DIVIDEND:

Your Directors have recommended a dividend @ 8% i.e. ₹ 0.80 per equity share of ₹ 10/- each for the financial year ended 31st March, 2018 amounting to ₹ 2,084 thousand (Inclusive of dividend tax of ₹ 355 thousand) . The dividend payout is subject to approval of the members at the ensuing Annual General Meeting.

TRANSFER TO RESERVE:

The Directors doesn't propose to transfer any amount to reserve during the year.

INDIAN ACCOUNTING STANDARDS (Ind-AS):

The Ministry of Corporate Affairs (MCA), vide its notification in the Official Gazette dated February 16, 2015, notified the Indian Accounting Standards (Ind-AS) applicable to certain classes of companies. Ind-AS has replaced the existing Indian GAAP prescribed under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. The Company has adopted Indian Accounting Standard (Ind-AS) with effect from 1st April, 2017, with a transition date of April 1, 2016. Accordingly, financial statements of the Company and consolidated financial statements were prepared for the financial year ended 31st March, 2018 with comparative data for the year ended March 31, 2017, in compliance with 'Ind-AS'.

OPERATIONS AND STATE OF COMPANY'S AFFAIRS :

The Company's Revenue from operations have increased from ₹ 476,737 thousand in the FY 2016-17 to ₹ 535,439 thousand in the FY 2017-18. Sale of Beverages has increased from ₹ 446,260 thousand in the FY 2016-17 to ₹ 506,380 thousand in the FY 2017-18, showing an increase of 13.5%. Total Comprehensive Income of the Company has also increased from ₹ 3,230 thousand in the FY 2016-17 to ₹ 11,825 thousand in the FY 2017-18. The total comprehensive income has been mainly increased due to decrease in tax expenses. Desired results could not be achieved due to increase in the cost of material and manpower without corresponding increase in the sale price of our products, since sale price is fixed by our principal, M/s Bisleri International Pvt. Ltd.

Leasehold rights of the Company in a property situated at 225C, A. J. C. Bose Road, Kolkata is going to expire in the next financial year. The Company is in the negotiations with the landlord for renewal of the lease; however outcome of the

negotiation cannot be ascertained at this stage. The Company has received settlement proposal from a tenant namely M/s Income Tax Appellate Tribunal against a long pending dispute in the matter of increase in rent. The Company is in the process of executing necessary documents for settlement and withdrawal of court case filed by it. A good increase in the rental income of the Company is expected up on completion of settlement process. The Directors hope for a better year ahead in the current year, subject to the stable market conditions.

SUBSIDIARY COMPANIES:

Sharad Quench Pvt. Ltd. (SQPL): The Company had promoted a wholly owned subsidiary, SQPL on 29th March, 2017 to construct and operate a packaged drinking water project at P.O. Sankrail, Dist. Annexure - I to the Directors' Report

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

- a. Industry structure and developments:** The global economy continued to grow, with estimated output growth of 3.7% in 2017 as against 3.2% in 2016. Tax reforms in the U.S. should push the economy to grow 2.7% in 2018 vis-à-vis 2.3% in 2017. Emerging economies are projected to rise to 4.9% in 2018 from 4.7% in 2017. (Source: World Economic Outlook Update, January 2018)

The Indian industry witnessed implementation of a series of transformational reforms in FY 2018. It is projected to grow at 6.75% in FY 2018 and edge up to 7-7.5% in FY 2019, thereby regaining the world's fastest growing major economy tag.

India is one of the fastest growing economies of the World. The Beverages industry being Fast Moving Consumer Goods (FMCG) segment is the fourth largest sector in the Indian economy. The market size of FMCG in India is estimated to grow from ₹ 2,04,030 crore in the year 2011 to ₹ 5,03,274 crore in the year 2018. The sector is further expected to grow at a Compound Annual Growth Rate (CAGR) of 27.86 per cent to reach ₹ 7,11,620 crore by 2020. Growing awareness, easier access and changing lifestyles have been the key growth drivers for the sectors.

- b. Opportunities and threats:** The Company's main threat is competition from multinational giants and local entrepreneur who are also engaged in beverages industry. The change in taste of consumers gives opportunities to the Company to grow further.
- c. Segment wise performance:** The Company is operating mainly in two segments i.e. Beverages and Real Estate business. Sale of Beverages has increased from ₹ 4,462.60 lakh in the FY 2016-17 to ₹ 5,063.80 lakh in the FY 2017-18, showing an increase of 13.5%. Whereas Rental income from Real Estate business has decreased from ₹ 304.77 lakh in the FY 2016-17 to ₹ 290.59 lakh in the FY 2017-18, showing a decrease of 5 %. However the Directors are hopeful for a better year ahead in the current year, subject to stable market conditions.
- d. Outlook:** Considering the Real Estate activities are stable, the Company is likely to focus mainly on beverages segment. The Company will also look forward for any attractive opportunities, if available in other sectors.
- e. Risks and concerns:** The risk of the Company are interest risk, market risk etc. Increased competition from multinational giants and increase in government levies, from time to time, are main concern of the Company.
- f. Internal control systems and their adequacy:** The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information.
- g. Financial performance with respect to operational performance:** The financial performance of the Company for the year 2017-18 is discussed in the Directors' Report under the head 'Operations and State of Company's Affairs'.
- h. Material developments in human resources and industrial relations front:** The Company sincerely make efforts and gives special attention to Human Resources/Industrial Relations development. Industrial relations remained cordial throughout the year and there was no incidence of strike, lock out etc.
- i. Cautionary statement:** Statement in this Management Discussion and Analysis Report, describing the Company's objectives, estimates and expectations may constitute 'Forward Looking Statements' within the meaning of applicable laws or regulations. Actual results might differ materially from those either expressed or implied.

Independent Auditor's Report

To the Members of
ORIENT BEVERAGES LIMITED

Report on the Standalone Ind-AS Financial Statements

We have audited the accompanying standalone Ind-AS financial statements of Orient Beverages Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2018, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "standalone Ind-AS financial statements").

Management's Responsibility for the Standalone Ind-AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these Standalone Ind-AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Accounting principles generally accepted in India including the Indian Accounting Standards (Ind-AS) prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind-AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone Ind-AS financial statements based on our audit. In conducting our Audit, we have taken in to account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and Order issued under section 143(11) of the Act. We conducted our audit of the standalone Ind-AS financial statement in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone Ind-AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind-AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the entity's preparation of the standalone Ind-AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the standalone Ind-AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind-AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind-AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of Company as at 31st March, 2018, and its profit including other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Other Matter:

The Company prepared its standalone financial statements for and up to the year ended 31st March, 2017 following the Accounting Standards notified under Section 133 of the Companies Act, 2013 read with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). The Company's standalone financial statements for the year ended 31st March, 2017 have been audited by the predecessor auditors who expressed an unmodified opinion on those financial statements dated 30th May, 2017. We have audited conversion of the financial results from Indian GAAP to Ind-AS for the year ended 31st March, 2017 also with transition date being 1st April, 2016 included in these standalone Ind-AS financial statements.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books and proper returns adequate for the purpose of our audit have been received from branches not visited by us.
 - c. The Balance Sheet, Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account and returns.
 - d. In our opinion, the aforesaid standalone Ind-AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - e. The Company has not entered into any such financial transactions or matters which have any adverse effect on the functioning of the company.
 - f. On the basis of written representations received from the directors as on March 31, 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018, from being appointed as a director in terms of sub-section (2) of section 164 of the Companies Act, 2013.
 - g. with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'; and
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind-AS financial statements- Refer note 43, 44 and 45 of the notes to the standalone financial statements.
 - ii. There were no material foreseeable losses on the long term contracts including derivative contracts and as such the Company was not required to make any provision for the same under the applicable law or accounting standards.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The disclosure regarding details of Specified Bank Notes held and transacted during 8th November, 2016 to 30th December, 2016 has not been made since the requirement does not pertain to the financial year ended 31st March, 2018.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF ORIENT BEVERAGES LTD.

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Orient Beverages Limited ('the Company') as of 31st March 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company is also engaged in real estate business. The Company is a public limited company, incorporated and domiciled in India and has its registered office at Kolkata, West Bengal, India. The equity shares of the Company are listed on the Bombay and Calcutta Stock Exchanges. The Standalone Financial Statements for the year ended March 31, 2018 were approved by the Board of Directors on May 30, 2018.

