**ANNEXURE TO NOTICE
EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:**

The following statements sets out all material facts relating to the Special Businesses mentioned in the accompanying Notice:

Item No. 3:

Based on the recommendation of the Nomination & Remuneration Committee ('the Committee') and subject to the approval of the members, the Board in terms of Sections 196 and 197 read with Schedule V and other applicable provisions of the Companies Act, 2013, and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 at their meeting held on 23rd May, 2022 approved the re- appointment of Mr. Rakesh Dungarmal Tainwala as the Managing Director of the Company for a period of five years with effect from 26th June, 2022 upto 25th June, 2027.

Mr. Rakesh Dungarmal Tainwala satisfies all the conditions set out in Part I of Schedule V of the Act and also conditions set out under Section 196(3) of the Act for being eligible for his appointment. He is not disqualified from being appointed as a Director in terms of Section 164 of the Act.

Except Mr. Rakesh Dungarmal Tainwala and his relatives, none of the Directors and Key Managerial Personnel of the company are in any way concerned or interested, financially or otherwise in the resolution set out at Item No. 3 of the accompanying notice of the AGM.

Item No. 4:

The Board at its meeting held on 23rd May, 2022, appointed Mr. Ketan Barai (DIN No: 00039816) as Additional Independent Director w. e. f. such Board meeting dates pursuant to Section 161 of the Companies Act, 2013.

Hence, he will hold the office up to the date of the ensuing annual general meeting.

The Company has received consent in writing to act as director in Form DIR – 2 and intimation in Form DIR– 8 pursuant to Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, to the effect that he is not disqualified under sub-section (2) of the Section 164 of the Companies Act, 2013.

The Board considers that his association would be of immense benefit to the Company and it is desirable to avail his services as Directors. Accordingly, the Board recommends the resolution nos. 4 in relation to appointment of Mr. Ketan Dhirajlal Barai as Director for the approval by the shareholders of the Company.

None of the Directors or Key Managerial Personnel of the Company and their relatives, other than Independent Director for his respective appointment, is concerned or interested, financially or otherwise, in the aforesaid Ordinary Resolution.

Item No. 5:

Abhishri Packaging Pvt. Ltd. is a Related Party of the Company within the meaning of Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) of the Listing Regulations. The Company is proposing to enter into certain business transactions with Abhishri Packaging Pvt. Ltd. for the Financial Year 2022-23. The nature of transactions are in the form of Purchase and Sale from Abhishri Packaging Pvt. Ltd. All transaction(s) to be entered into by the Company with Abhishri Packaging Pvt. Ltd. are in the ordinary course of business and are on arm's length basis and reviewed and recommended by the Audit Committee/Board for placing it for approval of the shareholders in compliance with the provisions of the Act/Listing Regulations. It may be noted that as

per the amended definition provided in the explanation to Regulation 23 (1) of Listing Regulations, which is effective 1st April, 2022, a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds Rs.1,000 Crore or ten per cent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity, whichever is lower. Further, all Material Related Party Transactions require prior approval of the Members through a Resolution and no related party shall vote to approve such Resolution whether an entity is a related party to the particular transaction or not. The transaction(s) with Abhishri Packaging Pvt. Ltd. for Financial Year 2022-23 are estimated to be not more than Rs.100 Crore (Rupees One Hundred Crore) and this amount exceeds the threshold limit of ten per cent of the annual turnover of the listed entity one of the criteria prescribed above in the amended definition of Material Related Party Transactions and therefore it is a Material Related Party Transaction. Approval of the Members of the Company is therefore required in terms of Regulation 23 of the Listing Regulations, by way of passing of an Ordinary Resolution to the aforesaid Material Related Party Transactions to be entered for Financial Year 2022-23.

