NOTES :

1. Pursuant to General Circular No 09/2024 dated 19th September, 2024 issued by The Ministry of Corporate Affairs (MCA) and SEBI Notification No. SEBI/LAD–NRO/GN/2024/218 dated 12th December, 2024 and other applicable circulars and notifications issued (including any statutory modifications or re-enactments thereof for the time being in force and as amended from time to time, Companies are allowed to hold Annual General Meeting through Video conferencing (VC) or other Audio visual means (OAVM) without the physical presence of the Members at a common venue. In compliance with the provisions of Companies Act, 2013 (“Act”), SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015 (“SEBI Listing Regulations”) and said MCA and SEBI Circulars, the Seventy First Annual General Meeting of the Company is being held through VC/OAVM.
2. Since the AGM is being conducted pursuant to MCA Circulars through VC/OAVM, physical attendance of the Members is dispensed with. Accordingly, facility for appointment of proxies by Members will not be available for the AGM and hence the Proxy Form and Attendance slip are not annexed to this notice. However, the Body Corporates are entitled to appoint authorized representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting.
3. Members are requested to participate on first come first serve basis, as the participation through video conferencing is limited and will be closed on expiry of 15 minutes from the schedule time of the AGM. Members can login and join 45 (Forty five) minutes prior to the schedule time of meeting and window for joining shall be kept open till the expiry of 15 (fifteen) minutes after the schedule time. The facility of participation will be made available for 1000 members on first come first served basis. However, this will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA General Circular No 09/2024 dated 19.09.2024 General Circular No 09/2023 dated 25.09.2023, General Circular No 10/2022 dated 28.12.2022, General Circular No 2/2022 dated 05.05.2022, General Circular No. 20/2020 dated 05.05.2020, General Circular No. 02/2021 dated 13.01.2021, General Circular No. 19/2021 dated 08.12.2021 and General Circular No. 21/2021 dated 14.12.2021.
5. The Register of Members and Share Transmission Books shall remain closed from Saturday, the 2nd August, 2025 to Friday, the 8th August, 2025 (both days inclusive).
6. Subject to the provisions of Section 126 of the Companies Act, 2013, Dividend as recommended by the Board of Directors for the year ended 31st March, 2025, if declared, will be payable to those Members whose names appear in the Register of Members as at the close of the business on 1st August, 2025 and in respect of shares held in dematerialized form, as per the list of beneficial owners furnished to the Company by NSDL/CDSL as at the close of business on, 2nd August, 2024. The dividend warrants will be dispatched on and around 16th August, 2025.
7. Mr. U. Chakravarty, General Manager (Finance) and Company Secretary has been designated as the Compliance Officer of the Company. Members may communicate with the Compliance Officer in relation to any query pertaining to their shareholdings.
8. As per Section 72 of the Act, the facility for making nominations is available for Members in respect of shares held by them. Members holding the shares in single name and who have not yet registered their nomination are requested to register the same by submitting the Form No. SH-13. If a member desires to cancel the earlier nomination and record fresh nomination, he may submit the same in Form No. SH-14. Nomination forms can be obtained from MCS Share Transfer Agent Limited, Registrar and Share Transfer Agent of the Company, in case they hold shares in physical form. If they hold the shares in dematerialized form, they may contact their respective depositories for such nominations. However, both the forms may be downloaded from the website of Company at [www. wpil.co.in](http://www.wpil.co.in).
9. The Securities and Exchange Board of India (‘SEBI’) vide its Circular No. SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/

2023/37 dated March 16, 2023 has mandated for all the security holders holding securities in physical form to furnish/ update PAN, postal address, email address, mobile number, nomination and bank account details with specimen signature for their corresponding folio numbers to the Registrar & Share Transfer Agent (RTA) of the Company. Pursuant to this circular, the Company has also sent letters Vide WPIL/IEPF/L dated 19.08.2024 to all the members holding securities in physical form who had not submitted the above particulars to the RTA of the Company.

10. The Securities and Exchange Board of India ('SEBI') vide its Circular No SEBI/HO/MIRSD/POD-1/P/CIR/2024/81 dated June 10, 2024 mandated that the security holders (holding security in physical form) whose folio(s) are not updated with KYC details as specified in Sl.9 above shall be eligible to lodge grievance or avail service request from RTA or to receive any payment of Dividend only through electronic mode with effect from April 01,2024 after furnishing PAN, KYC details and nomination in respect of such folio(s). Members who hold the shares in physical form are requested to inform mandatorily above details to the R&T Agent. For payment of dividend in future and unclaimed dividend from financial year 2017-18 to 2023-24, Bank Account particulars should contain the information as to (a) Bank Account No. (b) Bank Name & Branch (c) self-attested one photo copy of Cheque (bearing printed name of the shareholder) (d) Reason for dividend remaining unclaimed. However, Members not having cheque bearing their printed name should provide self- attested copy of bank passbook or statement attested by Bank Manager.
11. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_ RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4. It may be noted that any service request can be processed only after the folio is KYC Compliant.

Members holding shares in multiple folios in identical names or joint accounts in the same order of names are requested to consolidate their shareholdings into one folio.
12. In terms of the provisions of Act, unpaid/unclaimed dividend relating to the financial year 2017-18 which ended on 31st March, 2018 will be transferred to the "Investor Education and Protection Fund" in the month of September, 2025.
13. Pursuant to the provisions of Section 124(5) of the Companies Act, 2013, dividend which remains unpaid or unclaimed for a period of 7 (seven) years is required to be transferred to the "Investor Education and Protection Fund" (IEPF) of Central Government. Members who have not yet encashed dividend from the financial year 2017-18 to 2023-24 are required to send their claims to MCS Share Transfer Agent Limited, 1st Floor, 383, Lake Gardens, Kolkata-700045 immediately along with unencashed dividend warrants lying with them. It may also be noted that once the unclaimed dividend is transferred to the IEPF as above, no claim shall lie in respect thereof.
14. In terms of provisions of Section 124(6) of the Act, 2013, read with Rule 6 of the "Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 and Amendment Rules, 2017, all Equity shares in respect of which dividend have remained unpaid/unclaimed for seven consecutive years had been transferred by the Company to the Demat Account of IEPF Authority through Depositories by following the procedures prescribed by Ministry of Corporate Affairs. The Company has communicated this fact in details through Registered Post to its concerned shareholders and also through advertisement in the Newspaper. To avoid further transfer of shares to IEPF Authority, Members are requested to comply with the requirements as specified in note No. 13 above.
15. Members whose shares have already been transferred to the Demat Account of IEPF Authority through Depositories as stated in note No. 14 above, may access to Company's website at www.wpil.co.in to find out the details and accordingly may prefer an application to Investor Education and Protection Fund Authority (IEPFA) claiming unpaid amount of dividend and shares by filling on line web form no. IEPF-5 (available on www.iepf.gov.in) pursuant to sub-section 3 of Section 125 of the Companies Act, 2013 and rule 6(13) & 8(1) of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules,2016. Mr. U. Chakravarty, General Manager (Finance) and Company Secretary has been designated as the Nodal Officer of the Company to coordinate between Members and IEPFA whenever required. Members may communicate with the Nodal Officer in relation to

any query above matter at e-mail address uchakravarty@wpil.co.in.

16. The notice of the AGM will be available on the Company's website at www.wpil.co.in, website of BSE Ltd. at www.bseindia.com and the website of the National Securities Depository Limited (NSDL) at www.evoting.nsdl.com.

The Notice of AGM and Annual Report are being sent only through Electronic mode to Members whose e-mail addresses are registered with the Company or Depositories participant(s). No physical copy of Annual Report shall be sent or available for reference of the Members. Members who have not registered their e-mail addresses with the Company shall get a letter from the Company providing the web-link including the exact path where complete details of the Annual Report is available.

19. The Register of Directors, and Key Managerial personnel and their shareholdings under Section 170 of the Companies Act, 2013 read with Rules made thereunder and the Register of Contracts or Arrangements in which Directors are interested, maintained under Section 189 of the Companies Act, 2013, and all other documents referred to in the Notice will be available for inspection in electronic mode. Members can inspect the same by sending an e-mail to uchakravarty@wpil.co.in.
20. Relevant statements pursuant to Section 102(1) of the Companies Act, 2013, in respect of item of special business are annexed hereto.
21. In Compliance with provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management & Administration) Rules, 2014, as amended from time to time and Regulation 44 of Listing Regulations, the Members are provided with the facility to cast their votes electronically through the e-voting services provided by NSDL on all resolutions set forth in this notice. The instructions of e-voting are given herein below.
- i) The remote e-voting period commences on Tuesday, the 5th August, 2025 at 9.00 A.M. and ends on Thursday, the 7th August, 2025 at 5.00 P.M. During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on cut-off date of 1st August, 2025, may cast their votes electronically. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution cast by the Member, the Member shall not be allowed to change it subsequently.
 - ii) The Board of Directors of the Company has appointed Mr. P. V. Subramanian, Company Secretary in whole time practice, (CP No. 2077) as a Scrutinizer for conducting the entire process of polling (both voting electronically through remote e-voting or e-voting during the Meeting) in a fair and transparent manner.
 - iii) A Member may participate in AGM through VC/OAVM even after exercising his right to vote through remote e-voting, but shall not be allowed to vote again at the AGM.
 - iv) The Voting rights shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date of 1st August, 2025.
 - v) Any person holding shares in physical form and non-individual shareholders, who acquires shares of the Company and becomes member of the Company after the notice is sent through e-mail and holding shares as of the cut-off date i.e. 1st August, 2025, may obtain the login ID and password by sending a request at evoting@nsdl.co.in or Issuer/RTA. However, if you are already registered with NSDL for remote e-voting, then you can use your existing user ID and password for casting your vote. If you forgot your password, you can reset your password by using "Forgot User Details/Password" or "Physical User Reset Password" option available on www.evoting.nsdl.com or call at 022 - 4886 7000. In case of Individual Shareholders holding securities in demat mode who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date i.e. 1st August, 2025 may follow steps mentioned in the Notice of the AGM under Step 1 : "Access to NSDL e-Voting system" (Below).
 - vi) The details of the process and manner for remote e-voting are explained herein below:

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 1800 - 21- 09911

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/ Member’ section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on **"Forgot User Details/Password?"** (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **Physical User Reset Password?"** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join Meeting on NSDL e-Voting system.

How to cast your vote electronically and join Meeting on NSDL e-Voting system?

- a) After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
- b) Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join Meeting".
- c) Now you are ready for e-Voting as the Voting page opens.
- d) Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
- e) Upon confirmation, the message "Vote cast successfully" will be displayed.

- f) You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
- g) Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to pvsm17@rediffmail.com with a copy marked to evoting@nsdl.co.in. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution/ Power of Attorney/ Authority Letter etc. by clicking on "Upload Board Resolution/ Authority Letter" displayed under "e-Voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on 022 - 4886 7000 or send a request to Ms. Pallavi Mhatre, Senior Manager at evoting@nsdl.co.in
22. **Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice :**
 - a) In case shares are held in physical mode, please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to Registrar and Transfer Agent at mcssta@rediffmail.com.
 - b) In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to Registrar and Transfer Agent at mcssta@rediffmail.com. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at **step 1 (A) i.e. Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.**
 - c) Alternatively, member may send an e-mail request to evoting@nsdl.co.in for obtaining User ID and Password by proving the details mentioned in Point (1) or (2) as the case may be.
 - d) In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.
23. **The details of the process and manner for e-voting at the AGM are explained herein below:-**
 - a) The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.

- b) Only those Members/ shareholders, who will be present in the meeting through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the AGM.

OPERATIONS

The company maintained its performance in 2024-25 with revenues of Rs.1178cr versus Rs.1107cr in 2023-24. The profit after tax for the year was flat at Rs.144cr versus Rs.142cr in 2023-24. Higher margins were offset by higher interest costs.

The outlook remains strong with strong orderbooks and improving execution across both divisions. Furthermore, the market outlook is improving with further emphasis on public infrastructure projects especially in the urban municipal sector and supported by public and private investments in industries.

The company continues to leverage its expanding product portfolio and market infrastructure across the spectrum of water management and is now well positioned in the industrial, municipal, and irrigation sectors. Its focus on strategic direction on new product development and manufacturing infrastructure has allowed it to surpass customer expectation with regards to quality and delivery. With a strong order book, increased availability of infrastructural resources and access to global markets, the Company stands committed to continue its growth and strengthen its position in the market by providing greater value for its Customers and other stakeholders.

DIVIDEND

After considering the performance of the year, cash flow, and consistent improvement of General Reserve, dividend distribution policy, and necessity to augment its working capital to sustain the growth of operational activities in the coming year, the Directors of the Company are pleased to recommend dividend of Rs.2/- (Rupees two) on each equity of Rs. 1/- (one) fully paid up for the year ended 31st March, 2025. The dividend distribution policy of the Company may be accessed to web-link at <https://www.wpil.co.in/investor-services.php>

The Dividend, if approved at the forthcoming Annual General Meeting, will be paid to those shareholders whose names are registered at the close of the business on, 1st August, 2025 or to their mandates subject however, to

the provisions of Section 126 of the Companies Act, 2013.

Pursuant to finance Act, 2020, dividend income is taxable in the hands of the shareholders effective from 1st April, 2020 and the Company is required to deduct tax at source from dividend paid to the Members at the prescribed rates as per the Income Tax Act, 1961.

TRANSFER TO RESERVE

The Board of Directors proposes to transfer Rs. 70 Crores to the General Reserve. An amount of Rs.520 Crores is proposed to be retained in the General Reserve Account.

INVESTOR EDUCATION AND PROTECTION FUND

Pursuant to the provisions of Section 124(5) of the Companies Act, 2013, dividend which remains unpaid or unclaimed for a period of seven years from the date of its transfer to unpaid dividend account is required to be transferred by the Company to “Investor Education and Protection Fund” (IEPF) established by the Central Government under the provisions of Section 125 of the Companies Act, 2013. During the year, dividend remaining unpaid/ unclaimed relating to financial year 2016-17 of Rs. 4,30,364/- has been transferred to IEPF. Further in compliance to provisions of Section 124(6) of the Companies Act, 2013, read with Rule 6 of the “Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules 2016 and Amendment Rules, 2017, 8,40,630 Ordinary shares in respect of which dividend remained unpaid/unclaimed for seven consecutive financial years had been transferred by the Company to the Demat Account of IEPF Authority so far through Depositories by following the procedures prescribed by Ministry of Corporate Affairs. However, out of such total Equity shares transferred, 10365 Equity shares were released to claimants so far by Investor Education and Protection Fund Authority.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

As required by Schedule V(B) under Regulation 34(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management discussion and analysis report for the year under review is appended below:

A. BUSINESS

The company is engaged in the business of fluid handling – from supply of pumps to turnkey project execution. It supplies a comprehensive range of pumps to the Industrial, municipal and irrigation sector. The company also has a strong project division which undertakes water management contracts in the above sectors.

B BUSINESS ENVIRONMENT

India’s growth rate was the second highest among G20 countries and almost twice the average of emerging market economic. Strong domestic demand, significant investments in public infrastructure, and a growing financial sector have been key contributor to this resilience. The RBI proactive measures have stabilized Rupees and by 2027, India is projected to become the third largest economy globally following United States and China. With the gradual improvement of Economic scenario during the year, there has been an increase in investments across various sectors of the economy and new opportunities are emerging in the capital goods sector. With an expanding order book and growing competencies, the performance of the Company across all its businesses sustained growth. The Company has been consolidating and growing its products portfolio and constantly expanding into new markets to achieve its growth objectives with a long term vision to be a leader in manufacturer of pumps and pumping solutions and turnkey execution of water management contracts. Overall, financial year 2024-25 was another stellar year despite headwinds. The Company achieved improvement across key operational while relentlessly focusing on its core values.

The Global Economy faced turbulence in 2025 amidst tense geopolitical scenario and recessionary pressure. Global growth is projected to remain moderate in 2025 with inflation remaining static in most countries. Key near term risks include high geo political tensions and its impact on global trade. This risk is further escalated with the shift to tariff based regimes and away from globalization. The company is focused on its vision of maintaining balance across its businesses and geographies to derisk itself from policy and other global risks.

C. OPERATIONAL REVIEW

DOMESTIC OPERATIONS

The company maintained its performance in 2024-25 with revenues of Rs.1178cr versus Rs.1107cr in 2023-24. The profit after tax for the year was flat at Rs.144cr versus Rs.142cr in 2023-24. Higher margins were offset by higher interest costs.

The performance of the Product Division was excellent with revenues at Rs.323cr versus Rs.263cr in 2023-24 and with improving order book the progress is expected to be maintained. This is well aligned with the company plans to maintain balance between the Product and Project division.

The Project Division revenues were flat at Rs.824cr versus Rs.816cr in 2023-24. The division started the year well with strong revenue growth in the 1st half however due to budget constraints of the Jal Jeevan schemes the second half slowed down. However, project completion remains strong with a large number of projects commissioned and approaching commissioning. The O&M revenues are expected to pick up from 2025-26 and strengthening the O&M team remains a focus area.

PRODUCT DIVISION

The Product division operations are divided into two main segments

- (a) Assembled to order pumps (ATO) which are manufactured to suit installations and typically serve municipal and industrial sectors.

This segment maintains its growth with revenues growing to Rs.190cr supported by the major thrust on water supply schemes and well supported by industrial demand. Further with growing requirements from the sewage and drainage sector the outlook is strong. The progress on Navy business is positive with improving outlook based on accelerated product development and increasing demand.

New brownfield facilities are being created to cater to growing demand in this segment.

- (b) Engineered to order pumps (ETO) which are designed and manufactured for special applications and typically serve large flow requirements in the irrigation and power sector.

The ETO performance was also strong with revenues of Rs.133cr and improving order books should allow growth to be maintained.

The segment outlook is improving with renewed focus on its key markets of Power and Irrigation. The division expects large business from these sectors in 2025-26. Furthermore the renewed thrust on river linking projects is a very promising opportunity.

The company is planning further expansion at its Nagpur facility to enhance its capacities in lieu of the above mentioned opportunities.

PROJECT DIVISION

The Project Division performance was stable with revenues of Rs.823cr versus Rs.816cr in 2023-24.

The division started the year well with revenues of Rs.431cr in the 1st half versus Rs.260cr in the corresponding period in 2023-24 however due to budget constraints at its clients end in the second half the progress slowed down substantially and revenues were flat for the year.

The division focused on improving its project completion and undertook most of the critical activities in the period so that a large number of its projects are commissioned or close to commissioning. This will lead to a pick up in O&M revenues from 2025-26 onwards.

The company decided to build an International project division and achieved good success with acquisition of Eigenbau and PCI in South Africa and Misa Spa in Italy. These acquisitions will diversify the company's project business and help balance out policy risks. The revenues of this International division are expected to be around 400cr and growing based on immense global opportunities in the water sector.

INTERNATIONAL OPERATIONS

International revenues were stable at 668cr versus Rs.590cr in 2023-24 in a year highlighted by the development of the International Project Division with the acquisition of Eigenabu, Misa and PCI.

GRUPPO ATURIA

The performance of Gruppo Aturia was stable in 2024-25 and the outlook for both its oil & gas business and the water segment looks strong with improving stability in the MENA region and a growing order book. The aftermarket segment remains strong.

The acquisition of Misa makes it a leader in large vertical pumps in Italy for the Irrigation and municipal sector along with a strong presence in the turnkey project business. The company has consolidated its acquisition well and looks to good growth through this acquisition.

WPIL SOUTH AFRICA

WPIL SA now consists of 4 subsidiaries namely APE Pumps, M&P SA, Eigenabu and PCI.

APE Pumps had another great year with strong revenues and margins as it becomes the supplier of choice across its markets.

The acquisition of Eigenabu and PCI creates a strong entry into the turnkey project business in South Africa and across Africa.

All the businesses start the year with strong order books and the company looks ahead at managing strong growth in the medium term.

STERLING PUMPS, AUSTRALIA

Sterling pumps and its subsidiary United Pumps had a good year in 2024-25 wherein revenues jumped to Rs.116 cr and the orderbook was brought under control. Now the focus is on margin improvement to encash the huge opportunities available to the companies.

The market outlook is excellent with the companies growing presence and strong brand presence.

WPIL THAILAND

WPIL Thailand had another good year in 2024-25 with strong revenues and growing order book. The company is now focused on the drainage sector with new product development which will boost its existing business in the irrigation sector.

CLYDE PUMP INDIA LTD.

The performance of Clyde Pump India further improved with record profitability in 2024-25. The capacity addition plus the growing markets in the oil & gas segment in the Gulf create good tailwinds for future growth.

D. FUTURE OUTLOOK

The business environment appears challenging with a rise in geo political tensions and conflicts which negatively impact global trade. Furthermore, the move away from globalisation leading to a tariff based global economy will dent the flow in global trade further and lead to inflationary spikes and recessionary pressures. Global GDP growth assumptions have already been tempered down.

However, water scarcity and a growing population represent a big challenge for present water infrastructure and hence the demand is expected to keep growing. Similarly, to address the UN standard of living health goals, sewage and drainage infrastructure needs to be greatly enhanced.

Your company has been focussed on developing solutions in fluid handling by enhancing its range of products and services. Simultaneously, enhancing its global reach to diversify its business model. We should be well placed to take advantage of these opportunities.

The Company is actively focussing on further enhancing its global reach and looking at establishing operations in newer geographies and creating new growth drivers.

The Company being one of the leaders in the pump industry foresees good growth in both domestic and international operations with improved outlook across businesses. All divisions are well equipped to deal with their growing order book and provide good quality and delivery of products to continue to enhance market share. The Company feels it has achieved a good balance between domestic and international businesses on one hand and Products and Projects on the other hand to become a supplier of choice in the fluid handling business.

E. OPPORTUNITIES, THREATS, RISKS AND CONCERNS

WPIL has strengthened itself with necessary manufacturing infrastructure and financial health to be a very strong Company in its sector. Its products have a technical edge in the market and are the preferred choice of its customers. Along with this its support services and team of competent, qualified and experienced personnel command great respect in the market place. A combination of such strong qualities along with its strong project division should help to sustain its growth going forward.

The biggest risk remains geo political risks which are rising with political changes taking place globally. These political changes along with policy changes will affect global trade and access to markets with a thrust on localisation.

A major concern is the evolution of global policies to climate change and the experimentation with various energy mix models which could lead to energy shortages and crises. Further huge investment in this domain could divert precious resources away from building basic essential infrastructure.

F. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company continues to have adequate system of internal control commensurate with size and nature of its business, which ensures that transactions are recorded, authorized and reported correctly apart from safeguarding its assets against loss from wastage, unauthorized use and removal. The internal control system is supplemented by documented policies, guidelines and procedures. The Internal Audit of the Company conducted by external professional audit firm continuously monitor the effectiveness of the internal control with a view to provide audit committee and the Board of Directors an independent, objective and reasonable assurance of the adequacy of the organization's internal controls and risk management procedures.

Internal Audit of all operational units was carried out during the year under report as per the scope approved by the Audit Committee of Directors. The internal audit teams regularly briefs the management and the Audit Committee on their findings and also recommend the steps to be taken with regard to deviations, if any. Internal Audit Reports are regularly submitted for perusal of Senior Management to initiate appropriate action as required.

G. HUMAN RESOURCES AND INDUSTRIAL RELATIONS.

The People process is at the heart of Company's successful story. The Company lays significant importance for all round developments of its Human Resources with special emphasis to train the employees at all levels to enhance their effectiveness in their contribution to the overall performance of the Company through skill up-gradation, knowledge improvement and attitudinal change. These enable the employees at all levels to cope with the competitive environment through which the Company is passing at present and to achieve the desired corporate objective.

The industrial relations climate in the Company continued to remain harmonious and cordial. The Company has a vibrant atmosphere and able to face challenges of economic downturn with fortitude. Various welfare measures and recreational activities are also being continued side-by side of production to maintain such relations.

The Company had 687 employees on the roll (excluding manpower on contractual basis) at the end of the year under review as against 538 (excluding manpower on contractual basis) of previous year.

H. SIGNIFICANT CHANGE IN KEY FINANCIAL RATIOS.

During the financial year under review, significant changes in two key financial ratios were noticed which include Debt Equity Ratio and Debt Service Coverage Ratio as against last year. The reasons underlying such changes have been provided respectively in Note 57 (v) to the financial statement. The information is intended pursuant to the requirements of The Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) as amended from time to time.

CORPORATE GOVERNANCE

The Company has always followed the principles of good Corporate Governance through attaining a highest level of transparency, professionalism, accountability and integrity in its functioning and conduct of business with due respect to laws and regulations of the land.

Necessary measures have been adopted to comply with the requirements of the Listing Agreements with Stock Exchange wherein the Company's shares is listed and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time. A separate report on Corporate Governance adopted by the Company, which is given in Annexure- B, forms a part of this report.

A certificate from the Auditors of the Company regarding the compliance of the conditions of Corporate Governance is attached to this report.

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT

The Securities and Exchange Board of India (SEBI) has made it imperative for top 1000 listed entities to prepare and present to stakeholders a Business Responsibility & Sustainability Report (BRSR). Accordingly, a BRSR has been prepared by the Company as per the suggested format of SEBI which is given in Annexure- D, forms a part of this report. The Business Responsibility Policy of the Company may be accessed to Company's website at <https://www.wpil.co.in/investor-services.php>

DIRECTORS' RESPONSIBILITY STATEMENT

In terms of the requirements of Section 134 (5) of the Companies Act, 2013, the Directors confirm that;

- (i) in the preparation of the Annual Accounts, the applicable accounting standards had been followed along with proper explanation relating to material departure;
- (ii) the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for that period;
- (iii) the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance of the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (iv) the Directors had prepared the Annual Accounts on going concern basis;
- (v) the Directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively and
- (vi) The Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such system were adequate and operating effectively.

Both, the Managing Director and Executive Director have furnished the necessary certification to the Board on these financial statements as required under Part B of Schedule II under Regulation 17(8) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

DIRECTORS

In accordance with the provisions of Section 152 of the Companies Act, 2013, Mr. Prakash Agarwal (DIN 00249468) and Mr. Brahma Prakash Khare (DIN 02288814) retire by rotation and being eligible, offer themselves for re-appointment. Mr S.N. Roy (DIN 00408742) Independent Director retired from the Board from 9th day of August, 2025 after conclusion of tenure of two consecutive terms of five years each. The Board had appointed Mr. Debraj Roy (DIN 10492039) as whole-time Director designated as Executive Director (Projects) for a period of three years with effect from 1st April, 2024 with the approval of shareholders through postal Ballot.

The Company has received declarations from all Independent Directors confirming that they meet the criteria of independence as prescribed in sub section (6) of Section 149 of the Companies Act ,2013 read with Companies (Appointment and Qualification of Directors) Second Amendment Rules, 2018 and Regulation 16(1) (b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations,2015 as amended from time to time.

In the opinion of the Board, there has been no change in the circumstances which may affect their status as Independent Director of the Company and the Board is satisfied of the integrity, expertise and experience (including the proficiency in terms of Section 150(1) of the Act and applicable rules thereunder) of all Independent Directors of the Board.

In terms of Section 150 read with Rule 6 of the Companies (Appointment and qualification of Directors) Rules, 2014, Independent Directors of the Company have undertaken requisite steps towards inclusion of their names in the data bank of Independent Directors maintained with the Indian Institute of Corporate Affairs.

POLICY FOR DIRECTORS' APPOINTMENT

The Company recognizes that an enlightened Board could effectively create a culture of leadership to provide long term vision, improve the quality of governance and invite the confidence of stakeholders. In order to ensure that Board Directors can discharge their duties and responsibilities effectively, the Company aims to have a Board with optimum combination of experience and commitment. The Company also believes the importance of Independent Directors in achieving the effectiveness of the Board. A diverges Board enables efficient functioning through differences in perspective and skill and also fosters differentiated thought process at the back of varied industrial and management expertise, gender, knowledge and geographical background. The policy of the Company for appointment of Directors and criteria for determining the qualifications, positive attitude and independence of a Director can be accessed to its website at <https://www.wpil.co.in/investor-services.php>

POLICY FOR REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES'

The Directors of the Company has made necessary disclosures as required under various provisions of the Companies Act, 2013 and SEBI (Listing Obligation and Disclosures Requirements) Regulations, 2015. Further the company has complied with all applicable secretarial standards during the year as prescribed by The Institute of Company Secretaries of India and this disclosure is made in conformity with the requirements of revised version of secretarial standards SS-1 issued by The Institute of Company Secretaries of India.

PUBLIC DEPOSITS

The company has not accepted any deposits from public within the meaning of Section 73 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014 and no public deposits were outstanding or remained unclaimed as on 31st March, 2024.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS

There are no significant and material orders passed by the Regulator or Courts or Tribunal that would impact the going Concern status of the Company and its future operations.

DISCLOSURE UNDER SEXUAL HARASSMENT OF WOMEN AT WORKPLACE

The Company is committed to provide and promote a safe healthy and congenial atmosphere irrespective of gender, cast, creed or social class of the employees. The Company has in place the requisites Internal Committee as envisaged in the Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act, 2013 to redress complaints, if any, received regarding sexual harassment. No complaints on the issues covered by the said act were reported to the Internal Committee / Board during the year.

