It is one of the well-known FMCG companies that has in its portfolio Gillette, Braun and Oral-B, which are world's leading brands. The Company has carved a reputation for delivering superior products to meet the needs of consumers. The Company is committed to making every day in the lives of Indian consumers better through superior value propositions.

MANAGING DIRECTOR'S MESSAGE

Dear Shareholders,

The Company delivered a strong year in fiscal 2024-2025, with consistent performance on both top-line and bottom-line, amidst a continued challenging operating and macroeconomic environment.

Effective this year, the Company changed its Financial Year from July 1 – June 30, to April 1 – March 31. Accordingly, the current Financial Year of the Company ended on March 31, 2025, covering a period of 9 months from July 1, 2024, to March 31, 2025. For the 9-month fiscal year ended March 31, 2025, the Company reported sales of ₹2,235 crore and profit after tax for the fiscal was ₹418 crore.

These results have been driven by the execution of our Integrated Growth Strategy - portfolio, superiority, productivity, constructive disruption, and an empowered, agile and accountable organization - all in service of our consumers, customers, employees, society, and our shareholders. Importantly, this strategy is inherently dynamic. It adapts to the changing needs of consumers, customers, and society. It demands that we not sit still. Our people are focused on executing each element of our integrated growth strategy with excellence, to delight consumers and win in the marketplace, to deliver the level of balanced growth and value-creation results you and we expect.

Our strategic choice of superiority is reflected through innovation across the five vectors of product, package, brand communication, retail execution and value – holistically defined. No one vector of superiority can carry the day by itself. It's all five working together. Superior performing products in superior packages provide noticeably better benefits to consumers. They become aware of and learn about these products through superior brand communications. This comes to life in stores and online with superior retail execution and delivers superior consumer value at a price that is considered worth it across each price point where we compete. We look at superiority as a never-ending challenge and opportunity and we invest to raising the bar on our superiority standards in response to consumer needs and changes in our industry.

Our innovation history is one of the stronger bundles in recent times. We remain invested in developing innovation in each of our categories, and across our portfolios, to attract new users and help them more effectively tackle current and new jobs to be done.

Our brands are leading this through a stream of innovations including Gillette Mach 3 razors that leverage state-of-the-art technology like 3 anti-friction blades and a unique facial adaptive technology for a seamless shaving experience. We upgraded and enhanced the much-loved Gillette Guard to offer a superior, cut-free shaving experience with a Chrome-Platinum coating to better protect against rust. In our decades of serving consumers with Gillette, we have strengthened our market leadership, continuing to gain the trust of our consumers. Venus continues to educate consumers on the benefit of a pain-free hair-removal experience that it has to offer. In the Oral Care segment, the launch of iO3 electric toothbrush is bringing the superior experience of power oral care to more Indian consumers.

Another new addition - the Vitality Pro Sensitive electric toothbrush allows even more consumers to enjoy the benefits of electric brushing by alleviating concerns that electric brushes may be harsh on sensitive teeth.

Our focus on superiority extends to retail execution, where we are developing new tools and capabilities to win across all avenues, be it the physical shelf or the digital shelf. The strategic need to keep investing in superiority, coupled with the ongoing need to drive balanced top-and bottom-line growth, including margin expansion, underscore the importance of ongoing productivity. We have developed a strong productivity muscle over the years. Productivity is fully embedded in our operating model and is embraced in every part of our operation. At the same time, we are focused on leading disruption in a constructive way that delivers better outcomes and creates value for consumers, customers, employees, society, and shareholders. Most importantly, Organization is an integral part of our Integrated Growth Strategy. After all, it is our people who deliver and execute these strategies.

During the year, the Company continued to contribute to flagship Corporate Social Responsibility program of the P&G group, P&G Shiksha and to positively impact communities it serves and operates in. This year, we also proudly celebrated the 20-year milestone of P&G Shiksha, which is positively impacting over 50 lakh children. Initially focused on building educational infrastructure, the program has evolved to prioritize improving learning outcomes. To celebrate the two-decade impact, we also introduced a very special collection of 20 remarkable stories of change and impact, called "Twenty Tales of Triumph".

I would like to express my gratitude to all our consumers, customers, employees, business partners and YOU, our valued shareholders for your support and participation in the growth of the Company. We continue to focus keenly on creating value for our stakeholders. We are entering the new fiscal year with an approach of keeping consumers at the center, and an organization built to serve them with superior propositions that delight. If we do this effectively, consumers will benefit, customers will grow their businesses, employees will develop and thrive, we will have a positive impact on society, and shareholders will continue to be rewarded for their investment.

We believe that the best path forward remains to execute our dynamic, market-constructive – Integrated Growth Strategy. The real advantage comes from being able to do all of these things at the same time – that is what we remain committed to, towards sustained excellence in service to all our stakeholders.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS PERFORMANCE AND STRATEGY

For the 9-months Financial Year ended March 31, 2025, the Company reported sales of ₹ 2,235 Crores, driven by a robust portfolio, superior execution and a consistent pipeline of innovation to better serve consumers. Profit after tax for the fiscal was ₹ 418 Crores, driven by strong topline growth as well as deliberate productivity interventions to fuel superiority across the portfolio.

The Company continued to deliver a strong performance, across top-line and bottom-line during the Financial Year.

The Company continues to remain focused on long term value creation and to better serve consumers, customers, employees, society, and shareholders, through its integrated growth strategy, which consists of five strategic and integrated choices:

- A focused product portfolio where performance drives brand choice
- Irresistible superiority across product, package, brand communication, retail execution and value, to delight consumers
- Productivity improvement in all areas of our operations
- Leading constructive disruption of our industry across all areas of the value chain
- An empowered, agile and accountable organization, enabling us to better serve consumers.

These strategic choices reinforce and build on each other. When these strategic choices are implemented effectively, they grow markets while creating business, which in turn, grows Company's share, sales, household penetration and profit. Importantly, this strategy is inherently dynamic, adapting to the changing needs of stakeholders. This strategy is yielding consistent results for the Company, and therefore remains the right way forward as the Company steps into the new fiscal year.

GROOMING SEGMENT PERFORMANCE

During the Financial Year, the Company's grooming business delivered strong performance, marked by robust growth and continued market share gain. This was driven by a focused strategy built on irresistible superiority on product & packaging, effective consumer engagement, and continuous innovation. The Company's grooming portfolio includes brands like *Gillette Guard*, *Gillette Labs*, *Gillette Mach 3*, *Gillette Fusion*, *Gillette Venus*, *Gillette Shaving foams* and *Braun*. The Company's comprehensive grooming portfolio continues to offer wide range of products—from traditional hassle-free shaving solutions; to advanced styling and shaping tools; and electronic grooming devices, as well as comfortable shaving experience to the female grooming needs, ensuring we meet the unique requirements of every consumer. In its decades of service, the Company has strengthened its market leadership, continuing to gain trust of its users.

The Company upgraded and enhanced the portfolio of its much-loved *Gillette Guard* which offers a superior, cut-free shaving experience with a chrome-platinum coating for an enhanced protection against rust. As the Company took this proposition to market, it successfully gained the trust of millions of consumers who now rely on *Guard* for their shaving needs.

With the understanding of evolving consumer needs, the Company elevated range of *Mach 3* razors by integrating state-of-the-art technology, including three anti-friction blades and unique facial adaptive technology. This transformative shaving experience ensures that "*shave bhi ho jaye, aur pata bhi na chale*" (worry and hassle free shaving experience), giving the consumer both smooth and effortless shaving experience.

Today's consumers have diverse preferences, including a desire for tools that allows them to 'evolve' their appearance as needed. With this consumer insight at the forefront, the Company

revamped the packaging of *Gillette Fusion 5* which effectively communicates its unique and superior proposition for “*Perfect Shave, Perfect Shape.*”

Braun products continued to show healthy growth in the appliances sector.

Over the years, we have also evolved our communication strategy to cater to our consumers in a better way and thereby effectively resonate with them.

Superior communication continues to be a key vector for the Company for its female grooming segment - *Gillette Venus*. It is a critical avenue to reach consumers and educate them on the smooth, painless, and hassle-free experience that *Venus* provides. The Company does this via relatable digital and social media-led communication.

Superior packaging is also essential for the consumers, as it creates the perfect First Moment of Truth with consumers, enhancing the delightful experience when they encounter *Gillette* products. Through *Gillette Venus*, the Company upgraded this moment for its consumers, with improved cues on the package which details the feature, benefit, ingredients, and usage recommendations – all enabling consumers to quickly identify and choose the right product to meet their needs at a glance.

As a result of these key interventions across the *Gillette* portfolio, the Company recorded its highest-ever market share in the Blades and Razors category this Financial Year.

ORAL CARE SEGMENT PERFORMANCE

The Company's Oral Care portfolio serves a diverse range of consumers and their unique needs, with

an assortment of products – featuring from gentle to deep clean, special range for children, and an advanced power-oral care range. The Company continued to upgrade its propositions to keep delighting consumers and meeting their evolving needs pertaining to their oral health.

The Company is committed to enhancing consumers' experience while brushing and providing them optimum Oral Care.

In the manual oral care segment, the Company achieved significant progress with two new launches. The new *Sensitive Expert* toothbrush features a compact head and ultra-thin bristles, crafted to provide healthier gums and cleaner teeth for consumers. Moreover, the Company introduced the *Oral-B Charcoal Whitening toothbrush*, targeted at consumers looking for effective teeth whitening solutions.

With the insight that consumers who use *Oral B* power oral care products have a much superior experience, and to ensure more and more consumers can experience this, the Company launched the iO3 electric toothbrush, which is designed to provide a premium power oral care experience at an affordable price point, inviting many more consumers into the world of *Oral B* power oral care. Another new addition, is the *Vitality Pro Sensitive* electric toothbrush, which allows even more consumers to enjoy the benefits of electric brushing by alleviating concerns that electric brushes may be harsh on sensitive teeth.

The innovations in the oral care segment, supported by dynamic go-to-market activations on e-commerce platforms and a compelling communication strategy, ensures the Company connects with consumers where they are, delivering messages that truly resonate with them.

ECONOMIC OUTLOOK, RISKS & OPPORTUNITES

The International Monetary Fund (IMF) projects Indian economy to grow by 6.2% in 2025 and 6.3% in 2026. This estimate stands tall against the global growth projection which is projected at 3.3% in both 2025 and 2026, thus projecting that India will maintain its position as a fast-growing major economy globally. The growth is expected to be supported by private consumption, particularly in rural areas.

Further, IMF predicts the global inflation rate to decrease to 4.3% in 2025 and decline further to 3.6% in 2026.