2 Basis of Preparation, Measurement and Significant Accounting Policies

A Basis of Preparation and Measurement

(i) Basis of Preparation

The financial statements are prepared in accordance with and in compliance, in all material aspect with Indian Accounting Standards (Ind-AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read along with Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standards) Amendment Rules, 2016 and other relevant provisions of the Act.

For all periods upto and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with the Accounting Standards earlier notified under Section 133 of the Companies Act, 2013, read together with relevant rules there under (Indian GAAP).

These are the Company's first annual standalone financial statements prepared in accordance with Ind-AS. The Company has adopted all applicable standards and adoptions were carried out in accordance with Ind-AS 101- First time adoption of Indian Accounting Standards. An explanation of how the transition to Ind-AS has affected the reported financial position and financial performance of the Company is provided in note 41 of these standalone financial statements.

(ii) Basis of measurement

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention, unless otherwise stated. All assets and liabilities are classified into current and non-current generally based on the criteria of realisation/ settlement within a twelve month period from the balance sheet date.

B Significant Accounting Policies:

The principal accounting policies applied in the preparation of the standalone financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

a Foreign currency and translations

(i) Functional and presentation currency

Items included in the standalone financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ("functional currency"). The financial statements are presented in Indian Rupees (₹), which is the functional currency of the Company.

(ii) Foreign currency transactions and balances

Transactions in foreign currencies are recorded at the exchange rate at the date of the transaction. Monetary assets and liabilities in foreign currencies are translated at year end rate. Any resultant exchange differences are taken to the statement of profit and loss, except when deferred in other comprehensive income as qualifying cash flow hedges. Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

b Property, Plant and Equipment

"Property, plant and equipment" are stated at original cost net of tax/duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognises the replaced part, and recognises the new part with its own associated useful life and it is depreciated accordingly. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria is satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of the asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met. "Internally manufactured property, plant and equipment" are capitalised at factory cost, including excise duty/ GST, whenever applicable. "Capital work-in-progress" includes cost of property, plant and equipment under installation/development as at the balance sheet date. Property, plant and equipment are eliminated from financial statement, either on disposal or retire from active use. Losses arising in the case of retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence. The assets' residual values, useful lives and methods of depreciation are reviewed at the end of each financial year and adjusted prospectively, if appropriate. "Depreciation" on straight line method on the property, plant and equipment is provided over the useful life of assets as specified in Schedule II to the Companies Act, 2013. Property, plant and equipment which are added/ disposed off during the year, depreciation is provided on pro-rata basis with reference to the day of addition/ deletion. Depreciation on properties on leasehold property has been charged on proportionate basis over the remaining period of lease.

c Investment Properties

Properties that are held for long-term rental yields or for capital appreciation or both, and that are not occupied by the Company, are classified as Investment Property. These are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Subsequent expenditure related to investment properties are added to its book value only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Investment properties being leasehold properties are depreciated over the remaining period of lease period on proportionate basis.

d Impairment of tangible and intangible assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest possible levels for which there are independent cash inflows (cash-generating units). Prior impairment of non-financial assets (other than goodwill) are reviewed for possible reversal at each reporting date. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

e Financial Instruments: Financial Assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit and loss. In other cases, the transaction costs are attributed to the acquisition value of the financial asset. Financial Assets are subsequently classified as measured at:

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

Trade Receivables: Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Debt instruments: Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Measured at amortised cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

Measured at fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any, are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

Measured at fair value through profit or loss: A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

Equity Instruments: All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

Derecognition: The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Asset: Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category. For financial assets other than trade receivables, as per Ind-AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables, is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss.

Financial Liabilities:

Initial recognition and measurement: Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest rate method (EIR).

Subsequent measurement: Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit and loss statement are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition: A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

f Investment in Subsidiaries, Associates and Joint Ventures

Investment in subsidiaries, associates and joint ventures are accounted at cost less impairment loss, if any, in the separate financial statements.

g Fair value measurement

The Company classifies the fair value of its financial instruments in the following hierarchy, based on the inputs used in their valuation

- i) Level 1 - The fair value of financial instruments quoted in active markets is based on their quoted closing price at the balance sheet date.
- ii) Level 2 - The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.
- iii) Level 3 - The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

h Inventory

Real Estate: Valued at lower of cost including other attributable expenses or market realisable value.

Shares: Initially it is recorded at purchases price. At year end, it is measured at lower of cost or market value, in case of quoted shares and at lower of cost or book value in case of unquoted shares. Resultant profit or loss is recognised in Statement of Profit and Loss.

Finished Goods: Finished goods has been valued at lower of cost or market realisable value.

Work in Progress: Work-in-progress has been valued at cost incurred up to the stage of completion.

Raw/Packing Material: Valued at cost.

i Employee Benefits

(i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are recognised in the period in which the employee renders the related service.

(ii) Post Employment Benefits

Gratuity Plans: Gratuity is payable to all eligible employees of the Company on death, permanent disablement and resignation in terms of the provisions of the Payment of Gratuity Act, 1972 or as per the Company's Scheme, whichever is more beneficial to the employees. Benefit would be paid at the time of separation based on the last drawn basic salary.

Leave Encashment: Eligible employees can carry forward and encash leave up to death, permanent disablement and resignation subject to maximum accumulation allowed as applicable to the concerned division of the Company or individual employee, highest being up to 88 days. Leave over and above accumulation allowed is liable to be encashed in the next year based on gross salary drawn in the last year.

Both benefits are determined through independent actuarial valuation at year end and charged to statement of profit and loss.

(iii) Termination Benefits

Termination Benefits are charged to the Statement of Profit and Loss in the year in which they are incurred.

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

j Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

k Income Tax

(i) Current Income Tax

Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with provisions of Income Tax Act, 1961.

(ii) Deferred Tax

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date. Current income tax/deferred tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

(iii) Minimum Alternate Tax

According to section 115JAA of the Income Tax Act, 1961, Minimum Alternative Tax ('MAT') paid over and above the normal income tax in a subject year is eligible for carry forward for fifteen succeeding assessment years for set-off against normal income tax liability. The MAT credit asset is assessed against the Company's normal income tax during the specified period.

l Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, and represents amounts stated net of discounts, GST, other taxes and returns. The Company recognises revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the Company's activities, as described below. The Company bases its estimate of return on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

(i) Sale of goods and services

Sales are recognised when the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of contract, which generally coincides with the delivery of the product. Income and fees from services are accounted as per terms of relevant contractual agreements /arrangements. The products are often sold with sales related discounts such as volume discounts, customer rebates, trade support and listing costs and consumer promotional activities as billed by customers. Sales are recorded based on the price specified in the sales contracts, net of the estimated discounts/rebates and returns at the time of sale. Accumulated experience is used to estimate and provide for the discounts and returns.

(ii) Rental Income

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

(iii) Interest Income and Dividend Income

Interest income is recognised using the effective interest method. Dividend income is recognised when the right to receive payment is established.

m Leases

(i) As a lessee

Lease of assets, where the Company, as a lessee, has substantially assumed all the risks and rewards of ownership are classified as finance leases. Assets acquired on finance lease are capitalised and depreciated as per Company's policy on Property, Plant and Equipment. Finance lease are measured at the lease's inception at the lower of fair value of the leased property and the present value of the minimum lease payments. The corresponding lease rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the statement of profit and loss over the lease period, so as to produce a constant periodic rate of interest on the remaining balance of the liability for each year.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to statement of profit and loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(ii) As a lessor

Lease income from operating leases where the company is a lessor is recognised as income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

n Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

o Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the company. These are material items of income or expense that have to be shown separately due to their nature or incidence.

p Earnings per share

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

q Segment Reporting

Segments are identified based on the manner in which the Company's Chief Operating Decision Maker (CODM) reviews performance. Segment results that are reported to the CODM include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Segment capital expenditure is the total cost incurred during the period to acquire property, plant and equipment and intangible assets other than goodwill. "Unallocated

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

Corporate Expenses" include revenue and expenses that relate to initiatives/costs attributable to the enterprise as a whole and are not attributable to segments.

r Contingent Assets and Contingent Liabilities

Contingent liabilities exist when there is a possible obligation arising from past events, the existence obligation arising from past events, the existence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

s Cash and cash equivalents

Cash and cash equivalents for the purpose of presentation in the statement of cash flow, comprises of cash at bank, in hand, bank overdrafts and short term highly liquid investments/bank deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

t Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

u Key accounting judgement, estimates and assumptions

The preparation of the financial statements requires management to exercise judgment and to make estimates and assumptions. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The areas involving critical estimates or judgements are:

1. Depreciation

Depreciation is based on management's estimate of the future useful lives of the Property, Plant and Equipments and Investment Properties. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.