The Company has laid down policy on prevention, prohibition and redressal of Sexual harassment of women in the work place in line with the provisions of the Sexual harassment of the women at work place (Prevention, Prohibition and Redressal) Act, 2013. This Policy of the Company may be accessed to Company's website at <https://www.wpil.co.in/investor-services.php>

MATERIAL CHANGES AND COMMITMENT

There were no material changes and commitments affecting the financial Position of the Company, which has occurred during the financial year to which these financial statements relate and date of this report.

INSTANCES OF FRAUD, IF ANY REPORTED BY THE AUDITORS

There have been no instances of any fraud reported by the Statutory Auditors under Section 143(12) of the Companies Act, 2013. Therefore no further disclosures are required under Section 134(3)(ca) of the Companies Act, 2013.

COMMODITY PRICE RISK OR FOREIGN EXCHANGE RISK AND HEDGING ACTIVITIES.

In terms of circular SEBI/HO/CFD/CMD1/CIR/P/2018/0000000141 dated 15th November, 2018 and pursuant to SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Board of Directors, is of opinion that the Company does not deal with products which requires it to enter into forward contract to hedge against price fluctuation that may end up in a substantial loss.

GREEN INITIATIVE

The Company has taken initiative of going green and minimizing the impact on the environment. The Company has been circulating the copy of the Annual Report and disseminating other information in electronic format to all those Members whose email address are available with the Company. The Ministry of Corporate Affair through its General Circular No 09/2024 dated 19.09.2024, General Circular No 09/2023 dated 25.09.2023, General Circular No 12/2022 dated 28.12.2022, 2/2022 dated 05.05.2022 read with General Circular No. 20/2020 dated 05.05.2020, General Circular No. 02/2021 dated 13.01.2021, General Circular No. 19/2021 dated 08.12.2021 and General Circular No. 21/2021 dated 14.12.2021, has prescribed that financial statements (including Board Report, Auditors Report and other documents required to be attached therewith), shall be sent only by e-mail to the Members. Further, Securities and Exchange Board of India, through its Notification No. SEBI/LAD-NRO/GN/2024/218 dated 12th December, 2024 has extended relaxation till 30th September, 2025 from applicability of Regulation 36(1) (b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 which requires sending hard copy of Annual Report containing the salient features of all the documents prescribed in section 136 of the Companies Act, 2013 to the shareholders who have not registered their email addresses. Accordingly, those members have not yet registered their e-mail ID with

the Registrar and Transfer Agent of the Company or their depository participants may do the same forthwith in accordance with procedure mentioned in the notice convening Seventy First Annual General Meeting for receiving Annual Report and other communications in electronic form and participation in e-voting. Further SEBI vide its circular no. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated 20.04.2018 directed all Companies to make payment of dividend to the shareholders through approved electronic modes and also directed that updated Bank Details of the shareholders must be maintained by the Companies and if not available, the same must be obtained from the concerned shareholders. The Members are requested to ensure compliances of these requirements.

DISCLOSURE UNDER INSOLVENCY AND BANKRUPTCY CODE, 2016

The Ministry of Corporate Affairs through gazette notification dated 24th March, 2021, prescribed certain disclosures to be made by the Company in its Board Report as to particular of application filed during the year under Insolvency and Bankruptcy Code, 2016 including status of cases pending at the end of the year are provided in annexure-H

LARGE CORPORATE DISCLOSURE FOR FUND RAISING THROUGH DEBT SECURITIES

As on 31st March, 2025, your Company did not have any long-term borrowing. As a result of the same, your Company does not meet the criteria specified by SEBI for large corporates for fund raising through debt securities.

CHANGE IN THE NATURE OF THE BUSINESS

There has been no change in the nature of business of the Company during the year.

ONE-TIME SETTLEMENT WITH THE BANKS AND FINANCIAL INSTITUTIONS

No one-time settlement with Banks or Financial Institutions were entered into during the year.

STOCK SPLIT/SUB-DIVISION OF EQUITY SHARES OF THE COMPANY

The Board of Directors of the Company at its meeting held on May 25, 2024 subject to the approval of the Shareholders of the Company recommended to sub-divide 1 (one) Equity share of Rs. 10 each fully paid up into 10 (ten) Equity Shares of Rs. 1/- each fully paid up. Subsequently the shareholders of the Company accorded consent to the Company to sub-divide 1 (one) existing equity shares of Rs. 10/- each into 10 (ten) Equity Shares of Rs. 1/- each fully paid up on 30th June, 2024 through postal ballot, the effect of which had been given to the existing account of all shareholders on record date on July 12, 2024.

DISCLAIMER

Statement in the management discussion and analysis and Directors' Report describing the Company's strength, projections and estimates are forward-looking statements and progressive within the meaning of applicable laws and regulations though the Company believes expectations reflected in such forward looking statements are reasonable. However, no assurance can be given that such expectations will prove to have been correct. Actual results may vary from those expressed and implied, depending upon the economic conditions, Government Policies and other incidental factors. Readers are cautioned to repose undue reliance on the forward looking statements.

ANNEXURES FORMING PART OF THIS REPORT

Annexure	Particulars
A	Conservation of energy, technology absorption, foreign exchange earning and outgo.
B	Report on Corporate Governance
C	Secretarial Audit Report
D	Business Responsibility and sustainability Report
E	Particulars of Loans, Guarantees and Investments under 186 of the Act
F	Report on Corporate Social Responsibility (CSR) activities.
G	Particulars of Employees and Related Disclosures
H	Status of cases under IBC 2016 pending as on 31.03.2025.
I	Disclosures of remuneration and other particulars as prescribed under the provisions of section 197 of the Companies Act, 2013

ACKNOWLEDGEMENT

The Directors take this opportunity to express their whole-hearted appreciation for the unstinted support and co-operation received from the Central Government, various State Governments and Government undertakings, Banks, Financial Institutions, Customers and Shareholders during the year under review. The Directors also wish to place on record their appreciation for the service rendered by the employees at all levels in the Company and for their valuable contributions towards the performance of the Company.

ANNEXURE TO THE DIRECTORS' REPORT**PARTICULARS OF DISCLOSURE UNDER RULE 8 OF THE COMPANIES (ACCOUNTS) RULES, 2014.****A) CONSERVATION OF ENERGY****AT KOLKATA OPERATION**

Following measures were adopted during the year for conservation of energy. Impact of the measures have the effect of reduction of energy consumption leading to saving of energy cost by approx.. Rs.120,000/- per month.

- In factory shed, 20 no old 440 Watt Illumination Fittings were replaced by 80 Watt LED,
- In outside open area, 18 No's old 250 watt HPL-N set were replaced by 50 Watt LED.
- All 40 watt tube lights were replaced with 20 watt LED tube light.
- 4 nos Capacitor banks are repaired & replaced to improve power factor.
- At Night time (from 10.00 pm to 6.00 am) and day time Shed light use are restricted to reduce electric consumption.

AT GHAZIABAD PLANT**Conservation Of Energy**

- Power saving awareness monitoring program is ongoing.
- New capacitor to be installed to improve power factor from 0.90 to 0.93 to achieve 0.98/0.99
- Servo Stabilizer installed at new incoming Machines to stabilize voltage/current to reduce power consumption.
- VFD in EOT cranes & Balancing Machine installed to control starting high current.
- Changing of conventional bulb to LED in progress.
- Frequent servicing of main Panel to reduce over heating/over current during operation.
- Transformer Oil filtration on regular basis and insulation monitoring to reduce power loss.
- Auto control of Water supply.
- Air leakage controlled to reduce Compressor run time, resulting power saving.

B) RESEARCH & DEVELOPMENT (R&D)

Following are the specific areas in which R&D activities have been carried out by the Company during the year under review.

New Pump Models/Components Developed:

- Development of high efficiency vertical turbine pumps (specific speed 2500-2700 US NS) of design flow range 7000 M3/Hr to 8500 M3/Hr and head range 50 M to 65 M .
- Development of Horizontal Axial Flow pump for Drainage / Dewatering application (specific speed 22000 - 25000 US NS) of design flow range 22000 M3/Hr to 26000 M3/Hr and head range 1 M to 2 M.

Upgradation of Test Facility

- PPLC based Data Acquisition System has been installed for Hydraulic Test Laboratory at Panihati. The system has been commissioned and is being used regularly. This system has been further augmented with installation of large diameter Electrically actuated flow regulation Butterfly Valves to enhance test flow capacity.

AT GHAZIABAD PLANT

DESIGN/DEVELOPMENT & ENGG.

NEW DEVELOPMENT & ENGG. HORIZONTAL PUMPS

1. Standard impeller & casing seal ring data for machining are standardized for WLN Pump.
2. 24WLN42D new design developed, tested supplied.
3. PDMV 250-400 new design developed for Gruppo Aturia, Tested and supplied.
4. 10MFV30 new design High Head Non clog pump developed. Tested, supplied.
5. WXH64 150-350 – low rpm new multistage pump design and under manufacturing.
6. WXH64 250-500 – low rpm new multistage pump under development.
7. WXH64 125-150B – low rpm new multistage pump design and under manufacturing.
8. PDM 300-440, PDN150-480 New Bearing housing designed for oil lubrication.
9. 300-DS-553 end suction pump-newly designed and under manufacturing.

SELF PRIMING PUMPS FOR NAVY

- 11-models designed for naval application (Inline, Hori Self priming etc)-type tested and under manufacturing.
- Aquiline P3X11 (hull & fire pump), Aquafit B1X7 (Fresh water booster pump) tested (100hrs endurance run and type test completed) & supplied.
- Aqualine H2X7, Aqualine H3X9, Aqualine K3X7, Aqualine B1X7 (Fresh water booster pump) tested (100hrs endurance run and type test completed) being supplied.
- Aquafit B1.5X9L, Aquafit F1.5X9, Aqualine E6X13/30KW, Aqualine E6X13/37KW, Aqualine A6X13 tested (100hrs endurance run and type test completed) and supplied.

LOW WEIGHT NAVAL PUMP-MOTOR IN COMPOSITES AND PMSM MOTORS

Initially submersible drainage pump set taken up for engineering, analysis and sample development.

After above, horz selfpriming moonset planned for design and engineering.

DOCUMENTATION & STANDARDIZATION

- Completed -HSC –LN, LR- redesigned and standardized as WLN.
- New standard sewage data book designed and launched.

PUMP SELECTION SOFTWARE

1. Completed for horizontal split case pump and submersible sewage pumps. HT Motors data uploaded. Vertical, End suction and multistage pumps curves uploaded.

2 SEWAGE PUMP MOTORS/SCF PUMPS

- Double suction sewage/dewatering pump under development against order.
- VFD driven 132 KW-188 RPM motor designed. Tested, supplied and commissioned.
- 132 KW-12 POLE LT submersible motor designed.
- Motors improved with strengthened cables, special cable glands with improved sealing system and mechanical strength.

BORWELL SUBMERSIBLE MOTOR PUMP

- Pumps redesigned with double bearings and longer suction case. Suction cases standardized borewell size wise. Under implementation.
- 14INCH 2 POLE 400KW motor with two heat exchanger developed testing under process.
- Feasibility study of anti-abrasion/corrosion coating for rotors of submersible motor under process.
- Designing of 400KW, 19INCH3.3KV motor supplied to Aturia for common development & improvement.
- Motors designed for -20°C transport and storage and supplied via EIL.

SOFTWARE - CFD/MECHANICAL/ELECTROMAGNETIC ANALYSIS

1. Structural analysis of 24WLN42D.
2. Shock and vibration analysis done in-house for inline pumps for 275g shock.
3. Structural and vibration analysis of (450HP Engine) Base frame for HPCL SANGRUR Project.
4. AQUALINE B1X7 new developed Inline pump cfd analysis for Navy project.
5. Shock and vibration analysis done in-house for Horizontal monoblock pumps for 264g shock.
6. 10MFV30 new developed pump cfd analysis. Pump under tested and supplied.
7. Base frame structural analysis for weight optimization.
8. WXH64 150-350 new developed pump cfd analysis.
9. Structural analysis of RCC Concrete block with pump for Adani power water ltd Project.

SOFTWARE - CFD/MECHANICAL/ELECTROMAGNETIC ANALYSIS

- Structural analysis of 24WLN42D.
- Shock and vibration analysis done in-house for inline pumps for 275g shock.
- Structural and vibration analysis of (450HP Engine) Base frame for HPCL SANGRUR Project.
- AQUALINE E6X13 new developed Inline pump CFD, FEMA and shock test analysis for Navy project.
- AQUALINE P3X11 new developed Inline pump CFD, FEMA and shock test analysis for Navy project.
- AQUALINE B1X7 new developed Inline pump cfd analysis for Navy project.
- Shock and vibration analysis done in-house for Horizontal monoblock pumps for 264g shock.
- 10MFV30 new developed pump cfd analysis. Pump under tested and supplied.
- Base frame structural analysis for weight optimization.
- WXH64 150-350 new developed pump cfd analysis.
- Structural analysis of RCC Concrete block with pump for Adani power water ltd Project.

(C) TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION

- CFD (Computational Fluid Dynamics) laboratory already established at R&D department further strengthened by skilled manpower. Internationally acclaimed CFD software ANSYS CFX has been installed at Kolkata and Ghaziabad design centres. These design centres are regularly conducting Flow Pattern Analysis for performance improvement of pumps and sump flow pattern analysis.

FUTURE PLAN OF ACTION

- New design and development of high performance axial flow pump with adjustable propeller angle.
- New CNC machines installed to enhance manufacturing capability of pump components in large nos.
- New plant layout for machining and assembly of pumps to enhance productivity.
- New Material Storage and Handling facility to facilitate efficient material movement.
- New modern office at Ganipur Works with designed seating arrangement to facilitate efficient communication between work group and enhance work efficiency.

CONTINUOUS IMOROVEMENT

FOCUS ON PUMP PERFORMANCE:

- Continuous review and analysis of past and present pump performance test results. Corrective and preventive measures are being taken regularly.

VALUE ENGINEERING:

- Value engineering and performance improvement of Horizontal and Vertical Pumps and development of investment cast impellers of Horizontal pumps is a continual process.

STANDARISATION

- Standardisation of vertical turbine pump components and Horizontal pump components with focus on reduction of size and configuration variation. Overall goal is to reduce pump delivery time by maintaining stock of standard components. The design standardization of pump components on shaft size basis is complete and has substantially improved on delivery of horizontal pumps. Standardization of vertical pump Bowl Assembly items have also been completed. This will help reducing delivery time of long-setting vertical turbine pumps. Now focus is on developing modular design for Auxiliary Systems of Pumps.

REPORT ON CORPORATE GOVERNANCE**Annexure – B**

Pursuant to para C, D & E of Schedule V under Regulation 34(3) of SEBI (LODR) Regulations, 2015 as amended from time to time to the extent applicable.

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Your Company's philosophy on Corporate Governance aims to attain the highest level of transparency, professionalism, accountability and integrity in its functioning and conduct of business with due respect to laws and regulations of the land. It is directed in such a way that it performs effectively keeping in view customers and its business, employees and long term interest of the stakeholders. Your Company is committed to good Corporate Governance and continuously reviews various investors' relationship measures with a view to enhance stakeholders' value. Your Company within its web of relationships with its borrowers, shareholders and other stakeholders has always maintained its fundamental principles of Corporate Governance- that of integrity, transparency and fairness. For your Company, Corporate Governance is a continuous journey, seeking to provide an enabling environment to harmonize the goals of maximizing the shareholders' value and maintaining a customer centric focus.

Your Company maintains that efforts to institutionalize Corporate Governance practices cannot solely rest upon adherence to a regulatory framework. Your Company's Corporate Governance compass has been its newly adopted business practices, its values and personal beliefs, reflected in actions of each of its employees.

Your Company believes that while an effective policy on Corporate Governance must provide for appropriate empowerment to the executive management, it must also create a mechanism of internal controls to ensure that powers vested in the executive management are properly used with appropriate consideration and responsibility so as to fulfill the objectives of the Company.

The Board of Directors fully support and endorse Corporate Governance practices as per the provisions of the Listing Regulations as applicable from time to time. Your Company takes proactive approach and revisits its governance practices from time to time so as to meet business and regulatory approach. The Corporate Governance structure in your Company is based on an effective independent Board, the separation of the Board's supervisory role from the executive management and constitution of Board Committees primarily focused on independent Directors and chaired by independent Directors to oversee the critical areas.

2. BOARD OF DIRECTORS

Your Company has a broad-based Board of Directors constituted in compliance with the terms of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended and in accordance with best practices in Corporate Governance. The Board of Directors of your Company comprises Executive and Non-Executive Directors; the latter include independent professionals who are also Independent Directors.

In accordance with the governance policy, Directors are eminent professionals with experience in business / finance/ management. Managing Director and Executive Directors are appointed /re-appointed with the approval of shareholders for a period of three years or for a shorter duration as the Board deems fit from time to time. All Directors other than Independent Directors, are liable to retire by rotation. One-third of the Directors retire by rotation every year and are eligible for re-election. In terms of the Articles of Association of the Company, as amended, the strength of the Board shall not be less than three or more than fifteen. The present strength of the Board of Directors is eight, of which four are Executive Directors.

The following is the composition of Board as on 31st March, 2025.

Sl. No.	Category	No. of Directors	Percentage of total No. of Directors
1.	Non-Executive Independent Directors	3	37.50
2.	Non-Executive Woman Independent Director	1	12.50
3.	Executive Director and Promoter (Managing Director)	1	12.50
4.	Executive Directors	3	37.50
	TOTAL	8	100.00

The Board comprises of Eight Directors, one of whom is Managing Director & three are Executive Directors and rests Four are Non-Executive Independent Directors. The Directors are eminently qualified and have rich experience in business, finance and corporate management. The Independent Directors do not have any pecuniary relationship or transaction with the Company, promoters or management, which may affect their judgments in any manner. The day-to-day management of your Company vests with the Managing Director and the Executive Directors subject to the superintendence, control and direction of the Board of Directors.

The policy formulation, evaluation of performance and the control function vest with the Board, while the Board Committee oversees the operational issues. The Board meets at least once in a quarter to consider inter alia the quarterly performance of your Company and financial results. The Directors attending the meeting actively participate in the deliberations at the meetings.

The names of the Board Members, their attendance at the Board Meetings and General Body Meeting held during the financial year under review and the number of other Directorships and the Board Committee Memberships held by them as at 31st March, 2025, are given below.

Name of the Board Members	Category (1)	Board Meetings attended out of 5 Meetings held during the year	Attendance at the last AGM held on 9th August, 2024	Number of other Directorships held in Indian Public and Private Limited Companies (3)	Number of other Committee Memberships (2)

8.	Mr. Debraj Roy	WPIL Limited	Executive Director (Projects)

None of the Directors on the Board of the Company is a Director in more than Seven listed companies and is a member of more than ten committees and/or acts as a chairman/chairperson of more than five committees across all the listed companies in which he/she is a Director.

Further, no Independent Director serves in more than seven listed companies and no person who is serving as a Whole-time Director in a listed company is serving as an Independent Director in more than three listed companies.

Details of Board Meetings held during the financial year

During the Financial Year 2024-25, Five Board Meetings were held on 25th May, 2024, 02nd July, 2024, 07th August, 2024, 30th October, 2024 and 12th February, 2025.

3. COMMITTEE OF THE BOARD

Presently, there are six Committees of the Board- (1) Audit Committee, (2) Nomination and Remuneration Committee, (3) Stakeholders Relationship Committee, (4) Corporate Social Responsibility Committee (5) Share Transmission and issue of Duplicate Shares Committee and (6) Risk Management Committee.

The terms of reference of Board Committees are determined by the Board from time to time. Meetings of each Board Committee are convened by Committee Chairman. Minutes of Board Committee Meetings are placed at the Board for information. The respective roles and compositions of these Committees, including the number of meetings held during the financial year and the related attendance are provided below:-

I. AUDIT COMMITTEE

The Audit Committee provides general direction and oversees the audit and risk management function in the Company. It carries out periodic review of accounting policies and internal control systems, reviews the quality of internal and management audit reports, ensures the reliability of financial and other management information and adequacy of disclosures; it also acts as an interface between the Statutory and the Internal Auditors and the Board of Directors.

The terms of reference of the Audit Committee are in line with Part C of Schedule II of Regulation 18(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 177 of the Companies Act, 2013.

The terms of references of Audit Committee include the followings:

- Overseeing Company's financial reporting process and disclosures of its financial information.
- Recommending appointment or removal of the Statutory Auditors, fixing of audit fees and approving payments for any other services.
- Reviewing with the management the quarterly and annual financial statements with primary focus on:
 - a) Matters to be included in the Directors' Responsibility Statement comprised in the Board Report in terms of Clause (c) of sub-section (3) of Section 134 of the Companies Act, 2013.
 - b) Accounting policies and practices.
 - c) Compliance with Accounting Standards.
 - d) Accounting- based on exercise of judgment by management.
 - e) Qualification in the draft Audit Report.
 - f) Compliance with listing Regulations and other legal requirements concerning financial statements.
 - g) Significant adjustments arising out of audit.
 - h) The going concern assumptions.
 - i) Related party transactions.
- Reviewing with the Management, the Internal and the Statutory Auditors the adequacy and compliance of internal control systems.
- Reviewing Company's financial and risk management policies.
- Reviewing the Internal Audit functions and reports and major findings of the Internal Auditors.
- Pre-audit and post-audit discussions with the Statutory Auditors to ascertain the area of concern.

The Audit Committee comprises of two Non-Executive Directors, and one Executive Director. All the Non-Executive Directors are Independent Directors. Members of the Committee are financially literate and have accounting and financial management expertise. The General Manager (Finance) and Company Secretary acts as the Secretary to the Committee. The Managing Director and the representatives of the Internal and the Statutory Auditors are permanent invitees to the Audit Committee Meeting. The Committee constituted with Mr. Anjan Dasgupta, (Independent Director) as Chairman and Mr. Ashok Kumar Pradhan (Independent Director) and Mr. K.K.Ganeriwala (Executive Director) respectively as members of this Committee.

During the Financial Year 2024-25, Audit Committee Meeting were held on 25th May, 2024, 07th August, 2024, 30th October, 2024 and 12th February, 2025.

The composition of the Audit Committee and the attendance of the members as on 31st March, 2025 are furnished below:

Sl. No.	Name of Member of Audit Committee	No. of meetings attended	Number of meetings held during Members tenure
1.	Mr. Anjan Dasgupta	4	4
2.	Mr. Ashok Kumar Pradhan*	2	2
3.	Mr. K. K. Ganeriwala	4	4

* Replaced Mr. S. N. Roy, Independent Director who retired from Board on 9th August 2024 after completion of tenure of two consecutive terms of five years each.

II. Nomination and Remuneration Committee

The composition of Nomination and Remuneration Committee of Directors as on 31st March, 2025, consists of Mr. Anjan Dasgupta, Independent Director (Chairman), Mr. Ashok Kumar Pradhan, Independent Director and Mrs. Samarpita Bose, Independent Director. The terms of reference of the Nomination and Remuneration Committee primarily cover formulation of criteria for determining the qualifications and positive attitudes of Directors, recommend to the Board a policy relating to the remuneration of Directors, Key Managerial Personnel and other employees. Identify the persons who are qualified to become Director and who may be appointed as Senior Management Personnel in accordance with criteria laid down and recommend to the Board for their appointment and removal and to carry out evaluation of performance of every Director. Fixation of remuneration, gradation, scales, perquisites, increments etc. of the Managing Director and the Executive Director.

The remuneration of the Managing Director/ Executive Director is determined by the Board of Directors within the statutory limits subject to the Shareholders approval and on the basis of recommendations of the Nomination and Remuneration Committee.

During the Financial year 2024-25, one Nomination and Remuneration Committee Meetings was held on 12th February, 2025 which was attended by all members constituting the Committee.

The criteria for performance evaluation of Independent Directors as laid down by Nomination and Remuneration Committee are furnished below:

Criteria for performance evaluation of Independent Directors

- a) Updated on skills, knowledge, familiarity with the Company and its business.
- b) Acts objectively and constructively while exercising duties.
- c) Participates in development of strategies and risk management.
- d) Committed to the fulfillment of a director obligations and fiduciary responsibilities- these include participation and attendance.
- e) Demonstrates quality of analysis and judgment related to progresses and opportunities and need for changes.
- f) Contributes towards and monitor Company's Corporate Governance Practice.
- g) Keeps well informed about the Company and the external environment in which it operates.
- h) Does not unfairly obstruct the functioning of an otherwise proper Board or Committee of Board.
- i) Pays sufficient attention and ensures that adequate deliberations are held before approving the Related Party Transactions.
- j) Contributes adequately to address the top management issues.
- k) Acts within authority and assists in protecting the legitimate interests of the Company, its Shareholders and its employees.
- l) Ensures that vigil mechanism has been properly implemented and monitored.
- m) Reports concerns about unethical behavior, actual or suspected fraud or violation of the Company's code of conduct or ethics policy.
- n) Does not disclose confidential information, commercial secrets, technologies, unpublished price sensitive information unless such disclosure is expressly approved by the Board or required by law.
- o) Attendance at the General Meeting of the Company.

The Non-Executive Directors draw remuneration from the Company by way of sitting fees for attending the Meetings of the Board and its Committees. The fees are determined by the Board from time to time within the statutory guidelines. However, Non-Executive Directors as a whole are entitled to receive commission not exceeding 1% of Net Profit of the Company in lieu of their services to the Company.

A. Details of remuneration paid to the Managing Director and the Executive Directors during the financial year ended 31st March, 2025 are given below:

Name	Designation	Salary (Rs.)	Contribution to funds (Rs.)	Perquisites & Allowances (Rs.)	Commission (Rs.)	Total (Rs.)
Mr. Prakash Agarwal	MD	72,00,000	8,64,000	49,99,657	1,94,69,600	3,25,33,257
Mr. K.K. Ganeriwala	ED	48,00,000	5,76,000	32,80,000	97,34,800	1,83,90,800
Mr. Brahma Prakash Khare	ED (Operations)	26,05,200	3,12,624	17,80,220	13,02,600	60,00,644
Mr. Debraj Roy	ED (Projects)	26,05,200	3,12,624	23,71,286	48,19,800*	1,01,08,910

- Performance incentive & Bonus

There was no stock option during the Financial Year ended 31st March, 2025.

B. Details of remuneration paid/payable to Non-Executive Directors during the financial year ended 31st March, 2024 are as follow:-

Sl. No.	Name of Directors	Commission (Rs.)	Sitting fees (Rs.)		Total (Rs.)
			Nature of Meeting Board	Committee	
1	Mr. S.N.Roy	50,000/-	30,000/-	40,000/-	1,20,000
2	Mr. Anjan Dasgupta	1,00,000/-	50,000/-	50,000/-	2,00,000/-
3	Mr. Rakesh Amol	1,00,000/-	50,000/-	—	1,50,000/-
4	Mrs. Samarpita Bose	1,00,000/-	50,000/-	30,000/-	1,80,000/-

*Replaced Mr. S.N.Roy, Independent Director who retired from Board on 9th August 2024 after completion of tenure of two consecutive terms of five years each.

V. CORPORATE SOCIAL RESPONSIBILITY COMMITTEE

The Committee consists of Mr. Anjan Dasgupta (Chairman), Mr. Prakash Agarwal and Mr. K.K. Ganeriwala. The terms of reference of the Corporate Social Responsibility Committee basically cover formulation of a Corporate Social Responsibility Policy of the Company which cover the activities to be undertaken by the Company as specified in Scheduled VII to the Companies Act, 2013 and recommend the same to the Board for adoption. Recommend the amount of expenditure to be incurred on the activities as specified in the Policy and monitor Corporate Social Responsibility Policy of the Company from time to time. During the Financial year 2024-25, one meeting was held on 25th May, 2024, which was attended by the then all members constituting this committee.

VI RISK MANAGEMENT COMMITTEE

The Committee consists of Mr. P.Agarwal (Chairman), Mrs Samarpita Bose and K.K.Ganeriwala. During the year, two Meetings were held on 10th June, 2024 and 29th November, 2024 respectively which were attended by all members constituting the committee.

The Committee was basically entrusted with the responsibility to assist the Board in overseeing and approving the Company's enterprises wide risk management framework and ensuring that all the risks that the organization faces have been assessed and identified and there exists adequate risk management infrastructure capable of addressing those risks.

Mr.U.Chakravarty, General Manager (Finance) and Company Secretary has been designated as the Compliance Officer of the Company. Investors may contact Mr. U. Chakravarty at e-mail ID uchakravarty@wpil.co.in for registering their complaints and also to take necessary follow-up action. Mr.U.Chakravarty has also been appointed as Nodal Officer of the Company who acts as an interface between Investor Education and Protection Fund Authority and Investors whose shares have been transferred to Investor Education and Protection Fund for not claiming unpaid Dividend for consecutive period of seven years.

4. Separate Meeting of Independent Directors

The Independent Directors held a Meeting on 12th February, 2025 without the attendance of Non-Independent Directors

and members of Management. All the Independent Directors were present at the meeting. The following issues were discussed at length.

