Caution regarding forward-looking statements

In this annual report, we have disclosed some forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expect', 'project', 'intend', 'plan', 'believe' and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

Dream. Design. Deliver.

When we envision a dream, it seems distant... far away. Even impossible. By 2010, we have laid a solid foundation over the past 75 years. Creating a dream is not an easy task... so many things to aspire for, so many things to consider.

There is no magic formula to bridge journey between Dream and Deliver. Design is the arduous route to be taken with sweat, determination and hard work to complete the process. Of course, it is not a single, long straight path. The past few years has seen intensifying walking on the designed path. Yes, there have been course corrections as we progressed early results of our strategy is starting to become visible. It gives us confidence on the direction taken and the course designed to ensure a flawless delivery of continued profitable growth in the years to come. As we step closer to the Dream, we are confident that the Design is right, further boosting our motivation to keep working hard, and start delivering to all our stakeholders.

Flashback 2010

We Dreamt

2010... seems like yesterday. It was the year when the Company completed its 75 years and celebrating the accomplishment of a dream – operational excellence. With TQM as way of life at Rane, the pursuit of operational excellence had brought in rich dividends as the Company transcended customer satisfaction and became a preferred vendor for global auto majors.

To create our tomorrow, we had to create the dream today. Dreaming is easy but dreaming big with a conviction to convert it into reality is indeed a tough task. Before we set on the creating our dream, we had to look at what we had achieved so far, build our capabilities, understand our culture, ponder about how much could we stretch, think about the ever changing market landscape and much more.

The previous decade saw the organization being re-built around TQM and operational excellence. It had given a common theme to the Company and united the various stakeholders – our customers, our suppliers, our employees and our community. We tried to map the manufacturing landscape and saw that OE would look at near-sourcing as they set forth to increase their operational and financial efficiencies. We understood that Safety, one of the key features of the developed auto markets, would have to become a standard feature in India as auto customers start demanding the best.

Such introspection and analysis led us crystallizing the Rane dream in 2010 to make the coming decade 2011-20 as a Decade of Profitable Growth.

*“Yesterday is but today’s memory,
and tomorrow is today’s dream.”*

– **Khalil Gibran**

Such introspection and analysis led us crystallizing the Rane dream in 2010 to make the coming decade 2011-20 as a Decade of Profitable Growth.

We Designed

For the past few years, we have designed multiple endeavours all aligned to make the dream a reality. To achieve the dream, we designed initiatives to focus on intensifying our international business. This saw the strengthening of the export business as well as the acquisition of the Precision Die Casting Inc. USA. As TQM became a way of life, we designed the next phase of the Company's operational philosophy - business excellence across the organization.

Our initiatives around increasing process, operational and financial efficiencies and sweating our assets continue relentlessly to aid the dream of creating a decade of

profitable growth. We have planned the increase in investments in R&D so as to create best in class products benchmarked with the best in the world. This has created a better and higher value added products giving the Company a formidable competitive advantage.

Finally, we charted a path to ensure that the Company aligns its most important resource, people, to the vision and invest in building capability and capacity of the people.

"We all have dreams. But in order to make dreams come into reality, it takes an awful lot of determination, dedication, self-discipline, and effort."

- Jesse Owens

Our initiatives around increasing process, operational and financial efficiencies and sweating our assets continue relentlessly to aid the dream of creating a decade of profitable growth.

We Delivered

Since 2011, the Company continues to focus on Designing its part to achieve the Dream. We have done course correction, wherever necessary, persisting on the stated path, however long and arduous.

We had envisioned that in this decade, as India becomes the cynosure of the world, the consumer expectations from companies are also going to rise exponentially. Also, the design element of our strategy has tried to leverage mega trends such as Electrification, Connectivity and Autonomous Driving. This has resulted in strengthening our existing product line with major investments in R&D and building manufacturing efficiencies. In the process, we have forayed into new avenues of growth namely Occupant Safety.

Leveraging the solid foundations of having world-class manufacturing practices, we aimed at increasing revenue from beyond the shores of India. This saw us not only

focusing on exports from India but also laid the foundation of our US acquisition. The strategy has paid rich dividends. In FY17, revenues from our international business was at 21% up from 16% of the total turnover in FY12. In conjunction with accelerated growth, we designed to build deeper relations with OEs across the globe.

At the end of the fiscal, we have delivered and have made deeper inroads into top tier OEs across India, South East Asia, Europe and the US.

"Customers don't measure you on how hard you tried. They measure you on what you deliver."

- Steve Jobs

Since 2011, the Company continues to focus on Designing its part to achieve the Dream. We have done course correction, wherever necessary, persisting on the stated path, however long and arduous.

Message from the Chairman Emeritus

Dear Shareholders,

Forty-seven years is a long time, yet it seems only like yesterday... It was 47 years ago that I stepped into the world of Rane as a management trainee. Since then the journey has been in equal measures interesting, challenging and satisfying. Over these long years, I have seen significant changes at Rane, India and across the globe. Looking at the India of then and now, I have seen the licence raj, whiffed the first fragrance of liberalization and India taking its rightful place on the global high table – all part of the changing milieu. Even at Rane, I have seen each one of us adapting to these changes, at times stumbling, yet getting to a place today where we are the partners of choice for many OEMs, the preferred brands in the replacement markets and a strong export story as we compete with the best in the world. It has been a journey for me to take the Company which is now fully geared to as a world-class player in automotive products. Truly, it has been a fantastic journey so far!

Yet the more things change, the more they remain the same! Ever since I took on the mantle of the Rane Group, I realised the importance of skill development of our people. Even as I have raised this in multiple forums during the last many years, I see not much change in this area. While we stand at a historic inflection point where our young and energetic population can take the country to new heights, I hope the governments and companies take the issue of skill very seriously. Today we churn

out millions of graduate who are not employable in the industry. We need to seriously evaluate the entire curriculum to have a ready work force else we lose the advantage of a large and young workforce. The young and restless at heart workforce also brings to the fore another issue – low manufacturing activity in the country. Manufacturing can be one of the key sectors to create the necessary jobs but the sector continues to languish at 16-17% of the total GDP. Even with the 'Make in India' and the aspiration of taking the manufacturing sector to 25% of the GDP by 2025, it will not be possible if we do not equip our workforce to take on the challenges of changing economics of production and distribution and frequent shifts in consumer demand. Finally, there is a strong case of going beyond 'Make in India' and start the march towards 'Design in India'. Rane has adopted this philosophy and we have had to make cultural changes to bring R&D at the forefront of business and seen success follow us.

The automotive world will continue to be challenging and interesting. Disruptions are becoming more norms than exceptions; changes are happening at breakneck speed even as the concept of mobility itself is changing. This will need a cultural change in organizations else we see many companies falling by the wayside. I am proud to mention that 'change is the only constant' way of life has been deeply embedded in each one at Rane.

As I sign off and take on other interesting roles within and outside Rane, I hand over reins to L Ganesh with the confidence that we are ready to take on any change and he will continue to build on the Rane legacy.

Finally, I would like to place on record my sincere appreciation of the efforts put in by each employee and our other stakeholders including customers, partners, etc. which has enabled me to make this journey worthwhile and extremely enjoyable.

L. Lakshman
Chairman Emeritus

There is a strong case of going beyond 'Make in India' and start the march towards 'Design in India'. Rane has adopted this philosophy and we have had to make cultural changes to bring R&D at the forefront of business and seen success follow us.

From the Desk of the Chairman & Managing Director

Dear Shareholders,

As L Lakshman, who retired as Executive Chairman and Managing Director, takes on the new role as Chairman Emeritus, I would thank him for unceasingly playing a stellar role for over two and half decades and taking the Company to great heights making it the preferred supplier for all the major auto OEMs in India and beyond. I am confident that I can always look up to him even as he continues to guide me and the Company to ensure the next phase of growth journey.

