**NOTES:**

1. Pursuant to General Circular No 9/2024 dated September 19, 2024 and earlier circulars issued in this regard by the Ministry of Corporate Affairs ('MCA') (collectively referred to as 'MCA Circulars') and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 3, 2024 and earlier circular issued in this regard by the Securities and Exchange Board of India (collectively referred to as 'SEBI Circulars'), holding of the Annual General Meeting ('AGM') through VC/OAVM, without the physical presence of the Members is permitted. Hence, in compliance with the MCA Circulars and SEBI Circulars and provisions of the Companies Act, 2013 (the "Act") and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") the 16th AGM of the Company is being conducted through VC without the physical presence of the Members at a common venue. The deemed venue for the 16th AGM shall be the Registered Office of the Company.
2. The Company has appointed National Securities Depository Ltd ("NSDL"), to provide the VC facility for conducting the AGM and for voting through remote e-voting and e-voting at the AGM. The procedure for participating in the meeting through VC/ OAVM is explained in these notes.
3. In terms of the MCA Circulars, since the physical attendance of Members has been dispensed with, there is no requirement for the appointment of proxies. Accordingly, the facility of appointment of proxies by Members under Section 105 of the Act will not be available for this AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. The attachment of the route map for the AGM venue is also not required.
4. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM through VC/OAVM. Corporate Members and other non-individual members intending to have their representatives attend the Meeting through VC/OAVM pursuant to Section 113 of the Act, are requested to send to the Company, a certified copy of the relevant Board Resolution /authorization letter together with the specimen signature of the representative(s) authorized to attend and vote on their behalf at the Meeting.
5. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013 and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Companies Act, 2013 and other documents referred to in this AGM Notice will be available for inspection at the Registered office of the Company at 312, Navjeevan Complex 29, Station Road, Jaipur, Rajasthan, India- 302006 between 3:00 P.M (IST) and 5:00 P.M (IST) in working days till the date of AGM.
6. The attendance of the Members attending the AGM through VC will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
7. The additional details of Directors retiring by rotation pursuant to Regulation 36(3) of the Listing Regulations as amended from time to time and the Secretarial Standards issued by the

Institute of Company Secretaries of India, is annexed as **Annexure I** and forms part of this Notice.

8. According to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of Listing Regulations (as amended), and the MCA Circulars, the Company is providing the facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with NSDL for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using a remote e-voting system as well as e-voting during the AGM will be provided by NSDL.
9. Pursuant to MCA Circulars, SEBI Circulars the Annual Report for F.Y. 2024-25 and the Notice of the **16th AGM** of the Company are being sent only by electronic mode to Members whose e-mail address is registered with the Company/Registrar & Transfer Agent or the Depository Participant(s). Those Members, who have not yet registered their email addresses and consequently, have not received the Notice and the Annual Report, are requested to get their email addresses and mobile numbers registered by following the guidelines mentioned in these notes.

Further, in terms of Reg. 36(1)(b) of Listing Regulations, for those shareholders whose email id is not registered, a letter providing the web-link, including the exact path where complete details of the Annual Report are available, is being sent at their registered address.

10. The Annual Report and Notice calling the AGM have also been uploaded on the website of the Company at www.vinayakpolycon.com. The same can also be accessed from the website of the Stock Exchange i.e., BSE Limited at www.bseindia.com and the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.

26. RISK MANAGEMENT POLICY

The Company has framed and implemented a Risk Management Policy to identify the various business risks. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhance the Company's competitive advantage. The Risk Management Policy defines the risk management approach across the enterprise at various levels including documentation and reporting.

A systematic risk review process to identify, assess, monitor, manage and report risks supported this. The framework provides a comprehensive and systematic approach to identify and mitigate risks by embedding risk management as integral to planning at strategic and operational levels. This helped monitor, report and review identified risks in addition to considering emerging risks.

There are various elements of risk which, in the opinion of the Board, may threaten the existence of the company some of which are as follows:

Competition risk

The dynamic nature of the market threatens growth and margins. The Company widened its product offerings and visibility, enhancing long-term client relationships.