- (i) Reviewed the performance of Non-Independent Directors and the Board as a whole;
- (ii) Reviewed the performance of the Chairperson of the Company, taking into account views of Executive Directors and Non-Executive Directors;
- (iii) Assessed the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

5. Familiarization Programme of Directors

Whenever new Non-Executive and Independent Directors are inducted in the Board, they are introduced to Company's culture through appropriate orientation session and they are also introduced to the organization structure, company's business model, constitution, Board procedures, major risks and management strategy. Detailed discussions held at the Board Meetings as to the status of operations and financial position of the Company provides a thorough input to the Independent Directors to assess the status and overall position of the Company. Besides Code for the Independent Directors as envisaged in the Schedule IV to the Companies Act, 2013, makes them familiar as to their roles, duties and responsibilities in the Company.

The Company had issued formal letter of appointment to the Independent Directors as provided in the Companies Act, 2013. The letters of appointment can be accessed to the Company's website at www.wpil.co.in under Investors Services.

6. BOARD PROCEDURE

The Members of the Board have been provided with the requisite information as provided in Part A of Schedule II of Regulation 17(7) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 well before the Board Meeting and the same were dealt with appropriately.

All the Directors who are in various committees are within the permissible limits as stipulated in Regulation 26 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Directors have intimated from time to time about their Memberships / Chairmanships in the various Committees in other Companies.

Independent Auditor's Report on compliance with the conditions of Corporate Governance as per provisions of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

The Members of WPIL Limited
Trinity Plaza, 3rd Floor,
84/1A, Topsia Road (South)
Kolkata- 700 046

1. We, Salarpuria & Partners, Chartered Accountants, Statutory Auditors of WPIL Limited (the "Company"), have examined the compliance of conditions of Corporate Governance by the Company for the year ended March 31, 2025, as stipulated in regulations 17 to 27 and clauses (b) to (i) of sub – regulation (2) of regulation 46 and para C, and D of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

Management's Responsibility

2. The preparation of the Corporate Governance Report is the responsibility of the management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation, and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report.
3. The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India.

Auditor's Responsibility

4. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
5. We conducted our examination of the Corporate Governance Report in accordance with the Guidance Note on Reports or Certificates for Special Purposes and the Guidance Note on Certification of Corporate Governance, both issued by the Institute of Chartered Accountants of India ("ICAI"). The Guidance Note on Reports or Certificates for Special Purposes requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. Based on the procedures performed by us and according to the information and explanations given to us by the management, we are of the opinion that the Company has complied with the conditions of Corporate Governance as specified in the Listing Regulations, as applicable for the year ended March 31, 2025.

Other matters and Restriction on Use

8. This report is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.
9. This report is addressed to and provided to the members of the Company solely for the purpose of enabling it to comply with its obligations under the Listing Regulations with reference to compliance with the relevant regulations of Corporate Governance and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care or for any other purpose or to any other party to whom it is shown or into whose hands it may come without our prior consent in writing. We have no responsibility to update this report for events and circumstances occurring after the date of this report.

Form MR-3
SECRETARIAL AUDIT REPORT

[Pursuant to Section 204(1) of the Companies Act, 2013 and
Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2025

To
The Members of
M/s. WPIL Limited

I have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by M/s. WPIL Limited (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on verification of the Company's Books, Papers, Minute Books, Website, Forms and Returns filed and other Records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives and information received by the Company from MCS Registrar and Transfer Agent Limited as may be considered relevant during the conduct of Secretarial Audit, I hereby report that in our opinion, the Company has, during the financial year commencing from 1st April, 2024 and ended 31st March, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board process and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter :

1. I have examined the Books, Papers, Minute Books, Forms, Returns filed and other Records maintained by M/s. WPIL Limited (“The Company”) for the financial year ended on 31st March, 2025, according to the provisions of:

- i. a) The Companies Act, 2013 (the Act) and the Rules made thereunder;
b) The Companies (Amendment) Act, 2017 to the extent applicable;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder as amended from time to time to the extent of Overseas Direct Investments;
- v. The Securities and Exchange Board of India Act, 1992 ('SEBI Act') :
 - a. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, as amended from time to time
 - b. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time
 - c. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, as amended from time to time.
 - d. Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 and circulars/guideline issued thereunder.

2. Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company during the financial year under report :

- i. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009.
- ii. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.
- iii. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, regarding the Companies Act and dealing with client;
- iv. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008
- v. The Securities and Exchange Board of India (Share based Employee Benefits and Sweat Equity) Regulations, 2021.
- vi. Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009.

3. I have also examined compliances with the applicable clauses and regulations of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India under the provisions of Companies Act, 2013
- ii Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time and
- iii During the financial year under report, the Company has complied with the provisions of the Companies Act, 2013 as amended 2017 to the extent applicable and the Rules, Regulations, guidelines, standards, etc., mentioned above subject to the following observations;

4. OBSERVATIONS :

- (a) As per the information and explanations provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I report that the provisions of the Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder have been complied with to the extent of Overseas Direct Investments.
 - (b) As per the information and explanations provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I report that the Company has not made any GDRs/ ADRs or any Commercial Instrument during the financial year under report.
- 5 I have relied on the information and representations made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company.

6. Management Responsibility

- a) Maintenance of Secretarial records is the responsibility of the Management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
- b) I have followed the audit practices and the processes as were considered appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe the processes and practices, which were followed provide a reasonable basis for my opinion.

- c) I have not verified the correctness or appropriateness of financial records and Books of Accounts of the Company.
- d) Wherever required, I have obtained the Management representation about the compliances of laws, rules and regulations and happening of events etc.
- e) The Compliances of the provisions of Corporate and other applicable laws rules. Regulations and standard is the responsibility of the management. My examination was limited to the verification of procedure on test basis.
- f) The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor the efficacy or effectiveness with which the management has conducted the affairs of the Company.

7 I further report that :

- (a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Independent Directors. There were changes in the composition of the Board of Directors during the year under review with the retirement of Mr. Samarendra Nath Roy (DIN 00408742), Independent Director from the Board with effect from 09.08.2024 after completion of tenure of two consecutive terms of five years each and appointment of Mr. Debraj Roy (DIN 10492039) as Whole-time Director, designated as Executive Director (Projects) of the Company with effect from April 01, 2024 with the approval of shareholders obtained through remote voting under Postal Ballot.
 - (b) Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation of the meeting;
 - (c) Unanimous consents were accorded by the Board Members in respect of the business transacted during the financial year under review.
- 8 I further report that there are adequate systems and processes in the Company with the size and operations of the Company to monitor and ensure compliances with applicable Laws, Rules, Regulations and Guidelines.

GOVERNANCE LEADERSHIP AND OVERSIGHT

7. Statement by Director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievement.

The Company is committed to integrating environment, social and governance (ESG) principles into its businesses which is central to improving the quality of life of the communities it serves. It adheres to the principle of product stewardship by enhancing health, safety and environmental impacts of products and services across their life cycles.

The Company is committed towards upkeep of the society, preserving the bio-diversity and culture, minimal waste generation without pollution and proper treatment of generated waste from any of the Company's operations, prevention of injury and ill-health due to occupational hazards and comply with all applicable legal, statutory and regulatory requirements by participation of our stakeholders at all levels through awareness, training and motivation ensuring the quality delivery of our products and sustainability considering our business context.

Doing business in a responsible and sustainable manner is one of the key imperatives for the Company. The Company continuously engages in discussion with all its stakeholders to identify its ESG issues and have identified Ethical Business Conduct, Efficient and Transparent Customers Services, Corporate Governance, Risk Management, Human capital Development, Engagement with communities in which it operates for contributing to their equitable and inclusive development are some of the most important issues.

8. Details of the highest authority responsible for implementation and oversight of the Business Responsibility Policies.

Mr. Prakash Agarwal, Managing Director (DIN 00249468) under the guidance of the Board of Directors and its committees is responsible for implementation and oversight of the Business Responsibility policies.

9. Does the entity have a specified committee of the Board /Director responsible for decision making on sustainability related issue? (Yes/No). If yes, provide details.

No. The stakeholder Relationship Committee (SRC) and Corporate Social Responsibility (CSR) Committee of the Board is responsible for decision making on sustainability related issues. CSR Committee looks at Community/ social related initiatives and for substantiality related activities within the organisation, Managing Directors and Executive Directors are involved. Besides, the Company also has in place an Executive level ESG forum comprising of various functional heads to oversee the sustainability related issues.

Refer to Corporate Governance Report which forms part of the Directors' Report for additional information on SRC and CSR Committee.

10. Details of review of NGRBCs by the Company

Subject for review	Indicate whether review was undertaken by Director/ Committee of the Board/ any other Committee	Frequency (Annually/Half yearly Quarterly/any other- Please specify)
	P1 P2 P3 P4 P5 P6 P7 P8 P9	P1 P2 P3 P4 P5 P6 P7 P8 P9
Performance against above policies and follow up action	As a practice, Business Responsibility policies of the Company are reviewed periodically or on a need basis by functional heads, Managing Director and Executive Directors. During the assessment, the efficacy of the policies is reviewed and necessary changes to policies and procedure are implemented.	
Compliance with statutory requirements of relevance to the principles and rectification of non-compliances	The Company has necessary procedures in place to ensure compliances with the existing regulations, as applicable and a statutory compliance certificate on the applicable laws is provided by the Managing Director to the Board of Directors which is placed before each Board Meeting held quarterly.	

11. Has the entity carried out independent assessment/ evaluation of the working of its policies by an external agency? (Yes/No). If yes, provide the name of the agency.

No. However, all the policies and procedures are subject to audits/review done internally in the Company from time to time which then drives the policies, projects and performance of the aspects of business responsibility and sustainability.

The Entity does not consider the principles material to its business (Yes/No)	All the principles are covered by policies								
The entity is not at a stage where it is in a position to formulate and implement the policies on specified principle (Yes/No)									
The entity does not have the financial or/human and technical resources available for the task (Yes/No)									
It is planned to be done in the next financial year (Yes/No)									
Any other reason (please specify)									

SECTION C : PRINCIPLE WISE PERFORMANCE DISCLOSURE

Principle 1- Businesses should conduct and govern themselves with integrity and in a manner that is Ethical, Transparent and Accountable.

ESSENTIAL INDICATORS

1. Percentage covered by training and awareness programmes of any of the principle during the financial year.

Segment	Total number of training and awareness programmes held	Topics/principles covered under the training and its impact	% age of persons in respective category covered by the awareness programmes
Board of Directors	<p>During the year various updates were made at the Board and Committee meetings. Independent Directors in their capacity as members of various committees of the Board were informed on developments relating diverse topics comprising regulatory, economic and operation environmental changes, new business initiatives, CSR initiatives, Corporate Governance etc. Strategic presentations were made to the Directors on company strategy, performance and growth plans. Further, updates on performance review, strategy and key regulatory developments are presented at the quarterly Board Meetings. Independent Directors who are members of the various Committees are presented with the necessary information to enable them to review and grant approvals as per the terms of reference of the respective committees.</p> <p>The Board and Audit Committee is updated on key compliance, risk and audit observations, impact arising out of the issues along with management action plans.</p>		100%
Key Managerial Personnel	3	<ol style="list-style-type: none"> 1 Anti-Bribery & Anti- Corruption (ABAC) Policy. 2 WPIL code of conduct (WCOC) 3. Prevention of Sexual Harassment (POSH) 	100%
Employees other Than BOD and KMPs	2	<ol style="list-style-type: none"> 1. ABAC is for all senior management and those discharging specific roles 2. WCOC 3. POSH 	85%
Workers	2	<ol style="list-style-type: none"> 1 POSH 2 (WB) Whistle Blower Policy 	80%

2. Details of fines/penalties/punishment/award/compounding fees/settlement amount paid in proceedings (by the entity or by its Directors/KMP with regulators/law enforcement agencies/judicial institutions in 2023-24. (Note the entity shall make disclosures on the basis of materiality as specified in the Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 and as disclosed on the entity website.

Category		Monetary			
	NGRBC Principle	Name of the Regulatory/ enforcement agencies/ judicial institutions	Amount (in INR)	Brief of the case	Has an appeal been preferred ? (Yes/No)
Penalty/Fine	NIL				
Settlement					
Compounding Fee					

Category		Monetary			
	NGRBC Principle	Name of the Regulatory/ enforcement agencies/ judicial institutions	Amount (in INR)	Brief of the case	Has an appeal been preferred ? (Yes/No)
Imprisonment	NIL				
Punishment					

3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary has been appealed.

Case Details	Name of the regulatory/enforcement agencies/judicial institutions
NA	

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy.

Yes. The Company has an anti-bribery and anti-corruption policy (ABAC) which may be accessed at Company's website at <http://wpil.co.in/investor-services.php>.

The Company has also adopted Whistle Blower policy and vigil mechanism to provide a formal mechanism to Directors, employees and other external stakeholders to report their concerns about unethical behaviour, actual or suspected fraud or violation of Company's code of conduct. The policy provide adequate safeguard against victimisation of employees who avail of the mechanism. No personnel of the Company have been denied access to the Chairman of Audit Committee.

ABAC policy primarily covers risk assessment, third-party due diligence, training and awareness and audit & reporting. The above policies require the Company to appoint a senior official as Compliance Officer who shall be responsible for implementation of the policies.

Whistle Blower policy and vigil mechanism ensures that strict confidentiality is maintained in such cases and no unfair treatment is meted out to a whistle-blower. The Company as policy condemns any kind of discrimination, harassment victimisation or any other unfair employment practice being adopted against whistle blowers.

The whistle blower policy as adopted by the Company is available at the Company's website at <http://wpil.co.in/investor-services.php>.

5. Number of Directors/KMP/Employees and Workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/corruption:

	FY 2024-25	FY 2023-24
Directors	Nil	Nil
KMPs		
Employees		
Workers		

6. Details of complaints with regard to conflict of interest

	FY 2024-25		FY 2023-24	
	Number	Remarks	Number	Remarks
Number of complaints received in relation to issue of conflict of interest of the Directors	Nil	NA	Nil	NA
Number of complaints received in relation to issue of conflict of interest of the KMPs	Nil	NA	Nil	NA

7. Provide details of any corrective action taken or underway on issue related to fines/penalties/action taken by regulators/law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest.

Not applicable

8. Number of days of accounts payables (Accounts payables* 365)/Cost of goods/services procured in the following format

	FY 2024-25	FY 2023-24
Number of days of Accounts Payables	141	157

9. Open-ness of business

Provide details of concentration of purchases and sales with trading houses, dealers and related parties along loan and advances & Investments with related parties in the following format:

Parameter	Metric	FY 2024-25	FY 2023-24
Concentration of Purchases	a. Purchases from trading houses as percentage of total purchases	10.01	18.19
	b. Number of trading houses where purchases are made from	450	397
	c. Purchases from top 10 trading houses as percentage of total purchases from trading houses	25.53	27.78
Concentration of Sales	a. Sales to dealers/ distributors/ as % of total sales	1.48	2.62
	b. Number of dealers/ distributors to whom sale are made.	19	22
	c. Sales to top 10 dealers/ distributors/ as % of total sales to dealers/ distributors	86.76	64.62

Share of RPTs in	a. Purchases (Purchases with Related parties/ Total Purchases).	0.18	0.30
	b. Sales (Sales to related parties/Total Sales)	2.11	1.67
	c. Loans & Advances (Loans & Advances given to related parties*/Total Loans & Advances)	100	100
	d. Investments **(Investments in related parties/ Total Investments made)	100	100

* Loan to Foreign subsidiaries towards working capital for growth of business.

** Investment in Shares of Foreign subsidiaries & one Indian Associate.

LEADERSHIP INDICATORS

1. Awareness programmes for value chain partner on any of the principles during the financial year.

The Company regularly interacts with its vendors to facilitate discussions on conducting business in an ethical transparent and fair manner. Further, Company encourages its large vendors to focus supplies which should be environmentally sustainable. All the value chain partners (Suppliers) working with Companies premises were provided with training on various OHS like protective equipment, first-aid and medical emergency, electrical safety, indoor air quality monitoring etc, and environmental topics comprising noise pollution, energy conversion, waste disposal and air pollution based on the nature of the work.

The Company on an annual basis send an email communication to its value chain partners covering Dealers & Agents informing them about Code of Conduct and Business Ethics of the Company.

2. Does the entity has processes in place to avoid/manage conflict of interests involving the members of the Board? (Yes/No). if yes, provide the details of the same.

Yes. Every Director of the Company discloses his/her concern or interest in the Company or Companies or bodies corporate, firms or other association of individuals or any change therein, annually or upon any change, which includes the shareholding.

Further, a declaration is also taken annually from Directors under code of conduct confirming that they will always act in the interest of the Company and ensure that any other business or personal association which they may have, does not involve any conflict of interest with the operations of the Company and the role therein. The Senior Management also affirms annually that they have not entered into any material, financial or commercial transactions which may have a potential conflict with interest of the Company at large.

In the Board meeting, the Directors abstain from participating in the item in which they are concerned or interested.

For identifying and tracking conflict of interest involving the Directors/KMP of the Company, the Secretarial Department of the Company maintain a register recording the transactions in which Directors of the Company are interested.

Principle 2- Businesses should provide goods and services in a manner that is sustainable and safe.

ESSENTIAL INDICATORS

1 Percentage of R&D and Capital Expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

	FY 2024-25	FY 2023-24	Details of improvement in environmental and social impacts
R&D	100%	100%	All R&D investments are focussed at sustainable technologies and products for pump industry to improve efficiency of water handling, human health and well- being.

Capex	3%	2%	Production with control of pollution, safety for employees & community, human health and well- being.
-------	----	----	---

2(a) Does the entity has procedure in place for sustainable sourcing? (Yes/No)

Yes. The Company has established process for vendor selection. While selecting vendor, apart from commercial considerations comprising quality, price, availability etc. the Company assigns due weigh on aspect of safety and environment. This include various principle and guidelines such as Safety, Health, legal Compliance, adherence to WCOC, ISO certification, etc. The Company has started carrying out a sustainability assessment of its key suppliers and communicate areas of further improvements to reinforce sustainability principles.

2(b) If yes what percentage of inputs were sourced sustainably?

WPIL has the policies to ensure sustainable sourcing from Business Associates. Input like casting, forgings, plates, standard buyout like motors, fasteners etc, which covered 85% of domestic critical supplies by value are sourced sustainably.

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for

(a) Plastics (including packaging)

As the product of the Company are different type of pumps, no waste other than swarf is generated during the machining operations and some-off cut were left over after fabrication. These are disposed off through empanelled vendors as scrap.

(b) E-waste

This is not applicable as the Company is not reclaiming any electronic items.

(c) Hazardous waste- Our products do not involve producing or disposing hazardous waste of any kind. Hence this is not applicable.

(d) Other waste- Not applicable.

4. Whether Extended producer Responsibility (EPR) is applicable to the entity's activities.(Yes/No). If yes, whether the waste collection plan is in line with the extended producer Responsibility (EPR) plan submitted to pollution control Board? If not, provide steps taken to address the same.

As the product of the Company are different type of pumps, no waste other than swarf is generated during the machining operations and some-off cut were left over after fabrication. Extended producer Responsibility (EPR) is applicable to the extent of servicing with spares of pumps if any required during the warranty period.

LEADERSHIP INDICATORS

1. Has the entity conducted Life Cycle Perspective/Assessment (LCA) for any of its products (for manufacturing Industry) or for its services (for services industry)? If yes, provide details in the following format?

NIC Code	Name of Product/service	% of total turnover contributed	Boundary for which the life cycle perspective/ Assessment was conducted	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/ No). If yes, provide the web link.
281,332	Pumps, Spare, Accessories, Erection, Installation & Commissioning	100%	Gate to Gate	No	No

2. Is there any significant social or environmental concerns and/or risks arising from production or disposal of your products/services, as identified in the Life Cycle Perspective/Assessment (LCA) or through any other means, briefly describe the same along with action taken to mitigate the same.

There are no significant social or environmental concerns and/or risks arising from production. Swarf generated during the machining operations and some-off cut left over after fabrication are sold to empanelled vendors. The Company rendered services to customers if required post disposal of its products but within warranty period through EPR management.

3. Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing Industry) or providing service (Service Industry)

Nil.

4. Of the products and packaging reclaimed at the end of the life of products, amount (in metric tonnes) reused, recycled and safely disposed as per the following format.

	FY 2024-25			FY 2023-24		
	Re-used	Recycled	Safely Disposed	Re-used	Recycled	Safely Disposed
Plastics (including packing)	NIL	NIL	NIL	NIL	NIL	NIL
E-Waste						
Hazardous waste						
Other waste						

5. Reclaimed and their packaging materials (as percentage of product sold) for each product category.

Not applicable.

Principle 3- Businesses should respect and promote the well-being of all employees, including those in their value chains.

ESSENTIAL INDICATORS

1. a. Details of measures for the well-being of the employees.

% of Employees covered by											
Category	Total (A)	Health Insurance		Accident Insurance		Maternity Benefit		Paternity Benefits		Day Care facilities	
		Number (B)	% (B/A)	Number (C)	% (C/A)	Number (D)	% (D/A)	Number (E)	% (E/A)	Number (F)	% (F/A)

Total	233	94	40.86	233	100	0	0	0	0	0	0

c. Spending on measures towards well-being of employees and workers (including permanent and other than permanent) in the following format-

	2024-25	2023-24
Cost incurred on well-being measures as a % of the total revenue of the Company.	0.33	0.32

2. Details of retirement benefits for the current and previous FY

Benefits	FY 2024-25			FY 2023-24		
	No. of employee covered as a % of total employees	No. of employee covered as a % of total workers	Deducted and deposited with the authority (Y/N/NA)	No. of employee covered as a % of total employees	No. of employee covered as a % of total workers	Deducted and deposited with the authority (Y/N/NA)
PF	100	100	Y	100	100	Y
Gratuity	100	100	NA	100	100	NA
ESI	0.65	40.94	Y	0	76.25	Y

3. Accessibility of workplaces- Are the premises/office of the entity accessible to differently abled employees, as per the requirements of the Rights of Persons with Disabilities Act, 2016. If not, whether any steps are being taken by the entity in this regard.

The Company does not have differently abled employees.

4. Does the entity have an equal opportunity policy as per right of Persons with Disabilities Act, 2016? If so provide a web-link to the policy.

The Company has an equal opportunity policy which may be accessed at <http://wpil.co.in/investor-services.php>

The Company provides equal opportunity to all its employees and to all eligible applicants for employment in the Company. It does not unfairly discriminate on any ground including race, caste, religion colour, ancestry, marital status, gender, sexual orientation, age, ethnic origin, nationality or any other category protected by applicable law.

5. Return to work and Retention rates of permanent employees that took parental leave.

Gender	Permanent employees (other than workers)		Permanent workers	
	Return to work Rate	Retention Rate	Return to work Rate	Retention Rate
Male	NA	NA	NA	NA
Female	NA	NA	NA	NA
Total	NA	NA	NA	NA

6. Is there any mechanism available to receive and redress grievance for the following category of employees. If yes, give details of the mechanism in brief.

	Yes/No (if yes, then give details of the mechanism in brief)
Permanent Employees (other than workers)	Yes
Permanent Workers	
Other than Permanent Employees	

The Redressal mechanism in brief is as follow:

The Company has a grievance redressal process for employees/workers to ensure that all grievances are suitably investigated and action are taken as per due process and timelines while adhering to the principle of natural justice. The redressal mechanism outlines the method by which employees may register their grievance, role of HR team, classification of grievances, the process of enquiry, reporting and disciplinary action.

Employees lodge complains through email or letter which are registered by HR Department who examines the merit of complaints. Investigation are conducted internally by gathering relevant data which are validated and analysed. Report of investigation are prepared which include the matter investigated, findings and recommendation to deal with the complaint. The report is thereafter reviewed by Departmental head of the employees who lodged the complaint. The Report is thereafter forwarded to MD and Audit Committee and to Board of Director wherever necessary.

7. Membership of Employees in association(s) recognised by the listed entity.

10. Health and Safety Management System

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/No). If yes, Coverage of such system.

Yes, The safety and Health Management System covers activities across all manufacturing locations, offices, research laboratories and supply chain partners and ensuring the protection of environment and health and safety of its employees, contractors, visitors and relevant stakeholders.

b. What are the processes used to identify work related hazard and assess risks on a routine and non-routine basis by the entity?

The Company has a process for risk management which is essential for preventing incidents, injuries, emergency control & prevention and business continuity. Considering the hazard associated with operations, sites have deployed structured Hazard Assessment, Risk assessment and Management process-both qualitative and quantitative which is reviewed on regular basis. The process also considers roles and responsibilities, monitoring control measures, competency training and awareness of the individual associated with such activities.

For all activities including the routine or non-routine (manufacturing of products/project activities) hazard are identified by a trained cross-functional team and risk assessment and management is done Hazard identification and Risk Assessment (HIRA)/ Job Safety analysis/ JSA/ Standard operating procedure (SOP) which is referred before starting any activity. The Company has procedures for process safety and functional safety. Identified hazard and associated risks are addressed through operational control measures using hierarchy of control approach.

c. Whether you have process for employees to report the work-related hazards and to remove themselves from such risk (Y/N)

Yes. We encourage our employee to report near-miss incidents identified during the process of operation which is analysed from the root of the entire processes. All the sites have specific procedure for reporting of work-related hazard, injuries and unsafe condition.

d. Do the employees of the entity have access to non-occupational medical and healthcare services (Yes/No)

Yes. All employees are covered under health insurance scheme/ ESI scheme.

11. Details of safety related incidents in the following format

Safety incident/Number	Category	FY2024-25	FY2023-24
Lost Time Injury Frequency Rate (LTFR) (per one million-person hours worked)	Employees (other than workers)	0	0
	Workers	0	0
Total recordable work-related injuries	Employees (other than workers)	0	0
	Workers	0	0
No. fatalities	Employees (other than Workers)	0	0
	Workers	0	0
High Consequence work related injury or ill health (excluding fatalities)	Employees (other than workers)	0	0
	Workers	0	0

12. Describe the measure taken by the entity to ensure a safe and healthy workplace.

To ensure continual improvement in our workspace condition and the ecology in and outside our premises we have adopted EHS practices through implementation of ISO 14001 & ISO 45001 International Management System Standards. The company has Environment health and safety policy (EHS). Each of the sites have adopted the Corporate EHS policy or have its own policy aligned to corporate and local regulatory requirement focussing on the site -specific issues.

To ensure steady improvement in the EHS performance, the Company is adopting voluntary standards such as process safety and risk management. The Company commitment to its safety management programme follows a top-down approach with senior management constantly working towards establishing, demonstrating, sustaining and improving the safety culture and incorporating the company's core value of safety in their daily responsibilities. The employees are trained to tackle any potential hazards that may arise during the course of their works.

13. Number of Complaints on the following made by the employees and workers.

Category	Financial year- 2024-25			Financial year - 2023-24		
	Filed during the year	Pending resolution at the end of the year	Remarks	Filed during the year	Pending resolution at the end of the year	Remarks
Working Condition	Nil	Nil	Nil	Nil	Nil	Nil
Health & Safety	Nil	Nil	Nil	Nil	Nil	Nil

14. Assessment for the year

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Health & Safety practices	100%
Working Conditions	100%

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks/concern arising from assessments of health & safety practices and working conditions.

All incidents are investigated by cross-functional team. All factors connected in an incident are determined through root cause analysis and corrective / preventive actions are identified to prevent its recurrence. The detailed investigation and root cause identified by cross-functional team are reviewed by the senior management. Learning from the incident is further discussed in the safety meeting to create awareness of the root cause of the incident and thereby to prevent its recurrence. Further Managing Director reviews the details of the incident and corrective action plans to prevent its recurrence.

The Company endeavours to prevent injuries/incidents in the workplace and has taken following steps for improvement of safety in the workplace.

- Implementation of control measures to reduce the risk of incidents in the workplace.
- Review the policies and procedures periodically.
- Performing regular inspection.
- Holding training at periodic interval
- Job roles and responsibilities including those on safety are documented for all employees.
- Providing suitable PPEs
- Behavioural-based safety observation round
- Process for emergency Preparedness, Response and Crisis management.
- Risk Management for preventing the incidents injuries.

LEADERSHIP INDICATORS

1. Does the Company extend any life insurance or any Compensatory package in the event of death of Employees (Y/N)?

Yes. The Company extends support to families in the event of employee's death. This includes Group Term cover, Group Accident Cover (if applicable) and Retrial benefits (PF, gratuity and Employees Deposit linked Insurance Scheme).

2. Provide the measures undertaken by the Company to ensure that statutory dues have been deducted and deposited by the value chain partners.

The Company is compliant with deduction of statutory dues of employees towards Income Tax, provident fund, professional tax, ESIC etc. as applicable from time to time. Value chain partner (vendors) are equally responsible to comply as per the contract with the Company.

Strict in-house control on GST compliance for all value chain partners. Statutory dues are validated by in-house employees for all value chain partners and compliance score is reviewed. The Company has statutory and internal audit policies and procedures to ensure the above.