FY17 was one of most uncertain ones I can recall. The huge surprise of Brexit and referendum in Italy, the results of the US Presidential election and rise of populism across Europe has created a different and uncertain world. India was no exception... as the India's currency reforms took everyone by surprise resulting in the country losing its tag of the fastest growing economy in the last quarter of the fiscal. Nevertheless, with a 7.1% growth rate in FY17, India continued to do well in terms of economic expansion. The big news during the year was the passage of the Goods and Service Tax (GST) legislation. According to most experts the implementation of GST is expected to usher in new prospects for the economy, auto ancillary companies and fuel the growth of the sector.

Beyond GST, the country continued to see soft interest regime, low crude prices and government's seriousness in investing in the core sector. However, what has been amiss is the low private capex creation. Despite the softening of interest rates, corporates are yet to begin investments in new projects even as the country witnesses jobless growth. This is also a test to the government's 'Make in India' project which is moving slower than anticipated.

Your Company is no stranger to challenges and uncertainties. The decisions and actions taken in the past to achieve Vision 2020 are showing growth and throwing up new opportunities. We continue on our established path of prudent conservatism to ensure sustainable and profitable growth. Our mantra continues to be focused on enhancing efficiency, achieving cost rationalization and exploring new revenue sources by entering new businesses and geographies. Moreover, our first acquisition in the US is contributing to the overall growth. Our group companies are focusing on business which promises higher and profitable growth in the coming years. We continue to focus on corporate social responsibility initiatives for the benefit of nearby communities in all our locations.

On behalf of the board of directors of Rane Holdings, I thank our stakeholders – Customers, Employees, Partners, Vendors, Investors, Bankers, Governments and Communities – and remain committed and sincere in our efforts to keep delivering ever better value in the years ahead.

Yours Sincerely,
L Ganesh
Chairman & Managing Director

Your Company is no stranger to challenges and uncertainties. The decisions and actions taken in the past to achieve Vision 2020 are showing growth and throwing up new opportunities.

Session with the Vice Chairman

Harish Lakshman takes over as the new Vice Chairman of Rane Holdings Limited. He continues to guide and advise the Company on business and policy matters along with the Chairman.

On performance of the Indian Automobile Sector in the FY17

The growth in the auto segment has been as per expectation given the robust GDP expansion. The Indian auto sector posted a growth of 6% in FY17, as against a sober 2% in FY16. The growth has been led by the Passenger Vehicles (PV) and the two-wheelers segments with the PV segment continuing its 3rd year of sustained growth. The segment posted 9% growth for FY17, outpacing its last year's number of 6%. While there was clear consumer bullishness for the PV and two-wheelers segments, the country did not witness similar sentiments for the overall Commercial Vehicle segment which grew at a slower pace of 3% as against the previous year when the segment had raced ahead with a double digit growth of 12%.

On performance of the Indian Automotive Component Sector during FY17

The growth of the auto component industry works in tandem with the auto industry. According to the Automotive Components Manufacturers Association of India (ACMA), the

growth rate for the segment is expected to be in the range of 10%. In the previous fiscal, the industry posted a total revenue of \$39 billion and is expected to clock \$43-45 billion for FY17.

On Rane's performance in FY17

It was a very good year for Rane Group. In FY17, our Group aggregate revenue grew by 24% to touch ₹ 4,032 Crore, as compared to ₹ 3,261 Crore in FY16. Our EBITDA & PBT stood at ₹ 456.1 Crore and ₹ 227.9 Crore growing by 38% & 71% respectively. Continued focus on reducing cost and improving manufacturing efficiencies helped to improve EBITDA margins by 120 bps to 11.3%. We have set in motion a strategy to increase revenues from our international business and this strategy has paid rich dividends as revenues from international customers grew 59% y-o-y as the fiscal saw the full year impact of overseas acquisition by Rane (Madras) Limited.

On the importance of R&D for the Company

R&D is one of key pillars for the Company and this can be seen by the steady ramp up of investment in this area. About three years ago, we invested about 0.8% of revenues, which has significantly moved to 1.7% currently. It is still lower as compared to the investments made by global auto component majors. Nevertheless, we will continue to invest in various technologies.

On Company's outlook for FY18

According to ACMA, the auto component market in India is expected to cross the \$50 billion mark by end of FY18. We remain positive about the business environment for Indian Auto sector with fast-growing economy, rising per capita income, easy access to finance, low penetration of cars and a major thrust on Infrastructure. The group companies have plans to enhance its capacity and manufacturing capabilities to align with customer requirements. The constant focus on enhancing product development capability is supporting in securing and expanding our business with international customers.

According to ACMA, the auto component market in India is expected to cross the \$50 billion mark by end of FY18. We remain bullish on India and see the country bringing in legislations to ensure that we adhere to standards like those followed in the development markets

Management Discussion & Analysis

Economy and Industry

2016 was a difficult year for global economy marked by stagnant global trade, subdued investment and heightened policy uncertainty. According to International Monetary Fund (IMF) estimates, the global economy grew by 3.1% in 2016 compared to the growth of 3.2% in 2015. The world saw various significant political events such as US Presidential elections and Brexit in 2016, which are likely to have ramifications in the policy outlook for 2017. Despite worries of protectionism, IMF forecasts a better growth rate of 3.5% for 2017 supported by pickup in commodity prices and signs of increased spending.

Indian economy continues to fare well in the global context. Estimates from the Central Statistics Office (CSO) suggest that the Indian economy grew by 7.1% in FY17 as compared to 7.6% in FY16. The growth was partially affected by the Government's Demonetisation drive that led to a drop in the business activity through the course of quarter third and fourth of the fiscal. The effects of the same were transitional and the country recouped faster than expected. The Indian economy is on healthy mode supported by critical structural reforms, and increased spending with fiscal discipline. As per Finance Ministry estimates, the Indian economy is poised to grow at 7.5% in FY18. This is likely to be bolstered with implementation of GST.

Indian Automobile Industry

The Indian automotive industry had an eventful year on various counts. First, on a production basis, we saw positive growth across the segments primarily led by significant demand for utility vehicles and new model launches. Second, the Government's demonetisation decision resulted in transitional disruption of normalcy in the business for the commercial vehicles and two-wheelers and lastly, the favourable monsoons coupled with agriculture based reforms encouraged the demand for the farm tractors which demonstrated a negative production growth in the previous financial year.

From a segment perspective, the passenger vehicle segment reported healthy production growth as the traction continues for new launches coupled with the consumer's gradual shift towards the utility vehicles. The Commercial Vehicle segment reported a modest performance given weak demand from core sectors such as mining and infrastructure and the overhang around the transition towards the BS-IV emission norms. The farm tractor segment recovered from the cyclical weakness in light of improved agricultural activity while the three wheeler segment experienced de-growth as the OEMs registered decline in exports due to shortage of currency in their target markets. Lastly, the two-wheeler segment reported a higher production growth on account of reasonable demand for the automatic scooters and bikes.

Industry Segment (Production figures)	Growth in % (YoY change)	
	2016-17	2015-16
Vehicles		
Passenger Cars	5.4%	4.0%
Utility Vehicles	26.3%	13.7%
Vans	(0.6)%	5.6%
Passenger Vehicles	9%	6%
Medium & Heavy Commercial Vehicles	0.4%	27.0%
Light Commercial Vehicles	6.0%	9.6%
Small Commercial Vehicles	2.7%	(10.3)%
Commercial Vehicles	3%	12%
3-Wheelers	(16.2)%	(1.6)%
2-Wheelers	5.8%	1.8%
Farm Tractors	21.1%	(6.8)%

The business climate for the auto industry remains favourable as we expect the sector to build upon its momentum on the encouraging demand from the end market.

Indian auto component industry

The auto component space in India has experienced a satisfying growth over the last year primarily attributable to a robust end-user demand, improved market sentiment, and supportive liquidity environment. The Company expects that the sector could further register a growth of 8-10% primarily driven by higher localisation by OEMs, more component content per vehicle and expanding exports from India.