Steady government and private investment and economic indicators of tax collections, foreign reserves continuing to be healthy, present an optimistic outlook for future, however, inflation and demand needs to be remain on the watchlist in light of the evolving global trade policies.

Although India's economy is well-paced for growth, uncertainties in global markets, financial volatility, and disruptions in trade present significant risks. Strategic reforms and fiscal strategies are crucial to sustain and boost this growth amid evolving global dynamics.

Within the FMCG industry, demand trends continue to evolve. While non-food Inflation continues to stay below RBI's medium-term target of 4%*, consumer consumption trends are still shifting. With healthier monsoons last year and rural wages picking up, rural demand is showing signs of healthy recovery. Urban demand continues to remain soft, however government investment is expected to inflect growth shortly.

In this environment, the Company continues to hold a cautiously optimistic outlook for the future and is well positioned to sustain and improve its performance with its integrated growth strategy and serve the consumers with superior products.

RISK MANAGEMENT

The Company has set up a Risk Management Committee and has also adopted a risk management policy. Adequate measures have been adopted by the Company to anticipate, plan and mitigate the spectrum of risks it faces. The Company's risk management process focuses on ensuring that these risks are identified and addressed on a timely basis. The risks are identified by a consistent process

across functions and the Company also strives to link each risk with a mitigation step to ensure business continuity. The risk report is reviewed at regular intervals, to ensure that risks are planned for mitigation, for the fact that not all risks can be eliminated.

As part of the business sustainability and governance process, in order to ensure a robust risk management system, in line with the applicable laws, the Company follows a proactive risk management policy, aimed at protecting its employees, assets and the environment, while at the same time ensuring growth and continuity of its business. The Company also has adequate insurance coverage to protect the value of its assets. The Company has in place a very stringent and responsive system under which all its distributors and vendors are assessed before being selected.

REGULATORY AND COMPLIANCE

The Company operates within the letter and spirit of all applicable laws. General compliance with legal requirements is an important component of the Company's Worldwide Business Conduct Manual and the same expects the following from its employees:

- To uphold our Purpose, Values, and Principals in our work and in the business decision we make
- To do the right thing at all times
- To follow standards set forth in the WBCM and the law at all times
- To know and fully comply with the laws, regulations, and company policies that apply to the employees' work
- To be alert to any situations or actions that may violate the law, the WBCM or Company policies, and to report them appropriately

The Company has set in place the requisite mechanism for meeting the compliance requirements, periodic monitoring of compliance to avoid any deviations, and regular updates to keep pace with the regulatory changes.

A number of training programs are conducted periodically for employees with respect to various compliance related topics such as Global Anti-Corruption Standards, Prevention of Sexual Harassment at Workplace, Whistle-blower Mechanism, Conflict of Interest, Data Privacy, Data Integrity, Anti-Trust compliance etc.

SECURITY

The Company has implemented comprehensive security programs supported by latest technology and trained manpower to protect employees and assets, at its office and plants. During the Financial Year under review, no major security breaches or incidents occurred at your Company's plant. A comprehensive security risk assessment is carried out regularly and adequate security measures are implemented to cater to changing security scenario. The Company has installed the best of the security measures and processes to protect its personnel and assets.

INTERNAL CONTROLS & THEIR ADEQUACY

The Company continues to prioritize sustainable control processes that are an integral part of organization culture. It has built strong Internal Controls Environment and Risk Assessment and Management systems. These systems enable the Company to comply with Internal Company policies, procedures, standard guidelines, and local laws to help protect Company's assets and confidential information including personal identifiable information against financial losses and unauthorized use. The robust controls environment at the Company is efficiently managed and monitored through below measures:

- **Controls Self-Assessments**

CSA's are performed during the year across business processes. The purpose of this thorough exercise is to review and evaluate process compliances against standard control objective, activities, and attributes. This enables the Company to proactively identify control weaknesses and initiate actions to sustainably mitigate them. Along with CSA's, the company also has a process of continuous monitoring

selective controls in manufacturing processes via an internally developed toolkit that tracks control activities and assesses effectiveness of controls with the process owners by selecting auto samples for packing, planning, warehousing, etc. Samples are auto picked up every quarter for the respective areas in the toolkit and tested. Defects, if any, are reviewed by the management. This ensures ongoing monitoring of controls for operational areas.

- **Governance and Global Internal Audit**

There are internal control experts in the organization guiding business teams on day-to-day compliance requirements. They also ensure that all key processes, i.e. selling, distribution, trade & marketing expenses, vendor payments, etc. are reviewed and assessed at appropriate intervals via CSAs, standard operating procedures and process reviews or audits as applicable. As part of their ongoing monitoring process, if there are issues identified, those are reported to senior management for implementing action plans to strengthen control environment in these processes. The assessments of high-risk and Sarbanes-Oxley Act (SOX) compliance areas are done by Company's Global Internal Audit (GIA) team. GIA comprises of certified internal auditors who have experience across different markets and have independent centers of excellence. Issues raised by internal audit teams are tagged to business owners and issue remediation is then reviewed and reported appropriately to the senior leadership.

- **Governance Board**

The Governance Board is led by the Managing Director and comprises Chief Financial Officer, Chief Human Resource Officer, Supply Chain Leader, Purchasing & Sustainability Leader, and General Counsel. The Governance Board assesses, and reviews enterprise level risks and works with process owners and functional managers to ensure that corrective action is taken, and risk is mitigated as appropriate.

BUSINESS RESPONSIBILITY, ENVIRONMENTAL SUSTAINABILITY AND CONSERVATION OF ENERGY

The Company believes that its efforts in environmental sustainability are important to create superior propositions for consumers, customers, and shareholders, while improving its environmental impact. The Company continuously seeks to reduce the footprint of its operations and to enable consumers to reduce their footprint, when they use Company's products.

The Company's plant sites at Baddi and Bhiwadi are a zero-manufacturing-waste-to-landfill site, which means that no manufacturing waste is discharged into the environment.

The Company contributes to the P&G group's ambition to reduce Green House Gas (GHG) emissions across its operations. The Company will continue to strive in its efforts towards this ambition.

The Company aims to reduce plastic packaging waste and to design the product packaging to be recyclable or reusable; and to reduce the use of virgin petroleum plastic resin in consumer packaging. The Company continues to be compliant with the Extended Producer Responsibility guidelines on plastic packaging waste collection.

The Company also aims to play its part in protecting the water resources and addressing the key challenges impacting its operations and the local communities where it operates in.

CORPORATE SOCIAL RESPONSIBILITY

The Company's flagship Corporate Social Responsibility program - P&G Shiksha is a holistic program that focuses on improving learning outcomes for children from underserved communities across the country. P&G Shiksha has streamlined its efforts to enable every child to learn with conceptual understanding and realize their aspirations. P&G Shiksha uniquely remains single-mindedly focused on education, creating deep and lasting impact.

The Company has constituted a Corporate Social Responsibility Committee. The composition and terms of reference of the Corporate Social Responsibility Committee are provided in the Corporate Governance Report annexed to this Annual Report.

Report on Corporate Social Responsibility activities as required under the Companies (Corporate Social Responsibility Policy) Rules, 2014 has been appended as **Annexure II** to this Report.

TECHNOLOGY ABSORPTION AND RESEARCH & DEVELOPMENT

The Company has the advantage of availing advanced technology and continuous upgradation thereof from The Procter & Gamble Company, USA and its subsidiaries. This is an unmatched competitive advantage that helps the Company deliver strong business results.

As the Company avails benefits of research and development of The Procter & Gamble Company, USA and its subsidiaries across the globe, the Company has not incurred any expenditure on research and development during the Financial Year. Technology absorption and adaptation is a continuous process. The products manufactured and sold by the Company are a result of such imported technology received on an ongoing basis. Initiatives are constantly undertaken for innovation of products, new product development, improvement of packaging, enhancement of product quality and application of best information technology to automate, simplify and generate efficiencies in various business processes.

The Company having ongoing access to cutting-edge technology, derives benefits such as product development, consistent superior product quality, process efficiencies, cost effectiveness and energy efficiency.

**ANNEXURE I****BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT 2024-25**

Dear Shareholders,

We are presenting the Company's Business Responsibility and Sustainability Report for the Financial Year ended March 31, 2025.

Our objective is balanced top- and bottom-line growth, while serving the needs of all stakeholders — consumers, customers, employees, society and shareholders. We are growing and creating value through a strategy of five integrated choices - a focused product portfolio of daily use categories where performance drives brand choice, superiority (of product performance, packaging, brand communication, retail execution and consumer and customer value), productivity, constructive disruption, and an agile, empowered and accountable organization. This strategy is inherently dynamic and adapts to the changing needs of consumers, customers and society. We see success in environmental, social and governance areas, what we call Citizenship, as an opportunity to create competitive advantage that can drive shareholder value creation.

Our efforts in environmental sustainability are important to create superior propositions for consumers, customers, and shareholders, while improving our environmental impact. We seek to reduce the footprint of our operations and enable consumers to reduce their footprint.

The Company continued to contribute to P&G India group's flagship Corporate Social Responsibility Program - P&G Shiksha and positively impacting communities. P&G Shiksha is impacting over 50 lakh children across the country since its inception 20 years ago, with a dedicated focus on improving learning outcomes for children in underserved communities.

As a consumer products company, we believe that it is important for our workforce to reflect the diversity of our consumers. We seek to foster an inclusive work environment where each individual can bring their authentic self, which helps drive innovation and enables us to better serve our consumers. Our ability to serve diverse consumers most effectively is enabled by a workforce and culture that understands, respects, and reflects the uniqueness of all the consumers we serve.

As we are entering the new fiscal year, we will continue to keep consumers at the center, with an organization passionate to serve and delight the consumer, along with all our stakeholders. When done well, consumers will benefit, customers will grow their businesses, employees will develop and thrive, we will have a positive impact on society, and shareholders will continue to be rewarded for their investment.

Kumar Venkatasubramanian
Managing Director

The Company has been fulfilling its Extended Producer Responsibility (EPR) Obligations with respect to collection of plastic packaging waste.	Creating superior and sustainable packaging solutions represents an opportunity to delight consumers and retail partners and create incremental sales and profit in return. However, the cost of developing sustainable packaging alternative and cost of implementing processes to be put in place for compliance with EPR obligations in respect of reuse, recycle and end of life disposal of plastic packaging waste could be significant, especially with challenges such as absence or unavailability of technology solutions for developing alternative packaging, and lack of availability of post-consumer recycled (PCR) meeting appropriate quality standards.
2.	Diversity and Inclusion	Opportunity	Diversity and Inclusion is good for our business – broadening our ability to better serve our consumers, as well as supplementing our efforts to attract, develop, and retain the best employees from the broadest pool of talent available.	Our Equality & Inclusion (E&I) efforts are integrated into how we serve diverse consumers. Our ability to do this most effectively is enabled by a workforce and culture that understands, respects and reflects the uniqueness of all the consumers we serve.	We believe that our E&I efforts provide us with a sustained competitive advantage and further enhances shareholder value.