- 3. Provide the number of employees having suffered high consequence work-related injury/ill-health/fatalities (as reported in Q11 of essential indicators above) who have been rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment.**

Category	Total No. of affected employees		No. of employees that are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment.	
	FY 2024-25	FY 2023-24	FY 2024-25	FY 2023-24
Employees	NIL	NIL	NIL	NIL
Workers	NIL	NIL	NIL	NIL

- 4. Does the entity provide transition assistance programme to facilitate continued employability and the management of career endings resulting from retirement or termination of employment? (Yes/No)**

Yes. Subject to requirements, the Company provides opportunities for engagement on specific projects / assignments across the organisation.

- 5. Details assessment of value chain partners.**

	% of value chain partners (by value of business done with such partners) that were assessed
Health and safety practices	No Audit was conducted during the FY 2024-25.
Working conditions	The Company aims to conduct the audit in next financial year.

- 6. Provide details of any corrective actions taken or underway to address significant risk/concerns arising from assessments of health and safety practices and working conditions of value chain partners.**

Not applicable as no audit was conducted during FY 2024-25.

Principle - 4- Businesses should respect the interest of and be responsive to all its stakeholders.

ESSENTIAL INDICATORS.

- 1. Describe the process for identifying key stakeholder group of the entity.**

The stakeholders are determined based on the significance of their impact on the business and the impact of business on them. Presently the given stakeholder groups have the immediate impact on the operations and working of the Company. This includes Employees, Shareholders, Customers, Communities, and Suppliers.

- 2. List Stakeholder groups identified as key for your entity and the frequency of engagement with each shareholder group.**

Stakeholder Group	Whether identified as vulnerable & Marginalised group (Yes/No)	Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meeting, Notice Board, Websites)	Frequency of engagement (Annually/Half yearly/quarterly)	Purpose and scope of engagement including key topics and concern raised during such engagement.
Shareholders	No.	Annual General Meeting, Shareholder meets, E-mail, Intimation to Stock Exchange, (SE) Investor/analysis meet, Annual report, Quarterly Results, media release, Company / SE website.	Ongoing	Share price appreciation, Dividends, profitability, growth prospect, status of order booking.
Employees	No.	Senior leaders communication/Talk, /forum, goal setting, performance appraisal meeting/review, union meeting, e-mail internet, flat screen, websites.	Ongoing	Responsible Care, innovation, operational efficiencies, improvement area, long term strategy plan, training and awareness, responsible marketing, health and safety initiative.

Customers	No	Customer Plant visit, focus group discussion, email trade body membership, complaint management, conference.	Ongoing	Product specifications, quality and availability responsiveness to need, aftersales service,
Suppliers	No	Prequalification/ vetting communication, plant Visit, MoU, Agreement, contract management, review	Ongoing	Quality, timely delivery and payments, ESG consideration (sustainability, safety check, ethical behaviour), ISO and OHSAS standards.
Statutory & Regulatory Bodies	No.	Physical meeting, e-mail, written communications, Presentations, Industry associations	Ongoing	Seeking clarifications and relaxations, communicating challenges and providing recommendations, knowledge sharing, regulatory inspections and queries.
Communities	Yes	Community Development Initiatives, Proposal and request for new initiative, Interview with local NGO and community representatives, Meeting with /NGO, Local Community Meetings	As needed but minimum quarterly	Community development through promotion of education, promoting health and preventive health care, making available safe drinking water

LEADERSHIP INDICATORS

1. Provide the processes for consultations between the stakeholders and the Board on economic, environmental and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

The Company management regularly interacts with key stakeholders' i.e Investors, Customers, suppliers, employees etc. which result in the identification of a broad funnel of issues important to each of the constituencies. The Company uses discussions with internal and external shareholders, as well as its own judgement, to prioritise and arrive at a list of material topics with significant economic, environmental or social impacts on Company's business and operations. The managing Directors updates the progress of the actions on safety, Health, Environment and sustainability to the Board and takes input and guidance from the Board on quarterly basis.

2. Whether stakeholder consultation is used to support the identification and management of environmental and social topics (Yes or No). If so, provide the details of instances as to how input received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes, through materiality study, the Company engages with its stakeholders in terms of identifying and prioritising the issues pertaining to economic, environmental and social input. The Company during the financial year had received requests from different villages at Jungle Mahal, situated in the district of West Midnapur to make arrangement for availability of safe drinking water to prevent acute crisis of drinking water being experienced by villagers specifically during summer. The Company pursuant to such requests has made arrangements during the year to make availability of safe drinking water in fifteen villages at Jungle Mahal, with aid of Solar energy from deep tube wells through overhead storage tanks with five dispensing points. These fifteen projects installed at Fifteen villages taken together have catered to the drinking water requirements on day to day basis of about 12000 villagers. Besides Company during the year has also arranged safe drinking water requirements through hand pumps from deep tube wells at eight villages at Jaynagar, in the district of 24-Parganas (South) which cater to drinking water requirements on day-to-day basis of about 8,000 villagers.

The Company firmly believes in consistent engagement with its key stakeholders to ensure better communication of its performance and strategy. The Board of Director are periodically updated on diverse topics which inter alia cover industry overview, digital Initiative, Corporate Social Responsibility related products/initiatives, financial performance, strategy etc. The Directors are also given an overview of the Regulatory regime including material regulatory development, circular and regulatory and amendments by Securities and Exchange Board of India, Ministry of Corporates etc. Further, Board of Directors interacts annually with shareholders through the Annual General Meeting of the Company.

3. Provide the details of instances of engagement with and action taken to, address the concerns of vulnerable/marginalised stakeholder groups.

The Company is committed to behave responsively towards people and communities for inclusive and collaborative growth of the society where it operates to develop social welfare. Facilitating an environment of regular engagement with communities, and also providing facilities for the community members engage with each other is the key to success of an initiative. The project and initiatives of the Company reached

out to different sections of the disadvantaged, unprivileged or differently abled members of the community. The Company pursuant to requests received from the members of the Community had supplied books and stationaries to partners NGOs for distribution among poor students and also paid the salary of the teachers engaged in informal school run by them. The Company also on the request from Communities organised eye examination camps where on the recommendation of ophthalmologists spectacles were provided and cataract surgery were arranged for the deserving patients at a reputed hospital free of cost. Besides for supply of drinking water to the villagers, the Company also arranged installation hand pump deep tube wells.

Principle 5- Businesses should respect and promote human rights

ESSENTIAL INDICATORS

1. Employees who have been provided training on human rights issues and policy (ies) of the entity in the following format.

1. Employees and workers who have been provided training on human rights issues and policy (ies) of the entity in the following format.

Category	FY 2024-25			FY 2023-24

Employees other than BoD and KMP	437	11.60	13	8.95
Workers	232	3.59	0	0

* Includes sitting fees paid and commission.

** Includes, MD, EDs & Company Secretary.

At the end of the financial year 31st March, 2025, the Company had 8 Directors consisting of 4 Independent Directors (including one Independent women Director) and 4 Whole-time Directors (including Managing Director). Independent Directors do not draw any remuneration from the Company. Independent Directors are paid commission and sitting fees for attending the meetings of the Board and its committees.

b. Gross wages paid to females as % of total wages paid by the entity in the following format

	Financial year 2024-25	Financial year 2023-24
Gross wages paid to females as % of total wages	2.05	1.91

4. Do you have any focal point (Individual/Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No).

Yes. The Head of Human Resources who is responsible for human resources function in consultation with Executive Director shall oversee and address any issue arising from any human rights impact or issue caused or contributed to by the business.

5. Internal mechanisms in place to redress grievances related to human right issue.

Every employee of the Company is expected to work with 'compliance with conscience' in their work and their interactions with customers and stakeholders. The Company has zero tolerance towards any violation or misconduct on the ground of non-compliance. Our employee value proposition-PLEDGE also emphasises on creating an environment which protects against any kind of biases and facilitates professionalism in all engagements. The Company has adopted employee oriented policy covering areas such as Employees code of conduct policy, Equal employment opportunity policy, Whistle Blower Policy and prevention of sexual harassment at workplace, which endeavours to provide an environment of care, nurturance and opportunity to accomplish professional aspirations and provide a safe redressal mechanism for employee grievances. The mechanism to redress grievances under human rights is same as for other grievances. Employees are encouraged to register any grievance that they may have against any colleague, agent, partner, customers etc. or report any breach of code or any of the Company policies. All these grievances received through email, letter or oral is recorded in a register by Human Resources personnel. Anything outside the purview of code of conduct is informed back to complainant. However, complaints within the purview of code of conduct which deserves further investigation are investigated by the Head of HR Department. A Report of the investigation is prepared covering material facts gathered during investigation along with observations of investigator which is forwarded to Executive Director who initiate further action if required in consultation with Managing Director.

6. Number of Complaints on the following made by employees and workers.

	FY 2024-25		FY 2023-24	
	Filed during the year	Pending resolution at the end of year	Filed during the year	Pending resolution at the end of year
Sexual Harassment	0	0	0	0
Discrimination at workplace	0	0	0	0
Child Labour	NA	0	NA	0
Forced Labour/Involuntary labour	NA	0	NA	0
Wages	0	0	0	0
Other human rights related issues	0	0	0	0

7. Complaints filed under the sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act,2013, in the following format:

	2024-25	2023-24
Total Complaints reported under Sexual Harassment on of woman at workplace (Prevention, Prohibition and Redressal) Act,2013 (POSH)	0	0
Complaints on POSH as a % of female employees/ workers.	0	0
Complaints on POSH upheld	0	0

8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

No unfair treatment is meted out to a Whistle-Blower by virtue of his/her having reported a Protected Disclosure under our Vigil Mechanism policy. The Company does not tolerate any kind of discrimination, Harassment, victimisation or any other unfair employment practice against Whistle Blower. Complete protection is given to Whistle Blowers against any unfair practice like retaliation, threat, intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion or the like including any direct or indirect use of authority to obstruct the Whistle Blower to continue to perform his duties /functions including making further Protected Disclosure. 9. Do human rights requirements form part of your business agreements and contracts ? (Yes/No)

Yes. All our business agreements and contracts require the counter-party to comply with all applicable regulatory requirements, which include human rights.

10. Assessment for the year

	% of your plants and offices that were assessed (by Company or statutory authority or third parties)
Child Labour	NA
Forced/ Involuntary labour	NA
Sexual Harassment	Nil
Discrimination at workplace	Nil
Wages	Nil
Other-Please specify	Nil

11. Provide details of any corrective actions taken or underway to address significant risks/ concerns arising from the assessments at question 10 above.

No significant risk was identified and hence no corrective action was required.

LEADERSHIP INDICATORS

1. Details of a business process being modified/introduced as a result of addressing human rights grievances/ complaints.

During the reporting period no business processes have been modified or introduced for addressing human right grievances / complaints. Human rights are protected and upheld in company's core value of 'Respect for the individual and enshrined in WCOC that guides now company's conducts itself in every community that it operates in. The Company has relevant in-house policies and procedure to reinforce human rights resulting in a good tract records regarding human right grievances or complaints. The Company gathers tract feedback and keep tract of developments in the regular area to further strength the existing processes.

2. Details of the scope and coverage of any Human rights due diligent conducted.

The Company expects its value chain partners to uphold business responsibility principles and value of transparency and accountability. Business agreement with critical service providers also mandates all partners to comply with all statutory laws, Regulations and rules made thereunder. Partners who provide us Manpower Services (which form a significant portion of our total employees) are regularly assessed to ensure payment of contractual wages and deposit of all statutory dues with respective government authorities.

3. Is the premises/office of the entity accessible to differently abled visitors, as per requirements of the Rights of Persons with Disabilities Act, 2016 ?

Yes. Most of our locations are accessible to differently-abled visitors

4. Details on assessment of value chain partners:

	% of value chain partners(by value of business done with such partners) that were assessed
Sexual Harassment	In all of our dealings, the Company expects its value chain partners to uphold the same value belief and business ethics discrimination at workplace as the Company. However, no formal examination of value chain partner has been conducted. Partners who provide us the manpower services are regularly assessed to ensure payment of contractual wages and deposit of all statutory dues with respective government authorities.
Discrimination at workplace	
Child Labour	
Forced labour/involuntary Labour	
Wages	
Others- please specify	

5. Provide details of any corrective actions taken or underway to address significant risks/ concerns arising from the assessments at question 4 above.

All critical observations from our internal reviews are followed up for closure/corrections in a time bound manner.

Principle-6- Business should respect and make efforts to protect and restore the environment.

Environment sustainability at WPIL

WPIL has embraced the precautionary principle and environmental protection along with resources optimisation as a key priority area. It is driven by the belief that sustainability-driven decisions are essential to business success. The Stakeholder Relationship Committee oversees the environmental strategy and performance, demonstrating strong commitment at senior-most levels of the organisation.

ESSENTIAL INDICATORS

1. Details of total energy consumption (in joules or multiples) and energy intensity:

Parameter	FY 2024-25	FY 2023-24
From renewable sources		
Total Electricity Consumption (A)	0	0
Total Fuel Consumption (B)	0	0
Energy consumption through other Sources (C)	0	0
Total energy consumed from renewable sources (A+B+C)	0	0
From non-renewable sources		

Total Electricity Consumption (D)	7628036400000J	6079773600000J
Total Fuel Consumption (E)	1322286987J	53604400000J
Energy consumption through other Sources (F)	107040J	0
Total energy consumed from non-renewable sources (D+E+F)	7629358794027J	6133378000000J
Total energy consumed (A+B+C+ D+E+F)	7629358794027J	6133378000000J
Energy intensity per Rs. of turnover (Total energy consumed/Revenue from operations)	664.74J	559.52J
Energy intensity per Rs. of turnover adjusted for Purchasing Power Parity (PPP)	7.78J	6.66J
(Total energy consumed/Revenue from operations adjusted for PPP)		
Energy intensity in terms of physical output*	2085.89	2274.65

- The yearend headcount data (as on March 31, 2025) has been used for intensity calculation.

Note: Indicate if any independent assessment/ evaluation/ assurance has been carried out by an external agency ?

No.

- 2. Does the Company have any sites/facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) if yes, disclose whether target set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.**

Not Applicable.

- 3. Provide details of the following disclosures relating to water, in following format.**

Parameter	FY 2024-25	FY 2023-24
Water withdrawal by source (in kl)		
1. Surface water	0	0
2. Ground water	9817KL	8698KL
3. Third Party water	0	0
4. Seawater/ desalinated water	0	0
5. Other (Municipal)*	6843KL	756KL
Total volume of water withdrawal (in kl) (1+2+3+4+5)	16660KL	9454KL
Total volume of water consumption (in kls)	16660KL	9454KL
Water intensity per Million rupee of turnover (Total water consumption /Revenue from operations (Rs. in Million)	1.4515KL	0.8779KL
Water intensity per Million rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total water consumption/ Revenue from operations adjusted for PPP)	0.01699KL	0.01028KL
Water intensity in terms of physical output**	16.40	12.62

* For human use and consumption

** The yearend headcount data (as on March 31, 2025) has been used for intensity calculation.

Note: Indicate if any independent assessment /evaluation/assurance has been carried out by an external agency ? If yes, name the external agency

No.

4. Provide the following details relating to water discharged:

Parameter	FY 2024-25	FY 2023-24
Water discharged by destination and level of treatment(in kilolitres)		
(i) To Surface water	0	0
No treatment	0	0
With treatment- Please specify level of treatment	0	0
(ii) To Groundwater	0	0
No treatment	0	0
With treatment- Please specify level of treatment	0	0
(iii)To Seawater	0	0
No treatment	0	0
With treatment- Please specify level of treatment	0	0
(iv) Sent to third-party	0	0
No treatment	0	0
With treatment- Please specify level of treatment	0	0
(v) Others	0	0
No treatment	0	0
With treatment- Please specify level of treatment	0	0
Total water discharged (kl)	0	0

Note: Indicate if any independent assessment /evaluation/assurance has been carried out by an external agency? If yes name the external agency.

No.

5. Has the entity implemented a mechanism for Zero liquid discharge ? Provide details of its coverage and implementation.

The Company ensures that there is no discharge of Industrial water into environment. It is achieved by treating waste water through recycling and then recovery and reuse for industrial purpose.

6. Provide details of air emissions (other than GHG emissions) by the Company.

Parameter	Please Specify unit	2024-25	2023-24	Name of External Agency
NO _x				
Kolkata	ug/m3	20.02	19.95	Envirocheck

Note: Indicate if any independent assessment /evaluation/assurance has been carried out by an external agency? If yes name the external agency.

Yes, as stated above.

7. Details of green gas emissions (Scope 1 and scope 2 emissions) and its intensity, in the following format:

Parameter	Unit	FY 2024-25	FY 2023-24
Total Scope1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs,PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	NA	NA
Total Scope2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs,PFCs, SF ₆ ,NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	NA	NA
Total scope1 and scopr 2 emissions intensity per rupee of turnover adjusted for purchasing power parity (PPP) Scope 2 GHG emissions/ Revenue from operations adjusted for PPP)		NA	NA
Total scope1 and scopr 2 emissions intensity per rupee of turnover adjusted for purchasing power parity (PPP) (Total Scope 1 and Scope 2 GHG emissions/ Revenue from operations adjusted for PPP)		NA	NA
Total scope 1 and scopr 2 emissions intensity in terms of physical output		NA	NA
Total scope1 and scopr 2 emissions intensity (optional) the relevant metric may be selected by the entity.		NA	NA

Note: Indicate if any independent assessment /evaluation/assurance has been carried out by an external agency? If yes, name the external agency.

No.

8. Does the Company have any project related to reducing Green House Gas emission? If yes then provide details.

No.

9. Provide details related to waste management by entity in following format.

Parameter	FY-2024-25	FY-2023-24
Total waste generated in (in Metric tonnes)		
Plastic waste (A)	Nil	Nil
E-waste (B)	2.144 M.T.	2.222 M.T.
Bio-medical waste (C)	We do not produce or dispose of any kind of biomedical, construction debris, battery waste or radioactive waste. Hence it is not applicable.	
Construction & demolition waste (D)		
Battery waste (E)		
Radioactive waste (F)		
Other Hazardous waste (G)		
a) Oil shocked cotton	0.020 MT	0.860 MT
b) Cutting oil	1.920 MT	1.406 MT

c) Used gear oil	0.980MT	0.910 MT
Other Non-hazardous waste- Metal Chips (H)	333.139 MT	322.344 MT
Total (A+B+C+D+E+F+G+H)	338.203 MT	327.742 MT
Waste intensity per Million rupee of turnover (Total waste generated /Revenue from operations (Rs. in Million)	0.029.MT	0.030.MT
Waste intensity per Million rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total waste generated/ Revenue from operations adjusted for PPP)	0.00034 MT	0.00036 MT
Waste intensity in terms of physical output	0.33	0.44

- The yearend headcount data (as on March 31, 2025) has been used for intensity calculation.

For each category of waste generated, total waste recover through recycling, or other recovery operations (metric tonnes)

Category of waste	FY-2024-25	FY-2023-24
	Dry	Wet
(i) Recycled	Nil	Nil
(ii) Re-used	Nil	Nil
(iii) Other recovery operations	Nil	Nil
Total	Nil	Nil

For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)

Category of waste	FY-2024-25	FY-2023-24
(i) Incineration	0	0
(ii) Landfilling	0	0
(iii) Other disposal operations	0	0
Total	0	0

Indicate if any independent assessment /evaluation/assurance has been carried out by an external agency ?

No.

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your Company to usage of hazardous and toxic chemicals in your products and process and practice adopted to manage such wastes.

Our wastes primarily comprises of Metal Chips, Electrical waste, oil soaked cotton, cutting oil, used gear oil and e-waste. Metal chips which is non-hazardous waste and generated by machining of metal casting or fabrication items are sold through regular vendors. Generation of other hazardous wastes is very minimal which include

- Oil Shocked Cotton : Generated by cleaning machine parts or others to make oil free the surface of particular parts.
- Cutting Oil : Generated by operation of various metal processing machine like lathe, VTL, Milling etc.
- Used Gear oil : Used oil from various gear boxes of different machine.

As the above wastes have been generated in very small quantities over the year, these wastes are being accumulated and to

be sold at one go through registered vendor.

E-wastes : Our E-waste broadly includes computers, servers, scanners, Air conditioners etc. All such e-waste taken together have been generated in small quantities and step are being taken to dispose of the same through registered e-waste vendor.

11. If the entity has operations/offices in /around ecologically sensitive area (Such as national parks, wildlife sanctuaries, biosphere reserve, wetland, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approval/ clearances are required. Please specify details in the following format.

Not Applicable.

12. Details of environmental impact assessments of projects undertaken by the Company based on the applicable laws, in the current financial year.

Not Applicable.

13. Is the entity compliant with the applicable environmental law/regulations/guidelines in India: such as the water (Prevention and control of pollution) Act, Air (Prevention and control of pollution) Act, Environment protection Act and rules thereunder (Y/N). If not, provide the details of all such non-compliances, in the following format.

Yes. The Company is complying with all the mentioned acts and rules.

S. No	Specify the law /regulations / guidelines which was not complied wiith	Provide details of the non-compliance	Any fines / penalties /action taken by the regulatory agencies such as Pollution control Board or by courts	Corrective action taken, if any.
Not Applicable				

LEADERSHIP INDICATORS

1. Water withdrawal, consumption and discharge in area of water stress (kilolitres)

For each facility/ plant located in area of water stress, provide the following information

- (i) Name of the area
- (ii) Nature of operations
- (iii) Water withdrawal, consumption and discharge.

Not applicable

Note: Indicate if any independent assessment /evaluation/assurance has been carried out by an external agency? If yes name the external agency.

NA

2. Please provide details of total scope 3 emissions and its intensity, in the following format:

Parameter	Unit	FY 2024-25	FY 2023-24
Total Scope 3 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	NA	NA
Total scope 3 emissions per rupee of turnover.	—	NA	NA
Total scope 3 emissions intensity (optional) the relevant metric may be selected by the entity.	—	—	—

Indicate if any independent assessment /evaluation/assurance has been carried out by an external agency ?

No.

3. With respect to the ecologically sensitive areas reported at question 10 of the essential indicators above, provide details of significant direct and indirect impact of the entity on biodiversity in such areas along with prevention and remediation activities.

Our Company does not have any significant direct and indirect impact on ecologically sensitive areas.

4. If the entity has undertaken any specific initiatives or used innovative technology or solution to improve resource efficiency, or reduce impact due to emissions/ effluent discharge/ waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format

Initiative undertaken	Details of initiative (web-link if may be provided along- with summary)	Outcome of the initiative
1. Development of Green Area in front of Pattern Shop	Approx...4500 Sq. Ft. area converted in Green Area	Green Area built within premises facilitates green environment & reduces pollution
2. Addition of transparent sheet at various shed	Addition of transparent sheet at roof and side wall within workshop	Reduction of overhead light consumption
3. Saving of Electricity charges	By improvement of power factor from 0.90 to 0.98	saving of Electricity bill by 5% to 6%
4 Reduction of Exhaust fumes at Painting Area	Through addition of Filtration unit	To reduce Air Pollution
5 Epoxy Floor Painting at various Shed.	By applying Epoxy Flooring	To control environment and designed to minimize contamination.

5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/web link.

The Company has a Corporate business continuity policy in place. The purpose of this policy is to formalise the business continuity programme of the Company and to provide guidelines for developing, implementing, exercising and maintaining business continuity plans of the Company. More especially the policy seeks to provide for the recovery of critical and important processes in accordance with pre-established timeframes, restoration of processing and ultimately return to a permanent operating environment.

Business continuity and disaster management plan requires that the business impacted analysis (BIA) to be updated regularly to determine the adequacy of the recovery strategies. The strategies for recovery of critical and important processes are required to be updated in Group specific continuity plan (GSP). Accordingly, respective team has carried out a review in the beginning of the year of their respective BIA and GSP and updated the same. Further, Technology team has reviewed the Disaster Recovery Plan (DRP) of the Company and the facilities management has reviewed the Emergency Response Procedure (ERP) of the Company.

6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measure have been taken by the entity in this regard.

There was no significant adverse impact to the environment reported from the value chain of the entity.

7. Percentage of value chain partners (by value of business done with partners) that were assessed for environmental impacts.

Our major value chain partners (raw material) are mostly certified to ISO 14000 (Environment Management System), 53.77% of the value chain partners (upstream) were assessed. However, we have stringent processes of enlisting a new supplier where environmental factors are given due importance.

8. How many green credits have been generated or procured by the listed entity.

NIL

Principle 7 – Businesses, when in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.

ESSENTIAL INDICATORS

1. a. Number of affiliations with trade and Industry chambers/associations.

The Company was a members of two trade and industry chambers/association during the financial year 2024-25.

b. List the top 10 trade and industry chambers/associations (determined based on total members of such body) the Company is a member of/ affiliated to.

Sr. No.	Name of the trade and industry chambers/ associations	Reach of trade and industry chambers /associations (State/National)
1.	Confederation of Indian Industries	National
2.	Project Export Promotion Council of India	National

2. Details of corrective action taken or underway on any issue related to anticompetitive conduct by the entity, based on adverse orders from the regulatory authorities.

Not Applicable.

LEADERSHIP INDICATORS

1. Details of the public policy positions advocated by the Company.

Not Applicable.

Principle 8- Business should promote inclusive growth and equitable development

ESSENTIAL INDICATORS

1. Details of Social Impact Assessment (SIA) of project undertaken by the entity based on the applicable laws, in the current financial year.

Not Applicable.

2. Provide information on project (s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity in the following format.

Not Applicable.

3. Describe the mechanisms to receive and redress grievances of the Community.

The Company has set up a framework of multiple mechanisms to receive and redress grievances for the Community. The Company desires to initiate following steps in the event of receipt of grievance from Community.

- Need Assessment: At the outset, the proposal from the Community to be reviewed to assess the need and the proposed outcome and impact. The implementing agency to be reviewed to ascertain for the fulfilment of regulatory criteria and prior experience in working for a similar cause.
- Regular interactions with Community: This is to be done by physical visits, feedbacks, review of outcome, verbal communication with community leaders etc
- In case there is a grievance and can be resolved by the Company, the proposal accounts for this in the scope of work, approval to be taken prior to action to be taken.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers

The Company for the purpose of carrying day to day production procures goods and services from MSME vendors. Effort are being made to increase the use of goods supplied by local producers or services provided by local service providers at our various plants and offices spread across the country.

	FY 2024-25	FY 2023-24
Directly sourced from MSME/small producer	21% of domestic purchase	18% of domestic purchase
Directly from within India	79% of domestic purchase	82% of domestic purchase

5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non- permanent/on contract basis) in the following locations, as % of total wages cost.

Location	2024-25	2023-24
Rural	0	0
Semi-Urban	0	0
Urban	6.94	10.10
Metropolitan	93.06	89.90

*Classification of above locations were made as per RBI Norm.

LEADERSHIP INDICATORS

1. Provide details of actions taken to mitigate any negative and social impacts identified in the Social Impact Assessments. (Reference: 1 of Essential Indicators above)

Not Applicable

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies:

The Company is committed to act responsively towards people and society for inclusive growth of the society where it operates. The Corporate Social Responsibility projects and initiatives of the Company reached out to different Section of the disadvantaged, unprivileged or differently abled members of the Community to make positive impact on their lives in various ways. During the financial year 2023-24, these projects and initiatives were in thematic areas comprising promotion of education, skill Development, promoting health care including preventive health care, and making available of safe drinking water.

The Company have installed Solar powered water distribution projects in jungle Mahal area in the district of West Midnapore and set up deep hand pump Tube wells in the Sunderban area of the district South 24-Parganas, both are in the state of West Bengal where there are extreme scarcity of availability of safe drinking water specially onset of summer. These two projects are aligned to Government strategy 'water for all'.

3. a) Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalised/vulnerable groups? (Yes/No)

While procuring goods/services from MSME vendors, the Company treats MSME vendors at par with non MSME vendors. However, Company follows preferential payment norms for MSME vendors.

Particulars of Employees and Related Disclosures.**(a) The Ratio of remuneration of each Director to the Median remuneration of Employees of the Company for the Financial Year (FY):**

Sl.No.	Name	Designation	Remuneration Paid FY 2024-25 (Rs.in lakhs)	Ratio/Times per Median of employee remuneration for the financial year
1.	Mr. Prakash Agarwal	Managing Director	325.33	14.46
2.	Mr. K.K.Ganeriwala	Executive Director	183.90	8.17
3.	Mr. Brahma Prakash Khare	Executive Director (Operations)	60.01	2.67
4.	Mr. Debraj Roy	Executive Director (Projects)	101.09	4.49

The Non-executive Directors receive remuneration towards sitting fees for attending Board and Committee Meetings besides commission on a percentage of profit. Such remuneration payable to each of the non-Executive Directors for the financial year was lower than the median remuneration of Employees of the year.

