FOR THE FINANCIAL YEAR ENDED 31ST MARCH,
2020

(Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To
The Members
Colorchips New Media Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Colorchips New Media Limited** bearing CIN: L74110TG1985PLC051404 (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit and as per the explanations given to me and the representations made by the Management, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2020 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

1. I have examined the books, papers, minute books, forms and returns filed and other records made available to me and maintained by the Company for the financial year ended

on March 31, 2020 according to the applicable provisions of:

- i. The Companies Act, 2013 ('the Act') and the rules made thereunder.
 - ii. The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under;
 - iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
 - iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
 - v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
2. Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company under the financial year under report:-

 - g. The Indian Boilers Act, 1923
 - h. The Explosives Act 1983
 - i. Manufacture Storage and Import of Hazardous Chemical Rules, 1989
 - j. Public Liability Insurance Act, 1991

4. I have also examined compliance with the Secretarial Standards issued by the Institute of Company Secretaries of India.

The above laws as may be applicable to the Company are based on the Compliance Certificate issued by the Managing Director and submitted to the Board of Directors of the Company. During the Audit Period under review and as per the explanation and clarifications given to me and the representations made by the Management, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above except *that*:

- *the Company has not filed Form IEPF 2 with the Registrar of Companies;*

I further report that, during the year under review:

The compliance by the Company of applicable financial laws, like direct and indirect tax laws, have not been reviewed in this Audit since the same has been subject to review by statutory financial audit and other designated professionals;

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non -Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all Directors at least seven days in advance to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Whenever required, the Board has also met with a notice shorter than seven days.

Decisions at the Board Meetings, as represented by the management, were taken by majority and recorded as part of the minutes.

As per the explanations given to me and the representations made by the Management and relied upon by me, I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Business Review:

The main focus of the Company is production of films, domestic productions in the space of theatrical, web, TV and launching channels on new technologies. The Company already owns Digital Channels. The Company has rich resources of IPR's. The year 2019 has been a challenging year for the global economy with growth slowing down from 3.6% in 2018 to 2.9% in 2019, the slowest growth rate since 2009; as a consequence of worsening trade relations between US and China, geo-political tensions between US and Iran and factors like a reduction in growth rates in emerging markets.

From the beginning of 2020 the globe had to face a Black swan event - COVID-19. Panic stricken governments across the world implemented partially thought through measures like isolations, lockdown and wide-spread closures to slowdown the spread of the virus to protect lives and allow health care systems to cope. However, this brought economic activity across the globe to a complete halt and the global economy is projected to contract sharply by -3% in 2020, much worse than the 2008-09 financial crisis. It is believed that the contraction is likely to be even worse as governments initiate a start-stop methodology to open the lockdown.

The Indian economy which was already reeling from a slowdown due to slowing consumption and poorly implemented policy changes has also been hugely affected by the pandemic with the government imposing a nationwide lockdown from March 25th. India's economic growth which was estimated to grow at 5% in FY20 may have slowed down to approximately 4%. It is projected that the

Indian GDP will contract by 16-20% in Q1 FY21, which implies a full year contraction of 2% or more for FY21. While the lockdown has disrupted both the demand as well as the supply side of the economy, its effects will continue to send consumption shocks for some time as job and wage losses impact the middle classes. While with a complete halt of economic activities, the unemployment rate climbed to a Staggering 27.1% in the week up to 3 May, around 121.5 million reported job losses in April.

Even when the lockdown regulations are eased post May end, issues like labor availability as well as the possibility of supply chain disruptions will affect sectors such as manufacturing and construction before they can run at normal efficiency. Sectors like Tourism, Hospitality and Aviation will continue to be under stress as COVID-19 will change habits and the way of life for everyone.

Media and Entertainment Industry:

Indian Media and Entertainment industry grew by 9% to reach ` 1,822 billion from ` 1,674 billion. Digital media overtook filmed entertainment in current year to become the third largest segment of the M&E sector; however next year M&E will see a de-growth of 250 billion due to Covid-19 impact and disruption of economic activity.

