**Subject: Investor Presentation**

Dear Sir/Madam,

Pursuant to Regulation 30(6) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015, we enclose herewith Investor presentation for August, 2025.

The aforementioned presentation will also be uploaded on the Company's website viz. [www.transpek.com](http://www.transpek.com).

We request you to take the above on your records and acknowledge receipt.

Thanking you,

**Yours faithfully,**  
**For Transpek Industry Limited**

## Investor Presentation

August 2025

This presentation and the accompanying slides (the “Presentation”), which have been prepared by **Transpek Industry Limited** (the “Company”), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or to be relied on in connection with any contract or binding commitment what so ever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

Certain matters discussed in this Presentation may contain statements regarding the Company’s market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the industry in India and world-wide, competition, the company’s ability to successfully implement its strategy, the Company’s future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cash flows, the Company’s market preferences and its exposure to market risks, as well as other risks. The Company’s actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company and the Company is not responsible for such third-party statements and projections.

# Q1 FY26 - Financial Highlights

- The company reported revenue of ₹165 crore, a 2% growth on a YoY basis with EBITDA margin of 21.5%.
- Steady demand witnessed in both domestic and international markets for key products.
- We plan to introduce additional non-acid, non-alkyl chloride chemistries to develop higher value-added and innovative products, thereby expanding presence across a wider client base and end-use markets.
- Introduced three new non-acid chloride products and, in line with strategy to expand into new geographies, began selling to customers in South America, Eurasia, and Japan, while continuing to broaden market presence.
- With a focus on global expansion, responsible manufacturing, and research-driven innovation, the company is well-positioned for steady long-term growth.
- The Company continues to take steps to reduce energy costs by undertaking various Energy Conservation Activities.
- The Board of Directors approved the acquisition of up to 4% of the share capital of First Energy Eleven Private Limited, a Special Purpose Vehicle of Thermax Limited, with an investment of up to ₹4 crore, enabling access to 2.8 MW of renewable solar and wind energy to reduce power costs, ensure reliable green power, earn carbon credits, and advance sustainable ESG goals.

# Received Ecovadis Gold Award & Responsible Care

- Awarded the prestigious EcoVadis 'Gold Medal' for outstanding sustainability performance.
- Recognized for excellence in Environment, Labor & Human Rights, Ethics, and Sustainable Procurement.
- This achievement ranks the company among the top 5% of all companies evaluated by EcoVadis in the Chemical Sector.

- Responsible Care is the chemical industry's unique global initiative that drives continuous improvement in safety, health and environment performance together with open and transparent communication with all the stake holders.

## Capex

- The Capex for next two years will be based on the timing of the introduction of new products and any significant investment will be announced appropriately. Evaluating a couple of new products for investment in manufacturing capacity.

## Logistic & Sourcing

- The cost of freight & logistics have been stabilizing while uncertainty continues. The Company has been actively managing the issues with good outcomes. At the same time, a significant part of logistics cost is borne by the customers directly.

## Business Volumes

- Though the world is experiencing significant economic & political challenge at present, the Company does not expect any major change in demand structure of its products in the long run. However, US tariff may adversely impact the volumes and / or margins. We are working with our customers to find the solutions.

## EBITDA

- Average expected EBITDA is about 16% to 20%. However, this can go beyond this range up or down as it is dependent on product mix (based on the demand), pricing and volumes. Also, it can vary from quarter to quarter due to product mix, raw material prices and numerator/denominator effect.

# Transpek at Glance

# About us

Environment  
Protection

Founded by  
Shri. Govindji  
Shroff in 1965

Creative  
Chemistry

Over three  
decades of  
presence in the  
international  
market

Part of Excel  
group of  
companies

Over 5 decades  
experience in  
Sulphur and  
Chlorine  
Chemistry

Customer  
Focus

Exploring every  
possible  
compound  
from Sulphur  
and Chlorine

Headquartered  
in Vadodara, -  
approximately  
400 kms from  
Nhava Sheva

# Our journey over five decades

1965

Incorporated Transpek Industry Pvt. Ltd. for manufacturing Acrylic Sheets

1968

Strategic diversification to chemical manufacturing business

1978

Invitation to public for Initial Public Offer

1979

Started manufacturing of Thionyl Chloride (First Company to do so in Asia)

2012

Significant strategic shift from Thionyl Chloride to various Acid Chlorides

2004

Set up of First Multi Purpose Acid Chloride Plant

2000

Transferred Sulphoxylates Division to Transpek Silox Industry Ltd.