Technological disruption risk

Rapid technology transformation redefines businesses and any delay in adaptation could affect revenues.

Manpower risk

Inadequate / under-skilled resources could result in a loss of business opportunities. The Company's talent acquisition function attracts qualified and skilled professionals. The Company also trains manpower for a minimum of 30 hours/year. It is more at middle/senior levels.

Supply chain disruption risk

VPIL is successfully able to mitigate this risk owing to a strong network of suppliers and owned manufacturing facilities.

The policy is available on the Company's website at the link <http://www.vinayakpolycon.com/policies>.

31. MANAGEMENT DISCUSSION AND ANALYSIS

Management Discussion and Analysis Report popularly known as MDAR is the communication straight from the management to their valued shareholders giving them insights into the present business conditions of the company and its future potential. It gives a bird's eye view about the Company's objective, predictions and forward-looking statements.

This report is an integral part of the Boards' Report. Aspects on industry structure and developments, opportunities and threats, outlook, risks, internal control systems and their adequacy, material developments in human resources and industrial relations have been covered in this Report.

Our values and guiding principle have been woven around seven major aspects which are evidently visible in all the activities performed by the Company i.e. Customer Satisfaction, Innovation, Quality Product and Service, Employee Growth, Culture, Being Sensitive towards Society and Environment Protection. This guiding principle is now the culture of the organization and ensures that both internal and external customers are satisfied.

A. Macroeconomic Overview

The baseline forecast is for the world economy to continue growing at 3.2 percent during 2024 and 2025, at the same pace as in 2023. A slight acceleration for advanced economies—where growth is expected to rise from 1.6 percent in 2023 to 1.7 percent in 2024 and 1.8 percent in 2025—will be offset by a modest slowdown in emerging market and developing economies from 4.3 percent in 2023 to 4.2 percent in both 2024 and 2025. The forecast for global growth five years from now—at 3.1 percent—is at its lowest in decades. Global inflation is forecast to decline steadily, from 6.8 percent in 2023 to 5.9 percent in 2024 and 4.5 percent in 2025, with advanced economies returning to their inflation targets sooner than emerging market and developing economies.

Core inflation is generally projected to decline more gradually. The global economy has been surprisingly resilient, despite significant central bank interest rate hikes to restore price stability. India's economy has been notably resilient amidst the past year's global inflation and supply chain constraints, boasting an impressive growth rate of 7.8% in the 2023–24 fiscal year (FY) and exceeding the average G20 rate of 3.4%. Strong growth in the manufacturing sector, higher-than-expected agricultural output, and robust government spending have made India the world's fastest-growing major economy.

However, according to the OECD's latest figures, India's economic growth is projected to slow to 6.6% in FY 2024–25, as global demand weakens and a tighter monetary policy takes shape to manage global inflationary pressures. With inflation and monetary policy expected to ease in the second half of 2024, the Paris-based think tank forecasts that India's growth rate will remain at 6.6% in FY 2025–26. Although these figures are above the G20 average of 3.1% in both 2024 and 2025, they fall short of the Indian government's target of 7% to 7.5% by 2030.

B. Industry Structure & Development

The Indian plastics industry has made a significant progress since beginning of 1957 with the production of polystyrene. Thereafter, the industry has grown and diversified rapidly.

Plastic bottles have become way of life and are in all sectors such as food and beverages, oil, pharma, drinking water and all other sectors. They do not fall into single use plastic as, they are environment-friendly and can be recycled repeatedly which further reduces

their manufacturing cost. Hence their volume has reached around 20 million tons/pa globally Polyethylene terephthalate (PET) refers to a thermoplastic polymer resin of the polyester family which is widely used for manufacturing plastic bottles. In comparison with PP, HDPE and PVC bottles, PET bottles are more durable, transparent, lightweight, non-reactive, cost-effective and thermally stable.

During the period under review, there is significant increase in the use of plastic including PET Containers throughout the country. Clear Visibility of packed product in primary and secondary packaging has gained importance. The buyer wants to clearly see the inner contents before buying and wants the container to be unbreakable, child safe and durable. This led to great increase in manufacturing of plastic wares in the country especially PET.