(b) The percentage of increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer and Company Secretary in the financial year:-

Sl.No.	Name	Designation	Remuneration Paid FY 2024-25 (Rs. in lakhs)	Remuneration Paid FY 2023-24 (Rs. in lakhs)	Increase in remuneration from previous year (Rs. in lakhs)	Percentage of increase of remuneration
1.	Mr. Prakash Agarwal	Managing Director	325.33	327.13	-1.80	-
2.	Mr. K. K. Ganeriwala	Executive Director	183.90	184.81	-0.91	-
3.	Mr. Brahma Prakash Khare	Executive Director (Operations)	60.01	64.52	-4.51	-
4.	Mr. Debraj Roy	Executive Director (Projects)	101.09	64.71	36.38	56.22
5.	Mr. U.Chakravarty	G.M.(F) & CS (KMP)	21.92	20.72	1.20	5.79

There was no increase of remuneration payable to Non-Executive Directors during the current year over the remuneration paid in the previous year as the amount of commission and amount of sitting fee for attending the Board or Committee Meetings remained same. The variation of remuneration of each of the Non-Executive Director during the year over previous year is attributable to the number of Board and committee Meetings held during the year over previous year and number of meeting a Director attended during the year over last year.

(c) The percentage of increase in the median remuneration of employee in the financial year is 8.52%

The number of permanent Employee on the rolls of the Company:- 687(excluding manpower on contractual basis)

(d) The explanation on the relationship between average increase in remuneration and Company performance:

On an average, Employees received an annual increase of 8%. The individual increments varied from 7% to 9% based on individual performance. In order to ensure that remuneration reflects to company performance, the performance pay is also linked to organisation performance besides individual's performance.

(f) Average percentile increase already made in the salaries of Employees other than Managerial Personnel in the last financial year and its comparison with the percentile increase in the Managerial remuneration and justification thereof and point out if there are exceptional circumstances for increase in the Managerial remuneration.

The average annual increase was around 8%. However, during the course of the year the total increase was approximately 8.35% after accounting for promotion or other event based compensation revisions. Managerial Personnel were appointed during the year and Managerial personnel for the year was paid in terms of recommendation of Nomination and Remuneration Committee of Directors and Board with subsequent approval of the of Members.

(g) Affirmation that the remuneration is as per the remuneration policy of the Company.

The Company affirms that remuneration is as per the remuneration policy of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of WPIL Limited

Report on the Audit of the standalone Ind AS financial statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of WPIL Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2025, the Standalone Statement of Profit and Loss, including other comprehensive income, the Standalone Cash Flow Statement and the Standalone Statement of Changes in Equity for the year then ended, and notes to the standalone Ind AS financial statements, including a summary of material accounting policies and other explanatory information (which also includes five (5) Joint Operations).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the joint operations, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to this matter. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of audit procedures performed by us and by other auditors of joint operations not audited by us, as reported by them in their audit reports furnished to us by the management, including the procedures performed to address the matter below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matters.
Estimation of project execution cost	
<ul style="list-style-type: none"> The Company enters into engineering, procurement, construction contracts, which generally extend over a period of 2 to 5 years. The contract prices are usually fixed, but they also include an element of variable consideration, including variations and claims net of assessed value of liquidated damages. Variable consideration is recognized when its recovery is assessed to be highly probable. Based on contractual tenability of the claims/ variations, status of the discussions/ negotiations with the customers, management expert's assessment and legal opinion, wherever considered necessary, Management periodically assess the recoverability of the claims/ variations. Estimated costs are determined based on the work to be performed that includes certain cost contingencies and cost savings which take into account specific circumstances of each contract. 	<p>Our Audit procedures included the following:</p> <ul style="list-style-type: none"> Understand and evaluate the design and test the operating effectiveness of controls around estimation of construction contract costs and contract price including the reviews and approvals thereof and controls around assessing the recoverability of contract assets ('unbilled revenue') relating to claims/variations; For selected sample of contracts, perform the following procedures; <ul style="list-style-type: none"> (a) Obtain and examine project related source documents such as contract agreements and variation orders; (b) Assess the basis for determining the total costs including changes made over period by reference to supporting documents and estimates made in relation to cost-to-complete the projects; (c) Recomputed the percentage of completion based on the total budgeted cost and the total actual cost incurred and the revenue recognized based on the percentage of completion; (d) Evaluated the adequacy of the disclosures made in the standalone financial statements. <p>Based on the above procedures performed, management's estimation of future cost to complete the contracts and consequential impact on recognised contract revenue is considered reasonable.</p>
Key audit matters	How our audit addressed the key audit matters
Valuation of account receivables in view of risk of credit loss	
<ul style="list-style-type: none"> Accounts receivables is a significant item in the company's financial statements during the Financial Year 2024 – 2025 amounting to Rs. 81,677.12 lacs and assumptions used for estimating the credit loss on receivables is an area which is influenced by management's judgement. The company makes an assessment of the estimated credit losses basis credit risk, 	<p>The Audit procedures which we performed, among other matters based on our judgement, included the following:</p> <ul style="list-style-type: none"> Understand and evaluate the accounting policy of the company. We obtained an understanding of the Company's credit policy for trade receivables and evaluated the processes for identifying impairment indicators. We have reviewed and tested the ageing of trade and other receivables. We have reviewed management's assessment on the credit worthiness of selected customers for trade receivables.

<p>project status, past history, latest discussion/correspondence with the customer.</p> <ul style="list-style-type: none"> Given the relative significance of these receivables to the financial statements and the nature and extent of audit procedures involved to assess the recoverability of receivables, we determined this to be a key audit matter. 	<ul style="list-style-type: none"> Inquire with senior management regarding status of collectability of the receivable. For material balances, the basis of provision to be discussed with the management. Customer credit risk is managed by the Company through established policy and procedures and controls relating to customer credit risk management. The Company applies the simplified approach to determine the expected credit loss (ECL) for trade and other receivables by considering historical credit loss experience further adjusted for forward looking information. In addition the Company also considers allowance for credit loss for trade and other receivable based on specific identification method on a case to case basis with reference to the customer's profile, prevailing market conditions etc. To calculate expected credit loss, the Company groups its trade receivables into two divisions i.e. product division and project division.
--	--

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility & Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company including its joint operations in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records,

relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statement

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the management and Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements and other financial information, in respect of five (5) joint operations included in the standalone IND AS financial statements of the company, whose IND AS financial statements/information reflect total assets of Rs. 7,968.32 lakhs as at March 31, 2025, total revenue of Rs.2587.86 lakhs for the year ended March 31,2025 , total net profit after tax of Rs.Nil as at March 31,2025 , total comprehensive income of Rs.Nil as at March 31,2025 and total net cash inflows of Rs.0.08 lakhs for the year ended on that date. These Ind AS financial statements and other financial information of the said joint operations have been audited by other auditors, whose financial statements, other financial information and auditor's reports have been furnished to us by the Management. Our opinion on the standalone Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these joint operations and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid joint operations, is based solely on the reports of such other auditors. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We / the other auditors whose reports we have relied upon, have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and report of the other auditors;
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;

-
- e) On the basis of the written representations received from the directors of the Company as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in “Annexure 2” to this report;
 - g) With respect to the matter to be included in the Auditors’ Report under Section 197(16) of the Act: In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act read with Schedule V of the Act.
 - h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate Ind AS financial statements of the joint operations as noted in the Other Matter:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind AS financial statements – Refer Note 43 to the Standalone Ind AS financial statements;
 - ii. The Company has made provision, as required under the applicable law or Indian accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

-
- v. As stated in Note 17(d) to the standalone Ind AS financial statements
 - (a) The Final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - (b) The Board of Directors of the Company have also proposed Final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
 - vi. Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

Annexure 1 referred to in paragraph 1 of the section on “Report on other legal and regulatory requirements” of our report of even date on the standalone Ind AS financial statements of WPIL Limited

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the course of audit, we state that:

- i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The Company is maintaining proper records showing full particulars of intangible assets.
- (b) These Property, Plant and Equipment have been physically verified by the management according to the phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the company and nature of the assets. Pursuant to the programme, the Property Plant and equipment has been physically verified by the management during the year and no material discrepancies have been noticed on such verification.
- (c) The title deeds of all the immovable properties disclosed in the Financial Statements are held in the name of the Company except for the following-
 - Land and Building appurtenant thereto, acquired pursuant to scheme of merger from Mody Industries (F.C.) Private Limited.
 - Land and Building appurtenant thereto, acquired from Hindusthan Udyog Limited (HUL).

Description of property	Gross carrying value	Net carrying value	Held in name of	Whether promoter, director or their relative or employee	Period held – indicate range, where appropriate	Reason for not being held in name of company
Leasehold Land	Rs.403.13 Lakhs	Rs. 249.56 Lakhs	Mody Industries (F.C) Private Limited	NO	1st April, 2017	The Company acquired land pursuant to scheme of merger and necessary steps are being taken for change of name from transferor company to transferee company.
Building appurtenant to land	Rs.159.82 Lakhs	Rs.19.09 Lakhs				
Leasehold Land	Rs. 3013.20 Lakhs	Rs. 2933.32 Lakhs	Hindusthan Udyog Limited(HUL)	NO, Company is an associate of Hindusthan Udyog Limited (HUL)	31st March, 2023	As the acquisition took place at 31 March, 2023, as per the management necessary steps are being taken for the registration in the name of the company thereof.
Building appurtenant to land	Rs 663.88	Rs. 642.76				

- (d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Hence, reporting under this clause is not applicable.
- (e) As per the information and explanations given to us, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) As per the information obtained by us, the inventories have been physically verified by the management at reasonable intervals and in our opinion the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in aggregate for each class of inventory were noticed on such physical verification.
- (b) The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate from banks on the basis of security of current assets. No material differences were noticed in the quarterly returns or statements filed by the company with such banks and the books of accounts of the Company.
- iii. The company has made investment in subsidiaries, provided guarantees and granted unsecured loans which are as below:
- (a) (A) The company has given Foreign currency loans and corporate guarantees to its subsidiaries, the details of the same are as follows:

Name of the subsidiary		Loan Amount (Rs in lakhs)			
	Loan	Opening as on 01.04.2024	Granted during the year	Refunded during the year	Balance as at 31.03.2025
(i) Aturia International Pte Limited (Singapore)	In USD	5,334.21	-	-	5,467.65
* includes foreign exchange gain of Rs.188.66 lakhs	In EURO	4,775.51	—	1,988.02	2,842.71
	TOTAL	10,109.72	—	1,988.02	8,310.36*
Corporate Guarantee Amount (Rs in lakhs)					
	Opening as on 01.04.2024			Balance as at 31.03.2025	
(ii)Aturia International Pte Limited (Singapore)	2,004.67			854.317	
Loan Amount (Rs in lakhs)					
		Opening as on 01.04.2024	Granted during the year	Refunded during the year	Balance as at 31.03.2025
((iii) Sterling Pumps Pty Limited (Australia) * net off foreign exchange loss amounting to Rs. 2.91 lakhs		163.11	—	—	160.20*

* The company has not provided loans or provided advances in nature of loan or guarantee or security to any other entities other than subsidiaries above during the year, so comment on this clause does not arise.

-
- (b) The investment made, guarantees provided, security given and terms and conditions of the grant of all loans and advances and guarantee provided are not prejudicial to the company's interest as it is provided to its subsidiaries.
 - (c) In respect of loan given to Aturia International Pte Limited (Singapore) a subsidiary, as per the information available to us the repayment of loan and the receipt of interest thereon are stipulated in accordance with the agreement and the receipt of interest is regular and in the case of loan given to another subsidiary, Sterling Pumps Pty Limited (Australia), which is repayable on demand. During the year, the Company has not demanded the repayment of the loan. Considering this fact, in our opinion, the repayment of principal amount and the receipts of interest are regular.
 - (d) There is no amount overdue for more than ninety days in respect of loans provided to the subsidiaries. Hence, comment on the said clause does not arise.
 - (e) As per the information available to us, no loans or advances in the nature of loans granted have fallen due during the year, have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties. So, the comment on this clause does not arise.
 - (f) The company has granted loans repayable on demand to its subsidiary, Sterling Pumps Pty Limited (Australia), the aggregate amount of which stands at Rs. 160.20 lacs, which is 1.89 percent of the total loans granted by the Company.
- iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 with respect to loans or investments made and guarantees or security provided wherever applicable.
 - v) According to the information and explanations given to us, the Company has not accepted any deposits, or amounts which are deemed to be deposits, for which directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder, are required to be complied with. Accordingly, the provisions of clause 3(v) of the Order are not applicable.
 - vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, and are of the opinion that prima facie, the specified amounts and records have been made and maintained. We have not, however made a detailed examination of the same.
 - vii. (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, goods and services tax, duty of custom, cess and other statutory dues have generally been regularly deposited with the appropriate authorities.
 - (b) According to the records of the Company, the dues outstanding (net of amount paid under dispute) of

income-tax, sales-tax, service tax, goods and services tax, duty on custom, duty of excise, value added tax and cess on account of any dispute, are as follows:

Name of the Statute	Nature of dues	Amount (Rs. in lacs)	Period to which the amount relates (Financial Year)	Forum where dispute is pending
Income Tax Act, 1961	TDS mismatch	2.06	2022-23	Commissioner of Income Tax (Appeals)
Central Excise Act, 1994	Despatch to mega power plant under exemption notification being allowed	17.39	2005-14	CESTAT & Commissioner Appeal-1
Central Excise Act, 1994	Disallowance of cenvat credit	24.56	1997-98, 2006-2016	CESTAT & Commissioner Appeal-1
Central Excise Act, 1994	Disallowance of cenvat credit	2103.54	2008-09 to 2016-17, 2020-21	CESTAT Commissioner and Commissioner Appeal-1

- viii. As per the information and explanation given to us the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 (43 of 1961) as income during the year. Hence comment on Paragraph 3(viii) of the said Order does not arise.
- ix. (a) As per the information and explanation given to us the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) The company has not been declared wilful defaulter by any bank or financial institution or other lender. Hence comment under the said clause does not arise.
- (c) The term loans were applied for the purpose for which the loans were obtained. Hence comment under the said clause does not arise.
- (d) There is no funds raised on short term basis have been utilised for long term purposes. Hence comment under the said clause does not arise.
- (e) The company has not taken any funds from any entity or person on account of or to meet the obligation of its subsidiaries, associates or joint ventures. Hence comment under the said clause does not arise.
- (f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, associates or joint venture companies. Hence comment under the said clause does not arise.
- x. (a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Hence comment on Paragraph 3(x)(a) of the said Order is not applicable.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Hence comment on paragraph 3(x)(b) of the Order is not applicable.

-
- xi) a) According to the information and explanations given to us, no fraud by the Company and no fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year.
- (c) No whistle blower complaints received by the Company during the year (and upto the date of this report), hence comment under the said clause does not arise.
- xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the standalone financial statements, as required by the applicable accounting standards.
- xiv) (a) In our opinion the Company has an internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv) According to the information and explanations given to us, the Company has not entered into any non-cash transaction with directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CICs which are part of the Group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete. Accordingly, the reporting under the clause 3(xvi)(d) of the order is not applicable to the Company.
- xvii) The company has not incurred cash losses during the financial year and the immediately preceding financial year. Hence, Comment on paragraph 3(xvii) of the said order is not applicable.
- xviii) There has been no resignation of the statutory auditors of the company during the year. Hence, comment on paragraph 3(xviii) of the said order is not applicable.
- xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions,

nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx) (a) The company has transferred unspent amount in respect of other than ongoing project during the financial year relating to the financial year 23-24 of Rs. 114.66 lakhs to Prime Minister National Relief Fund specified in schedule VII of the Companies Act, 2013 on 26th September, 2024. However the unspent amount of Rs. 158.16 lakhs in respect of other than ongoing projects for the financial year 2024-25 not yet transferred upto the date of the audit report to a fund as specified in schedule VII of the Companies Act, 2013 as the due date is on or before 30th September, 2025 in compliance with second proviso to sub - section (5) of section 135 of the said Act.
- (b) As at present there is no amount remaining unspent under sub-section (5) of section 135 of the Companies Act, 2013 pursuant to any ongoing project, so question of transferring to special account in compliance with the provision of sub-section (6) of section 135 of the said Act does not arise.

Annexure 2 to the Independent Auditors' report of even date on the standalone Ind AS financial statements of WPIL Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of WPIL Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting with reference to these standalone Ind AS financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with Reference to these standalone Ind AS financial statements.

A company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and

the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements includes those policies and procedures that-

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these Standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to these standalone Ind AS financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(FCS F5127)

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

1. Corporate information

WPIL Limited ('the Company') is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company's registered office is at Trinity Plaza, 3rd Floor, 84/1A, Topsia Road (South) Kolkata – 700046. Its shares are listed on the BSE Limited in India.

The Company is principally engaged in designing, developing, manufacturing, erecting, commissioning and servicing of pumps & pumping systems. The Company in the past few years has started construction contracts related to water supply and irrigation. The Company caters to both domestic and international markets.

2. Basis of preparation and compliance with Ind AS

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the standalone financial statements.

The standalone Ind AS financial statements have been prepared on a historical cost convention on accrual basis except for certain financial instruments which are measured in terms of relevant Ind AS at fair value / amortised costs at the end of each reporting period as and wherever applicable.

The standalone financial statements are presented in INR and all values are rounded to the nearest lacs (INR 00,000), except when otherwise indicated.

2.1 Summary of material accounting policies

The material accounting policy information related to preparation of standalone financial statements have been discussed in the respective notes:

a. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in Company's operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in Company's operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle for its production unit or sale of pumps and pumping systems. However, for construction contracts it varies according to the terms of the contract.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

b. Foreign currencies

The financial statements are presented in INR, which is the Company's functional currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

c. Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ✓ In the principal market for the asset or liability, or
- ✓ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ✓ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ✓ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ✓ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

d. Non – current assets held for sale

Non current assets and disposal groups are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset (or disposal group) is available for immediate sale in its present condition, subject to only terms that are usual and customary for sale of such assets (or disposal group), and the sale is highly probable and expected to qualify for recognition as a completed sale within one year from the date of classification.

Non current assets and disposal group classified as held for sale are measured at lower of their carrying amount and fair value less cost to sale.

e. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

The Company bases its impairment calculation on forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

An assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss.

f. Business combination

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any noncontrolling interests in the acquiree. For each business combination, the Company elects whether to measure the noncontrolling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred. At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values.

Any business combinations involving entities or businesses under common control are accounted for using the pooling of interest method:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values, or recognise any new assets or liabilities. The only adjustments that are made are to harmonise accounting policies.

g. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of the segment.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

Revenue, expenses, assets and liabilities which are not allocable to segments on a reasonable basis, are included under “Unallocated revenue/ expenses/ assets/ liabilities”.

The analysis of geographical segments is based on the areas in which customers of the Company are located.

Segment accounting policies are in line with the accounting policies of the Company. In addition, the following specific accounting policies have been followed for segment reporting:

- i) Segment revenue includes sales and other operational revenue directly identifiable with/allocable to the segment including inter segment revenue.
- ii) Expenses that are directly identifiable with/allocable to segments are considered for determining the segment result.
- iii) Most of the centrally incurred costs are allocated to segments mainly on the basis of their respective expected segment revenue estimated at the beginning of the reported period.
- iv) Income which relates to the Company as a whole and not allocable to segments is included in “unallocable corporate income/ (expenditure)(net)”.
- v) Segment result includes margins on inter-segment capital jobs, which are reduced in arriving at the profit before tax of the Company.
- vi) Segment result includes the finance costs incurred on interest bearing advances with corresponding credit included in “unallocable corporate income/(expenditure)(net)”.
- vii) Segment results have not been adjusted for the exceptional item attributable to the corresponding segment. The said exceptional item has been included in “unallocable corporate income/(expenditure)(net)”. The corresponding segment assets have been carried under the respective segments without adjusting the exceptional item.
- viii) Segment revenue resulting from transactions with other business segments is accounted on the basis of transfer price which are either determined to yield a desired margin or agreed on a negotiated basis.
- ix) Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable corporate assets and liabilities represent the assets and liabilities that relate to the Company as a whole.
- x) Segment non-cash expenses forming part of segment expenses includes the fair value of the employee stock options which is accounted as employee compensation cost and is allocated to the segment.

h. Investment in joint operations:

A joint operation is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the assets, and obligations for the liabilities, relating to the arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

The Company has interest in certain joint operations, and accordingly, it recognizes in relation to its interest in joint operations, its:

- Assets, including its share of any assets held jointly
- Liabilities, including its share of any liabilities incurred jointly
- Revenue from the sale of its share of the output arising from the joint operation
- Share of the revenue from the sale of the output by the joint operation
- Expenses, including its share of any expenses incurred jointly

Unrealized gains and losses resulting from transactions between the Company and the joint operations are eliminated to the extent of the interest in the joint operation.

3A PROPERTY, PLANT AND EQUIPMENT (PPE)

Capital work in progress, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Land and buildings are measured at cost less accumulated depreciation on buildings and impairment losses, if any.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of the asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation is provided at rates calculated to amortize cost, less estimated residual value, of each asset on a straight-line basis using the estimated useful lives of the assets in compliance with Schedule II of the Companies Act, 2013 (excepting for some assets as determined by management based on technical estimates) as follows :

Class of Asset	Useful Lives estimated by the management
Factory Buildings	30 years
Non-Factory Buildings	3 to 60 years
Plant and equipment	10 to 40 years
Patterns and moulds	15 years
Furniture & Fixtures	10 years
Computers	3 to 6 years
Office Equipment	5 years
Vehicles	8 to 10 years

Depreciation on property, plant and equipment added / disposed-off during the year is provided on pro-rata basis with reference to the date of addition / disposal. The management has estimated, supported by technical assessment of experts, the useful lives of certain property, plant and equipment which are different than those indicated in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Major inspection and overhaul costs are depreciated over the estimated life of the economic benefit derived from such cost. The carrying amount of the remaining previous overhaul cost is charge to the statement of profit and loss if the next overhaul is undertaken earlier than the previously estimated life of the economic benefit.

When significant spare parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

3B: GOODWILL AND OTHER INTANGIBLE ASSETS

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible assets with indefinite useful lives including Goodwill are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

Research and development costs

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Company can demonstrate:

- The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

During the period of development, the asset is tested for impairment annually.

Intangible assets consist of the following :

04 INVESTMENTS**Accounting Policy :****Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets***Initial recognition and measurement***

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in note 31 Revenue from contracts with customers.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

Subsequent measurement of financial assets is described below -

- Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

- Debt instruments at fair value through other comprehensive income (FVTOCI)

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Notes to standalone Ind AS financial statements as at and for the year ended 31st March, 2025 (contd.)

- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income, subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to the Statement of Profit and Loss, even on sale of investment.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement? and either
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance .
- b) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115 .
- c) Financial guarantee contracts which are not measured as at FVTPL.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables, the Company applies a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original Effective Interest Rate (EIR). Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. This amount is reflected under the head 'other expenses' (or 'other income') in the Statement of Profit and Loss.

10 INVENTORIES

Accounting Policy :

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials and components: cost includes cost of purchase and other costs excluding taxes subsequently recoverable from tax authorities incurred in bringing the inventories to their present location and condition. The cost is calculated on weighted average method.
- Finished goods: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. The cost is calculated on weighted average method.
- Work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity depending upon the stages of completion, but excluding borrowing costs. The cost is calculated on weighted average method.
- Stores and spare parts: cost of purchase and other costs excluding taxes subsequently recoverable from tax authorities incurred in bringing the inventories to their present location and condition. The cost is calculated on weighted average method.
- Scrap items are valued at net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Inventories consist of the following :

	(Rs. in Lacs)	
	As at 31st March, 2025	As at 31st March, 2024
Raw Materials and Components *#	7,857.58	9,743.50
Work-in-Progress **	3,940.70	3,123.07
Finished Goods [Refer Note B]	998.66	807.45
Stores and Spare Parts	279.18	233.60
Valued at net realisable value		
Scrap	24.10	37.90
TOTAL	13,100.22	13,945.52

* Includes inventory with third parties of Rs 184.01 lacs (31 March 2024 : Rs 148.16 lacs)

** Includes inventory with third parties of Rs 157.44 lacs (31 March 2024 : Rs 173.53 lacs)

Include Stock at project site NIL, (31 March 2024 : Rs 3,702.84 lacs)

Refer Note 24 for information on other assets hypothecated as security by the company.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

13 CASH AND CASH EQUIVALENTS

Accounting Policy :

Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts (if any) as they are considered an integral part of the Company's cash management.

Details of current cash and cash equivalents are as follows :

	As at 31st March, 2025	(Rs. in Lacs) As at 31st March, 2024
Balances with Banks :		
- On Current Accounts	315.40	8.18

At the beginning of the year	97,67,080	976.71
Increase on account of split *	8,79,03,720	Not applicable
As at the end of the year	9,76,70,800	976.71

Number of shares and share capital	As at 31st March, 2024	
	No. of shares	Amount (Rs. in Lacs)
As at the beginning of the year	97,67,080	976.71
As at the end of the year	97,67,800	976.71

- * On and from the Record Date of 12th July, 2024, the equity shares of the Company have been sub- divided, such that 1 (one) equity share having face value of Rs.10/- (Rupees ten only) each, fully paid-up, stands sub-divided into 10 (ten) equity shares having face value of Re 1/- (Rupee one only) each, fully paid-up, ranking pari-passu in all respects.

(d) Terms and Rights attached to Equity Shares

The Company has sub divided its equity shares of the face value of Rs 10/- each into 10 equity shares of the face value of Re 1/- each fully paid up, effective July 12, 2024. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividend in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders at the ensuing Annual General Meeting and is accounted for in the year in which it is approved by the Shareholders in the General Meeting.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company after distribution of all preferential amounts. The distribution will be in the proportion to the number of equity shares held by the shareholders.

In its meeting dt 23 May, 2025, the Board of Directors of the company have proposed a final dividend of Rs 2/- per equity share for the one share of the face value of Re 1/- for the financial year ended 31 March 2025 (31 March 2024 : Rs 20/- per equity shares of the face value of Rs 10/- per equity share). The proposal of final dividend is payable subject to the approval of shareholders at the forthcoming Annual General Meeting and if approved would result in a cash outflow of Rs 1,953.42 lacs (31 March 2024 : Rs 1,953.42 lacs). Dividend is accounted for in the year in which it is approved by the shareholders, and paid.

(2) Corresponding previous year:

(Rs. in Lacs)

Particulars	Capital reserve	Capital redemption	Securities premium	General reserve	Retained earning	Total
Balance at the beginning of the previous reporting period	0.04	14.00	9,889.20	38,000.00	16,822.58	64,725.82
Total Comprehensive income for the previous year	-	-	-	-	14,208.14	14,208.14
Dividends	-	-	-	-	(3,906.84)	(3,906.84)
Transfer to General Reserve	-	-	-	-	(7,000.00)	(7,000.00)
Transfer from Retained earnings	-	-	-	7,000.00	-	7,000.00
Balance at the end of the previous reporting period	0.04	14.00	9,889.20	45,000.00	20,123.89	75,027.13

Nature and purpose of reserves :

Capital Reserve

(Reserve created on reissue of forfeited shares. This can be utilised in accordance with the provisions of the Companies Act, 2013.)

Capital Redemption Reserve

(This is a non distributable reserve created on account of restatement of certain investments)

Securities Premium

(Premium received on issue of equity shares. This reserve can be utilised in accordance with the provisions of the Companies Act, 2013)

General Reserve

(This reserve is a part of Retained earning, and is available for distribution to the shareholders as free reserve)

Retained Earnings

(Retained earnings are profits that the company has earned till date, less any transfer to general reserve, dividends or other distributions paid to shareholders. It also includes Revaluation reserve transferred on the date of transition)

19 BORROWING

Accounting Policy :

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit or Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Details of Non Current Borrowings are as provided below :

	As at 31st March, 2025	(Rs. in Lacs) As at 31st March, 2024
Secured :

Property loan is secured by mortgage of the office space acquired at Salt Lake, Sector V, Kolkata, India, repayable as under:

- i) Rs 738.13 lacs (PY - 1078.51) in remaining 9 (PY - 13) instalments ending on 28 May, 2027 bearing interest of 8.5%. p.a."

20 LEASE LIABILITY - NON CURRENT

Accounting Policy :

Ind AS 116 supersedes Ind AS 17 Leases including its appendices. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the balance sheet.

The Company has adopted Ind AS 116 using the modified retrospective method of adoption under the transitional provisions of the Standards, with the date of initial application on 1st April 2019. The Company also elected to use the recognition exemptions for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option (short-term leases), and lease contracts for which the underlying asset is of low value (low-value assets).

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in section 2.1 (e) Impairment of non-financial assets.

Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of offices, godowns, equipment, etc. that are of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

Company as a lessor

Lessor accounting under Ind AS 116 is substantially unchanged from Ind AS 17. Lessors will continue to classify leases as either operating or finance leases using similar principles as in Ind AS 17. Therefore, Ind AS 116 does not have an impact for leases where the Company is the lessor.

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Non Current Lease Liability consist of the following :

	As at 31st March, 2025	As at 31st March, 2024
Lease Liability (Refer Note 51)	784.15	—
	<u>784.15</u>	<u>—</u>

21 PROVISIONS

Accounting Policy :

Retirement and other employee benefits

Retirement benefit in the form of Provident Fund and Superannuation Schemes are defined contribution schemes. The Company has no obligation, other than the contribution payable to the respective funds. The Company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service.

Gratuity liability is funded defined benefit obligation and is provided for on the basis of actuarial valuation done on projected unit credit method at the end of each reporting period.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods. Current and non-current classification is based on the actuarial valuation report.