2. Employee Benefits

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis using various assumptions. One of the critical assumptions used in determining the net cost (income) for these obligations include the discount rate. Any changes in these assumptions will impact the carrying amount of retirement benefit obligations.

3. Fair Value of Financial Instruments

All financial instruments are required to be fair valued as at the balance sheet date, as provided in Ind-AS 109 and 113. Being a critical estimate, judgement is exercised to determine the carrying values. The fair value of financial instruments that are unlisted and not traded in an active market is determined at fair values assessed based on recent transactions entered into with third parties, based on valuation done by external appraisers etc., as applicable.

Standards Issued but not yet effective

On March 28, 2018, the Ministry of Corporate Affairs (MCA) has notified Ind AS 115 - "Revenue from Contract with Customers" and certain amendment to existing Ind AS. These amendments shall be applicable to the Company from April 01, 2018.

(a) Issue of Ind AS 115 - Revenue from Contracts with Customers

Ind AS 115 will supersede the current revenue recognition guidance including Ind AS 18 Revenue, Ind AS 11 Construction Contracts and the related interpretations. Ind AS 115 provides a single model of accounting for revenue arising from contracts with customers based on the identification and satisfaction of performance obligations.

(b) Amendment to Existing issued Ind-AS :

The MCA has also carried out amendments of the following accounting standards:

- i. Ind AS 21 - The Effects of Changes in Foreign Exchange Rates
- ii. Ind AS 40 - Investment Property
- iii. Ind AS 12 - Income Taxes
- iv. Ind AS 28 - Investments in Associates and Joint Ventures and
- v. Ind AS 112 - Disclosure of Interests in Other Entities

The Company is evaluating the requirements of the above amendments and the effect on the financial statements is being evaluated.

Note : 40**Financial Instruments**

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

Fair value of cash and short-term deposits, trade and other short term receivables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to the short-term maturities of these instruments.

Financial instruments with fixed and variable interest rates are evaluated by the company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken into account for the expected losses of these receivables, if any.

The company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: Other techniques for which all inputs which have a significant effect on the recorded value are observable, either directly or indirectly

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data

Valuation techniques and key inputs:

Level 1 : The value of mutual funds is based on market price (NAV).

Level 2 : At present the Company has no such financial assets or financial liabilities which are required to be measured by this level of hierarchy.

Level 3 : For investments in equity instruments, cost has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.

FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The company's financial risk management policy is set by the Board of Directors.

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

receivables, payables and loans and borrowings. The Company manages market risk through a finance department, which evaluates and exercises independent control over the entire process of market risk management. The finance department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, finance department performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The company is not exposed to significant interest rate risk as at the respective reporting dates.

Foreign currency risk

The Company operates only in India and does not import or export of any goods or capital items to/from outside India. Consequently the Company is not exposed to foreign exchange risk.

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward-looking information such as :

- (i) Actual or expected significant adverse changes in business.
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations.
- (iv) Significant increase in credit risk on other financial instruments of the same counterparty.
- (v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

Liquidity risk

Liquidity risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at a reasonable price. The company's finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Maturity profile of financial liabilities

The table below provides details regarding the remaining contractual maturities of significant financial liabilities at the reporting date based on contractual undiscounted payments.

These financial statements, for the year ended 31st March, 2018, are the first, the company has prepared in accordance with Ind-AS. For the periods up to and including the year ended 31st March, 2017, the Company prepared its financial statements in accordance with the accounting standards notified under section 133 of the Companies Act 2013, read with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

Accordingly, the company has prepared its financial statements to comply with Ind-AS for the year ending 31st March, 2018, together with comparative date as at and for the year ended 31st March, 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the company's opening Balance Sheet was prepared as at 1st April, 2016, the company's date of transition to Ind-AS.

In preparing these Ind AS financial statements, the Company has availed certain exemptions and exceptions in accordance with Ind -AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind-AS and previous GAAP have been recognised directly in equity (retained earnings or other appropriate category of equity).

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

A Optional Exemptions from retrospective application

Optional Exemptions from retrospective application Ind-AS 101 permits first-time adopters certain exemptions from retrospective application of certain requirements under Ind-AS. The Company has elected to apply the following optional exemptions from retrospective application:

1) Deemed cost for property, plant and equipment

The Company has elected to measure all its property, plant and equipment at the previous GAAP carrying amount as its deemed cost on the date of transition to Ind-AS.

2) Deemed cost for Investment Property

The Company has elected to measure all its Investment Property at the previous GAAP carrying amount as its deemed cost on the date of transition to Ind-AS.

3) Investments in subsidiary

The Company has elected to measure its investments in subsidiary at the previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

B Mandatory Exceptions from retrospective application

The following mandatory exceptions have been applied in accordance with Ind AS 101 in preparing the financial statements.

(a) Estimates

The estimates as at 1st April, 2016 and 31st March, 2017 are consistent with those made for the same dates in accordance with Indian GAAP(after adjustments to reflect differences, if any, in accounting policies). The estimates used by the company to present these amounts in accordance with Ind-AS reflect conditions as at the transition date and as of 31st March, 2017.

(b) Derecognition of financial assets and financial liabilities

The company has elected to apply the derecognition requirements for financial assets and financial liabilities in accordance with Ind-AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS.

(c) Classification and measurement of financial assets

The company has classified the financial assets in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind-AS.

Notes to the reconciliation of equity as at 1st April, 2016 and 31st March, 2017 and total comprehensive income for the year ended 31st March, 2017.

A Recognition of Investment Property

For the first time investment property is reclassified from Property, Plant and Equipment and presented separately amounting to ₹ 3,628 thousand (for 16-17 ₹ 3,080 thousand) due to requirement of Ind AS 40.

B Impairment of Goodwill

On the date of transition to Ind AS it was found entire goodwill of ₹ 1,758 thousand (for 16-17 ₹ 1,318 thousand) was impaired. Hence same is adjusted with retained earnings. Relevant provision of amortisation for goodwill of ₹ 439 thousand is also reversed in the financial year 2016-17.

C Employee Benefit expenses and Actuarial loss or gain

Both under Indian GAAP and Ind AS, the company recognised costs related to its post employment defined benefit plan on actuarial basis. Under Indian GAAP the entire cost including actuarial gains and losses are charged to statement of profit and loss. Under Ind-AS actuarial gains and losses are recognised in balance sheet through other comprehensive income. Resultant deferred tax is also adjusted.

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

D Proposed Dividend

Proposed dividend and dividend distribution tax of ₹ of ₹ 2,081 thousand for the year 2015-16 has been derecognised in retained earnings and recognised in the year 2016-17. Similar treatment has been given effect for the proposed dividend and dividend distribution tax of ₹ 2,081 thousand for the year 2016-17.

E Other Equity

- i. Adjustments to retained earnings and other comprehensive income has been made in accordance with Ind AS when ever required for the above mentioned line items.
- ii. As per Ind-AS 19, actuarial gains and losses are recognised in other comprehensive income as compared to being recognised in the statement of profit and loss under Indian GAAP.

F Cash Flow Statement

There were no significant reconciliation items between cash flow statement prepared under Indian GAAP and that prepared under Ind AS.

Note 42 :

Estimated amount of contracts remaining to be executed on capital account is ₹ 117,602 thousand (Previous year ₹ 113,302 thousand) against which ₹ 94,493 thousand (Previous year ₹ 88,645 thousand) has been paid as advance.

Note 43:

Renewal of lease of one of the tenants of the Company namely M/s Income Tax Appellate Tribunal is due since 01.09.2012. M/s Income Tax Appellate Tribunal had not agreed to increase the rent acceptable to the Company, so the Company filed an Eviction Suit before the Civil Court, Alipore to recover possession of the property and collection of arrear rent/ damages. Though the Company not raising rent bills and Service Tax/ GST thereon and also not accepting payment of existing rent from the said tenant since 01.07.2016 but provision for rent receivable for the period 01.07.2016 to 31.03.2018 amounting to ₹ 11,550 thousand (Previous year ₹ 4,950 thousand) on the basis of existing rent has been made in the books.