Your company is on its way to capitalize on this trend, through improved production of plastic products and through alliances with the suppliers who have specific expertise in the related field.

C. Opportunity

The consumption of plastic is increasing at the rapid speed as it is easy and convenient to use and can easily be recycled. It paves a path to the companies to make new development for the better positioning in the market. The ability to see the contents off the shelves before buying in a transparent container is always preferred over others.

Vinayak Polycon International Limited is continuously striving to increase its production and aims to provide better quality products to its consumers along with making strong position in domestic market.

D. Threats

- Temporary decline in the economic activity
- Increased competition in the plastic industry due to entry of new players
- Introduction of new technologies
- Introduction of new taxes
- Any unfavourable change in Government Policies may affect the profitability of the company.
- Threat of substitutes
- Rising cases of Takeovers or stressed companies where by Creditors have to agree to the plan offered by the buyer / Resolution professional.

E. Segment wise Performance

The Company deals only in one segment i.e. Manufacturing & Trading of PET Products, accordingly there is only a single reportable segment.

F. Outlook

The Outlook of your Company is promising, in light of its refreshed mission and vision and clear strategic framework. Vinayak Polycon International Limited leadership team and employees at all levels are in line with the strategy and working towards making it a success. The Company's product development team has developed an exciting range of plastic items which will fuel our growth in future

G. Risks and Concerns

The risks and opportunities inherent to all corporations are inseparable elements. The Directors and management of the Company make constructive decisions to protect the interests of stakeholders. The Company has implemented a Risk Management Policy, which is continuously monitored and reviewed under the guidance of Audit Committee.

The Company recognises that the emerging and identified risks need to be managed and mitigated to:

- Protect its shareholders and other stakeholder's interest,
- Achieve its business objective,
- and enable sustainable growth.

The Board of Directors is continuously and carefully monitoring the risks and concerns related to the business for example: macroeconomic factors, geographical concentration, change in the Government policies and legislation, increase in the raw material prices etc.

Competition is increasing day-by-day in all fields of business. Similarly, there is competition in plastic industries too. The company is facing various risks and obstacles which includes inflation risk, credit risk, interest rate risk, non-availability of raw-material, high prices etc.

In order to overcome such situations company is fully aware towards the preparation of appropriate programs, adoption of suitable policies and to take corrective and precautionary measures for safeguarding the company's market position and further to strengthening it.

The financial and related risks have been comprehensively covered in the Annual Accounts of the company together with the mitigation strategy of the same. The present and anticipated future risks are reviewed by the management of the company at regular intervals. The management takes suitable preventive steps and measures to adequately safeguard the company's resources of tangible and intangible assets.

H. Adequacy of Internal Control System

To ensure effective internal controls across business processes and systems, the Company has established a robust framework that is designed to provide reliable and quality assurance related to the Company's financial and operational information so that it can comply with applicable laws and safeguard its assets. The framework comprises both entity-level controls and business process controls. The adequacy and efficacy of these controls are evaluated on a regular basis:

To facilitate the same, following measures have been initiated:

- The internal control systems are evaluated with respect to their compliance with the operating systems and policies of the Company across all locations.
- The Company has put in place robust data security management

Commensurate with the size and nature of operations, the Company has adequate systems of internal control comprising authorization levels, supervision, checks and balances and procedures through documented guidelines which provide that all transactions are authorized, recorded and reported correctly and compliance with policies and statutes are ensured.

Anti-fraud programmes including whistle blower mechanisms are operative across the company.

**I. Discussion on Financial Performance with respect to Operational Performance**

The company is engaged in Single Segment i.e. Manufacturing & Trading of PET Products. The Indian plastics industry made a significant progress and the industry is growing and diversifying rapidly. INDEPENDENT AUDITOR'S REPORT

To the Members of Vinayak Polycron International Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Vinayak Polycron International Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2025, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis of Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone Financial Statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each key matter, our description of how our audit addressed the matter is provided in that context.
5. We have determined that there are no key audit matters to be communicated in our report.
6. We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the Standalone Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Standalone Financial Statements. Accordingly, our audit included the performance of procedure designed to

respond to our risk of material mistaken of the Standalone financial statements. The result of our audit procedure provides the basis for our audit opinion on the standalone financial statement.