Outlook

With the objective of delivering profitable growth, the Company continues to progress on its recalibrated 2020 vision under the theme of "Dream, Design and Deliver".

- Accelerate growth through new product introductions – The group sales growth for FY17 stood at 24%
- "Going global" – With the aim to drive international share of business to 25%, in FY17, the international business contributed to 21% of revenues

- Auto business – Continue to look at opportunities to grow the automotive business through M&A in both India and overseas. These are envisaged to also leverage on the mega trends such as Electrification, Connectivity and Autonomous Driving
- “Non-Auto” business – Continue to look at opportunities in the Aerospace & Defence sector
- Efficient capital management – Rane Group of companies are constantly evaluating methods to improve process efficiencies, reduce cost, build scale in existing markets and manage talent. Coupled with these initiatives, the group is prioritising products with higher ROCE and optimising capex. This has helped to improve ROCE across group companies

Rane (Madras) Limited (RML)

Rane (Madras) Limited (RML) has two divisions namely Steering gear (SGP), Steering and Suspension Linkage Products (SSLP) division and Die-casting Products division. The Steering division manufactures manual steering gears, hydrostatic steering systems and steering and suspension linkage products. RML holds 39% and 72% market share in India in SGP and SSLP. The Die casting division manufactures low porosity, high-quality aluminium die-castings such as steering housings, engine case covers. RML acquired US-based Precision Die Casting Inc., in 2016 and renamed it as Rane Precision Die Casting Inc. (RPDC). RPDC supplies complex, thin-walled, low porosity, cast and machined aluminum die castings to automotive industry from its manufacturing facility at Russellville, Kentucky, US.

Manufacturing Location

Location	Products
Varanavasi (Chennai)	SSLP, SGP
Mysore	SSLP, SGP & Hydraulic Products
Puducherry	SSLP, SGP
Uttarakhand	SSLP, SGP
Hyderabad	Die casting Products
Russellville, Kentucky (US)	Die casting Products

Operational Highlights

- RML commenced production of Rack & Pinion gear manufacturing in the Varanavasi plant which was previously carried out only in the Puducherry plant. This action resulted in additional capacity and mitigated product concentration risk at Puducherry plant.
- Launched multiple new products including gears for Volkswagen, Maruti Suzuki in India and to Nexteer and BRP in the overseas segment
- Steady progress towards new initiatives in hydraulic business as Company made significant progress with new customers and consolidated the current market share

- The constant focus on enhancing product development capability resulted in acquiring export businesses with customers such as Daimler, Volvo amongst others
- RML's newly commissioned Die casting plant in Hyderabad has ramped up production volumes and has ensued continuous traction in the Die casting business. However, the benefits neutralised as the new facility experienced delivery and high rejections issues in the new program launches

Rane Precision Die Casting (RPDC)

- Significant progress towards the turnaround of our facility at Kentucky, US
- Implemented a “Get Well” plan to stabilise and improve operations.
- Refinanced the loans from its Existing Bankers through Export-Import Bank of India
- Entered into a new contract with the Union for three years
- Notable Improvement in Customer satisfaction levels and resultant visibility of new opportunities

Key Business Accolades

The Company continued its emphasis on the ‘Business Excellence Model’ led by the existing TQM practices. The customers appreciated the efforts in improving processes and delivering value, and the Company won the following awards:

- Mahindra & Mahindra – Special Appreciation award for Yuvo project
- TAFE – Spare Parts Business Growth Award
- TAFE – Kaizen award for Painting quality

- Tata Motors Limited – Best support for New Part Introduction and VOR parts award

Financial Highlights

Standalone Financial Highlights

- Net Sales was ₹ 965.91 Crores for FY17 as compared to ₹ 829.37 Crores in the FY16, an increase of 16%
 - 1) 14% growth in the Domestic market
 - A) Steering gear products registered a good growth of 18% driven primarily by the new programs for passenger cars and additional volumes in the existing programs
 - B) Subdued performance in the Farm Tractors segment mainly due to superior growth in unserved markets (power steering)
 - C) Indian Aftermarket business was impacted by demonetization
 - 2) 27% growth in the Exports market – Commencement of new businesses for Steering and Die-cast components led the growth from international customers
- EBITDA stood at ₹ 97.37 Crores as compared to ₹ 79.69 Crores during FY16, an increase of 22%

- EBITDA Margin at 8.2% for FY17 as against 9.0% in FY16
- Net profit (PAT) stood at ₹ 4.96 Crores for FY17 as compared to ₹ 12.67 Crores in FY16.

Outlook

Given the backdrop of a fast-growing economy, rising per capita income, easy access to finance, low penetration of cars and a major thrust on infrastructure, the Company foresees a positive business environment for the auto industry going forward. These factors apart, the industry also awaits the implementation of Goods and Services Tax (GST), which, in the long term, is anticipated to be broadly encouraging phenomena for the sector as a whole.

Rane (Madras) Limited remains confident of its strategy and business environment. It expects to leverage on new ventures signed with customers in Passenger car segment and Hydraulics while maintaining a steady focus

on new opportunities across the after markets and exports. It will continue to pursue new initiatives for expanding its die-casting portfolio in Europe, add new customers to the steering business and emphasise on adding new products to the after markets portfolio.

Financial Highlights

- Net Sales was ₹ 354.23 Crores for FY17 as compared to ₹ 342.44 Crores in the FY16, an increase of 3%
 - ♦ Domestic OEM sales grew by 2% mainly due to increased share of business with key domestic customers in passenger vehicles.

- Export sales grew by 2% on account of ramp up in business share with key international customer.
- Aftermarket sales were affected due to lower demand conditions
- Strong demand from Defence segment customer
- EBITDA stood at ₹ 23.78 Crores as compared to ₹ 6.61 Crores during FY16, an increase of 260%
- Net profit (PAT) including exceptional income stood at ₹ 57.06 Crores for FY17 as compared to loss of ₹ 12.54 Crores in FY16

Outlook

Fiscal 2017 was a mixed year for the industry largely on account of the main macroeconomic factors such as demonetization and the Supreme Court’s decision on emissions. For REVL, the year was eventful as the Company improved itself on multiple counts and laid a strong foundation for the years to come. As it enters the new fiscal, the Company remains confident of its growth and the performance in the ongoing fiscal (FY18). The Company would continuously develop and leverage its R&D strengths to provide pro-active solutions for new generation vehicles. The Company has plans to enhance its capacity and manufacturing capabilities to align with customer requirements in automotive valves as well as the non-automotive large valves.

Rane Brake Lining Limited (RBL)

RBL is a leading manufacturer of friction material products such as Brake linings, Disc pads, Clutch facings, Clutch buttons, Brake Shoes and Railway brake blocks. It is a market leader in India and global player in friction material. It has technical collaboration with Nisshinbo Brakes Inc., Japan for know-how in brake linings, disc pads & clutch facings. The Company’s products have application in every segment of automobile industry such as PV, CV and 2W/3W.

Manufacturing Location

Location	Products

- Net Sales was ₹ 486.75 Crores for FY17 as compared to ₹ 447.90 Crores in the FY16, an increase of 9%
 - ♦ OE sales registered a healthy growth of 16% mainly supported by strong demand from Passenger vehicles and Two-wheeler segment
 - ♦ Recorded 8% growth in the Indian aftermarket business led by new product launches, however partially affected by demonetization

- ♦ Significant drop in sales to the rail sector; 34% lower in FY17
- ♦ Lower offtake from international aftermarket customers resulted in 7% decline in the exports
- EBITDA stood at ₹ 77.32 Crores as compared to ₹ 57.65 Crores during FY16, an increase of 34%
- Net profit (PAT) stood at ₹ 34.72 Crores for FY17 as compared to ₹ 25.76 Crores in FY16

Outlook

Given the overall positive environment for the new fiscal for Indian automotive sector, Rane Brake Lining intends to continue its robust performance and plans to drive its growth on some key strategic initiatives.

