NOTICE OF 43RD ANNUAL GENERAL MEETING

NOTICE is hereby given that the 43rd Annual General Meeting of SVP Global Textiles Limited will be held on Tuesday, September 23, 2025 at 3.00 P.M. through Video Conferencing (VC) or Other Audio Visual Means (OAVM), to transact the following business:

ORDINARY BUSINESS :

1. To receive, consider and adopt the Audited Financial Statements of the Company (including Audited Consolidated Financial Statements) for the financial year ended March 31, 2025 and the Reports of the Board of Directors' and Auditors' thereon.
2. To appoint a Director in place of Mr. Gopal Lohia (DIN : 09563931) who retires by rotation and being eligible offers himself for reappointment.

SPECIAL BUSINESS:

3. To ratify and confirm payment of remuneration of the Cost Auditors of the company for the financial year 2025-26.

To consider and, if thought fit, to pass with or without modification(s), the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of section 148(3) and all other applicable provisions, if any, of the Companies Act, 2013 and on the recommendation of the Board of Directors, consent of the members be and is hereby accorded for the payment of remuneration of Rs. 20,000/- plus tax and out of pocket expenses and on terms and conditions as may be mutually agreed to between the Board of Directors and M/s. M. Goyal & Co., Cost Accountants (Registration No. 000051), Cost Auditors of the Company for the financial year commencing from April 1, 2025 till March 31, 2026."

RESOLVED FURTHER THAT any Director of the company be and is hereby authorized jointly and/or severally, as the case may be, to take all such steps as may be necessary, proper and expedient to give complete effect to this resolution."

**By order of the Board of Directors

Notes:

1. Pursuant to the General Circular Nos. 14/2020 dated April 8, 2020 and 17/2020 dated April 13, 2020, in relation to "Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013", General Circular Nos. 20/2020 dated May 5, 2020, 10/2022 dated December 28, 2022 and subsequent circulars issued in this regard, the latest being 09/2023 dated September 25, 2023 in relation to "Clarification holding of the AGM through Video Conferencing ('VC') or through Other Audio-Visual Means ('OAVM'), without the physical presence of the Members at a common venue.

Further, the Securities and Exchange Board of India ('SEBI'), vide its Circulars dated May 12, 2020, January 15, 2021, May 13, 2022, January 5, 2023 and October 7, 2023 ('SEBI Circulars') and other applicable circulars issued in this regard, has provided relaxations from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). The 43rd AGM of the Company is being held through VC/OAVM on Tuesday, September 23, 2025, at 3:00 p.m. (IST). The proceedings of the AGM will be deemed to be conducted at the Registered Office of the Company situated at 97, Maker Tower F, Cuffe Parade, Mumbai – 400 005.

2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 and SEBI circular No. SEBI/ HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020, and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020, The Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as venue voting system on the date of the AGM will be provided by CDSL.
3. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorized representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting.
4. The Members can join the AGM in the VC/OAVM mode 15 minutes before the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis as per the MCA Circulars. The detailed instructions for joining the meeting through VC/OAVM form part of the Notes to this Notice.
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.svpglobal.co.in. The Notice can also be accessed from the websites of BSE Limited at www.bseindia.com and National

Stock Exchange of India Limited at www.nseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. The Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013 setting out facts concerning the business under Item No. 3 of the Notice is annexed hereto.
9. Members are requested to intimate the Registrar and Share Transfer Agent of the Company – Skyline Financial Services Pvt. Ltd., A/505, Dattani Plaza, A K Road, Safeed Pool, Andheri (East), Mumbai - 400072., immediately of any change in their address in respect of equity shares held in physical mode and to their Depository Participants (DPs) in respect of equity shares held in dematerialized form.
10. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company.
11. Members holding share certificates under different folio numbers but in the same order of name are requested to apply for consolidation of such folios and send relevant share certificates to the Registrars and Share Transfer Agent of the Company.
12. Members holding shares in physical form and desirous of making/changing nomination in respect of their shareholding in the Company, may send their request in the prescribed form 2B to the Registrar & Transfer Agents of the Company.
13. The Register of Members and Share Transfer Books of the Company will remain closed from **Tuesday 16.09.2025 to Tuesday 23.09.2025 (both days inclusive)** in connection with the Annual General Meeting. Cutoff date for shareholders eligible to attend the meeting will be **16.09.2025**.
14. Section 20 of the Companies Act, 2013 permits service of documents on members by a company through electronic mode. Accordingly, as a part of the Green Initiative, electronic copy of the Annual Report for F.Y. 2024-25 is being sent to all the members whose email IDs are registered with the Company/Depository Participants(s) for communication purposes unless any member has requested for a physical copy of the same. Members who have not registered their e-mail addresses so far or who would like to update their e-mail addresses already registered, are requested to register/update their e-mail addresses with Skyline Financial Services Pvt. Ltd. at Pravin.cm@skylinerta.com. Members may also note that the Annual Report for F.Y. 2024-25 will also be available on the Company's website www.svpglobal.co.in for download.
15. The members who have cast their vote by e-voting may also attend the Meeting but shall not be entitled to cast their vote again.
16. Corporate members intending to send their authorized representatives to attend the Meeting are requested to send to Skyline Financial Services Pvt. Ltd. a certified true copy of the Board Resolution authorising their representative to attend and vote on their behalf at the Meeting 48 hours before the date of AGM.
17. **Members, who have not registered their e-mail addresses so far, are requested to register their e-mail address for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company electronically.**
18. In compliance with the provisions of Section 108 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Management and Administration) Rules, 2014, as amended, Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Secretarial Standard on General Meetings (SS2) issued by the Institute of Companies Secretaries of India, Members have been provided with the facility to cast their vote electronically through the e-voting services provided by System Support Services, on all resolutions set forth in this Notice.
19. Notice of the 43rd Annual General Meeting of the Company, inter alia, indicating the process and manner of e-voting is being sent to all the members whose e-mail IDs are registered with the Company/ Depository Participants(s) for communication purposes through electronic mode. The Notice of the 43rd Annual General Meeting of the Company, inter alia, indicating the process and manner of e-voting is being sent through the permitted mode.
20. Members whose name appears in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on the cut-off date i.e. **Tuesday, September 16, 2025** shall only be entitled to attend and vote at the AGM. A person who is not a Member as on the cut-off date should treat this Notice of AGM for information purpose only.
21. Any person, who acquires shares of the Company and becomes member of the Company after sending the Notice and holding shares as on the cut-off-date i.e. **Tuesday, September 16, 2025** may follow the same instructions as mentioned above for e-voting.
22. In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.co.in under help section or write an email to helpdesk.evoting@cdslindia.com OR Mr. Pravin Golatkar, M/s Skyline Financial Services Private Limited A-505/506, Dattani Plaza, Andheri-Kurla Road, Safeed Pool, Andheri East, Mumbai – 400 072 India through Email at pravin.cm@skylinerta.com or on Telephone No.: 022 28511022

Members may also write to the Company Secretary of the Company at the address: urmi@pittie.com or contact at Telephone No. 022 - 4029 0027
23. The Company has appointed Shravan A. Gupta & Associates, Practicing Company Secretaries, (Membership No. 27484), as Scrutinizer to scrutinize the voting process in a fair and transparent manner.
24. After completion of scrutiny of the votes, the scrutinizer, submit a consolidated scrutinizer's report of the total votes casted in favor or against, if any, to the Chairman or a person authorized

by him in writing who shall countersign the same. The results will be announced within the stipulated time under applicable laws.

25. The results declared along with the consolidated scrutinizer's report shall be placed on the website of the Company www.svpglobal.co.in and shall simultaneously be forwarded to the concerned stock exchanges.

26. THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

- i) The remote e-voting period begins on **Saturday, 20th September, 2025 at 9:00 A.M.** and ends on **Monday, 22nd September, 2025 at 5:00 P.M.** During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) i.e. **16th September, 2025** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii) Shareholders who have already cast their vote by remote e-voting prior to the AGM may attend the AGM but shall not be entitled to cast their vote again
- iii) Pursuant to SEBI Circular No. SEBI/ HO/ CFD/CMD /CIR /P/ 2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional Shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv) In terms of SEBI circular no. SEBI /HO /CFD/ CMD/CIR /P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode is given below:

| Type of Shareholders | Login Method |
|----------------------|--------------|
| | |

| | |
|---|---|
| Individual Shareholders holding securities in Demat mode with CDSL Depository | <p>1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Once the home page of e-Services is launched, click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section. A new screen will open. You will have to enter your User ID and Password. After successful authentication, you will be able to see e-Voting services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.</p> <p>2) If the user is not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select "Register Online for IDeAS "Portal or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp</p> |

| | |
|--|--|
| | 3) Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting |
| Individual Shareholders (holding securities in demat mode) login through their Depository Participant (DP) | You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. After Successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. |

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

| Login type | Helpdesk details |
|---|--|
| Individual Shareholders holding securities in Demat mode with CDSL | Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 22 55 33 |
| Individual Shareholders holding securities in Demat mode with NSDL | Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.:1800 1020 990 and 1800224430 |

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and nonindividual shareholders in demat mode

- v. Login method for e-Voting and joining virtual meetings for Physical shareholders and shareholders other than individual

holding in Demat form.

- The shareholders should log on to the e-voting website www.evotingindia.com.
- Click on “Shareholders” module.
- Now enter your User ID a. For CDSL: 16 digits beneficiary ID, b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID, c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- Next enter the Image Verification as displayed and Click on Login.
- If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- If you are a first-time user follow the steps given below:

| | For Physical shareholders and other than individual shareholders holding shares in Demat. |
|--|--|
| PAN | Enter your 10 digit alphanumeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA. |
| Dividend Bank Details OR Date of Birth (DOB) | Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field. |

- After entering these details appropriately, click on “SUBMIT” tab.
- Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not

to share your password with any other person and take utmost care to keep your password confidential.

- viii. For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- ix. Click on the EVSN for the relevant **SVP Global Textiles Limited** on which you choose to vote.
- x. On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- xi. Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- xii. After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- xiii. Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- xiv. You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- xv. If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- xvi. There is also an optional provision to upload BR/POA if any uploaded, which will be made available to scrutinizer for verification.
- xvii. **Additional Facility for Non – Individual Shareholders and Custodians –For Remote Voting only.**
 - Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login will be mapped automatically & can be delink in case of any wrong mapping.
 - It is Mandatory that, a scanned copy of the Board Resolution and Power of Attorney (POA) which they

have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

- Alternatively Non Individual shareholders are required mandatory to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; urmi@pittie.com , if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM THROUGH VC/OAVM & E-VOTING DURING MEETING ARE AS UNDER:

1. The procedure for attending meeting & e-Voting on the day of the AGM is same as the instructions mentioned above for e-voting.
2. The link for VC/OAVM to attend meeting will be available where the EVSN of Company will be displayed after successful login as per the instructions mentioned above for e-voting.
3. Shareholders who have voted through Remote e-Voting will be eligible to attend the meeting. However, they will not be eligible to vote at the AGM.
4. Shareholders are encouraged to join the Meeting through Laptops / IPads for better experience.
5. Further shareholders will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
6. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
7. Shareholders who would like to express their views/ask questions during the meeting may register themselves as a speaker by sending their request in advance **5 days prior to meeting** mentioning their name, demat account number/folio number, email id, mobile number at contact@pittie.com.

The shareholders who do not wish to speak during the AGM but have queries may send their queries in advance **5 days prior to meeting** mentioning their name, demat account number/folio number, email id, mobile number at contact@pittie.com These queries will be replied to by the company suitably by email.
8. Those shareholders who have registered themselves as a speaker will only be allowed to express their views/ask questions during the meeting.
9. Only those shareholders, who are present in the AGM through VC/OAVM facility and have not casted their vote on

the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available during the AGM.

10. If any Votes are cast by the shareholders through the e-voting available during the AGM and if the same shareholders have not participated in the meeting through VC/OAVM facility, then the votes cast by such shareholders may be considered invalid as the facility of e-voting during the meeting is available only to the shareholders attending the meeting.

PROCESS FOR THOSE SHAREHOLDERS WHOSE EMAIL/MOBILE NO. ARE NOT REGISTERED WITH THE COMPANY/DEPOSITORIES.

1. For Physical Shareholders - Please provide necessary details like Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to Company's RTA at subhashdhingreja@skylinerta.com.
2. ANNEXURE - I

**Form No. MR-3
SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To
The Members
SVP GLOBAL TEXTILES LIMITED
CIN: L17290MH1982PLC026358
97, Maker Tower "F" 9th Floor Cuffe Parade,
Mumbai MH 400005

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SVP GLOBAL TEXTILES LIMITED** (hereinafter called the "company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Company for the financial year ended on 31st March, 2025 according to the provisions of:

- (i) The Companies Act, 2013 and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of foreign direct investments, overseas direct investments, external commercial borrowings; - **Not Applicable during the audit period**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act');
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading Regulations) 2015;
 - (c) Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (d) The Securities and Exchange Board of India (Share based employee benefits) Regulation, 2014; **Not Applicable during the audit period**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **Not Applicable during the audit period**
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **Not Applicable during the audit period**
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009- **Not Applicable during the audit period**

- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 and The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 notified on 11th September, 2018- **Not Applicable during the audit period**
- (vi) The other laws as are applicable specifically to the Company are compiled as per representation made by the management of company during the audit period.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

During the audit period, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that, during the audit period:

The Board of Directors of the Company is duly constituted with proper balance of, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that does not took place during the audit period were carried out in compliance with the provisions of the Companies Act, 2013.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda are sent at least seven days in advance, a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out either unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

3 COMMITTEES OF THE BOARD

(a) Audit Committee

Your Company has an Audit Committee constituted by the Board of Directors which acts as a link between the management, auditors and the Board and oversees the financial reporting process.

Composition

The composition of the Audit committee meets the requirements of section 177 of the Companies Act, 2013 and Regulation 18 of the Listing Regulations Majority of members of the Audit Committee are Non-Executive Independent Directors and Mrs. Prima Denish Parmar is the Chairman of the Committee. All the members of Audit Committee are financially literate and have related financial management expertise.