Television held the top slot in M&E contribution at 43% and grew at 6.4% in the current year. Television advertising saw 5% growth in the year on the back of sports and the general elections in H1, but witnessed a de-growth in the second half due to weak economy. While subscription revenues grew by 7.5% despite a fall in active paid subscriptions, due to end

user price increases by average 25%. Print segment de-grew by 3%. Over all print advertising revenue de-grew by 5% of which advertising in English publications fell by 10%, while advertising in Hindi and regional language publications reduced around 3% due to a weak economy and reduced ad-volume by government, Circulation revenue grew by 2% as newspaper companies tactically increased prices in certain Hindi and regional markets. There is a huge scope to increase cover price to bridge the gap of cost of production but it is necessary that collective action be taken on this. Margins have improved for publications due to newsprint prices rationalization and other cost optimization measures taken in a Slowing economy.

Digital leading growth:

The digital ad segment grew at 31% adding the maximum incremental revenue to the base of M&E. Digital advertising grew at 24% driven by increased consumption of content on digital platforms and marketers' tilt towards measurability and performance. Digital subscription grew over 100% as sports and quality video content went behind a pay wall and telcos paid more to bundle content with their data packs; last year digital subscription which was 3.3% of the digital revenues, now comprises 13% of total digital revenues.

Outlook:

Covid-19 pandemic will have huge negative impact on all industries including the Media and Entertainment industry since ad-spend pressure will continue to linger on the back of weak economy and lower domestic consumption.

Internal Control System and their adequacy:

The Company through its management is responsible for establishing and maintaining

adequate internal control over financial reporting commensurate with its size and nature of business. Our internal control systems are effective to provide reasonable assurance regarding the reliability of our financial reporting and the preparation of our financial statements for external purposes in accordance with the generally accepted principles of accounting. The internal control systems provide for well-defined policies, guidelines, authorizations and approval procedures.

Opportunities:

The way in which we consume news and entertainment has changed dramatically over the past decade, creating both challenges and opportunities for traditional broadcasters. Think about it: Millennials spend more time streaming content than watching it on television, and more than 20 percent of them are viewing shows on their mobile devices.

The following are the opportunities:

- The rising interest in shorter forms of content such as serialized web and YouTube segments that are a mere six to ten minutes in length.,
- Content creators have a relationship with the end consumer like never before and derived insights about users allow for content and ads to be more personalized.
- Companies that can figure out how to push discovery of their content to consumers or help them discover it for themselves will have a leg up in this competitive space.

Threats:

1. Competition from other countries like Taiwan, Philippines, Korea and China;
2. Ever changing technology;

3. Lack of awareness in foreign countries;
4. Inadequate funding for capex and investment in manpower;
5. Lack of support from government.

Challenges, Risks and Concerns:

Digitization forms a new business frontier, with geographical barriers to trade in Asia being leapfrogged by technology. The rapid growth of both domestic and cross-border e-commerce, and particularly smartphone-focused mobile commerce (m-commerce) has created real-time access to previously inaccessible markets across Asia. It has also catalyzed entire new business models and value chains, and added speed and dynamism to both B2B and B2C procurement processes. As a result, individual entrepreneurs and tech start-ups as well as regional and multinational firms can utilize a multiplicity of channels to interact with existing, newly acquired and prospective customers and clients at any time of the day or night. But the catalytic impact of digitization also brings unique challenges. Cutting through the cluttered desert of data engages the region's brightest analytical and marketing minds, while cross-border trading and trading in untapped areas within the same country can create unexpected logistical, distribution and after-sales service challenges.

As a result, the quest to seamlessly manage digital and traditional channels is becoming more complex and more resource-intensive, and choosing a specialist Market Expansion Services partner to help deliver real competitive advantage is a critical business decision.

Discussion on Financial Performance with respect to Operational Performance:

During the year under review the Company has achieved a turnover of Rs.3,03,97,255/-,

profit / loss after tax for the current financial year was Rs.(38,017,27)/-. The paid-up capital of the Company as on March 31, 2020 is Rs.17,00,99,000/- comprising of 1,70,09,900 equity shares of Rs. 10/- each.

Human Resources Development and Industrial Relations:

The Company firmly believes that Human Assets are more critical than physical and financial assets as they are the ones who manage and sustain the growth of physical and financial assets of the company. The Company is well on its way in establishing an integrated system of workforce, which endeavors to develop the capability of its employees that clearly aligns with the business objectives and performance. Further, we also encourage individual and team awards to sustain and institutionalize the various workforce practices. This helped in giving lots of encouragement to the workforce who have been striving hard to achieve various goals.

Cautionary Statement:

Statements in this Management Discussion and Analysis describing the Company's objective, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations. Certain observations made on the industry and other players also reflect on opinion by the management and the management accepts no liability on such opinions. Actual results might differ materially from those either expressed or implied.