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
3.	Community impact	Opportunity	Being a good corporate citizen is core to who we are as a Company. Therefore, it remains a priority now, and in the future.	We continue to give back to the communities we serve through our flagship Corporate Social Responsibility program – P&G Shiksha, which focuses on providing education for underprivileged children through a 360-degree educational intervention to enhance education infrastructure, improve learning outcomes and support communities via targeted education interventions.	P&G Shiksha is focused on creating scalable and sustainable impact, in underserved communities. The efforts are in line with the national priorities as called out in the National Education Policy 2020. As India is a diverse and expansive country, and considering the scale of the challenge P&G Shiksha aims to address, there continues to be a big opportunity for making a positive impact in the communities we serve.

PRINCIPLE - 5 BUSINESSES SHOULD RESPECT AND PROMOTE HUMAN RIGHTS

Respect for Human Rights is fundamental to the way we manage our business. This includes respecting and promoting the human rights of our employees, our external business partners, and the communities in which we live, serve, and operate. We support the U.N. Guiding Principles for Business and Human Rights, which respects and honors the principles of internationally recognized human rights, including those rights expressed in the International Bill of Human Rights (i.e., Universal Declaration of Human Rights, the International Covenants on Economic, Social and Cultural Rights, and the International Covenants on Civil & Political Rights); the principles concerning fundamental rights as set out in the International Labor Organization Declaration on Fundamental Principles and Rights at Work; and the United Nations Declaration of the Rights of Indigenous Peoples.

4. Do you have a focal point responsible for addressing human rights impacts or issues caused or contributed to by the business?

Respect for Human Rights is fundamental to the way we manage our business. This includes respecting and promoting the human rights of our employees, our external business partners, and the communities in which we live, serve, and operate. The Company supports the U.N. Guiding Principles for Business and Human Rights, which respects and honors the principles of internationally recognized human rights, including those rights expressed in the International Bill of Human Rights (i.e., Universal Declaration of Human Rights, the International Covenants on Economic, Social and Cultural Rights, and the International Covenants on Civil & Political Rights); the principles concerning fundamental rights as set out in the International Labor Organization Declaration on Fundamental Principles and Rights at Work; and the United Nations Declaration of the Rights of Indigenous Peoples.

The Company recognizes that there will be times when national law and international human rights principles do not align, or where there are insufficient legal and regulatory frameworks or enforcement mechanisms. Wherever this is the case, we are committed to respecting human rights across our value chain, which encompasses our employees, our consumers, the communities where we do business, and our business partners.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues:

The Company strives to promote a work environment of confidence and trust. The Company's employees hold themselves and one another accountable for operating with trust and integrity, for stepping up as leaders and owners of the Company, and for balancing stewardship with a passion to win.

The Company aims to create a work environment internally and with our business partners that fosters open communication and supports individuals in reporting potential violations. Employees and individuals in our operations or extended value chain can report violations at the Worldwide Business Conduct Helpline, which is staffed by an independent third party - 24 hours a day, seven days a week - and includes, where permitted by local law, an anonymous way to report concerns. The Company reviews the allegations of wrongdoing with trained teams who ensure thorough, impartial and fact-based investigations. Retaliation for raising concerns in good faith will not be tolerated.

The Company will not knowingly condone or contribute to adverse human rights impacts caused by the actions of our business partners. When the Company becomes aware of an adverse impact, it engages to be part of the solution to address the issue or dilemma, including seeking to prevent or mitigate the adverse impact and working to enable effective remedy.

ANNEXURE II

CORPORATE SOCIAL RESPONSIBILITY REPORT FOR THE FINANCIAL YEAR 2024-25

[Pursuant to Companies (Corporate Social Responsibility Policy) Rules, 2014]

1. Brief outline of the Company's Corporate Social Responsibility policy (CSR)

The Company's Community Impact efforts are brought to life via its flagship Corporate Social Responsibility program – *P&G Shiksha*. The program focuses on improving foundational literacy and numeracy in children through targeted interventions focused on prevention and remediation of learning gaps. When a child falls behind in their learning level, it creates a gap between their current learning levels and what is expected at grade level, which is called the Learning Gap.

P&G Shiksha began in 2005 with the aim of providing access to education to underprivileged children. Since then, it has remained committed to a singular focus area – education. Over the last two decades, P&G Shiksha has evolved into a holistic program which works to improve learning outcomes, ensuring children are not only going to school but also learning with understanding.

The educational interventions are implemented through a 3-pronged approach: Prevention of learning gaps, Remediation of learning gaps and Ensuring Learning Continuity.

PREVENTIVE ACTION PROGRAMMES:

- **Early Childhood Education:** During early childhood when brain development is at its highest point, nurturing appropriate developmental skills has been closely linked with positive outcomes, including improved school readiness, increased knowledge retention, and holistic growth of the child. To enable this, we partner with Pratham Education Foundation for our Early Childhood Education program dedicated to children aged 3-6 years. This program focuses on developing motor, cognitive, social emotional, language and creative skills in children, thereby setting them up for a strong start as they begin their education journey. By leveraging various models partnering with state governments, ranging from in-school, Anganwadi-led, and a unique, first-of-its-kind model involving mothers as volunteers, the program leverages activity-based pedagogy.
- **Enhancing learning Environment:** In line with the belief that strong infrastructural support at schools can help make the environment around children more conducive to learning and eliminate distractions, P&G Shiksha, together with its partners at Round Table India, undertakes educational infrastructure interventions like building classrooms. This helps improve the learning environment for children and teachers, and the impact is seen in increasing enrolments, better attendance, reducing dropouts, driving efficiency for teachers, encouraging students, and therefore, overall higher learning levels.

REMEDIAL ACTION PROGRAMMES:

- **Community Learning:** A unique community based and an 'in-school' model, in partnership with Pratham Education Foundation, comes to life with the support of trained volunteers from the community, government and schools. Here, the Company follows the 'Teaching at the Right Level' approach, where children in Grades 3 to 6 are grouped according to their learning levels rather than grade, and level-specific activity-based learning is delivered to help strengthen skills in foundational subjects of language and mathematics (in line with the National Education Policy priorities). We strive for sustained impact by bringing the community at the center of interventions, taking responsibility, and playing their part.
- **Digital Remedial Learning:** P&G Shiksha is leveraging technology to bridge learning gaps, partnering with Educational Initiatives (EI). We partner with state governments to set up digital labs, where P&G and EI implement 'Mindspark', a computer-based adaptive learning tool that leverages artificial intelligence and machine learning languages to integrate pedagogy, teacher instruction and a learning management system to assess a student's learning level and develop a customized learning path for each one of them. Gamified learning helps encourage students to keep learning in the privacy of their screen, removing barriers like mockery, lack of motivation and negative spotlight. Multi-device tool access ensures continued learning at home and during breaks. Through this initiative, we are also impacting over 20,000 children from the Tribal communities of Maharashtra and Telangana, in partnership with the government offices.

ENSURING LEARNING CONTINUITY: via special learning centers for children of migrant laborer communities in Rajasthan. The program, implemented together with IBTADA, imparts foundational primary education to children not enrolled in formal education system. With this, the program aims to bring the children into formal education system.

CORPORATE GOVERNANCE REPORT

The Board of Directors are pleased to present the Corporate Governance Report.

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

At the core of the Company is the commitment to doing the right thing. Building and sustaining a robust business for long term depends on maintaining strong ethical, compliance, and quality standards across everything we do.

Taken together, P&G's Purpose, Values and Principles are the foundation for P&G's unique culture. Throughout its history, Company's business has grown and changed, while these elements have endured and will continue to be passed down to generations of P&G people to come.

The Company has adopted P&G's Worldwide Business Conduct Manual (WBCM) which sets forth mandatory global standards to be followed and also explains legal & ethical responsibilities. The Company's WBCM applies to all employees regardless of location, seniority level, or function. The Company has also adopted a Code of Conduct for its Directors, which is derived from three interlinked fundamental principles, viz. good corporate governance, good corporate citizenship and exemplary personal conduct.

BOARD OF DIRECTORS AND ITS GOVERNANCE

a. Composition of the Board:

The Board of Directors of the Company comprises of an optimum combination of Executive and Non-Executive Directors. As on date of this report, the Board comprises of a Non-Executive Independent Chairperson, a Managing Director, two Executive Directors and three other Non-Executive Directors. The Board has two women Directors, of which one is an Independent Director. All other Directors, except the Managing Director and the Non-Executive Independent Directors, are liable to retire by rotation.

Non-Executive Independent Directors are independent of the management. They play a key role in balancing the functioning of the Board by bringing in independent judgement and external perspective. The terms & conditions of appointment of Independent Directors are available on the website of the Company at <https://in.pg.com/india-governance-and-policies/gil/terms-and-policies/>.

The Board is of the opinion that all the Independent Directors of the Company possess integrity, have relevant expertise and experience and fulfil the conditions specified under the Companies Act, 2013 ("the Act") and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ["the SEBI (LODR) Regulations, 2015"].

Further, all Independent Directors of the Company have provided declaration to the Company stating that they meet the criteria of independence as mentioned under Section 149 (6) of the Act and the SEBI (LODR) Regulations, 2015. All Independent Directors of the Company have completed the registration with the Independent Directors Databank maintained by the Indian Institute of Corporate Affairs.

There is no inter-se relationship between the Directors of the Company.

All Directors have confirmed that they have not been disqualified from being appointed as a Director pursuant to section 164(2) of the Act and that they are not debarred from holding the office of Director pursuant to any order of the Securities and Exchange Board of India or the Ministry of Corporate Affairs or any other such authority. The Company has obtained a certificate from M/s. Saraf & Associate LLP, Practicing Company Secretaries (annexed to this Report), affirming the same.

The composition of the Board of Directors and other directorships held as on March 31, 2025 are given below:

b. Meetings of the Board:

The Board meets at least once a quarter to review financial results and other business and compliance matters, including business performance and strategy. The Board and Committee meetings are scheduled well in advance and the Directors are provided with annual calendar for the Board and Committee meetings, as a measure to enable the Directors to plan ahead and have effective participation in the meetings.

During the Financial Year July 1, 2024 to March 31, 2025, four meetings of the Board of Directors were held on August 29, 2024, September 25, 2024, October 28, 2024, and February 10, 2025.

c. Flow of information to the Board:

To provide a background of Company's policies, standard of practices and other information, every Director is provided a set of Company's constitutional and policy documents, on their appointment on the Board of the Company.