- | | | | |
|-----|--------------------------|---|----------|
| (1) | Mrs. Prima Denish Parmar | - | Chairman |
| (2) | Mr. Naval Mishra | - | Member |
| (3) | Mr. Chirag Pittie | - | Member |

The Company Secretary is the Secretary of the Committee.

Meeting and Attendance

The Meetings of the Audit Committee during the period under review and details of the Members participation at the Meetings of the Committee are as under:

| Dates on which the Audit Committee Meetings were held | Total Strength of the Audit Committee | No. of Directors Present |
|---|---------------------------------------|--------------------------|
| 30.05.2024 | 3 | 3 |
| 13.08.2024 | 3 | 3 |
| 14.11.2024 | 3 | 3 |
| 14.02.2025 | 3 | 3 |

The Committee is in line with the regulatory requirements mandated by the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015). Some of the important functions performed by the Committee are:

Financial Reporting and Related Processes

- Oversight of the Company's financial reporting process and financial information submitted to the Stock Exchanges, regulatory authorities or the public.
 - Reviewing with the Management the quarterly unaudited financial statements and the Auditors' Limited Review Report thereon/audited annual financial statements and Auditors' Report thereon before submission to the Board for approval. This would, inter alia, include reviewing changes in the accounting policies and reasons for the same, major accounting estimates based on exercise of judgement by the Management, significant adjustments made in the financial statements and / or recommendation, if any, made by the Statutory Auditors in this regard.
 - Review the Management Discussion & Analysis of financial and operational performance.
 - Discuss with the Statutory Auditors its judgement about the quality and appropriateness of the Company's accounting principles with reference to the Generally Accepted Accounting Principles in India (GAAP).
 - Review the investments made by the Company.
 - Review of internal Audit report on timely basis.
- All the Members on the Audit Committee have the requisite qualification for appointment on the Committee and possess sound knowledge of finance, accounting practices and internal controls.

(b) Nomination and Remuneration Committee

In compliance with Section 178 of the Companies Act, 2013, the Board has changed the nomenclature of the existing "Remuneration Committee" as the "Nomination and Remuneration Committee" and also the Roles & Responsibilities.

Composition

Nomination and Remuneration Committee has three Directors as its members comprising of two Independent Directors and One Non – Executive Director as under:-

- | | | | |
|----|---------------------------|---|----------|

5. COMPANY POLICIES:

All the below stated policies are available on the website of the Company at www.svpglobal.co.in

Vigil Mechanism/ Whistle Blower Policy:

The Company believes in conducting its business in a fair and transparent manner by adopting highest standards of professionalism, honesty, integrity and ethical behaviour. The Company has established a mechanism called "whistle blower policy" for employees to report to the management concerns about unethical behaviour, actual or suspected fraud or violation of the Company's code of conduct or ethics policy. The objective of this policy is to build and strengthen a culture of transparency and trust in the organization and to provide employees – officers and workmen with a framework / procedure for responsible and secure reporting of improper activities (whistle blowing) and to protect employees wishing to raise a concern about improper activity / serious irregularities within the Company.

Policy dealing with Related Party Transactions:

The Board of Directors of the Company has adopted the policy and procedures with regard to Related Party Transactions. This policy specifically deals with the review and approval of Material Related Party Transactions keeping in mind the potential or actual conflicts of interest that may arise because of entering into these transactions. All Related Party Transactions are placed before the Audit Committee for review and approval. Prior omnibus approval is obtained for Related Party Transactions on a yearly basis for transactions, which are of repetitive nature and/ or entered in the ordinary course of business and are at Arm's Length.

Policy for preservation of documents:

The Policy for preservation of documents has been framed under Regulation 9 of Chapter III Schedule II (D) of the SEBI Listing Regulations, 2015. The Company is required to preserve documents of the Company. The purpose of this Policy is to ensure that all the necessary documents and records of the Company are adequately protected and preserved as per the statutory requirements and to ensure that the records of the Company which are no longer needed or are of no value are discarded after following the due process for discarding the same. This Policy is also for the purpose of aiding employees of the Company in understanding their obligations in retaining and preserving the documents and records which are required to be maintained as per the applicable statutory and regulatory requirement.

Determining Material Subsidiaries

The policy for determining material subsidiaries has been put up on the website of the Company at www.svpglobal.co.in

Policy on Prevention of Sexual Harassment at Workplace:

The policy on Prevention of Sexual Harassment at Workplace applies to all categories of employees of the Company, including permanent Management and workmen, temporaries, trainees and employees on contract basis at their workplace or at client sites. The Company will not tolerate sexual harassment, if engaged in by clients or by suppliers or any other business associates. In conclusion, the Company reiterates its commitment to providing its employees, a workplace free from harassment/ discrimination and where every employee is treated with dignity and respect.

Prevention of Insider Trading Code:

The Company has adopted a Code of Conduct for Prevention of Insider Trading with a view to regulate trading in securities by the Directors and designated employees of the Company. The Code requires pre-clearance for dealing in the Company's shares and prohibits the purchase or sale of Company shares by the Directors and the designated employees while in possession of unpublished price sensitive information in relation to the Company and during the period when the Trading Window is closed. All Board of Directors and the designated employees have confirmed compliance with the Code.

6. DISCLOSURES:

Materially Significant related party transactions

There was no transaction of material nature with any of the related party, which is in conflict with the interest of the company.

iii) SHARE TRANSFER SYSTEM / DIVIDEND AND OTHER RELATED MATTERS

Share transfers

In accordance with the proviso to Regulation 40(1) of the SEBI Listing Regulations, effective from 01st April, 2019, transfers of shares of the Company shall not be processed unless the shares are held in the dematerialized form with a depository. Accordingly, shareholders holding equity shares in physical form are urged to have their shares dematerialized so as to be able to freely transfer them and participate in various corporate actions.

The Company obtains half yearly certificate of compliance with the share transfer formalities as required under Regulation 40(10) of the Listing Agreement with Stock Exchanges from a Company Secretary in Practice, and files a copy of the certificate with the Stock Exchanges where Company's shares are listed.

As required by SEBI, a Reconciliation of Share Capital Audit is conducted on a quarterly basis by a Practicing Company Secretary and Certificate issued in this regard is forwarded to the Stock Exchange.

Address for acceptance of documents:

- i. Share Transmission in physical form and other communication in that regard, including share certificates and change of address etc. may be addressed to our Registrar and Share Transfer Agents at the address mentioned below.
- ii. Shareholders may also contact Compliance Officer of the Company, SVP Global Textiles Limited (Formerly known as SVP Global Ventures Limited, 97, Maker Tower F, Cuffe Parade, Mumbai – 400 005

iv) Nomination facility for shareholding

As per the provisions of the Companies Act, 2013, facility for making nomination is available for Members in respect of shares held by them. Members holding shares in physical form may obtain nomination form, from the Secretarial Department of the Company. Members holding shares in dematerialized form should contact their Depository Participants (DP) in this regard.

v) Dividend

*** Unclaimed Dividends**

The Company is not required to transfer dividends to the Investor Education & Protection Fund established by the Government as no such dividend have remained unpaid / unclaimed for a period of seven years.

vi) Plant Locations

The Company has various offices in India and abroad. Details of these locations as on March 31, 2025 are available on our website www.svpglobal.co.in.

vii) Pending Investors' Grievances

Any Member / Investor, whose grievance has not been resolved satisfactorily, may kindly write to the Company Secretary at the Registered Office with a copy of the earlier correspondence.

| Sr. No. | Nature of Queries/Complaint | Received during the year | Redressed during the year | Pending as on 31 st March, 2025 |

Annexure - V

Information as per section 134(3) (m) of the Companies Act, 2013 read with Rule 8 of the Companies (Accounts) Rules, 2014 for the year ended 31st March, 2025 are as under.

(A) Conservation of energy-

(i) The steps taken or impact on conservation of energy:

- A) The Company makes an ongoing study to identify and implement energy saving system to reduce energy consumption and cost of production.
- B) Energy conservation is an ongoing process in our organization. Continuous monitoring, planning, development and modifications for energy conservation are done at the plants.
- C) The Company continued efforts for improving energy efficiency through innovative measures to reduce wastage and optimize consumption.
- D) Energy Audit is also being carried out by internal department Official.
- E) Maintenance of the machines as per schedule.
- F) Organizing Training programs for energy conservation.

(ii) The steps taken by the Company for utilizing alternate sources of energy:

The Company is exploring options for utilizing alternate sources of energy such as Solar / Wind energy in order to reduce the electricity cost with consequent reduction in the cost of production.

(iii) The capital investment on energy conservation equipment's:

The Company has incurred capital investment on energy conservation equipment's & energy saving and focused on optimum utilization of available resources.

(B) Technology absorption-

(i) The efforts made towards technology absorption:

The Company is making continuous efforts towards technology absorption for productivity Enhancement.

(ii) The benefits derived like product improvement, cost reduction, product development or import substitution:

The Company was able to reduce maintenance and operating cost at manufacturing level more particularly the conversion cost.

There was an improvement in quality, customer satisfaction and enlargement of market base.

(iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year):

Imported Machinery are well equipped with latest drives, motors considering all available lowest power consumption technology in the world.

Optimum use of imported machinery being achieved through ongoing training processes

(iv) The expenditure incurred on Research and Development:

No expenses have been incurred on Research and Development during the year 2024-25.

(C) Foreign exchange earnings and Outgo

During the year under review, the foreign exchange earnings on exports was Rs. NIL and the foreign exchange Outgo was Rs. Nil.

Disclosure Pertaining to Remuneration and other Details as required Under Section 197(12) of the Companies Act, 2013 read with Rule 5(1) Of the Companies (Appointment and Remuneration of Managerial Personnel) Rules 2014 :

(I) The ratio of the remuneration of each director to the median remuneration of the employees of the Company for the financial year:

| S.No. | Name of Directors | Remuneration | Median Remuneration | Ratio |
|-------|--|--------------|---------------------|-------|
| | Executive Director | | | |
| 1 | Mr. Praveen Shelley Executive Director | - | N.A. | N.A. |
| 2 | Mr. Gopal Lohia Executive Director | - | N.A. | N.A. |
| | Non – Executive Director | | | |
| 3 | Mr. Chirag Pittie (Chairman - Non-Executive Director) | -- | N.A. | N.A. |
| 4 | Mr. Prakash Lavji Vaghela (Independent Director) | -- | N.A. | N.A. |
| 5 | Mrs. Prima Denish Parmar (Independent Director) | -- | N.A. | N.A. |
| 6 | Mr. Naval Mishra (Independent Director) | -- | N.A. | N.A. |

(ii) The percentage increase in remuneration of each director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any, in the financial year:

| S.No. | Name with Designation | % increase in the remuneration in the financial year 2024-25 |
|-------|--|--|
| 1 | Mr. O.P. Gulia - Chief Executive Officer | -- |
| 2 | Mrs. Urmi Chhaparia - Company Secretary | -- |
| 3 | Mr. Ashok Kumar Pittie - Chief Financial Officer | -- |

(iii) The percentage increase in the median remuneration of employees in the financial year : NIL

(iv) The number of permanent employees on the rolls of Company: (As on 31.03.2025) : 7

(v) Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:

Average percentile increase in the salaries of employees other than Executive Directors in the financial year FY 2024-25 is NIL in comparison to FY 2023-2024.

(vi) Affirmation that the remuneration is as per the remuneration policy of the Company

It is affirmed that remuneration is as per the remuneration policy of the Company.

ANNEXURE - VI

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

This report covers the operations and financial performance of the Company for the year ended 31st March, 2025 and forms a part of the Directors' Report.

Forward looking statements made in this Report, are based on certain assumptions and expectations of future events. The company cannot guarantee that these assumptions and expectations will be accurate or will be realized.

Business & Performance Overview:

SVP Global Textiles Ltd. (SVP) is the fastest growing Multinational cotton yarn manufacturing company. The Company has consolidated manufacturing capacity of over 400,000 spindles and 5900 Rotors and is one of the leading 'Compact Cotton Yarn' manufacturer in India i.e. the highest quality of cotton yarn in the world.

The financial statements have been prepared in accordance with Ind AS Rules, prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 and the other recognized accounting practices and policies to the extent applicable.

The summarized standalone financial performance is as under:

| Particulars | F.Y. 2024 -25 (Amount Rs. in lakhs) | F.Y. 2023 -24 (Amount Rs. in lakhs) |
|-----------------------------|--|--|
| Total Turnover | 66.87 | 312.45 |
| Depreciation & Amortization | 734.99 | 734.99 |
| Total Expenditure | 1039.19 | 2311.07 |
| Profit Before Tax | (972.32) | (12336.05) |
| Profit After Tax | (996.33) | (12336.05) |
| Equity Capital | 1265.00 | 1265.00 |
| Reserves & Surplus | (6409.10) | (5412.77) |

The summarized Consolidated Financial performance is as under:

| Particulars | F.Y. 2024 - 25 (Amount Rs. In Lakh) | F.Y. 2023 - 24 (Amount Rs. In Lakh) |
|-----------------------------|--|--|
| Total Turnover | 9296.79 | 30192.81 |
| Depreciation & Amortization | 10521.24 | 11232.86 |
| Total Expenditure | 78225.11 | 63050.29 |
| Profit Before Tax | (97929.77) | (43194.90) |
| Profit After Tax | (97953.79) | (43194.90) |
| Equity Capital | 1265.00 | 1265.00 |
| Reserves & Surplus | (113443) | (17838.87) |

The Management accepts responsibility for the integrity and objectivity of these statements as well as for the various estimates & judgments used therein.

DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS ALONG WITH DETAILS EXPLANATIONS

| Interest Coverage Ratio | (0.21) | (10.58) | (98.01) |
| Current Ratio | 2.22 | 2.31 | (3.85) |
| Debt Equity Ratio | (2.89) | (3.61) | (19.79) |
| Operating Profit Margin (%) | (11.31) | (0.25) | 4424.47 |
| Net Profit Margin (%) | (14.90) | (39.73) | (62.50) |
| Return on Net Worth (%) | 0.21 | (6.11) | (103.51) |

Industry Structure and Developments:

The Textile Industry is facing exceptional and unprecedented challenging conditions. There is a rise of demand for low-cost products having sustainable and environment - friendly production processes. Consumers are seeking products that are made from renewable materials and from sustainable manufacturing processes. Further, rising importance of digital technology in textile products, 3D modelling and other technologies are enabling manufacturers to create more innovative and customized products while improving production efficiencies and reducing waste.