1986

Started Exporting Chemicals and manufacturing Chloro Acetyl Chloride (First Indian Company to do so)

2017

Long term supply agreement with global chemical giant

2018

Started supplying under long term supply agreement and became big global player in acid chlorides

Certified with ISO 50001 & ISO 45001

2022-23

Received Responsible Care Certification and Energy Conservation Award for Energy Conservation Activities

2025

Awarded EcoVadis 'Gold Medal' for outstanding sustainability performance

Certified with ISO 27001

# Our products are supplied to varied industries

Leading global supplier for '**Chlorinated Products**' to various industry sectors ranging from Pharmaceuticals, Agrochemicals and dyes to pigments.

## Polymers

## Pharma

## Specialty Chemicals

## Agro Chemicals

## Cosmetics

## Dyes

### FY25 Sales Distribution based on Application

# Our products have multiple applications

## Diversified Products Across India's Fastest Growing Industries

- 2, 4, 6 Trimethyl Benzoyl Chloride
- Octanoyl chloride
- Propargyl Chloride Solution

### Specialty Chemicals

- Cocoyl Chloride
- Diethylene Glycol Dichloride
- Isononanoyl Chloride
- Lauroyl chloride

### Surfactants

- 2-Methoxyethyl chloride
- 2-Propoxyethyl chloride
- Methoxyacetyl chloride
- n-Butyryl chloride
- n-Valeroyl Chloride
- Octanoyl chloride
- Propargyl Chloride Solution
- Sulphur Dichloride
- Thionyl Chloride

### Agrochemicals

- 2-Chloroethylamine Hydrochloride Solution
- Isophthaloyl Chloride
- m-Nitrobenzoyl chloride
- p-Nitrobenzoyl Chloride
- Sulphur Dichloride
- Sulphur Monochloride
- Terephthaloyl chloride
- Thionyl Chloride

### Dyes

- 2-Ethylhexanoyl chloride
- Isononanoyl Chloride
- Isophthaloyl Chloride
- Neodecanoyl Chloride
- Octanoyl chloride
- Pivaloyl chloride
- Terephthaloyl chloride

### Polymers

- 2-Chloroethylamine Hydrochloride Solution
- 4-Chlorobutyryl Chloride
- 2-Methoxyethyl chloride
- Diethylene Glycol Dichloride
- Isobutyryl chloride
- Lauroyl chloride
- Methoxyacetyl chloride
- n-Butyryl chloride
- n-Decanoyl chloride
- n-Octyl chloride
- n-Valeroyl Chloride
- o-Toluoyl chloride
- Octanoyl chloride
- Pivaloyl chloride
- p-Nitrobenzoyl Chloride
- Propargyl Chloride Solution
- Sulphur Dichloride
- Triethyleneglycol Dichloride
- Thionyl Chloride

### Pharma

“The company has a **strong experience** in manufacturing of products using chlorinated chemistry presenting **unending opportunities** for supply of **intermediates and specialty chemicals** suitable for **multiple applications**”.

# Our capabilities developed over years

## Research & Development

- ◇ In house development of products
- ◇ DSIR approved R&D Facility
- ◇ R&D Lab approved by MS University of Baroda for PhD research
- ◇ Kilo lab and Pilot plants for trials before commercializing plants

## Logistics

- ◇ Over 600 ISO tank management with own ISO tank repairs and cleaning stations

## Customer Base

- ◇ Long lasting and strong relationship with domestic and international buyers

## Sustainability Ratings

- ◇ ECOVADIS Sustainability platform – the company is rated very high with **‘Gold Badge’**
- ◇ One of those few Indian companies to have a separate Process safety function which was set up many years back.

