The demand for high quality and precision steel fabricated structures has resulted in the need for automated and high quality precision manufacturers.

In infrastructure applications such as road/rail/metro bridges and spans, safety during and after erection of heavy structures has come into focus due to certain recent mishaps. This has led to an increasingly greater preference for factory made structures, as opposed to site fabrication, as the former are made in a quality controlled environment.

6. AIML: STRATEGY AND OUTLOOK

AIML is a world class steel fabrication company delivering high levels of quality and performance. It has set up a state of the art, fully automated (including robotic processes) plant for steel fabrications ranging from medium to heavy projects. The Company operates in a wide range of markets from heavy steel structures for infrastructure projects including road and rail and power projects to steel structures for building projects.

The Company has adopted best in class manufacturing standards and is constantly seeking to improve productivity to the highest levels. With opportunities now emerging in many of our targeted markets, the Company is focussed on improving capacity utilisation and fulfill the incremental demand for our products and services.

The Company remains focused on the following growth areas.

- Metro rail
- Power plant projects
- Infrastructure markets

There is renewed optimism in all of these target customer segments - road, rail (including metro and DFCC) and power. The Union Budget 2015-16 announced a number of measures to boost investments, which will provide opportunities for infrastructure and construction companies. Innovative funding structures have also been unveiled to improve availability of funds. While the budget provisions are positive, measures addressing land acquisition and other clearances may further enable an increase in investments in the sector.

AIML has become the most favoured supplier of steel bridges to Delhi Metro (DMRC). Management is confident of replicating similar success in Tier 2 cities such as Chandigarh, Ludhiana, Amritsar, Jaipur, Lucknow, Ahmedabad and Nagpur.

AIML's growth strategy will centre on:

- Enhancing the forward business integration by venturing into assembly and erection, and focussing on site erection teams for structures supplied after fabrication at the plant. In addition, launching bridges as part of total solution to steel super structure requirements
- Targeting growth as an EPC executor for end user infrastructure clients
- Promoting our superior plant technology to the end user clients, with the aim of becoming a preferred supplier to its EPC customers

7. OPPORTUNITIES & STRENGTHS

AIML has positioned itself as a premium supplier for bridges & power sector and has won orders from a number of the major power and infrastructure companies in the recent past.

With the announcement of measures by the Indian Government such as the cancellation and the subsequent e-auctioning of coal blocks in the country, coal will start to be available more easily in the medium to long term. This development presents significant opportunities in the power sector for power generators and subsequently for power equipment manufacturers and ancillaries. AIML is in a position to fulfil the supply gap with its specialized knowledge and technical expertise required for manufacture and supply of heavy structures and equipment related to power plants, roads & railways, bridges, steel plants and the oil and gas sector.

Furthermore, AIML's location is ideally suited for the large infrastructure projects being developed in the northern part of India.

With a renewed thrust on reforms and the announcement of 'Smart Cities', the need for more roads, bridges and metro & rail lines is certain, thereby potentially opening up numerous opportunities for AIML.

8. RISK AND CONCERNS

The Company is currently addressing the following risks and concerns through appropriate risk mitigation measures and strategies:

Strategic Risks: Strategic risks refer to those associated with the long-term strategy and plans of the Company, including risks related to the macro environment in which the Company operates. However, the Company has adopted a focused approach and has employed various means to mitigate the risk. The risk of a rebound in steel prices is one of the key risks that the Company faces at this stage.

Operational Risks: Operational risks refer to risks impacting the operations of the Company. These include risks associated with the supply chain, employee productivity, health and safety of employees and environmental impact, and risks to business reputation. The Company is exposed to various risks which may impact the Company's reputation such as labour relations, product mix, innovations and effective deployment of technology. The Company closely monitors the developments in the supply chain and takes effective steps to mitigate all operational risks.

Financial Risks: Financial risks refer to those related to the ability of the Company to meet its financial obligations and to the impact of factors such as interest rates, foreign currency exchange rates etc. Also included are those associated with the ability to increase funds for working capital, to raise new debt or to refinance existing debt on favourable terms.

Legal and Compliance Risks: Legal and Compliance risks refer to risks arising from the outcome of legal proceedings and government and/ or regulatory action, which could result in additional costs. The Company is subject to various laws, regulations and contractual commitments. AIML has policies, systems and procedures to enforce substantial compliance in this respect.

9. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company understands that with expanding operations and a constant evolution of technology, an effective internal control system is very important. AIML is committed to maintaining the highest standards of corporate governance and believes that a strong internal control framework is one of the most important pillars of corporate governance.

In-line with its philosophy and tenets, the Company has put in place adequate systems of internal control commensurate with its size and the nature of its operations. The systems have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information complying with applicable statutes, safeguarding of assets, executing transactions with proper authorisations and ensuring compliance of corporate policies.

AIML ensures that internal audit is conducted by a reputed firm having considerable experience in the sector on a regular basis. These audit reports are submitted to the Audit Committee which reviews it and takes note of the remedial measures taken by the concerned departmental heads with reference to the audit observations. The Company has appointed M/s. Bhatia and Bhatia Company, Chartered Accountants, as their internal auditors.

10. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

During the nine months ended 31st March, 2016, the Company generated revenues of Rs. 16,307.90 Lacs as compared to Rs. 43,312.42 Lacs in the previous year. EBITDA stood at Rs. 716.58 Lacs as compared to Rs. 3,785.01 Lacs in previous year.

A number of the major Indian infrastructure projects, in the markets served by AIML, have been stalled for the last few years. The decline in the Company's revenues and EBITDA is a direct consequence of this slowdown. However, there is renewed optimism owing to a growing number of approved projects, a trend that is likely to lead to a recovery in AIML's revenues in times to come.

11. FINANCIAL CONDITION

AIML monitors its financial position regularly and deploys a robust cash management system. The Company has also been able to arrange adequate liquidity at an optimum cost to meet its business and liquidity requirements. AIML would like to thank the financial institutions, shareholders and other stakeholders for their continuous support.

12. DEBT POSITION

As of 31st March, 2016, the Company had total debt of Rs. 31,409.60 Lacs.

13. CAPITAL EMPLOYED

The capital employed in the business stood at Rs. 80,619.88 Lacs as on 31st March, 2016 as compared to Rs. 86,601.91 Lacs as on 30th June, 2015.

14. SHAREHOLDERS' FUNDS AND NET WORTH

The authorized share capital of the Company as at 31st March, 2016 stood at Rs. 10,000 Lacs divided into 3,00,00,000 equity shares of Rs. 10 each and 7,00,00,000 Preference shares of Rs. 10/- each. The paid up share capital as of 31st March, 2016 was Rs. 7,661.25 Lacs divided into 1,16,12,500 equity shares of Rs. 10/- each and 6,50,00,000 Preference shares of Rs. 10/- each.

During the period under review there was no change in the authorized and paid up capital of the Company. As at 31st March, 2016 the reserves and surplus of the Company stood at Rs. 48,104.72 Lacs and the net worth stood at Rs. 55,765.97 Lacs.

15. HUMAN RESOURCES AND INDUSTRIAL RELATIONS

During the year, the Company delivered value to its customers and investors. This was made possible by the relentless efforts of each and every employee. The Company has developed a robust and diverse talent pipeline which enhances AIML's organizational capabilities for future readiness, further driving greater employee engagement. Our human resource program is focused on attracting the right talent, providing excellent on the job training opportunities, and finally giving them the growth opportunities consistent with their aspirations. In addition, the trust our employees place in us is evident in our ability to retain key employees and senior executives during FY2016.

AIML has always enjoyed strong industrial relations. The company has a systematic grievance redressal system to further strengthen these relationships. This system encourages employees to share their views and opinion with the management. The Company reflects on this feedback and incorporates relevant changes into the existing policies, systems and processes.

The Company had more than 362 employees as on 31st March, 2016 which includes contractor, departmental, contractual, trainees and staff executives. Industrial relations remained cordial during the year. The Directors would like to place on record their appreciation and recognition towards all its employees who continue to exude confidence and commitment toward the Company.

16. STATUTORY COMPLIANCE

The Whole Time Director makes a declaration to the Board of Directors every quarter regarding compliance with provisions of various statutes as applicable. The Company Secretary ensures compliance with the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and compliance with the guidelines on insider trading for prevention of the same.