Report on Standalone Ind AS Financial Statements

We have Audited the accompanying standalone Ind AS financial statements of Colorchips New Media Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the

Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

S. No	The key audit matter	Auditor's response
1.	<p>Revenue Recognition</p> <p>See accounting policies in Note 1.a to the Financial Statements Revenue is recognized, net of sales related taxes, when persuasive evidence of an arrangement exists, the fees are fixed or determinable, the product is delivered or services have been rendered and collectability is reasonably assured. We assessed and tested the effectiveness of relevant controls, including automated controls, over revenue within each of the revenue streams. 2. We also considered the adequacy of the Company's disclosures and the accounting policies included in the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circum-

stances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of

- i. the state of affairs (financial position) of the Company as at 31st March, 2020, and
- ii. its profits (financial performance including other comprehensive income),
- iii. its cash flows (cash flows for the year ended on that) and
- iv. The changes in equity for the year ended on that date.

Annexure – B to the Independent Auditors of even date on the Standalone Financial Statements of the Colorchips New Media Limited

(Referred to in paragraph 2(e) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the Members of Colorchips New Media Limited.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Controls over Financial reporting of Colorchips New Media Limited. (“the Company”) as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgement, including the assessment of

the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Summary of Significant Accounting Policies

Corporate Information

Colorchips New Media Limited (the 'Company') was incorporated in India, under the Companies Act, 1956. The Company is a global player within the Indian media and entertainment industry and is primarily engaged in the business of film production, exploitation and distribution. It operates on a vertically integrated studio model controlling content as well as distribution and exploitation across multiple formats globally, including cinema, digital, home entertainment and television syndication. Its shares are listed on leading stock exchanges in India (BSE Scrip Code: 540023).

These financial statements were authorised for issue in accordance with a resolution of the Directors on 31st July 2020.

Basis of preparation

The Company prepared its financial statements in accordance with accounting standards notified under the Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

These financial statements for the year ended 31 March 2020 have been prepared in accordance with Indian Accounting Standards ("Ind-AS") consequent to the notification of The Companies (Indian Accounting Standards) Rules, 2015 (the Rules) issued by the MCA.

The standalone financial statements have been prepared on a historical cost basis.

All assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set

out in the Schedule III to the Act. The Company considers 12 months to be its normal operating cycle.

1. Significant accounting policies

a. Revenue recognition

Revenue is recognized, net of sales related taxes, when persuasive evidence of an arrangement exists, the fees are fixed or determinable, the product is delivered or services have been rendered and collectability is reasonably assured. The Company considers the terms of each arrangement to determine the appropriate accounting treatment.

The following additional criteria apply in respect of various revenue streams within filmed entertainment:

Books: Revenue is recognized when the goods are dispatched. Provision is made for physical returns where applicable.

Other - DVD, CD and video distribution revenue is recognized on the date the product is delivered or if licensed in line with the revenue recognition criteria. Provision is made for physical returns where applicable. Digital and ancillary media revenues are recognized at the earlier of when the content is accessed or declared. Visual effects, production and other fees for services rendered by the Company and overhead recharges are recognized in the period in which they are earned and in certain cases, the stage of production is used to determine the proportion recognized in the period.

Other income

Dividend income is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the effective interest rate applicable.

b. Property, plant and equipment and depreciation

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of purchase price inclusive of taxes etc. up to the date the asset is ready for its intended use. Depreciation is provided under straight line method at the rates and in the manner prescribed under Schedule II to the Companies Act, 2013. Residual value of property, plant and equipment is considered as nil for calculation of depreciation.

c. Intangible assets

Intangible assets acquired by the Company are stated at cost less accumulated amortisation less impairment loss, if any.

Other intangible assets, which comprise internally generated and acquired software used within the Entity's digital, home entertainment and internal accounting activities, are stated at cost less amortisation less provision for impairment. The average life of the assets is the lesser of 5 years or the remaining life of the asset. The amortization charge is recognized in the Statement of profit and loss.

d. Impairment of non-financial assets

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units). As a result, some assets are tested individually for impairment and some are tested at the cash

generating unit level. All individual assets or cash generating units are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

The carrying amounts of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on external or internal factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount which represents the greater of the net selling price of assets and their 'value in use'.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Film and content rights are stated at the lower of unamortized cost and estimated recoverable amounts. In accordance with Ind AS 36 Impairment of Assets, film content costs are assessed for indication of impairment on a library basis as the nature of the Company's business, the contracts it has in place and the markets it operates in do not yet make an ongoing individual film evaluation feasible with reasonable certainty. Impairment losses on content advances are recognized when film production does not seem viable and refund of the advance is not probable.