FORM NO. MR-3 SECRETARIAL AUDIT REPORT

For the financial year ended March 31, 2022

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Tainwala Chemicals and Plastics (India) Limited CIN: L24100MH1985PLC037387
Tainwala House, Road No 18, Opp. Plot No 118,
MIDC, Andheri (East)
Mumbai - 400093
Maharashtra,

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by TAINWALA CHEMICALS AND PLASTICS (INDIA) LIMITED (hereinafter called "the Company") bearing CIN: L24100MH1985PLC037387. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2022 complied with the statutory provisions of the applicable acts listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company, for the financial year ended on 31st March, 2022 according to the provisions of:

- I. The Companies Act, 2013 ("the Act") and the rules made thereunder;

ANNEXURE "C" TO THE DIRECTORS REPORT**MANAGEMENT DISCUSSION & ANALYSIS****INTRODUCTION :**

Tainwala Chemicals and Plastics (India) Limited is engaged in the business of manufacturing extruded plastic sheets of various polymers like PVC, PP, PPGL, HDPE, ABS etc. from 0.5 mm to 30 mm thickness. These sheets have diverse application in the fabrication of industrial equipments, lining of chemical tanks, signboards, automobiles and white goods industry as well as pollution control equipment. These sheets are a very good substitute for conventional materials like wood, metal etc. due to its advantages of being tough, light and anti-corrosive.

INDUSTRY STRUCTURE:

The Plastic Sheet industry has come a long way in India in the last decade. From a few sheet extrusion lines manufacturing engineering plastics, the number of manufacturers has grown almost three fold today. With new entrants in the industry there is excess capacity, as a result of which competition has increased. In spite of the stiff competition your Company is numero uno in the manufacture of PVC Extruded sheets manufacturing and marketing the widest range of PVC Extruded sheet of varying thickness from 0.5 mm to 30 mm. Your Company enjoys a majority market share in the PVC Extruded Sheets, in polypropylene sheets, though there are a large number of manufacturers, we continue to remain one of the few manufacturers of superior quality polypropylene sheets.

FINANCIAL PERFORMANCE:

During the year under review the Company achieved Turnover of Rs. 646.76 lakhs. The Company continues to focus on tight working capital management. Stringent cost control measures have been initiated and implemented.

FUTURE OUTLOOK:

Your management has been identifying new areas of application where plastic sheets can replace traditional materials like stainless steel, asbestos, iron etc. The market for PVC Engineering Sheets is set to grow since sheets are mainly used as Pollution Control Equipment, in Waste Water Treatment applications, Sewage Treatment Plants as well as Portable Water Treatment Plants. As our economy moves from a developing to a developed one, the Sewage Treatment Plants and Portable Water Treatment as well as Effluent Treatment plants for treating industrial waste are a must. These are essential for preventing water pollution of both river as well as ground water and for providing safe drinking water to the country's Population. The Government's Policy on social sector development in areas such as low cost housing, safe sewage disposal and safe drinking water will increase the demand for PVC Sheets. In recent years the government has been according high priority to social development measures. The World Bank and other International Regional Development Banks are coming forward to finance these projects in the developing countries including India. The Government of India has decided to implement these projects on priority basis as part of the social welfare measures. Thus it is an indication that the future outlook for PVC Extruded Engineering Sheets is bright.

The Plastic industry in India symbolizes a promising industry and is creating new employment opportunities for the people of India. The per capita consumption of plastic products in India is growing and is moving towards 2.5 times GDP growth. The Government of India is trying to set up the economic reforms to elevate and boost the plastic industry by joint venturing, foreign investments and entrepreneurs are trying to provide high quality plastic products, so that it becomes a booming industry.

OPPORTUNITIES AND THREATS:

The PVC Extruded sheets are not only in demand in the domestic market, but also exports are expected to grow. This is because of the growing demand for these Sheets from the SAARC countries for applications in similar pollution control projects as those undertaken in our country. Similarly demand for PVC Extruded Plastic Sheets is also expected from the UAE, Saudi Arabia and other Middle East countries.