17. CAUTION STATEMENT

The above mentioned statements are only 'forward looking statements' based on certain assumptions and expectations. The Company's actual performance could differ materially from those expressed/projected depending upon changes in various factors. The Company does not assume any responsibility to any change(s) in forward looking statements', on the basis of subsequent developments, information or events etc.

Important developments that could affect the Company's operations include a downward trend in the domestic automotive industry, competition, rise in input costs, exchange rate fluctuations, and significant changes in the political and economic environment in India, environmental standards, tax laws, litigation and labour relations.

INDEPENDENT AUDITOR'S REPORT**To the Members of Alliance Integrated Metaliks Limited, New Delhi
Report on the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of Alliance Integrated Metaliks Limited ('The Company'), which comprises the Balance Sheet as at 31st March 2016, the statement of Profit and Loss and the Cash Flow Statement for the nine months then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The company's board of directors is responsible for the matters specified in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. Annexure - B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Alliance Integrated Metaliks Limited ("the Company") as of 31st March 2016 in conjunction with our audit of the standalone financial statements of the Company for the nine months ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and

ALLIANCE INTEGRATED METALIKS LIMITED

not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1 : SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS (ATTACHED TO AND FORM PART OF ACCOUNTS) FOR THE NINE MONTH ENDED 31ST MARCH, 2016.

1. Significant accounting policies

1.1 Basis of accounting and preparation of financial statements

The financial statements are prepared under historical cost convention, on a going concern basis and on accrual basis and are in compliance with the accounting standards notified under section 133 of the Companies Act, 2013 and the relevant provisions thereof.

1.2 Use of estimates

The preparation of the financial statements requires the Management to make certain estimates and assumptions that affect the amount reported in financial statements and notes thereto. Differences between the actual results and estimates are recognized in period in which the results are known/ materialize.

1.3 Revenue Recognition and Accounting for Sales

- (a) Revenue from sales is recognized at the point of dispatch of goods to the customers when risk and reward stands transferred to the customers. Sales are net of trade discount, sales tax and excise duty.
- (b) Interest income is recognized on time proportion basis.
- (c) All expenses and income are accounted for on accrual basis.

1.4 Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation. The cost of fixed assets include their original cost of acquisition net of cenvat including taxes, freight and other incidental expenses related to acquisition and installation of the concerned assets.

1.5 Depreciation and amortization

- (a) Depreciation (including amortization) is provided on straight line method as per useful life method prescribed under Part C of Schedule II of the Companies Act, 2013. Leasehold Land is being amortized over the tenure of respective leases.
- (b) Additions/deletions during the year are depreciated pro-rata from the date of such addition/ deletion. The residual value of the asset has been taken to be 5 percent of the original cost of the asset.
- (c) Intangible assets are amortized over their estimated useful Life.

1.6 Inventories

Raw Materials, Stores & Spares, Goods under process and Finished Goods are valued at cost or Net Realizable Value, whichever is lower. Waste and Scrap is valued at Net Realizable Value.

Cost of inventories of Raw Materials and Stores and Spares is ascertained on FIFO Basis.

Cost of goods under process and finished goods comprise of cost of materials, production overhead and depreciation on plant and machinery. Cost of material for this purpose is ascertained on First in First out basis.

Provision for obsolescence in inventories is made, whenever required.

1.7 Investments

Current investments are valued at lower of cost or fair market value.

Noncurrent Investments are valued at cost. However, when there is a decline other than temporary in the value of a long term Investment, the carrying amount is reduced to recognize the decline.

1.8 Excise Duty

Excise duty is paid on clearance of goods, but is accounted for in the books on accrual basis. Accordingly, provision for excise duty is made for goods lying in the Bonded Warehouse.

1.9 Employees' Benefits

- a) The liability for superannuation/pension Gratuity & Leave Encashment is accounted for on the basis of actuarial valuation in accordance with Accounting Standards -15 (Revised) issued by the Institute of Chartered Accountants of India.
- b) Retirement benefits in the form of Provident Fund and Superannuation/Pension Schemes are charged to the Profit and Loss Account for the year when the contributions to the respective funds are due.

1.10 Research and Development

Capital Expenditure is shown separately under respective heads of fixed assets. Revenue expenses including depreciation are included under the respective heads of expenses.