All assets are subsequently reassessed for indications that an impairment loss previously recognized may no longer exist.

e. Borrowing costs

Borrowings are recognized initially at fair value, net of transaction costs incurred. Borrowings are subsequently stated at amortized cost with any difference between the proceeds (net of transaction costs) and the redemption value recognized in the Statement of profit and loss within finance costs over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the statement of financial position date.

f. Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on risk exposure arising from financial assets like debt instruments measured at amortized cost e.g., trade receivables and deposits.

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables or contract revenue receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been

a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of profit and loss. This amount is reflected under the head 'other expenses' in the Statement of profit and loss.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit

risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

g. Inventories

Inventories primarily comprise of books, film rights and are valued at the lower of cost and net realizable value. Cost in respect of goods for resale is defined as purchase price, including appropriate labour costs and other overhead costs. Cost in respect of raw materials is purchase price.

Purchase price is assigned using a weighted average basis. Net realizable value is defined as anticipated selling price or anticipated revenue less cost to completion.

h. Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of a past event, it is more likely than not that an outflow of resources will be required to settle the obligations and can be reliably measured. Provisions are measured at Management's best estimate of the expenditure required to settle the obligations at the statement of financial position date and are discounted to present value where the effect is material.

i. Foreign Currency

Transactions in foreign currencies are translated at the rates of exchange prevailing on the dates of the transactions. Monetary assets and liabilities in foreign currencies are translated at the prevailing rates of exchange at the balance sheet date. Non-monetary items that are measured at historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Any exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were initially recorded are recognized in the Statement of profit and loss in the period in which they arise. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

The Company's functional currency and the presentation currency is same i.e. Indian Rupee (₹)

j. Financial Assets

Financial assets are divided into the following categories:

- financial assets carried at amortised cost
- financial assets at fair value through other comprehensive income
- Financial assets at fair value through profit and loss;

Financial assets are assigned to the different categories by management on initial recognition, depending on the nature and purpose of the financial assets. The designation of financial assets is re-evaluated at every reporting date at which a choice of classification or accounting treatment is available. Financial Assets like Investments in Subsidiaries are measured at Cost as allowed by Ind-AS 27 – Separate Financial Statements and hence are not fair valued.

k. Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These are non-derivative financial assets that are not quoted in an active market. Loans and receivables (including trade and other receivables, bank and cash balances) are measured subsequent to initial recognition at amortized cost using the effective interest method, less provision for impairment. Any change in their value through impairment or reversal of impairment is recognized in the Statement of profit and loss.

In accordance with Ind AS 109: Financial Instruments, the Company recognizes impairment loss allowance on trade receivables and content advances based on historically observed default rates. Impairment loss allowance recognized during the year is charged to Statement of profit and loss.

l. Financial assets at fair value through other comprehensive income

Financial assets at fair value through other comprehensive income are non-derivative financial assets held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

m. Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. It includes non-derivative financial assets that are either designated as such or do not qualify for inclusion in any of the other categories of financial assets. Gains and losses arising from investments classified under this category is recognized in the Statement of profit and loss when they are sold or when the investment is impaired.

In the case of impairment, any loss previously recognized in other comprehensive income is transferred to the Statement of profit and loss. Impairment losses recognized in the Statement of profit and loss on equity instruments are not reversed through the Statement of profit and loss. Impairment losses recognized previously on debt securities are reversed through the Statement of profit and loss when the increase can be related objectively to an event occurring after the impairment loss was recognized in the Statement of profit and loss.

When the Company considers that fair value of financial assets can be reliably measured, the fair values of financial instruments that are not traded in an active market are determined by using valuation techniques. The Company applies its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at each balance sheet date. Equity instruments measured at fair value through profit or loss that do not have a quoted price in an active market and whose fair value cannot be reliably measured are measured at cost less impairment at the end of each reporting period.

An assessment for impairment is undertaken at least at each balance sheet date.