During the year the Company has received settlement proposal and is in the process of executing necessary documents for implementation of the settlement and withdrawal of court case filed by the Company. Necessary effect of the settlement and increased rent as agreed by the tenant shall be given in the accounts of subsequent year i.e. financial year 2018-19 on the completion of all the formalities and Order of the Court.

Note 44 :

One of the tenants of the Company namely M/s Income Tax Appellate Tribunal was disputing and not paying Service Tax on Rent since the same came in to effect i.e. 01.06. 2007, accordingly the Company was also not depositing said Service Tax with the concerned authority. The Company had filed a Writ Petition before the Hon'ble High Court at Calcutta for recovery of Service Tax from the said tenant. The Company has received a "Show Cause Cum Demand Notice" from the Deputy Commissioner of CGST and CX demanding a sum of ₹ 3,058 thousand towards Service Tax on said Rent for the period from 01.04.2012 to 31.03.2016 together with applicable Interest and Penalty. Subsequently M/s Income Tax Appellate Tribunal has paid Service Tax on Rent w.e.f. 1st July 2012 i.e. post negative list and the Company has also remitted the same to the credit of Government Account. Hence demand for ₹ 185 thousand has remained unpaid for the period 01.04.2012 to 30.06.2012 as per said Show Cause Cum Demand Notice which has been duly provided in the accounts. The Company has submitted its reply against the Show Cause Cum Demand Notice and is hopeful that the department should not pursue for payment of Interest and Penalty since there was no fault on the part of the Company. However adjudication Order of the department in the matter is still awaited.

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

Note 45 :

The Company has filed an Eviction Suit before the Civil Court, Alipore to take possession of the property from one of its tenants namely M/s United Bank of India since the lease period has expired. The Company has stopped raising bills for Rent amounting to ₹ 100 thousand per month (inclusive of municipal tax, surcharge and GST) with effect from 1st March, 2018. Accordingly the Company has not accounted for income on this account since March 2018 in its books.

Note 46:

Annual Value of one of the erstwhile leasehold property of the Company situated at 50, Chowringhee Road, Kolkata was revised by the Kolkata Municipal Corporation on 15.06.2010 with retrospective effect from 1st July, 2006. The Company had disputed the said valuation by filing a Writ Petition before the Hon'ble High Court at Calcutta praying for a fresh valuation which has since been dismissed. Subsequently the Company has made an application to the Kolkata Municipal Corporation for reconsideration of the Annual Value and the Company is hopeful to get good relief on disposal of its request. Pending decision on the said request, the Company is not paying municipal tax but liability on this account including interest and penalty of ₹ 34,142 thousand (Previous year ₹ 31,435 thousand) up to 31.03.2018 has been duly provided in the books of account.

Note 47:

As per Scheme of Amalgamation M/s Jaypee Estates Pvt. Ltd. And M/s Avni Estates Pvt. Ltd. have merged with the Company w.e.f. 01.04.2003 with all assets and liabilities including charges, liens, mortgages, interest, appeal etc. vide Order(s) dated 26.08.2002 and 14.10.2004 passed by the Hon'ble High Court at Calcutta. The Company is to issue 1133 Equity Shares of ₹10/- each fully paid up to the erstwhile shareholders of amalgamating Companies as purchase consideration.

Note 48:

The Company has promoted a wholly owned subsidiary namely M/s Sharad Quench Pvt. Ltd. on 29th March, 2017 to construct and operate a packaged drinking water project at Sankrail, Howrah, West Bengal. M/s Sharad Quench Pvt. Ltd. has drawn its first financial statement for the period from 29th March, 2017 (date of incorporation) to 31st March, 2018 and same is consolidated with that of the parent Company as per provisions of Section 129 of the Companies Act, 2013.

Note 49:

The Company has acquired 100 percent Equity Shares of M/s Satyanarayan Rice Mill Pvt.Ltd. (SRMPL) on 3rd April, 2018, hence the said SRMPL has become a wholly owned subsidiary of the Company. M/s SRMPL is presently engaged in the business of manufacture of packaged drinking water and has factory at Pandua, Hooghly, West Bengal. Financial Statement of M/s SRMPL will be consolidated with that of the Company from financial year 2018-19 onwards as required by the provisions of Section 129 of the Companies Act, 2013.

Note 50:

Some of the tenants have deposited rent in the Rent Control Account and the Company is withdrawing the amount there from time to time.

Note 51:

Land of the Company at Kankulia measuring 5 (five) Bighas and 1 (one) Cottah was acquired by the West Bengal Government under the provisions of the West Bengal Land (Requisition and Acquisition) Act, 1948. Compensation so far received, net of cost, has already been taken as Income. In case the Company gets any further compensation the same shall be adjusted in the year of receipt.

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

Note 52:

The Company had been advised that the Service Tax had become applicable w.e.f. 1st July, 2012 on Electricity Charges billed by it on its tenants on the basis of sub meters. However many tenants were disputing the said levy in the absence of specific notification from the concerned authority on this issue. The Company have charged Service Tax at the applicable rate on the bills raised by it against Electricity Charges on its tenants with effect from 1st July, 2012 but have remitted to the credit of Government Account only amount actually collected by it from the tenants. The Company is pursuing the tenants who have not paid Service Tax to pay the same. The Company is to collect from the its tenants and remit to the credit of Government Account a sum of ₹ 7,068 thousand (previous year ₹ 7,481 thousand) as on 31st March, 2018 on this account. Similarly the Company has not deposited a sum of ₹ 605 thousand on account of Goods and Service Tax up to 31st March, 2018 in respect of GST on Electricity Charges disputed and not paid by the tenants.

Note 53 :

Amount due and outstanding to be credited to the Investor Education and Protection Fund ₹ Nil (Previous Year ₹ Nil).

Note 54:

(a) Earnings in Foreign Currency : ₹ Nil (Previous Year ₹ Nil)

(b) Expenses incurred in Foreign Currency:

Travelling and Other Expenses : ₹ 2,777 thousand (Previous year ₹ 3,220 thousand)

Note 55:

The Board of Directors has recommended, subject to approval of the shareholders in the ensuing Annual General Meeting of the Company, a dividend @ 8 % i.e. ₹ 0.80 per equity share of ₹ 10/- each for the financial year ended 31st March, 2018 amounting to ₹ 2,085 thousand (Inclusive of dividend tax of ₹ 355 thousand).

To the Members of
ORIENT BEVERAGES LIMITED

Report on the Consolidated Ind-AS Financial Statements

We have audited the accompanying consolidated Ind-AS financial statements of Orient Beverages Limited (hereinafter referred to as "the Holding Company") and its Subsidiary (the Holding Company and its Subsidiary together referred to as "the Group".) comprising of the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind-AS financial statements").

Management's Responsibility for the Consolidated Ind-AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these Consolidated Ind-AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Accounting principles generally accepted in India including the Indian Accounting Standards (Ind-AS) prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind-AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind-AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated Ind-AS financial statements based on our audit. In conducting our Audit, we have taken in to account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and Order issued under Section 143(11) of the Act. We conducted our audit of the consolidated Ind-AS financial statement in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated Ind-AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind-AS financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind-AS financial statements that give a true and fair view in order to design audit procedures of that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind-AS financial statements.