Hence, there is an optimism that post geopolitical stabilization, textile sector will show positive trends due to new opportunities and technological innovations supported by domestic & global demand, investment incentives (PLI) and strong balance sheets of companies. Further, China plus one policy adopted by USA / Europe will give a boost to Indian Textile Sector.

The textiles industry in India is also labour intensive and is one of the largest employers. The textile industry has two broad segments. First, the un-organized sector consists of handloom, handicrafts and sericulture, which are operated on a small scale and through traditional tools and methods. The second is the organized sector consisting of spinning, apparel and garments segment which apply modern machinery and techniques such as economies of scale.

Global Economy

Change is happening against quite a challenging economic backdrop. 2025 will not be a year of rapid GDP growth: U. S.

growth is forecast at a modest 2. 0%, with the Eurozone lagging some way behind (0. 9%) and Chinese growth (4. 2%) well below recent historical averages. Inflation could also prove tenacious, due to higher fiscal spending and possible tariff hikes. This, in turn, will give central banks less room to cut interest rates as they seek to balance growth and inflation control. The result may well be uncertain and shifting market expectations, triggering more bouts of volatility than in 2024. Geopolitical fallout, perhaps due to changing trade policy, could add to the uncertainty. For the global economy, we think 2025 will be a case of staying the course in turbulent times. The ability of individual economies to weather possible geopolitical and policy challenges next year will be determined by a number of factors. But, as the growth numbers highlighted above show, there is already a distinction between a high technology, higher productivity U. S. economy and a European economy that is lagging behind on the interlinked issues of productivity and investment. The market focus on stocks should not preclude interest in other asset classes in 2025.

Corporate bonds in the U. S., Asia and Europe, for example, are likely to remain interesting for investors for several reasons. These include institutional demand, still high yields and the return of the (term) premium. Supply and demand will remain fundamental to commodities such as oil and industrial metals but we also see other factors maintaining a relatively high price for gold in 2025. In alternative assets, we focus in this outlook on infrastructure – central to investing in future growth – and what we call the public and private mixology of investing in this area. FX considerations will, as always, be a central consideration for investors and here 2025 will clearly be a case of strong economy, strong currency for the U. S. dollar. The euro will look weak in comparison, but rate rises and growth could support the Japanese yen. 2025 will not always be an easy year for investors as markets navigate through geopolitical or other risks (including the “three Rs” of recession, rates and rotations). But we believe that these risks are manageable. With markets already anticipating the impact of future economic growth and development, this means that being and staying invested will be essential for portfolio success both in the short and long term.

Outlook

The global economy showed steady progress, despite facing a challenging and uncertain environment. According to the IMF World Economic Outlook, April 2025, the world economy grew by 3.3 percent in 2024, and is projected to grow by 2.8 percent and 3.0 percent in 2025 and 2026 respectively. While these figures reflect a stable trend, they also signal that the pace of growth is more moderate compared to the past. Sector-wise, the global services sector continued to expand, while manufacturing showed signs of weakness, particularly in Europe. Trade policy uncertainty remains high, with more protectionist measures being adopted by major economies. This could impact investment flows and global trade if such trends continue. Looking ahead, risks from geopolitical tensions and climate-related events persist. As the global economy adjusts to new realities, businesses are focusing more on resilience, diversification, and long-term value creation.

Indian Economy

India is set to dominate the global economic landscape, maintaining its status as the fastest-growing large economy for the next two fiscal years. The January 2025 edition of the World Bank's Global Economic Prospects (GEP) report projects India's economy to grow at a steady rate of 6. 7% in both FY26 and FY27, significantly outpacing global and regional peers. At a time when global growth is expected to remain at 2. 7 per cent in 2025-26, this remarkable performance underscores India's resilience and its growing significance in shaping the world's economic trajectory. The GEP report credits this extraordinary momentum to a thriving services sector and a revitalised manufacturing base, driven by transformative government initiatives. From modernising infrastructure to simplifying taxes, these measures are fuelling domestic growth and positioning India as a cornerstone of global economic stability. With its closest competitor, China, decelerating to 4 per cent growth next year, India's rise is more than just a statistic. It is a powerful story of ambition, innovation, and unmatched potential. Complementing the World Bank report, the latest update from the International Monetary Fund's (IMF) World Economic Outlook (WEO) also reinforces India's strong economic trajectory. The IMF forecasts India's growth to remain robust at 6. 5% for both 2025 and 2026, aligning with earlier projections from October. This consistent growth outlook reflects India's stable economic fundamentals and its ability to maintain momentum despite global uncertainties. The continued strength of India's economic performance, as projected by both the World Bank and IMF, underscores the country's resilience and highlights the sustained strength of its economic fundamentals, making India a crucial player in the global economic landscape.

Outlook

Despite global macroeconomic headwinds, India's economy has remained resilient, consistently outperforming the global average, driven by robust domestic demand, structural reforms, and strong policy measures. The country has managed economic stability even in the face of external challenges, including supply chain disruptions and inflationary pressures. In 2023-24, India's real GDP is estimated at ` 172.90 lakh crore (US\$ 2 trillion), reflecting the sustained expansion of key sectors such as manufacturing, services, and infrastructure. Meanwhile, the nominal GDP has reached ` 293.9 lakh crore (US\$ 3.5 trillion), highlighting the country's growing economic influence on the global stage. This growth trajectory, with a strong 9.2% expansion in 2023-24 compared to 7% in the previous year, underscores India's ability to navigate global uncertainties while maintaining steady momentum. Looking ahead, the economy is expected to build further on this foundation, supported by increasing investments, digital transformation, and a favorable demographic dividend.

Global Textile

The global textile industry navigated several headwinds during the year, demonstrating a divergent regional performance. Africa emerged as the key growth engine, while Asian markets witnessed subdued growth. Global order intake declined during the year; however, global backlogs showed modest recovery, averaging 2.3 months. Capacity utilisation remained relatively strong,

particularly in Asia, pushing global capacity utilisation at 72%. Despite these pockets of resilience, the industry faced major headwinds including weak global demand, escalating trade tensions and elevated operational costs.

World Cotton Outlook

The major cotton producing countries in the world are China, India, the United States, Brazil, Pakistan, and Australia. Together, these account for more than three-fourths of global production.

- **Production:** World cotton output in 2023/24 is estimated at 24.73 million tons, down about 2% from 25.32 million tons in 2022/23. The decline was mainly driven by lower harvests in China and the United States.
- **Consumption:** Global mill use rose modestly, increasing by 1.5% to 24.68 million tons compared with 24.31 million tons in 2022/23, reflecting a gradual recovery in textile demand.
- **Trade:** World trade expanded by 1.38 million tons, reaching 9.58 million tons. The increase was led by China's imports, which surged to 3.22 million tons—the highest in over a decade. This was partially offset by a decline in Pakistan's imports (down 0.37 million tons). Among exporters, Brazil registered the strongest growth, with exports up 0.62 million tons.
- **Stocks:** Global ending stocks remained broadly stable at 17.52 million tons, similar to the prior year.
- **Yield:** The global yield fell by about 1% to 761 kg/hectare, continuing a multiyear downtrend largely attributed to adverse weather conditions in several producing regions.

Indian Textile

The Indian textile industry is a longstanding and crucial part of the nation's economy, valued at over USD 160 billion, contributing approximately 2.3% to national GDP and 13% of industrial output. It stands as the country's second largest employer after agriculture, directly employing over 45 million people and indirectly supporting another 100 million. India ranks as the world's second largest textile producer, with the sector accounting for 12% of the country's export earnings. It is also the sixth largest exporter of textiles and apparel globally. In the past year, cotton yarn exports saw a decline due to reduced demand from China, though exports to Bangladesh showed growth. Integrating circular economy principles is vital for driving sustainability and reducing waste in the textile industry. A circular economy promotes the reuse, recycling and repurposing of materials to lessen resource depletion and environmental impact. India produces about 7.8 million tonnes of textile waste annually, which is 8.5% of global textile waste. By adopting circular practices such as textile recycling, upcycling and waste reduction, manufacturers can create a closed-loop system, prolonging material life, decreasing environmental impact and improving resource efficiency.

Indian Cotton Outlook

During the 2024-25 cotton season, the Cotton Corporation of India (CCI) procured a total of Rs. 99.41 lakh bales as of March 25,

2025, out of total arrival of Rs.260.11 lakh bales, benefitting over 21 lakh farmers with Rs.37,450 Crore in payments. Production trends during April to September 2024 remained largely stable compared to the previous year. Cotton-spun yarn output declined marginally by 1.15%, while the production of blended and non-cotton yarn output rose by 1.91% over that period. To strengthen the global branding of Indian Textile, the Government of India has registered the Kasturi Cotton India's brand as a trademark to give a unique identity to premium quality Indian cotton. Additionally, the successful organization of Global Mega Textile Event BHARAT TEX 2025 in February, 2025, led by Textile Export Promotion Councils (EPCs) and supported by the Ministry of Textiles, Government of India showcased India's prowess as a premier textile manufacturing hub. The event highlighted the country's end-to-end value chain—from raw materials to finished products—reinforcing its role in the global textile ecosystem.

Opportunities

Sourcing shifts : With the ever-changing global geo-political scenario, global buyers want to de-risk their sourcing strategy and reduce their dependence on China, which has been the most dominant supplier of textiles and apparel over the years. India stands to gain from this shift and there is a huge opportunity for India to have foot in the door of global buyers and make the most out of this opportunity. Attracting foreign direct investments (FDI) to enhance the value chain and infrastructure will be pivotal in capitalizing on this window.

Sustainable manufacturing :

With increasing global awareness around sustainability, Indian textile companies have a unique opportunity to lead in organic and eco-friendly fabrics. The demand for biodegradable materials, water-efficient processes, and ethical sourcing is rising, paving the way for innovative and sustainable business models. Government initiatives and policy support: The Indian government continues to bolster the textile sector through schemes such as the Production Linked Incentive (PLI) scheme, Make in India, and tax incentives for exporters. These initiatives provide businesses with financial and infrastructural support, encouraging investment in modern manufacturing facilities.

Technological advancements :

Automation, AI-driven quality control, and smart textiles are transforming the industry. Digital platforms enable manufacturers to streamline supply chains, enhance production efficiency, and deliver better customer experiences. The rise of e-commerce has further opened direct-to-consumer opportunities for textile brands. Digital printing has also allowed more vibrant and accurate colours to be printed onto fabrics, and inkjet printing has made production of printed fabrics faster.

Free Trade Agreements (FTAs)

India remains one of the top textile exporters globally. With rising global demand for affordable yet high-quality textiles, Indian manufacturers can leverage free trade agreements, diversified

export markets, and global supply chain disruptions to strengthen their foothold in international markets.

Threats

Intensified Global Competition

India is under intense competition from Bangladesh, Vietnam and China in international textile markets. Vietnam's textile sector benefits from high labour productivity and cost efficiencies, while Bangladesh remains a powerful competitor despite the latest political turbulence. As these nations enhance their capabilities, India must innovate and improve cost-effectiveness to retain market share.

High Raw Material Costs

Cotton, viscose and polyester are the three major raw materials for textiles and are the costliest in India, primarily because of import duties in the value chain upstream. For instance, cotton prices in India remained 10-15% above international levels for much of 2024. Similarly, polyester and viscose fibres cost up to 36% and 16% higher than in China, respectively, largely due to import duties and inefficiencies in the upstream supply chain.

Trade Barriers and Regulatory Challenges

China's cloth exports to India grew by 8.79% during Q1 2024, which was due to Quality Control Orders (QCOs) on raw materials that inadvertently benefitted Chinese exporters. The QCOs resulted in non-tariff barriers impeding the free movement of specialized fibers and yarns, which led to shortages and increased domestic prices. Furthermore, complex export procedures and stringent compliance demands by Western buyers particularly strain smaller players and MSMEs.

Macroeconomic Uncertainty

China's cloth exports to India grew by 8.79% during Q1 2024, which was due to International economic instability, such as prolonged inflation and elevated interest rates, has restrained consumer demand for non-essential items such as apparel. Additionally, geopolitical tensions, such as the Russia-Ukraine conflict and the Middle Eastern instability, have disrupted shipping lanes and elevated freight costs. These external pressures are compelling manufacturers to build more resilient, adaptive supply chains amid rising operational expenses.

The Company's internal control system aims to ensure that:

The Company's internal audit system is continuously monitored and updated to ensure that assets are safeguarded, established regulations are complied with and pending issues are addressed promptly. The Audit Committee routinely reviews reports resented by the internal auditors. The committee notes the audit observations and takes corrective actions if necessary. It maintains a constant dialogue with the statutory and internal auditors to ensure effective operations of the internal control systems.

Material development in Human Resources / Industrial Relation:

The Company is having a competent team of dedicated employees. The company recognizes the importance and the contribution of its human resources for its growth and development. The company follows a progressive policy to retain its employees including their Training and skill development. The focus of all aspects of Human Resource Development is on developing a superior workforce so that the organization and individual employee can accomplish their work goals of service to customers. HR policies of your company are being aligned with the current trends in the market. The Company follows a recognition and reward scheme that motivates the employees to perform better.

Health and Safety Measures

As a conscientious and caring employer, the Company actively pursues safety and health measures continuously. Modern occupational health and medical services are accessible to all employees through well-equipped occupational health center at all manufacturing units. At all Plants, adequate safety measures for prevention of any untoward incident have always been taken. The Company has a range of policies, including on quality, safety and health aspects to guide the employees' work practices, actions and decisions. The Company strives to continuously improve the effectiveness of its policies and the employees are encouraged to contribute their best in this direction. All employees are obliged to ensure that they fully understand all policies and they do fully comply with the requirements thereof

Cautionary Statement

Statement in this Management's Discussion and Analysis detailing the Company's objectives, projections, estimates, expectations or predictions are "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and Indian demand-supply conditions, finished goods prices, feedstock availability and prices, cyclical demand and pricing in the Company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries within which the Company conducts business and other factors such as litigation and labour negotiations.