Other Information

7. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
9. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

11. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on other legal and regulatory requirements**

15. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
16. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has no pending litigations on its financial position in its standalone financial statements.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year.
 - (iv)(a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.
- (v) No dividend is declared / paid during the year by the Company.
- (vi) With respect to reporting required under rule 11(G), in our opinion and based on our verification, the accounting software use by the company has a feature to record the audit trail and the same has been operated throughout the year. The same audit trail feature has not been tampered with. As per the representation received by the management, the company has preserved the audit trail as per prescribed regulations.
17. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

**Annexure A to Independent Auditors' Report**

Referred to in paragraph 13 of the Independent Auditors' Report of even date to the members of Vinayak Polycron International Limited on the Standalone Financial Statements as of and for the year ended March 31, 2025

- i. (a) (i) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
(ii) The Company is not having any Intangible Assets.
(b) The Property, Plant and Equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
(c) The title deeds of all the immovable properties (other than properties where the Company is a lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 2A on Property, Plant and Equipment to the Standalone Financial Statements, are held in the name of the Company.
(d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) or intangible assets does not arise.
(e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its standalone financial statements does not arise.
- ii. (a) The physical verification of inventory excluding goods-in-transit and stocks with third parties has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. In respect of inventory lying with third parties, these have substantially been confirmed by them and for goods-in-transit subsequent evidence of receipts has been linked with inventory records. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory noticed on physical verification of inventory by Management, and have been appropriately dealt with in the books of account.
(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. However, the Company has filed quarterly returns or statements with such banks, which are largely in agreement with the unaudited books of account. (Also refer Note 17 to the Standalone Financial Statements)
- (iii) The Company has not made any investments, granted secured/ unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Therefore, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

- (iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made by it. Further, the Company has not provided any guarantee or security specified under Section 185 and 186 of the Companies Act, 2013.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- (vi) The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of provident fund, employees' state insurance and duty of customs, and is regular in depositing undisputed statutory dues, including income tax, goods and services tax and other material statutory dues, as applicable, with the appropriate authorities.
(b) According to the information and explanations given to us and the records of the Company examined by us, there are no statutory dues of duty of customs, goods and services tax, provident fund, income tax, employees' state insurance and professional tax which have not been deposited on account of any dispute.
- (viii) According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.
- (ix) (a) According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.
(b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority. (Also refer Note 39(e) to the Standalone Financial Statements).
(c) In our opinion, and according to the information and explanations given to us, the term loans have been applied for the purposes for which they were obtained. (Also refer Note 39(n) to the Standalone Financial Statements)
(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the Standalone Financial Statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, the Company has not received whistle-blower complaints during the year.
- (xii) As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the standalone financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.
- (xiv) (a) In our opinion and according to the information and explanation given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) The reports of the Internal Auditor for the period under audit have been considered by us.
- (xv) The Company has not entered into any noncash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted nonbanking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) Based on the information and explanations provided by the management of the Company, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CICs, which are part of the Group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete. Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.

(xvii) The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause (xviii) is not applicable.

(xix) According to the information and explanations given to us and on the basis of the financial ratios (Also refer Note 38 to the standalone financial statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

(xx) Provisions of Section 135(5) of the Companies Act 2013 are not applicable to the company.

(xix) The Consolidated financial statements are not applicable to the company.