We believe that the audit evidence we have obtained by us and audit evidence obtained by other auditors in terms of their report referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind-AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of report of other auditors on separate financial statements and on the other financial information of the subsidiary, the aforesaid consolidated Ind-AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2018, and their consolidated profit including other comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Other Matter:

- (a) We did not audit the financial statements and other financial information, in respect of one subsidiary, whose financial statements include total assets of ₹ 16,558 thousand and net assets of ₹ 999 thousand as at 31st March, 2018, and total revenues of ₹ 7,835 thousand and net cash inflows of ₹ 8,055 thousand for the year ended on that date. This financial statements and other financial information have been audited by other auditors, which financial statements, other financial information and Auditors' Report have been furnished to us by the management. Our opinion on the consolidated Ind-AS financial statements, in so far it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-section 3 of Section 143 of the Act, in so as it relates to the aforesaid subsidiary, is based solely on the reports of such other auditors.
- (b) The Consolidated financial statements of the Group have been prepared for the first time for the financial year ended 31st March, 2018. Hence standalone financial statements of the Holding Company for the financial year ended 31st March, 2017 have been given as comparative previous year figures against consolidated figures of the Group for the financial year ended 31st March, 2018. Further the Holding Company had prepared its standalone financial statements for and up to the year ended 31st March, 2017 following the Accounting Standards notified under Section 133 of the Companies Act, 2013 read with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). The Holding Company's standalone financial statements for the year ended 31st March, 2017 have been audited by the predecessor auditors who expressed an unmodified opinion on those financial statements dated 30th May, 2017. We have audited conversion of the financial results from Indian GAAP to Ind-AS for the year ended 31st March, 2017 also with transition date being 1st April, 2016 included in these consolidated Ind-AS financial statements.
- (c) Our opinion above on the consolidated Ind-AS financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect of our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and other financial information of subsidiary, as noted in the "Other Matter" paragraph, we report, to the extent applicable, that:

- (a) We/ the other auditor whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated Ind-AS financial statements;
- (b) In our opinion proper books of account as required by law relating to preparation of aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and returns of the branches of the Holding Company not visited by us and books and reports of the other auditors;
- (c) The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated Ind-AS financial statements;
- (d) In our opinion, the aforesaid consolidated Ind-AS financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, as amended;

- (e) The Group has not entered into any such financial transactions or matters which have any adverse effect on the functioning of the Group;
- (f) On the basis of written representations received from the Directors of the Holding Company as on March 31, 2018, and taken on record by the Board of Directors of the Holding Company, and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiary, none of the directors of the Holding Company and its subsidiary are disqualified as on March 31, 2018, from being appointed as a director in terms of sub-section (2) of Section 164 of the Companies Act, 2013;
- (g) with respect to the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Holding Company and its subsidiary, refer to our separate report in 'Annexure' to this report;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiary as noted in the "Other Matter" paragraph:
 - i. The consolidated financial statements disclosed the impact of pending litigations on its consolidated financial position of the Group - Refer note 43, 44 and 45 of the notes to the consolidated Ind-AS financial statements;
 - ii. The Group did not have any material foreseeable losses on the long term contracts including derivative contracts during the year ended 31st March, 2018;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary during the year ended 31st March, 2018;
 - iv. The disclosure regarding details of Specified Bank Notes held and transacted during 8th November, 2016 to 30th December, 2016 has not been made since the requirement does not pertain to the financial year ended 31st March, 2018.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED IND-AS FINANCIAL STATEMENTS OF ORIENT BEVERAGES LTD.**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of the Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the Consolidated Ind-AS Financial Statements of Orient Beverages Ltd. as of and for the year ended 31st March, 2018, we have audited the internal financial control over financial reporting of Orient Beverages Ltd. (hereinafter referred to as the "Holding Company") and its Subsidiary Company, as of that date.

Management's responsibility for internal financial controls

The respective Board of Directors of the Holding Company and its Subsidiary Company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its Subsidiary Company, have, maintained in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our report under Section 143(3) of the Companies Act, 2013 on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Holding Company, insofar as it relates to Subsidiary Company, is based on the corresponding report of the auditor of such Subsidiary Company.

Notes:

- The above Cash Flow Statement has been prepared under 'Indirect Method' as set out in Indian Accounting Standard - 7 (Ind-AS 7) "Statement of Cash Flows".
- Effective April 1, 2017, the Group adopted the amendment to Ind AS 7, which require the entities to provide the disclosures that enable users of financial statements to evaluate changes in liabilities arising from cash flows and non cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities to meet the disclosure requirement. The Adoption of the amendment did not have any material impact on the financial statements.
- Previous year's figures have been regrouped or rearranged, wherever found necessary.

This is the Cash Flow Statement referred to in our Report of even date.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

1 General Information

Orient Beverages Limited (the "Holding/ Parent Company") and Sharad Quench Private Limited, its subsidiary (together referred to as "the Group"). The Holding Company is engaged in manufacturing, trading and marketing of Packaged Drinking Water and Carbonated Soft Drinks under the trade brand "BISLERI" (a pioneer in Packaged Drinking Water Industry) and has franchise license from M/s Bisleri International Private Limited for production and distribution of Packaged Drinking Water and Carbonated Soft Drinks. The Company has set up its own manufacturing plants in the state of West Bengal. The Holding Company has further expanded its business in the state of Jharkhand. The Holding Company is also engaged in real estate business. The Holding Company is a public limited Company, incorporated and domiciled in India and has its registered office at Kolkata, West Bengal, India. The equity shares of the Holding Company are listed on the Bombay and Calcutta Stock Exchanges. Sharad Quench Private Limited (the "Subsidiary Company") is incorporated on 29th March, 2017 as a Wholly Owned Subsidiary of M/s Orient Beverages Ltd. to construct and operate a Packaged Drinking Water plant at Sankrail, Howrah, West Bengal. The Subsidiary Company has drawn its first Financial Statements for the period from 29th March, 2017 (Date of Incorporation) to 31st March, 2018 and the same has been duly considered in the Consolidated Financial Statements of the Group for the year 2017-18. The Consolidated Financial Statements for the year ended March 31, 2018 were approved by the Board of Directors on May 30, 2018.

2. Basis of Consolidation, Measurement and Significant Accounting Policies

A Basis of Consolidation and Measurement

(i) Basis of Consolidation

These Consolidated Financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind-AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. This is the first Consolidated Financial Statements for the year ended 31st March, 2018 of the Group prepared in accordance with Ind-AS. The Consolidated Financial statements for the year ended 31st March, 2017 and the opening Balance Sheet as at 1st April, 2016 have been restated in accordance with Ind-AS for comparative information. Reconciliations and explanations of the effect of the transition from Previous GAAP to Ind-AS on the Company's Balance Sheet and Statement of Profit are provided in Note 41. The Consolidated Financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the Consolidated Financial Statements, including the preparation of the opening Ind-AS Balance Sheet as at 1st April, 2016 being the 'date of transition to Ind-AS'. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. Subsidiaries are entities where the group exercises controls over more than one-half of its total share capital. The net assets and results of acquired businesses are included in the consolidated financial statements from the date of incorporation of subsidiary Company, being the date on which the Parent Company obtains control. The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year. The financial statements of the Parent Company and its Subsidiary Company have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and the unrealised profits/losses, unless cost/revenue cannot be recovered.

Though the subsidiary did not have any transaction for the financial year 2016-17, but for the purpose of consolidation and for fair representation, the previous year figures include the effect of share capital of ₹1000 thousand subscribed by the Holding Company in the subsidiary on 29th March, 2017 and amount paid for the same.

(ii) Basis of measurement

The consolidated financial statements have been prepared on an accrual basis and in accordance with the historical cost convention, unless otherwise stated. All assets and liabilities are classified into current and non-current generally based on the criteria of realisation/ settlement within a twelve month period from the balance sheet date.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

B Significant Accounting Policies:

The principal accounting policies applied in the preparation of the consolidated financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Foreign currency and translations

(i) Functional and presentation currency

Items included in the consolidated financial statements of the Group are measured using the currency of the primary economic environment in which the Group operates ("functional currency"). The financial statements are presented in Indian Rupees (₹), which is the functional currency of the Group.