## Manufacturing Capabilities

- ◇ Over 50 years of experience
- ◇ Unique recycling system with closed loop chemistry
- ◇ Expertise in chlorination chemistry

## Supply Chain

- ◇ Stable association with vendors and service providers

# Our clients trust in our capabilities & chemistries

Company has built an excellent reputation globally – Testament to our Reliability and Trustworthiness

Contract  
Period

10 years  
Exclusive contract with a  
**'MNC Giant'**

Products

Supply of **'Acid Chlorides'**

Global  
Player

**'Global Recognition and  
Visibility'**

- Long-term supply agreement commenced from 1st January 2018
- High performance product with dedicated manufacturing facility
- Positive effect on the turnover of the Company
- Augmented already solid reputation among Global Chemical Giants.
- EPS accretive

# Our plants are multipurpose and multiproduct

## **Ekalbara**

Located ~25 km away from the headquarter location at Vadodara, Gujarat.

- ★ Dedicated multipurpose and multiproduct plants spread over 100 acres with total production capacity of 66,000 MTPA.
- ★ Having an expert team of engineers for **Process Scale-up, Plant Design, Erection, and Commissioning**
- ★ Having a facility to take up **contract manufacturing** as well as job work facility for our customers to provide them **economically viable solutions**.
- ★ Handle projects for global clients in the areas of **pharmaceuticals, agrochemicals and specialty chemicals** by **deploying our expertise in chlorination technology** along with other core technologies