As these countries resort to cost cutting exercises due to a fall in the oil prices, they look forward to India as a potential low cost supplier for their requirements.

In spite of the immense opportunities for growth of the PVC Extruded Engineering Plastic Sheet Industry, this industry faces

certain risk, especially since demand for PVC Sheets depends on the various projects undertaken by the government. China made products are also threat to the Company.

SEGMENTWISE PERFORMANCE:

The business activities of the Company comprises of two business segments i.e. Plastic Sheets and Securities trading and all the business operations are in India only.

RISKS AND CONCERNS:

The company makes responsible approaches towards Risk Management on an integrated basis to cover all aspects of operations to diminish each or a combination of known risks that could affect its business. The company has a comprehensive insurance coverage and breakdown coverage for all its electronic equipment's to protect all its assets from such damages.

Apart from the above, the Company has a well-documented Risk Management System. The Company does identify a few risks, which are purely routine in nature and none of any significant impact. There is a mitigation system in place which addresses these risks as part of routine management process.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

Your Company has a system of internal controls commensurate with the size of its operation and nature of business to ensure optimum utilization and protection of resources, speedy and accurate reporting of financial transactions in compliance with applicable laws and regulations. The Company has an internal audit department which monitors and supplements the Company's operations through regular audits. The Board has also constituted an audit committee which meets periodically inter-alia to review the financial results, and the accuracy of financial records.

HUMAN RESOURCES / INDUSTRIAL RELATIONS:

The Company believes that the success of an Organization largely depends on the quality of its workforce and hence has always recognized people as its key workforce. The belief 'great people create great organizations' has been at the core of the Company's approach to its people. The Company has created a favorable work environment that encourages innovation and meritocracy.

Employee relations both at the office and at the factory have remained cordial and peaceful throughout the year.

RESEARCH AND DEVELOPMENT (R & D):

Your Company considers R & D as crucial for sustained growth of the Company and has in-house test facility at its factory premises.

CAUTIONARY STATEMENT:

Any statements made in this report relating to Company's perception of future outlook, objectives, expectations etc. may be considered as forward looking within the meaning of applicable securities laws and regulations which may differ from the actual results. Factors that would make difference to Company operations include competition, price realization, forex market, changes in government policies and regulations, tax regimes, economic development and other incidental factor

INDEPENDENT AUDITOR'S REPORT

To The Members of,

TAINWALA CHEMICALS AND PLASTICS (INDIA) LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of TAINWALA CHEMICALS AND PLASTICS (INDIA) LIMITED ("the Company") which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to financial statements, including a summary of significant accounting policies (hereinafter referred to as the "the Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and the loss (Financial performance including total comprehensive income), changes in equity and its cash inflows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	How was the matter addressed in our audit
1	Balance Confirmations [refer note no. 42 to the Ind AS financial statements] The balances in accounts of certain trade receivables, trade payables and loans and advances given are subject to confirmation and consequent reconciliations.	Adjustments in this respect in the opinion of the management are not likely to be material and would be carried out as and when ascertained.
2	Impairment of PPE [refer note no. 42 to the Ind AS financial statements] The management based on their review of assets and operation of the Company has determined that there is no indication of potential impairment and that the recoverable amount of its fixed assets is not lower than its carrying amount.	Based on our observations, no provision for impairment has been considered necessary as at March 31, 2022

3	Deferred Tax Assets\ Liabilities [refer note no. 31,, to the Ind AS financial statements] Considering the probability of availability of future taxable profits in the period in which tax losses expire, deferred tax assets have not been recognized in respect of unabsorbed depreciation, business losses and long term capital losses carried forward by the Company.	Deferred tax assets have not been recognized in respect of unabsorbed depreciation, business losses and long term capital losses carried forward by the Company.