The Company treats accumulated leaves expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the end of each financial year. The Company presents the leave as current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement beyond 12 months after the reporting date. Where the Company has unconditional legal and contractual right to defer the settlement for the period beyond 12 months, the same is presented as non-current liability. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

The details of Non Current Provisions of Employee Benefits are as follows :

	As at 31st March, 2025	As at 31st March, 2024

- Gratuity (Refer Note 41.1)	448.90	480.30
TOTAL	<u>658.47</u>	<u>660.24</u>

22 INCOME TAX**Accounting Policy :****Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except, when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except, when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty. The Company applies significant judgement in identifying uncertainties over income tax treatments.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

Net balance of Deferred tax liabilities / (assets) are as follows :

	As at 31st March, 2024	(Rs. in Lacs) As at 31st March, 2023
a) Deferred Tax Liabilities in relation to :		
- tax impact arising out of temporary differences on account of depreciable assets	346.77	257.65
- tax impact on account of retention money for the FY 2023-24	971.76	-
- tax impact on WDV of goodwill not eligible for depreciation under Income Tax Act.	204.73	204.73
Total	1,523.26	462.38
b) Deferred Tax Assets in relation to :		
- provision for doubtful debts and advances	281.29	213.46
- provision for retirement benefits	266.70	215.96

TOTAL	565.70	2,114.21

29 PROVISIONS
Accounting Policy :

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Warranty provisions

Provisions for warranty-related costs are recognised on the basis of product sold or service provided to the customer. Initial recognition is based on historical experience and management's decision based on technical advice. The initial estimate of warranty-related costs is revised annually.

Onerous contracts

If the Company has a contract that is onerous, the present obligation under the contract is recognised and measured as a provision. However, before a separate provision for an onerous contract is established, the Company recognises any impairment loss that has occurred on assets dedicated to that contract.

An onerous contract is a contract under which the unavoidable costs (i.e., the costs that the Company cannot avoid because it has the contract) of meeting the obligations under the contract exceed the economic benefits expected to be received under it. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the cost of fulfilling it and any compensation or penalties arising from failure to fulfil it.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

(Rs. in Lacs)

Current Provisions consist of the following :

	As at 31st March, 2025	As at 31st March, 2024
For Employee Benefits		
- Gratuity (Refer note 41.1)	273.21	221.70
- Leave Benefits (Refer Note 41.2)	128.01	106.80
Others :		
- For Warranties (Refer Note (a) below)	200.23	160.28
- For Future Losses (Refer Note (b) below)	19.75	45.99
- For Unspent amount of CSR (Refer Note 54)	158.15	114.66
TOTAL	779.35	649.43

(a) Provision for Warranty

As per the requirement of IND AS 37, the management has estimated future expenses with regard to warranty given by the Company on best judgment basis and provision thereof has been made in the accounts. The table below gives information about movement in warranty provisions.

	As at 31st March, 2025	As at 31st March, 2024
Opening balance	160.28	124.84
Provided during the year	200.22	168.33
Utilized during the year	160.27	132.89
Closing balance	200.23	160.28

(b) Provision for Future Losses

As per requirement of Ind AS 37, the management has estimated future expenses with regards to onerous contracts where the unavoidable cost of meeting the obligation under the contract exceed the economic benefit expected to be received under it. The table below gives information about movement in provision for future losses :

	As at 31st March, 2025	As at 31st March, 2024
Opening balance	45.99	4.39
Provided during the year	0.71	41.60
Adjusted during the year	26.95	-
Closing balance	19.75	45.99

(Rs. in Lacs)

30 CURRENT TAX LIABILITIES

	As at 31st March, 2025	As at 31st March, 2024
Provision for Income tax (net of advance tax)	980.61	1,008.39
TOTAL	980.61	1,008.39

31 REVENUE RECOGNITION**Accounting Policy :**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

Sale of goods

Revenue from sale of goods is recognised at the point in time when control of the goods is transferred to the customer. The revenue is measured based on the consideration defined in the contract with a customer, net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. As the period between the date on which the Company transfers the promised goods to the customer and the date on which the customer pays for these goods is generally one year or less, no financing components are considered.

The Company typically provides warranties for general repairs on all its products sold, in line with the industry practice. These assurance-type warranties are accounted for under Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets. Refer to the accounting policy on warranty provisions in note 29 Provisions.

Export entitlements are recognised when the right to receive the credits as per the terms of the schemes is established in respect of the exports made by the Company and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

The Company recognises revenue on satisfaction of performance obligation to its customers. Revenue is measured based on consideration specified in a contract with a customer and excludes taxes collected on behalf of the government authorities.

Construction Contracts

Revenue on contracts is recognised using input method where revenue is accounted on the basis of the entity's efforts or inputs to the satisfaction of a performance obligation relative to the total expected inputs to the satisfaction of that performance obligation (in accordance with Percentage of Completion method) as per Ind AS 115.

The amount of revenue and profit recognised in a year on projects is dependent, inter alia, on the actual costs incurred, the assessment of the percentage of completion of (long-term) contracts and the forecasted contract revenue and costs to complete of each project. Furthermore, the amount of revenue and profit is influenced by the valuation of variation orders and claims. In cases, where the current estimates of the total contract cost and revenue indicate a loss, such loss is recognized as an expense.

Contract Balances

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in note 4 Financial instruments – initial recognition and measurement.

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

Rendering of services

Revenue from sale of services is recognised upon the rendering of services and are recognised net of goods and services tax and other applicable taxes.

Interest income

Interest income is included in other income in the statement of profit and loss. Interest income is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate when there is a reasonable certainty as to realisation.

Dividends

Revenue is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of dividend can be measured reliably.

Rental income

Rental income arising from operating leases is accounted for as per the lease terms and is included in revenue in the statement of profit or loss due to its operating nature.

Revenue from operations consist of the following :

	(Rs. in Lacs)
	Year ended 31st March, 2025
	Year ended 31st March, 2024

	1,07,501.04

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**
Performance Obligation
Sale of goods

The performance obligation is recognised at the point in time when control of the goods - pumps, pumping systems and spares is transferred to the customer and the payment is generally due within 30 to 90 days from such delivery.

Sale of services

The performance obligation is satisfied over-time and payment is generally due upon completion of erectioning, commissioning and servicing services by the Company and its due acceptance by the customer.

Construction Contracts

The performance obligation is satisfied over-time and is calculated based on percentage completion method when the outcome of the contract can be estimated reliably. Payment is generally based on financial milestones as per terms set out in the contract and its due acceptance by the customer.

36 BORROWING COSTS

Accounting Policy :

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Finance costs consist of the following :

	Year ended 31st March, 2025	(Rs. in Lacs) Year ended 31st March, 2024
Interest Expenses*	2,648.92	1,093.87

* Donations comprise of Rs NIL, (31 March 2024 : Rs 2,200 lacs) in Electoral bonds for Political parties.

39 Earnings Per Share (EPS)

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

EPS is computed as below :

Particulars	Rs. in Lacs)	
	Year ended 31st March, 2025	Year ended 31st March, 2024
i) Profit after tax (Rs.in lacs)	14,384.34	14,302.88
ii) Face value per share (Rs.)*	1.00	10.00
iii) Weighted average number of shares*	9,76,70,800	97,67,080
iv) Basic and Diluted Earnings Per Share (Rs.) (i/iii)*	14.73	14.54

*Consequent upon share split during the year, the Earnings per share for the prior period have been restated considering the face value of Re.1/- each in accordance with Ind AS 33 -"Earnings per share".

40 40.1 Significant accounting judgements, estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

40.2 Employee benefit plans

Gratuity: The cost of defined benefit gratuity plan and its present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, an employee benefit obligation is highly sensitive to changes in these assumptions particularly the discount rate and estimate of future salary increase. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases are based on expected future inflation rates.

Further details about gratuity obligations are given in Note 41.1.

Leave Encashment: The Company has a policy on Leave Encashment which is accumulating in nature. The Expected Cost of Accumulated Leave Encashment is determined by Actuarial Valuation performed by an independent actuary using Project Unit Credit Method as per Ind As 19 on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the Balance Sheet date.

Further details about leave encashment obligations are given in Note 41.2.

The Code on Social Security, 2020 has been enacted, which may impact the employee related contributions made by the Company. The effective date from which the changes are applicable is yet to be notified. The Ministry of Labour and Employment has released draft rules for the code on November 13, 2020. The Company will complete its evaluation and will give appropriate impact in its financial results in the period in which the code becomes effective and the related rules are published.

40.3 Warranty

Warranty costs are accrued at the time the products are sold. The Company estimates the provision for warranty based on past trend of actual sale of pumps. As at 31 March 2025, the estimated liability towards warranty amounted to approximately Rs. 200.23 lacs (31 March 2024: Rs. 160.28 lacs.)

The provision towards warranty is not discounted as the management, based on past trend, expects to use the provision within twelve months after the Balance Sheet date.

Notes to standalone Ind AS financial statements as at and for the year ended 31st March, 2025 (contd.)

40.4 Estimation of expected useful lives and residual values of property, plant and equipment

Property, plant and equipment are depreciated at historical cost using straight-line method based on the estimated useful life, taking into account the residual value. The assets' residual value and useful life are based as per policy stated in Note 3A of the Financials.

40.5 Revenue from Construction Contracts

Contract Revenue is recognised under 'percentage of completion method'. When the outcome of a construction contract can be estimated reliably contract revenue and contract costs associated with the construction contracts are recognised as revenue and expenses respectively by reference to the stage of completion of the contract activity.

Individual project budgets are reviewed regularly with project leaders to ensure that cost estimates are based upon up to date and as accurate information as possible, and take into account any relevant historic performance experience. Furthermore, all completed projects are reviewed to ensure that all relevant costs have been recorded/accrued at the time of project completion in the relevant period and that no further costs will be incurred in addition to the above costs.

Contract variations are recognized as revenues to the extent that it is probable that they will result in revenue which can be reliably measured, which requires the exercise of judgment by management based on prior experience, application of contract terms and relationship with the contract owners. Claims are recorded as revenue when negotiations have reached to an advance stage such that it is probable, the customer will accept the claim and amount can be measured reliably, which requires the exercise of judgment by management based on prior experience.

For further details, refer Note 53.

40.6 Provision for Expected Credit Losses

The Company measures Expected Credit Loss (ECL) for financial instruments based on historical trend, industry practices and the business environment in which the Company operates. The Company bases the estimates on the ageing and credit-worthiness of the receivables and historical write-off experience and variation in the credit risk on year to year basis. The assumptions and estimates applied for determining the provision for impairment are reviewed periodically. For further details refer Note 48.

40.7 Impairment of Investments in Subsidiaries

Determining whether the investments in subsidiaries are impaired requires an estimate of the value in use of investments. In considering the value in use, the management anticipates the order book, operating margins, discount rates and other factors of the underlying businesses/operations of the subsidiaries.

40.8 Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair values are measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

40.9 Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the recoverable amounts of cash-generating units have been determined based on value in use calculations. These calculations require the use of estimates such as discount rates and growth rates.

41 Gratuity and other post-employment benefit plans

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service is entitled to gratuity on terms not less favourable than the provisions of The payment of Gratuity Act, 1972. The scheme is funded with an insurance company in the form of qualifying insurance policy.

41.1 The following table summarises the components of net benefit expenses recognised in the Statement of Profit and Loss and the funded status and amounts recognised in the Balance Sheet for the post retirement benefit plans (gratuity).

- Aturia International, Singapore	8,310.36	10,109.72
- Sterling Pumps, Australia	160.20	163.11
Total	8,470.56	10,272.83
Maximum Amount Due during the year (including interest)	10,921.78	20,714.61

43 Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. After making proper assessments, it has been concluded that the Company is not required to recognize contingent liabilities. However, the Company discloses its existence in the financial statements and makes such assessments regularly.

Following are the contingent liabilities of the Company as at the year end :

(Rs. in Lacs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
a) Estimated amount of contract remaining to be executed on capital account , and not provided for	533.25	-
b) Contingent liabilities not provided for in the Financial Statements in respect of the following :		
- Claims against the Company not acknowledged as debts	25.65	24.93
- Income Tax matters under appeal	2.06	62.91
- Excise Duty & Service Tax matters under dispute *	1,200.26	1,571.36
- Bank Guarantee outstanding	23,766.10	15,776.37
- Corporate Guarantee outstanding (Refer Note 46)	854.32	2,004.67
Total	25,848.39	19,440.24

* The above amount excludes penalty and interest on the demand.

44 Research and Development Expenses

Research and Development Expenses relating to revenue nature aggregating to Rs 197.39 lacs (31 March 2024: Rs 193.05 lacs) have been charged to respective heads of accounts in the Statement of Profit and Loss.

48 Financial risk management objectives and policies

The company's financial liabilities comprise loans and borrowings, trade and other payables etc. The main purpose of these financial liabilities is to finance the Company's operations. The Company's financial assets include trade and other receivables, cash and cash equivalents, that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The company has a risk management policy, and its management is supported by a Risk management committee. The Risk management committee provides assurance to the company's management that the company's risk activities are governed by appropriate policies and procedures and that the financial risks are identified, measured and managed in accordance with company's policies and risk objectives. The Board of Directors review and agrees policies for managing each of these risks which are summarised below:

48.1 Market risks :

Market risk is the risk that the fair value of future cash flow of a future instrument will fluctuate because of changes in market prices. Market risk comprises of three types of risks, currency risk, interest rate risk and other price risk such as commodity price risk and equity price risk. Financial instrument affected by market risk include trade payables, trade receivables, borrowings etc.

48.2 Interest rate risk :

The Company's exposure to the risk of changes in market interest rates relate primarily to the company's debt.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

Interest rate sensitivity :

The following table demonstrates the sensitivity to a reasonable possible change in interest rates. With all other variables held constant, the Company's profit before tax is affected through the impact of floating rate as follows :

(Rs. in Lacs)

Particulars	Increase/decrease in basis points	Effect on profit before tax +/-
31 March, 2025	50 basis points	104.72
31 March, 2024	50 basis points	42.61

48.3 Foreign Currency Risk :

Foreign Currency Risk is the risk that the fair value or future cash flow of an exposure will fluctuate because of changes in foreign exchange rates. The company's exposure to the risk of change in the foreign exchange is detailed below :

Particulars	Currency	Increase/ decrease in basis points	Effect on	
			Year ended 31st March, 2025	Year ended 31st March, 2024
Trade payables	USD	50 basis points	0.87	0.03
Trade payables	GBP	50 basis points	0.36	—
Trade payables	EURO	50 basis points	0.16	0.22
			1.39	0.25
Trade receivables	USD	50 basis points	10.83	9.10
Trade receivables	EURO	50 basis points	1.64	—
Other Receivables - Loans given & interest receivable	USD	50 basis points	27.34	26.67
Other Receivables - Loans given & interest receivable	EURO	50 basis points	14.21	23.88
Other Receivables - Loans given & interest receivable	AUD	50 basis points	0.89	0.86
			54.91	60.51

48.4 Credit risk:

Credit risk is the risk that counterparty will not meet its obligation under a financial instrument or a customer contract leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables).

Trade receivables :

Customers' credit risk is managed by the respective department subject to company's established policy, procedure and control. Credit quality of a customer is assessed based on individual credit limits defined by the Company. Simplified approach is applied to determine the expected credit loss for trade and other receivables by considering historical credit loss experience and also specific identification method on a case to case basis taking into account customers' credit quality, prevailing market conditions etc. To calculate expected credit loss, the Company has divided its trade receivables into two divisions, viz., product division and project division.

For project division, receivables are from Government departments and PSU's and hence expected credit loss is determined on closing balance of trade receivables (due) and contract assets at each reporting date at an average ranging from 0.25% to 2.25%.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

For product division, the Company applied simplified approach recognising lifetime expected credit loss on trade receivables from the point of initial recognition. The Company uses provision matrix under simplified approach. Thus, matrix estimates of ECL based on historical credit loss experience for the last three years are stated below :

Particulars	0-90 days	90-180 days	180-270 days	270-360 days	360-450 days	450-540 days
Adjusted loss historical rate (%)	0.60	1.92	4.03	7.15	13.52	20.65

An impairment analysis is performed at each reporting date on an individual basis. The calculation is based on historical data of credit losses.

The ageing analysis of receivables (gross of provisions) has been considered from the date the invoice falls due.

(Rs. in Lacs)

Trade receivables	Within credit period	0-181 days	Less than 1 year	More than 1 year	Total
As at 31 March, 2025					
Unsecured	14,470.04	44,936.56	13,435.82	9,860.19	82,702.61
Less- Allowance for Bad and Doubtful debtors					1,025.50
Total					81,677.11
As at 31st March, 2024					
Unsecured	12,952.06	54,665.32	5,438.86	1,337.17	74,471.12
Less- Allowance for Bad and Doubtful debtors					817.14
Total					73,653.97

The movement of Trade Receivables and Expected Credit Loss are as follows:

i) Trade receivables

(Rs. in Lacs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Trade receivables (Gross)	82,702.61	74,471.11
Allowance for expected credit loss	1,025.50	817.14
Trade Receivables (Net)	81,677.11	73,653.97

ii) Allowance for expected credit loss on financial assets

(Rs. in Lacs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Trade Receivables	1,025.50	817.14
Unbilled Revenue	61.14	-

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

iii) Movement in the allowance for expected credit loss

(Rs. in Lacs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Balance at the beginning of the year	817.14	817.14
Add / (Less) : (a) Movement in Expected credit loss related to unbilled revenue	61.14	-
(b) Movement in Expected credit loss related to trade receivables	208.36	-
Balance at the end of the year #	1,086.64	817.14

Credit risk involvement is low since customer base is large and unrelated.

iv) Ageing of expected credit loss allowance

(Rs. in Lacs)

Ageing	Gross carrying amount	Expected credit loss allowance	Carrying amount of trade receivables (net of expected credit loss allowance)
Within credit period	-	0	-
Less than 6 months	44,936.56	178.46	44,758.10
6 months to 1 year	13,435.82	117.33	13,318.49
1 to 2 years	7,196.85	134.61	7,062.24
2 to 3 years	1,958.01	100.96	1,857.05
More than 3 years	705.33	494.14	211.19
Total	68,232.56	1,025.50	67,207.06

48.5 Liquidity risk :

Liquidity risk is defined as the risk that the company will not be able to settle or meet its obligation or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are monitored by company's senior management. Management monitors the company's net liquidity position through rolling forecast on the basis of company's expected cash flow.

The company's objective is to maintain a balance between the continuity of funding and flexibility through the use of cash credit, bank loans amongst others.

Maturity profile of Financial Liabilities :

The table below provides details regarding remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscovered payments :

(Rs. in Lacs)

Financial liabilities	0-1 year	More than 1 year	Total
As at 31st March, 2025 :			
- Borrowings (including current maturities and interest payable in future)	28,893.15	515.10	29,408.25
- Lease liabilities	219.69	784.15	1,003.84
- Trade payables	28,363.07	-	28,363.07
- Other financial liabilities	838.72	-	838.72
Total	58,314.63	1,299.25	59,613.89

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2024 (contd.)**

(Rs. in Lacs)

Financial liabilities	0-1 year	More than 1 year	Total
As at 31st March, 2024 :			
- Borrowings (including current maturities and interest payable in future)	12,993.27	742.28	13,735.55
- Lease liabilities	-	-	-
- Trade payables	36,348.33	-	36,348.33
- Other financial liabilities	563.54	-	563.54
- Total	49,905.14	742.28	50,647.42

49 Capital management

For the purpose of Company's capital management, capital includes issued equity capital and all other equity reserves attributable to equity holders. The primary objective of the Company's capital management is to maximise the shareholder value and keep the debt equity ratio within acceptable range.

The Company manages its capital structure and makes adjustment in the light of changes in economic conditions and the requirement of financial covenants. The Board of Directors seeks to maintain prudent balance between different components of the Company's capital. Net debt is defined as current and non current borrowings (including current maturities of long term debts and interest accrued) as reduced by cash and cash equivalents.

(Rs. in Lacs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Net debt (Rs in Lacs)	29,059.26	12,079.26
Total equity (Rs in Lacs)	88,424.93	76,003.84
Net debt plus total equity (Rs in Lacs)	1,17,484.19	88,083.10
Gearing ratio	0.33	0.16

50 Categorization of Financial Instruments:

The fair value of the financial assets (excluding investments in subsidiaries and associate) and liabilities approximates their carrying amounts as at the Balance Sheet date.

51 Leases

Company as Lessee

The Company has lease contracts for various properties used in its operations having lease terms of 5 years. The Company's obligations under its leases are secured by the lessor's title to the leased assets. Generally, the Company is restricted from assigning and subleasing the leased assets.

The Company also has certain leases of properties with lease terms of 12 months or less and leases of properties with low value. The Company applies the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2024 (contd.)**

Set out below are the carrying amounts of lease liabilities and the movements during the year:

	31 March, 2025 (Rs in lacs)	31 March, 2024 (Rs in lacs)
Opening	-	318.81
Revision in lease rentals	1,197.81	-
Accretion of interest	91.03	25.51
Payments	(285.00)	(344.32)
Closing	1,003.84	-

The maturity analysis of lease liabilities are disclosed in Note 48.

The effective interest rate for lease liabilities is 8.0%, with maturity in June 2030

The following are the amounts recognised in Statement of Profit and Loss:

	31 March, 2025 (Rs in lacs)	31 March, 2024 (Rs in lacs)
Depreciation expense of right-of-use assets	227.58	281.29
Interest expense on lease liabilities	91.03	25.51
Expense relating to other leases (included in other expenses)	463.07	164.74
Total amount recognised in Statement of Profit and Loss	781.68	471.54

Company as a Lessor

The Company has entered into operating lease of its property having lease term of 11 months. The lease contract includes extension clause and a clause to enable upward revision of the rental charge by 5% on such extension. Rental income recognised by the Company during the year is Rs 74.30 lacs (31 March 2024 - Rs 59.07 lacs).

52 Disclosure as required by Ind AS 108, Operating Segments

The Company prepares this financial statements alongwith the consolidated financial statements. In accordance with Ind AS 108, Operating Segments, the Company has disclosed the Segment Reporting and information in its consolidated financial statements.

53 Disclosure in accordance with Indian Accounting Standard - 115 on "Construction Contracts" (Rs. in Lacs)

Particulars	As at 31 March, 2025	As at 31 March, 2024
Contract assets		
[Net of Advances from respective customers Rs 1,019.02 lacs, (31 March 2024 : Rs 3,913.18 lacs)]	23,661.32	12,685.28
Movement of Contract assets during the year is as follows :		
Opening balance	12,685.28	11,498.82
Revenue recognised during the year	61,465.21	49,189.60
Billed during the year	(53,322.19)	(44,898.05)
Unadjusted Mobilisation advance adjusted during the year	2,894.16	(3,105.09)
Movement of Expected credit loss allowance	(61.14)	—
Closing balance	23,661.32	12,685.28

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**
53 Disclosure in accordance with Indian Accounting Standard - 115 on "Construction Contracts" (Rs. in Lacs)

Particulars	As at 31 March, 2025	As at 31 March, 2024
Contract liabilities	10,448.65	19,269.81
Movement of Contract liabilities during the year is as follows :		
Opening balance	19,269.81	16,135.28
Billed during the year	14,852.15	35,263.65
Revenue recognised during the year	(20,934.15)	(32,105.21)
Movement in advance from customers	(2,739.17)	(23.91)
Closing Balance	10,448.64	19,269.81

(i) Significant changes in contract assets and liabilities

Contract assets are initially recognised for revenue earned from designing, developing, manufacturing, erecting, commissioning and servicing of pumps & pumping systems since receipt of consideration is conditional on successful completion of prescribed milestones. Upon completion and acceptance by the customer, the amounts recognised as contract assets are reclassified to trade receivables.

The increase in contract assets in FY 2024-25 is the result of the increase in ongoing supply, erection and commissioning services at the end of the year.

Contract liabilities consist of advance billing in connection with supply, erection and commissioning services of pumps and pumping systems. The outstanding balances on these accounts decreased in FY 2024-25 by Rs.6,082.00 lacs due to the increase in billing on achievement of financial milestones for which certain activities are yet to be provided by the Company.

Apart from above, there was a decrease in advances received from the customers during the year by Rs 2,739.17 lacs.

(ii) Revenue recognised in relation to contract liabilities

The following table shows the amount of revenue recognised in the current reporting period which relates to carried-forward contract liabilities :

Particulars	Year ended 31st March, 2025	Year ended 31st March, 2024
Amounts included in contract liabilities at the beginning of the year	14,880.49	13,138.89

(iii) Unsatisfied performance obligations

The following table shows unsatisfied performance obligations resulting from construction contracts - (Rs. in Lacs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Transaction price allocated to unsatisfied performance obligations		
- Within one year	96,301.32	1,18,848.64
- More than one year	86,124.78	1,41,488.70
	1,82,426.10	2,60,337.34

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2025 (contd.)**

The Company expects that about 50% of the transaction price allocated to unsatisfied performance obligations as at 31 March, 2025 will be recognised within one year based on the tenure of the project and expected work completion stage. Balance portion is expected to be received after one year without any significant delay.

Other than construction contracts, all other contracts have original expected duration of one year or less. As permitted under Ind AS 115, transaction price allocated to these unsatisfied contracts has not been disclosed.

54 Details of CSR expenditure

(Rs. in Lacs)

Particulars	Year ended 31st March, 2025	Year ended 31st March, 2024
(a) Gross amount required to be spent by the Company	306.50	226.96
(b) Amount spent during the year :		
(i) on construction / acquisition of any asset	—	—
(ii) on purposes other than (i) above (as per notification no 10/2020 dated 28th March, 2020)	148.35	112.30

Report on the Audit of the Consolidated Ind AS Financial Statements**Opinion**

We have audited the accompanying consolidated Ind AS financial statements of WPIL Limited (hereinafter referred to as “the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) its associate, joint venture and joint operations comprising of the consolidated Balance Sheet as at March 31, 2025, the consolidated Statement of Profit and Loss including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated Ind AS financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as “the consolidated Ind AS financial statements”).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, associate, joint venture and joint operations, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended (“Ind AS”), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the consolidated Ind AS Financial Statements’ section of our report.

We are independent of the Group, its associates and joint ventures in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including

those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matters.
<p>Estimation of project execution cost</p> <ul style="list-style-type: none"> The Holding Company enters into engineering, procurement, construction contracts, which generally extend over a period of 2 to 5 years. The contract prices are usually fixed, but they also include an element of variable consideration, including variations and claims net of assessed value of liquidated damages. Variable consideration is recognized when its recovery is assessed to be highly probable. <p>Based on contractual tenability of the claims/variations, status of the discussions/negotiations with the customers, management expert's assessment and legal opinion, wherever considered necessary, Management periodically assess the recoverability of the claims/ variations. Estimated costs are determined based on the Work.</p> <p>Estimated costs are determined based on the work to be performed that includes certain cost contingencies and cost savings which take into account specific circumstances of each contract.</p>	<p>Our procedures included the following:</p> <ul style="list-style-type: none"> Understand and evaluate the design and test the operating effectiveness of controls around estimation of construction contract costs and contract price including the reviews and approvals thereof and controls around assessing the recoverability of contract assets ('unbilled revenue') relating to claims/variations; For selected sample of contracts, perform the following procedures; <ul style="list-style-type: none"> (a) Obtain and examine project related source documents such as contract agreements and variation orders; (b) Assess the basis for determining the total costs including changes made over period by reference to supporting documents and estimates made in relation to cost-to-complete the projects; (c) Recomputed the percentage of completion based on the total budgeted cost and the total actual cost incurred and the revenue recognized based on the percentage of completion; (d) Evaluated the adequacy of the disclosures made in the standalone financial statements: <p>Based on the above procedures performed, management's estimation of future cost to complete the contracts and consequential impact on recognised contract revenue is considered reasonable.</p>

Key audit matters	How our audit addressed the key audit matters.
Valuation of account receivables in view of risk of credit loss	
<ul style="list-style-type: none"> Accounts receivables is a significant item in the company's financial statements during the Financial Year 2024 – 2025 amounting to Rs. 97,600.15 lacs and assumptions used for estimating the credit loss on receivables is an area which is influenced by management's judgement. The company makes an assessment of the estimated credit losses basis credit risk, project status, past history, latest discussion/ correspondence with the customer. Given the relative significance of these receivables to the financial statements and the nature and extent of audit procedures involved to assess the recoverability of receivables, we determined this to be a key audit matter 	<p>The Audit procedures which we performed, among other matters based on our judgement, included the following:</p> <ul style="list-style-type: none"> Understand and evaluate the accounting policy of the company. We obtained an understanding of the Company's credit policy for trade receivables and evaluated the processes for identifying impairment indicators. We have reviewed and tested the ageing of trade and other receivables. We have reviewed management's assessment on the credit worthiness of selected customers for trade receivables. . Inquire with senior management regarding status of collectability of the receivable. For material balances, the basis of provision to be discussed with the management. Customer credit risk is managed by the Company through established policy and procedures and controls relating to customer credit risk management. The Company applies the simplified approach to determine the expected credit loss (ECL) for trade and other receivables by considering historical credit loss experience further adjusted for forward looking information. In addition, the Company also considers allowance for credit loss for trade and other receivable based on specific identification method on a case to case basis with reference to the customer's profile, prevailing market conditions etc. To calculate expected credit loss, the Company groups its trade receivables into two divisions i.e. product division and project division.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility & Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the consolidated Ind AS financial statements, and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the consolidated Ind AS financial statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including its associate, joint venture and joint operations in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group and of its associate, joint venture and joint operations are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and of its associate, joint venture and joint operations and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associate, joint venture and joint operations are responsible for assessing the ability of the Group and of its associate, joint venture and joint operations to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate, joint venture and joint operations are responsible for overseeing the financial reporting process of the Group and of its associate, joint venture and joint operations.