The Company would continue to enhance its R&D capability with the new global standard machine which enables it with advanced features of hydraulic and pneumatic brake system validation. This initiative apart, the Company will deploy resources to debottleneck current capacity and add new capabilities to support new and existing OEM customers and innovative, cost competitive new products in After markets. As the inflationary pressure on the overheads and material cost prevails, the Company would continue to emphasise on cost reduction initiatives.

Rane TRW Steering Systems Private Limited (RTSS)

A joint venture between Rane Holdings Ltd. and TRW Automotive J.V., LLC, USA (TRW), RTSS is a leading manufacturer of fully integrated hydraulic steering gears, hydraulic pumps, power-rack and pinion gears, power steering fluid, safety seat belts, airbags and plastic reservoirs. - Net profit (PAT) stood at ₹ 1.71 Crores for FY17 as compared to ₹ 1.53 Crores in FY16

Human Resources

In the year 2016-17, the Company had extensively focused on leadership development, revamping the performance management system, employee engagement and leveraging technology.

With a view to enhancing the manufacturing capability, a comprehensive long term Initiative christened as Rane Manufacturing Systems Professional (RMSP) is being rolled out. RMSP comprising of modules on manufacturing processes and systems will be delivered at the plants with high focus on Gemba learning.

One of the major initiatives was the launch of the next version of Performance Assessment & Development System (PADS 6.0) which lays emphasis on both performance assessment and potential appreciation. The refreshed leadership competencies, the structured individual development plan, the suite of resources and tools provided as part of the application are the hallmarks of refreshed PADS.

As part of the continuing executive education initiatives, the Company encourages promising talents to pursue higher education in both technical and management disciplines. The Company has tied up with various institutions on a pan India basis. As on date 3 employees are pursuing various programs under this scheme.

The Company continues to strengthen its leadership bandwidth in line with the growth aspirations. For the High Potential Leadership Development (HPLD) group, the Company had rolled out the TOP GEAR (Transforming Organization & Profitability through Growth, Engagement, Actions and

Results) program. 2 participants attended this 6 day program covering the themes of Business Focus, Customer Centricity, Self-leadership, Execution Excellence and Leading people. TOP GEAR was designed and delivered in partnership with one of the reputed B-Schools. For the Executive Leadership Development group, the interventions were need specific, such as coaching engagements and nominations to general management programs to provide them global perspectives on evolving business models, strategy and execution.

The Company has introduced automated workflows and mobile applications for various aspects of employees' benefits administration such as time & attendance management, reimbursements and such other processes.

Corporate Social Responsibility

The Company's CSR vision is 'to be a socially and environmentally responsible corporate citizen'. The Company continues to focus on four thrust areas for its CSR activities – Education, Healthcare, Environment and Community Development.

In the year 2016-17, the Company has implemented several projects primarily focusing on Education followed by Healthcare.

Education

The Rane Polytechnic, established at Trichy in the year 2011 under the aegis of Rane Foundation has stepped into its seventh academic year. During the year, the institution has been accredited by the National Board of Accreditation (NBA) for the Diploma in Mechanical Engineering program which is a reflection of its operational standards and quality of teaching

learning processes. Over the last three years, 465 students have completed their diploma program. In the current year, 224 students completed their diploma program. The institution endeavours to offer quality technical education to the rural youth.

The Company extended its support to one of the Eureka Schools in Vembakkam; an initiative by AID India. The Company provided for the annual salary cost of staff members. Founded in the year 2005-06, Eureka Schools aims at offering quality education for the rural children. The children of Eureka schools are from a poor socioeconomic background, where both parents are predominantly daily wage labourers. In most cases, these children are first generation learners.

Healthcare

In the healthcare space, the Company extended support to physically challenged people in and around Trichy through the Spastics Society. The Company partnered with Freedom Trust, a charitable trust that is specialized in conducting disability assessment camps and recommending mobility aids to the people in need. With the help of qualified Doctors and paramedical staff the disability assessment camp was conducted and mobility aids were distributed to 130 beneficiaries as part of this project.

The Company also supported the Jeevan Blood Bank and Research Centre; India's pioneer Blood Bank since 1995. Jeevan is located in Chennai, and acts as a not-for-profit organization. In 2007, Jeevan started a public cord bank to create an inventory of stem cells from donated cord blood that will enable quick and affordable access to life saving treatment, for Indians with blood cancers and Thalassaemia. The Company supported in processing and storing 10 stem cells from cord blood donations which will be made available for needy patients subject to matching.

Disaster relief

Ganapathyler Girls' High School is a Government Aided School run by the Gopalapuram Educational Society. The school had a humble beginning in 1924 as an elementary school in Gopalapuram, Chennai. With time it was upgraded as a middle school in 1942 and high school in 1948.

With the principle of "Educating a girl child is educating the entire family", the school accommodates girl children mainly from lower economic strata.

The Company extended support to the school, as part of its disaster relief initiatives to restore the infrastructure damages due to natural calamities occurred in Chennai.

Information Technology

Rane's centralized IT set up, Rane Data Centre, (RDC) continues to cater to IT Infrastructure, application development and support across group companies.

Tax procedure migration from TaxINJ to TaxINN has been completed in the ERP platform and is GST ready. One of the major initiatives was the successful roll out of SAP at Rane Precision Diecasting Inc., USA. The project was handled in-house end to end.

RDC's continued engagement with group companies led to identifying and implementing various projects in the operational areas that enhanced efficiency levels on key processes.

In keeping pace with the evolving technology landscape, initiatives such as workflow and mobility solutions have been implemented to facilitate seamless collaboration with suppliers, employees and customers. The e-Procurement solution implemented for improving the procurement efficiency that also resulted in considerable cost savings.

To address the increasing cyber security threats and vulnerabilities ISMS framework have been strengthened and extended to group companies.

Internal Controls

The Company has put in place robust internal control systems to prevent operational risks through a framework of internal controls and processes. These controls ensure that the business transactions are recorded in a timely and complete manner in the financial records, resources are utilised effectively and the assets are safeguarded.

The internal audit function is outsourced to a professional firm of independent assurance service providers. The Audit Committee and the Board in consultation with the internal auditor, statutory auditor and operating management approve annual internal audit plan. The scope also covers the internal financial controls and internal controls over financial reporting. The internal audit findings are placed before the Audit Committee at each of its quarterly meeting for review.

The management's responses and counter measures are discussed in the Audit Committee meetings. This process ensures the robustness of internal control systems and compliance with laws and regulations, including resource utilization and system efficacy.

Risk Management

The Company has laid down well-structured procedures for monitoring the risk management plan and implementing the risk mitigation measures. The risks are broadly classified into strategic risks, operational risks, financial risks and statutory compliance risks. These risks are rated based on factors such as past year experience, probability of occurrence, probability of non-detection and its impact on business.

The top management reviews the strategic risks, the risks with high probability and high impact, every quarter and presents its report along with risk mitigation plan to the Board of Directors on half-yearly basis. The strategic risks are taken into consideration in the annual planning process along with their mitigation plan. Other risks are covered as part of internal audit process and presented to the Audit Committee every quarter. The business processes risks and the related controls are subjected to internal audit and reviewed on a quarterly basis. The risk ratings are revalidated with the top management as part of the internal audit process every quarter. The overall re-assessment of risks at company level is carried out and presented to the Board of Directors once in two years for their review.

Opportunity and Threat

Given the positive sentiments about the Indian economy, rising per capita income, major thrust to infrastructure projects, stable economic and political environment augurs well for further possible growth in Automobile industry. Given its strong brand equity, built over the years, the Company will certainly benefit from potential demand from its key segments. A

stronger legislation and rising awareness about safety in cars will benefit the Company's prospect in the Occupant Safety segment.