Other information

The Company's Board of Directors is responsible for the other information. The other information comprises the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Corporate Governance, but does not include the Ind AS financial statements and our auditor's report thereon. The above stated reports are expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the above stated reports, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Ind AS financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Ind AS financial statements have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
- In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts; hence commenting on any material foreseeable losses thereon does not arise.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company
 - iv. a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

The Annexure referred to in our Independent Auditors' Report to the members of TAINWALA CHEMICALS AND PLASTICS (INDIA) LIMITED ('the Company') on the financial statements for the year ended March 31, 2022, we report that:

- I In respect of Company's Property, Plant and Equipment and Intangible Assets:
- a) (A) According to the information and explanations given by the management, the company has maintained proper records of showing full particulars including quantitative details and situation of Property, Plant and Equipment.
(B) According to the information and explanations given by the management, the Company has maintained proper records showing full particulars of intangible assets.
 - b) According to the information and explanations given by the management, the Company has a program of physical verification of Property, Plant and Equipment to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c) According to the information and explanations given by the management and on the basis of our examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties, disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - d) According to the information and explanations given by the management, the Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - e) According to the information and explanations given by the management, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. a) According to the information and explanations given by the management, management has conducted physical verification of inventory at regular intervals during the year and no material discrepancies were noticed on such physical verification.
 - b) According to the information and explanations given by the management, the Company has not been sanctioned working capital limits in excess of Rs.5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. The Company has made investments in, companies, firms, Limited Liability Partnerships, and granted unsecured loans to other parties, during the year, in respect of which:
 - a) According to the information and explanations given by the management and on the basis of our examination of the records of the Company, the Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any other entity during the year, and hence reporting under clause 3(iii)(a) of the Order is not applicable.
 - b) According to the information and explanations given by the management and on the basis of our examination of the records of the Company, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.
 - c) In respect of loans granted by the Company, there is no stipulation of schedule of repayment of principal and payment of interest.
However, receipt of interest is regular except for a interest free loan of Rs. 3,91,15,941 which is fully provided for as doubtful and Rs. 3,88,13,287 on which the recovery of interest is doubtful.
 - d) In respect of loans granted by the Company, the Principal amount and interest are payable on demand and therefore, the question of overdue amount as such does not arise.
 - e) In our opinion and according to the information and explanations given to us, no loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

- f) The Company has granted loans or advances in the nature of loans repayable on demand. The list of aggregate amount, percentage thereof to the total loans granted, aggregate amount of loans granted to Promoters, related parties is given below:

Particulars	All Parties	Related Parties
Aggregate amount of loans/ advances in natures of loans - Repayable on demand	Rs. 7,90,01,891	Rs. 4,01,88,604
Percentage of loans/advances in nature of loans to the total loans	100%	50.87%

- iv. In our opinion and according to the information and explanations given to us, during the year, the Company has not granted any loans or provided any guarantees or security in respect of any loans to any party covered under section 185 of the Companies Act, 2013. In respect of loan has been given in the previous years, the provision of Section 186 of the Companies Act, 2013 have been complied with.
- v. According to the information and explanations given by the management, the Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- vi. To the best of our knowledge and as explained by the management of the Company, Pursuant to Section 148 of the Companies Act, 2013, the Central Government made The Companies (Cost Records and Audit) Rules, 2014, not applicable to the company because the threshold applicable limit mentioned in rule 3 is not fulfilled during the previous year.
- vii. In respect of statutory dues:
- a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
- According to the information and explanations given to us, no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.
- b) According to the information and explanation given to us Statutory dues referred to in sub-clause (a) above does not include any disputed amount. Hence, reporting under clause 3(vii)(b) of the Order is not applicable.
- viii. The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- ix. a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not availed loans or borrowings from any lender during the year. Accordingly, the requirement to report on clause 3(ix)(a) of the Order is not applicable to the Company.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- d) The Company did not raise any funds during the year. Hence, the requirement to report on clause 3(ix)(d) of the Order is not applicable to the Company.
- e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(f) of the Order is not applicable to the Company.