The Company Secretary determines the agenda items for meetings and finalizes them in consultation with the management of the Company and the Managing Director. The Board and the Committee members are sent detailed agenda, well in advance of the Board and Committee meetings. Sufficient time is allocated for discussions and deliberations at the meeting. The Committees of the Board make necessary recommendations to the Board which are relevant from time to time. The Company Secretary of the Company attends all the meetings and is responsible for noting actionable items discussed during the meeting. The Management reports back to the Board on the status of such items in the subsequent meeting or as needed post the meeting. Senior Managerial Personnel of the Company are invited to Board meetings, at regular intervals or as recommended by Board, to familiarize the Board members on Company's business, strategy, or processes.

The Company Secretary of the Company notes the minutes of the meeting. The draft minutes are circulated to the Board and its Committees in compliance with the Companies Act, 2013. On receipt of comments, the minutes are entered in the books within 30 days of the Meeting.

The Company adheres to the provisions of the Companies Act, 2013 read with the Rules issued thereunder, Secretarial Standards and the SEBI (LODR) Regulations, 2015 with respect to convening and holding the meetings of the Board of Directors, its Committees and the General Meetings of the Shareholders of the Company, with letter and spirit.

e. Familiarization programme for Independent Directors:

The Company's familiarization programme aims at acquainting the Independent Directors on:

- Their roles, rights, responsibilities in the Company
- Nature of the industry in which the Company operates and business model of the Company
- Other matters like Company policies, procedures, Code of Conduct, Internal standards, etc.

For the same, the Company has an elaborate process for familiarization and onboarding of any new Independent Director, which includes:

- Issuance of a formal letter of appointment at the time of appointment; and
- Providing introductory documents including previous Annual Reports, Board committee framework, codes of conducts as may be applicable to the Director, various policies and procedures adopted by the Company.

Each member of the Board, including the Independent Directors, are given any information relating to the Company, whenever they so request. Independent Directors have the freedom to interact with the Company's management.

The Company conducts presentations at meetings of the Board and meeting of various Committees of the Board periodically to familiarize the Independent Directors with the business performance, business strategy and operations. The Company also annually conducts a strategy meeting for the Board of Directors to discuss plans and updates on Company's business, organization and strategy. Such presentations are made by functional heads which enables Independent Directors to have direct interaction with them. This helps the Independent Directors to understand the Company's strategy, business model, operations, market, competition, organization structure, risk analysis and such other areas.

The Company conducts various sessions on knowledge sharing & familiarization for the Directors of the Company on topics which are relevant to the functioning of the Company from time to time.

The details of the familiarization programmes are available on the Company's website at <https://in.pg.com/india-governance-and-policies/gil/terms-and-policies/#fam-programme>.

**Secretarial Audit Report
For the Financial Year Ended 31st March 2025**

[[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
GILLETTE INDIA LIMITED
CIN: L28931MH1984PLC267130
P&G Plaza, Cardinal Gracias Rd,
Chakala, Andheri (E),
Mumbai MH 400099 IN.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by GILLETTE INDIA LIMITED (L28931MH1984PLC267130) (hereinafter called the 'Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit; the explanations and clarifications given to me and the representations made by the Management, I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on 31st March, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2025, according to the provisions of:

The Companies Act, 2013 (the Act) and the rules made thereunder;

- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment only as the Company has neither made any Overseas Direct Investment nor obtained External Commercial Borrowings during the audit period
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

 - e) Securities and Exchange Board of India (Issue and Listing of Non-Convertible securities) Regulations, 2021; (Not Applicable During the Period Under Review)
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **(Not Applicable During the Period Under Review)**

- h) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018; **(Not Applicable During the Period Under Review)**
 - i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - j) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018.
- (vi) The Company has further complied with below mentioned laws, which are specifically applicable to the Company.
- i. Drugs and Cosmetics Act, 1940
 - ii. Cosmetics Rules, 2020
 - iii. The Legal Metrology Act, 2009 and
 - iv. The Legal Metrology (Packaged Commodities) Rules, 2011

I have also examined compliance with the applicable clauses of the following

- (i) Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India;
- (ii) The Listing Agreements entered into by the Company with National Stock Exchange of India Limited and BSE Limited read with The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines and Standards, etc as mentioned above except that;

- 1) *In one instance, the gap between two consecutive meetings of the Board of Directors and the Audit Committee exceeded the prescribed limit of 120 days by 1 day, due to the rescheduling of the meetings from August 28, 2024 to August 29, 2024.*

I further report that:

- The Board of the Company is duly constituted with a proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent well in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- Majority decisions were carried through unanimously as recorded in the minutes of the Meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that based on review of compliance mechanism established by the Company and as per the representations made by the management and relied upon by me, I am of the opinion that the management has adequate systems and processes, commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, the following specific activity took place in the Company having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines etc.

- On January 23, 2025, the Board of Directors of the Company approved the change of the Financial Year from the existing "July 1st – June 30th" period to the "April 1st – March 31st" period, in compliance with Section 2(41) of the Companies Act, 2013. As a result, the first Financial Year after the change is a 9-month period, from July 1st, 2024, to March 31st, 2025, and the following subsequent Financial Year being from April 1st to March 31st.

We conducted our audit of the Ind-AS financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Ind-AS Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Ind-AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind-AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind-AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr.	Key Audit Matter	Auditor's Response
1.	<p>Revenue Recognition – Discounts and Promotions (note no. 2.3(a) and 20 to the Ind-AS financial statements)</p> <p>Revenue is measured net of discounts, rebates, incentives and promotions ('discounts and promotions').</p> <p>The estimation of discounts and promotions related to sales made during the nine month period is material and it involves Management exercising significant judgement owing to the varying terms of agreements with customers. In addition, the value and timing of promotions for products varies from period to period, and the activity can span over a financial reporting period end.</p> <p>Past experience is used to estimate the provision for discounts and promotions considering the terms of the underlying schemes and arrangements with customers.</p>	<p>Our audit procedures included:</p> <p>(a) Assessing the appropriateness of the revenue recognition accounting policies, including those relating to discounts and promotions, by comparing the same with applicable accounting standards.</p> <p>(b) Reviewing the Company's general IT controls including review of the independent service auditor's report and other relevant information.</p> <p>(c) Testing the design, implementation and operating effectiveness of key controls including those at the third-party service organization by reviewing the independent service auditor's report and other relevant information with respect to discounts and promotions.</p> <p>(d) Performing substantive procedures by selecting samples of discounts and promotions recorded during the nine month period, including period end accruals by verifying underlying supporting documentation.</p>

Sr.	Key Audit Matter	Auditor's Response
	Considering the materiality of amounts involved and significant judgements related to estimation of discounts and promotions, the same has been considered as a key audit matter.	(e) Performing an analysis of past accrual and actual expenses incurred there against. (f) Considering the adequacy of the Company's disclosures as per the requirements of IND AS 115.
2.	Provisions and Contingent Liabilities relating to taxation matters. (note no 3.2, 27 and 36 to the Ind – AS financial statements) The Company is subject to a range of tax risks and periodic assessments by local tax authorities on various tax matters. Applicable tax laws and regulations are subject to differing interpretations and the resolution of a final tax position can take several years to complete. Where the amount of tax payable is uncertain, the Company estimates provisions based on Management's judgement of the likelihood of settlement being required. Given the complexity of judgements involved in estimating the relevant provisions required, including assessments previously made by authorities, this was considered as a key audit matter.	Our audit procedures included: (a) Understanding the process followed by the Company in estimating the quantum of provisions for taxation matters and disclosure of contingent liabilities where it is considered that there could be a possibility that the obligation may arise. (b) Discussing the status and potential exposures in respect of significant tax litigations with the Management including their views on the likely outcome of each assessment / litigation and magnitude of potential exposure. Evaluating the impact of change in tax regulations, which could materially impact the amounts recorded in the Ind-AS financial statements. (c) Involving our tax specialists to evaluate and challenge the appropriateness of Management's assessment and judgements to estimate the provisions held in respect of the open tax assessments. We also re-assessed the provisions made in the Ind-AS financial statements based on the outcome of prior and ongoing tax assessments. (d) We have also assessed the adequacy of the Company's disclosures in the Ind-AS financial statements in respect of provisions and contingent liabilities relating to taxation matters.

Information Other than the Ind-AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the Ind-AS financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind-AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind-AS financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the Ind-AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable under the applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Ind-AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind-AS financial statements that give a true and fair view of the financial

position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind-AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind-AS financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind-AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind-AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind-AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind-AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind-AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind-AS financial statements, including the disclosures, and whether the Ind-AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation

Materiality is the magnitude of misstatements in the Ind-AS financial statements that, individually or

in aggregate, makes it probable that the economic decisions of the users of the Ind-AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind-AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind-AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The Board of Directors of the Company have, vide a circular resolution dated January 23, 2025, resolved to change the financial year end from June 30 to March 31. Accordingly, the Ind-AS financial statements for the current financial year of the Company as per the provisions of section 2(41) of the Companies Act, 2013, is for a period of nine months from July 1, 2024, to March 31, 2025. Further, as the said Ind-AS financial statements are only for a period of nine months, the figures for the current period are not comparable with those of the previous financial year ended June 30, 2024.

Our opinion on the Ind-AS financial statements is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020, ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 the Act, we give in the **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books, except for the matter stated in paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind-AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder.
 - e) On the basis of the written representations received from the Directors of the Company as on March 31, 2025, and taken on record by the Board of Directors, none of the Directors of the Company are disqualified as on March 31, 2025, from being appointed as a Director in terms of Section 164(2) of the Act.
 - f) The observation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 2(b) above on reporting under Section 143(3)(b) and paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

- g) With respect to the adequacy of the internal financial controls with reference to the Ind-AS financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 ("the Rules"), in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its Ind-AS financial statements - Refer Note 36 to the Ind-AS financial statements.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company, except to the extent as stated in Note 17 to the Ind-AS financial statements.
 - iv) The Management has represented that:
 - a) to the best of its knowledge and belief, as disclosed in Note 42(a)(v) to the Ind-AS financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entity(ies) ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) to the best of its knowledge and belief, as disclosed in Note 42(a)(vi) to the Ind-AS financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

Based on such audit procedures performed by us which are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) of the Rules, as provided under (a) and (b) above, contain any material misstatement.

- v) As per information and explanation furnished by Management and based on the records of the Company, the dividend proposed in the previous year, as well as the interim dividend declared and paid by the Company during the year is in accordance with Section 123 of the Act.

