# Notes

---

- Segment Information :

Segment reporting in financial results: Based on the "management approach" as defined in Ind AS 108 - 'Operating Segments', the Chief Operating Decision Maker (CODM), as represented by Chairman, Managing Director and CFO, evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments. The accounting principles used in the preparation of these financial results are consistently applied to record revenue and expenditure in individual segment.

# Outlook 2021

## Assumptions for 2021

- COVID uncertainty continues on the frequency, severity and duration of each wave and impact on Indian economy in FY21-22.
- We expect the upcoming festive season and good monsoon to help revive the economy.
- We expect the initiatives by Government such as Production Linked Incentive schemes, Atmanirbhar Bharat initiative to support the economy.
- Global economies and supply chains to recover driven by stimulus packages in major countries.

## Target 2021

- Continue to strengthen our product position in focus segments and drive mix to maximize margins in line with INEOS Styrolution Triple Shift Strategy
- Continue focus on safe operations and maximize utilization of in-house assets to improve ROCE