(ii) Foreign currency transactions and balances

Transactions of the Group in foreign currencies are recorded at the exchange rate at the date of the transaction. Monetary assets and liabilities of the Group in foreign currencies are translated at the year end rate. Any resultant exchange differences are taken to the consolidated statement of profit and loss, except when deferred in other comprehensive income as qualifying cash flow hedges. Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

b) Property, Plant and Equipment

"Property, plant and equipment" of the Group are stated at original cost net of tax/duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. When significant parts of property, plant and equipment are required to be replaced at intervals, the Group derecognises the replaced part, and recognises the new part with its own associated useful life and it is depreciated accordingly. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria is satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of the asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met. "Internally manufactured property, plant and equipment" are capitalised at factory cost, including excise duty/ GST, whenever applicable. "Capital work-in-progress" includes cost of property, plant and equipment under installation / development as at the balance sheet date. Property, plant and equipment are eliminated from financial statement, either on disposal or retire from active use. Losses arising in the case of retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence. The assets residual values, useful lives and methods of depreciation are reviewed at the end of each financial year and adjusted prospectively, if appropriate. "Depreciation" on straight line method on the property, plant and equipment is provided over the useful life of assets as specified in Schedule II to the Companies Act, 2013. Property, plant and equipment which are added/disposed off during the year, depreciation is provided on pro-rata basis with reference to the day of addition/deletion. Depreciation on properties on leasehold property has been charged on proportionate basis over the remaining period of lease.

c) Investment Properties

Properties of the Group that are held for long-term rental yields or for capital appreciation or both, and that are not occupied by the Group, are classified as Investment Property. These are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Subsequent expenditure related to investment properties are added to its book value only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. Investment properties being leasehold properties are depreciated over the remaining period of lease on proportionate basis.

d) Impairment of tangible and intangible assets

Assets of the Group that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

impairment, assets are grouped at the lowest possible levels for which there are independent cash inflows (cash-generating units). Prior impairment of non-financial assets (other than goodwill) are reviewed for possible reversal at each reporting date. Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment.

e) Financial Instruments:

Financial Assets: Financial assets are recognised when the Group becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit and loss. In other cases, the transaction costs are attributed to the acquisition value of the financial asset. Financial assets are subsequently classified as measured at

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Trade Receivables: Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Debt instruments: Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Measured at amortised cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

Measured at fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

Measured at fair value through statement of profit and loss: A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

Equity Instruments: All investments in equity instruments classified under financial assets are initially measured at fair value. The Group may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Group makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Group has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

Derecognition: The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

Impairment of Financial Asset:

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category. For financial assets other than trade receivables, as per Ind-AS 109, the Group recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Group's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss.

Financial Liabilities:

Initial recognition and measurement: Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest rate method.

Subsequent measurement: Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition: A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

f) Fair value measurement

The Group classifies the fair value of its financial instruments in the following hierarchy, based on the inputs used in their valuation

- i) **Level 1** - The fair value of financial instruments quoted in active markets is based on their quoted closing price at the balance sheet date.
- ii) **Level 2** - The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.
- iii) **Level 3** - The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

g) Inventory

Real Estate: Valued at lower of cost including other attributable expenses or market realisable value.

Shares: Initially it is recorded at purchases price. At year end it is measured at lower of cost or market value, in case of quoted shares and at lower of cost or book value in case of unquoted shares. Resultant Profit or loss is recognised in Statement of profit and loss.

Finished Goods: Finished goods have been valued at lower of cost or market realisable value.

Work in Progress: Work - in - progress has been valued at cost incurred up to the stage of completion.

Raw/Packing Material: Valued at cost.

h) Employee Benefits

(i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are recognised in the period in which the employee renders the related service.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

(ii) Post Employment Benefits

Gratuity Plans: Gratuity is payable to all eligible employees of the Group on death, permanent disablement and resignation in terms of the provisions of the Payment of Gratuity Act, 1972 or as per the Group's Scheme, whichever is more beneficial to the employees. Benefit would be paid at the time of separation based on the last drawn basic salary.

Leave Encashment: Eligible employees can carry forward and encash leave up to death, permanent disablement and resignation subject to maximum accumulation allowed as applicable to the concerned division of the Group or individual employee, highest being up to 88 days. Leave over and above accumulation allowed is liable to be encashed in the next year based on gross salary drawn in the last year.

Both benefits are determined through independent actuarial valuation at year end and charged to statement of profit and loss.

(iii) Termination Benefits

Termination Benefits are charged to the Statement of Profit and Loss in the year in which they are incurred.

i) Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

j) Income Tax

(i) Current Income Tax

Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with provisions of Income Tax Act, 1961.

(ii) Deferred Tax

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date. Current income tax/deferred tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss.

(iii) Minimum Alternate Tax

According to section 115JAA of the Income Tax Act, 1961, Minimum Alternative Tax ('MAT') paid over and above the normal income tax in a subject year is eligible for carry forward for fifteen succeeding assessment years for set-off against normal income tax liability. The MAT credit asset is assessed against the Group's normal income tax during the specified period.

k) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, and represents amounts stated net of discounts, GST, other taxes and returns. The Company recognises revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the Company's activities, as described below. The Company bases its estimate of return on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

(i) Sale of goods and services

Sales are recognised when the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of contract, which generally coincides with the delivery of the product. Income and fees from services are accounted as per terms of relevant contractual agreements /arrangements. The products are often sold with sales related discounts such as volume discounts, customer rebates, trade support and listing costs and consumer promotional activities as billed by customers. Sales are recorded based on the price specified in the sales contracts, net of the estimated discounts/rebates and returns at the time of sale. Accumulated experience is used to estimate and provide for the discounts and returns.

(ii) Rental Income

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

(iii) Sale of services

Fixed price contracts: Contract revenue is recognised only to the extent of cost incurred till such time the outcome of the job cannot be ascertained reliably subject to condition that it is probable that such cost will be recoverable. When the outcome of the contract is ascertained reliably, contract revenue is recognised at cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is the proportion of cost of work performed to-date, to the total estimated contract costs. The estimated outcome of a contract is considered reliable when all the following conditions are satisfied: i. the amount of revenue can be measured reliably; ii. it is probable that the economic benefits associated with the contract will flow to the company; iii. the stage of completion of the contract at the end of the reporting period can be measured reliably; and iv. the costs incurred or to be incurred in respect of the contract can be measured reliably. Expected loss, if any, on a contract is recognised as expense in the period in which it is foreseen, irrespective of the stage of completion of the contract. For contracts where progress billing exceeds the aggregate of contract costs incurred to-date and recognised profits (or recognised losses, as the case may be), the surplus is shown as the amount due to customers. Amounts received before the related work is performed are disclosed in the Balance Sheet as a liability towards advance received. Amounts billed for work performed but yet to be paid by the customer are disclosed in the Balance Sheet as trade receivables. The amount of retention money held by the customers is disclosed as part of other current assets and is reclassified as trade receivables when it becomes due for payment.

(iv) Interest Income and Dividend Income

Interest income is recognised using the effective interest method. Dividend income is recognised when the right to receive payment is established.

I) Leases

(i) As a lessee

Lease of assets, where the Group, as a lessee, has substantially assumed all the risks and rewards of ownership are classified as finance leases. Assets acquired on finance lease are capitalised and depreciated as per Company's policy on Property, Plant and Equipment. Finance lease are measured at the lease's inception at the lower of fair value of the leased property and the present value of the minimum lease payments. The corresponding lease rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each year.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Group as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to statement of profit and loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

(ii) As a lessor

Lease income from operating leases where the Group is a lessor is recognised as income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

m) Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Group incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

n) Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the Group. These are material items of income or expense that have to be shown separately due to their nature or incidence.

o) Earnings per share

The Group presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Group by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

p) Segment Reporting

Segments are identified based on the manner in which the Group's Chief Operating Decision Maker (CODM) reviews performance. Segment results that are reported to the CODM include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Segment capital expenditure is the total cost incurred during the period to acquire property, plant and equipment and intangible assets other than goodwill. "Unallocated Corporate Expenses" include revenue and expenses that relate to initiatives/costs attributable to the enterprise as a whole and are not attributable to segments.

q) Contingent Liabilities

Contingent liabilities exist when there is a possible obligation arising from past events, the existence obligation arising from past events, the existence or non-occurrence of one or more uncertain future events not wholly within the control of the Group, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

r) Cash and cash equivalents

Cash and cash equivalents for the purpose of presentation in the statement of cash flow, comprises of cash at bank, in hand, bank overdrafts and short term highly liquid investments/bank deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

s) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

t) Key accounting judgement, estimates and assumptions

The preparation of the financial statements requires management to exercise judgment and to make estimates and assumptions. These estimates and associated assumptions are based on historical experiences and various other

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The areas involving critical estimates or judgements are:

1. Depreciation

Depreciation is based on management's estimate of the future useful lives of the Property, Plant and Equipments and Investment Properties. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.

2. Employee Benefits

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis using various assumptions. One of the critical assumptions used in determining the net cost (income) for these obligations include the discount rate. Any changes in these assumptions will impact the carrying amount of retirement benefit obligations.

3. Fair Value of Financial Instruments

All financial instruments are required to be fair valued as at the balance sheet date, as provided in Ind- AS 109 and 113. Being a critical estimate, judgement is exercised to determine the carrying values. The fair value of financial instruments that are unlisted and not traded in an active market is determined at fair values assessed based on recent transactions entered into with third parties, based on valuation done by external appraisers etc., as applicable.