However, the threats of economic downturn or slowdown in the key markets can lead to decreased volumes and capacity utilisation. The Company can be affected by volatility of commodity prices affecting the input cost structure which can have a direct bearing on margins. Other factors, which can affect the Company, include any sharp contraction in automobile sales, increased competitive pressure, etc.

Cautionary Statement

The information and opinion expressed in this report may contain certain forward-looking statements, which the management believe are true to the best of its knowledge at the time of its preparation. Actual results may differ materially from those either expressed or implied in this report.

5. Board of directors

5.1 Composition

The composition of the board of directors of the Company is furnished in the Corporate Governance Report as 'Annexure-E' to this report.

During the year, Dr. (Mr.) V Sumantran was appointed by the members, as Independent Director effective May 27, 2016 till the conclusion of eighty-third AGM (2019).

During the year, Mr. L Lakshman, Executive Chairman of the Company relinquished his executive role in the Company after being at the helm for over 25 years. Mr. Anil Kumar Nehru, Independent Director retired on attaining the age of 75 years as per the retirement policy of the Company, effective conclusion of board meeting held on May 27, 2016.

The board of directors at its meeting held on March 31, 2017 placed on record the immense contribution made by Mr. L Lakshman in the transformation of Rane Group under his leadership and requested him to continue as a non-executive director. Further, the Nomination and Remuneration Committee (NRC), recognizing his contribution towards development of the Company and the Rane group and his vast expertise, experience and knowledge of the industry especially on areas like Business Strategies, Human Resource, Total Quality Management, Information Technology, etc., recommended to the board it would be in the long term interest of the Company and the Rane group, if, Mr. L Lakshman continues to guide the Company.

Taking into consideration the request of the board, Mr. L Lakshman consented to continue on the board in a non-executive capacity, providing guidance and mentorship to the executive management, advisory support in initiatives of strategic importance to the Group's future growth plans of entering new business areas in India as well as plans for expansion in overseas markets.

Based on the recommendations of the Nomination and Remuneration Committee, the board unanimously approved the continuation of Mr. L Lakshman as Non-Executive Director and designated him as 'Chairman Emeritus' of the Company for a period of four years with effect from April 1, 2017 on such terms and conditions subsequently approved by the shareholders.

In recognition of the value of guidance and mentorship of Chairman Emeritus, the shareholders of the Company have approved vide postal ballot that Mr. L Lakshman be paid a commission up to 2% of the profits of the Company, subject to a ceiling of ₹ 1 Crore per annum, effective April 1, 2017. The shareholders have also approved that Mr. L Lakshman be paid advisory fees upto a sum of ₹ 1 Crore per annum, for advisory services rendered by him towards initiatives in areas of importance and unique to the growth and development of the Rane group. Given his professional capacity, qualification, experience and insight in the automotive industry, the remuneration is in line with the present industry practices and standards.

The board of directors at their meeting held on March 31, 2017 appointed Mr. L Ganesh as Managing Director in the designation of 'Chairman' for a period of three years with effect from April 1, 2017. The shareholders have approved his appointment and terms, including remuneration payable to him vide postal ballot.

Mr. Anjanikumar Choudhari (DIN: 00234208) and Mr. Shujaat Khan (DIN: 00526891) were appointed as Independent Directors by the shareholders at the 78th AGM held on August 12, 2014, for a period of three years, to hold office upto the conclusion of the ensuing 81st AGM.

Mr. Shujaat Khan has expressed his intention not to seek re-appointment at the ensuing 81st AGM, due to his other professional commitments.

The Nomination and Remuneration Committee at its meeting held on May 26, 2017, have recommended the re-appointment of Mr. Anjanikumar Choudhari as an Independent Director, for a second term of three consecutive years viz., from the conclusion of the ensuing 81st AGM till the conclusion of 84th AGM or August 30, 2020, whichever is earlier. The notice convening the 81st AGM seeks approval of the members by way of special resolution for his re-appointment as an Independent Director for a second term.

All the independent directors have affirmed that they satisfy the criteria laid down under Section 149(6) of the Companies Act 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR).

5.2 Retirement by rotation

Annexure – C to the Report of the Board of Directors

Annual Report on CSR activities (for financial year 2016-17)

1. A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs.

The Company's CSR vision is 'to be a socially and environmentally responsible corporate citizen'. The Company continues to focus on four thrust areas for its CSR activities – Education, Healthcare, Environment and Community Development.

Overview of projects implemented during 2016-17:

In the year 2016-17, the Company has implemented several projects primarily focusing on Education followed by Healthcare and Community Development.

● Education

The Rane Polytechnic, established at Trichy in the year 2011 under the aegis of Rane Foundation has stepped into its seventh academic year. During the year, the institution has been accredited by the National Board of Accreditation (NBA) for the Diploma in Mechanical Engineering program which is a reflection of its operational standards and quality of teaching learning processes. Over the last three years, 465 students have completed their diploma program. In the current year, 224 students completed their diploma program. The institution endeavours to offer quality technical education to the rural youth.

The company extended its support to one of the Eureka Schools in Vembakkam; an initiative by AID India. The company provided for the annual salary cost of staff members. Founded in the year 2005-06, Eureka Schools aims at offering quality education for the rural children. The children of Eureka schools are from a poor socioeconomic background, where both parents are predominantly daily wage labourers. In most cases, these children are first generation learners.

● Healthcare

In the healthcare space, the Company extended support to physically challenged people in and around Trichy through the Spastics Society. The company partnered with Freedom Trust, a charitable trust that is specialized in conducting disability assessment camps and recommending mobility aids to the people in need. With the help of qualified Doctors and paramedical staff the disability assessment camp was conducted and mobility aids were distributed to 130 beneficiaries as part of this project.

The company also supported the Jeevan Blood Bank and Research Centre; India's pioneer Blood Bank since 1995. Jeevan is located in Chennai, and acts as a not-for-profit organization. In 2007, Jeevan started a public cord bank to create an inventory of stem cells from donated cord blood that will enable quick and affordable access to life saving treatment, for Indians with blood cancers and Thalassemia. The company supported in processing and storing 10 stem cells from cord blood donations which will be made available for needy patients subject to matching.

● Community Development - Disaster relief

Ganapathy Iyer Girls' High School is a Government Aided School run by the Gopalapuram Educational Society. The school had a humble beginning in 1924 as an elementary school in Gopalapuram, Chennai. With time it was upgraded as a middle school in 1942 and high school in 1948.

With the principle of "Educating a girl child is educating the entire family", the school accommodates girl children mainly from lower economic strata.

The company extended support to the school, as part of its disaster relief initiatives to restore the infrastructure damages due to natural calamities occurred in Chennai.

The policy on CSR recommended by the CSR Committee was approved and adopted by the Board of Directors is available on the website of the Company (web link: <http://ranegroup.com/pdf/policies/rhlcsr.pdf>)

2. The Composition of the CSR Committee.

The company has constituted a robust governance structure to oversee the implementation of the CSR projects, in compliance with the requirements of Section 135 of the Companies Act, 2013. The CSR governance structure of RHL will be headed by the Board CSR Committee. The Board level CSR Committee grants auxiliary power to the Company level CSR Working Committee of the Company to act on their behalf.

Independent Auditor's Report

TO THE MEMBERS OF RANE HOLDINGS LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **RANE HOLDINGS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31 March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk

assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
 - e) On the basis of the written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. The Company has provided requisite disclosures in the standalone financial statements as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the November 08, 2016 of the Ministry of Finance, during the period from

November 08, 2016 to December 30, 2016. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the books of account maintained by the Company and as produced to us by the Management.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **RANE HOLDINGS LIMITED** (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Notes forming part of the financial statements

for the year ended 31 March, 2017

1 Brief about the Company

Rane Holdings Limited ("RHL" or "the Company") is the holding company whose main activity is investing in Rane group Companies that are engaged primarily in the manufacture and marketing of auto components. The Rane Group's investment profile includes subsidiaries, joint ventures and associate. The Company's income stream comprises of (i) dividend from the investments made in the group companies, (ii) trade mark fee for use of 'RANE' trade mark and (iii) service fee from group companies for providing service in the areas of management, information technology, business development and infrastructure.