-
- X a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- Xi a) According to the information and explanations given to us and on the basis of our examination of the records of the Company we report that no fraud by the Company or on the Company has been noticed or reported during the year.
- b) According to the information and explanations given to us, during the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by secretarial auditor or by us in Form ADT -4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government. No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clauses 3(xii)(a) to 3(xii)(c) of the Order is not applicable to the Company
- xiii. According to the information and explanations given by the management, transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- xiv. a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

- b) According to the information and explanations given to us, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not incurred cash losses in the current financial year as well as in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- xix. On the basis of the financial ratios disclosed in note 36 to the financial statements, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. The Company is not eligible for compliance of Corporate Social Responsibility (CSR) as per sec 135 of Companies Act, 2013 and hence reporting under clause 3(xx)(a) and (b) of the Order is not applicable.
- xxi. The Report is part of standalone financials of the Company hence the requirement to report on clause 3(xxi) of the Order is not applicable to the Company.

Annexure – 'B' to the Auditors' Report

(Report on the Internal Financial Controls under Clause (f) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act"))

We have audited the internal financial controls over financial reporting of "TAINWALA CHEMICALS AND PLASTICS (INDIA) LIMITED" ("the Company") as of **March 31, 2022** in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **March 31, 2022**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two recognised stock exchanges in India. The registered office of the company is located at Tainwala House, Road No. 18, M.I.D.C., Marol, Andheri (East), Mumbai - 400 093

The Company is principally engaged in the manufacturing of plastic sheets and Share trading. The financial statements were authorised for issue in accordance with a resolution of the directors on May 23, 2022.

2 Significant Accounting Policies

2.1 Basis of preparation

Standalone Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments) and
- Employee defined benefit assets/(obligations) are recognised as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligations

The outbreak of COVID-19 virus continues to spread across the globe including India, resulting in significant volatility in financial markets and a significant decrease in global and India's economic activities. On March 11, 2020, this outbreak was declared a global pandemic by the World Health Organization. On March 11, 2020, the Maharashtra Government announced a 15 - days lockdown which was further extended till 13st May 2021 across the State to contain the spread of the virus and still continues to be across many parts of the country in India. The pandemic and its consequent adverse effect on the economy also adversely impacted the financial markets.

In preparing these financial statements, the Company's management has assessed the impact of the pandemic on its operations and its assets including the value of its investments as at March 31, 2022 based on estimate of the future results and various internal and external information available up to the date of approval of these financial statements. The estimates as at the date of approval of these financial results may differ based on the ongoing impact of the pandemic and the timing of the improvement in the economy and the financial markets.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.2 Summary of significant accounting policies

(a) Property, plant and equipment

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Freehold land are stated at cost. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from its previously assessed standard of performance. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

TAINWALA CHEMICALS & PLASTICS (INDIA) LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Borrowing costs directly attributable to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the Property, plant and equipment is de-recognized.

Expenditure directly relating to construction activity is capitalized. Indirect expenditure incurred during construction period is capitalized to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period which is neither related to the construction activity nor is incidental thereto is charged to the statement of profit and loss.

Costs of assets not ready for use at the balance sheet date are disclosed under capital work- in- progress.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated on straight line basis using the useful lives as prescribed under Schedule II to the Companies Act, 2013. If the management's estimate of the useful life of a item of property, plant and equipment at the time of acquisition or the remaining useful life on a subsequent review is shorter than the envisaged in the aforesaid schedule, depreciation is provided at a higher rate based on the management's estimate of the useful life/ remaining useful life.

The property, plant and equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty that the company will obtain ownership at the end of the lease term. Leasehold assets are amortised on a straight line basis over the balance period of lease.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(b) Intangible assets

Intangible assets that are acquired by the Company are measured initially at cost. After initial recognition, an intangible asset is carried at its cost less any accumulated amortization and accumulated impairment loss.