1.11 Foreign Currency Transactions

- (a) Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities are translated at year end exchange rates. Exchange difference arising on settlement of transactions and translation of monetary items are recognized as income or expense in the year in which they arise.
- (b) Non Monetary items denominated in the foreign currency are valued at the exchange rate prevailing on the date of transaction.
- (c) In the case of forward exchange contracts, the premium or discount arising at the inception of such contracts, is amortized as income or expense over the life of the contract as well as exchange difference on such contracts, i.e. difference between the exchange rate at the reporting/settlement date and the exchange rate on the date of inception/last reporting date, is recognized as income/expense for the period.

1.12 Borrowing Cost

Interest on borrowings are recognized in the Profit and Loss account except interest incurred on borrowings, specifically raised for Projects which is capitalized with the cost of the asset until such time the asset is ready to be put to use for intended purpose.

1.13 Tax on Income

- (a) Provision for Taxation is made on the basis of the taxable profits computed for the current accounting year (reporting year) in accordance with Income Tax Act, 1961.
- (b) Deferred Tax is recognized, subject to consideration of prudence, on timing difference, being difference between taxable income and accounting income/expenditure that originate in one period and are capable of reversal in one or subsequent year(s). Deferred taxes are reviewed for their carrying value at each balance sheet date.

1.14 Provisions and Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized, when there is a present obligation as a result of past events and it is possible that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the Notes to Accounts. Contingent assets are neither recognized nor disclosed in the financial statements.

1.15 Impairment of Asset

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognized in the profit and loss account. If at any subsequent balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at recoverable amount subject to a maximum of depreciated historical cost and is accordingly reversed in the profit and loss account.

2 NOTES TO ACCOUNTS

The Previous period figures have been regrouped / reclassified, wherever considered necessary to conform to the current year's presentation.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Holding Company and its Associate Companies in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 (hereinafter referred to as "the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014. The Board of Directors of the Holding Company and its Associate Companies are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Companies and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Holding Company and its Associate Companies as at 31st March 2016, and its consolidated net loss and its consolidated cash flows for nine months ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by sub-section 3 of Section 143 of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - (c) The consolidated balance sheet, the consolidated statement of profit and loss, and the consolidated cash flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2016 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its associate companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on 31st March 2016 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its Associate Companies and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
 - (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Holding Company and its Associate Companies has disclosed the impact of pending litigations on its financial position in its consolidated financial statements. (Refer Note No. 2.25).
 - ii. The Holding Company and its Associate Companies did not have any material foreseeable losses on long term contracts including derivatives contracts.

Annexure - A to the Independent Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the Group as of and for the nine months ended 31st March 2016, we have audited the internal financial controls over financial reporting of Alliance Integrated Metaliks Limited ("the Holding Company") and its associate companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its associate companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE CONSOLIDATED ACCOUNTS (ATTACHED TO AND FORMING PART OF ACCOUNTS FOR THE NINE MONTHS ENDED 31ST MARCH 2016)

1. ACCOUNTING POLICIES –

A. Principles of Consolidation :

- i. The consolidated Financial Statement relates to Alliance Integrated Metaliks Limited (the Parent Company), ARGL Limited (Associate) and ACIL Limited (Associate)
- ii. The Consolidated Financial statements have been prepared on the basis of AS-13 issued by ICAI read along with the following assumptions :
 - (a) The share of profit and loss of associates is accounted for in the Consolidated Financial Statement of the Group.
 - (b) Investments of the parent company in the associates are adjusted for the share of the loss/profit of the associate companies.

B. Notes to the Consolidated Financial Statements

The notes to the consolidated financial statement are intended to serve as a means of informative disclosure and guide to better understanding of the financial information about the economic activities and the economic resources controlled as single economic entity. Recognizing this purpose, the company has disclosed only such notes from the individual financial statement, which fairly presents the needed disclosures. Practical consideration and lack of uniformity on account of local laws and practices made it desirable to exclude notes to account and accounting policies which in the opinion of the management could be better viewed when referred to individual financial statements. Consolidated financial statement have been prepared using uniform accounting policies for like transaction and other events in similar circumstance.

2 NOTES TO ACCOUNTS