The Board of Directors of the Company have proposed a final dividend for the nine month period, which is subject to the approval of the members at the ensuing Annual General Meeting. The proposed dividend is in accordance with Section 123 of the Act.

- vi) As detailed in Note No. 44: Notes to Financial Statements, the Company uses certain third-party Software-as-a-Service (SaaS) applications as well as certain applications hosted on P&G Group's global servers which have a feature of recording audit trail (edit log) facility at the application level.

The audit trail data for direct access to the database available with the third-party software service providers has been validated through review of Service Organisation Controls (SOC) Reports. However, certain SOC Reports do not cover the full period under audit.

The audit trail at application level as well as at database level for software programs have operated throughout the period for all relevant transactions recorded in the software programs except in the cases where we are unable to comment whether the audit trail feature for direct access to the database in respect of the SaaS applications was enabled and operated for all relevant transactions recorded in the software in respect of the applications where the SOC report did not cover the entire period. We have also not observed instances of the audit trail feature having been tampered with during the period for which these records were available.

The audit trail has been preserved by the Company as per the statutory requirements for record retention, except for audit trail for direct access to the database:

- o for one of the 'Inventory Management' applications which is retained with effect from June 1, 2023 and not from April 1, 2023;
 - o for another 'Inventory Management' application which is retained with effect from April 7, 2024 and not from April 1, 2023; and
 - o for SaaS applications, we are unable to comment on preservation of the audit trail, in the absence of confirmation of the same in the SOC Reports.
3. According to information and explanations given to us and based on our examination of the records of the Company, the Company has paid / provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 of the Act.

Annexure A to the Independent Auditor's Report

The Annexure referred to in paragraph 1 'Report on Other Legal and Regulatory Requirements' in our Independent Auditors' Report to the members of the Company on the Ind-AS financial statements for the nine month period ended March 31, 2025:

Statement on Matters specified in paragraphs 3 and 4 of the Companies (Auditor's Report) Order, 2020:

(i) Property, Plant and Equipment

a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment

(B) The Company does not have any Intangible assets, accordingly clause (i) (a)(B) of paragraph 3 of the Order is not applicable to the Company.

b) As explained to us, the Company has a program for physical verification of Property, Plant and Equipment and Right of use assets at periodic intervals by which all Property, Plant and Equipment and Right of use assets are verified in a phased manner over a period of three years. In our opinion, the period of verification is reasonable having regard to the size of the Company and the nature of its Property, Plant and Equipment and Right of use assets. The discrepancies reported on such verification are not material and have been properly dealt with in the books of account.

c) According to the information and explanations given to us, the title deeds, comprising all the immovable properties of buildings are held in the name of the Company. In respect of immovable properties of land that have been taken on lease, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.

d) The Company has not revalued any of its Property, Plant and Equipment (including Right of use assets) during the nine month period.

e) According to the information and explanations given to us, representation obtained from Management and on the basis of our examination of the records of the Company, no proceedings have been initiated during the nine month period or are pending against the Company as at March 31,

2025, for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) (as amended in 2016) and rules made thereunder.

ii) Inventory

a) The inventory has been physically verified by the Management at reasonable intervals during the nine month period. In our opinion, the frequency of such verification is reasonable. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on verification between the physical stocks and the book records were less than 10% in the aggregate for each class of inventories and have been properly dealt with in the books of account.

b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the nine month period. Accordingly, clause (ii)(b) of paragraph 3 of the Order is not applicable to the Company.

iii) The Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties, except in the case of loans given to employees and key managerial personnel.

(a) The Company has not provided loans or provided advances in the nature of loans, or stood guarantee, or provided security to any other entity, hence reporting under clause (iii)(a) of paragraph 3 of the Order is not applicable.

(b) The Company has granted loans to its employees and key managerial personnel, the terms and conditions of the grant of

loans to its employees and key managerial personnel are not prejudicial to the interests of the Company. During the nine month period, the Company has not made investments, provided guarantees, given security and advances in the nature of loans and guarantees provided to companies, firms, limited liability partnerships.

- (c) In respect of loans to employees and key managerial personnel, the repayment schedule of principal has been stipulated and the receipt / repayments are regular.
 - (d) In respect of loans granted to employees and key managerial personnel, there are no amounts overdue for more than ninety days.
 - (e) In respect of loans granted to employees and key managerial personnel, there were no amounts which have fallen due during the nine month period, that have been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same employees.
 - (f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the nine month period. Hence, reporting under clause (iii)(f) of paragraph 3 of the Order is not applicable.
- iv) According to the information and explanations given to us, the Company has not advanced any loans or given guarantee or provided any security to parties covered under Section 185 of the Act. In our opinion and according to the information and explanations given to us and records examined by us, the provisions of Section 186 of the Act is not applicable.
- v) According to the information and explanations given to us, the Company has not accepted deposits from the public to which the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 of the Act and the rules framed thereunder apply. Accordingly, clause (v) of paragraph 3 of the Order is not applicable to the Company.
- vi) The maintenance of cost records has not been prescribed for the activities of the Company by

the Central Government under section 148(1) of the Companies Act, 2013.

- vii) According to the information and explanations given to us and records of the Company examined by us, in our opinion:
- a) the Company is generally regular in depositing the undisputed statutory dues including Provident Fund, Income Tax, Duty of Customs, Goods and Services Tax, Cess, Professional Tax and other statutory dues, as applicable, with the appropriate authorities and there were no undisputed amount payables in respect of Provident Fund, Income Tax, Duty of Customs, Goods and Services Tax, Cess, Professional Tax and other material statutory dues in arrears as at 31 March 2025 for a period of more than six months from the date they became payable.
 - b) there are no dues of Sales Tax, Value Added Tax, Service Tax, Goods and Services Tax, Provident Fund, Income-Tax, Duty of Customs, Duty of Excise or Cess or other statutory dues which have not been deposited with the appropriate authorities on account of any dispute, other than the following:

viii) According to the information and explanations given to us and on the basis of the records examined by us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the nine month period in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

ix) Borrowings

- According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company did not have any loans or borrowings from any lender during the nine month period. Accordingly, clause (ix)(a) of paragraph 3 of the Order is not applicable to the Company.
- According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or Government or any Government authority.

c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not taken any term loans from any lender. Accordingly, clause (ix)(c) of paragraph 3 of the Order is not applicable to the Company.

d) According to the information and explanations given to us, and the procedures performed by us, and on overall examination of the Ind-AS financial statements of the Company, we report that no fund raised on short-term basis have been used for long-term purposes by the Company during the nine month period. Accordingly, clause (ix)(d) of paragraph 3 of the Order is not applicable to the Company.

e) According to the information and explanations given to us, representation obtained from Management, and on an overall examination of the Ind-AS financial statements of the Company, the Company does not have any subsidiaries, associates or joint ventures and accordingly reporting on clauses (ix)(e) and (f) of paragraph 3 of the Order are not applicable.

x) Allotment of Shares

a) According to the information and explanations given to us, representation obtained from Management, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the nine month period. Accordingly, the reporting on clause (x)(a) of paragraph 3 of the Order is not applicable to the Company.

b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the nine month period. Accordingly, the reporting of clause (x)(b) of paragraph 3 of the Order is not applicable to the Company.

xi) Fraud

a) According to the information and explanations given to us, on the basis of the records examined by us and representation from Management, no fraud by the Company or any material fraud on the Company has been noticed or reported during the nine month period.

- b) No report under sub-section (12) of Section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the nine month period and up to the date of this report.
- c) We have taken into consideration the whistle blower complaints received by the Company during the nine month period, while determining the nature, timing and extent of our audit procedures.
- xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the provisions of clause (xii) of paragraph 3 of the Order is not applicable to the Company.
- xiii) According to the information and explanations given to us and based on our examination of the records of the Company, the transactions with related parties are in compliance with sections 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the Ind-AS financial statements as required by the applicable accounting standards.
- xiv) Internal Audit System
 - a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
 - b) We have considered the internal audit reports of the Company for the nine month period under audit.
- xv) According to the information and explanations given to us and based on our examination of the records of the Company, during the nine month period, the Company has not entered into any non-cash transactions with Directors or persons connected with its directors and hence provisions of Section 192 of the Act are not applicable to the Company.

Annexure B to the Independent Auditor's Report

(Referred to in Para 2 (f) 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report to the members of the Company on the Ind-AS financial statements for the nine month period ended March 31, 2025))

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to Ind-AS financial statements of **GILLETTE INDIA LIMITED** ("the Company") as of March 31, 2025, in conjunction with our audit of the Ind-AS financial statements of the Company for the nine month period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Ind-AS financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the "Act" or the "Companies Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Ind-AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Ind-AS financial statements was established and

maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the Ind-AS financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the Ind-AS financial statements included obtaining an understanding of internal financial controls with reference to the Ind-AS financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind-AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the Ind-AS financial statements.

Meaning of Internal Financial Controls with reference to the Ind-AS Financial Statements

A Company's internal financial control with reference to the Ind-AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the Ind-AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to the Ind-AS financial statements includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind-AS financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with

authorizations of management and directors of the Company; and

- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind-AS financial statements.

Inherent Limitations of Internal Financial Controls with reference to the Ind-AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to the Ind-AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Ind-AS financial statements to future periods are subject to the risk that the internal financial control with reference to the Ind-AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our knowledge and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to the Ind-AS financial statements and such internal financial controls with reference to the Ind-AS financial statements were operating effectively as at March 31, 2025, based on the internal control with reference to the Ind-AS financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

1 Corporate information

Gillette India Limited ('the Company') is a public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956 having CIN L28931MH1984PLC267130. Its ordinary shares (Equity) are listed on two recognised stock exchanges in India. The registered office of the Company is located at P&G Plaza, Cardinal Gracias Road, Chakala, Andheri (E), Mumbai - 400099.

The Company is engaged in manufacturing and selling of branded packaged fast moving consumer goods in the grooming and oral care businesses. The Company's products are sold through retail operations including mass merchandisers, grocery stores, membership club stores, drug stores, department stores and high frequency stores. The Company has its manufacturing locations at Bhiwadi in Rajasthan and Baddi in Himachal Pradesh, apart from third party manufacturing locations spread across India.

2 Basis of preparation, Measurement, Material and Other accounting policies

2.1 Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

2.2 Basis of preparation and Measurement

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

The financial statements have been prepared on the historical cost basis except for certain items that are measured at fair values at the end of the reporting period, as explained in accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurement that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2.

In addition, for the financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

Ind AS 101 - First-time Adoption of Indian Accounting Standards Exemptions applied Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has applied the following exemptions:

On transition to Ind AS, the Company had elected to continue with the carrying value of all of its property, plant and equipment and intangible assets as at June 30, 2015, measured as per the previous GAAP and used that carrying value as the deemed cost of the property, plant and equipment, intangible assets and investment property as on July 01, 2015.

