NOTES FORMING PART OF FINANCIAL STATEMENTS AS AT 31ST MARCH, 2015

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

1. GENERAL

- a) The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention except for Leasehold Land, certain Buildings, Plant & Equipment which are revalued in 1990-91 are carried at revalued amount.
- b) The Company follows the mercantile system of accounting and recognizes income and expenditure on the accrual basis.
- c) The accounting policies have been consistently followed.

2. USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

3. FIXED ASSETS

- a) Fixed Assets are stated at cost adjusted by revaluation in case of Leasehold Land, certain Buildings, Plant & Machinery, Research & Development Equipment and Effluent Treatment Plant.
- b) In accordance with AS 28 on 'Impairment of Assets' notified in the Companies (Accounting Standard) Rules, 2006, where there is an indication of impairment of the Company's assets related to cash generating units, the carrying amounts of such assets are reviewed at each balance sheet date to determine whether there is any impairment. The recoverable amount of such assets is estimated as the higher of its net selling price and its value in use. An impairment loss is recognized whenever the carrying amount of such assets exceeds its recoverable amount. Impairment loss is recognized in the statement of profit and loss. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to the extent of the carrying value of the asset that would have been determined (net of amortization / depreciation), had no impairment loss been recognized.

4. DEPRECIATION

A) Tangible Assets

- a) Depreciation on Fixed Assets is provided on straight line method at the rates and in the manner specified in Schedule II to the Companies Act, 2013 with effect from April 01, 2014. Further, in the case of revalued assets, depreciation is calculated on straight line method on the revalued amounts as determined by the valuer. As per the revised policy, the company is depreciating such assets over their useful life as assessed by the management. The management has decided to apply the revised accounting policy prospectively from accounting periods commencing on or after 1 April 2014.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS AS AT 31ST MARCH, 2015

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

1. GENERAL

- a) These consolidated financial statements have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

2. USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

3. PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the financial statements of Amines & Plasticizers Ltd. (the Parent Company) and its subsidiary companies viz 1) APL Infotech Limited, India which is 51% owned and controlled 2) APL Engineering Services Private Limited, India which is wholly owned and controlled have been prepared in accordance with the consolidation procedures laid down as per Section 129 (3) of the Companies Act, 2013.

The consolidated financial statements have been prepared on the following basis:

- The financial statements of the Parent and its subsidiary companies have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances / transactions and resulting profits in full.
- The consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the Parent for its separate financial statements.
- The consolidated financial statements are prepared using uniform accounting policies across the Group.
- Capital Reserve arising on consolidation :

The cost to the Parent of its investment in the subsidiaries is less than the parent's portion of equity of the subsidiaries, at the date on which the investment in the subsidiaries was made, the difference is treated as a 'Capital Reserve' in the consolidated financial statements.

4. FIXED ASSETS

- a) Fixed Assets are stated at cost adjusted by revaluation in case of Leasehold Land, certain Buildings, Plant & Machinery, Research & Development Equipment and Effluent Treatment Plant.
- b) In accordance with AS 28 on 'Impairment of Assets' notified in the Companies (Accounting Standard) Rules, 2006, where there is an indication of impairment of the Company's assets related to cash generating units, the carrying amounts of such assets are reviewed at each balance sheet date to determine whether there is any impairment. The recoverable amount

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS AS AT 31ST MARCH, 2015

of such assets is estimated as the higher of its net selling price and its value in use. An impairment loss is recognized whenever the carrying amount of such assets exceeds its recoverable amount. Impairment loss is recognized in the statement of profit and loss. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to the extent of the carrying value of the asset that would have been determined (net of amortization / depreciation), had no impairment loss been recognized.

5. DEPRECIATION

1. Tangible Assets

- a) Depreciation on Fixed Assets is provided on straight line method at the rates and in the manner specified in Schedule II to the Companies Act, 2013 with effect from April 01, 2014. Further, in the case of revalued assets, depreciation is calculated on straight line method on the revalued amounts as determined by the valuer. The difference between the depreciation on the assets based on such revaluation and that on original cost is transferred from Revaluation Reserve Account to Profit and Loss Account.
- b) Till year ended 31 March 2014, to comply with the requirements of Schedule XIV to the Companies Act, 1956, the company was charging 100% depreciation on assets costing less than Rs 5,000/- in the year of purchase. However, Schedule II to the Companies Act 2013, applicable from the current year, does not recognize such practice. Hence, to comply with the requirement of Schedule II to the Companies Act, 2013, the company has changed its accounting policy for depreciations of assets costing less than Rs 5,000/-. As per the revised policy, the company is depreciating such assets over their useful life as assessed by the management. The management has decided to apply the revised accounting policy prospectively from accounting periods commencing on or after 1 April 2014.
- c) Depreciation on Fixed Assets added/disposed off/discarded during the year has been provided on the pro-rata basis with reference to the month of addition/disposal/discarding.