**ANNEXURE B to the Independent Auditor's Report of even date on the Standalone Financial Statements of Vinayak Polycron International Limited****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")****To the Members of Vinayak Polycron International Limited**

We have audited the internal financial controls over financial reporting of Vinayak Polycron International Limited ("the Company") as of 31st March, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control over financial reporting includes those policies and procedures that:

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, judging by the nature and quantum of transactions appearing in the financial statements, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

VINAYAK POLYCON INTERNATIONAL LIMITED

Notes forming part of the Financial Statements

as at and for the year ended 31st March, 2025

Note 1 - General information and Significant Accounting Policies

Note 1.1 - Background

Vinayak Polycron International Limited (the Company) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company were demerged from Polycron International Limited, a listed company also domiciled in India under the Demerger Scheme approved by the Honourable High Court of Rajasthan, Jaipur Bench vide Order Dated 21/07/2011.

Presently the Company is engaged in the business of manufacturing and trading of PET Items like PET Bottles, PET Jars, PET Preforms, PP Caps and Lids etc. Its manufacturing facilities are located at Chennai and Jaipur.

Note 1.2 - Significant Accounting Policies

I. Basis of preparation and presentation

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2016 as amended and other relevant provisions of the Act.

These financial statements for the year ended 31st March, 2025 are prepared with comparatives under Ind AS. The accounting policies are applied consistently to all the periods presented in the financial statements.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value;
- 2) assets held for sale - measured at lower of carrying amount or fair value less cost to sell;
- 3) defined benefit plans - plan assets measured at fair value;

(iii) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

II. Use of estimates, assumption and judgement

The preparation of the financial statements in conformity with recognition and measurement principles of Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year.

Estimates and underlying assumptions are reviewed on an ongoing basis.

Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the key assumptions concerning the future, and other sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities in future are:

(i) Useful lives and residual value of property, plant and equipment, intangible assets and investment properties :

Useful life and residual value are determined by the management based on a technical evaluation by management considering nature of asset, past experience, estimated usage of the asset, vendor's advice etc and same is reviewed at each financial year end.

(ii) Deferred tax assets :

The Company has reviewed the carrying amount of deferred tax assets including MAT credit at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

(iii) Contingencies

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(iv) Employee benefit expenses

Actuarial valuation for gratuity liability of the Company has been done by an independent actuarial valuer on the basis of data provided by the management and assumptions used by the actuary. The data so provided and the assumptions used have been disclosed in the notes to accounts.

(v) Discounting of Security deposit, and other long term liabilities

For majority of the security deposits received, the timing of outflow, as mentioned in the underlying contracts, is not ascertainable or is not substantially long enough to discount. The treatment would not provide any meaningful information and would have no material impact on the financial statements.

III Property, Plant and Equipment

i Recognition and Measurement

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment. Cost is inclusive of inward freight, non refundable duties and taxes and incidental expenses related to acquisition or construction.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

All upgradation / enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

Depreciation of these assets commences when the assets are ready for their intended use which is generally on commissioning.

ii. Capital work-in-progress

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses.

IV Depreciation / amortisation

- The Company is following the written down value method of depreciation in respect of Property, plant and equipment.
- Items of property, plant and equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of the assets after commissioning, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a written down value basis.
- Freehold Land is not depreciated.
- Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

V Leases

Lease payments under operating leases are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term unless another systematic basis is more representative of the time pattern of the Company's benefit. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

Financial lease transactions entered are considered as financial arrangements and the leased assets are capitalised on an amount equal to the present value of future lease payments and corresponding amount is recognised as a liability. The lease payments made are apportioned between finance charge and reduction of outstanding liability in relation to leased asset.

VI Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, bank overdraft with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

VII Inventories

Inventories are valued at the lower of cost and net realisable value. Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw Materials: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out basis.

Finished Goods and Work in Progress: Cost includes cost of direct materials and labour and a proportion of fixed manufacturing overheads based on the normal operating capacity. Cost is determined on first in first out basis.

Traded Goods: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

VIII Financial Instruments

A. Initial recognition

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of financial asset or financial liabilities, as appropriate, on initial recognition.

B. Subsequent measurement

(i) Financial assets carried at amortised cost : A financial asset is subsequently measured at amortised cost if it is held in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets carried at fair value through other comprehensive income (FVTOCI): A financial asset is subsequently measured at FVTOCI if it is held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.

(iv) Financial assets carried at fair value through profit or loss (FVTPL): A financial asset which is not classified in any of the above categories are subsequently measured at fair value through profit or loss.