The Company has opted to change its financial year end from June 30 to March 31 of each year for the purpose of preparation of its annual financial statements.

The Board of Directors of the Company, on January 23, 2025, have approved the change of the Financial Year end from June 30 to March 31 of each year. Accordingly, the current Financial Statements of the Company are for a period of nine months commencing on July 1, 2024 and ending on March 31, 2025. Further, as the said financial statements are only for a period of nine months, the figures for the current period are not comparable with those of the previous financial year ended June 30, 2024.

2.3 Summary of material accounting policies

a. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. The Company's revenue contracts represent a single performance obligation to sell its products to trade customers. Revenue is measured on the basis of contracted price, after deduction of any discounts, rebates, incentives, promotions and any taxes or duties collected on behalf of the Government such as Goods and Services Tax, etc. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks. Revenue is reduced for variable consideration including rebates and other similar allowances. Accumulated experience is used to estimate and accrue for the discounts and rebates considering the terms of the underlying schemes and arrangements with customers. Company's contracts with trade customers do not have significant financing components.

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed and there are no longer unfulfilled obligations, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably at contract price, after deduction variable consideration including any discounts, volume rebates and any taxes or duties collected on behalf of the government such as Goods and Services Tax (GST), etc. Accumulated experience is used to estimate the provision for such discounts and rebates;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Interest income

Interest income is recorded using the Effective Interest Rate (EIR). Interest income is included in Other Income in the Statement of Profit and Loss.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

b. Leasing

The Company as a lessee

The Company's lease assets classes primarily consist of leases for land and plant & equipment. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) The contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are re-measured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

c. Foreign currencies

The financial statements are presented in Indian Rupee (₹ in lakhs), which is also the Company's functional currency.

Transaction and balances

Transactions in currencies other than the Company's functional currency i.e. (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at the balance sheet date. Non-monetary items carried at fair value that are

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value is determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on such translations are recognised in the Statement of Profit and Loss in the period which they arise.

d. Employee benefits

i) Short term employee benefits - Short term employee benefits including salaries and performance incentives, are charged to the Statement of Profit and Loss on an undiscounted, accrual basis during the period of employment.

ii) Post-employment Benefits

a) Defined Contribution Plans:

The Company has Defined Contribution Plans for post employment benefits charged to the Statement of Profit and Loss, in the form of :

- Superannuation Fund as per Company policy administered by the Life Insurance Corporation of India.
- State Defined Contribution Plans: Employer's Contribution to Employees' State Insurance.

b) Defined Benefit Plans:

Funded Plan: The Company has Defined Benefit Plan for post employment benefits in the form of

- Gratuity for all employees administered through a trust, which is administered through trustees and / or Life Insurance Corporation of India, where one of the group company is also the participant.
- Provident Fund for all permanent employees is administered through a trust. The Provident Fund is administered by trustees of an independently constituted common trust recognised by the Income Tax authorities where two other group Companies are also participants. Periodic contributions to the Fund are charged to revenue and when services are rendered by the employees. The Company has an obligation to make good the shortfall, if any, between the return from the investment of the trust and notified interest rate by the Government.

Unfunded Plan: The Company has unfunded Defined Benefit Plans in the form of Post Retirement Medical Benefits (PRMB) and Compensated Absences (plant technicians) as per its policy.

Liability for the above defined benefit plans is provided on the basis of valuation, as at the Balance Sheet date, carried out by independent actuary. The actuarial method used for measuring the liability is the Projected Unit Credit method. The classification of the Company's net obligation into current and non-current is as per the actuarial valuation report.

Remeasurements, comprising actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to Retained Earnings through Other Comprehensive Income in the period in which they occur. Remeasurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

Past service costs are recognised in the Statement of Profit and Loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs

Net interest is calculated by applying the discount rate at the beginning of the year to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the Statement of Profit and Loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
 - Net interest expense or income
- iii) Liability for Compensated Absences, Bonus, Leave Travel Allowance etc which are in the nature of short term benefits is provided for as per Company rules based on the undiscounted amount of benefits expected to be paid in exchange of services rendered.
- iv) Termination benefits are recognised as an expense as and when incurred.
- v) Long Service Awards are payable to employees on completion of specified years of service.

e. Share-based payment arrangements

Employees (including senior executives) of the Company receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments (equity-settled transactions).

Equity-settled transactions

The Procter & Gamble Company has an "Employee Stock Option Plan (ESOP)" whereby the specified employees covered by the plan are granted an option to purchase shares of the Ultimate Holding Company i.e. - The Procter & Gamble Company at a fixed price (grant price) for a fixed period of time. The difference between the market price and grant price on the exercise of the stock options issued by the Ultimate Holding Company to the employees of the Company is charged in the year of exercise by the employees. Parent company will recharge an amount equal to spread as on date of exercise of options.

The cost of equity-settled transactions is recognised in employee benefits expense, together with a corresponding increase in equity (other reserves) over the period in which the service and performance conditions are fulfilled (the vesting period). The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest. Recharge to parent company to the extent of fair value of options will be debited in equity reserves and any excess recharge above the fair value of options will be recognised as equity distribution from the Company.

Employee share purchase plan

The Procter & Gamble Company has an "International Stock Ownership Plan (ISOP)" (employee share purchase plan) whereby specified employees of its subsidiaries have been given a right to purchase shares of the Ultimate Holding Company i.e. The Procter and Gamble Company. Every employee who opts for the scheme contributes by way of payroll deduction up to a specified percentage (upto 15%) of base salary towards purchase of shares on a monthly basis. The Company contributes 50% of employee's contribution (restricted to 2.5% of his base salary) and charged to employee benefit expenses. The expenses related ISOP are recognised immediately in the Statement of Profit and Loss statement since there are no vesting conditions attached to the scheme.

The expense in the Statement of Profit and Loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

When the terms of an equity-settled award are modified, the minimum expense recognised is the expense had the terms had not been modified, if the original terms of the award are met. An additional expense is recognised for any modification that increases the total fair value of the share-based payment transaction, or is otherwise beneficial to the employee as measured at the date of modification. Where an award is cancelled by the entity or by the counterparty, any remaining element of the fair value of the award is expensed immediately through the Statement of Profit and Loss.

f. Taxation

Income tax expense represents the sum of the current tax and deferred tax.

Current tax

Provision for current tax for the Company's nine month period ended on March 31 is based on the results of the period July 1 to March 31 (later part of the fiscal year ended March 31) and for the balance and for the period April 1 to June 30 (beginning of the next fiscal year) as per the provisions of the Income Tax Act, 1961 and other applicable tax laws. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profit will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

g. Property, plant and equipment

Property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at acquisition cost less accumulated

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

depreciation and accumulated impairment losses, if any. Cost of acquisition of property, plant and equipment comprises its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts, rebates and any directly attributable cost of bringing the item to its working condition for its intended use. Freehold land is not depreciated. Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes any directly attributable cost of bringing the item to its working condition for its intended use including professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Cost of Property, plant and equipment which are not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. All other repairs and maintenance cost are charged to the Statement of Profit and Loss during the period in which they are incurred.

Depreciation is recognised so as to write off the cost of assets (other than freehold land) less their residual values over their useful life, using straight-line method. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The management's estimate of useful lives are in accordance with Schedule II to the Act.

The estimated useful life of certain property, plant and equipment of the Company are as follows:

Asset Class	Useful lives
Buildings	30 years
Plant & machinery	15 years
Furniture and fixtures	10 years
Office equipment	3 - 6 years
Vehicles	8 years
Moulds & Dies	8 years

The residual values of the Company fixed assets are assumed to be equal to zero on the premise that the assets are used for their entire productive life, and have no value, on the secondary market or elsewhere, at the end of the life.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

The carrying value of PPE as at March 31, 2025, includes assets considered for exemption as referred in Note 2.2 applied during first-time adoption of Indian Accounting Standard.

h. Impairment of property, plant and equipment

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its own carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal is recognised immediately in the Statement of Profit and Loss.

i. Inventories

Inventories consist of raw and packing materials, stores and spares, work-in-progress, stock-in-trade and finished goods. Inventories are valued at lower of cost and net realisable value after providing for obsolescence and other losses where considered necessary. Cost of inventories is determined on FIFO basis.

Cost of raw materials and stores and spares includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. Cost of conversion includes an appropriate portion of allocable overheads based on normal operating capacity.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

j. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, its present value, that reflects the current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed in the Notes to the Financial Statements. Contingent liabilities are disclosed for (1) possible obligations which will be confirmed only by future events not wholly within the control of the Company or (2) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

The Company has ongoing disputes with Tax Authorities on various matters which are pending before appellate authorities. In this regard, the management evaluates whether it has any uncertain tax position requiring adjustments to provision for taxes. Depending on probability of success in the matter before the Appellate Authorities, a provision is created or a Contingent liability is disclosed.

Contingent assets are not recognised in the financial statements as this may result in the recognition of income that may never be there.

k. Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of the financial asset and financial liabilities (other than financial asset and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial asset or financial liabilities, as appropriate, on initial recognition. Transactions costs directly attributable to the acquisition of financial asset and financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

l. Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets (except trade receivables) are subsequently measured at either amortised cost or fair value through profit or loss or fair value through other comprehensive income, depending on the classification of the financial assets. Financial assets are not reclassified subsequent to their recognition, except during the period the Company changes its business model for managing financial assets.

Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortised cost:

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that does not meet the above conditions are subsequently measured at fair value. Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). A financial asset not classified as either amortised cost or Fair Value through OCI, is classified as Fair Value through Profit or loss.

Effective interest method

The effective interest is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount in initial recognition.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

Income is recognised on an effective interest basis for debt instruments. Interest income is recognised in the Statement of Profit and Loss and is included in the "Other income" line item.

Impairment of financial assets

The Company applies expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) through the expected life of that financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

For trade receivables or any contractual right to receive cash, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience with adjusted for forward-looking information.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all of the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all of the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in the Statement of Profit and Loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety, the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in the Statement of Profit and Loss on disposal of that

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

Foreign exchange gains and losses

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

For foreign currency denominated financial assets measured at amortised cost, the exchange differences are recognised in the Statement of Profit and Loss.

m. Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liability or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in the Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method.

Financial liabilities at initial recognition are classified as financial liabilities at fair value through profit or loss, loans, borrowings and trade payables, as appropriate.

Financial liabilities that are not held-for-trading and are not designated as at fair value through profit or loss are measured at amortised cost at the end of the subsequent accounting period. The carrying amount of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance costs" in the Statement of Profit and loss.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, (where appropriate), a shorter period, to the net carrying amount at initial recognition.

Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instrument and are recognised in the Statement of Profit and Loss.

Derecognition

The Company derecognises a financial liability when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new liability. The difference between the carrying amount of the financial

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

n. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company.

o. Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

p. Earnings Per Share

Basic earnings per share is computed by dividing the net profit for the year after tax for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit / loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

q. Claims

Claims against the Company not acknowledged as debts are disclosed after a careful evaluation of the facts and legal aspects of the matter involved.

2.4 Other accounting policies

a. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily takes a substantial period of time to get ready for its intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

2.5 Recent accounting pronouncements

Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

MCA had made certain amendments to Ind AS 116 – Leases and introduced Ind AS 117 – Insurance Contracts during the financial year ended March 31, 2025. The said amendments are effective from April 01, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

Additionally, MCA has also made certain amendments to Ind AS 21 – The effects of changes in foreign exchange rates vide its notification dated 07.05.2025. The said amendments are effective from April 01, 2025. Based on preliminary assessment, the Company does not expect these amendments to have any significant impact on its financial statements.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

3 Critical accounting judgments and key sources of estimation uncertainty

3.1 Critical judgments in applying accounting policies

In the application of the Company's accounting policies, which are described in Note 2, the Directors of the Company are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision if it affects both current and future periods.

3.2 Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

a. Useful lives of property, plant and equipment

As described at 2.3 (g) above, the Company reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period.

b. Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. The Management of the Company determines appropriate valuation techniques and inputs for fair value measurements.

In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where level 1 inputs are not available, the Company engages third party qualified valuers to perform the valuation. The Management works closely with the qualified external valuers to establish the appropriate valuation techniques and inputs to the model.

Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities is disclosed in Note 31.

c. Defined benefit obligation

The costs of providing pensions and other post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the Management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates. The same is disclosed in note 24, 'Employee benefits expense'.

d. Income taxes

The Company's tax jurisdiction is India. Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions (refer note 27).

e. Measurement and likelihood of occurrence of provisions and contingencies – As disclosed in Note 14 and Note 36, Management has estimated and measured the likelihood of the litigations and accounted the provision and contingencies as appropriate.

f. The estimation of the various types of discounts, incentives, promotions and rebate schemes to be recognised based on sales made during the year (refer note 20).

Unsecured, considered good	38 115	27 533
Less: Allowance for expected credit loss	(212)	(100)
	37 903	27 433

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as per the provision matrix.

The concentration of credit risk is limited due to the fact that the customer base is large and unrelated.

There are no debts due by Directors or other Officers of the Company or any of them either severally or jointly with any other person or debts due by firms or private companies respectively in which any Director is a Partner or a Director or a Member.

The Company had in earlier years filed a writ petition in the High Court of Himachal Pradesh at Shimla challenging the premature withdrawal of Excise duty exemption for packing/repacking activities at its Baddi Manufacturing Facility. The High Court has since passed an order on April 24, 2008 in favour of the Company and has struck down the notification withdrawing the excise exemption. The Excise department has preferred an appeal on October 31, 2009 with the Hon'ble Supreme Court of India against the said order of the High Court. The Company has, as a matter of prudence, created a Contingency Reserve of ₹ 12 900 lakhs by way of appropriation of profits to the extent of excise duty payable (net of Cenvat credit) on dispatches made from the Baddi plant. This Reserve will be reviewed as and when this litigation is finally decided. The appropriation has been made till March 9, 2017, being the last date of excise exemption.

28 Segment information

28.1 Products from which reportable segments derive their revenues

Information reported to the chief operating decision maker (CODM) for the purposes of resource allocation and assessment of segment performance focuses on the types of goods delivered. The Directors of the Company have chosen to organise the Company around differences in products. No operating segments have been aggregated in arriving at the reportable segments of the Company.

Specifically, the Company's reportable segments under Ind AS 108 - Operating Segments are as follows:

- The grooming segment, produces and sells shaving system and cartridges, blades, toiletries and components.
- The oral care segment, produces and sells tooth brushes and oral care products.

28.2 Segment revenues and results

30 Employee benefit plans

30.1 Defined contribution plans

The Company operates defined contribution superannuation fund and employees' state insurance plan for all qualifying employees of the Company. Where employees leave the plan, the contributions payable by the Company is reduced by the amount of forfeited contributions.

The employees of the Company are members of a state-managed employer's contribution to employees' state insurance plan and superannuation fund which is administered by the Life Insurance Corporation of India. The Company is required to contribute a specific percentage of payroll costs to the contribution schemes to fund the benefit. The only obligation of the Company with respect to the contribution plan is to make the specified contributions.

The total expense recognised in the statement of profit and loss of ₹ 39 lakhs (for the year ended June 30, 2024: ₹ 59 lakhs) for superannuation fund represent contributions payable to these plans by the Company at rates specified in the rules of the plans. As at March 31, 2025, contributions of ₹ 4 lakhs (as at June 30, 2024: ₹ 4 lakhs) due in respect of 2024-2025 (2023-2024) reporting period had not been paid over to the plans. The amounts were paid subsequent to the end of the reporting periods.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

30.2 Defined benefit plans and other long term employee benefits plan

a) **Gratuity Plan (Funded)**

The Company sponsors funded defined benefit gratuity plan for all eligible employees of the Company. The Company's defined benefit gratuity plan is a salary plan for India employees, which requires contributions to be made to a separately administered trust, which is administered through trustees and / or Life Insurance Corporation of India, where one of the group company is also the participant. The gratuity plan is governed by the Payment of Gratuity Act, 1972 and Company Policy. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service, designation and salary at retirement age.

b) **Provident Fund (Funded)**

Provident Fund for all permanent employees is administered through a trust. The provident fund is administered by trustees of an independently constituted common trust recognised by the Income Tax authorities where one of the group company is also a participant. Periodic contributions to the fund are charged to revenue. The Company has an obligation to make good the shortfall, if any, between the return from the investment of the trust and notified interest rate by the Government. The contribution by employer and employee together with interest are payable at the time of separation from service or retirement whichever is earlier. The benefit under this plan vests immediately on rendering of service.

c) **Post Retirement Medical Benefit (PRMB) (Unfunded)**

The Company provides certain post-employment medical benefits to employees. Under the scheme, employees get medical benefits subject to certain limits of amount, periods after retirement and types of benefits, depending on their grade at the time of retirement. Employees separated from the Company as part of early separation scheme are also covered under the scheme. The liability for post retirement medical scheme is based on an independent actuarial valuation.

d) **Compensated absences for Plant technicians (Unfunded)**

The Company also provides for compensated absences for plant technicians which allows for encashment of leave on termination / retirement of service or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The Company makes provision for compensated absences based on an actuarial valuation carried out at the end of the year.

e) **Long Service Awards (Unfunded)**

Long Service Awards are payable to employees on completion of specified years of service.

These plans typically expose the Company to actuarial risks such as: Investment risk, interest rate risk, longevity risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting year on government bonds.
Interest risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality rate of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plans liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase on the salary of plan participants will increase the plans liability.

In respect of the plans, the most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at March 31, 2025. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

	Gratuity Plan (Funded)	
	As at March 31, 2025 ₹ in lakhs	As at June 30, 2024 ₹ in lakhs
Cash balance	17	69
Life Insurance Corporation of India	24	23
Total	41	92

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

Expected employer contributions for the period ending March 31, 2026 is ₹ 720 Lakhs (for the previous year ₹ 640 Lakhs).

The Company's Plan Assets in respect of Gratuity, alongwith one of the group company, is funded through the group scheme of the Life Insurance Corporation of India.

The actual return on plan assets was ₹ (12) lakhs (for the year ended June 30, 2024: ₹ 19 lakhs).

Maturity profile of defined benefit obligation:

	Gratuity Plan ₹ in lakhs
Within 1 year	720
1 - 2 year	735
2 - 3 year	951
3 - 4 year	925
4 - 5 year	881
5 - 10 years	4857

Significant actuarial assumptions in the determination of the defined obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonable possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Gratuity Plan (Funded)

If the discount rate is 50 basis points higher (lower), the defined benefit obligation would decrease by ₹ 387 lakhs (increase by ₹ 415 lakhs) (as at June 30, 2024: decrease by ₹ 340 lakhs (increase by ₹ 365 lakhs)).

If the expected salary growth increases (decreases) by 0.5%, the defined benefit obligation would increase by ₹ 390 lakhs (decrease by ₹ 369 lakhs) (as at June 30, 2024: increase by ₹ 351 lakhs (decrease by ₹ 332 lakhs)).

Compensated absence plan (Unfunded)

If the discount rate is 50 basis points higher (lower), the other benefit obligation would decrease by ₹ 35 lakhs (increase by ₹ 38 lakhs) (as at June 30, 2024: decrease by ₹ 31 lakhs (increase by ₹ 33 lakhs)).

If the expected salary growth increases (decreases) by 0.5%, the other benefit obligation would increase by ₹ 37 lakhs (decrease by ₹ 34 lakhs) (as at June 30, 2024: increase by ₹ 33 lakhs (decrease by ₹ 30 lakhs)).

Post retirement medical benefit (PRMB) (Unfunded)

If the discount rate is 50 basis points higher (lower), the defined benefit obligation would decrease by ₹ 9 lakhs (increase by ₹ 9 lakhs) (as at June 30, 2024: decrease by ₹ 8 lakhs (increase by ₹ 7 lakhs)).

If the expected medical inflation rate increases (decreases) by 0.5%, the defined benefit obligation would increase by ₹ 8 lakhs (decrease by ₹ 8 lakhs) (as at June 30, 2024: increase by ₹ 7 lakhs (decrease by ₹ 7 lakhs)).

If the expected life expectancy increases (decreases) by 1 year, the defined benefit obligation would increase by ₹ 4 lakhs (decrease by ₹ 4 lakhs) (as at June 30, 2024: increase by ₹ 3 lakhs (decrease by ₹ 3 lakhs)).

Long Service Awards (Unfunded)

If the discount rate is 50 basis points higher (lower), the other benefit obligation would decrease by ₹ 29 lakhs (increase by ₹ 31 lakhs) (as at June 30, 2024: decrease by ₹ 25 lakhs (increase by ₹ 27 lakhs)).

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

If the expected gold inflation rate increases (decreases) by 0.5%, the other benefit obligation would increase by ₹ 31 lakhs (decrease by ₹ 29 lakhs) (as at June 30, 2024: increase by ₹ 26 lakhs (decrease by ₹ 25 lakhs)).

The sensitivity analysis presented above may not be representative of the actual change of the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method as the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

30.3 Provident Fund

The Provident Fund assets and liabilities are managed by "Gillette Employees Provident Fund Trust" in line with The Employees' Provident Fund and Miscellaneous Provisions Act, 1952.