4. Percentage of completion of work

The work of construction of packaged drinking water project is in the initial stage and percentage of completion of the work cannot be measured reliably as on the close of financial year, so actual cost incurred up to the reporting date have been adjusted with revenue received against the contract in accordance with the provisions of Ind-AS 11.

On transition to Ind-AS as at April 1, 2016, the Group has elected to measure its Investment Property at the Previous GAAP's carrying value.

Fair values are based on valuation done by management itself. Management did not employ any external valuer to assess the fair value of its Investment Property. For the purpose of valuation of Investment Property only rent received/ receivable has been considered and amount received/ receivable on account of electricity charges, maintenance charges, municipal taxes etc. are not considered since same are in the nature of reimbursement.

The Group is in business of letting out of house properties (taken on finance lease) to its various clients under contractual arrangements (operating lease). These contractual arrangements are in line with original finance lease agreement between the Group and Finance Lessor. The finance lease will expire in May, 2019. Consequently operating lease arrangements will also expire in same month. The Group is in negotiation with the finance lessor to renew the finance lease for further period. Outcome of the negotiation could not be determined at present.

Segment Reporting

The Group has determined following reporting segments based on the information reviewed by the Group's Chief Operating Decision Maker ('CODM').

- Beverages includes packaged drinking water and soft drinks.
- Real Estate busniess is consists of letting out of house properties to the Company's customers.
- Construction services includes construction of water treatment plant along with factory sheds.
- Share Trading is a small segment of the Company which is currently not in active business.

The above business segments have been identified considering :

- The nature of products and services,
- The differing risks and returns,
- The internal organisation and management structure and
- The internal financial reporting systems.

The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified by the Board of Directors.

Standards issued but not yet effective

On March 28, 2018, the Ministry of Corporate Affairs (MCA) has notified Ind-AS 115 - Revenue from Contract with Customers and certain amendment to existing Ind-AS. These amendments shall be applicable to the Group from April 01, 2018.

(a) Issue of Ind-AS 115 - Revenue from Contracts with Customers :

Ind-AS 115 will supersede the current revenue recognition guidance including Ind-AS 18 Revenue, Ind-AS 11 Construction Contracts and the related interpretations. Ind-AS 115 provides a single model of accounting for revenue arising from contracts with customers based on the identification and satisfaction of performance obligations.

(b) Amendment to Existing issued Ind-AS

The MCA has also carried out amendments of the following accounting standards:

- i. Ind-AS 21 - The Effects of Changes in Foreign Exchange Rates
- ii. Ind-AS 40 - Investment Property
- iii. Ind-AS 12 - Income Taxes
- iv. Ind-AS 28 - Investments in Associates and Joint Ventures and
- v. Ind-AS 112 - Disclosure of Interests in Other Entities

The Group is evaluating the requirements of the above amendments and the effect on the Financial Statements is being evaluated.

Note : 39

The subsidiary Company do not have any liability on account of Gratuity and Leave. Disclosure in respect of Gratuity and leave liability of the Parent Company are as under :

The Group operates a Gratuity Plan (Funded) which is administered through Life Insurance Corporation of India. Every employee is entitled to a minimum benefit equivalent to 15 days salary last drawn for each completed year of service in line with payment of Gratuity Act, 1972.

Financial Instruments

The fair values of the Financial Assets and Liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

Fair value of cash and short-term deposits, trade and other short term receivables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to the short-term maturities of these instruments.

Financial instruments with fixed and variable interest rates are evaluated by the Group based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken into account for the expected losses of these receivables, if any.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: Other techniques for which all inputs which have a significant effect on the recorded value are observable, either directly or indirectly

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data

The carrying value and fair value of financial instruments by categories as at 31st March, 2018 is as follow :

Valuation techniques and key inputs:

Level 1: The value of Mutual Funds and Quoted Equity Shares is based on quoted price.

Level 2: At present the Group has no such Financial Assets or Financial Liabilities which are required to be measured by this level of hierarchy.

Level 3: Investments in Equity Instruments, cost has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.

FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's financial risk management policy is set by the Board of Directors.

Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables, loans and borrowings. The Group manages market risk through a finance department, which evaluates and exercises independent control over the entire process of market risk management. The finance department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize The Group's position with regards to interest income and interest expenses and to manage the interest rate risk, finance department performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The Group is not exposed to significant interest rate risk as at the respective reporting dates.

Foreign Currency Risk

The Group operates only in India and does not import or export of any goods or capital items to/from outside India. Consequently The Group is not exposed to foreign exchange risk.

Credit Risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, The Group periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Group compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward-looking information such as :

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

- (i) Actual or expected significant adverse changes in business.
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations.
- (iv) Significant increase in credit risk on other financial instruments of the same counterparty.
- (v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial Assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Group. The Group categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Group continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

Liquidity Risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. The Group's finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Group's net liquidity position through rolling forecasts on the basis of expected cash flows.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

Note : 41 (4) :

Exemptions and exceptions availed

These financial statements, for the year ended 31st March, 2018, are the first, the Group has prepared in accordance with Ind-AS. For the periods up to and including the year ended 31st March, 2017, the Group prepared its financial statements in accordance with the accounting standards notified under section 133 of the Companies Act 2013, read with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

Accordingly, the Group has prepared its financial statements to comply with Ind AS for the year ending 31st March, 2018, together with comparative date as at and for the year ended 31st March, 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Group's opening Balance Sheet was prepared as at 1st April, 2016, the Group's date of transition to Ind-AS.

In preparing these Ind AS financial statements, the Group has availed certain exemptions and exceptions in accordance with Ind-AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind-AS and previous GAAP have been recognised directly in equity (retained earnings or other appropriate category of equity).

A Optional Exemptions from retrospective application

Ind-AS 101 permits first-time adopters certain exemptions from retrospective application of certain requirements under Ind AS. The Group has elected to apply the following optional exemptions from retrospective application:

1) Deemed cost for Property, Plant and Equipment

The Group has elected to measure all its property, plant and equipment at the previous GAAP carrying amount as its deemed cost on the date of transition to Ind-AS.

2) Deemed cost for Investment Property

The Group has elected to measure all its Investment Property at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

B Mandatory Exceptions from retrospective application

The following mandatory exceptions have been applied in accordance with Ind-AS 101 in preparing the financial statements.

(a) Estimates

The estimates as at 1st April, 2016 and 31st March, 2017 are consistent with those made for the same dates in accordance with Indian GAAP(after adjustments to reflect differences if any, in accounting policies). The estimates used by the Group to present these amounts in accordance with Ind AS reflect conditions as at the transition date and as of 31st March, 2017.

(b) **Derecognition of financial assets and financial liabilities** : The Group has elected to apply the derecognition requirements for financial assets and financial liabilities in accordance with Ind-AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS.

(c) **Classification and measurement of financial assets** : The Group has classified the financial assets in accordance with Ind-AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind-AS.

Notes to the reconciliation of equity as at 1st April, 2016 and 31st March, 2017 and total comprehensive income for the year ended 31st March, 2017.

A Recognition of Investment Property

For the first time investment property is reclassified from Property, Plant and Equipment and presented separately amounting to ₹ 3,628 thousand (for 2015-16) ₹ 3,080 thousand (for 2016-17) due to requirement of Ind-AS 40.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

B Impairment of Goodwill

On the date of transition to Ind AS it was found entire goodwill of ₹ 1,758 thousand (for 2016-17 ₹ 1,318 thousand) was impaired. Hence, the same is adjusted with retained earnings relevant provision of amortisation for Goodwill of ₹ 439 thousand is also reversed in the financial year 2016-17.

C Employee Benefit expenses and Actuarial loss or gain

Both under Indian GAAP and Ind-AS, the Group recognised costs related to its post employment defined benefit plan on actuarial basis. Under Indian GAAP the entire cost including actuarial gains and losses are charged to statement of Profit and Loss. Under Ind AS actuarial gains and losses are recognised in balance sheet through other comprehensive income. Resultant deferred tax is also adjusted.

D Proposed Dividend

Proposed dividend and dividend distribution tax of ₹ 2,081 thousand for the year 2015-16 has been derecognised in retained earnings and recognised in the year 2016-17. Similar treatment has been given effect for the proposed dividend and dividend distribution tax of ₹ 2,081 thousand for the year 2016-17.