Subsequent expenditure is capitalized only when it increases the future economic benefits from the specific asset to which it relates. An intangible asset is derecognized on disposal or when no future economic benefits are expected from its use and disposal.

Losses arising from retirement and gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss.

Amortisation methods and periods

Intangible assets comprising of Surface Rights are amortized on a straight line basis over the useful life of three years which is estimated by the management.

The estimated useful lives of intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern, if any.

TAINWALA CHEMICALS & PLASTICS (INDIA) LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(c) **Impairment of non financial assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

(d) **Foreign currency translation**

(i) **Functional and presentation currency**

Items included in the financial statements of the entity are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

(ii) **Transactions and balances**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in statement of profit or loss. Non monetary assets and liabilities are carried at cost.

(e) **Financial Instruments**

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

Initial Recognition

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

TAINWALA CHEMICALS & PLASTICS (INDIA) LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(i) Amortised Cost

A financial asset shall be classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Fair Value through other comprehensive income

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Fair Value through Profit or Loss

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification and Subsequent Measurement: Financial liabilities

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

(i) Financial Liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL. Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

(ii) Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Impairment of financial assets

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Company recognises a loss allowance for expected credit losses on financial asset. In case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

TAINWALA CHEMICALS & PLASTICS (INDIA) LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

Derecognition of financial liabilities

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(f) Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognised at the proceeds received.

(g) Taxes

(i) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred income tax is recognized using the balance sheet approach, deferred tax is recognized on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

TAINWALA CHEMICALS & PLASTICS (INDIA) LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(h) Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. valued at lower of cost and net realisable value. Cost is computed on FIFO basis.

Finished goods and stock in progress: Finished goods and stock-in-process are valued at lower of cost and net realizable value. Cost for this purpose includes estimated cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

Traded goods: Valuation of stock in traded goods is carried out at lower of its cost and quoted market price. Cost is ascertained on FIFO basis.

Stores and spares : Stores and spares are charged to consumption in the year of procurement.

(i) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, value added taxes and amounts collected on behalf of third parties. The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Recognising revenue from major business activities

(i) Sale of goods and other tradable items

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

(ii) Interest income

For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR).

(iii) Dividend income

Revenue is recognised when the company's right to receive the payment is established, which is generally when shareholders approve the dividend.

TAINWALA CHEMICALS & PLASTICS (INDIA) LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(j) **Employee benefits**

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Other long-term employee benefit obligations

The earned leave obligations are presented as current liabilities in the balance sheet as the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The company operates the following post-employment schemes:

- (a) defined benefit plans viz gratuity,
- (b) defined contribution plans viz provident fund/pension fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The plan assets are administered by the approved gratuity fund trust.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plans

The company pays provident fund/pension fund contributions to approved publicly administered provident funds/pension funds. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(iii) Termination benefits

Termination benefits are payable when employment is terminated by the company before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits.

(k) **Leases**

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

TAINWALA CHEMICALS & PLASTICS (INDIA) LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(i) As a lessee

A lease is classified at the inception date as a finance lease or an operating lease. Leases of property, plant and equipment where the company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(ii) As a lessor

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Arrangements in the nature of lease

The Company enters into agreements, comprising a transaction or series of related transactions that does not take the legal form of a lease but conveys the right to use the asset in return for a payment or series of payments. In case of such arrangements, the Company applies the requirements of Ind AS 116 – Leases to the lease element of the arrangement. For the purpose of applying the requirements under Ind AS 116 – Leases, payments and other consideration required by the arrangement are separated at the inception of the arrangement into those for lease and those for other elements.

(l) **Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

(m) **Borrowing costs**

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate (EIR) applicable to the respective borrowing.

Borrowing costs, allocated to qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

All other borrowing costs are recognised as an expense in the period which they are incurred.