Auditor's Responsibilities for the Audit of the consolidated Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to these consolidated Ind AS financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate, joint venture and joint operations to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate, joint venture and joint operations to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate, joint venture and joint operations of which we are the independent auditors to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding Independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our Independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a) We did not audit the financial statements and other financial information, in respect of five (5) joint operations, whose Ind AS financial statements/information reflect total assets of Rs. 7,968.32 lakhs as at March 31, 2025, total revenues of Rs. 2587.86 lakhs, total net profit after tax of Rs. NIL and total comprehensive income of Rs. NIL for the year ended March 31, 2025 and net cash inflow amounting to Rs.0.08 lakhs for the year ended on that date, as considered in the Consolidated IND AS financial statements. The Consolidated IND AS financial statements also include the Group's share of Net Profit of two (2) direct subsidiaries, one (1) subsidiary of Sterling Pumps Pty Limited (SPL), three (3) subsidiaries of Aturia International Pte Limited (AIPL), one (1) subsidiary of Gruppo Aturia S.p.A, two (2) subsidiaries of WPIL SA Holdings Pty Limited (SAHPL), one (1) subsidiary of APE Pumps Pty Limited included in the consolidated financial statements, which we did not audit whose financial information reflect total assets of Rs. 1,44,583.11 Lakhs as at March 31, 2025, and total revenue of Rs. 67,872.72 lakhs, total net profit after tax (including tax on discontinued operation of earlier years) of Rs. (2551.23) lakhs, total comprehensive income of Rs. (533.99) lakhs for the year ended March 31, 2025, and net cash outflows of Rs. 30,576.17 lakhs for the year ended March 31, 2025, as considered in Consolidated IND AS financial statements, whose financial statements and other financial information have not been audited by us. We also did not audit the financial information of one (1) associate included in the consolidated financial statements, whose financial information reflect total net profit after tax of Rs. 396.02 lakhs and total comprehensive income of Rs. 396.02 lakhs for the year ended March 31, 2025 as considered in the Consolidated IND AS financial statements. These financial statement and other financial information have been audited by other auditors, whose financial statements, other financial information and auditor's reports have been furnished to us by the management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, step down subsidiaries, associates and joint operations and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, step down subsidiaries, associates and joint operations is based solely on the reports of such other auditors.

Certain of these subsidiaries (direct and step-down) are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial statements of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

- b) We did not audit the financial statements and other financial information, in respect of one (1) joint venture of Aturia International Pte Ltd and one (1) associate of WPIL SA Holdings Pty Limited (subsidiary of AIPL) , one(1) subsidiary of WPIL SA Holdings Pty Limited (SAHPL) whose financial statements include total revenue of Rs 69.49 lacs ,total net profit of Rs. 431.23 lakhs and total comprehensive income of Rs. 431.23 lakhs for the year ended 31st March, 2025 and not material to the Group. These financial statement and other financial information have not been audited by other auditors, which financial statements and other financial information have been furnished to us by the management. Our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of this joint venture, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid joint venture, is based solely on the information given by the management.

Our opinion above on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other independent auditors and Financial Information certified by the Board of Directors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, associate, joint venture and joint operations, as noted in the 'other matter' paragraph we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements;
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements;
 - d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025 taken on record by the Board of Directors of the Holding Company, none of the Directors of the Group's Companies and associate incorporated in India is disqualified on March 31,2025 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its associate company, incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure 1" to this report;
 - g) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the remuneration paid during the

year ended 31st March ,2025, by the Holding Company and its associate which is incorporated in India to its directors is in accordance with the provisions of Section 197 of the Act read with Schedule V of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associate, joint venture and joint operations, Refer Note 46 in its consolidated Ind AS financial statements.
 - ii. Provision has been made in the consolidated Ind AS financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts, if any in respect of such items as it relates to the Group, it's associate, joint venture and joint operations and the Group's share of Net profit/loss in respect of its associate.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its associate company incorporated in India during the year ended March 31, 2025.
 - iv.
 - a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company and associate incorporated in India to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the by the Holding Company and associate incorporated in India ("Ulti mate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the by the Holding Company and associate incorporated in India or from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the by the Holding Company and associate incorporated in India shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, performed by us and those performed by the auditor of the associate which are companies incorporated in india who financial statements have been audited under the act, nothing has come to our or other auditor's notice that has caused us or the other auditor's to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. As stated in Note 19(d) to the consolidated financial statements
 - a. The Final dividend proposed in the previous year, declared and paid by the Holding Company during the year is in accordance with Section 123 of the Act, as applicable.
 - b. The Board of Directors of the Holding Company have also proposed Final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
 - i. Based on our examination which included test checks, performed by us on the Holding Company and that performed by the respective auditors of the Associate which is a Company incorporated in India, have used accounting softwares for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of audit, we have not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Holding company and its associate company incorporated in India as per the statutory requirements for record retention.
2. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO"/ "the Order") issued by the Central Government in terms of Section 143(11) of the Act to be included in the Auditor's Report, according to the information and explanations given to us, and based on the CARO reports issued by us and the reports of the auditors of respective companies included in the consolidated financial statements to which reporting under CARO is applicable, as provided to us by the Management of the Holding company, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said respective companies included in the consolidated financial statements.

Annexure 1 to the Independent Auditor's Report of even date on the consolidated Ind AS financial statements of WPIL Limited

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of WPIL Limited as of and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting of WPIL Limited (hereinafter referred to as the "Holding Company") and its associate company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal financial control over financial reporting with reference to these consolidated Ind AS financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference to these consolidated Ind AS financial statements

A company's internal financial control over financial reporting with reference to these consolidated Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference to these consolidated Ind AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors, the holding company and its associate which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting with reference to these consolidated Ind AS financial statements and such internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements were operating effectively as at March 31, 2025, based on the criteria for internal financial controls over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of internal financial Controls over Financial reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025

1. Corporate information

WPIL Limited ('the Company') is a public Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company's registered office is at Trinity Plaza, 3rd Floor, 84/1A, Topsia Road (South) Kolkata – 700046. Its shares are listed on the BSE Limited in India.

The Company and its subsidiaries (collectively referred to as 'Group'), its associates and a joint venture are principally engaged in designing, developing, manufacturing, erecting, commissioning and servicing of pumps & pumping systems. The Group caters to both domestic and international markets.

These consolidated Ind AS financial statements were approved for issue by the Board of Directors on May 23, 2025.

2. Basis of preparation and compliance with Ind AS

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the consolidated financial statements.

The consolidated Ind AS financial statements have been prepared on a historical cost convention on accrual basis except for certain financial instruments which are measured in terms of relevant Ind AS at fair value / amortised costs at the end of each reporting period, as and wherever applicable.

The consolidated financial statements are presented in INR and all values are rounded to the nearest lacs (INR 00,000), except when otherwise indicated.

2.1 Basis of consolidation

The consolidated financial statements comprise the financial statements of the Group, its associates and a joint venture as at 31 March 2025. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights
- The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary.

Assets, liabilities, income and expenses of a subsidiary acquired or disposed off during the year are included in the

consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary.

Consolidation procedure:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intra-group losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary
- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in profit or loss
- Reclassifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

2.2 Summary of material accounting policies

The material accounting policy information related to preparation of consolidated financial statements have been discussed in the respective notes.

a. Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in Group's operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in Group's operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle for its Production Unit or Sale of Pumps and Pumping Systems. However, for construction contracts it varies according to the terms of the contract.

b. Foreign currencies

The financial statements are presented in INR, which is the Group's functional currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Group at their respective functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

c. Fair value measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

d. Non-Current Assets held for Sale

Non-Current Assets and Disposal Groups are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset (or disposal group) and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-Current assets and disposal group classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

e. Impairment of non-financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

The Group bases its impairment calculation on forecast calculations, which are prepared separately for each of the Group's CGUs to which the individual assets are allocated.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

An assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss.

f. Business combination

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognised in Profit and Loss or OCI, as appropriate.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration

transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognised at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through OCI.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in Profit and Loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

g. Investment in joint operations:

A joint operation is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the assets and obligations for the liabilities, relating to the arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

The Group has interest in certain joint operations, and accordingly, it recognizes in relation to its interest in joint operations, its:

- Assets, including its share of any assets held jointly
- Liabilities, including its share of any liabilities incurred jointly
- Revenue from the sale of its share of the output arising from the joint operation
- Share of the revenue from the sale of the output by the joint operation
- Expenses, including its share of any expenses incurred jointly

Unrealized gains and losses resulting from transactions between the Group and the joint operations are eliminated to the extent of the interest in the joint operation.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

3A : PROPERTY, PLANT AND EQUIPMENT (PPE)

Capital work in progress, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Land and buildings are measured at cost less accumulated depreciation on buildings and impairment losses, if any.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of the asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation is provided at rates calculated to amortize cost, less estimated residual value, of each asset on a straight line basis using the estimated useful lives of the assets in compliance with Schedule II of The Companies Act, 2013 (excepting for some assets as determined by management based on technical estimates) as follows -

Class of Assets	Useful Lives estimated by the management
Factory Buildings	30 years
Non-Factory Buildings	3 to 60 years
Plant and Equipment	10 to 40 years
Patterns and moulds	15 years
Furniture & Fixtures	10 years
Computers	3 to 6 years
Office Equipment	5 years
Vehicles	8 to 10 years

Depreciation on Property, Plant and Equipment added / disposed-off during the year is provided on pro-rata basis with reference to the date of addition/disposal. The management has estimated, supported by technical assessment by experts, the useful lives of certain property, plant and equipment which are different than those indicated in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Major inspection and overhaul costs are depreciated over the estimated life of the economic benefit derived from such cost. The carrying amount of the remaining previous overhaul cost is charged to the statement of profit and loss if the next overhaul is undertaken earlier than the previously estimated life of the economic benefit.

When significant spare parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

3B : GOODWILL AND OTHER INTANGIBLE ASSETS

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible assets with indefinite useful lives including Goodwill are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

Research and development costs

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Group can demonstrate:

- ◆ The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- ◆ Its intention to complete and its ability and intention to use or sell the asset
- ◆ How the asset will generate future economic benefits
- ◆ The availability of resources to complete the asset
- ◆ The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete, and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

During the period of development, the asset is tested for impairment annually.

3B : GOODWILL AND OTHER INTANGIBLE ASSETS

Intangible Assets consist of following:

(Rs. in Lacs)

Particulars	Goodwill	Development costs	Computer Software	Brands, Customer Lists & Licenses etc.	Total
At 1 April 2023	5,503.82	2,935.16	1,002.39	5,250.22	14,691.59

4A. INVESTMENT IN ASSOCIATES AND A JOINT VENTURE

Accounting Policy

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

The Group's investments in its associates and joint venture are accounted for using the equity method. Under the equity method, the investment in an associate or a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate or joint venture since the acquisition date. Goodwill relating to the associate or joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

The statement of profit and loss reflects the Group's share of the results of operations of the associates or joint venture. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the associate or joint venture are eliminated to the extent of the interest in the associate or joint venture.

If an entity's share of losses of an associate or a joint venture equals or exceeds its interest in the associate or joint venture (which includes any long term interest that, in substance, form part of the Group's net investment in the associate or joint venture), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture. If the associate or joint venture subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Group's share of profit or loss of associates and a joint venture is shown on the face of the statement of profit and loss.

The financial statements of the associates or joint venture are prepared for the same reporting period as the Group. When necessary, adjustments are made to bring the accounting policies in line with those of the Group.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its associates or joint venture. At each reporting date, the Group determines whether there is objective evidence that the investment in the associates or joint venture is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the associates or joint venture and its carrying value, and then recognises the loss as 'Share of profit of associates and a joint venture' in the statement of profit or loss.

Upon loss of significant influence over the associates or joint control over the joint venture, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associates or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

The Investment in Associates and a Joint Venture consist of following:

4B. FINANCIAL INSTRUMENTS

Accounting Policy

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in Note 34 - Revenue from contracts with customers.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent Measurement

Subsequent measurement of financial assets is described below -

◆ Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Group. After initial measurement, such financial assets are subsequently measured at

amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

◆ Debt instruments at fair value through other comprehensive income (FVTOCI)

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

◆ Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

◆ Equity instruments measured at fair value through other comprehensive income (FVTOCI)

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income, subsequent changes in the fair value. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to the Statement of Profit and Loss, even on sale of investment. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily derecognised (i.e. removed from the Group's balance sheet) when:

- ◆ The rights to receive cash flows from the asset have expired, or
- ◆ The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115
- c) Financial guarantee contracts which are not measured as at FVTPL

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original Effective Interest Rate (EIR). Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. This amount is reflected under the head 'other expenses' (or 'other income') in the Statement of Profit and Loss.

10. INVENTORIES

Accounting Policy

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials and components: cost includes cost of purchase and other costs excluding taxes subsequently recoverable from tax authorities incurred in bringing the inventories to their present location and condition. The cost is calculated on weighted average method.
- Finished goods: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. The cost is calculated on weighted average method.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

- Work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity depending upon the stages of completion, but excluding borrowing costs. The cost is calculated on weighted average method.
- Stores and spare parts: cost of purchase and other costs excluding taxes subsequently recoverable from tax authorities incurred in bringing the inventories to their present location and condition. The cost is calculated on weighted average method.
- Scrap items are valued at net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

13. CASH AND CASH EQUIVALENTS

Accounting Policy

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Group's cash management.

Cash and Cash Equivalents consist of following:

(Rs. in Lacs)

	As at 31st March, 2025	As at 31st March, 2024
CASH AND CASH EQUIVALENTS - CURRENT		
Balances with Banks:		
On current accounts	11,773.73	41,916.89

At the end of the year	97,67,080	976.71

(d) Terms and Rights attached to Equity Shares

Each holder of equity shares is entitled to one vote per share. The Parent Company declares and pays dividend in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders at the ensuing Annual General Meeting and is accounted for in the year in which it is approved by the Shareholders in the General Meeting.

In the event of liquidation of the Parent Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company after distribution of all preferential amounts. The distribution will be in the proportion to the number of equity shares held by the shareholders.

In its Meeting dated 23rd May, 2025, the Board of Directors of the Parent Company have proposed a final dividend of Rs. 2/- per equity share of Face Value of Re. 1/- for the financial year ended 31st March, 2025 (31st March, 2024: Rs. 20/- per equity share of Face Value of Re. 10/-). The proposal of Final Dividend payable is subject to the approval of shareholders at the forthcoming Annual General Meeting and if approved would result in a cash outflow of Rs. 1,953.42 lacs (31st March, 2024: Rs. 1,953.42 lacs). Dividend is accounted for in the year in which it is approved by the shareholders and paid.

Nature and Purpose of Reserves
Capital Reserve

(Reserve created on reissue of forfeited Shares. This can be utilized in accordance with the provisions of The Companies Act, 2013)

Capital Redemption Reserve

(This is a non distributable Reserve created on account of restatement of certain Investments)

Securities Premium

(Premium received on issue of Equity Shares. This Reserve can be utilized in accordance with the provisions of The Companies Act, 2013)

General Reserve

(This Reserve is a part of Retained Earnings and is available for distribution to the Shareholders as Free Reserve)

Retained Earnings

(Retained Earnings are profits that the Company has earned till date, less any transfer to General Reserve, Dividends or Other distributions paid to Shareholders. It also includes Revaluation Reserve transferred on the date of transition)

21. BORROWINGS
Accounting Policy
Financial Liabilities
Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Details of Non-Current Borrowings are as provided below:

	As at 31st March, 2025	(Rs. in Lacs) As at 31st March, 2024

Notes:

1. Property Loan of Parent Company of Rs. 738.13 Lacs (31st March, 2024: Rs. 1,078.51 Lacs) is secured by mortgage of Office Space acquired at Salt Lake, Sector V, Kolkata, India, repayable in remaining 9 (31st March 2024: 13) installments ending on 28th May, 2027 and bears interest of 8.50% p.a.
2. Vehicle Loan of Rs. 131.53 Lacs (31st March, 2024: Three Vehicle Loans each of Rs. 6.97 Lacs, Rs. 2.28 Lacs and Rs. 27.93 Lacs), availed by the Parent Company are secured by hypothecation of the vehicles purchased there against. The said loan carries interest @ 9.75% p.a. (31st March, 2024: 6.80%, 8.60% and 10.00% p.a. respectively) and is repayable in remaining 48 installments (31st March 2024: 25, 9 and 3 respectively).
3. Unsecured term loan from banks of Rs. 5,839.06 lacs (31st March 2024: Rs. 2,936.40 lacs) taken by two step down subsidiaries (31st March, 2024: One) carry floating interest rate between Euribor 3 months plus 1.50% to Euribor 3 months plus 1.75% (31st March 2024: Euribor 3 months plus 1.50% to Euribor 3 months plus 1.90%) or fixed rate of 2.95% (31st March, 2024: NIL) and is repayable by 2030 in installments aggregating to Rs. 2,577.16 Lacs in 2025-2026, Rs. 2,637.39 Lacs in 2026 - 2027 and balance Rs. 624.51 Lacs during 2028-2030.

22. LEASE LIABILITY**Accounting Policy**

Ind AS 116 supersedes Ind AS 17 Leases including its appendices. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the balance sheet.

The Group has adopted Ind AS 116 using the modified retrospective method of adoption under the transitional provisions of the Standards, with the date of initial application on 1st April 2019. The Group also elected to use the recognition exemptions for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option (short-term leases), and lease contracts for which the underlying asset is of low value (low-value assets).

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in section 2.2(e) Impairment of non-financial assets.

Lease Liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of offices, warehouses, equipments, etc., that are of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Group as a lessor

Lessor accounting under Ind AS 116 is substantially unchanged from Ind AS 17. Lessors will continue to classify leases as either Operating or Finance Leases using similar principles as in Ind AS 17. Therefore, Ind AS 116 does not have an impact for leases where the Group is the Lessor.

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Lease Liability - Non-Current consist of the following:

	As at 31st March, 2025	(Rs. in Lacs) As at 31st March, 2024
LEASE LIABILITY - NON - CURRENT		
Lease Liability (Refer Note 54)	1,932.97	1,037.50
TOTAL	1,932.97	1,037.50

23. OTHER FINANCIAL LIABILITIES - NON-CURRENT

At amortised cost

	As at 31st March, 2025	(Rs. in Lacs) As at 31st March, 2024
Other Financial Liabilities	223.62	92.35
TOTAL	223.62	92.35

24. PROVISIONS**Accounting Policy**

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Warranty provisions

Provisions for warranty-related costs are recognised on the basis of product sold or service provided to the customer. Initial recognition is based on historical experience and management's decision is based on technical advice. The initial estimate of warranty-related costs is revised annually.

Onerous contracts

If the Group has a contract that is onerous, the present obligation under the contract is recognised and measured as a provision. However, before a separate provision for an onerous contract is established, the Group recognises any impairment loss that has occurred on assets dedicated to that contract.

An onerous contract is a contract under which the unavoidable costs (i.e., the costs that the Group cannot avoid because it has the contract) of meeting the obligations under the contract exceed the economic benefits expected to be received under it. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the cost of fulfilling it and any compensation or penalties arising from failure to fulfil it.

Retirement and other employee benefits

Retirement benefit in the form of Provident Fund and Superannuation Schemes are defined contribution schemes. The Group has no obligation, other than the contribution payable to the respective funds. The Group recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service.

If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Gratuity liability is funded defined benefit obligation and is provided for on the basis of actuarial valuation done on projected unit credit method at the end of each reporting period.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods. Current and non-current classification is based on the actuarial valuation report.

The Group treats accumulated leaves expected to be carried forward beyond twelve months, as long term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the end of each financial year. The Group presents the leave as current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement beyond 12 months after the reporting date. Where the Group has unconditional legal and contractual right to defer the settlement for the period beyond 12 months, the same is presented as non-current liability. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

The details of Provisions - Non-Current are as follows:

TOTAL	2,028.26	1,770.91

25. INCOME TAXES

Accounting Policy

Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except, when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except, when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Group determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty. The Group applies significant judgement in identifying uncertainties over income tax treatments.

Provision for Income Tax (Net of Advance Tax)	7,577.38	4,293.83
TOTAL	7,577.38	4,293.83

34. REVENUE FROM OPERATIONS

Accounting Policy

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services. The Group has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

Sale of goods

Revenue from sale of goods is recognised at the point in time when control of the goods is transferred to the customer. The revenue is measured based on the consideration defined in the contract with a customer, net of variable consideration on account of various discounts and schemes offered by the Group as part of the Contract. As the period between the date on which the Group transfers the promised goods to the customer and the date on which the customer pays for these goods is generally one year or less, no financing components are considered.

The Group typically provides warranties for general repairs on all its products sold, in line with the industry practice. These assurance-type warranties are accounted for under Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets. Refer to the accounting policy on warranty provisions in Note 24.

Export entitlements are recognised when the right to receive the credits as per the terms of the schemes is established in respect of the exports made by the Group and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

The Group recognizes revenue on satisfaction of performance obligation to its customer. Revenue is measured based on the consideration specified in a Contract with a Customer and excludes taxes collected on behalf of the government authorities.

Construction Contracts

Revenue on contracts is recognised using input method where revenue is accounted on the basis of the entity's efforts or inputs to the satisfaction of a performance obligation relative to the total expected inputs to the satisfaction of that performance obligation (in accordance with Percentage of Completion method) as per Ind AS 115.

The amount of revenue and profit recognised in a year on projects is dependent, inter alia, on the actual costs incurred, the assessment of the percentage of completion of (long-term) contracts and the forecasted contract revenue and costs to complete of each project. Furthermore, the amount of revenue and profit is influenced by the valuation of variation orders and claims.

In cases, where the current estimates of the total contract cost and revenue indicate a loss, such loss is recognized as an expense.

Contract Balances

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in Note 4B - Financial instruments – initial recognition and measurement.

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract.

Rendering of services

Revenue from sale of services is recognised upon the rendering of services and are recognised net of goods and service tax and other applicable taxes.

Interest income

Interest income is included in other income in the statement of profit and loss. Interest income is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate when there is a reasonable certainty as to realisation.

Dividends

Revenue is recognised when the Group's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group and the amount of dividend can be measured reliably.

Rental income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss due to its operating nature.

	1,79,371.27	1,65,278.69

For revenue disaggregated based on operating and geographical information, refer note 55

Performance Obligation

Sale of Products

The performance obligation is recognised at the point in time when control of the goods - pumps, pumping systems and spares is transferred to the customer and the payment is generally due within 30 to 90 days from such delivery.

Sale of Services

The performance obligation is satisfied over-time and payment is generally due upon completion of erection, commissioning and servicing services by the Group and its due acceptance by the customer.

Construction Contracts

The performance obligation is satisfied over-time and calculated based on percentage completion method when the outcome of the contract can be estimated reliably. Payment is generally based on financial milestones as per terms set out in the contract and its due acceptance by the customer.

TOTAL	22,933.30	20,299.40

39. BORROWING COSTS

Accounting Policy

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Finance Costs consist of the following:

		(Rs. in Lacs)
	Year ended 31st March, 2025	Year ended 31st March, 2024

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

42. Earnings Per Share (EPS)

Accounting Policy

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The following reflects the profit and share data used in the basic and diluted EPS computations:

Particulars	Year ended 31st March, 2025	Year ended 31st March, 2024
Profit attributable to Equity Holders of the Parent		
- From continuing operations before tax on discontinued operations of Prior Year (Rs. In Lacs)	17,516.26	17,305.92
- From Tax on discontinued operations of Prior Year (Rs. In Lacs)	(4,338.80)	-
- From discontinued operations (Rs. In Lacs)	24.80	30,195.87
Total Profit attributable to equity holders of the Parent (Rs. In Lacs)	13,202.26	47,501.79
Face Value per share (Rs.) *	1.00	1.00
Weighted average number of equity shares *	976,70,800	976,70,800
Basic & Diluted Earnings per Share from continuing operations before tax on discontinued operations of Prior Year (Rs.)	17.93	17.71
Basic & Diluted Earnings per Share from continuing operations after tax on discontinued operations of Prior Year (Rs.)	13.49	17.71
Basic & Diluted Earnings per Share from discontinued operation (Rs.)	0.03	30.92
Basic & Diluted Earnings per Share from continuing operations and discontinued operation (Rs.)	13.52	48.63

* Consequent upon share split of the Parent Company during the year, the Earnings per share for the prior period have been restated considering the face value of Re. 1/- each in accordance with Ind AS 33 'Earnings per share'.

43.43.1 Significant accounting judgements, estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

43.2 Employee benefit plans

Gratuity: The cost of defined benefit gratuity plan and its present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increase and mortality rates. Due to the complexities involved in the valuation and its long-term nature, an employee benefit obligation is highly sensitive to changes in these assumptions particularly the discount rate and estimate of future salary increase. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for

plans operated in India, the management considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases are based on expected future inflation rates.

Further details about gratuity obligations are given in Note 44.1.

Leave Encashment: The Parent Company has a policy on Leave Encashment which is accumulating in nature. The Expected Cost of Accumulated Leave Encashment is determined by Actuarial Valuation performed by an independent actuary using Project Unit Credit Method as per Ind AS 19 on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the Balance Sheet date.

Further details about leave encashment obligations are given in Note 44.2.

The Code on Social Security 2020 has been enacted, which may impact the employee related contributions made by the Parent Company. The effective date from which the changes are applicable is yet to be notified. The Ministry of Labour and Employment has released draft rules for the Code on November 13, 2020. The Parent Company will complete its evaluation and will give appropriate impact in its financial statements in the period in which the Code becomes effective and the related Rules are published.

43.3 Warranty

Warranty costs are accrued at the time the products are sold. The Group estimates the provision for warranty based on past trend of actual sale of pumps. As at 31st March, 2025, the estimated liability towards warranty amounted to approximately Rs. 612.32 lacs (31st March, 2024: Rs. 603.33 lacs)

43.4 Estimation of expected useful lives and residual values of property, plant and equipment

Property, plant and equipment are depreciated at historical cost using straight-line method based on the estimated useful life, taking into account residual value. The asset's residual value and useful life are based as per policy stated in note 3A of these Financial Statements.

43.5 Revenue from Construction Contracts

Contract Revenue is recognised under 'percentage of completion method'. When the outcome of a construction contract can be estimated reliably contract revenue and contract costs associated with the construction contracts are recognised as revenue and expenses respectively by reference to the stage of completion of the contract activity.

Individual project budgets are reviewed regularly with project leaders to ensure that cost estimates are based upon upto date and as accurate information as possible, and take into account any relevant historic performance experience. Furthermore, all completed projects are reviewed to ensure that all relevant costs have been recorded/accrued at the time of project completion in the relevant period and that no further costs will be incurred in addition to the above costs.

Contract variations are recognized as revenues to the extent that it is probable that they will result in revenue which can be reliably measured, which requires the exercise of judgment by management based on prior experience, application of contract terms and relationship with the contract owners. Claims are recorded as revenues when negotiations have reached to an advance stage such that it is probable, the customer will accept the claim and amount can be measured reliably, which requires the exercise of judgment by management based on prior experience.

For further details, Refer Note 56.

43.6 Provision for Expected Credit Losses

The Group measures Expected Credit Loss (ECL) for financial instruments based on historical trend, industry practices and the business environment in which the Group operates. The Group bases the estimates on the ageing and credit-worthiness of the receivables and historical write-off experience and variation in the credit risk on year to year basis. The assumptions and estimates applied for determining the provision for impairment are reviewed periodically. For further details refer note 50.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

43.7 Fair Value measurement of financial instruments

When the fair values of financial assets and liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair values are measured using valuation techniques including the discounted cash flow Model, which involves various judgements and assumptions.

43.8 Impairment of non financial assets (including intangible assets and goodwill)

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The carrying amounts of the Group's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the recoverable amounts of cash-generating units are determined based on value in use calculations. These calculations require the use of estimates such as discount rates and growth rates.

44. 44.1 Gratuity and other post-employment benefit plans

- a) The Parent Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service is entitled to gratuity on terms not less favourable than the provisions of The Payment of Gratuity Act, 1972. The scheme is funded with an insurance company in the form of qualifying insurance policy.

The following table summarises the components of net benefit expenses recognised in the Statement of Profit and Loss and the funded status and amounts recognised in the Balance Sheet for the post retirement benefit plans (Gratuity).