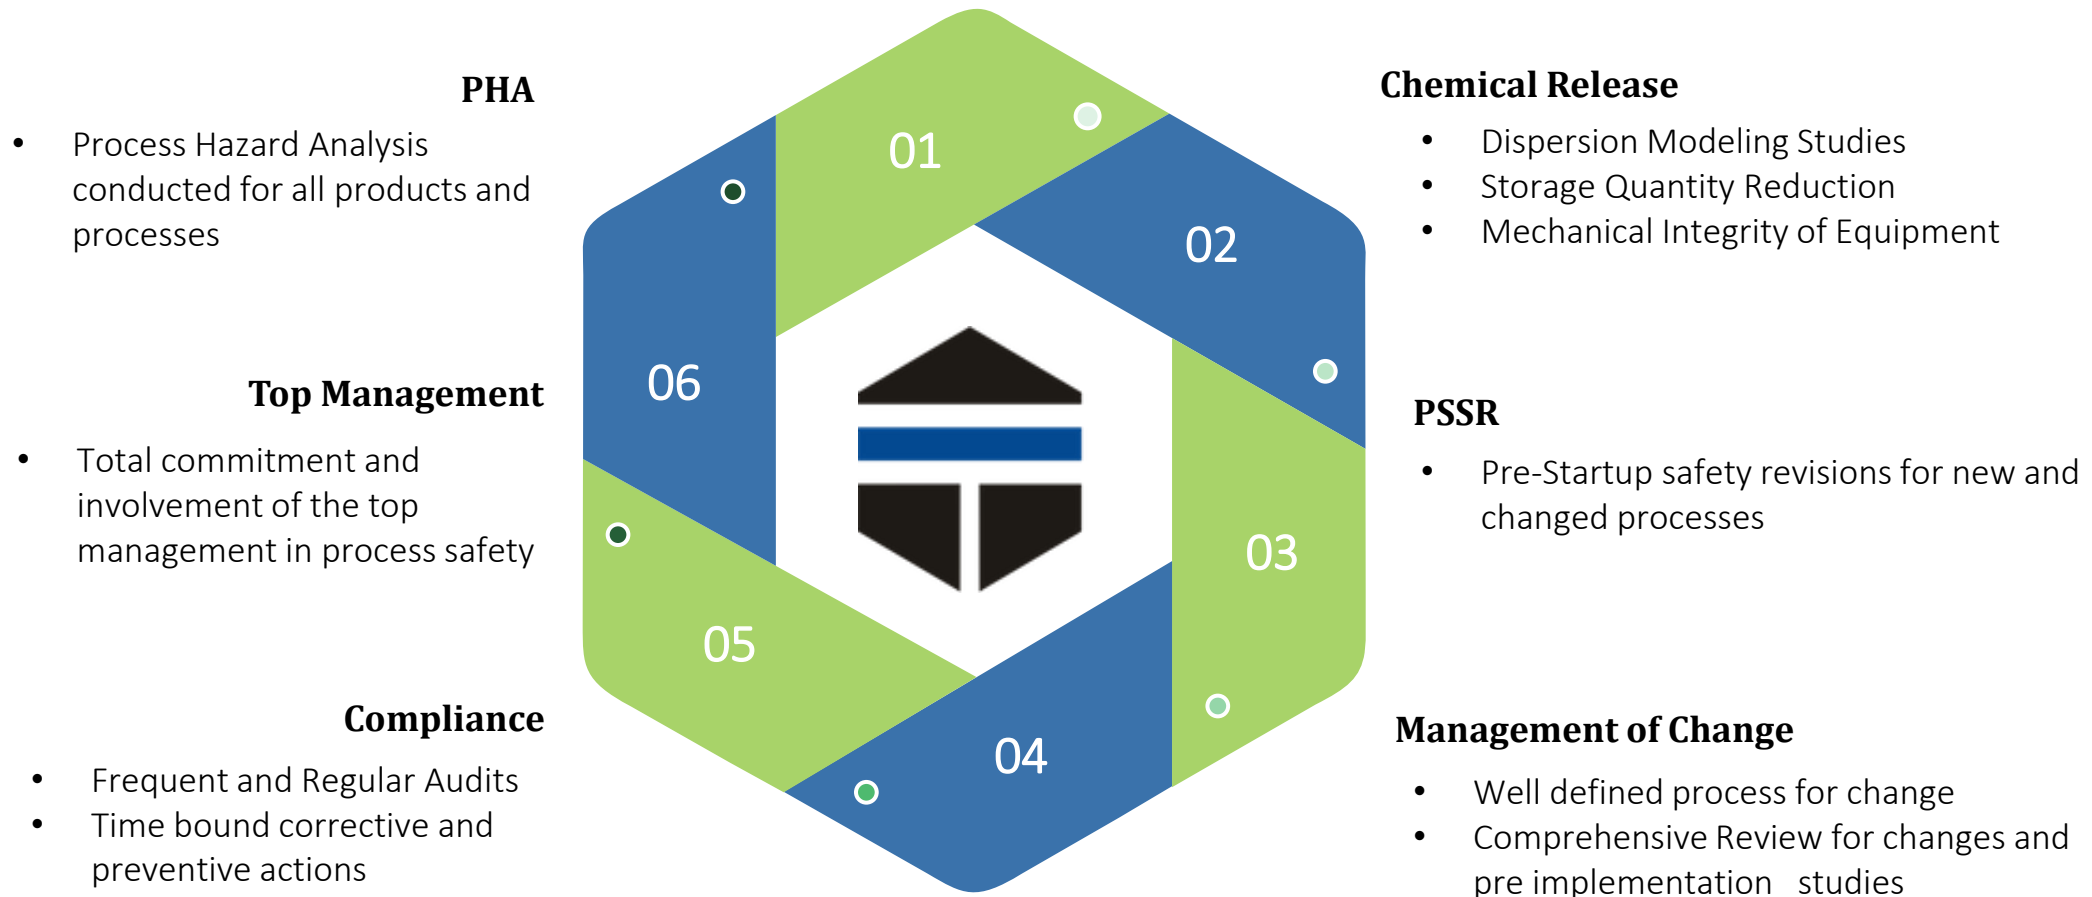

- Strategically located in largest chemical manufacturing zone
- ~ 400 kms away from Nhava Sheva Seaport, Mumbai
- Mundra, Pipavav and Hazira seaports are also well in reach
- Vadodara is also having ICD (Inland Container Depot) which is well connected to rail network with different regional ports

## Research & Development

- Developed a comprehensive in-house R&D facility **recognized by the Department of Science & Technology, Government of India**, which is equipped with latest technology and equipment
- Every new and existing product undergoes a constant research at our lab
- Derived **competitive edge in manufacturing of Acid Chlorides and Alkyl Chlorides**, which have wide applications. We have developed several products and started its commercial production and supply.
- We have the **facility of gram lab, kilo lab and pilot plant to scale up the process.**
- It also **approved by Maharaja Sayajirao University of Vadodara** for allowing students pursuing Doctorate of Philosophy (Ph. D) to conduct research and experiments.