2 Significant Accounting Policies

2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. Also refer Note 38.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.3 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.4 Cash flow statement

Cash flows are reported using the indirect method, whereby profit before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from

operating, investing and financing activities of the Company are segregated based on the available information.

2.5 Depreciation and amortisation

2.5.1 Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Buildings	- 30 Years
Vehicles	- 5 Years
Furniture and Fittings	- 5 Years
Office Equipment	- 3 Years

2.5.2 Intangible assets are amortised over their estimated useful life as follows:

License Fee on Software - 3 Years or license period whichever is lower

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern.

2.5.3 Assets costing less than ₹ 10,000 each are fully depreciated in the year of acquisition.

2.5.4 During the year the company has revised the useful life of buildings from 60 years to 30 years after considering the following aspects:

- High Frequency of usage
- Increase in repair & maintenance charges and replacement
- Modification to the aesthetic structure of the buildings for expansion and other purposes.

The Company has calculated depreciation effective from April 01, 2016 adopting revised useful life of 30 years for both office and residential building. The incremental depreciation on account of the above revision, for the year ended 31 March, 2017 is ₹ 25.76 Lakhs.

2.6 Revenue recognition

2.6.1 Service Fee and Trade Mark Fee

Revenues from Service Fee and Trade Mark Fee are recognised on accrual basis in accordance with terms of the relevant agreements.

2.6.2 Other Income

Dividend income is accounted for when the right to receive it is established.

2.7 Property, Plant and Equipment and Intangible assets**2.7.1 Property, Plant and Equipment**

Property, Plant and Equipment are carried at cost less accumulated depreciation/amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities) and any directly attributable expenditure on making the asset ready for its intended use. Subsequent expenditure on fixed assets after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

2.7.2 Intangible assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities) and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase / completion is recognised as an expense when incurred, unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

2.8 Investments**2.8.1 Long Term Investments**

Long-term investments, are carried individually at cost less provision for diminution, other than temporary, in the value of such investments.

2.8.2 Current Investments

Current investments are carried individually, at the lower of cost and fair value. Cost of investments includes acquisition charges such as brokerage, fees and duties.

2.9 Employee benefits

Employee benefits include provident fund, superannuation fund, gratuity fund and compensated absences.

2.9.1 Defined contribution plans

The Company's contribution to provident fund and superannuation fund are considered as defined contribution plans.

The Company contributes to a government administered provident fund on behalf of its employees, which are charged to

the Statement of Profit and Loss. The Company has no obligations for future provident fund/super annuation fund benefits other than its monthly contributions.

Fixed contributions to the Superannuation Fund, which is administered by Company nominated trustees and managed by Life Insurance Corporation of India, are charged to the Statement of Profit and Loss.

2.9.2 Defined benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with Actuarial Valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

2.9.3 Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

2.9.4 Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

2.10 Operating Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

2.11 Earnings Per Share

Basic earnings per share is computed by dividing the profit after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

2.12 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable Income tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

2.13 Impairment of assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment, if any indication of impairment exists. If the carrying amount of the assets exceed

the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

2.14 Provisions and contingencies

Provisions are recognised when the Company has a present obligation as a result of past events and when a reasonable estimate of the amount of obligation can be made.

Contingent liability is disclosed in the notes for (i) possible obligation which will be confirmed only by future events not wholly within the control of the company or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are neither recognized nor disclosed in the financial statements.

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding employee benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

2.15 Service Tax Input Credit

Service tax input credit is accounted for in the books, in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilising the credit.

2.16 Operating cycle

Based on the nature of the activities of the company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.17 Dividend

The final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associate and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and its jointly controlled entities and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial

statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports referred to in sub-paragraphs (a) and (b) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate financial statements of the subsidiaries, associate and jointly controlled entities referred to in the Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associate and jointly controlled entities as at March 31, 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph (F) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of **RANE HOLDINGS LIMITED** (hereinafter referred to as “the Holding Company”) and its subsidiary companies, and its jointly controlled companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies, and jointly controlled companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiaries companies and jointly controlled companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that

a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and jointly controlled companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company, its subsidiaries companies and jointly controlled companies, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the other matters paragraph below, the Holding Company, its subsidiary companies and its jointly controlled entities, which are companies incorporated in India, have, in all material respects,

an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on "the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 2 subsidiary companies and 2 jointly

controlled companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Notes forming part of the consolidated financial statements

for the year ended 31 March, 2017

1 Brief about the Company

Rane Holdings Limited (RHL or the Company) is the holding company whose main activity is investing in Rane group Companies that are engaged primarily in the manufacture and marketing of auto components. The Rane Group's investment profile includes subsidiaries, joint ventures and associate. The Company's income stream comprises of (i) dividend from the investments made in the group companies, (ii) trade mark fee for use of RANE trade mark and (iii) service fee from group companies for providing service in the areas of management, information technology, business development and infrastructure.

2 Significant Accounting Policies

2.1 Principles and Particulars of Consolidation

Principles of Consolidation

The consolidated financial statements relate to Rane Holdings Limited (referred as "the Company" or "the Holding Company"), its subsidiary companies (Collectively referred to as "the group"), joint ventures, and the Group's share of profit / (loss) in its associate.

The Financial statements of the Subsidiaries, Joint Ventures and Associate used in the consolidation are drawn up to the same reporting date as that of the holding company i.e. 31 March, 2017.

The Financial statements of the Company, its Subsidiaries, Joint Ventures and Investments in Associate company are consolidated in accordance with Accounting Standard 21 (AS21) "Consolidated Financial Statements", Accounting Standard 27 (AS 27) - "Financial Reporting of Interests in Joint Ventures" and Accounting Standard 23 (AS 23) - "Accounting for Investments in Associates in Consolidated Financial Statements", respectively.

The Financial statements of the Company and its Subsidiaries have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating material intra-group balances, intra-group transactions, unrealized profits/losses on intra-company transactions and consolidation adjustments.

Interests in Joint Ventures have been accounted by using the

proportionate consolidation method as per Accounting Standard 27 - Financial Reporting of Interests in Joint Ventures. The intra-group balances, intra-group transactions and unrealised profits or losses have been eliminated to the extent of Group's share in the entity.

Investment in associate company is accounted for by using equity method whereby investment is initially recorded at cost and the carrying amount is adjusted thereafter for post acquisition change in the company's share of net assets of the associate.

The excess of cost to the Group of its investments in the subsidiary companies / joint ventures over its share of equity of the subsidiary companies / jointly controlled entities, at the dates on which the investments in the subsidiary companies / joint ventures were made, is recognised as 'Goodwill' being an asset in the consolidated financial statements and is tested for impairment on annual basis. On the other hand, where the share of equity in the subsidiary companies / joint ventures as on the date of investment is in excess of cost of investments of the Group, it is recognised as 'Capital Reserve' and shown under the head 'Reserves & Surplus', in the consolidated financial statements. The 'Goodwill / 'Capital Reserve' is determined separately for each subsidiary company / joint ventures and such amounts are not set off between different entities.

The carrying value of Goodwill is tested for impairment as at the end of each reporting period.

Minority interest in the net assets of the consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made in the subsidiaries and further movements in their share in the equity, subsequent to the dates of investments. Minority Interest share in the Net Profit for the year of the consolidated subsidiaries is identified and adjusted against the Profit After Tax of the group. The losses in subsidiaries attributable to the minority shareholders are recognized to the extent of their interest in the equity of subsidiaries.

