## Panvel FTWZ

### Panvel (1/2)

Examples of significant customer acquisitions who have leveraged the regulatory and operational benefits of Arshiya Free Trade & Warehousing Zone (FTWZ):

- **Trafigura:** Trafigura is the world's second largest independent trader in non-ferrous concentrates. Trafigura has commenced their operations at the FTWZ by making it its distribution hub for the Asian market. They import LME grade non-ferrous metals to the FTWZ for storage. As per the market demand & international prices, products are sold to India or re-exported to other markets. Apart from Trafigura, the FTWZ is being used by several ferrous, non-ferrous metal trading clients like Ushdev International, Liberty as their stocking point and eventual sales to DTA & regional markets.
- **Blue Deebaj:** A company based in the U.A.E, trading in various chemicals and fertilizers. Blue Deebaj has shifted their trading operations for products sourced from India to Arshiya FTWZ from Dubai. They buy fertilizers from Export Oriented Units (EOUs) in India and use the FTWZ as a stocking point for eventual sales to the domestic market or their global customers. The FTWZ has enabled the client realize substantial savings in terms of the cost of exporting the products to Dubai . Now the client is able to perform last mile value added services such as labeling, re-invoicing etc in India and also benefit from the cost and skill arbitrage.

## Panvel FTWZ

### Panvel (2/2)

- **Ebony Homes:** Ebony, a subsidiary of the DSC Group in partnership with Gautier, is one of the best known global furniture brand offering a premium range of French furniture for the retail segment in India. The furniture is imported to the FTWZ where it is warehoused & value optimization activities like SKU wise segregation, labeling and quality check are performed. Post segregation, these products are distributed to various stores as per demand.
- **Borochemie:** Borochemie is a major supplier for refined Boron Chemicals from Turkey and is one of the largest suppliers in the South East Asian market, Far East Asia and Gulf Countries. They have made the FTWZ their trading hub for sales to India or re-export to other foreign countries as per their clients requirements. The FTWZ has helped Borochemie to cut down their logistics cost immensely as our FTWZ is strategically located to serve their clients. Various last mile activities like bagging of bulk cargo, re-bagging, quality checks etc. are also performed at the FTWZ. Borochemie is one of the many clients like JJ Polymers, Eskay Bee, Time Technoplast, CPH Chemicals etc who are leveraging FTWZ for trading in Polymers & Specialty Chemicals.

## Khurja FTWZ

## Khurja FTWZ

### Khurja

Examples of significant customer acquisitions who have leveraged the regulatory and operational benefits of Arshiya Free Trade & Warehousing Zone (FTWZ):

- **Ranbaxy:** Ranbaxy, one of India's largest pharmaceutical companies is importing bottles for packaging their pharmaceutical products and is using the FTWZ at Khurja as a stocking point & distribution hub for its manufacturing facilities in the north. The FTWZ will also be used for import & storage of excipients & API's & export of finished products. These products have different storage requirements such as palletized storage, bulk storage & temperature controlled storage, all of which is available in the FTWZ.
- **Marks & Spencer:** Marks & Spencer, one of UK's leading retailers is using the FTWZ for Imports from Europe & Bangladesh to India. Their products are consolidated followed by piece level picking for distribution to stores across India. Duty deferment benefit of the FTWZ enables the client to stock the inventory in bulk and cater to the seasonal spikes in demand.