Statement of Profit and Loss

Net employee benefit expense recognized in the employee cost

(Rs. in Lacs)

Particulars	Year ended 31st March, 2025	Year ended 31st March, 2024
Current service cost	73.60	61.62
Interest cost (net)	48.93	31.31
Total	122.53	92.93

Other comprehensive income

(Rs. in Lacs)

Particulars	Year ended 31st March, 2025	Year ended 31st March, 2024
Expenses recognised in OCI

Actuarial gains / (losses)	—	—
Plan assets at the end of the year	—	—

The principal assumptions used in determining leave encashment obligations for the parent Company's plans are shown below:

Particulars	Year ended 31st March, 2025	Year ended 31st March, 2024
1. Discount rate	6.59%	6.97%
2. Mortality rate	100.00%	100.00%
3. Attrition rate	2.00%	2.00%
4. Salary Increment	5.00%	5.00%

The estimates of future salary increases considered in actuarial valuation takes account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

The basis of various assumptions used in actuarial valuation and their quantitative sensitivity analysis is as shown below :

(Rs. in Lacs)

Particulars	Year ended 31.03.2025		Year ended 31.03.2024	
Assumptions	Discount rate		Discount rate	
Sensitivity level	1% increase	1% decrease	1% increase	1% decrease
Defined benefit Obligation of Leave Encashment after change in assumptions	323.20	353.95	274.23	300.91

Particulars	Year ended 31.03.2025		Year ended 31.03.2024	
Assumptions	Future salary increase		Future salary increase	
Sensitivity level	1% increase	1% decrease	1% increase	1% decrease
Defined benefit Obligation of Leave Encashment after change in assumptions	355.71	321.42	302.48	272.66

45. The carrying amount of Goodwill as at 31st March, 2025 is Rs. 7,518.34 Lacs. Before the year end, the management has tested the carrying amount of goodwill for impairment. The management has also performed sensitivity analysis around the base assumptions and have concluded that no reasonable changes in key assumptions would cause the recoverable amount of the CGU to be less than the carrying value.

46. Contingent Liabilities and Capital Commitments

Accounting Policy

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. After making proper assessments it has been concluded that the Group is not required to recognize a contingent liability. However, the Group discloses its existence in the financial statements and makes such assessments regularly.

Following are the Contingent Liabilities and the Capital Commitments of the Group as at the year end:

(Rs. in Lacs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
a) Estimated amount of contract remaining to be executed on Capital Account and not provided for	2,539.30	—
b) Contingent liabilities not provided for in Financial Statements in respect of following:		
- Claims against the Group not acknowledged as debts	25.65	24.93
- Income Tax matters under appeal	2.06	62.91
- Excise Duty & Service Tax matters under dispute *	1,200.26	1,571.36
- Bank Guarantee outstanding	28,283.60	20,477.35
Total	32,050.87	22,136.55

* The above amount excludes penalty and interest on the demand.

47. Research and Development Expenses

Research and Development Expenses incurred by Parent Company relating to revenue nature aggregating to Rs. 197.39 lacs (31st March 2024: Rs 193.05 lacs) have been charged to respective heads of accounts in the Statement of Profit and Loss.

48. Group Information

Name	Country of Incorporation and operation	Proportion of Ownership/Interest

During the year ended 31st March, 2025, Sterling Pumps Pty Limited has further issued 8 Shares to Aturia International Pte. Ltd., consequent to which the Group's share in Sterling Pumps Pty Limited and its Subsidiary thereon, namely UCP Australia Pty Limited, has changed to 67.92%.

(&) WPIL SA Holdings Pty Limited has signed a Subscription Agreement for acquiring 55% shareholding in Paterson Candy International (SA) Pty Ltd on 7th February, 2025 subject to requisite regulatory approvals

@ Acquisition of Eigenbau Pty Limited ('Eigenbau SA')

On 8th October, 2024, the Step down Subsidiary, APE Pumps Pty Limited ("Acquirer") acquired 100% stake in Eigenbau SA ("Acquiree"), a medium sized Contracting Company providing turnkey solutions in the water and wastewater sector in the South African market. The Acquiree shares tremendous synergies with Acquirer and the Group's turnkey pumping business.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

The details of assets and liabilities acquired on acquisition of Acquiree are as under:-

Particulars	Rs. In Lacs
Total Assets (A)	1,384.54
Total Liabilities (B)	1,076.17
Net Assets acquired (A - B)	308.37
Purchase Consideration paid (Refer Note 2 below)	145.53
Capital Reserve	162.84

Note 1 : All the assets and liabilities acquired have been recorded at fair values as of acquisition date

Note 2 : The consideration was fully paid in cash and there is no contingent consideration asset or contingent consideration liability.

Note 3: The total revenues for the Acquiree for the period ended 31st March, 2025 was Rs. 2,052.49 Lacs and Net Profit after tax was Rs. 156.54 Lacs.

\$ Acquisition of MISA S.r.l. ('MISA Italy')

On 7th January, 2025, the Step down Subsidiary, Gruppo Aturia S.p.A ("Acquirer") acquired 100% stake in MISA Italy ("Acquiree"), a leading Italian Company in the business of large pumping station projects and supply of pumps and hydro trubines. Both the Acquirer and Acquiree have strong operational synergies and the acquisition shall strengthen the Group's competencies in supply of large pumps for water, irrigation and drainage.

The details of assets and liabilities acquired on acquisition of Acquiree are as under:-

Particulars	Rs. In Lacs
Total Assets (A)	4,330.43
Total Liabilities (B)	6,029.72
Net Assets acquired (A - B)	(1,699.29)
Purchase Consideration (Refer Note 2 below)	1,220.29
Goodwill (Refer Note 3 below)	2,919.58

Note 1 : All the assets and liabilities acquired have been recorded at fair values as of acquisition date

Note 2 : The Purchase Consideration includes a Contingent Consideration of Rs. 18.49 Lacs, payable to Sellers on achievement of requisite threshold, provision for which have been made in these Financial Statements. The consideration, except for Contingent Consideration, was fully paid in cash.

Note 3 : Goodwill recognized includes extensive experience of Acquiree in its business with a rich heritage dating back to 1901 and large reference list across Europe and North Africa

Note 4: The total revenues for the Acquiree for the period ended 31st March, 2025 was Rs. 704.28 Lacs and Net Loss after tax was Rs. 405.83 Lacs.

1. All the related party contracts/ arrangements / transactions during the Financial Year were in the ordinary course of business of the Group and on arm's length basis.
2. The amount of outstanding balances as shown above are unsecured and will be settled / recovered in cash.
3. The interest rates charged on loans given to related parties are as per market rates.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025(contd.)

50. Financial risk management objectives and policies

The Group's financial liabilities comprise loans and borrowings, trade and other payables etc. The main purpose of these financial liabilities is to finance the Group's operations. The Group's financial assets include trade and other receivables, cash and cash equivalents, that derive directly from its operations.

The Group is exposed to market risk, credit risk and liquidity risk. The Group has a risk management policy, and its management is supported by a Risk management committee. The Risk management committee provides assurance to the Group's management that the Group's risk activities are governed by appropriate policies and procedures and that the financial risks are identified, measured and managed in accordance with Group's policies and risk objectives. The Board of Directors review and agrees policies for managing each of these risks which are summarised below :

50.1 Market risks :

Market risk is the risk that the fair value of future cash flow of a future instrument will fluctuate because of changes in market prices. Market risk comprises of three types of risks, currency risk, interest rate risk and other price risk such as commodity price risk and equity price risk. Financial instrument affected by market risk include trade payables, trade receivables, borrowings etc.

50.2 Interest rate risk :

The Group's exposure to the risk of changes in market interest rates relate primarily to the Group's debt.

Interest rate sensitivity :

The following table demonstrates the sensitivity to a reasonable possible change in interest rates. With all other variables held constant, the Group's profit before tax is affected through the impact of floating rate as follows :

(Rs. in Lacs)

Particulars	Increase/decrease in basis points	Effect on profit before tax+/-
31st March, 2025	50 basis points	161.48
31st March, 2024	50 basis points	108.19

50.3 Foreign Currency Risk:

Foreign Currency Risk is the risk that the fair value or future cash flow of an exposure will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of change in the foreign exchange is detailed below :

(Rs. in Lacs)

Particulars	Currency	Increase/ decrease in basis points	Effect on profit before tax+/-	
			Year ended 31st March, 2025	Year ended 31st March, 2024
Trade payables	USD	50 basis points	0.87	(2.67)
Trade payables	EURO	50 basis points	0.16	—
Trade payables	SGD	50 basis points	—	(0.00)
Trade payables	GBP	50 basis points	0.36	(0.01)
Trade payables	AED	50 basis points	—	0.04
			1.39	(2.64)
Trade receivables	USD	50 basis points	2.85	2.13
Trade receivables	KWD	50 basis points	—	0.13
			2.85	2.26

50.4 Credit risk:

Credit risk is the risk that counterparty will not meet its obligation under a financial instrument or a customer contract leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables).

Trade receivables :

Customers' credit risk is managed by the respective department subject to Group's established policy, procedure and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits as defined by the Group. Simplified approach is applied to determine the expected credit loss for Trade and Other Receivables by considering historical credit loss experience and also specific identification method on a case to case basis taking into account customer's credit quality, prevailing market conditions etc. To calculate expected credit loss, the Parent Company has divided its Trade Receivables into two divisions viz Product Division and Project Division.

For Project Division, Receivables are from Government Departments and PSUs and hence expected credit loss is determined on Closing Balance of Trade Receivables (due) and Contract Assets at each reporting date at an average ranging from 0.25% to 2.25%

For Product Division, the Parent Company applied Simplified Approach recognising lifetime expected credit loss on Trade Receivables from the point of initial recognition. The Parent Company uses provision matrix under Simplified Approach. Thus, matrix estimates of ECL based on historical credit loss experience for the last three years are stated below:-

Particulars	Adjusted loss historical rate (%)
0 - 90 days	0.60
90 - 180 days	1.92
180 - 270 days	4.03
270 - 360 days	7.15
360 - 450 days	13.52
450 - 540 days	20.65
540 - 630 days	37.39
630 - 720 days	49.02
720 - 810 days	62.28
810 - 900 days	71.33
900 - 990 days	88.16
990 days & above	100.00

An impairment analysis is performed at each reporting date on an individual basis. The calculation is based on historical data of credit losses.

The ageing analysis of receivables (gross of provisions) has been considered from the date the invoice falls due.

(Rs. in Lacs)

Trade receivables	Within credit period	0-181 days	Less than 1 year	More than 1 year	Total
As at 31st March, 2025					
Unsecured	14,470.04	60,462.04	13,471.92	12,085.46	1,00,489.46
Less- Allowance for expected credit loss					2,889.31
Total					97,600.15

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

(Rs. in Lacs)

Trade receivables	Within credit period	0-181 days	Less than 1 year	More than 1 year	Total
As at 31st March, 2024					
Unsecured	12,952.07	65,994.88	6,266.23	3,468.86	88,682.03
Less- Allowance for Bad and Doubtful debtors					2,653.18
Total					86,028.85

The movement of Trade Receivables and Expected Credit Loss are as follows:

i) Trade Receivables

(Rs. in Lacs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Trade Receivables (Gross)	1,00,489.46	88,682.03
Allowance for Expected Credit Loss	2,889.31	2,653.18
Trade Receivables (Net)	97,600.15	86,028.85

ii) Allowance for expected credit loss on financial assets

(Rs. in Lacs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Trade Receivables	2,889.31	2,653.18
Unbilled Revenue	61.14	-

iii) Movement in the allowance for expected credit loss

(Rs. in Lacs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Balance at the beginning of the year	2,653.18	2,344.62
Less: Derecognition for Rutschi Business	—	(207.09)
Add: Addition on acquisition	168.41	—
Add: Movement in expected credit loss related to Unbilled Revenue	61.14	—
Add: Movement in expected credit loss related to Trade Receivables	212.36	721.47
Less: Utilized during the year	(184.39)	(220.00)
Add: Foreign Exchange Effect	39.76	14.18
Balance at the end of the year #	2,950.45	2,653.18

Credit Risk involvement is low since customer base is large and unrelated.

iv) Ageing of expected credit loss as of 31st March, 2025

(Rs. in Lacs)

Ageing	Gross carrying amount	Expected credit loss allowance	Net carrying amount
Within credit period	14,470.04	-	14,470.04
Less than 6 months	60,462.04	182.34	60,279.70
6 months to 1 year	13,471.92	142.79	13,329.13
1 to 2 years	7,561.50	351.15	7,210.36
2 to 3 years	2,829.35	815.89	2,013.46
More than 3 years	1,694.60	1,397.14	297.46
Total	1,00,489.46	2,889.31	97,600.15

50.5 Liquidity risk :

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligation or at a reasonable price. The Group's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are monitored by Group's senior management. Management monitors the Group's net liquidity position through rolling forecast on the basis of Group's expected cash flow.

The Group's objective is to maintain a balance between the continuity of funding and flexibility through the use of cash credit, bank loans amongst others.

Maturity profile of Financial Liabilities :

The table below provides details regarding remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscovered payments :

(Rs. in Lacs)

Financial liabilities	0-1 year	More than 1 Year	Total
As at 31st March 2025 :			
- Borrowings (including current maturities and interest payable in future)	40,313.44	3,844.82	44,158.27
- Lease Liability	626.68	1,932.97	2,559.65
- Trade payables	41,632.23	-	41,632.23
- Other financial liabilities	3,021.53	223.62	3,245.15
- Total	85,593.88	6,001.41	91,595.30

(Rs. in Lacs)

Financial liabilities	0-1 year	More than 1 Year	Total
As at 31st March 2024 :			
- Borrowings (including current maturities and interest payable in future)	18,140.20	2,799.94	20,940.14
- Lease Liability	347.92	1,037.50	1,385.42
- Trade payables	45,907.84	-	45,907.84
- Other financial liabilities	2,211.02	92.35	2,303.37
- Total	66,606.98	3,929.79	70,536.77

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

51. Details of dues to Micro, Small and Medium Enterprises as defined under MSMED ACT, 2006

(Rs. in Lacs)

Particulars	Year ended 31st March, 2025	Year ended 31st March, 2025
The Principal amount and the interest due thereon remaining unpaid to any Supplier as at the end of each accounting year		
- Principal amount due	2,475.13	1,502.95
- Interest due on above	10.14	3.46
Total	2,485.27	1,506.41
The amount of interest paid by the Buyer in terms of Section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the Supplier beyond the appointed day during each accounting year.	—	—
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	10.14	3.46
Amount of interest accrued and remaining unpaid at the end of each accounting year	13.60	3.46
The amount of further interest remaining due and payable in the succeeding year, until such date when the interest dues as above are actually paid to the Small Enterprise, for the purpose of disallowance as deductible expenditure under Section 23 of MSMED Act, 2006.	—	—

(Rs. in Lacs)

52. Capital management

For the purpose of Group's capital management, capital includes issued equity capital and all other equity reserves attributable to equity holders. The primary objective of the Group's capital management is to maximise the shareholder value and keep the debt equity ratio within acceptable range.

The Group manages its capital structure and makes adjustment in the light of changes in economic conditions and the requirement of financial covenants. The Board of Directors seeks to maintain prudent balance between different components of the Group's capital. Net debt is defined as current and non current borrowings (including current maturities of long term debts and interest accrued) as reduced by cash and cash equivalents.

Particulars	As at 31st March, 2025	As at 31st March, 2024
Net Debt (Rs. In lacs)	32,129.87	(22,906.55)
Total equity (Rs. In lacs)	1,67,451.80	1,55,632.96
Net debt Plus Total equity (Rs. In lacs)	1,99,581.67	1,32,726.41
Gearing ratio	0.19	(0.15)

(Rs. in Lacs)

53. Categorization of Financial Instruments:

The fair value of the financial assets (other than investment in Joint Venture and Associate) and liabilities approximates their carrying amounts as at the Balance Sheet date.

54. Leases

Group as Lessee

The Group has lease contracts for various properties used in its operations having lease terms of 5 years. The Group's obligations under its leases are secured by the lessor's title to the leased assets. Generally, the Group is restricted from assigning and subleasing the leased assets.

The Group also has certain leases of properties with lease terms of 12 months or less and leases of properties with low value. The Group applies the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases.

Set out below are the carrying amounts of Lease Liabilities recognized and the movements during the year

(Rs. in Lacs)

	Year ended 31st March, 2025	Year ended 31st March, 2024
As at 1st April	1,385.42	3,157.02
Derecognition for Rutschi Business	—	(1,420.66)
Additions during the year	1,870.81	444.98
Accretion of Interest	147.02	77.59
Payments	(877.30)	(886.69)
Exchange rate effect	33.70	13.18
As at 31st March	2,559.65	1,385.42

The maturity analysis of Lease Liabilities are disclosed in Note 50

For the Parent Company the effective interest rate for Lease Liabilities is 8% with maturity in June, 2030. For one of the Subsidiary Company the effective interest rate for Lease Liabilities is 2.5%.

The following are the amounts recognised in the Statement of Profit & Loss

(Rs. in Lacs)

	Year ended 31st March, 2025	Year ended 31st March, 2024
Depreciation Expense of Right-of-Use Assets	752.95	720.49
Interest Expense on Lease Liabilities	147.02	77.59
Expense relating to Other Leases (included in Other Expenses)	1,122.11	621.50
Total amount recognized in Statement of Profit & Loss	2,022.08	1,419.58

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

Group as Lessor

The Parent Company has entered into operating lease of its property having lease term of 11 months. The lease contract includes extension clause and a clause to enable upward revision of the rental charge by 5% on such extension. Rental income recognised by the Parent Company during the year is Rs 74.30 lacs (Rs 59.07 lacs during the year ended March 31, 2024).

55. Disclosure as required by Ind AS 108, Operating Segments

Accounting Policy

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of the segment. Revenue, expenses, assets and liabilities which are not allocable to segments on a reasonable basis, are included under "Unallocated revenue/ expenses/ assets/ liabilities". The Group has identified only two operating segments viz, "Pumps and its accessories" and "Projects (Works Contract)".

The analysis of geographical segments is based on the areas in which customers of the Group are located.

Segment accounting policies are in line with the accounting policies of the Group. In addition, the following specific accounting policies have been followed for segment reporting:

- i) Segment revenue includes sales and other operational revenue directly identifiable with/allocable to the segment including inter segment revenue.
- ii) Expenses that are directly identifiable with/allocable to segments are considered for determining the segment result.
- iii) Most of the centrally incurred costs are allocated to segments mainly on the basis of their respective expected segment revenue estimated at the beginning of the reported period.
- iv) Income which relates to the Group as a whole and not allocable to segments is included in "unallocable corporate income/ (expenditure)(net)".
- v) Segment result includes margins on inter-segment capital jobs, which are reduced in arriving at the profit before tax of the Group.
- vi) Segment result includes the finance costs incurred on interest bearing advances with corresponding credit included in "unallocable corporate income/(expenditure)(net)".
- vii) Segment results have not been adjusted for the exceptional item attributable to the corresponding segment. The said exceptional item has been included in "unallocable corporate income/(expenditure)(net)". The corresponding segment assets have been carried under the respective segments without adjusting the exceptional item.
- viii) Segment revenue resulting from transactions with other business segments is accounted on the basis of transfer price which are either determined to yield a desired margin or agreed on a negotiated basis.
- ix) Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable corporate assets and liabilities represent the assets and liabilities that relate to the Group as a whole.
- x) Segment non-cash expenses forming part of segment expenses includes the fair value of the employee stock options which is accounted as employee compensation cost and is allocated to the segment.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

Movement in advance from Customers	(366.56)	(721.09)
Exchange rate effect	(35.37)	187.79
Closing Balance	19,400.29	24,781.37

(i) **Significant changes in contract assets and liabilities**

Contract assets are initially recognized for revenue earned from designing, developing, manufacturing, erecting, commissioning and servicing of pumps & pumping systems as receipt of consideration is conditional on successful completion of prescribed milestones. Upon completion and acceptance by the customer, the amounts recognized as contract assets are reclassified to trade receivables.

The increase in contract assets in FY 2024-25 is the result of the increase in ongoing supply, erection and commissioning services at the end of the year.

Contract liabilities include advances received/advanced billing majorly in connection with supply, erection and commissioning services of pumps and pumping systems. The outstanding balances of these accounts decreased in FY 2024-25 by Rs. 5,014.52 Lacs.

Other than above, there was decrease in advance received from customers during the year amounting to Rs. 366.56 Lacs.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

(ii) Revenue recognised in relation to contract liabilities

The following table shows the amount of revenue recognised in the current reporting period which relates to carried-forward contract liabilities : (Rs. in Lacs)

Particulars	Year ended 31st March, 2025	Year ended 31st March, 2024
Amounts included in contract liabilities at the beginning of the year	14,880.49	13,138.89

(iii) Unsatisfied performance obligations

The following table shows unsatisfied performance obligations resulting from construction contracts - (Rs. in Lacs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Transaction price allocated to unsatisfied performance obligations		
- Within one year	1,15,396.80	1,18,848.64
- More than one year	86,124.78	1,41,488.70
	<u>2,01,521.58</u>	<u>2,60,337.34</u>

The Group expects that about 50% of the transaction price allocated to unsatisfied performance obligations as at 31st March, 2024 will be recognized within one year based on the tenure of the project and expected work completion stage. Balance portion is expected to be received after one year without any significant delay

Other than construction contracts, all other contracts have original expected duration of one year or less. As permitted under Ind AS 115, transaction price allocated to these unsatisfied contracts has not been disclosed.

57. a) The consolidated Ind AS financial statements include the Group's share of net gain of Rs. 431.23 lacs for the year ended 31st March, 2025 in respect of a joint venture and a step down subsidiary, whose financial statements and other financial information have not been audited and whose unaudited financial statements and other financial information have been certified by the management of the Parent Company.
- b) The financial statements and other financial information, in respect of two (2) direct subsidiaries, one (1) subsidiary of Sterling Pumps Pty Limited, three (3) subsidiaries of Aturia International Pte Limited (AIPL), one (1) subsidiary of Gruppo Aturia Sp.A, two (2) subsidiaries of WPIL SA Holdings Pty Limited, one (1) subsidiary of APE Pumps Pty Limited, whose financial statements include total assets of Rs.1,44,583.11 lacs as at 31st March, 2025, total revenues of Rs. 67,872.72 lacs, total net profit after tax (including tax on discontinued operations of earlier year) of Rs.(2,551.23) lacs and total comprehensive income of Rs. (533.99) lacs and net cash outflows of Rs. 30,576.17 lacs for the year ended on that date, have been audited by other auditors, whose financial statements, other financial information and auditor's reports have been furnished by the management of the Parent Company. Further, the financial statements and other financial information, in respect of one (1) associate, whose financial statements reflect net gain of Rs. 396.02 Lacs and total comprehensive income of Rs. 396.02 Lacs for the year ended 31st March, 2025 have been audited by other auditor, whose financial statements, other financial information and auditor's report have been furnished by the management of the Parent Company.
58. The consolidated Ind AS financial statements include figures for five (31st March 2024 : five) joint operations whose financial statements include total assets of Rs. 7,968.32 lacs and Rs. 8,257.76 lacs as at 31st March, 2025 and 31st March, 2024 respectively, and total revenues of Rs. 2,587.86 lacs and Rs. 3,600.01 lacs, total net profit of Rs. Nil and Rs. Nil, total comprehensive income of Rs. Nil and Rs. Nil, and net cash inflows of Rs. 0.08 lacs and Rs. 11.23 lacs for the year ended 31st March, 2025 and 31st March, 2024 respectively, as considered in the audited financials which have been reviewed by their respective other auditors.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

59. Distribution of Dividend (Rs. in Lacs)

Particulars	Year ended 31st March, 2025	Year ended 31st March, 2024
Dividend on Equity shares declared and paid :		
Final Dividend for the year ended 31st March, 2024: Rs. 2.00/- per share of Face Value of Re. 1.00/- per share (31st March, 2023: Rs. 20.00/- per share of Face Value of Rs. 10.00/- per share and Interim Dividend paid for the year ended 31st March, 2024: Rs. 20.00/- per share of Face Value of Rs. 10.00/- per share) (Refer Note 42)	1,953.42	3,906.83
	1,953.42	3,906.83
Proposed Dividend on Equity Shares :		
Proposed Final Dividend for the year ended 31st March, 2025: Rs. 2.00/- per share having Face Value of Re. 1.00/- (31st March, 2024: Rs. 20.00/- per share having Face Value as Rs. 10.00/-)	1,953.42	1,953.42
	1,953.42	1,953.42
This proposed dividend is subject to the approval of shareholders in the ensuing Annual General Meeting		

60. The Step down Subsidiary, Gruppo Aturia S.p.A, has paid/provided tax amounting to Rs. 7,051.52 Lakhs during the year, shown as ‘Tax on Discontinued Operations (prior year) under the head Tax Expense in accordance with Ind-AS 12, for Sale of Equity Interest in Pompes Rutschi SAS and Rutschi Fluid AG based on the outcome of Advance Ruling and in order to avoid any potential exposure of penalties, though it considers that it is eligible for the Capital Gains 95% exempt (‘PEX Regime’) and will submit formal requests for reimbursement of the taxes paid before to proceed in front of Italian Tax Court.

Building on Leasehold Land - Mody Industries (F.C.) Private Limited - Hindusthan Udyog Limited	19.09 621.75	21.04 642.76
Whether Title Deed Holder is a Promoter/Director/Relative of Promoter/Director or an Employee	No	
Property held since - Mody Industries (F.C.) Private Limited - Hindusthan Udyog Limited	01-Apr-17 31-Mar-23	01-Apr-17 31-Mar-23
Reason for not being held in the name of Parent Company		
- Mody Industries (F.C.) Private Limited	The Parent Company acquired Land pursuant to Scheme of Merger and necessary steps are being taken for change of name from Transferor Company to Transferee Company	
- Hindusthan Udyog Limited	The Parent Company has acquired the said Land on 31st March, 2023 and necessary steps are being taken for early registration thereof.	

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2025 (contd.)

- ii) Loans and advances in the nature of loans granted to Promoters, Directors, KMPs and the Related parties (as defined in the Companies Act, 2013) (Rs. in Lacs)

Borrower Name	As at 31st March 2025		As at 31st March 2024	
	Amount	% to total	Amount	% to total
Related Parties				
Amanzi Phampa Consultants Pty Limited	1,487.10	99.63%	1,413.15	99.63%
CDR Contracts Pty Limited	2.79	0.19%	2.65	0.19%
	1,489.89	99.81%	1,415.80	99.81%

(iii) Borrowings secured against Current Assets:-

The Parent Company has been sanctioned Working Capital Loans from Banks on the basis of security of Current Assets and Property, Plant & Equipment. There are no material differences in Quarterly Returns filed with such Banks and the books of accounts of the Parent Company

(iv) Relationship with Struck off Companies

There are no transactions outstanding of the Parent Company with Companies struck off under Section 248 of the Companies Act, 2013/Section 560 of the Companies Act, 1956 as on the Balance Sheet date.

v) Ratios :

Particulars	Numerator	Denominator	As at 31st March, 2025	As at 31st March, 2024
Current Ratio (in times)	Current Assets	Current Liabilities	1.68	1.91
Debt Equity Ratio (in times)	Borrowings+ Lease Liabilities	Total Equity	0.28	0.14
Debt Service Coverage Ratio - DSCR (in times)	Net Profit after tax + Interest + Depreciation + (Profit)/Loss on sale of Fixed Assets	Interest & Lease Payments + Principal Repayments	1.83	6.32
Return on Equity Ratio (%)	Net Income	Average Total Equity	8%	55%
Inventory Turnover Ratio (in times)	Revenue from Operations	Average Inventory	4.86	4.68
Trade Receivables Turnover Ratio (in times)	Revenue from Operations	Average Trade Receivables	1.97	2.24
Trade Payables Turnover Ratio (in times)	Net Purchase	Average Trade Payables	2.47	2.08
Net Capital Turnover Ratio (in times)	Net Annual Sales	Working Capital	2.27	1.82
Net Profit Ratio (%)	Net Profit for the year	Turnover	7%	41%
Return on Capital Employed (%)	EBIT	Capital Employed (Networth-Goodwill - Other Intangible Assets+Borrowings +Lease Liability + Deferred Tax Liability)	15%	46%
Return on Investments (%)	Income generated from invested fund	Average invested fund	33%	25%

Notes

- a) Increase in Debt Equity Ratio is on account of increase in the Borrowings during the year.
- b) Reduction in Debt Service Coverage Ratio is due to last year profit inclusive of Profit on disposal of Discontinued Operation
- c) Decrease in Return on Equity Ratio is due to last year profit inclusive of Profit on disposal of Discontinued Operations.
- d) Decrease in Net Profit Ratio is due to last year profit inclusive of Profit on disposal of Discontinued Operations.
- e) Decrease in Return on Capital Employed is due to last year profit inclusive of Profit on disposal of Discontinued Operations.
- f) Increase in Return on Investments is due to higher profits from associates and joint venture in the current year.
- g) Other than above, there was no change exceeding 25% in the ratios reported above

vi) Other additional regulatory information not stated here, as these are not applicable to the Group.