(v) Financial liabilities : Financial liabilities are subsequently measured at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

De-recognition of financial Asset

A financial asset is primarily derecognised (i.e. removed from the balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset. When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

De-recognition of financial liability

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid is recognised in profit or loss as "Other Income" or "Finance Expense".

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

C. Impairment

(i) Financial assets

The Company recognizes loss allowances using the expected credit loss for the financial assets which are not measured at fair value through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime expected credit loss.

Individual trade receivables are written off when management deems them not to be collectible.

(ii) Non - financial assets

Tangible and intangible assets

Property, plant and equipment and intangible assets are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). The Company reviews/assesses at each reporting date if there is any indication that an asset may be impaired.

IX Segment Reporting

Factors used to identify segments

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker, which comprises of the Board of Directors, Managing Director and CFO which assesses the financial performance and position of the company and makes strategic decision.

The Company is engaged in manufacture and sale of PET, PP and other plastic products which constitutes a single business segment.

X Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

XI Contingent liabilities and provisions

Contingent liabilities are disclosed after evaluation of the facts and legal aspects of the matter involved, in line with the provisions of Ind AS 37.

The company records a liability for any claims where a potential loss probable and capable of being estimated and discloses such matters in its financial statements, if material. For potential losses that are considered possible, but not probable, the Company provides disclosures in the financial statements but does not record a liability in its financial statements unless the loss becomes probable.

Provisions are recognised when the Company has a legal / constructive obligation as a result of a past event, for which it is probable that a cash outflow may be required and a reliable estimate can be made of the amount of the obligation.

When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

XII Revenue recognition

Revenue from contracts with customers is recognised when control of the promised goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Sale of goods :- Revenue is recognised when the significant risks and rewards of ownership have been transferred to the customer, which generally coincides when the products are dispatched / shipped, recovery of the consideration is probable, the associated costs can be estimated reliably, there is no continuing management involvement with the goods nor it exercises effective control over the goods and the amount of revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts, cash discounts and volume rebates. Sales includes excise duty but excludes sales tax / value added tax/goods and service tax.

Income from services :- Revenue from sale of services are recognised when services are rendered and related costs are incurred.

Other income :- Interest income from a financial asset is recognised when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount on initial recognition. Rent income is recognised when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably. Rent income is accrued as per terms of contracts.

XIII Employee Benefits

The Company has various schemes of employee benefits such as provident fund, employee state insurance scheme, gratuity and Compensated Absences, which are dealt with as under:

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as provident fund and Family pension funds.

**Gratuity obligations**

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

Defined Contribution Plans

Defined Contribution Plans such as Provident Fund etc., are charged to the Statement of Profit and Loss as incurred.

Liability on account of short term employee benefits, comprising largely of compensated absences and bonus, is recognised on an undiscounted accrual basis during the period when the employee renders service.

XIV Foreign Currency Transactions**(i) Functional and presentation currency**

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

XV Income taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are excepted to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Company has a legally forcible right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

XVI Earnings Per Share**Basic earnings per share**

Basic earnings per share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

XVII Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

XVIII Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

XIX Statement of cash flows

Cash flows are reported using the method as prescribed in Ind AS 7 'Statement of Cash flows', where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expense associated with investing or financial cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

XX Investments

Investments, if any, are to be valued at fair value.

Note 32 FINANCIAL RISK MANAGEMENT

The Company's activities expose it to a variety of financial risks i.e. Market Risk, Liquidity Risk and Credit Risk.

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

A. Market risk
Foreign Currency Risk:

There are no currency rate risk on the Company since all the transactions are done in the functional currency (INR) and the Company has not taken any loans or borrowings from the market in foreign currency.

Interest Rate Risk:

The exposure of the Company's borrowing to interest rate charges at the end of the reporting period is on the amount of outstanding balance of cash credit facilities from Indian Overseas Bank/ Bank of Baroda. The interest rates are linked to 1 year MCLR and are changed at the time of annual renewal. The rates will either increase or decrease depending on changes in RBI's and Bank's policies.