The Company assumes no responsibility in respect of the forward looking statements herein, which may undergo changes in future on the basis of subsequent developments, information or events.

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

(Pursuant to Regulation 34(3) and Schedule V Para C clause (10) (i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To
The Members,
SVP GLOBAL TEXTILES LIMITED
(CIN: L17290MH1982PLC026358)
97, Maker Tower "F" 9th Floor
Cuffe Parade, Mumbai MH - 400005

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of **SVP GLOBAL TEXTILES LIMITED** having CIN L17290MH1982PLC026358 and having registered office at 97, Maker Tower "F" 9th Floor Cuffe Parade, Mumbai – 400 005 (hereinafter referred to as 'the Company'), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10 (i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to me by the Company & its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on 31st March, 2025 have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs or any such other Statutory Authority.

| Sr. No. | Name of Director | DIN | Date of appointment in Company |
|---------|---------------------------|----------|--------------------------------|
| 1 | MR. CHIRAG PITTIE | 00117368 | 28/06/2004 |
| 2 | MR. PRAVEEN SHELLEY | 01922237 | 31/03/2015 |
| 3 | MR. PRAKASH LAVJI VAGHELA | 07768595 | 12/10/2023 |
| 4 | MRS. PRIMA DENISH PARMAR | 10081050 | 20/07/2023 |
| 5 | MR. NAVAL TARA MISHRA | 07788856 | 12/10/2023 |
| 6 | MRS. GOPAL LOHIA | 09563931 | 12/10/2023 |

Ensuring the eligibility for the appointment / continuity of every Director on the Board is the responsibility of the management of the Company. My responsibility is to express an opinion on these based on my verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

CERTIFICATE BY THE CHIEF EXECUTIVE OFFICER AND CHIEF FINANCIAL OFFICER:
Under Regulation 17(8) and 33 (2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,

The Board of Directors

SVP Global Textiles Limited

1. We have reviewed financial statements including the cash flow statement of SVP Global Textiles Limited ("the Company") for the Financial Year ended 31st March, 2025 and to the best of our knowledge and belief:
 - i. these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii. these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
2. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's Code of Conduct.
3. We accept responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of Company's internal control systems pertaining to financial reporting. We have not come across any reportable deficiencies in the design or operation of such internal controls.
4. We have indicated to the Auditors and the Audit Committee:
 - i. that there are no significant changes in internal control over financial reporting during the year;
 - ii. that there are no significant changes in accounting policies during the year; and iii. that there are no instances of significant fraud of which we have become aware.

CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members of
SVP GLOBAL TEXTILES LIMITED
(Formerly known as SVP Global Ventures Ltd)

We have examined the compliance of conditions of Corporate Governance by **SVP GLOBAL TEXTILES LIMITED (Formerly known as SVP Global Ventures Ltd)** ("the Company") for the financial year ended March 31, 2025 as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C, D and E of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to a review of the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company. We have examined the books of account and other relevant records and documents maintained by the Company for the purpose of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

In our opinion and to the best of our information and according to the explanations given to us and based on the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C, D and E of Schedule V of the SEBI Listing Regulations during the year ended March 31, 2025, except as mentioned in Secretarial Audit Report for the year.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

This certificate is issued solely for the purposes of complying with the aforesaid Regulations and may not be suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

To the Members of,
SVP GLOBAL TEXTILES LIMITED
(Formerly known as SVP Global Ventures Ltd)

Report on the Audit of the Financial Statements**OPINION**

We have audited the financial statements of SVP Global Textiles Limited (*Formerly known as SVP Global Ventures Limited*) ("the Company"), which comprise the Balance sheet as at 31st March 2025, the statement of Profit and Loss, the Statement of Changes in Equity, and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS OF OPINION

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

EMPHASIS OF MATTER

1. We draw attention to note no. AB(1)(a) of "Notes forming Part of Accounts" that the National Company Law Tribunal (NCLT) has initiated the Corporate Insolvency Resolution Process (CIRP) against the key step subsidiaries namely **Shri Vallabh Pittie South West Industries Limited** and **Shrivallabh Pittie Industries Limited** by passing an order dated 10.10.2023 and 07.03.2024 respectively. As a part of CIRP of the Company, creditors had cast their vote for approving a Resolution Plan. That certain information including the minutes of meeting of the Committee of Creditors ("CoC") and the outcome of certain procedures carried out as a part of the CIRP are confidential in nature and could not be shared with anyone other than the Committee of Creditors and NCLT. Accordingly, we are unable to comment on the possible financial impact, presentation, and disclosures, if any, that may arise if we had been provided access to that information
2. We draw attention to note no. AB(1)(b) of "Notes forming Part of Accounts" that amounts of trades receivables, trades payables and loans receivables are subject to the balance confirmations from third parties and thus, reliance is placed upon the books of accounts provided by the management. Owing to uncertainty associated with the recoverability of the actual amounts of advances & other receivables, we are unable to comment upon the consequential impact on the financial statements
3. We draw attention to note no. AB(1)(c) of "Notes forming Part of Accounts" that Company has Borrowings to be repaid to the lenders wherein instances of non-compliance with certain debt covenants were made and the monies had been recalled by the lenders. However, in absence of the adequate evidence, we are unable to comment on the provision of finance cost as well as consequential adjustments that might impact this statement on account of non-compliance with debt covenants. Further, confirmation of balances from the lenders have not been obtained.

Our Opinion is not modified in respect of these matters.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that matters described below to be Key audit matter to be communicated in our report.

| PARTICULARS | AUDITOR'S RESPONSE |
|--|--|
| Statutory liabilities The Company has various tax litigations pending before various authorities, the outcomes of which are material but not practicable for the Company to estimate the timings of cash outflows. | For legal, regulatory and tax matters our procedures included examining external legal opinions obtained by management; meeting with regional and local management and examining relevant Group correspondence; discussing litigations with the Company's legal counsel and tax head; assessing management's conclusions through understanding precedents set in similar cases; and circularization, where appropriate, of confirmations to third party legal representatives regarding certain material cases. The outcomes of these tax litigations remain uncertain, and as of the date of our audit report, the Company has been unable to reliably estimate the timing of any cash outflows that may result from these litigations. The ultimate resolution of these matters may result in material adjustments to the financial statements in future periods. |

OTHER MATTER

The financial statements for the preceding financial year were audited by previous statutory auditors, i.e. Joshi & Shah and Associates. We have relied on the opening financial information provided by the Company and audited by the previous Statutory Auditor as well as Statutory Audit report issued by such Statutory Auditor for such preceding financial years.

Our opinion is not modified in respect of this matter.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Further we draw attention to the fact that an petition has been filed by Indian Bank with the Hon'ble National Company Law Tribunal (NCLT) under Section 7 of the Insolvency and Bankruptcy Code, 2016, alleging that the Company has defaulted in repayment of dues amounting to Rs. 35,62,91,742.36. The matter is currently pending before the NCLT for admission.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv.
 - (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (i) and (ii) contain any material mis-statement
- v. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

3. Based on our examination carried out in accordance with the Implementation Guidance on Reporting on Audit Trail under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 issued by the Institute of Chartered Accountants of India, which included test checks, we report that the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has not been operated throughout the year for all relevant transactions recorded in the software.

- a. Further, during the course of our audit, we were unable to check any instance of audit trail feature being tampered with. Our examination of the audit trail was in the context of an audit of financial statements carried out in accordance with the Standard of Auditing and only to the extent required by Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- b. We were unable to carry out any audit or examination of the audit trail beyond the matters required by the aforesaid Rule 11(g) nor were we able to carried out any standalone audit or examination of the audit trail.

ANNEXURE "A"

Referred to in Paragraph 1 under the heading of "Report on other Legal and Regulatory Requirements" of our report to the members of SVP GLOBAL TEXTILES LIMITED, formerly known as SVP Global Ventures Ltd of even date

Report on the Companies (Auditor's Report) Order, 2020, issued in terms of Section 143(11) of the Companies Act, 2013 ("the Act") of SVP GLOBAL TEXTILES LIMITED, (Formerly known as SVP Global Ventures Ltd) ("the Company"):

- (i) In respect of the Company's Property, Plant and Equipment and Intangible asset:
- (A) The Company is in the process of maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company has maintained proper records showing full particulars of Intangible assets.
 - The Company has not carried out physical verification of its Property, Plant and Equipment by which its Property, Plant and Equipment are required to be verified in a phased manner. In our opinion, the absence of periodic physical verification having regard to the size of the Company and the nature of its Property, Plant and equipment, we cannot comment on the existence of discrepancies in the Company's Property, Plant and Equipment.
 - According to the information and explanations given to us, the records examined by us and based on examination of the documents provided to us, we report that, as at the Balance Sheet date in respect of Land, the Lease Agreement with Rajasthan State Industrial in respect of Factory Land at Jhalawar stands in the Name of the Company. The Company holds a 99-year lease of the Jhalawar Factory Land starting from 20th April 2015. The Factory Building on the land has been constructed by the Company. The Company does not own any other Immovable property in respect of which title deeds are required to be held by the Company.
 - The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Therefore, reporting under the said clause is not required.
 - According to the information and explanations given to us, there are no proceedings initiated or pending against the Company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii)
- The management has not conducted physical verification of inventory at reasonable intervals during the year, with appropriate coverage and procedure of such verification. We cannot comment on any material discrepancies of 10% or more in the aggregate for each class of inventory.
 - The company has sanctioned working limits which are in excess of Rs 5 crores, in aggregate from banks on the basis of primary security on current assets which are stock and debtors. Collateral security such as land and building and fixed deposits. According to the information and explanations provided to us, no quarterly statements have been submitted to the banks.
- (iii) The Company has granted loans and advances in the nature of loans, unsecured, to companies, during the year, in respect of which the requisite information is below:
- Based on the audit procedures carried on by us and as per the information and explanations given to us the Company has provided loans or provided advances in the nature of loans to any other entity as below:

| Sr. No. | Particulars | Amount (Rs. in lakhs) |
|---------|---|-----------------------|
| 1. | Related Parties in which directors are interested | 4,501.42 |
| 2. | Other Parties | 383.46 |
| | Total | 4,884.88 |

- According to the information and explanations given to us, the terms and conditions of the loans and advances in the nature of loans granted to employees are prejudicial to the company's interest as the said loans are free of interest income.
- According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, no schedule of repayment of principal and payment of interest has been stipulated. Therefore, we cannot comment on the same.

- d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the loan or advance in the nature of loan granted are repayable on demand and have been outstanding in the books for long period of time. Thus, we cannot comment on the amount is not overdue for more than 90 days since it is repayable on demand.
- e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment except for the following loans or advances in the nature of loans:

| Particulars | Related Parties (Rs. in lakhs) |
|---|--------------------------------|
| Aggregate of loans/advances in nature of loan | |
| - Repayable on demand | 4,501.42 |
| - Agreement does not specify any terms or period of Repayment (B) | 383.46 |
| Total (A+B) | 4,884.88 |
| Percentage of loans/advances in nature of loan to the total loans | 90.54% |

- (iv)
- a) According to the information and explanations given to us, the Company has provided loans to a body corporate in which the Company's directors have an interest, the funds of which were utilized by the borrower company to pay off a loan taken from another corporate, which is not the principal business activity of the borrower company. Thereby, the company has violated the provisions of Section 185 of the Act.
- b) According to the information and explanations given to us, the Company has been provided with loans from bodies corporate, which are free of interest, hence the Company is in violation of Section 186 of the Act.
- (v) The Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India, provision of Section 73 to 76 of the Act, any other relevant provision of the Act and the relevant rules framed thereunder.
- (vi) We have broadly reviewed the books of account maintained by the Company as specified under Section 148(1) of the Act, for maintenance of cost records in respect of products manufactured by the Company, and are of the opinion that prima facie, the prescribed accounts and records have not been made and maintained. Due to lack of any cost records, we are unable to provide an opinion on misstatements, if any, regarding the costing of the products of the Company.
- (vii) In respect of payment/non-payment of statutory dues:
- a) According to information and explanation given to us, the company is generally regular in depositing undisputed statutory dues including Goods and Service tax, Provident fund, Employees' state Insurance, income-tax, goods and service Tax, duty of customs, duty of excise, cess and any other statutory dues to the appropriate authorities during the year and no such dues are outstanding for more than six months from the date they became payable except the following cases:

| Sr. No | Name of the statute | Nature of Dues | Amount | Period to which amount relates | Due Date | Status |
|--------|---------------------------------|----------------------------|------------|--------------------------------|---------------|------------------|
| 1 | Income Tax Act, 1961 | TDS Interest and late fees | 74,490 | Prior years | Various Dates | Unpaid till date |
| 2 | Goods and service Tax Act, 2017 | Demand Order | 13,666,438 | FY 17-18 | Various Dates | Unpaid till date |
| 3 | Goods and service Tax Act, 2017 | Demand Order | 20,425,357 | FY 17-18 | Various Dates | Unpaid till date |
| 4 | Goods and service Tax Act, 2017 | Demand Order | 8,820,472 | Prior years | Various Dates | Unpaid till date |

- b) According to the information and explanation given to us, there are no dues of Income tax, Goods and Service Tax, which have been outstanding on account of any dispute except the following cases:

| Sr. No. | Name of Statute | Nature of dues | Amount | Period | Forum where dispute is pending |
|---------|-----------------|------------------|---------|---------|--------------------------------|
| 1. | Income Tax Act | Tax and Interest | 19,675 | 2012-13 | CIT(A) |
| 2. | Income Tax Act | Tax and Interest | 106,212 | 2013-14 | CIT(A) |
| 3. | Income Tax Act | Tax and Interest | 113,503 | 2014-15 | CIT(A) |

| | | | | | |
|----|----------------|------------------|------------|---------|--------|
| 4. | Income Tax Act | Tax and Interest | 465,955 | 2015-16 | CIT(A) |
| 5. | Income Tax Act | Tax and Interest | 634,205 | 2016-17 | CIT(A) |
| 6. | Income Tax Act | Tax and Interest | 21,693,288 | 2017-18 | CIT(A) |
| 7. | Income Tax Act | Tax and Interest | 123,863 | 2017-18 | CIT(A) |
| 8. | Income Tax Act | Tax and Interest | 21,793,000 | 2018-19 | CIT(A) |

(viii) According to information and explanations given to us, there were no transactions which were recorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax, 1961.