@ The Company has established a Wholly Owned Subsidiary (WOS) in Germany through acquisition of 100% Equity shares of Mainsee 1038. VV GmbH during the year, and in the process of changing the name of this WOS from Mainsee 1038. VV GmbH to Rane Holdings Europe GmbH.

** SasMos is the holding company of Fokker Elmo SasMos Interconnection Systems Limited having 51% of voting power. During the year the Company has divested its entire holding of 6,11,399, equity shares of ₹10/- each fully paid up of M/s SasMos HET Technologies Limited.

a) The shareholders of RBL had approved an amendment in the year 2009-10, to the articles of association of the company which authorizes, the Company to appoint majority of the Board of Directors of the Company. As a result RBL has become a board controlled subsidiary of the Company and hence consolidated on a line-by-line basis.

2.2 Basis of accounting and preparation of consolidated financial statements

The consolidated financial statements of the Company and its subsidiaries (together the 'Group'), joint ventures and associate have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The consolidated financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the consolidated financial statements are consistent with those followed in the previous year. Also refer Note 46.

2.3 Use of estimates

The preparation of the financial statements in conformity with Generally Accepted Accounting Principles in India requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the balance sheet date and the reported amount of income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to

these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.4 Inventories

Inventories are valued at lower of cost and net realizable value after providing for obsolescence and other losses, where considered necessary. Cost is determined on weighted average basis. Cost includes conversion and other costs incurred in bringing the inventories to the present location and condition. Inventories are written down for obsolete/slow moving/non-moving items wherever necessary. Cost of loose tools is amortised over a period of 3 years. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty. Inventory lying in customs bonded warehouse is valued inclusive of customs duty payable on clearance.

2.5 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with Banks. Cash equivalents comprises of bank balances in current account and other short-term (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.6 Cash flow statement

Cash flows are reported using indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effect of the transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

2.7 Depreciation and amortisation

Depreciation on Property, Plant and Equipment and Intangible assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of certain categories of assets, in whose case, the life of the assets has been assessed based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Property, Plant and Equipment	Useful life (years)
Buildings (Refer Note 2.7.1)	30
Vehicles	5
Furniture and Fittings	5
Office Equipment (other than computers)	3
Capital tooling	3
Tools and Jigs	5
In respect of Rane Precision Die Casting Inc, (RPDC) (Step-down subsidiary of RML):	
Machinery & equipment	8-9
Molds	3-4
Vehicles	4-5
Computers	4-5

Intangible Assets are amortized over their estimated useful life as follows:

Property, Plant and Equipment	Useful life (years)
Intangible Assets	Useful life (years)
Software License	3 to 6
Software	3
Technical Knowhow / License Fees for technical assistance	3 to 6
Design and Drawings	5

Assets individually costing less than ₹ 10,000 each one fully depreciated in the year of acquisition.

Note 2.7.1 - During the year useful life of buildings of parent company (Rane Holdings Ltd) has been revised from 60 years to 30 years after considering the following aspects:

- High Frequency of usage
- Increase in repair & maintenance charges and replacement
- Modification to the aesthetic structure of the buildings for expansion and other purposes. The Company has calculated depreciation effective from April 01, 2016 adopting revised useful life of 30 years for both office and residential building. The incremental depreciation on account of the above revision, for the year ended 31 March, 2017 is ₹ 25.76 Lakhs.

2.8 Revenue recognition

2.8.1 Sales

Revenue is recognized net of returns and trade discounts, when the significant risks and rewards of ownership of goods have been passed to the buyer. Sales include excise duty but exclude sales tax, value added tax and other trade discounts and rebates wherever applicable.

2.8.2 Other Income

Income from Job work/Services is recognized on rendering the services.

Revenues from Service Fee and Trade Mark Fee are recognised on accrual basis in accordance with terms of the relevant agreements.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

2.8.3 Dividend Income

Dividend income is recognized when the right to receive it is established.

2.9 Fixed Assets (Property, Plant and Equipment and Intangible assets)

2.9.1 Property, Plant and Equipment

Property, Plant and Equipment (assets) are stated at cost of acquisition or construction, net of cenvat credit, depreciation and impairment loss if any. Cost includes direct cost and financing cost related to borrowing attributable to acquisition that are capitalised until the assets are ready for use and adjustments for exchange differences to 2.10 below.

Subsequent expenditure related to an item of Property, Plant and Equipment is added to its book value only if it increases the future benefit from the existing asset beyond its previously assessed standard of performance.

Expenses incurred in connection to the project prior to the commencement of the commercial production are treated as part of project cost and capitalized as part of Property, Plant and Equipment.

Losses arising from the retirement of, and gains and losses arising from disposal of fixed assets, which are carried at cost are recognised in the Consolidated Statement of Profit and Loss.

Fixed assets that are fully depreciated are retained at a value of ₹ 1/-.

2.9.2 Intangible assets

Intangible assets are stated at acquisition cost net of accumulated amortisation and accumulated impairment losses, if any.

Software/Technical Knowhow are capitalised where it is expected to provide future economic benefits.

2.9.3 Capital Work-in-progress:

Projects under which Property, Plant and Equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Advances paid towards the acquisition of Property, Plant and Equipment outstanding at each balance sheet date are disclosed as "Capital Advances" under Long term loans and advances.

2.10 Foreign currency transactions and translations

2.10.1 Initial recognition

Transactions in foreign currencies entered into by the Group are accounted at the exchange rates prevailing on the date of the transaction.

2.10.2 Measurement of foreign currency monetary items at the Balance Sheet date

Foreign currency transactions are recorded at the exchange rates prevailing on the date of transaction.

At the year end all monetary assets and liabilities denominated in foreign currency are restated at year end exchange rates. Consolidated resultant exchange differences arising from settlement of foreign currency transactions and from year end restatement are recognized in the Statement of Profit and Loss except those arising on reporting of long term foreign currency monetary items relating to acquisition of depreciable fixed assets which are adjusted to the carrying amount of such assets and depreciated over the remaining useful life of such assets.

Premium or discount on forward exchange contracts (i.e. the difference between the forward exchange rate and the exchange rate at the date of transaction) is accounted for as income/expense over the life of the contract if such contracts relate to monetary items as at the balance sheet date. Profit or loss on cancellation of forward contracts are recognized as income/expense in the Consolidated Statement of Profit and Loss for the year in which they are cancelled.

2.10.3 Accounting of forward contracts and treatment of exchange difference

The Group enters into forward exchange contracts to hedge its risks associated with foreign currency fluctuations. The premium or discount, arising at the inception of a forward exchange contract is amortized as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the Consolidated Statement of Profit & Loss in the year in which the exchange rates change.

In respect of overseas subsidiaries:

All the assets and liabilities, both monetary and non-monetary items, are translated into the reporting currency at the exchange rate in effect at March 31, 2017 and income and expense items are translated at the average rate applicable for the year ended March 31, 2017. Functional currency of the Companies are the United States Dollar ("USD") [RHA1 and RPDC] and "EURO" [Mainsee 1038, VV GbmH (Rane Holdings Europe GmbH)] and the reporting currency, the Indian Rupee (INR).

2.11 Government Grants and Capital Subsidy

Government grants relating to depreciable tangible fixed assets are treated as deferred income and recognised in the Consolidated Statement of Profit and Loss over the remaining useful life of the related assets.

Lump sum Capital Subsidies, not relating to any specific fixed asset, received from State Government for setting up new projects are accounted as capital reserve.

2.12 Investments

2.12.1 Long Term Investments

Long-term investments, are carried individually at cost less provision for diminution, other than temporary, in the value of such investments.

2.12.2 Current Investments

Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

2.13 Employee benefits

Employee benefits include provident fund, superannuation fund, gratuity fund and compensated absences.

2.13.1 Defined contribution plans

Contribution to provident fund and super annuation fund in the Group are considered as Defined Contribution Plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Provident Fund

The Group contributes to a government administered Provident fund on behalf of its employees, which are charged to the consolidated statement of profit and loss. The company has no obligations for future provident fund benefits other than its monthly contributions.