# Our top management is committed to process safety

## Separate Process Safety Management Team

- Chemical Engineers
- Chemists
- Safety Professionals
- Automation Professionals

# Our transportation is safe, systematic and sustainable

## Logistics

- Safe, systematic and sustainable transportation is a **key challenge to ever changing global chemical industry**
- **Pioneers in developing in-house ISO Tank station** which is well equipped with state-of-the-art technology
- We manage over 600 ISO Tanks for safe and secure transportation of our products
- Each tank is closely monitored for its efficient utilization and periodically inspected by competent authority
- Our team provides end to end support to deliver the material in ISO Tanks
- Facilitated many customers in transitioning to use ISO Tanks using our technological competence

## Packaging

- We offer different sizes of drum packing for our products which are **UN approved and certified by Indian Institute of Packaging**
- All packing, marking and labeling are prepare & ship **as per IMDG and IATA guidelines**

# Our products are delivered across the globe

## One of the Pioneering Global Exporters from India since 1986

Long term relations with Leading Global Chemical Giants

FY25 - Revenue Breakup

FY25 - Region-wise Breakup

# Our board has vast industry experience

## Mr. Ashwin C. Shroff | Chairman

A science graduate, Mr. Shroff has played a pivotal role in advancing the growth of industrial chemicals, agrochemicals, and environmental businesses. He served as the President of the Indian Chemical Council from 1996 to 1998 and is a current member of both the FICCI Environment Committee and the FICCI Chemicals Committee.

## Mr. Bimal Mehta | Managing Director

Professionally qualified as a CA, Mr. Mehta has held senior level positions in both Indian and multinational companies. With 33 years of experience, he brings expertise in business strategy, market growth, customer relationships, and finance.

## Mr. Avtar Singh | Joint Managing Director

With 41 years of extensive experience in chemicals, pharmaceuticals, and agrochemical products, Mr. Singh began his career at Gharda Chemicals Private Limited. In 1981, he joined Punjab Chemicals and Crop Protection Limited (PCCPL), where he worked in operations and managed plants in various capacities.

## Mr. Dipesh K. Shroff | Director

Mr. Dipesh Shroff holds a Diploma in Civil Engineering, an M.E.P. from IIM Ahmedabad, and an OPM from Harvard Business School, Boston. He is currently the Managing Director of Agrocel Industries Private Limited.

## Mr. Ravi A. Shroff | Director

Mr. Ravi Shroff holds a B.E. in Chemical Engineering and an M.S. in Chemistry. He is a director in several private limited companies and one investment company, and he is also a partner in multiple partnerships. Currently, he is serving as the Managing Director of Excel Industries Limited.

## Mr. Rajeev Pandia | Independent Director

A Chemical Engineering graduate from IIT Bombay with a master's from Stanford University, served as President of the Indian Chemical Council (2000–2002) and led Herdillia Chemicals Limited (later SI Group – India Limited) as Vice Chairman and Managing Director from 1992 to 2008. He is also an independent director for several companies.

## Mr. Anandmohan Tiwari | Independent Director

Mr. Tiwari has served for 34 years as a member of the Indian Administrative Service, dedicating 20 of those years to the social sector, focussing on women's empowerment, rural and tribal development, education, and CSR. His executive roles include serving as Managing Director at Gujarat Narmada Valley Fertilizers Company, Gujarat Alkalies and Chemicals Limited, Vadodara, and Gujarat State Fertilizers & Chemicals Limited, Vadodara.

## Mr. Vijay Maniar | Independent Director

Shri Vijay Maniar, a fellow member of the Institute of Chartered Accountants of India with over 39 years of experience, ran his practice from 1985 to 1999. He then served with S.R. Batliboi & Co. LLP until 2021, specializing in statutory audits of large companies. Since January 2022, he has been an advisor and mentor at ASA & Associates' Mumbai branch and serves as an Independent Director for India Infradebt Limited and FDC Limited.

## Ms. Rita Teatolia | Independent Director

Ms. Rita Teatolia, a 1981 batch IAS officer of the Gujarat cadre, has over 40 years of experience. She served as Managing Director of GIPCL, Commerce Secretary (2015–2018), and later Chairperson of the Food Safety and Standards Authority of India from November 2018.