(ix)

(a) In our opinion and according to the information and explanations provided to us, the Company has defaulted in repayment of the following loans including interest as specified below:

| Nature of borrowing, including debt securities | Name of Lender | Amount not paid on due date (Rs. in lakhs) | Whether Principal or Interest | No. of days delayed or unpaid |
|--|---|--|-------------------------------|-------------------------------|
| Term Loans | Rajasthan State and Industrial Development and Investment Corporation (RIICO) | 5,000.32 | Both | More than 2 year |
| Term Loans & Cash Credit | Indian Bank | 4,442.81 | Both | More than 2 year |

Note : Petition has been filed by Indian Bank with the Hon'ble National Company Law Tribunal (NCLT) under Section 7 of the Insolvency and Bankruptcy Code, 2016, alleging that the Company has defaulted in repayment of dues amounting to Rs. 35,62,91,742.36. The matter is currently pending before the NCLT for admission.

(b) According to the information and explanations given to us and based on the audit procedures performed by us, the Company is not a declared wilful defaulter by any bank or financial institution or government or government authority.

(c) According to the information and explanations given to us by the management, the Company has Outstanding term loans during the year. Accordingly, clause 3(ix)(c) of the Order is not applicable.

(d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds have been raised during the year on a short-term basis by the Company during the year. Accordingly, clause 3(ix)(d) of the Order is not applicable.

(e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures as defined under the Act. Accordingly, clause 3(ix)(e) of the Order is not applicable.

(f) According to the information and explanations given to us, the company has not raised any loans during the year by pledging securities held in their subsidiaries, joint ventures or associate companies (as defined under the Act).

(x) In respect of end use of monies raised by way of IPO/FPO/Term Loans:

(a) The Company has not raised any money by way of an initial public offer or further public offer (including debt instruments). Accordingly, paragraph 3(x)(a) of the order is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x) (b) of the Order is not applicable.

(xi) In respect of Frauds noticed/reported:

a. Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.

b. According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

- c. We have neither come across any instance of whistle-blower complaints nor have we been informed of such case by the management.
- (xii) The Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us and based on examination of records, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- (xiv) In respect of company's Internal Audit:
- (a) To the best of our knowledge, the company does not have an internal audit system which is commensurate with the size and nature of its business.
- (b) Since there are no Internal Audit Systems or Reports, we cannot comment on the Internal Audit System being commensurate with the size and nature of its business.
- (xv) According to the information and explanations given to us and based on examination of records, the company has not entered into any non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi) In our opinion, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of paragraph 3(xvi) of the Order are not applicable to the Company.
- (xvii) The Company has incurred cash losses of Rs. 237.33 lakhs during the financial year and Rs. 1,263.63 lakhs in the immediately preceding financial year.
- (xviii) There has been the resignation of the statutory auditors during the year, and the outgoing auditors have not raised any objections or concerns for our consideration.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists other than application received by NCLT as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx)
- (a) On the basis of information and explanations given to us, the Company does not have any unspent amount, hence not transferred any unspent amount to a Fund specified in Schedule VII to the Companies Act within a period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act.
- (b) On the basis of information and explanation given to us there is no amount remaining unspent under section (5) of section 135 of Companies Act, pursuant to any ongoing project, has been transferred to special account in compliance with provision of sub section (6) of section 135 of the said Act.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under Report on Other Legal and Regulatory Requirements section of our report to the members of **SVP GLOBAL TEXTILES LIMITED, (Formerly Known as SVP Global Ventures Ltd)** on the financial statements for the year ended March 31, 2025)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SVP GLOBAL TEXTILES LIMITED, (Formerly Known as SVP Global Ventures Ltd)** (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

| | Note : The Company has Borrowings to be repaid to the lenders wherein instances of non-compliance with certain debt covenants were made and the monies had been recalled by the lenders. Company has not provided for Finance Cost for the period after June 30, 2024 since there has been no charge or levy of finance cost and/or interest received by the Lenders. The same would be provided by the Company on receiving such intimation of charge/interest from lenders. Thus, in absence of the adequate evidence, we are unable to comment on the provision of finance cost as well as consequential adjustments that might impact this statement on account of non-compliance with debt covenants. | | |

The carrying amounts of trade receivables, cash and bank balances, current loans, current borrowings, and trade payables are considered to be approximately equal to the fair value.

I. Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. This section explains the judgements and estimates made in determining the fair values of the financial instruments that

are
(a) recognised and measured at fair value and,
(b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the Indian accounting standard. An explanation of **Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

II. Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include:

- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date.
 - o Use of quoted market price or dealer quotes for similar instruments
 - o Using discounted cash flow analysis.

The fair values computed above for assets measured at amortised cost are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy due to the use of unobservable inputs.

SVP Global Textiles Limited (Formerly known as SVP Global Ventures Limited)

22 -B Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

A. Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The company is exposed to credit risk from its operating activities (primarily for trade receivables and loans) and from its financing activities (deposits with banks and other financial instruments).

Credit risk management

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company's maximum exposure to credit risk as at 31st March, 2025 and 2024 is the carrying value of each class of financial assets.

i Cash and Cash Equivalents

The Company held cash and bank balance with credit worthy banks of Rs. 4.08 Lakhs at March 31,2025 , and Rs 28.11 Lakhs at March 31, 2024).The credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks where credit risk is largely perceived to be extremely insignificant.

B. Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – trade payables and borrowings.

Liquidity risk management

The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. A material and sustained shortfall in our cash flow could undermine the Company's credit rating and impair investor confidence.

Maturities of non – derivative financial liabilities

(Rs. In lakhs)

| Particulars | As at 31 March 2025 | | As at 31 March 2024 | |
|--|---------------------|------------------|---------------------|------------------|
| | Less than 1 year | More than 1 year | Less than 1 year | More than 1 year |
| Financial Liabilities - Current | | | | |
| i. Current Borrowings * | 2,239.97 | - | 2,239.97 | - |
| ii. Trade payables | 541.73 | - | 541.73 | - |
| Total | 2,781.71 | - | 2,781.71 | - |

C. Market risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments.

i Currency Risk

The functional currency of the Company is Indian Rupee. Currency risk is not material, as the Company does not have any exposure in foreign currency.

ii Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to interest rate risk

According to the Company interest rate risk exposure is only for floating rate borrowings. Company does not have any floating rate borrowings on any of the Balance Sheet date disclosed in this financial statements.

iii Price Risk

Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. It arises from financial assets such as investments in quoted instruments.

a Fair value sensitivity analysis for fixed rate Instruments

The Company does not account for any fixed rate financial assets or financial liabilities at fair value through Profit or Loss. Therefore, a change in interest rates at the reporting date would not affect Profit or Loss.

b Cash flow sensitivity analysis for variable rate Instruments

The company does not have any variable rate instrument in Financial Assets or Financial Liabilities.

SVP Global Textiles Limited (Formerly known as SVP Global Ventures Limited)

22 -C Capital Management

The company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-today needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets.

The management monitors the return on capital as well as the level of dividends to shareholders. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS ON STANDALONE FINANCIALS FOR YEAR ENDED 31ST MARCH, 2025

Note No-22

CORPORATE INFORMATION

SVP Global Textiles Limited (Formerly known as SVP Global Ventures Limited) (the Company) is a listed Public Company domiciled in India and incorporated under the provision of the Companies Act, 1956. The Company is engaged In Manufacturing of Textiles Goods.

BASIS OF PREPARATION**(i) Compliance with Ind AS**

These financial statements “Standalone” have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the ‘Ind AS’) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (‘Act’) read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The accounting policies are applied consistently to all the periods presented in the financial statements.

(ii) Historical cost convention

The financial statements have been prepared on the accrual and going concern basis. The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that is measured at fair value as stated in subsequent policies.

The accounting policies have been applied consistently over all the period presented in these financial statements.

(iii) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES.**A. Use of estimates**

The preparation of financial statements in conformity with Ind AS requires the management to make judgments estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management’s best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

B. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sale of Goods

Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer which generally coincide with dispatch while the Company retains neither continuing managerial involvement nor effective control over the products sold. It is inclusive of Excise Duty, Sales Tax/VAT and GST, and Freight etc recovered thereon and net of discounts and sales returns.

Rendering of Services

Revenue from services is recognized when the stage of completion can be measured reliably. Stage of completion is measured by the services performed till balance sheet date as a percentage of services contracted.

Interest

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend

Dividend income is recognized when the right to receive payment is established.

Royalties

Royalty income is recognized on an accrual basis in accordance with the substance of the relevant agreement.

C. Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation

Depreciation on tangible assets is provided on the Straight-line-method over the useful lives of assets estimated by the management. Depreciation for assets purchased/ Sold during a period is proportionately charged. The Management estimates the useful lives for the fixed assets as follows:

| | | |
|------|-------------------------------|----------|
| i. | Building | 30 years |
| ii. | Plant & Machinery | 8 years |
| iii. | Electrical Item & Equipment's | 10 years |
| iv. | Computer & software | 3 years |
| v. | Vehicles | 8 years |

Based on technical evaluation, the management believes that the useful lives of Plant & Machinery as given above best represent the period over which management expects to use these assets.

Hence the useful lives for these assets is different from the useful lives as prescribed under part C of Schedule II of the Companies Act 2013.

The useful lives, residual values of each part of an item of property, plant and equipment and the depreciation methods are reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

Investment properties that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment if any.

Derecognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

D. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses if any. Internally generated intangible assets, including research cost, are not capitalized and expenditure is reflected in the Statement of Profit and Loss in the year in which the expenditure is incurred.

Amortization

Intangible assets are amortized on a straight-line basis over the estimated useful economic life. The amortization expense on intangible assets with finite lives is recognized in the Statement of Profit and Loss.

The estimated useful life and amortization method are reviewed at the end of each annual reporting period, with the effect of any changes in the estimate being accounted for on a prospective basis.

Derecognition

Gains or losses arising from derecognizing of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

E. Inventories

Inventories are valued at Lower of cost and net realizable value. However, materials and other items held for use in production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost.

In determining the cost of raw materials, packing materials, stock-in-trade, stores, spares, FIFO cost method is used. Cost of inventory comprises of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition.

Cost of finished goods and work-in-progress includes the cost of raw materials, packing materials, an appropriate share of fixed and variable production overheads, excise duty as applicable and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of Completion and estimated costs necessary to make the sale.

F. Investment

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Non-current investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

G. Foreign currency transaction

Initial Recognition:

On initial recognition, transactions in foreign currencies entered into by the Company are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss.

Measurement of foreign currency items at reporting date:

Foreign currency monetary items of the Company are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency, are translated using the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value is measured. Exchange differences arising out of these translations are recognized in the Statement of Profit and Loss.

H. Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all leases.

In respect of assets taken on operating lease, lease rentals are recognized as an expense in the Statement of Profit and Loss on straight line basis over the lease term unless

- (1) Another systematic basis is more representative of the time pattern in which the benefit is derived from the leased asset; or

- (2) The payments to the lessor are structured to increase in the line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

The Lease asset classes primarily consist of leases for Land and Buildings and Plant & Equipment. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) The contract involves the use of an identified asset
- (ii) The Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) The Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases of low value assets. For these short-term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability and reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The re measurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

I. Income Tax

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Income taxes reflect the impact of timing differences between taxable income and accounting Income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period i.e. the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

Uncertain Tax position

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. The provision is estimated based on one of two methods, the expected value method (the sum of the probability weighted amounts in a range of possible outcomes) or the single most likely amount method, depending on which is expected to better predict the resolution of the uncertainty.

J. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

(i) Classification

The Company classifies its financial assets in the following measurement categories: those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortized cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income.

For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes. However, trade receivables that do not contain a significant financing component are measured at transaction price.

The Management based on historically observed default rates is of the opinion that all the Receivables are Goods and Recoverable and provision for Loss Allowance is not necessary and hence provision is not made.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through the Statement of Profit and Loss are expensed in the Statement of Profit and Loss.

For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria:

- i) The Company's business model for managing the Financial Asset, and
- ii) The contractual cash flow characteristics of the Financial Asset.

Based on the above criteria, there are three measurement categories into which the Company classifies its Financial Assets:

Amortized cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is

not part of a hedging relationship is recognized in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through other comprehensive income (FVTOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVTOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other expenses or other incomes, as applicable. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit and loss:

Assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in profit or loss and presented net in the statement of profit and loss within other expenses or other incomes, as applicable in the period in which it arises. Interest income from these financial assets is included in other income.

(i). Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses (ECL) associated with its assets carried at amortized cost or FVTOCI. The impairment methodology applied on the above assets depends on whether there has been a significant increase in credit risk.

For trade receivables and lease receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, wherein an amount equal to lifetime ECL is measured and recognized as loss allowance.

(ii) Derecognition of financial assets

A financial asset (or, where applicable, a part of financial assets or part of a group of similar financial assets) is derecognized (i.e. removed from the Company's balance sheet) when any of the following occurs:

- i. The contractual rights to cash flow from the financial assets expires;
- ii. The Company transfers its contractual rights to receive cash flows of the financial assets and has substantially transferred all the risk and reward of ownership of the financial assets;
- iii. The Company retains the contractual rights to receive cash flow but assumes a contractual obligation to pay the cash flow without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risk and reward of ownership of the financial assets);
- iv. The Company neither transfers nor retains substantially all risk and reward of ownership and does not retain control over the financial assets.

In case where Company has neither transferred nor retained substantially all of the risks and rewards of the financial assets, but retains control of the financial assets. The Company continues to recognize such financial assets to the extent of its continuing involvements in the financial assets. In that case, the company also recognizes an associated liability. The Financial asset and the associated liability are measured on that reflects the rights and obligations that the Company has retained.