Price Risk:

The Company faces price risk due to change in price of Raw Materials from time to time. To shield itself from them, all sales contracts and orders are variable to changes in prices from time to time. They are based on the price of raw materials at the beginning of each month or weighted average price of last 3 months.

B. Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding to meet obligations when due. Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash requirements.

C. Credit risk

Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The carrying amounts of financial assets represent the maximum credit risk exposure.

Assets are written off when there is no reasonable expectation of recovery. The Company write offs debtors when they fail to make contractual payment greater than a reasonable limit post due.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information.

Trade and Other Receivables

Credit risk refers to the risk of default on its obligation by the counter party resulting in financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 236.26 Lakhs and Rs. 383.94 Lakhs as at March 31, 2025, and March 31, 2024 respectively. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry. The Company monitors its exposure to credit risk on an ongoing basis at various levels. Outstanding customer receivables are regularly monitored.

Due to the geographical spread and the diversity of the Company's customers, the Company is not subject to any significant concentration of credit risks at balance sheet date.

Cash and Cash Equivalents and Bank Deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits accounts in different banks across the country.

Cash Credit Facilities

Cash credits facilities from Bank of Baroda, Park Street Branch, Jaipur together with interest and other charges thereon, is secured by mortgage of company's land and building together with plant and machinery thereon both present and future and by way of a hypothecation charge over all movable assets including book debts, stock etc. of the company and secured by personal guarantee of three directors of the company. Cash credit is payable on demand and carries interest rate @ 10.25% p.a. on monthly rest.

**Note 33 Fair Value Measurement**

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments.

(Amount in Lakhs)

Particulars	As at 31st March, 2025		As at 31st March, 2024	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets designated at fair value through profit and loss	-	-	-	-

Particulars	As at 31st March, 2025		As at 31st March, 2024	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Liabilities designated at amortised cost				
Borrowings (Non-Current and Current)	257.04	257.04	439.94	439.94
Trade Payables	7.34	7.34	30.05	30.05
Other Financial Liabilities	32.41	32.41	29.51	29.51

Particulars	As at 31st March, 2025		As at 31st March, 2024	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Liabilities designated at fair value through profit and loss	-	-	-	-

(i) Fair Value of Financial Assets and Liabilities

- The carrying amounts of trade receivables, trade payables, capital creditors, cash and cash equivalents, other bank balances, other financial assets, short term borrowings and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.
- Majorly the security deposits are redeemable on demand and hence the fair values of security deposits are approximately equivalent to the carrying amount.
- There is no material difference between carrying amount and fair value of non-current borrowings as on March 31, 2025 and March 31, 2024.

(ii) Fair Value Hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

**Note 34 CAPITAL RISK MANAGEMENT****Objective**

The primary objective of the Company's capital management is to maximize the shareholder value. i.e. to provide maximum returns to the shareholders. The Company's primary objective when managing capital is to ensure that it maintains an efficient capital structure and healthy capital ratios and safeguard the Company's ability to continue as a going concern in order to support its business and provide maximum returns to the shareholders. The Company also proposes to maintain an optimal capital structure to reduce the cost of capital. No changes were made in the objectives, policies or processes during the year ended March 31, 2025 and March 31, 2024.

Policy

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the rules and regulations framed by the Government under whose control the Company operates.

Process

The Company manage its capital by maintaining sound/optimal capital structure financial ratios, such as net debt-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary. Debt-to-equity ratio as of March 31, 2025, and March 31, 2024 is as follows:

	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Liabilities designated at fair value through profit and loss	-	-	-	-

(i) Fair Value of Financial Assets and Liabilities

- The carrying amounts of trade receivables, trade payables, capital creditors, cash and cash equivalents, other bank balances, other financial assets, short term borrowings and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.
- Majorly the security deposits are redeemable on demand and hence the fair values of security deposits are approximately equivalent to the carrying amount.
- There is no material difference between carrying amount and fair value of non-current borrowings as on March 31, 2025 and March 31, 2024.

(ii) Fair Value Hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.