## Mr. Maulik D. Mehta | Independent Director

With over 16 years of experience, he holds a Bachelor of Business Administration, a Master's in Industrial and Organizational Psychology, and has completed the Owner/President Management executive MBA program at Harvard Business School. Since June 2020, he has been serving as the Executive Director & CEO of Deepak Nitrite Limited.

# Our company has adopted a sustainable method of doing business

## Well Established, Efficient & Effective Safety and Environmental Practices

Accredited with ISO 9001:2015, ISO 14001:2015, BS OHSAS 18001:2007 for Management System and ISO 50001:2011 for Energy Management System

ESG at the heart of all we do

# Environment, health and safety

Rainwater harvesting and recharging

Green cover in Transpek premise

Safety is our responsibility

We have **Full-fledged Effluent management system** with a licensed discharge facility to the central Effluent channel  
Our company has **100 acres of land** with a green belt of more than **30,000 trees** within its premises

# Parul University CSR Awards 2025

Company was honored with an award by Parul University at the CSR Convention & Best Practices in Corporate Social Responsibility

# Energy conservation award by Government of India

Company received an award from Ministry of Power for Energy Conservation Activities undertaken from 2018-2021.

This award was given by Hon'ble Minister of Power.

# Awards and Recognitions – A glimpse

## Government of Gujarat: Excellence in CSR Award

## FGI Award for Excellence in the field of Environment Pollution Abatement & Preservation

## Indian Chemical Council: Best in Social Responsibility Award

## CSR Award for Outstanding contribution

Shri Atul Shroff, Director & Union Leader Shri Ashok Narsinh receiving the award at the hands of Hon. O. P. Kohli – Governor of Gujarat

Shri Bimal V. Mehta, MD, receiving Federation of Gujarat Industries Award at the hands of Shri Manohar Parrikar, Minister of Defence, Government of India

Vice President (Marketing) and Dy. General Manager (HRM) receiving the Indian Chemical Council Award for Social Responsibility

Received award for Outstanding Contribution in the field of CSR by EXIM Club

Many Awards in Social Responsibility, Environment Protection & Water Conservation  
Recognition for Company's Values, Ethics and Social Commitment

## Women Empowerment Workshops

Understanding the needs of communities, addressing them through need-based projects and making them work together to help create game changing development for sustainable growth

## Vocational Training

Our vision is to actively contribute towards creating innovative and sustainable solutions in the fields of health, education, vocational training and skill building and in doing so, build a better sustainable way of life for the weaker sections of the society

## Solidifying the base

Focus on all round development of children with special teaching classes for academic purpose and workshops having various activities

## Health Awareness

Several sessions arranged for creating health awareness on issues like HIV, Anemia, Women's Health and hygiene, Cancer etc. Special medical check up camps are also arranged for addressing their health issues and for providing medicines and guidance to everyone

## Strengthening the Foundation

# Consolidated Financial Highlights

Revenue\* (Rs. In Cr)

EBITDA\* (Rs. In Cr)

PAT (Rs. In Cr)

Core ROCE & ROE (%)\*

Debt (Rs. In Cr) & Debt / Equity (x)

Net Working Capital^ (No. of days)

Debt includes Long term debt, short term debt and current maturities of long term debts payable to Banks & Financial Institutions. | ^Calculated on the basis of revenue from operations

\*Core ROCE & ROE Excludes the Equity Investments through Other Comprehensive Income component in Equity

# Consistent Dividend Performance

\*Dividend for FY 2024-2025 will be subject to approval by share holders at ensuing Annual General meeting of the company

# Way Forward

## Product Development

While adding more Acid Chlorides, we have been focusing on other products that are under development at different stages. Once commercialized, these products shall provide further growth.

## Geographic Expansion

The Company has been working to expand its customer base and geographical spread which will add to the overall business volumes in the coming period. Recently, business has been started with customers in Eurasia and South America.

## Sustainability Practice

The Long-Term Strategic Growth shall be achieved through a combination of both the above, combined with intensive & continued focus on best sustainability practices and customer delight.