On derecognition of a financial asset, (except as mentioned in ii above for financial assets measured at FVTOCI) the difference between the carrying amount and the consideration received is recognized in the statements of Profit and Loss.

Financial liabilities

(i). Measurement

Financial liabilities are initially recognized at fair value, reduced by transaction costs (in case of financial liability not at fair value through profit or loss), that are directly attributable to the issue of financial liability. After initial recognition, financial liabilities are measured at amortized cost using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash outflow (including all fees paid, transaction cost, and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through profit or loss. The impact on Financials due to effective interest method has been worked out and impact not being material has been ignored.

(ii) **Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

K. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating the resources and assessing the performance of the operating segments of the Company. The operates in a Single Segment "Textiles"

L. Impairment of Assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Impairment losses, if any, are recognized in the Statement of Profit and Loss and included in depreciation and amortization expense.

M. Provisions

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Where the company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

N. Contingent liabilities

A contingent Liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

O. Borrowing Cost

Borrowing costs includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from Foreign Currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized. All other borrowing costs are expensed in the period in which they occur.

P. Earnings per Share

The Company reports basic earning per share in accordance with Ind AS-33 "Earning Per Share". Basic earning per share have been computed by dividing net profit after tax by weighted average number of shares outstanding for the year.

Q. Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less and other short term highly liquid investment.

R. Other comprehensive income Under Ind AS

All items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes re-measurements of defined benefit plans and fair value gains or (losses) on FVTOCI. The concept of other comprehensive income did not exist under previous GAAP.

S. Employee benefits

a) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

b) Other long-term employee benefits obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in the Statement of Profit and Loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

c) Post-employment obligations

- The Company operates the following postemployment schemes:
- Defined benefit plans such as gratuity, and
- Defined contribution plans such as provident fund and superannuation Fund

Defined Benefit Plans

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The benefits which are denominated in currency other than INR, the cash flows are discounted using market yields determined by reference to high-quality corporate bonds that are denominated in the currency in which the benefits will be paid, and that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the Balance sheet.

Re-measurements are not reclassified to profit and loss in the subsequent periods.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

Defined Contribution Plans

The Contribution towards provident fund, ESIC, pension fund and Social Security Funds for certain employee's is made to the regulatory authorities where the Company has no further obligations.

Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations apart from the contributions made on a monthly basis.

The Company recognizes contribution payable to a defined contribution plans as an expense in the Statement of Profit and Loss when the employees' render services to the Company during the reporting period. If the contributions payable for services received from employees' before the reporting date exceeds the contributions already paid, the deficit payable is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the reporting date, the excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payments.

d) Share-based payments

Share-based compensation benefits are provided to employees under "Employee Stock Option Plan". Employees' of the Company receives remuneration in the form of share-based payments as per the eligibility criteria.

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made. That cost is recognized, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense.

e) Bonus Plan

The Company recognizes a liability and an expense for bonuses. The Company recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

T. Government grants and subsidies

Recognition and Measurements

The Company is entitled to subsidies from governments in respect of manufacturing units located in specified regions. Such subsidies are measured at amounts received from the governments which are non-refundable and are recognized as income when there is a reasonable assurance that the Company will comply with all necessary condition attached to them. Income from subsidies is recognized on a systematic basis over the periods in which the related costs that are intended to be compensated by such subsidies are recognized.

The Company has received refundable government loans at below markets rate of interest which are accounted in accordance with the recognition and measurements principles of Ind AS 109, Financial Instruments. The benefits of below – market rate of interest is measured as the difference between the initial carrying value of loan determined in accordance with Ind AS 109 and the proceeds received.

It is recognized as income when there is a reasonable assurance that the Company will comply with all necessary condition attached to the loans. Income from such benefit is recognized on a systematic basis over the period if the loan during which the Company recognizes interest expense corresponding to such loans.

Presentation

Incomes arising from below - market rate of interest loans are presented on gross basis under other income.

U. Events after reporting date

Where events occurring after the balance sheet provide evidence of condition that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

V. Non-Current Assets held for sale

The Company classifies non-current assets as held for sale if their carrying amounts will be recovered principally through sale rather than through continuing use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

W. Fair Value

The Company measure financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs)

1. Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities
2. Level 2- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly
3. Level 3- Inputs that are unobservable for the asset or liability.

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

X. Financial risk management objectives and policies

The Company's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management advises on financial risks and the appropriate financial risk governance framework for the Company. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

Financial risk management

The Company has a Senior Management consisting of Board of Directors for overseeing the Risk Management Framework and developing and monitoring the Company's risk management policies. The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Company's activities to provide reliable information to the Management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the Company

The risk management policies aims to mitigate the following risks arising from the financial instruments:

- Market risk
- Credit risk; and
- Liquidity risk

a. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in the market prices. The Company is exposed in the ordinary course of its business to risks related to changes in foreign currency exchange rates, commodity prices and interest rates.

The Company seeks to minimize the effects of these risks by using derivative financial instruments to hedge risk exposures. The use of financial derivatives is governed by the Company's policies approved by the Board of Directors, which provide written principles on foreign exchange risk, interest rate risk, credit risk, the use of financial derivatives and non-derivative financial instruments, and the investment of excess liquidity. Compliance with policies and exposure limits is reviewed by the Management and the internal auditors on a continuous basis. The Company does not enter into or trade financial instruments, including derivatives for speculative purposes.

b. Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

Company's credit risk arises principally from the trade receivables, loans, investments in debt securities, cash & cash equivalents, derivatives and financial guarantees.

c. Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. The Company requires funds both for short term operational needs as well as for long term capital expenditure growth projects. The Company generates sufficient cash flow for operations, which together with the available cash and cash equivalents and short term investments provide liquidity in the short-term and long term.

The Company has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported value of financial instruments.

Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, convertible preference shares, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximize the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.

The Company monitors its capital using gearing ratio, which is net debt divided to total equity. Net debt includes, interest bearing loans and borrowings less cash and cash equivalents, bank balances other than cash and cash equivalents and current investments.

Y. Ind AS 115, Revenue from contract with customers:

Ind AS 115 supersedes Ind AS 11, Construction Contract and Ind AS 18, Revenue. Ind AS 115 requires an entity to report information regarding nature, amount, timing and uncertainty of revenue and cash flow arising from a contract with customers. The principle of Ind AS 115 is that an entity should recognize revenue they demonstrate the transfer of promised goods and service to customers at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The standard can be applied either retrospectively to each prior reporting period presented or can be applied retrospectively with recognition of cumulative effect of contracts that are not completed contracts the date of initial application of the standard.

Z. Indemnification Asset:

Indemnification asset is recognised at fair value at the time when the seller contractually agrees to indemnify, in whole or in part, for a particular uncertainty. It is initially measured on the same basis as defined in the agreement, subject to collectability.

AA. Recent accounting pronouncements

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below.

Ind AS 16, Property Plant and equipment – The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognized in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its Standalone financial statements.

Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets – The amendment specifies that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labor, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material.

AB. NOTES FORMING PART OF ACCOUNTS:

1. Exceptional Item Notes and Relevant notes

- a) We draw attention that the National Company Law Tribunal (NCLT) has initiated the Corporate Insolvency Resolution Process (CIRP) against the key step subsidiaries namely Shrivallabh Pittie South West Industries Limited and Shrivallabh Pittie Industries Limited by passing an order dated 10.10.2023 and 07.03.2024 respectively. As a part of CIRP of the Company, creditors had cast their vote for approving a Resolution Plan. That certain information including the minutes of meeting of the Committee of Creditors (“CoC”) and the outcome of certain procedures carried out as a part of the CIRP are confidential in nature and could not be shared with anyone other than the Committee of Creditors and NCLT. Accordingly, we are unable to comment on the possible financial impact, presentation, and disclosures, if any, that may arise if we had been provided access to that information
- b) The Balances disclosed under the trader receivables and loans receivables are subject to the balance confirmations from third parties and thus, reliance is placed upon the books of accounts provided by the management.
- c) The Company has the Borrowings to be repaid to the lenders as disclosed in the statements as Rs. 14,625.63 lakhs in Non- Current Borrowings, Rs. 2,239.97 lakhs in Current Borrowings and Rs. 1,929.85 lakhs in Other Current Liabilities wherein instances of non-compliance with certain debt covenants were made and the monies had been recalled by the lenders. However, in absence of the adequate evidence, we are unable to comment on the consequential adjustments that might impact this statement on account of non-compliance with debt covenants. Further, confirmation of balances from the lenders have not been obtained.

2. Contingent Liabilities –

The Company received income tax assessment orders raising demand of Rs 4.49 crore (P.Y. 1.78 crore). The management has taken a legal opinion from reputed consultant and according to that these demands are not sustainable. CIT Appellate has ruled in favour of the Company and substantially reduced the Demand and the CIT (A) order is appealable.

The Company also has outstanding GST demand of Rs. 4.29 lakhs and TDS demand of Rs. 0.74 lakhs.

Further, as per IND AS 37, it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Therefore, such amounts have been recognised as Contingent Liabilities in the said Financial Statements.

3. The amount of Exchange difference (Net) credited to the profit & Loss Account for the Year Rs. Nil/- (P.Y Nil)
4. The Company has considered interest subsidy income of Rs. Nil from State Government of Rajasthan. (P.Y. Nil)
5. The balances appearing under Sundry Debtors, Sundry Creditors Advances to Suppliers and others are subject to confirmation.
6. Details of remuneration to Managing Director and Whole Time Director

| Particulars | Year Ended 31.03.25 Amount in Rupees | Year Ended 31.03.24 Amount in Rupees |
|-----------------------|---|---|
| Director remuneration | NIL | NIL |
| Sitting Fees | 2,17,512 | 3,14,710 |
| Total | 2,17,512 | 3,14,710 |

7. The Company has not received information from suppliers regarding their status under the Micro, Small and medium Enterprise Development Act, 2006 and hence the disclosures, if any, relating to amount unpaid as at the year end together with interest paid/payable and other disclosures required to be made U/s. 22 of the above Act is have not been given.
8. In determining Earning per share as per Ind AS - 33, the Company has considered net profit after tax. The Number of Shares used for determining basic EPS is the total Number of shares issued & fully paid up as at 31st March, 2025

| Reconciliation of number of shares | | |
|--|--------------------|---------------------|
| 1) Equity share Capital | No. of Share | Amount in Rs |
| Share at the beginning of the year | 12,65,00,000 | 12,65,00,000 |
| Add :Share issued during the year | - | - |
| less: Buy back of share | - | - |
| Outstanding shares at the year end | 12,65,00,000 | 12,65,00,000 |
| EPS Working | FY 2024- 25 | FY 2023 - 24 |
| Basic and diluted earnings per share in rupees (Face value - Rs. 1 per share) | (0.79) | (9.75) |
| Profit after tax as per statement of profit and loss (in lakhs) | (996.33) | (12,336.05) |
| Weighted average number of equity share outstanding during the year | 12,65,00,000 | 12,65,00,000 |

9. No Dividend has been paid during the year ended March 31, 2025.

INDEPENDENT AUDITOR'S REPORT

To the Members of,
SVP GLOBAL TEXTILES LIMITED
(Formerly known as SVP Global Ventures Ltd)

Report on the Audit of the Financial Statements**Opinion**

We have audited the accompanying consolidated financial statements of **SVP GLOBAL TEXTILES LIMITED (Formerly known as SVP Global Ventures Ltd)** (hereinafter referred to as the "Holding Company") and its subsidiaries (the holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), and the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended March 31, 2025, and notes to the Consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act. in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025, the consolidated profit & Loss statement, consolidated total comprehensive income, consolidated changes in equity and its cash flows for the year ended.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the group in accordance with the Code of Ethics issued by the ICAI, together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

1. We draw attention to note no AB(1)(a) of "Notes forming Part of Accounts" that the National Company Law Tribunal (NCLT) has initiated the Corporate Insolvency Resolution Process (CIRP) against the key step subsidiaries namely Shri Vallabh Pittie South West Industries Limited and Shri Vallabh Pittie Industries Limited by passing an order dated 10.10.2023 and 07.03.2024 respectively.
2. We draw attention to note no AB(1)(b) of "Notes forming Part of Accounts" that the Balances disclosed under the trades receivables and loans receivables are subject to the balance confirmations from third parties and thus, reliance is placed upon the books of accounts provided by the management.
3. As stated in note no AB(1)(c) of "Notes forming Part of Accounts" The Group has the Borrowings to be repaid to the lenders as disclosed in the statements as Rs. 1,01,912.04 lakhs in Non-Current Borrowings, Rs. 84,855.65 lakhs in Current Borrowings and Rs. 47,889.20 lakhs in Other Current Liabilities wherein instances of non-compliance with certain debt covenants were made and the monies had been recalled by the lenders. However, in absence of the adequate evidence, we are unable to comment on the consequential adjustments that might impact this statement on account of non-compliance with debt covenants. Further, confirmation of balances from the lenders have not been obtained
4. We draw attention to note no 22 of financial statement mentioning that as per the unaudited financial statements of Shrivallabh Pittie Industries Ltd for FY 2023-24, no impairment of assets was recognized. However, upon finalization of the audited financial statements for the same period, an impairment charge was recorded and in the Audited Financials of Shrivallabh Pittie Industries Ltd for FY 2023-24. Accordingly, to give effect to this adjustment, the impairment has been accounted through Exceptional items in FY 2024-25.
5. We draw attention to Note No 6 of financial statement mentioning that Subsidiaries of the Company i.e. Shrivallabh Pittie South West Industries and SV Pittie Trading (FZC) LLC have booked impairments in unaudited standalone financials for the FY ended 2024-25 and such Impairments have been recorded in Other Expenses in line with the adjustments given in standalone unaudited books of accounts of both the aforesaid entities.

Our Opinion is not modified in respect of these matters.

Contingent Liability

The Group has various litigations pending before various authorities, bankers and lenders, the outcome of which are material but not practicable for the Company to estimate the timings of cash outflows, as well as per Legal opinions obtained by the Management of the Company, it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, hence the Company has disclosed them as contingent liability in Note AB (4). "Notes forming Part of Accounts".