A financial asset is derecognized only where the contractual rights to the cash flows from the asset expire or the financial asset is transferred and that transfer qualifies for de recognition. A financial asset is transferred if the contractual rights to receive the cash flows of the asset have been transferred or the Company retains the contractual rights to receive the cash flows of the asset but assumes a contractual obligation to pay the cash flows to one or more recipients. A financial asset that is transferred qualifies for de recognition if the Company transfers substantially all the risks and rewards of ownership of the asset, or if the Company neither retains nor transfers substantially all the risks and rewards of ownership but does transfer control of that asset.

n. Financial liabilities

Financial liabilities are classified as either 'financial liabilities at fair value through profit or loss' or 'other financial liabilities'. Financial liabilities are subsequently measured at amortized cost using the effective interest method or at fair value through profit or loss.

Financial liabilities are classified as at fair value through profit or loss when the financial liability is held for trading such as a derivative, except for a designated and effective hedging instrument, or if upon initial recognition it is thus designated to eliminate or significantly reduce measurement or recognition inconsistency or it forms part of a contract containing one or more embedded derivatives and the contract is designated as fair value through profit or loss.

Financial liabilities at fair value through profit or loss are stated at fair value. Any gains or losses arising of held for trading financial liabilities are recognized in Statement of profit

and loss. Such gains or losses incorporate any interest paid and are included in the "other gains and losses" line item.

Other financial liabilities (including borrowing and trade and other payables) are subsequently measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or a shorter period, to the net carrying amount on initial recognition.

A financial liability is derecognized only when the obligation is extinguished, that is, when the obligation is discharged or cancelled or expires. Changes in liabilities' fair value that are reported in profit or loss are included in the Statement of profit and loss within finance costs or finance income.

o. Taxes

Taxation on profit and loss comprises current tax and deferred tax. Tax is recognized in the Statement of profit and loss except to the extent that it relates to items recognized directly in equity or other comprehensive income in which case tax impact is also recognized in equity or other comprehensive income.

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted at the balance sheet date along with any adjustment relating to tax payable in previous years.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum alternate tax (MAT) paid in a year is charged to the Statement of profit and loss as current tax. MAT credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period, which is the period for which MAT credit is allowed to be carried forward. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

p. Earnings per share

Basic earnings per share are computed using the weighted average number of ordinary shares outstanding during the period. Diluted earnings per share is computed by considering the impact of the potential issuance of ordinary shares, on the weighted average

number of shares outstanding during the period except where the results would be anti-dilutive.

o. Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short term highly liquid investments which are readily convertible into known amounts of cash and are subject to insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

Deposits held with banks as security for overdraft facilities are included in restricted deposits held with bank.

q. Segment reporting

Ind-AS 108 Operating Segments (“Ind-AS 108”) requires operating segments to be identified on the same basis as is used internally for the review of performance and allocation of resources by the Chief Operating Decision Maker. The revenues of films are earned over various formats; all such formats are functional activities of filmed entertainment and these activities take place on an integrated basis. The management team reviews the financial information on an integrated basis for the Company as a whole, with respective heads of business for each region and in accordance with Ind-AS 108, the Company provides a geographical split as it considers that all activities fall within one segment of business which is filmed entertainment.

The Company has identified one geographic markets – India

2. Significant accounting judgments, estimates and assumptions

The preparation of the financial statements requires management to make judgments, estimates and assumptions, as described below, that affect the reported amounts and the disclosures. The Company based its assumptions and estimates on parameters available when the financial statements were prepared and reviewed at each balance sheet date. Uncertainty about these assumptions and estimates could result in outcomes that may require a material adjustment to the reported amounts and disclosures.

a. Intangible Assets

The Company is required to identify and assess the useful life of intangible assets and determine their income generating life. Judgment is required in determining this and then providing an amortization rate to match this life as well as considering the recoverability or conversion of advances made in respect of securing film content or the services of talent associated with film production.

Accounting for the film content requires management’s judgment as it relates to total rev-

enues to be received and costs to be incurred throughout the life of each film or its license period, whichever is the shorter. These judgments are used to determine the amortization of capitalized film content costs.

The Company tests annually whether intangible assets have suffered any impairment, in accordance with the accounting policy. These calculations require judgments and estimates to be made, and in the event of an unforeseen event these judgments and assumptions would need to be revised and the value of the intangible assets could be affected. There may be instances where the useful life of an asset is shortened to reflect the uncertainty of its estimated income generating life.