TAINWALA CHEMICALS & PLASTICS (INDIA) LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(n) **Segment Reporting - Identification of Segments**

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

(o) **Earnings per share**

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(p) **Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(q) **Current/non current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

TAINWALA CHEMICALS & PLASTICS (INDIA) LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(r) **Dividends**

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

(s) **Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakh as per the requirement of Schedule III, unless otherwise stated.

3 Significant accounting judgements, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgements

(i) Estimation of net realizable value for inventory

Inventory is stated at the lower of cost and net realizable value (NRV).

NRV for completed inventory is assessed by reference to market conditions and prices existing at the reporting date and is determined by the Company, based on comparable transactions identified.

(ii) Impairment of non - financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

(iii) Recoverability of trade receivables

In case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

(iv) Useful lives of property, plant and equipment/intangible assets

The Company reviews the useful life of property, plant and equipment/intangible assets at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

(v) Defined benefit plans

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair values for loans and other non current financial assets were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the Fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The fair values of non current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

ii. Fair Value Hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are recognised and measure at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table:

There have been no transfers among Level 1, Level 2 and Level 3 during the period

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates.

Level 3 - If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

iii. Valuation technique used to determine fair value

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the use of Breakup value/net asset value for unquoted equity instruments
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis

iv. Valuation inputs and relationships to fair value

The significant unobservable inputs used in the fair value measurement categorised within Level 3 of the fair value hierarchy together with a quantitative sensitivity analysis as at March 31, 2017 and March 31, 2016 are shown as below:

Particulars	Valuation technique
Unlisted equity securities	Net Assets / Breakup value method

v. Valuation processes

The finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee. Discussions of valuation processes and results are held between the CFO, audit committee and the valuation team regularly.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

38. FINANCIAL RISK MANAGEMENT

The Company's activity exposes it to market risk, liquidity risk and credit risk. Company's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the company. This note explains the sources of risk which the entity is exposed to and how the company manages the risk.

(A) Credit risk

Credit risk is the risk that the counterparty will not meet its obligations leading to a financial loss. Credit risk arises from cash and cash equivalents, financial assets carried at amortised cost and deposits with banks and financial institutions, as well as credit exposures to customers including outstanding receivables.

i. Credit risk management

Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business.

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward-looking information.

In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due.

A default on a financial asset is when the counterparty fails to make contractual payments of when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

ii. Provision for expected credit losses

The company follows 'simplified approach' for recognition of loss allowance on Trade receivables.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

iii. Reconciliation of loss allowance provision -

Particulars	Trade receivables Loan & Advances	
	Amount In Lakhs	Amount In Lakhs
Loss allowance on April 1, 2021	33.65	391.16
Changes in loss allowance	-	-
Loss allowance on March 31, 2022	33.65	391.16

(B) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due. The Company consistently generated sufficient cash flows from operations to meet its financial obligations. Also, the Company has unutilized credit limits with banks.

Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows. In addition, the company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements.

Maturities of financial liabilities

The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. In the table below, borrowings includes both interest and principal cash flows. To the extent that interest rates are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market prices. Market risk comprises three types of risk: foreign currency risk, interest rate risk and other price risk such as commodity risk.

(i) Foreign currency risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the import of goods.

The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies and standard operating procedures to mitigate the risks.

(a) The company exposure to foreign currency risk at the end of the reporting period expressed in INR lakhs, are as follows

Particulars	USD
March 31, 2022	
Trade Payable	-
Net exposure to foreign currency risk	-
March 31, 2021	
Trade Payable	(48.04)
Net exposure to foreign currency risk	(48.04)

(b) Foreign currency sensitivity

Particulars	March 31, 2022		March 31, 2021	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	-	-	(0.48)	0.48
Net Increase/(decrease) in profit or loss	-	-	(0.48)	0.48

(ii) Interest rate risk

The Company primarily borrows funds under fixed interest rate arrangements with banks and financial institutions and therefore the Company is not exposed to interest rate risk.

(iii) Price risk

The Company is not significantly exposed to changes in the prices of commodities/equity instruments.