Information other than Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Holding Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is

higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Company Act, 2013 we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors in the financial results.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated financial statement. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities in then Consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors or certified by the management, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced.

We consider quantitative materiality and qualitative factors in

- (i) Planning the scope of our audit work and in evaluating the results of our work; and
- (ii) To evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

1. The financial statements for the preceding financial year were of the Parent Company were audited by previous statutory auditors, i.e. Joshi & Shah and Associates. We have relied on the opening financial information provided by the Company and audited by the previous Statutory Auditor as well as Statutory Audit report issued by such Statutory Auditor for such preceding financial years.
2. The Consolidated Financials of the Company includes the Financials of the following:

| Sr No | Name of the Entity | Relationship | Audited Financials / Management Certified |
|-------|--|-----------------------|---|
| 1 | SVP Global Textiles Limited | Parent | Audited |
| 2 | Shrivallabh Pittie Enterprises Private Limited | Subsidiary | Audited |
| 3 | Shrivallabh Pittie South West Industries Limited | Subsidiary under CIRP | Unaudited financial statements by Statutory Auditor on instructions of the Insolvency Professional. |
| 4 | Shrivallabh Pittie Industries Limited | Subsidiary under CIRP | Unaudited financial statements by Statutory Auditor on instructions of the Insolvency Professional. |
| 5 | SV Pittie Trading (FZC) LLC | Foreign Subsidiary | Management certified Financials |
| 6 | SV Pittie Sohar Textiles [FZC] SAOC | Foreign Subsidiary | Management certified Financials |

- The Consolidated Financial Statement includes the audited standalone financial statement and other financial information in respect of 1 (one) subsidiary whose audited standalone financial statements/financial results/financial information reflects total assets of Rs. 31,060.50 lakhs, as on March 31, 2025, having no revenue, total loss before tax of Rs. (29,557.09) lakhs, total comprehensive loss of Rs. (29,557.09) lakhs, and net cash inflow of Rs. 9.33 lakhs for the year ended March 31, 2025, as considered in the Statement which has been audited by us.
- The Consolidated Financial Statement includes the unaudited standalone financial statements and other financial information in respect of 2 (two) Indian subsidiaries, namely Shri Vallabh Pittie South West Industries Limited and Shri Vallabh Pittie Industries Limited currently under CIRP, whose unaudited financial statements reflects Group's share of total assets of Rs. 37,824.83 lakhs as on March 31, 2025, total revenue of Rs. 9.20 lakhs, loss before tax of Rs. (41,269.80) lakhs and total comprehensive loss of Rs. (41,269.80) lakhs for the year ended March 31, 2025, as considered in the Statement.
- The Consolidated Financial Statement includes the unaudited financial statement and other financial information, in respect of; 2 (two) foreign subsidiaries, whose unaudited financial statements and financial information reflects total assets of INR 2,17,224.09 lakhs as on March 31, 2025, of which total revenues (before consolidation adjustments) of INR 9,220.72 lakh, total net profit after tax (before consolidation adjustments) of INR (28,204.82) lakh and total comprehensive income (before consolidation adjustments) of INR (28,204.82) lakh for the year ended 31 March 2025, as considered in the Statement whose financial results/statements and other financial information have been management certified.

Our opinion on the Statement is not modified in respect of the above matters with respect to our reliance on the work done and the financial statements/financial information certified by the Management referred in para above.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- As required by Section 143(3) of the Act, we report that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit except for the matters as given in the "Emphasis of Matter" para stated above;
 - In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books except for the matters stated in the paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of consolidated financial statements.

- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in “Annexure-B” to this report;
3. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group has disclosed the impact of pending litigations as at 31st March 2025 on its financial position in its consolidated financial statements. Further we draw attention to the fact that an petition has been filed by Indian Bank with the Hon’ble National Company Law Tribunal (NCLT) under Section 7 of the Insolvency and Bankruptcy Code, 2016, alleging that the Parent Company has defaulted in repayment of dues amounting to ₹35,62,91,742.36. The matter is currently pending before the NCLT for admission.
 - ii. The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies.
 - iv.
 - (a) The respective management of the Company, to the best of its knowledge and belief, as disclosed in the Notes to the financial statements, no funds other than as disclosed in the notes to the accounts have been advanced or loaned or invested by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The respective management of the Company, to the best of its knowledge and belief, as disclosed in the Notes to the financial statements that no funds other as disclosed in the notes to the accounts have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on our audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that can cause us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. In our opinion, based on information and explanation provided to us dividend not declared or paid during the year by the company is in compliance with section 123 of the Companies Act 2013.
 - vi. Based on our examination carried out in accordance with the Implementation Guidance on Reporting on Audit Trail under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 issued by the Institute of Chartered Accountants of India, which included test checks, we report that the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has not been operated throughout the year for all relevant transactions recorded in the software.
 - a. Further, during the course of our audit, we were unable to check any instance of audit trail feature being tampered with. Our examination of the audit trail was in the context of an audit of financial statements carried out in accordance with the Standard of Auditing and only to the extent required by Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

- b. We were unable to carry out any audit or examination of the audit trail beyond the matters required by the aforesaid Rule 11(g) nor were we able to carried out any standalone audit or examination of the audit trail.
4. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Company is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

“ANNEXURE A”

To The Independent Auditor’s Report

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor’s Report) Order, 2020 (“CARO”) issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of respective companies included in the Consolidated Financial Statements, to which reporting under CARO is applicable, as provided to us by the Management of the Parent, we report that in respect of those companies where audits have been completed under Section 143 of the Act, there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said companies included in the Consolidated Financial Statements, except following :

| Sr. No. | Name of the entities | CIN | Subsidiary | Clause number of the CARO Report |
|---------|--|-----------------------|------------|---|
| 1 | Shrivallabh Pittie Enterprises Private Limited | U52100MH2013PTC242864 | Subsidiary | Clause 3(iv) Clause 3(xv) Clause 3(xix) |

Other than the above-mentioned subsidiary, which was subject to audit, all the other subsidiaries of the Company as considered for Consolidation were unaudited and only Management certified financials were provided for 2 foreign subsidiaries (namely SV Pittie Trading (FZC) LLC and SVP Textiles PLC) and 2 Indian subsidiaries (namely Shrivallabh Pittie South West Industries Limited, Shrivallabh Pittie Industries Limited are under CIRP proceedings.)

Therefore, for these 4 subsidiaries, no audit report had been submitted to us and consequently we cannot comment upon qualifications and/or adverse remarks in these 4 subsidiaries so mentioned.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of **SVP GLOBAL TEXTILES LIMITED, (Formerly known as SVP Global Ventures Ltd)** on the consolidated financial statements for the year ended 31st March, 2025]

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SVP Global Textiles Limited, (Formerly known as SVP Global Ventures Ltd)**, (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") as of 31st March, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under sub-section (10) of Section 143 of the Act, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI).

Other Matter

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to its subsidiary companies incorporated outside India were unaudited and only certified by the management. Thus, we do not express our opinion incorporated in India on the adequacy and operating effectiveness of the internal financial controls over financial reporting for such subsidiaries.

The carrying amounts of trade receivables, cash and bank balances, current loans, current borrowings, and trade payables are considered to be approximately equal to the fair value.

I. Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are

(a) recognised and measured at fair value and,

(b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the Indian accounting standard. An explanation of each level is as follows :

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

II. Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include:

- o Use of quoted market price or dealer quotes for similar instruments
- o Using discounted cash flow analysis.

The fair values computed above for assets measured at amortised cost are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy due to the use of unobservable inputs.

SVP Global Ventures Limited)- Consolidated**

22-B Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

A. Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The company is exposed to credit risk from its operating activities (primarily for trade receivables and loans) and from its financing activities (deposits with banks and other financial instruments).

Credit risk management

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company's maximum exposure to credit risk as at 31st March, 2025 and 2024 is the carrying value of each class of financial assets.

i Cash and Cash Equivalents

The Company held cash and bank balance with credit worthy banks of Rs.1562.77 Lakhs at March 31,2025, and Rs .353.08 Lakhs at March 31, 2024). The credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks where credit risk is largely perceived to be extremely insignificant.

B. Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – trade payables and borrowings.

Liquidity risk management

The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. A material and sustained shortfall in our cash flow could undermine the Company's credit rating and impair investor confidence.

The Company maintained a cautious funding strategy, with a positive cash balance throughout the year ended 31st March, 2024 and 31st March, 2023. This was the result of cash delivery from the business. Cash flow from operating activities provides the funds to service the financing of financial liabilities on a day-to-day basis. The Company's treasury department regularly monitors the rolling forecasts to ensure it has sufficient cash on-going basis to meet operational needs. Any short term surplus cash generated by the operating entities, over and above the amount required for working capital management and other operational requirements, are retained as cash and cash equivalents (to the extent required).

Maturities of non – derivative financial liabilities**(Amount in Lakhs)**

| Particulars | As at 31 March 2025 | | As at 31 March 2024 | |
|--|---------------------|------------------|---------------------|------------------|
| | Less than 1 year | More than 1 year | Less than 1 year | More than 1 year |
| Financial Liabilities - Current | | | | |
| i. Current Borrowings * | 101,365.77 | - | 100,486.11 | - |
| ii. Trade payables | 21,497.45 | - | 21,287.58 | - |
| Total | 122,863.21 | - | 121,773.68 | - |

C. Market risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments.

i Currency Risk

The functional currency of the Company is Indian Rupee. Currency risk is not material, as the Company does not have any exposure in foreign currency.

ii Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to interest rate risk

According to the Company interest rate risk exposure is only for floating rate borrowings. Company does not have any floating rate borrowings on any of the Balance Sheet date disclosed in this financial statements.

iii Price Risk

Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. It arises from financial assets such as investments in quoted instruments.

a Fair value sensitivity analysis for fixed rate Instruments

The Company does not account for any fixed rate financial assets or financial liabilities at fair value through Profit or Loss. Therefore, a change in interest rates at the reporting date would not affect Profit or Loss.

b Cash flow sensitivity analysis for variable rate Instruments

The company does not have any variable rate instrument in Financial Assets or Financial Liabilities.

SVP Global Textiles Limited (Formerly known as SVP Global Ventures Limited)- Consolidated

22-C Capital Management

The company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-today needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets.

The management monitors the return on capital as well as the level of dividends to shareholders. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON CONSOLIDATED FINANCIALS FOR YEAR ENDED 31ST MARCH, 2025.

Note No-22

Corporate Information

SVP GLOBAL TEXTILES LIMITED (Formerly known as SVP Global Ventures Limited (the Company) is a listed Public Company domiciled in India and incorporated under the provision of the Companies Act, 1956. The group Companies are engaged in Manufacturing of Textiles Goods and Trading of Gold Diamond, Stones, Fabrics etc.

Basis of Preparation**(i). Compliance with Ind AS**

These Consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter

referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The accounting policies are applied consistently to all the periods presented in the consolidated financial statements.

(ii) Historical cost convention

The Consolidated financial statements have been prepared on the accrual and going concern basis. The consolidated financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that is measured at fair value as stated in subsequent policies.

The accounting policies have been applied consistently over all the period presented in these financial statements

(iii) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

Summary of significant accounting policies**A. Use of estimates**

The preparation of Consolidate financial statements in conformity with Ind AS requires the management to make judgments estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

B. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured.

Sale of Goods

Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer which generally coincide with dispatch while the Group retains neither continuing managerial involvement nor effective control over the products sold. It is inclusive of Excise Duty, Sales Tax/VAT and GST, and Freight etc recovered thereon and net of discounts and sales returns.

Rendering of Services

Revenue from services is recognized when the stage of completion can be measured reliably. Stage of completion is measured by the services performed till balance sheet date as a percentage of services contracted.

Interest

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend

Dividend income is recognized when the right to receive payment is established.

Royalties

Royalty income is recognized on an accrual basis in accordance with the substance of the relevant Agreement.

C. Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation

Depreciation on tangible assets is provided on the Straight-line-method over the useful lives of assets estimated by the management. Depreciation for assets purchased/ Sold during a period is proportionately charged. The Management estimates the useful lives for the fixed assets as follows:

- a. Building 30 years
- b. Plant & Machinery 8 to 13 years
- c. Electrical Item & Equipment's 10 years
- d. Computer & software 3 years
- e. Vehicles 8 years

Based on technical evaluation, the management believes that the useful lives of Plant & Machinery as given above best represent the period over which management expects to use these assets.

Hence the useful lives for these assets is different from the useful lives as prescribed under part C of Schedule II of the companies Act 2013.

The useful lives, residual values of each part of an item of property, plant and equipment and the depreciation methods are reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

Investment properties Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Group, is classified as investment property. Investment property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment if any.

Derecognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

D. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses if any. Internally generated intangible assets, including research cost, are not capitalized and expenditure is reflected in the Statement of Profit and Loss in the year in which the expenditure is incurred.

Amortization

Intangible assets are amortized on a straight line basis over the estimated useful economic life. The amortization expense on intangible assets with finite lives is recognized in the Statement of Profit and Loss. The estimated useful life of intangible assets is mentioned below:

Brand & Copy Right - 20 Years Little GurusKool Books & DVD - 10 Years

The estimated useful life and amortization method are reviewed at the end of each annual reporting period, with the effect of any changes in the estimate being accounted for on a prospective basis.

Derecognition

Gains or losses arising from derecognizing of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

E. Inventories

Inventories are valued at Lower of cost and net realizable value. However, materials and other items held for use in production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost.

In determining the cost of raw materials, packing materials, stock-in-trade, stores, spares, FIFO cost method is used. Cost of inventory comprises of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition.

Cost of finished goods and work-in-progress includes the cost of raw materials, packing materials, an appropriate share of fixed and variable production overheads, excise duty as applicable and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of Completion and estimated costs necessary to make the sale.

F. Investment

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Non-current investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

G. Foreign currency transaction

Initial Recognition:

On initial recognition, transactions in foreign currencies entered into by the Group are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and the foreign currency at the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss.