The plan guarantees minimum interest at the rate notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of separation from the Company or retirement, whichever is earlier. The benefit vests immediately on rendering of the services by the employee. In terms of the guidance note issued by the Institute of Actuaries of India for measurement of provident fund liabilities, the actuary has provided a valuation of provident fund liability and based on the assumptions provided below, there is no shortfall as at March 31, 2025.

The Company's contribution to Provident Fund ₹ 769 Lakhs (Previous Year: ₹ 974 Lakhs) has been recognised in the statement of profit and loss under the head employee benefits expense (refer note 24).

The details of the "Gillette Employees Provident Fund Trust" and plan assets position as at March 31, 2025 is given below:

31 Financial instruments**31.1 Capital management**

The Company manages its capital to ensure that it will be able to continue as going concerns while maximising the return to stakeholders through the optimisation of the debt and equity balance. Equity share capital and other equity are considered for the purpose of group's capital management.

The Company is not subject to any externally imposed capital requirements.

The Company's risk management committee manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return on capital to shareholders or issue new shares.

31.2 Categories of financial instruments

	As at March 31, 2025 ₹ in lakhs	As at June 30, 2024 ₹ in lakhs

Measured at amortised cost		
(i) Trade payables	65 134	63 904
(ii) Other financial liabilities	1 108	1 247
(iii) Leased liabilities	5	5

Assets and Liabilities that are disclosed at Amortised Cost for which Fair values are disclosed are classified as Level 3

Current financial asset and current financial liabilities have fair values that approximate to their carrying amounts due to their short-term nature. Non current financial assets and non current financial liabilities have fair values that approximate to their carrying amounts as it is based on the net present value of the anticipated future cash flows.

31.3 Financial risk management objectives

The Company's overall policy with respect to managing risks associated with financial instruments is to minimise potential adverse effects of financial performance of the Company. The policies for managing specific risks are summarised below.

A. Market Risk**(i) Interest rate risk management**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company does not have interest bearing borrowings, it is not exposed to risk of changes in market interest rates. The Company has not used any interest rate derivatives.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

(ii) Foreign currency risk management

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are managed within approved policy parameters.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

	Liabilities as at		Assets as at	
	As at March 31, 2025 ₹ in lakhs	As at June 30, 2024 ₹ in lakhs	As at March 31, 2025 ₹ in lakhs	As at June 30, 2024 ₹ in lakhs

GBP	3	38	—	—
AUD	131	—	—	—
CNY	35	—	—	—
PLN	—	3	—	—

Foreign currency sensitivity analysis

The Company is mainly exposed to the currencies stated above.

The following table details impact to profit or loss of the Company by sensitivity analysis of a 10% increase and decrease in the respective currencies against the functional currency of the Company. 10% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible changes in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 10% change on foreign currency rates.

If the relevant foreign currency strengthens/weakens by 10% against the functional currency of the Company, profit or loss will increase (decrease) by:

	Increase / (decrease) at + 10%		Increase / (decrease) at - 10%	
	As at March 31, 2025 ₹ in lakhs	As at June 30, 2024 ₹ in lakhs	As at March 31, 2025 ₹ in lakhs	As at June 30, 2024 ₹ in lakhs

GBP	—*	(4)	—*	4
AUD	(13)	—	13	—
CNY	(4)	—	4	—
PLN	—	—*	—	—*

* denotes amount less than ₹ 50 000

(iii) Other price risk management

Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. The Company is not exposed to pricing risk as the Company does not have any investments in equity instruments and bonds.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

B. Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.

Trade Receivables

Concentration of credit risk with respect to trade receivables are limited, due to the Company's customer base being large and diverse. The Company performs ongoing credit evaluation of the counterparty's financial position as a means of mitigating the risk of financial loss arising from defaults. The Company only grants credit to creditworthy counterparties.

The Company does not have any significant credit risk exposure to any single counterparty or any group of counterparties having similar characteristics as disclosed in Note 9 to the financial statements.

Other financial assets

Other financial assets include employee loans, security deposits, cash and cash equivalents, deposits with bank etc. Based on historical experience and credit profiles of counterparties, the Company does not expect any significant risk of default.

The Company's maximum exposure to credit risk for each of the above categories of financial assets is their carrying values.

C. Liquidity risk management

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The Company maintains adequate highly liquid assets in the form of cash to ensure necessary liquidity.

The table below analyse financial liabilities of the Company into relevant maturity groupings based on the reporting period from the reporting date to the contractual maturity date:

	Less than 1 Year ₹ in lakhs	Between 1 to 5 Years ₹ in lakhs	Over 5 years ₹ in lakhs	Total ₹ in lakhs	Carrying Value ₹ in lakhs
As at March 31, 2025					
Trade Payables	65 134	—	—	65 134	65 134
Other financial liabilities	1 108	5	—	1 113	1 113
As at June 30, 2024					
Trade Payables	63 904	—	—	63 904	63 904
Other financial liabilities	1 247	5	—	1 252	1 252

31.4 Fair value measurements

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

32 Share-based payments**a) International Stock Ownership Plan (Stocks of the Ultimate Holding Company)**

The Gillette Company, USA (TGC) had a "Global Employee Stock Ownership Plan" (employee share purchase plan) whereby specified employees of its subsidiaries have been given a right to purchase shares of TGC. Every employee who opted for the scheme contributed by way of payroll deduction up to a specified percentage (upto 15%) of his base salary towards purchase of shares on a monthly basis. The Company contributes 50% of employee's contribution (restricted to 2.5% of base salary). Such contribution is charged under employee benefits expense. Subsequent to the worldwide merger of Aquarium Acquisition Corporation (wholly owned subsidiary of the Procter & Gamble Company, USA) with TGC on October 1, 2005, the shares of TGC got delisted from the New York Stock Exchange and the share purchase plan has been adopted by the Procter & Gamble Company, USA.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

The shares of TGC (till September 30 2005) / The Procter & Gamble Company are listed with New York Stock Exchange of USA and are purchased on behalf of the employees at market price on the date of purchase. During the nine month period ended 2775.94 shares (Previous year: 3895.56 shares) excluding dividend were purchased by employees at weighted average fair value of ₹ 14 321.48 (Previous year: ₹ 12 883.75) per share. The Company's contribution during the nine month period on such purchase of shares amounts to ₹ 115 lakhs (Previous year: ₹ 139 lakhs).

b) Employees Stock Options Plan (Stocks of the Ultimate Holding Company)

The Gillette Company, USA (TGC) had an Employees Stock Options Scheme whereby specified employees of its subsidiaries covered by the plan were granted an option to purchase shares of the Parent Company i.e. The Gillette Company, USA at a fixed price (grant price) for a fixed period of time. Subsequent to the worldwide merger of Aquarium Acquisition Corporation (wholly owned subsidiary of the Procter & Gamble Company, USA) with The Gillette Company, USA on October 1, 2005, the shares of The Gillette Company got delisted from the New York Stock Exchange. Upon this change in control the 2005 Gillette Option award got automatically converted into P&G options at the established conversion ratio of 0.975 shares in the Procter and Gamble Company, for every share held in the Gillette Company. The shares of the Gillette Company (till September 30, 2005) / The Procter & Gamble Company, were/are listed with New York Stock Exchange of USA. The options were issued to Key Employees of the Company with Exercise price equal to the market price of the underlying shares on the date of the grant. The Grants issued are vested after 3 years/5 years and have a 5 years /10 years life cycle.

The expense recognised for employee services received during the year is shown in the following table:

	As at March 31, 2025 ₹ in lakhs	As at June 30, 2024 ₹ in lakhs
Expense arising from equity-settled share-based payment transactions	393	482

43 During FY 2021, National Anti Profiteering Authority (NAA) passed an order alleging that the Company has profiteered to the tune of ₹ 5 799 lakhs (excluding interest) and had directed the Company to deposit the said amount along with interest @18% into the Consumer Welfare Funds. The Company filed an appeal before Hon'ble Delhi High Court against the said order of NAA and the Hon'ble High Court has passed a 'status quo' order in favour of the Company, effectively staying the operation of the NAA order. The Delhi High Court (DHC) on January 29, 2024 upheld the constitutional validity of Anti-profiteering law. The individual cases filed by respective companies continue to be pending and interim orders passed in respective writ petitions shall continue. DHC will take up each company's petition to determine on the aspect of correctness of NAA's orders in their respective cases. The Company has filed an appeal against the DHC Order before the Supreme Court (SC), as in our view, DHC has erred in application of certain key legal principles and lacks appreciation for or has failed to take into consideration impracticability in implementation of the "proportionate price reduction" as the only method of passing off benefits of reduced tax. The SC has admitted the appeals and have posted it for further proceedings.

44 Maintenance of Audit Trail

As required under the second proviso to Section 128(1) of the Companies Act 2013, read with proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, the Company has identified applications which meet the definition of books of account.

The Company uses an ERP for maintaining its books of accounts, together with certain surround applications which either initiate, store, or process information which is subsequently recorded in the ERP.

NOTES TO FINANCIAL STATEMENTS FOR THE NINE MONTH PERIOD ENDED MARCH 31, 2025

The said surround applications include certain third-party Software-as-a-Service (SaaS) applications, such as an 'Employee Lifecycle and Compensation' application, 'Leave, Workforce and Overtime' application, 'Vendor Master Management' application, 'Product Price Approval and Management' application, an 'International Freight and Logistics Management' application and an 'Inventory Management' application which are hosted and managed by the service providers. The audit trail data for direct access to the database is available with the third-party software service providers, which has been validated through review of Service Organisation Controls (SOC) Reports. For the period not covered by the SOC Reports, Company has obtained Bridge Letters from the SaaS vendors.

The surround applications also include certain applications such as Inventory Management applications which are hosted on P&G Group's global servers. These applications are managed by the Group's IT teams and a privileged access management tool is used to monitor audit trail for direct access to the database.

The ERP and the surround applications have a feature of recording audit trail (edit log) facility which has operated throughout the year for all transactions recorded in said applications as required under the Companies Act, 2013.

- 45** During the previous year the Company had arrived at an Advanced Pricing Agreement with the concerned tax authorities, determining appropriate transfer pricing methodology for certain identified transactions with the Company's affiliate(s) for the years ended March 2013, March 2015, March 2016 and March 2017. As a consequence of this agreement, an additional tax liability amounting to ₹ 615 lakhs and interest amounting to ₹ 140 lakhs, has been accounted under Prior Period Tax Adjustments and Finance Costs respectively. In view of the above, contingent liabilities have been reduced by ₹ 25 005 lakhs.