In regard to a subsidiary company, Rane Engine Valve Ltd. for certain category of employees the company administers the benefits through a recognised Provident Fund Trust. For other employees, contributions are made to the regional Provident Fund Commissioners as per law. The Government mandates the annual

yield to be provided to the employees on their corpus. For the first category of employees (covered by the Trust), the company has an obligation to make good the shortfall, if any, between the yield on the investments of the trust and the yield mandated by the Government.

Superannuation Fund

This is a defined contribution plan, where a portion of the eligible employees' salary, as per the choice exercised by the respective employees, is contributed towards superannuation fund administered by the Trustees and managed by Life Insurance Corporation of India (LIC). There are no further obligations for future superannuation benefits other than the annual contributions which is recognized as expense as and when due.

2.13.2 Defined benefit plans

Gratuity

The Group makes annual contribution to a Gratuity Fund administered and managed by Life Insurance Corporation of India. The Group accounts its liability for future gratuity benefits based on actuarial valuation, as at the Balance Sheet date, determined using the Projected Unit Credit method. Actuarial gains/losses are immediately recognised in the Consolidated Statement of Profit and Loss.

2.13.3 Short-term employee benefits

Short term employee benefits including accumulated compensated absences determined as per Group's policy/scheme are recognised as expense based on expected obligation on undiscounted basis.

2.13.4 Termination benefits

Termination benefits represent compensation towards Voluntary Retirement Scheme which is expensed as incurred. Termination benefits falling due for more than twelve months after the balance sheet date are accounted using appropriate discount rates.

In respect of RPDC:

a) Pension plan

The Company provides for post-retirement benefit, disability and death benefits ('the Plan') vide Precision Die Casting Union Retirement Plan which covers eligible employees with a date of hire before October 11, 2010, except for the employees in the categories as defined under Section 2.2 (2) of the Plan document, who are eligible to participate in the Plan upon meeting the following eligibility requirement: completion of one hour of service with the Company and provided that he/she was a union employee covered by local No. 2407 of United Auto Workers.

A participant is eligible for his normal retirement pension after the participant has attained age of 62 and terminates employment. A participant shall receive a monthly benefit payable at normal retirement age equal to:

- \$23:00 multiplied by years of benefit service from December 2003 to October 10, 2005; plus
- \$24:00 multiplied by years of benefit service from October 2005 to October 9, 2006; plus
- \$25:00 multiplied by years of benefit service from October 9, 2006, to October 8, 2007; plus
- \$26:00 multiplied by years of benefit service from October 5, 2007 to December 16, 2010; plus
- \$16:00 multiplied by benefit service after December 16, 2010.

Disability benefit:

The benefit will be payable in the form of a lifetime pension until the earliest of: recovery, death or normal retirement date.

Death benefit:

If a participant dies after he/she has become vested under the Plan but before he/she begins to receive a retirement pension benefit, his/her spouse will receive a 50% survivor benefit if he/she has been married at least one year.

The liability with regards to the Plan are determined by the actuarial valuation, performed by an independent actuary, at each balance sheet date using projected unit cost method. The Company contributes all ascertained liabilities to the registered investment companies which are held under a separate trust through custodian, Charles Schwab, as permitted by the Department of Labor. The Company recognizes the net obligation of the Plan in the balance sheet as an asset or liability, respectively, in accordance with Accounting Standard 15, "Employee benefits". The Company's overall long term rate of return on assets has been determined based on the available market information and the historical and expected future investments trends of present and expected assets in the Plan. The discount rate is based on the Government securities yield or equivalent corporate bond. Actuarial gains and losses arising from the experience adjustments and changes in actuarial assumptions are recognized in the statement of profit and loss in the period in which they arise.

2.14 Borrowing Costs

Borrowing costs attributable to acquisition or construction or production of qualifying assets are capitalised as part of the cost of such assets. All other borrowing costs are recognised as revenue in nature.

2.15 Operating Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Consolidated Statement of Profit and Loss on a straight-line basis as per the lease terms. In respect of one of the Joint Venture Companies, JMA Rane, has leased facilities under cancellable lease arrangements with

a lease term ranging from one year to three years, which are subject to renewals at mutual consents thereafter. The cancellable arrangements can be terminated by either party after giving due notices. JMA Rane does not have any non cancellable lease arrangements.

2.16 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.17 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the company will pay normal tax in the future years. Accordingly, it is recognized as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably. This asset is reviewed for the appropriateness of its carrying amount at each Balance Sheet date.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

2.18 Research and development expenses

Revenue expenditure on Research and Development is charged off in the year in which it is incurred. Capital expenditure on Research and Development is included under Fixed Assets. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making asset ready for its intended use.

2.19 Impairment of Assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.20 Provisions and contingencies

A provision is recognised when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding employee benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the consolidated financial statements.

2.21 Provision for Warranty

The estimated liability for product warranties is recorded when products are sold. Product warranty provisions cover the estimated liability to repair or replace products still under warranty on the Balance Sheet date and is determined by applying historical experience levels of repairs and replacements developed by using the percentage (of aggregate warranty claims on aggregate eligible sales). Product warranty liability is generally extended for a period of one to two years from the date of sale.

2.22 Hedge Accounting

In case of certain Subsidiaries and Joint Ventures exposed to foreign currency fluctuations on foreign currency assets and forecasted cash flows denominated in foreign currency, those companies limit the effects of foreign exchange rate fluctuations by following established risk management policies including the use of derivatives. The group enters into forward exchange and option contracts, to hedge its risks associated with foreign currency fluctuations.

Pursuant to ICAI Announcement "Accounting for Derivatives" on the early adoption of Accounting Standard AS 30 "Financial Instruments: Recognition and Measurement", the group has opted to follow the recognition and measurement principles relating to derivatives as specified in the Standard. Accordingly, the changes in the fair values of forward contracts and options designated as cash flow hedges are recognized directly in 'Hedge Reserve Account' being part of the shareholders' funds and reclassified into the consolidated statement of profit and loss upon the occurrence of the hedged transactions. The changes in fair value relating to the ineffective portion of the cash flow hedges and forward contracts/ options not designated as cash flow hedges are recognized in the Consolidated Statement of Profit and Loss as they arise.

2.23 Derivative Contracts

In case of certain Subsidiaries and Joint Ventures exposed to foreign currency fluctuations on foreign currency assets and forecasted cash flows denominated in foreign currency, those companies limit the effects of foreign exchange rate fluctuations using derivative financial instruments such as foreign exchange forward contract, option contract, currency and interest rate swaps to hedge its exposure in movements of foreign exchange rates and interest rates relating to underlying transaction.

Derivative contracts designated as a hedging instrument for highly probable forecast transactions are accounted as per the policy stated for Hedge Accounting.

All other derivative contracts are marked-to-market and losses are recognised in the Consolidated Statement of Profit and Loss. Gains arising on the same are not recognised, until realised, on grounds of prudence.

2.24 Insurance Claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

2.25 Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilizing the credits.

2.26 Operating Cycle

Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.27 Dividend

The final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

42 During the year, the application for renewal for Consent For Operations (CFO) under the pollution control regulations in one of the manufacturing plants of REVL located in the State of Telangana has been returned by the regulatory authority citing that industries located in the specified area were not issued CFO in the light of G.O.Ms.No.111 dated 08.03.1996. However, REVL is of the opinion that this does not impact the going concern status of REVL and its future operations. REVL has examined the matter and taken appropriate action to present its case that it is neither a polluting nor a potentially polluting industry before the pollution control authorities.

43 Long Term Settlement (LTS) with the workmen unions in the case of two of REVL's plants had expired during the year and the new agreements are pending since these matters are being discussed. Hence, REVL has made suitable provisions in the financial statements based on its estimates of the expenditure. REVL believes that the provision made is sufficient to discharge the liability.