Measurement of foreign currency items at reporting date:

Foreign currency monetary items of the Group are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency, are translated using the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is measured. Exchange differences arising out of these translations are recognized in the Statement of Profit and Loss.

H. Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

In respect of assets taken on operating lease, lease rentals are recognized as an expense in the Statement of Profit and Loss on straight line basis over the lease term unless

- (1) Another systematic basis is more representative of the time pattern in which the benefit is derived from the leased asset; or
- (2) The payments to the lessor are structured to increase in the line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

The Lease asset classes primarily consist of leases for Land and Buildings and Plant & Equipment. The Group assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- (i) The contract involves the use of an identified asset
- (ii) The Group has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) The Group has the right to direct the use of the asset.

At the date of commencement of the lease, the group recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases of low value assets. For these short-term and leases of low value assets, the group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability and reducing the carrying amount to reflect the lease payments made.

A lease liability is re measured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The re measurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

I. Income Tax

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the group operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Income taxes reflect the impact of timing differences between taxable income and accounting Income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the group has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the group re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Group writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The group recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the group will pay normal income tax during the specified period. i.e. the period for which MAT credit is allowed to be carried forward. In the year in which the group recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The group reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Group does not have convincing evidence that it will pay normal tax during the specified period.

Uncertain Tax position

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. The provision is estimated based on one of two methods, the expected value method (the sum of the probability weighted amounts in a range of possible outcomes) or the single most likely amount method, depending on which is expected to better predict the resolution of the uncertainty.

J. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

(i) Classification

The Group classifies its financial assets in the following measurement categories: those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortized cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income.

For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Group reclassifies debt investments when and only when its business model for managing those assets changes. However, trade receivables that do not contain a significant financing component are measured at transaction price.

The Management based on historically observed default rates is of the opinion that all the Receivables are Goods and Recoverable and provision for Loss Allowance is not necessary and hence provision is not made.

(ii) Measurement

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the

Acquisition of the financial asset. Transaction costs of financial assets carried at fair value through the Statement of Profit and Loss profit or loss are expensed in the Statement of Profit and Loss.

For subsequent measurement, the Group classifies a financial asset in accordance with the below criteria:

- i) The Group's business model for managing the Financial Asset, and
- ii) The contractual cash flow characteristics of the Financial Asset.

Based on the above criteria, there are three measurement categories into which the Group classifies its Financial Assets:

Amortized cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through other comprehensive income (FVTOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVTOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other expenses or other incomes, as applicable. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit and loss:

Assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in profit or loss and presented net in the statement of profit and loss within other expenses or other incomes, as applicable in the period in which it arises. Interest income from these financial assets is included in other income.

(iii) Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses (ECL) associated with its assets carried at amortized cost or FVTOCI. The impairment methodology applied on the above assets depends on whether there has been a significant increase in credit risk. For trade receivables and lease receivables, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, wherein an amount equal to lifetime ECL is measured and recognized as loss allowance.

(iv) Derecognition of financial assets

A financial asset (or, where applicable, a part of financial assets or part of a group of similar financial assets) is derecognized (i.e. removed from the Group's balance sheet) when any of the following occurs:

- i. The contractual rights to cash flow from the financial assets expires,
- ii. The Group transfers its contractual rights to receive cash flows of the financial assets and has substantially transferred all the risk and reward of ownership of the financial assets;
- iii. The Group retains the contractual rights to receive cash flow but assumes a contractual obligations to pay the cash flow without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risk and reward of ownership of the financial assets);
- iv. The Group neither transfers nor retains substantially all risk and reward of ownership and does not retain control over the financial assets.

In case where Group has neither transferred nor retained substantially all of the risks and rewards of the financial assets, but retains control of the financial assets. The Group continues to recognize such financial assets to the extent of its continuing involvements in the financial assets. In that case, the Group also recognizes an associated liability. The Financial asset and the associated liability are measured on that reflects the rights and obligations that the Group has retained.

On derecognition of a financial assets, (except as mentioned in ii above for financial assets measured at FVTOCI) the difference between the carrying amount and the consideration received is recognized in the statements of Profit and Loss.

Financial liabilities**(i) Measurement:**

Financial liabilities are initially recognized at fair value, reduced by transaction costs (in case of financial liability not at fair value through profit or loss), that are directly attributable to the issue of financial liability. After initial recognition, financial liabilities are measured at amortized cost using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash outflow (including all fees paid, transaction cost, and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through profit or loss.

The impact on Financials due to effective interest method has been worked out and impact not being material has been ignored.

(ii) Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty

K. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Group. The CODM is responsible for allocating the resourced and assessing the performance of the operating segments of the Group. The Group operates in a two different Segment i.e. "Textiles" and Investment income.

L. Impairment of Assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Impairment losses, if any, are recognized in the Statement of Profit and Loss and included in depreciation and amortization expense.

M. Provisions

A provision is recognized when the Group has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and are reliable estimate can be made of the amount of the obligation. Provisions are discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Where the group expects some or all of a provision to be reimbursed, for example under an insurance contract, the

reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

N. Contingent liabilities

A contingent Liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

O. Borrowing Cost

Borrowing costs includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from Foreign Currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized. All other borrowing costs are expensed in the period in which they occur.

P. Earnings per Share

The group reports basic earnings per share in accordance with Ind AS-33 "Earning Per Share". Basic earning per share have been computed by dividing net profit after tax by weighted average number of shares outstanding for the year.

Q. Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less and other short term highly liquid investment.

R. Other comprehensive income Under Ind AS

All items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes re-measurements of defined benefit plans and fair value gains or (losses) on FVTOCI. The concept of other comprehensive income did not exist under previous GAAP.

S. Employee benefits

a) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

b) Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in the Statement of Profit and Loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

c) Post-employment obligations

The Group operates the following postemployment schemes:

- Defined benefit plans such as gratuity, and
- Defined contribution plans such as provident fund and superannuation Fund

Defined Benefit Plans

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The benefits which are denominated in currency other than INR, the cash flows are discounted using market yields determined by reference to high-quality corporate bonds that are denominated in the currency in which the benefits will be paid, and that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income.

They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Re-measurements are not reclassified to profit and loss in the subsequent periods. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

Defined Contribution Plan

The Contribution towards provident fund, ESIC, pension fund and Social Security Funds for certain employee's is made to the regulatory authorities where the Group has no further obligations.

Such benefits are classified as Defined Contribution Schemes as the Group does not carry any further obligations apart from the contributions made on a monthly basis.

The Group recognizes contribution payable to a defined contribution plans as an expense in the Statement of Profit and Loss when the employees' render services to the Group during the reporting period. If the contributions payable for services received from employees before the reporting date exceeds the contributions already paid, the deficit payable is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the reporting date, the excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payments.

d) Share-based payments

Share-based compensation benefits are provided to employees under "Employee Stock Option Plan". Employees of the Group receives remuneration in the form of share-based payments as per the eligibility criteria.

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made. That cost is recognized, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense.

e) Bonus Plan

The Group recognizes a liability and an expense for bonuses. The Group recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

T. Government grants and subsidies

Recognition and Measurements

The Group is entitled to subsidies from governments in respect of manufacturing units located in specified regions. Such subsidies are measured at amounts received from the governments which are non-refundable and are recognized as income when there is a reasonable assurance that the Group will comply with all necessary condition attached to them. Income from subsidies is recognized on a systematic basis over the periods in which the related costs that are intended to be compensated by such subsidies are recognized.

The Group has received refundable government loans at below markets rate of interest which are accounted in accordance with the recognition and measurements principles of Ind AS 109, Financial Instruments. The benefits of below – market rate of interest is measured as the difference between the initial carrying value of loan determined in accordance with Ind AS 109 and the proceeds received.

It is recognized as income when there is a reasonable assurance that the Group will comply with all necessary condition attached to the loans. Income from such benefit is recognized on a systematic basis over the period if the loan during which the Group recognizes interest expense corresponding to such loans.

Presentation

Income arising from below - market rate of interest loans are presented on gross basis under other income.

U. Events after reporting date

Where events occurring after the balance sheet provide evidence of condition that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

V. Non-Current Assets held for sale

The Group classifies non-current assets as held for sale if their carrying amounts will be recovered principally through sale rather than through continuing use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

W. Fair Value

The Group measure financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs)

1. Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
2. Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
3. Level 3- Inputs that are unobservable for the asset or liability.

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

X. Financial risk management objectives and policies

The Group's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations and to provide guarantees to support its operations. The Group's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Group is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks. The Group's senior management advises on financial risks and the appropriate financial risk governance framework for the Group. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Group's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

Financial risk management

The Group has a Senior Management consisting of Board of Directors for overseeing the Risk Management Framework and developing and monitoring the Group's risk management policies. The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Group's activities to provide reliable information to the Management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the Group.

The risk management policies aim to mitigate the following risks arising from the financial instruments:

- Market risk
- Credit risk; and
- Liquidity risk

a. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in the market prices. The Group is exposed in the ordinary course of its business to risks related to changes in foreign currency exchange rates, commodity prices and interest rates.

The Group seeks to minimize the effects of these risks by using derivative financial instruments to hedge risk exposures. The use of financial derivatives is governed by the Group's policies approved by the Board of Directors, which provide written principles on foreign exchange risk, interest rate risk, credit risk, the use of financial derivatives and non-derivative financial instruments, and the investment of excess liquidity. Compliance with policies and exposure limits is reviewed by the Management and the internal auditors on a continuous basis. The group does not enter into or trade financial instruments, including derivatives for speculative purposes.

b. Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group. Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. The Group has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

Group's credit risk arises principally from the trade receivables, loans, investments in debt securities, cash & cash equivalents, derivatives and financial guarantees.

c. Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. The Group requires funds both for short term operational needs as well as for long term capital expenditure growth projects. The Group generates sufficient cash flow for operations, which together with the available cash and cash equivalents and short term investments provide liquidity in the short- term and long-term.

The Group has established an appropriate liquidity risk management framework for the management of the Group's short, medium and long-term funding and liquidity management requirements. The Group manages liquidity risk by maintaining

adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported value of financial instruments.

Capital management

For the purpose of the Group's capital management, capital includes issued equity capital, convertible preference shares, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Group's capital management is to maximize the shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.

The Group monitors its capital using gearing ratio, which is net debt divided to total equity. Net debt includes, interest bearing loans and borrowings less cash and cash equivalents, bank balances other than cash and cash equivalents and current investments.

Y. Ind AS 115, Revenue from contract with customers

Ind AS 115 supersedes Ind AS 11, Construction Contract and Ind AS 18, Revenue. Ind AS 115 requires an entity to report information regarding nature, amount, timing and uncertainty of revenue and cash flow arising from a contract with customers. The principle of Ind AS 115 is that an entity should recognize revenue they demonstrate the transfer of promised goods and service to customers at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The standard can be applied either retrospectively to each prior reporting period presented or can be applied retrospectively with recognition of cumulative effect of contracts that are not completed contracts the date of initial application of the standard.

Z. Indemnification Asset

Indemnification asset is recognized at fair value at the time when the seller contractually agrees to indemnify, in whole or in part, for a particular uncertainty. It is initially measured on the same basis as defined in the agreement, subject to collectability.

AA. Recent accounting pronouncements

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below.

Ind AS 16, Property Plant and equipment – The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognized in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The group has evaluated the amendment and there is no impact on its Consolidate financial statements.

Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets – The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labor, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Group has evaluated the amendment and the impact is not expected to be material.

AB. NOTES FORMING PART OF ACCOUNTS:

1. Exceptional Item Notes and Relevant notes

- a) We draw attention that the National Company Law Tribunal (NCLT) has initiated the Corporate Insolvency Resolution Process (CIRP) against the key step subsidiaries namely Shri Vallabh Pittie South West Industries Limited and Shri Vallabh Pittie Industries Limited by passing an order dated 10.10.2023 and 07.03.2024 respectively.
- b) The Balances disclosed under the trader receivables and loans receivables are subject to the balance confirmations from third parties and thus, reliance is placed upon the books of accounts provided by the management.
- c) The Group has the Borrowings to be repaid to the lenders as disclosed in the statements as Rs. 99,574.15 lakhs in Non-Current Borrowings, Rs. 83,877.25 lakhs in Current Borrowings and Rs. 62,607.16 lakhs in Other Current Liabilities wherein instances of non-compliance with certain debt covenants were made and the monies had been recalled by the lenders. However, in absence of the adequate evidence, we are unable to comment on the consequential adjustments that might impact this statement on account of non-compliance with debt covenants. Further, confirmation of balances from the lenders have not been obtained. The principal and interest payable to such lenders as of 31 March, 2025 aggregates to Rs. 2,46,058.55 lakhs.

PRINCIPLES OF CONSOLIDATION

The Financial statements of SVP GLOBAL TEXTILES LIMITED (FORMELY KNOWN AS SVP GLOBAL VENTURES LIMITED) with audited financial statement of its subsidiaries as described in Note no- "AB" have been considered for the purpose of consolidation.

The financial statements of the parent company and its subsidiary as described in Note no-"AB" have been combined to the extent possible on a line by line basis by adding together like items of assets, liabilities, income and expenses. The result of subsidiaries acquired or disposal off during the year are included in the consolidated profit & loss account from the effective date of acquisition or up to the effective date of disposal, as appropriate. All significant intra group balances and transaction have been eliminated on consolidation. The amount shown in respect of reserves comprise the amount of the relevant reserve as per the balance sheet of the parent company and share in the post – acquisition increase in the relevant reserve of the subsidiaries.

The consolidation financial statements have been prepared using uniform accounting policies for like transactions and other event in similar circumstances and are presented to the extent Possible, in the same manner as the parent company's financial statements.

- 3 Contingent Liabilities - The Group has received income tax assessment orders raising demand of Rs.395.66 Crore. The management has taken a legal opinion from reputed consultant and according to which these demands are not sustainable. CIT Appellate has ruled in favour of the Company and substantially reduced the Demand and the CIT (A) order is appealable.

Further, as per IND AS 37, it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Therefore, such amounts have been recognised as Contingent Liabilities in the said Financial Statements.