E Other Equity

- i. Adjustments to retained earnings and other comprehensive income has been made in accordance with Ind AS when ever required for the above mentioned line items.
- ii. As per Ind-AS 19, actuarial gains and losses are recognised in other comprehensive income as compared to being recognised in the statement of profit and loss under Indian GAAP.

F Cash Flow Statement

There were no significant reconciliation items between Cash Flow Statement prepared under Indian GAAP and that prepared under Ind-AS

Note 42:

Estimated amount of contracts remaining to be executed on capital account is ₹ 145,980 thousand (Previous year ₹ 113,302 thousand) against which ₹ 97,305 thousand (Previous year ₹ 88,645 thousand) has been paid as advance.

Note 43:

Renewal of lease of one of the tenants of the Parent Company namely M/s Income Tax Appellate Tribunal is due since 01.09.2012. M/s Income Tax Appellate Tribunal had not agreed to increase the rent acceptable to the Parent Company, so the Parent Company filed an Eviction Suit before the Civil Court, Alipore to recover possession of the property and collection of arrear rent/ damages. Though the Parent Company not raising rent bills and Service Tax/ GST thereon and also not accepting payment of existing rent from the said tenant since 01.07.2016 but provision for rent receivable for the period 01.07.2016 to 31.03.2018 amounting to ₹ 11,550 thousand (Previous year ₹ 4,950 thousand) on the basis of existing rent has been made in the books.

During the year the Parent Company has received settlement proposal and is in the process of executing necessary documents for implementation of the settlement and withdrawal of court case filed by the Parent Company. Necessary effect of the settlement and increased rent as agreed by the tenant shall be given in the accounts of subsequent year i.e. financial year 2018-19 on the completion of all the formalities and Order of the Court.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

Note 44:

One of the tenants of the Parent Company namely M/s Income Tax Appellate Tribunal was disputing and not paying Service Tax on Rent since the same came in to effect i.e. 01.06. 2007, accordingly the Parent Company was also not depositing said Service Tax with the concerned authority. The Parent Company had filed a Writ Petition before the Hon'ble High Court at Calcutta for recovery of Service Tax from the said Tenant. The Parent Company has received a "Show Cause Cum Demand Notice" from the Deputy Commissioner of CGST and CX demanding a sum of ₹ 3,058 thousand towards Service Tax on said Rent for the period from 01.04.2012 to 31.03.2016 together with applicable Interest and Penalty. Subsequently M/s Income Tax Appellate Tribunal has paid Service Tax on Rent w.e.f. 1st July 2012 i.e. post negative list and the Parent Company has also remitted the same to the credit of Government Account. Hence demand for ₹185 thousand has remained unpaid for the period 01.04.2012 to 30.06.2012 as per said Show Cause Cum Demand Notice which has been duly provided in the accounts. The Parent Company has submitted its reply against the Show Cause Cum Demand Notice and is hopeful that the department should not pursue for payment of Interest and Penalty since there was no fault on the part of the Parent Company. However adjudication Order of the department in the matter is still awaited.

Note 45:

The Parent Company has filed an Eviction Suit before the Civil Court, Alipore to take possession of the property from one of its tenants namely M/s United Bank of India since the lease period has expired. The Parent Company has stopped raising bills for Rent amounting to ₹ 100 thousand per month (inclusive of municipal tax, surcharge and GST) with effect from 1st March, 2018. Accordingly the Parent Company has not accounted for income on this account since March 2018 in its books.

Note 46:

Annual Value of one of the erstwhile leasehold property of the Parent Company situated at 50, Chowringhee Road, Kolkata was revised by the Kolkata Municipal Corporation on 15.06.2010 with retrospective effect from 1st July, 2006. The Parent Company had disputed the said valuation by filing a Writ Petition before the Hon'ble High Court at Calcutta praying for a fresh valuation which has since been dismissed. Subsequently the Parent Company has made an application to the Kolkata Municipal Corporation for reconsideration of the Annual Value and the Parent Company is hopeful to get good relief on disposal of its request. Pending decision on the said request, the Parent Company is not paying municipal tax but liability on this account including interest and penalty of ₹ 34,142 thousand (Previous year ₹ 31,435 thousand) up to 31.03.2018 has been duly provided in the books of account.

Note 47:

As per Scheme of Amalgamation M/s Jaypee Estates Pvt. Ltd. And M/s Avni Estates Pvt. Ltd. have merged with the Parent Company w.e.f. 01.04.2003 with all assets and liabilities including charges, liens, mortgages, interest, appeal etc. vide Order(s) dated 26.08.2002 and 14.10.2004 passed by the Hon'ble High Court at Calcutta. The Parent Company is to issue 1133 Equity Shares of ₹10/-each fully paid up to the erstwhile shareholders of amalgamating Companies as purchase consideration.

Note 48:

The Parent Company has promoted a wholly owned subsidiary namely M/s Sharad Quench Pvt. Ltd. on 29th March, 2017 to construct and operate a packaged drinking water project at Sankrail, Howrah, West Bengal. M/s Sharad Quench Pvt. Ltd. has drawn its first financial statement for the period from 29th March, 2017 (date of incorporation) to 31st March, 2018 and same is consolidated with that of the parent Company as per provisions of Section 129 of the Companies Act, 2013. The consolidation of financial statements of Holding Company with its Subsidiary Company has been made only for the financial year 2017-18, hence in the consolidated statement figures as on 1st April, 2016 and for the financial year 2016-17 are that of Holding Company only. However Equity Share Capital of ₹ 1,000 thousand subscribed by the Holding Company in the Subsidiary Company on 29th March, 2017 and amount paid for the same has been given effect in the consolidated financial statements.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

Note 49:

The Parent Company has acquired 100 percent Equity Shares of M/s Satyanarayan Rice Mill Pvt.Ltd. (SRMPL) on 3rd April, 2018, hence the said SRMPL has become a wholly owned subsidiary of the Parent Company. M/s SRMPL is presently engaged in the business of manufacture of packaged drinking water and has factory at Pandua, Hooghly, West Bengal. Financial Statements of M/s SRMPL will be consolidated with that of the Parent Company from financial year 2018-19 onwards as required by the provisions of Section 129 of the Companies Act, 2013.

Note 50:

Some of the tenants have deposited rent in the Rent Control Account and the Parent Company is withdrawing the amount there from time to time.

Note 51:

Land of the Parent Company at Kankulia measuring 5 (five) Bighas and 1 (one) Cottah was acquired by the West Bengal Government under the provisions of the West Bengal Land (Requisition and Acquisition) Act, 1948. Compensation so far received, net of cost, has already been taken as Income. In case the Parent Company gets any further compensation the same shall be adjusted in the year of receipt.

Note 52:

The Parent Company had been advised that the Service Tax had become applicable w.e.f. 1st July 2012 on Electricity Charges billed by it on its tenants on the basis of sub meters. However many tenants were disputing the said levy in the absence of specific notification from the concerned authority on this issue. The Parent Company have charged Service Tax at the applicable rate on the bills raised by it against Electricity Charges on its tenants with effect from 1st July, 2012 but have remitted to the credit of Government Account only amount actually collected by it from the tenants. The Parent Company is pursuing the tenants who have not paid Service Tax to pay the same. The Parent Company is to collect from its tenants and remit to the credit of Government Account a sum of ₹ 7,068 thousand (Previous year ₹ 7,481 thousand) as on 31st March, 2018 on this account. Similarly the Parent Company has not deposited a sum of ₹ 605 thousand on account of Goods and Service Tax up to 31st March, 2018 in respect of GST on Electricity Charges disputed and not paid by the tenants.

Note 53:

Amount due and outstanding to be credited to the Investor Education and Protection Fund ₹ Nil (Previous Year ₹ Nil).

Note 54:

(a) Earnings in Foreign Currency : ₹ Nil (Previous Year ₹ Nil)

(b) Expenses incurred in Foreign Currency:

Travelling and Other Expenses : ₹ 2,777 thousand (Previous year ₹ 3,220 thousand)

Note 55:

The Board of Directors of the Parent Company has recommended, subject to approval of the shareholders the ensuing Annual General Meeting of the Company, a dividend @ 8 % i.e. ₹ 0.80 per equity share of ₹ 10/- each for the financial year ended 31st March 2018 amounting to ₹ 2,085 thousand (Inclusive of dividend tax of ₹ 355 thousand)
